Hah... That was fun...

Though.. You helped
me and didn't ask
anything in return...

There's is no need,
Mistress.

Because that was
my fate...

...I was created to serve anyone who own me.

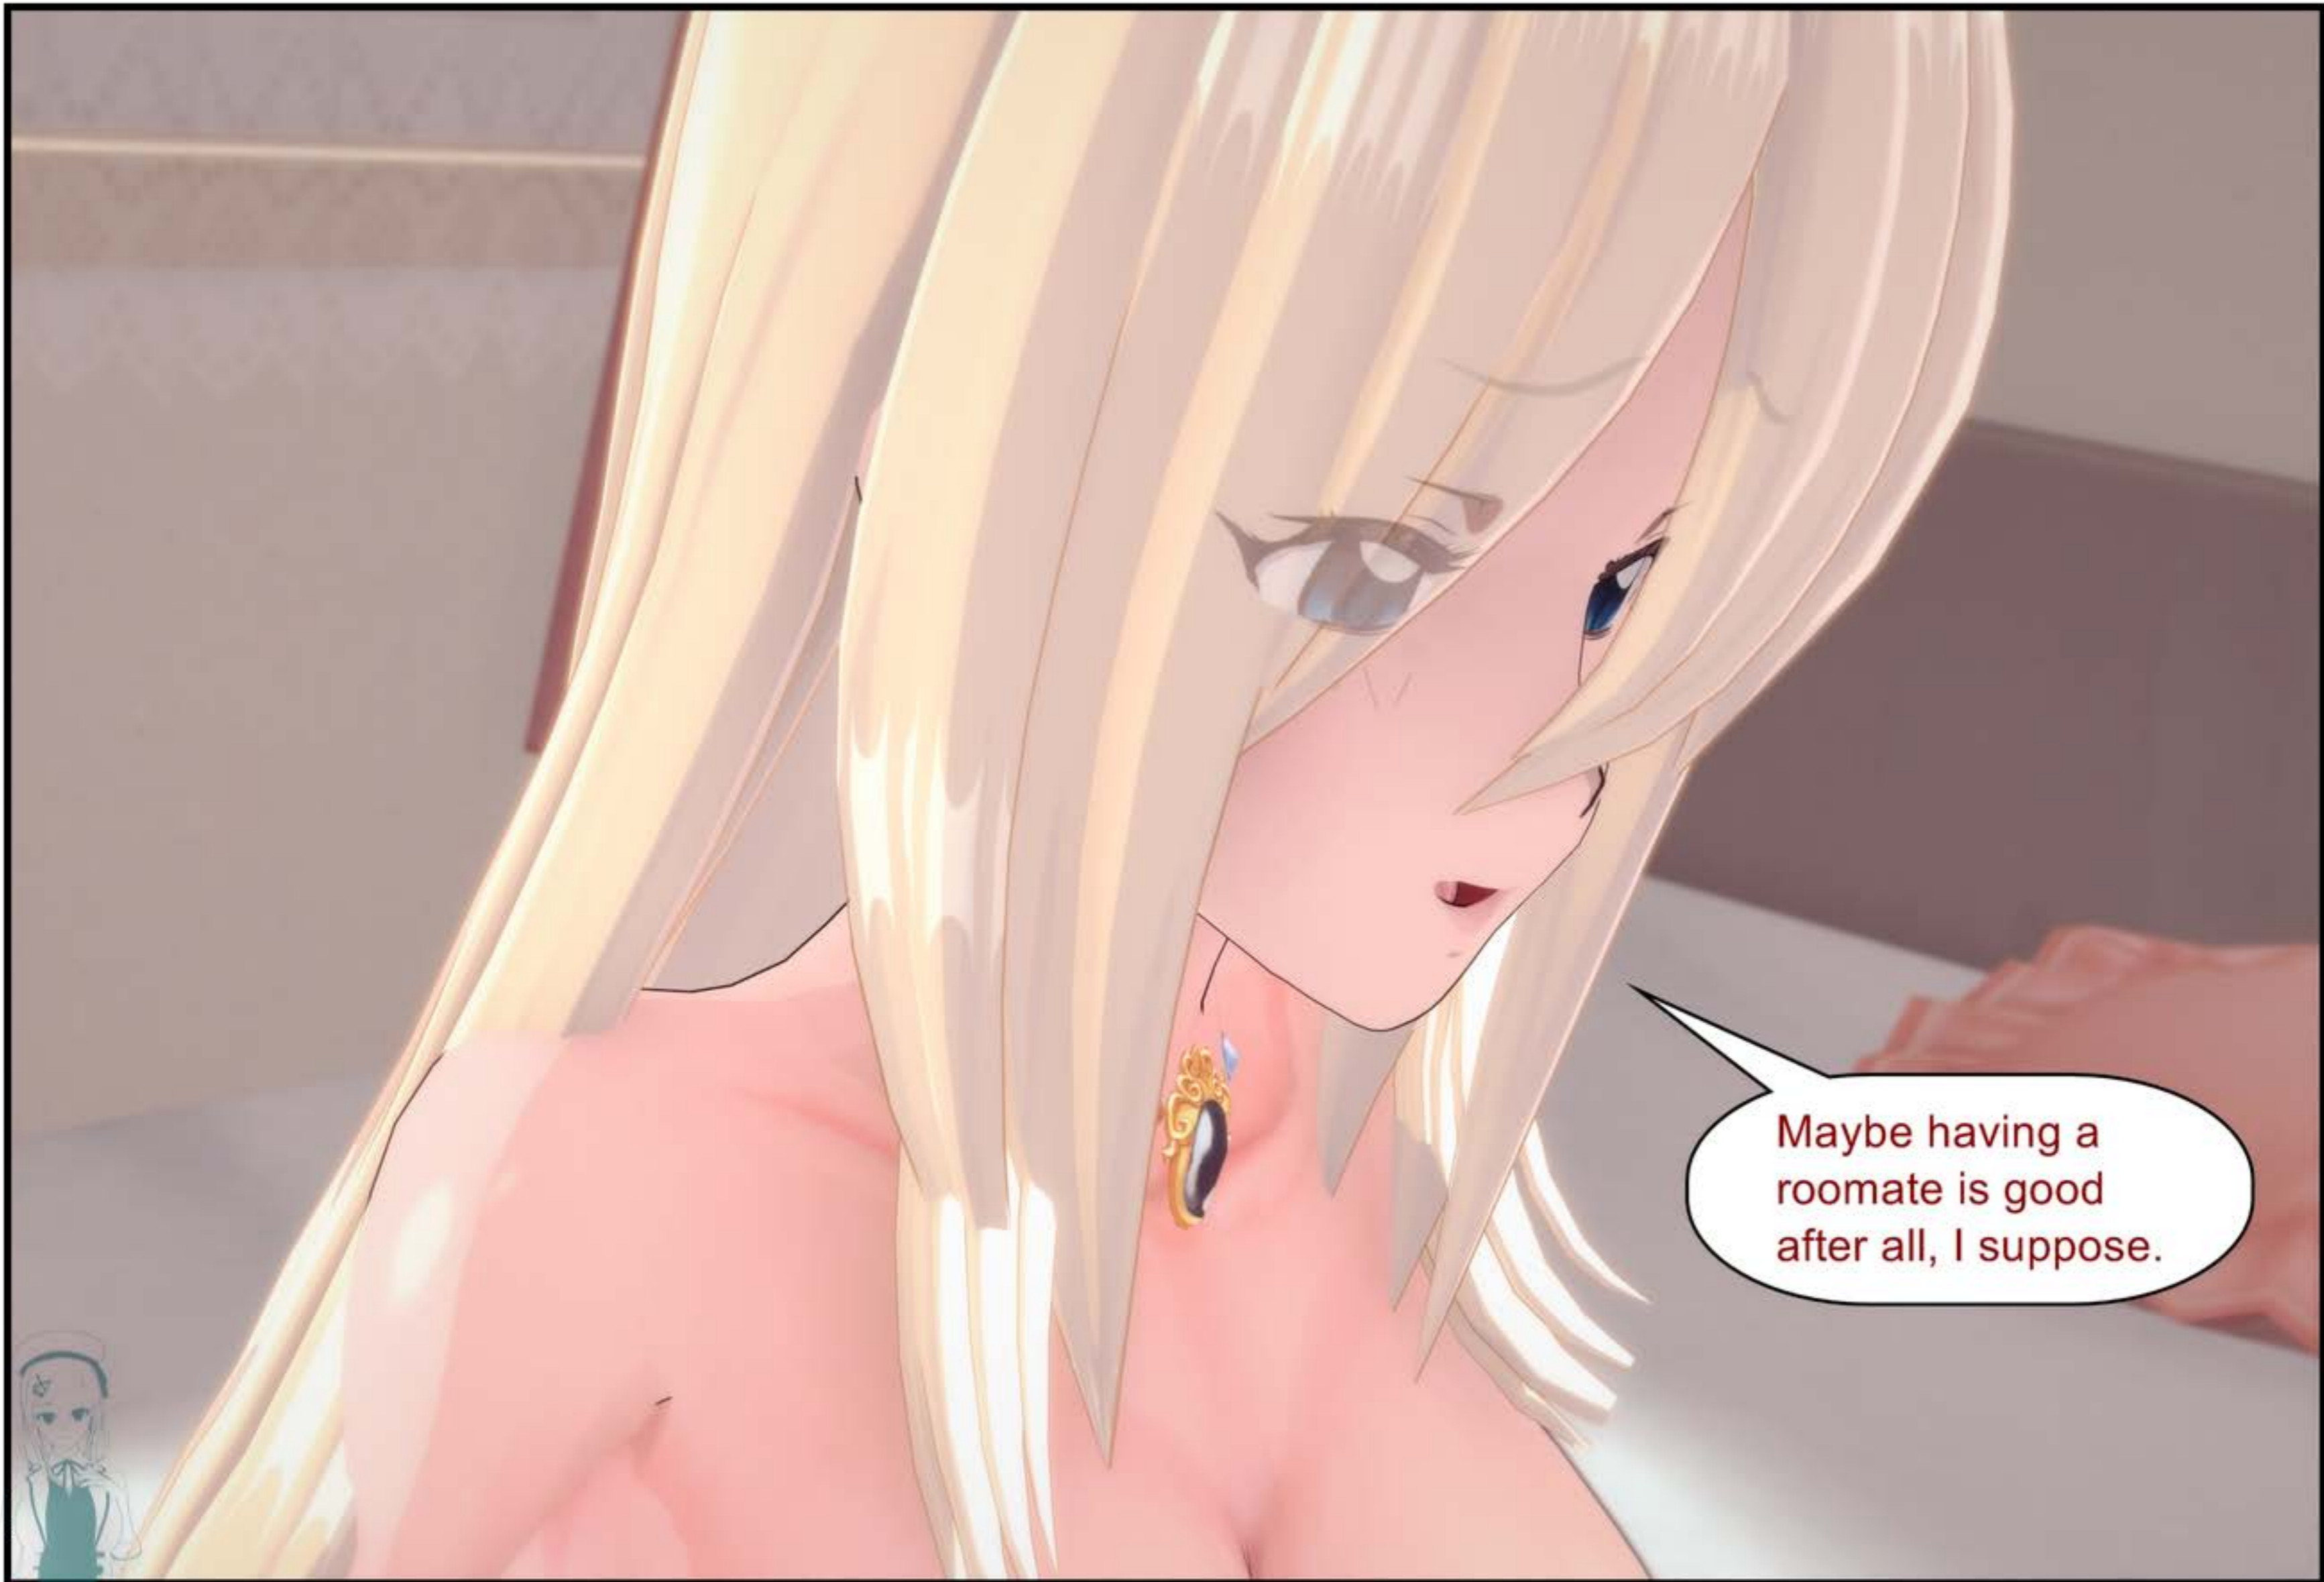

Um... I still couldn't believe that magic is real.

But... since you here,
I somehow felt a
lot safer.

Maybe having a roommate is good after all, I suppose.

Ah... Sorry, I was talking non-sense...

No, Mistress.

This is my first time
I have someone see
me as a person.

At least, in the
last hundreds years,
I have you, Minami.

