A close-up, low-angle shot of a character's face, likely from a video game. The character has a dark complexion and a wide, toothy grin, showing their teeth. The lighting is dramatic, with strong highlights on the teeth and deep shadows on the rest of the face. The background is dark and industrial, with some metallic structures and a small blue light source visible in the distance.

NOT GONNA HURT YA,

A man with a mohawk hairstyle is seen from behind, looking towards a woman kneeling on a street at night. The woman is wearing a black top and skirt and appears to be in distress. The scene is lit with a strong light source from the side, creating high contrast and shadows. A cigarette butt is visible on the ground near the woman.

A woman with dark, curly hair and red eyes is shown from the chest up. She is wearing a black, low-cut, lace-up dress with a black choker and a black long-sleeved glove with a crisscross pattern.