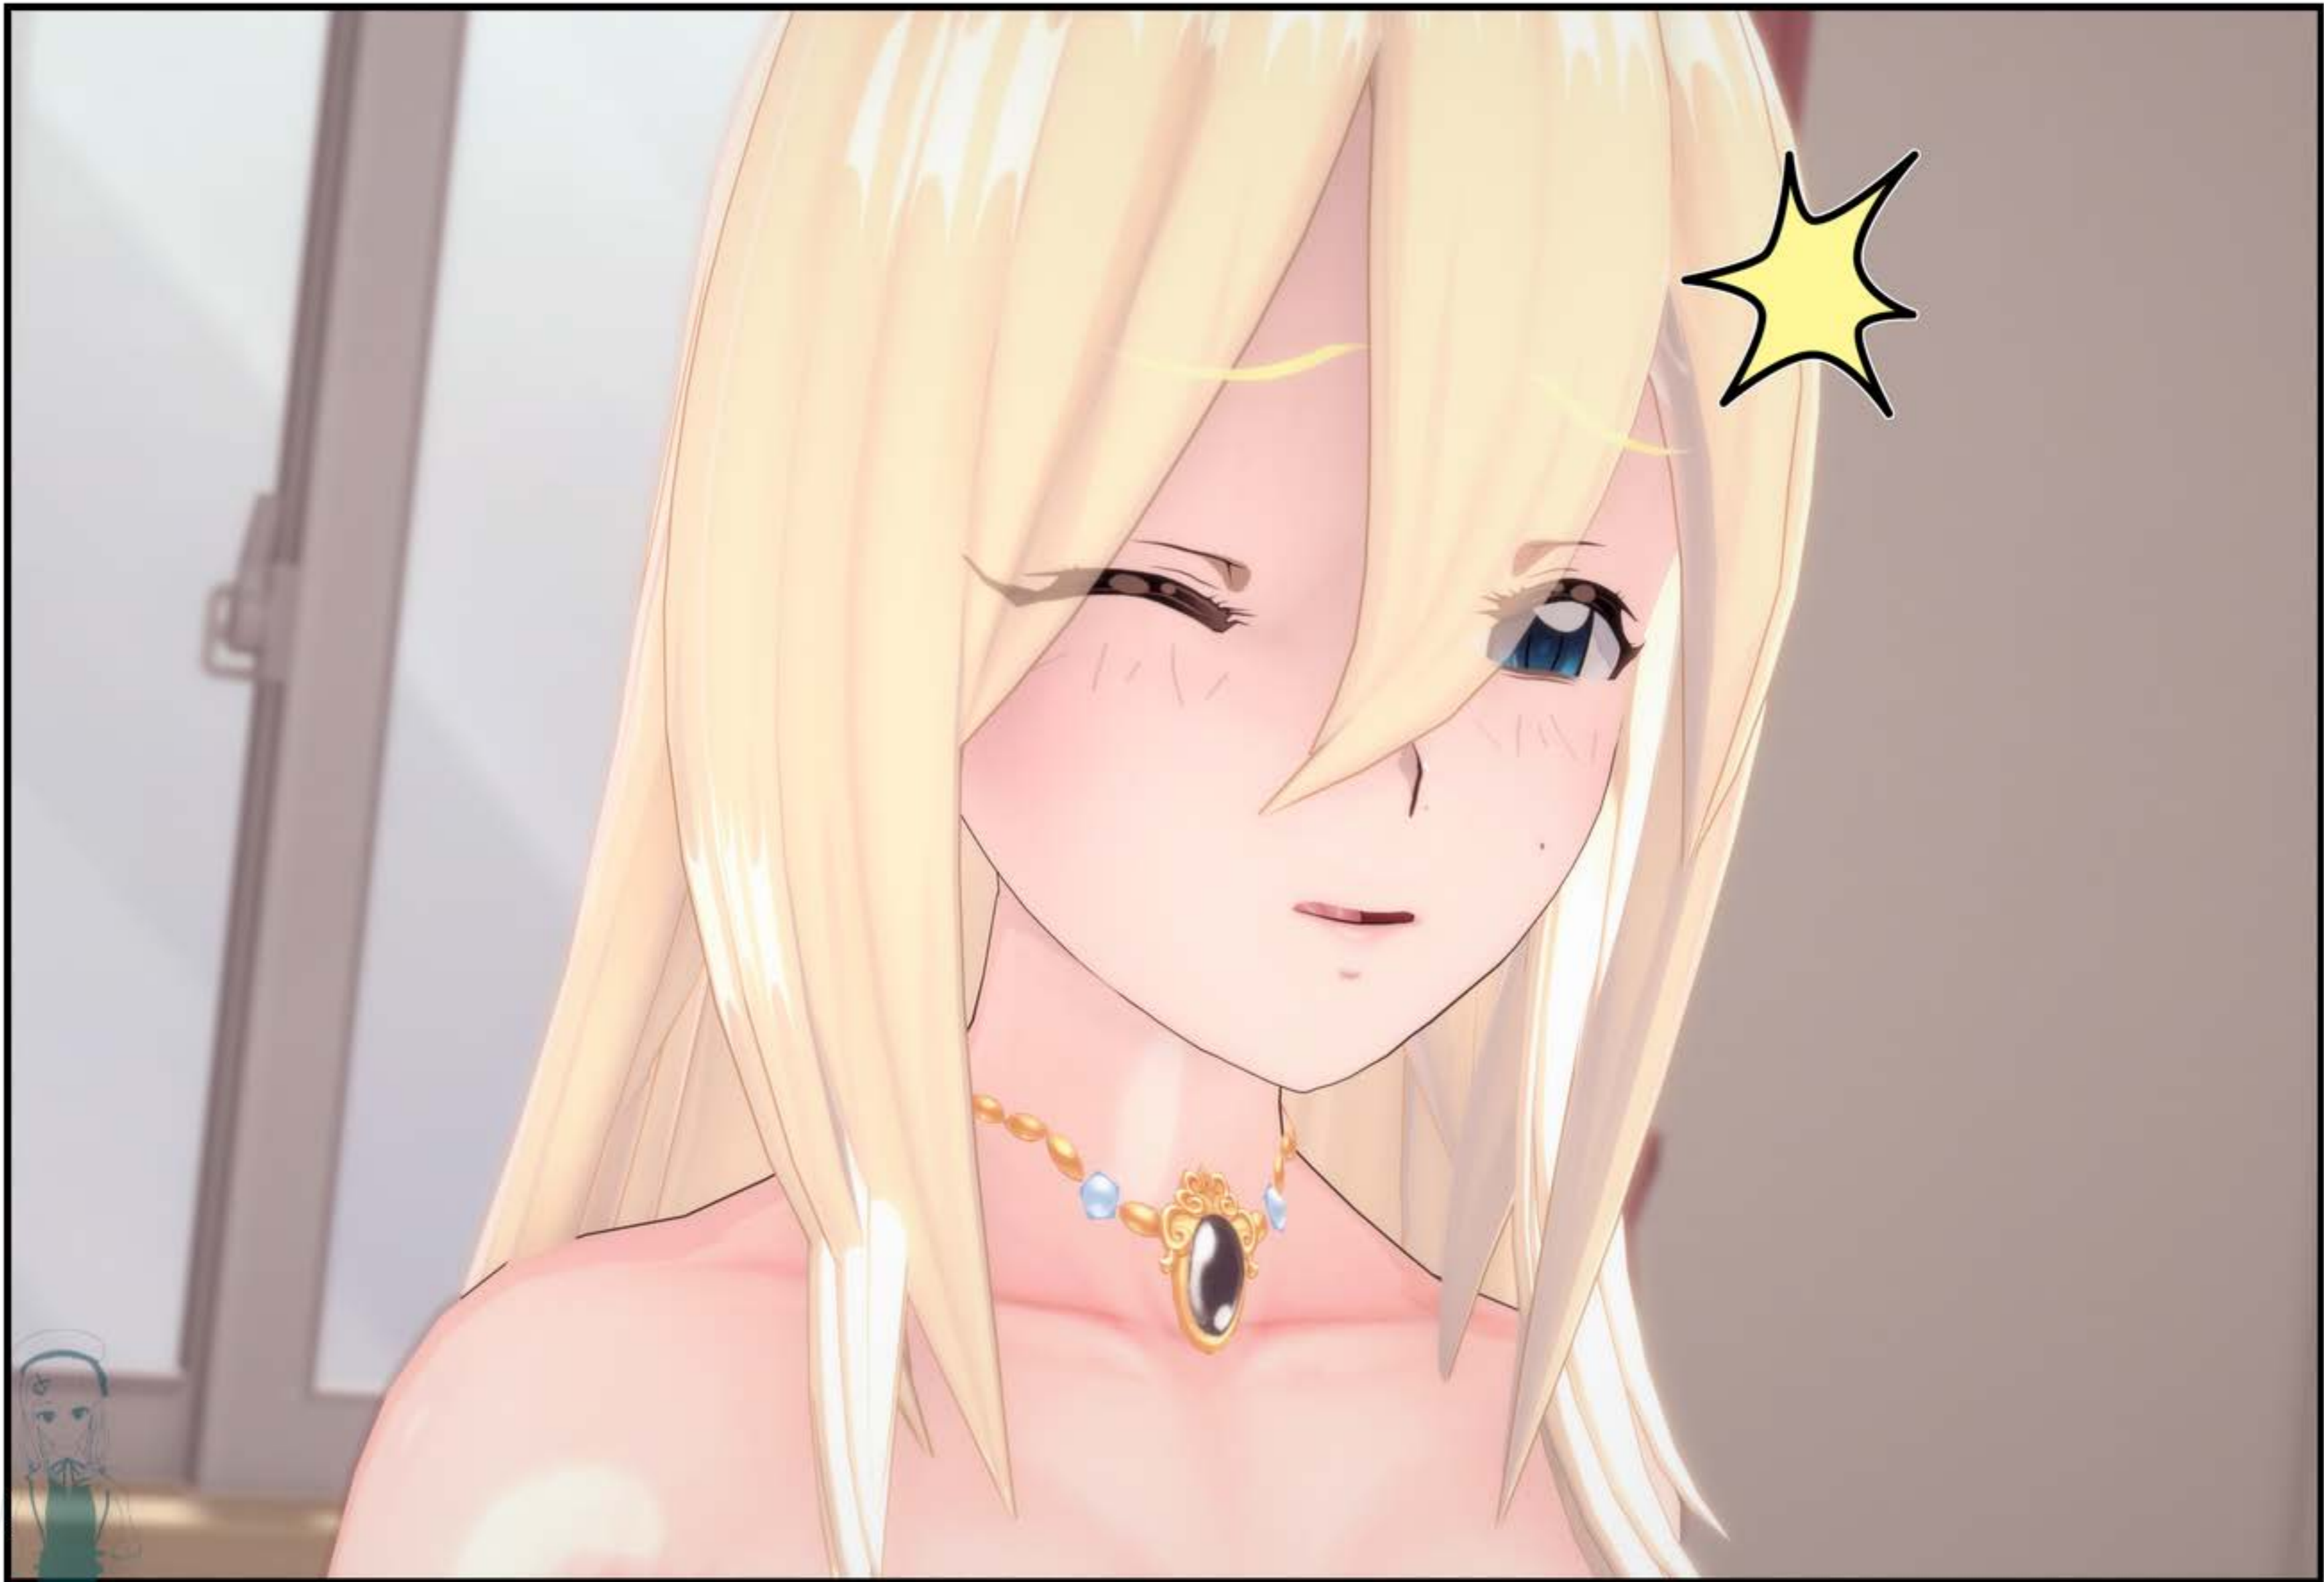

U-Um...

Anyway, do you
want to eat something?
Let me make it...

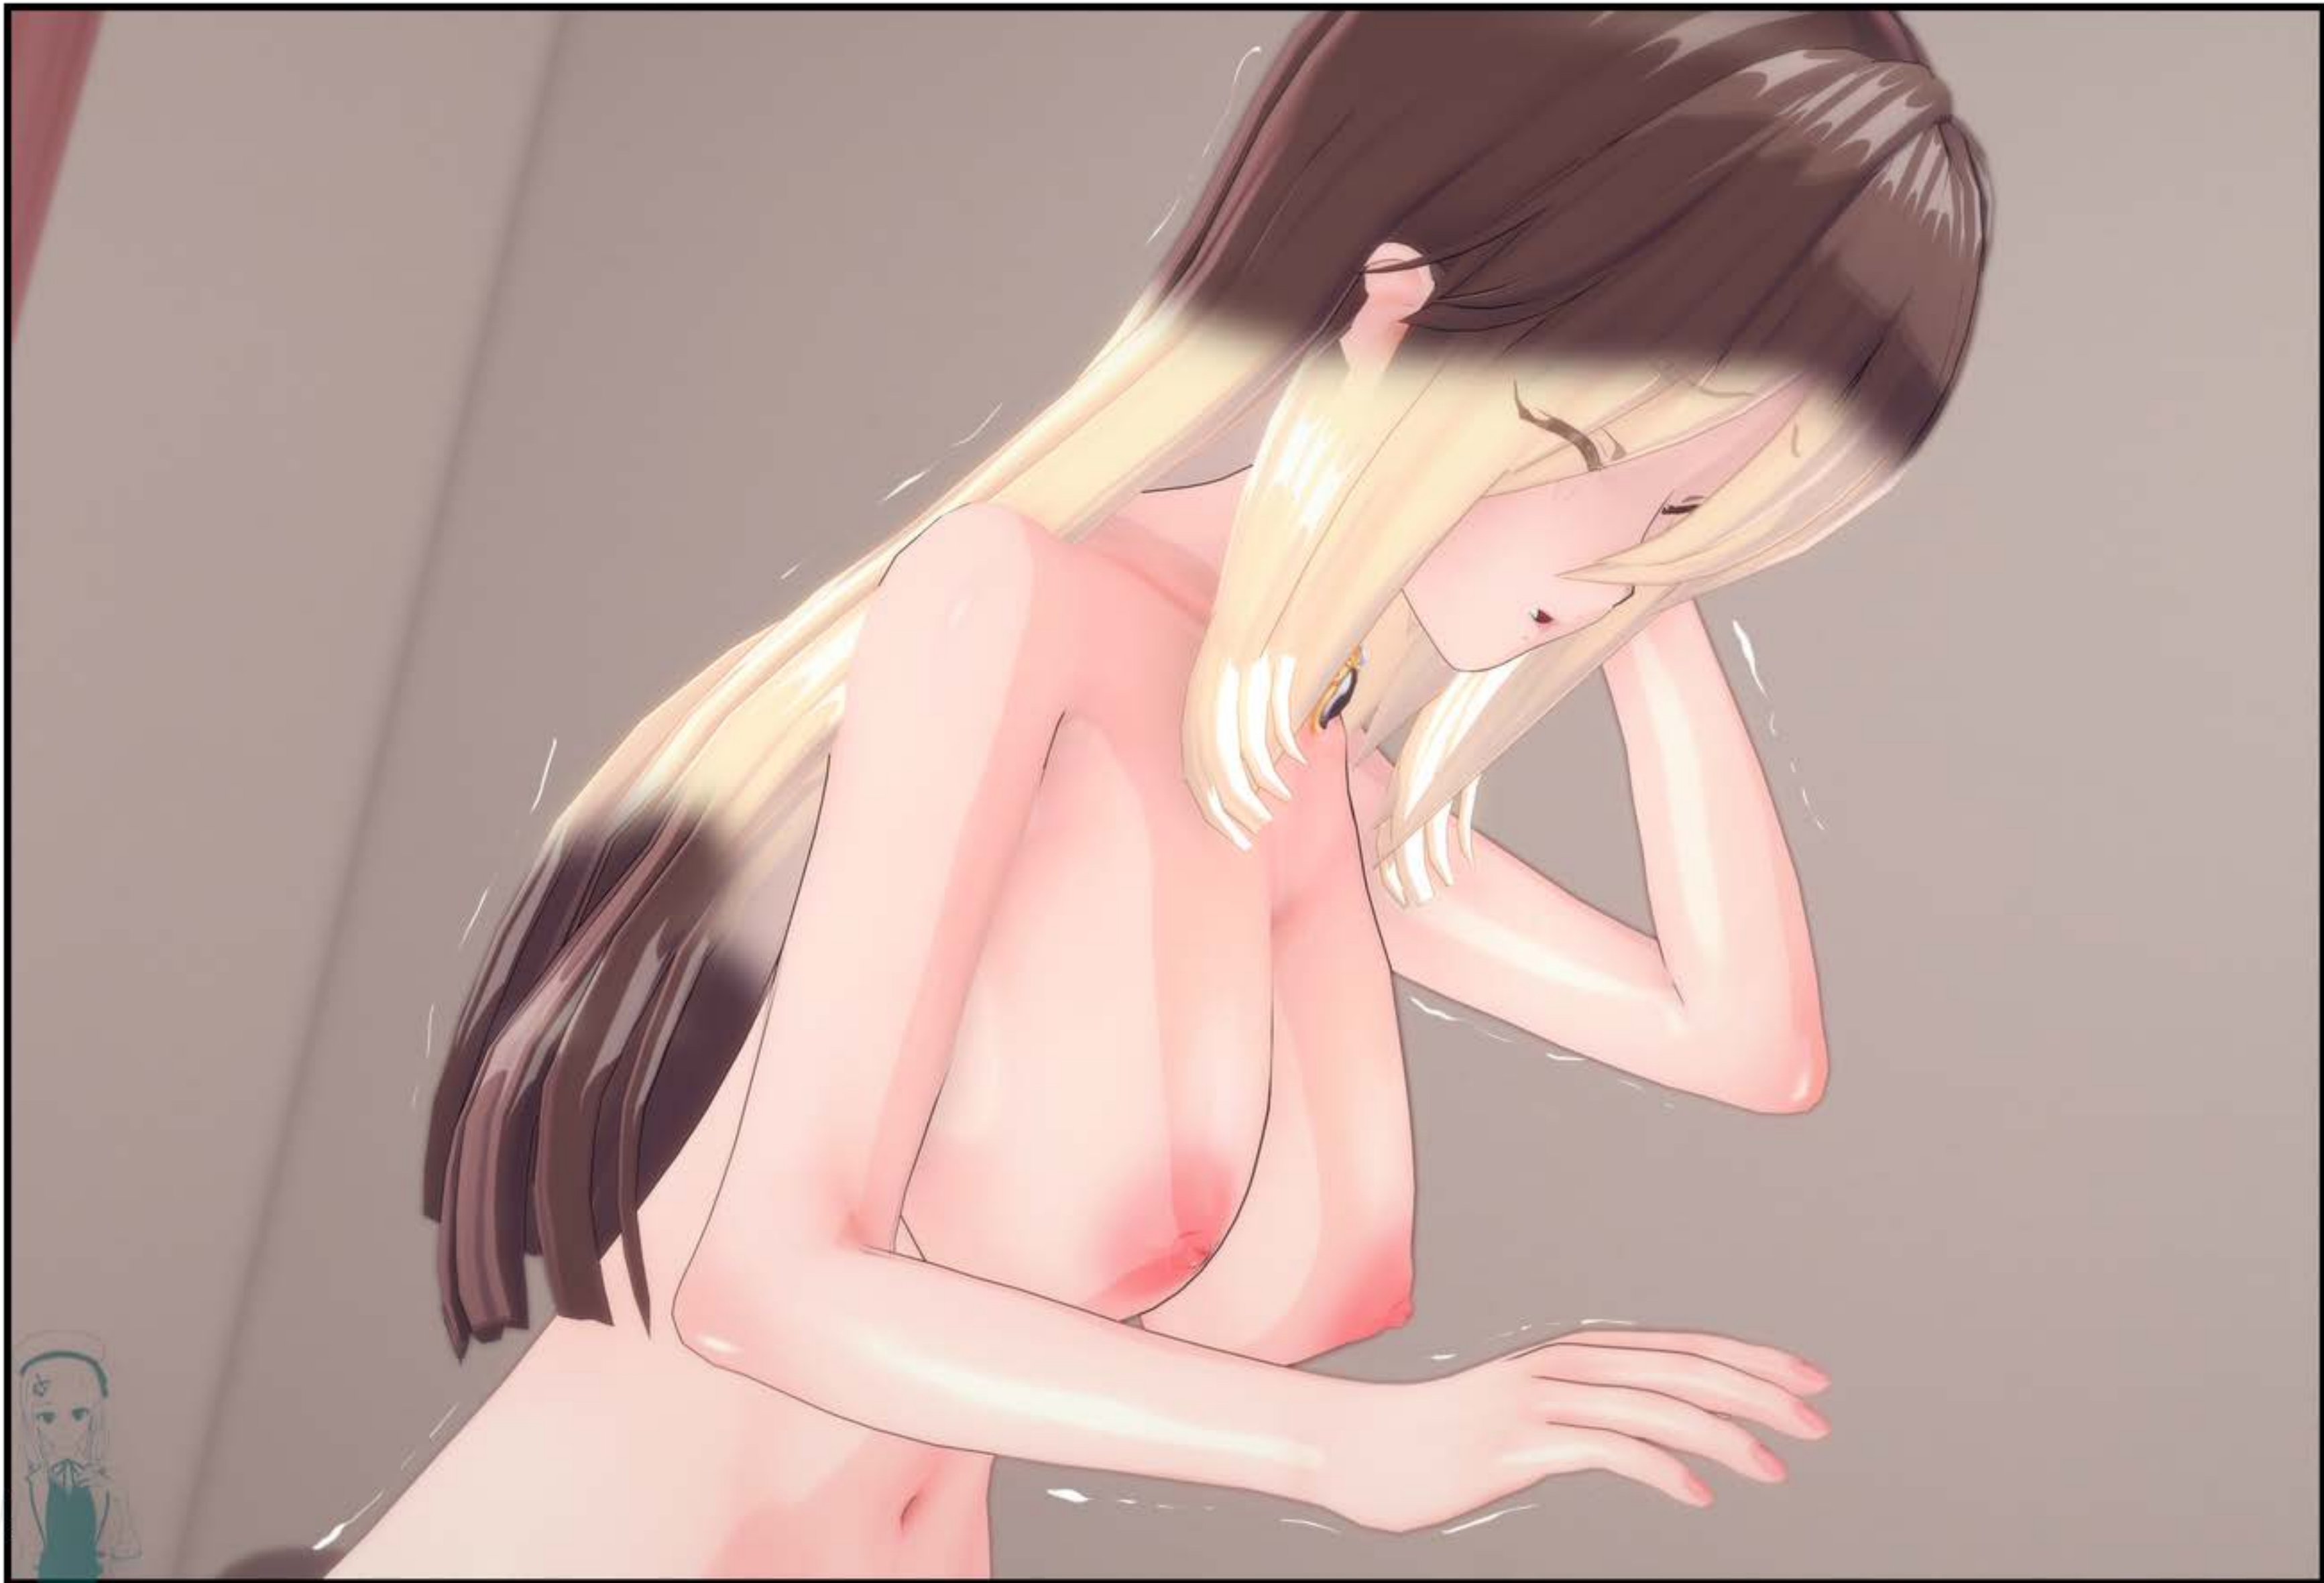

M-Mistress!?

I-I'm okay... I was..
a bit headache...

Miss.. Minami!?

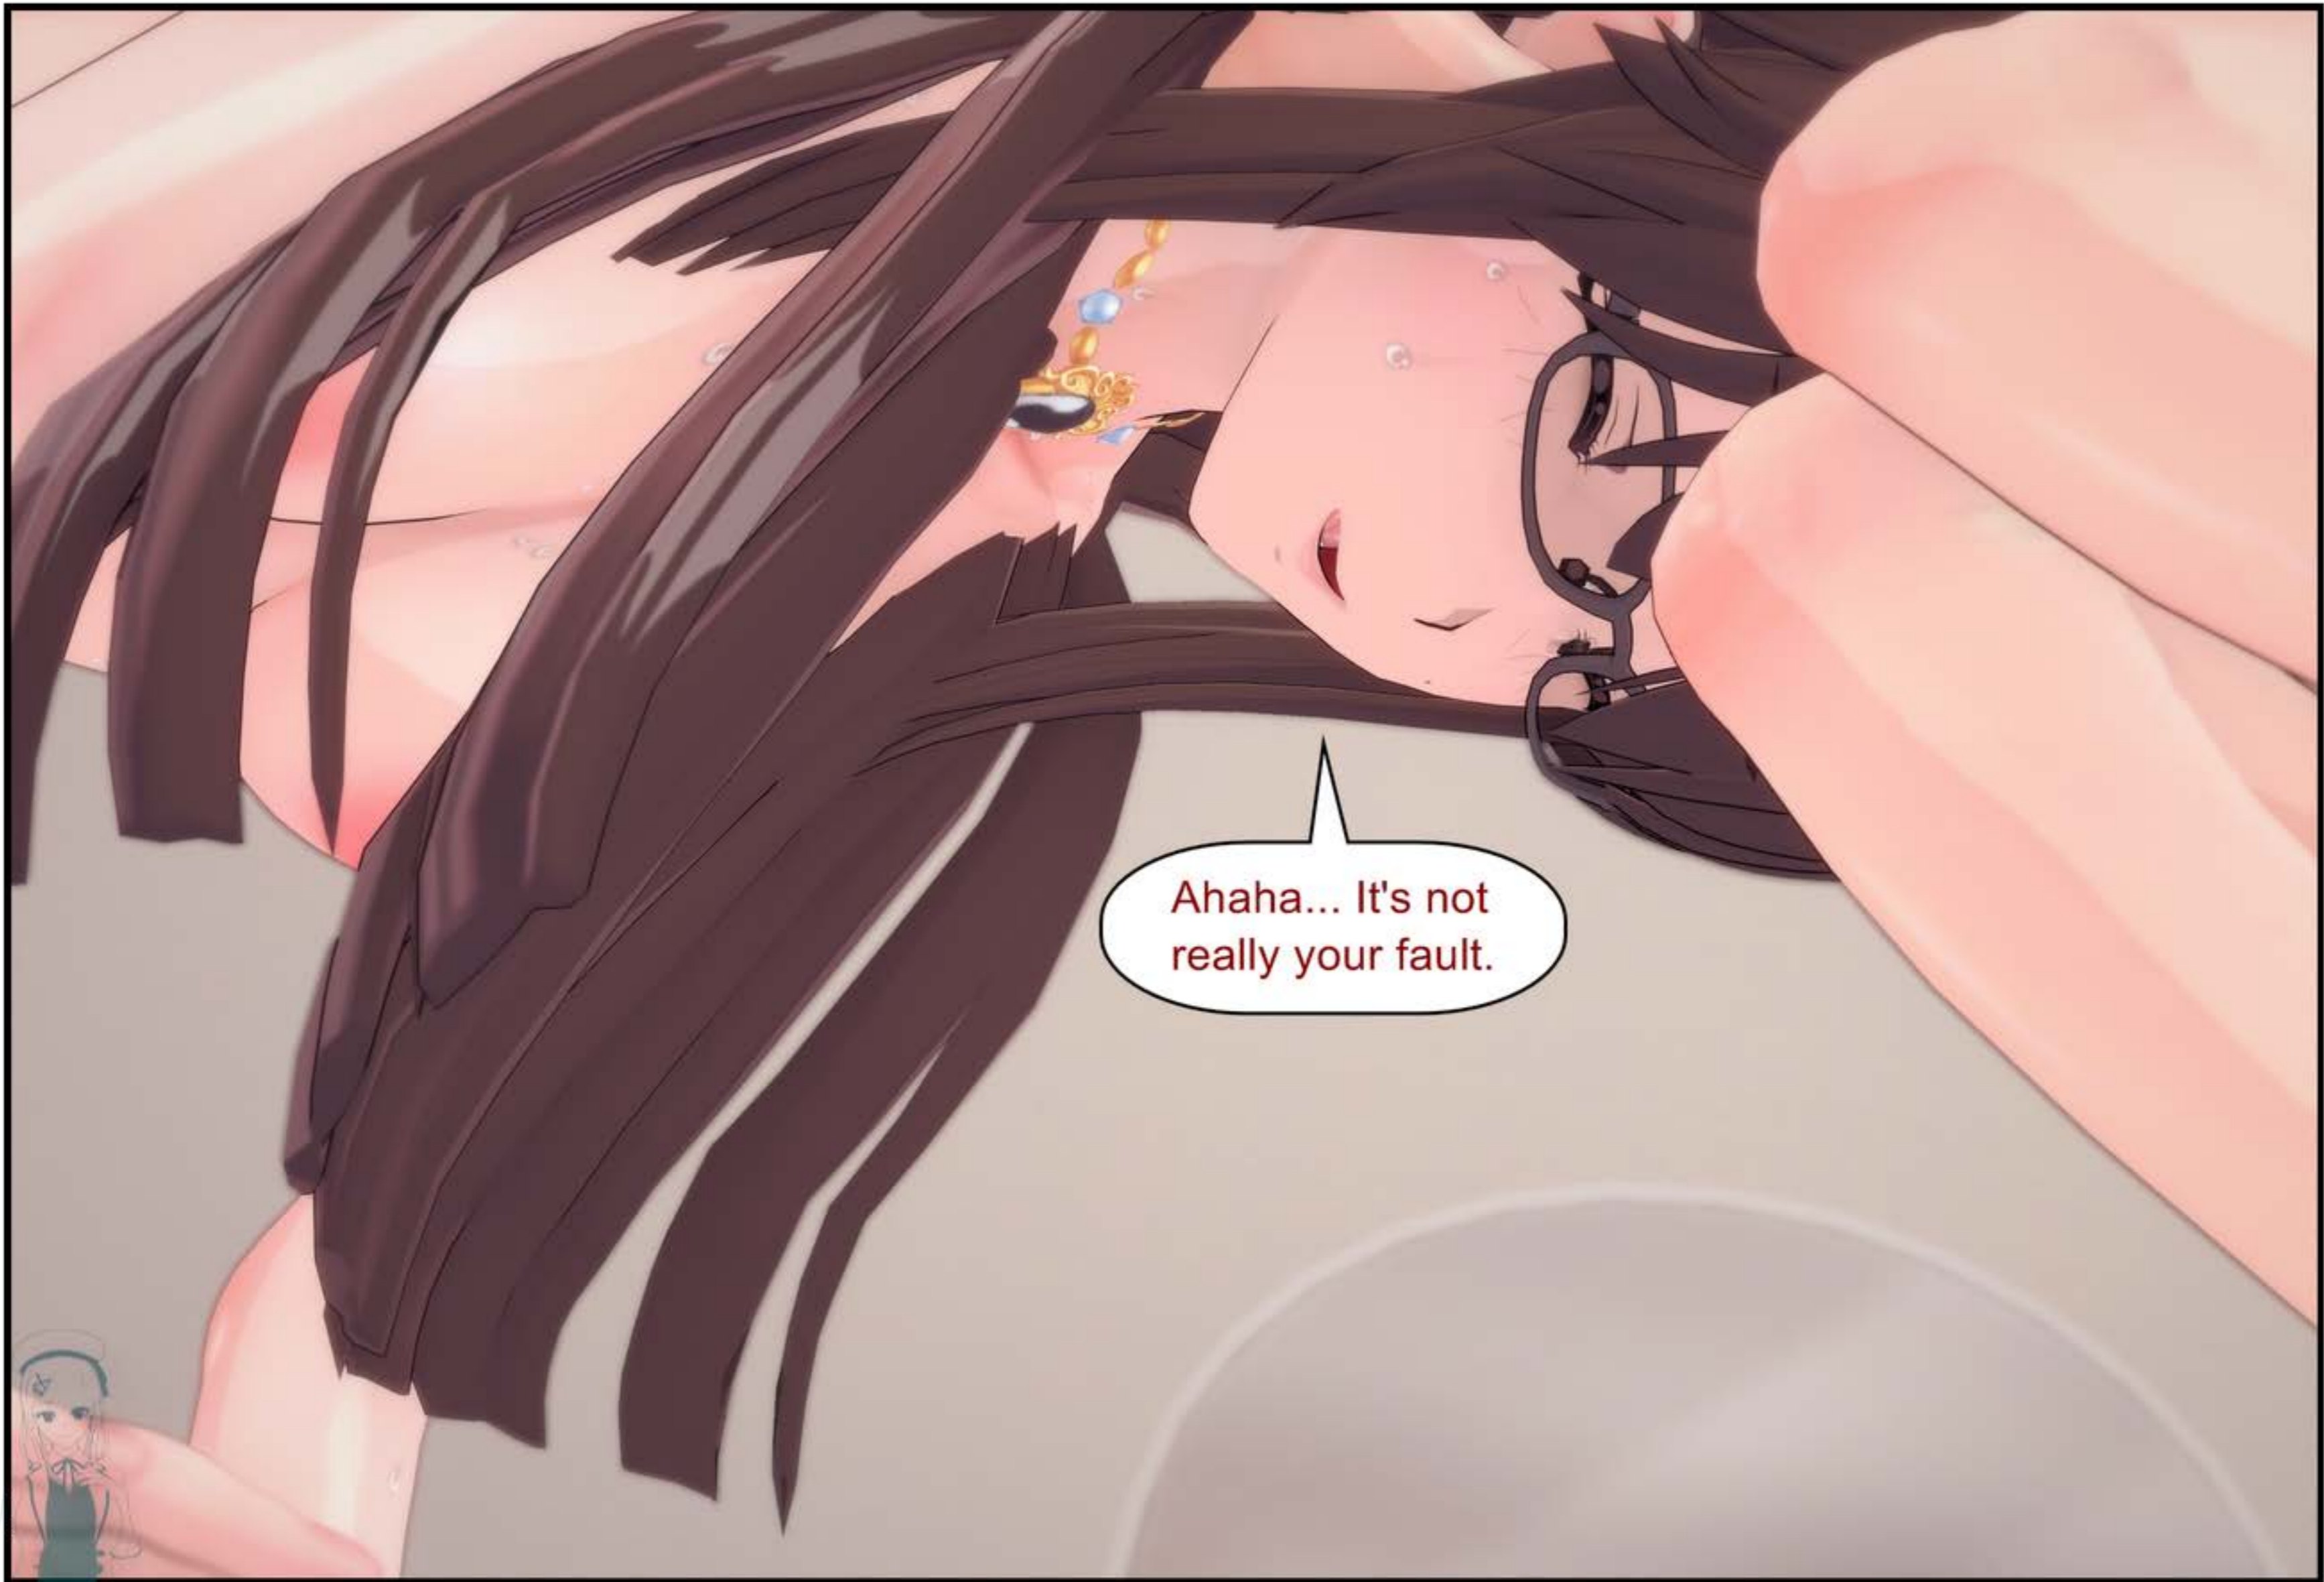

Are you okay?
Your... body is
getting weaker...

Maybe you didn't have
enough mana to handle
my magic on you...

Ahaha... It's not
really your fault.

Mistress... Your phone is ringing.

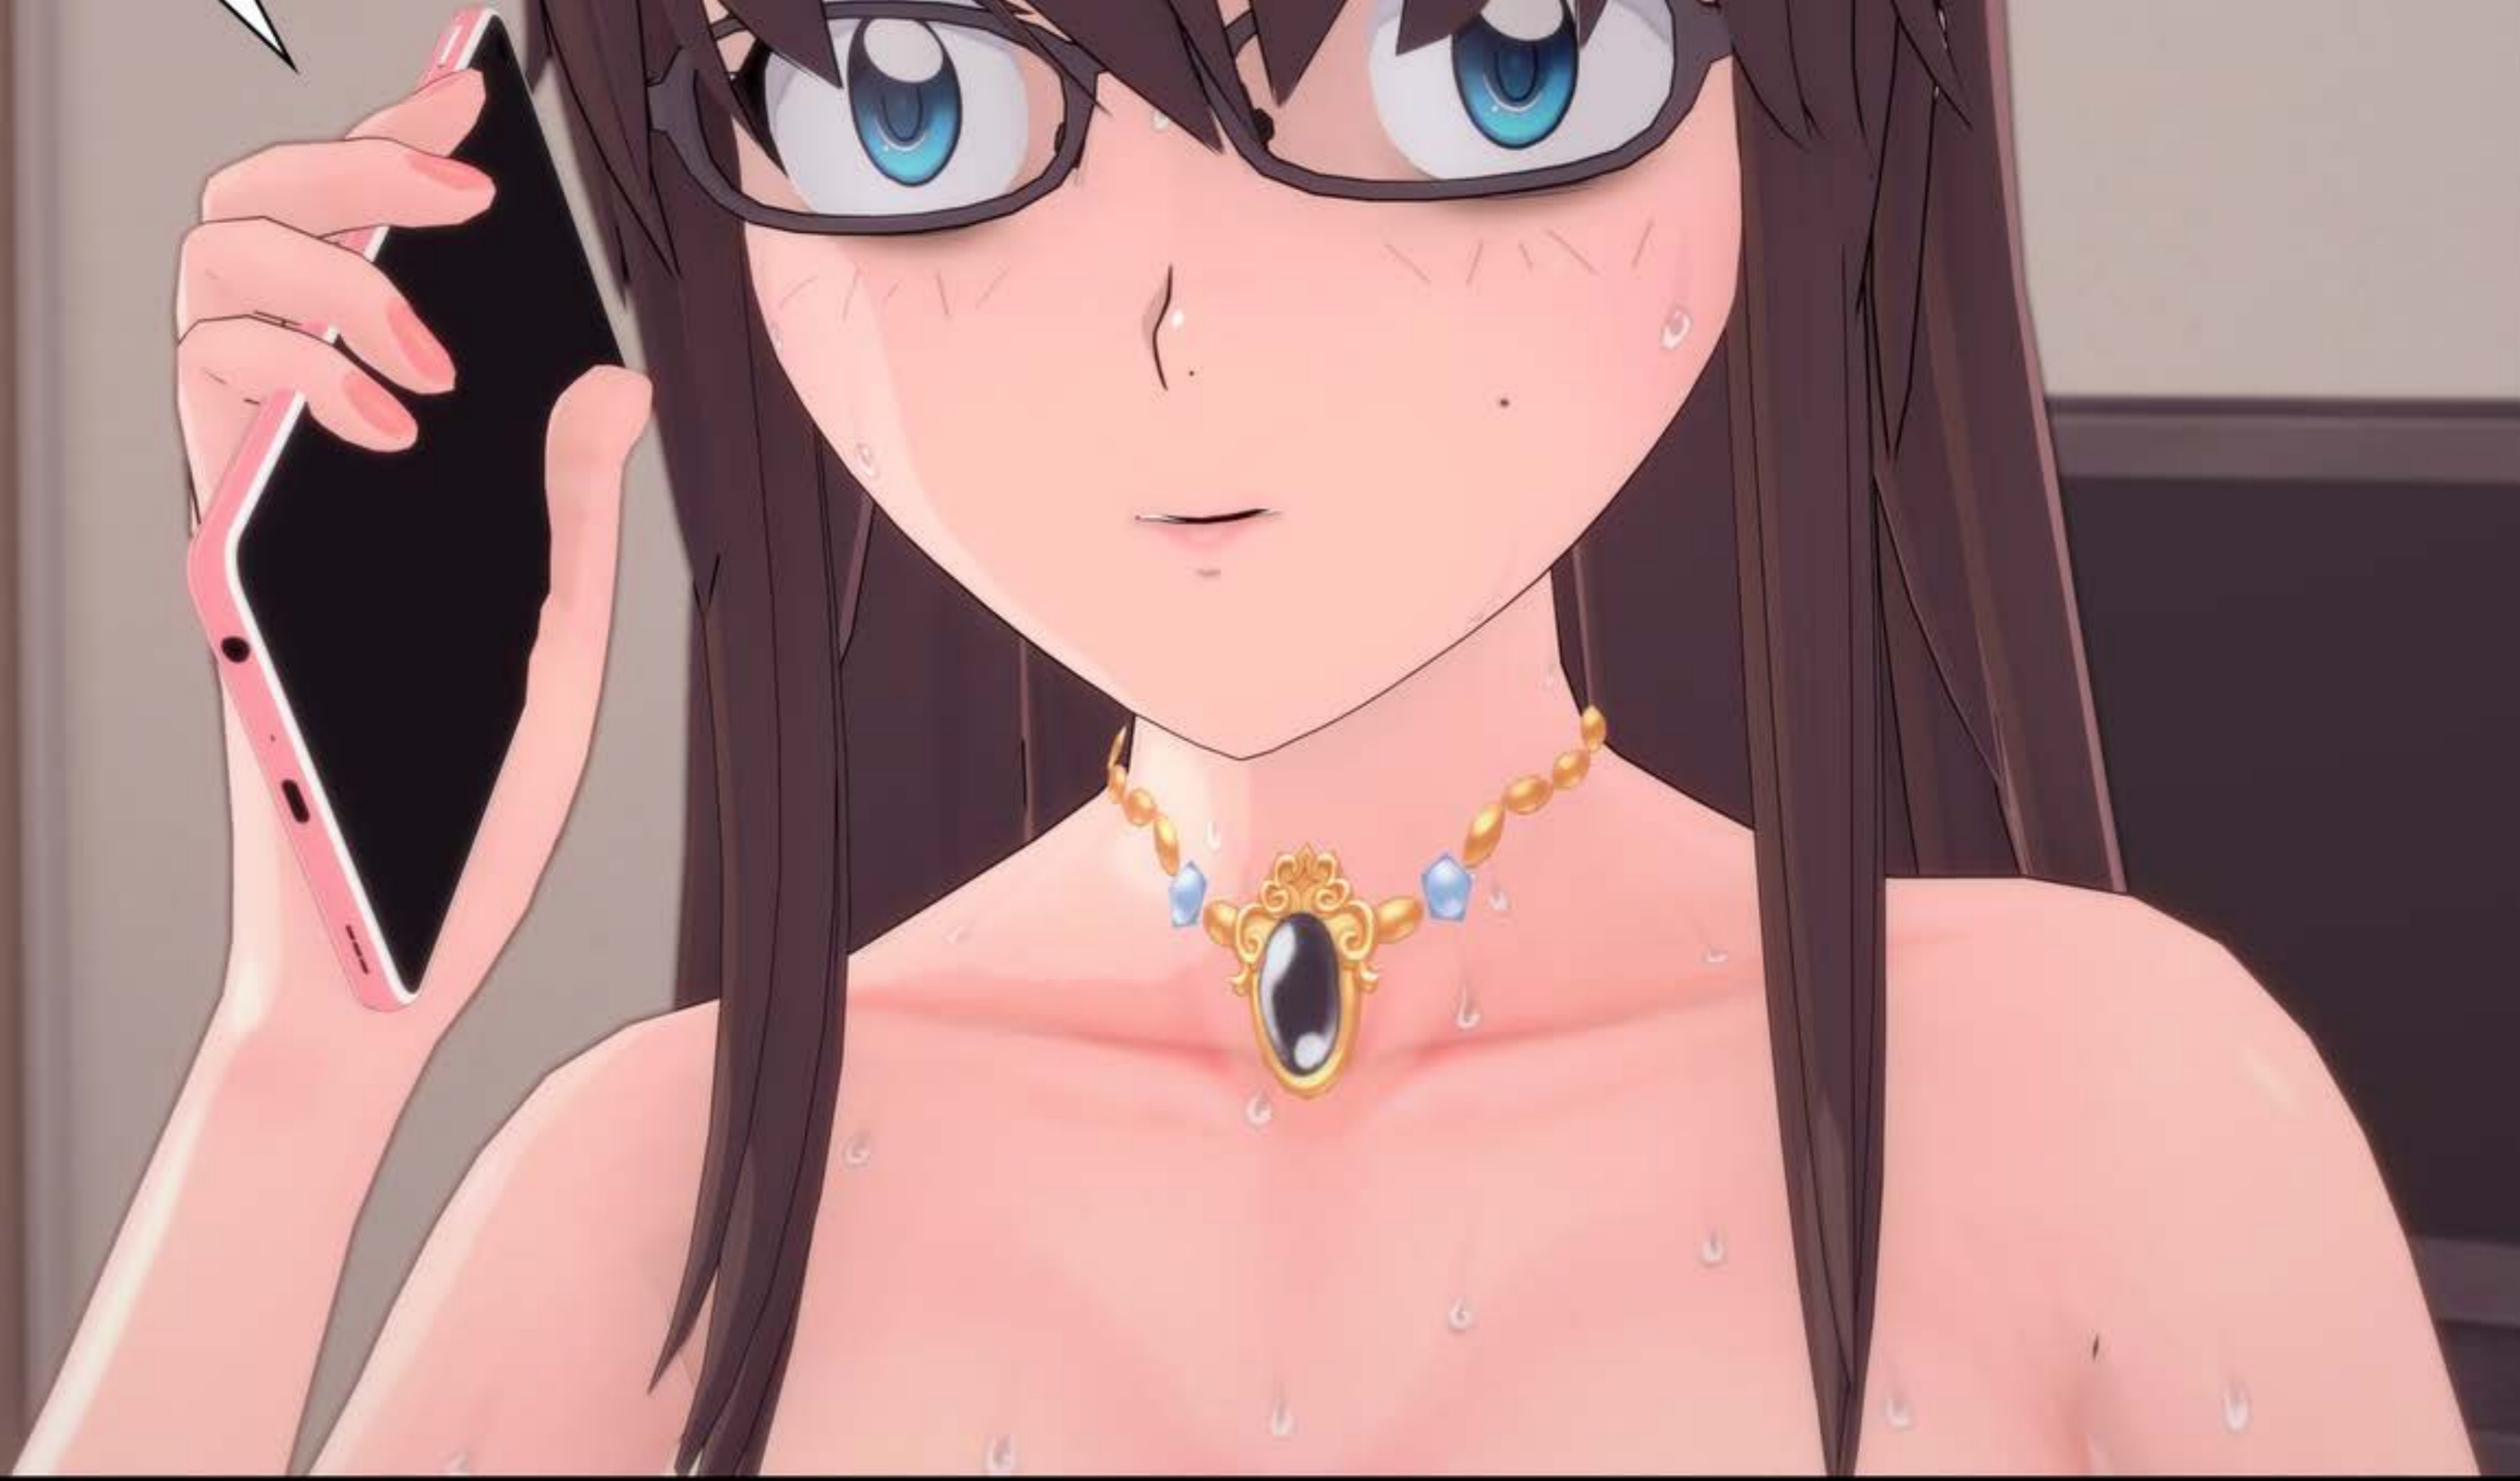

I'm fine. I just need a small rest...

Y-Yes...? Minami is listening. May I ask who...

Long time no see,
Minami. It's your aunt.

You may ask what
do I want, right?
It's your Father's debt.

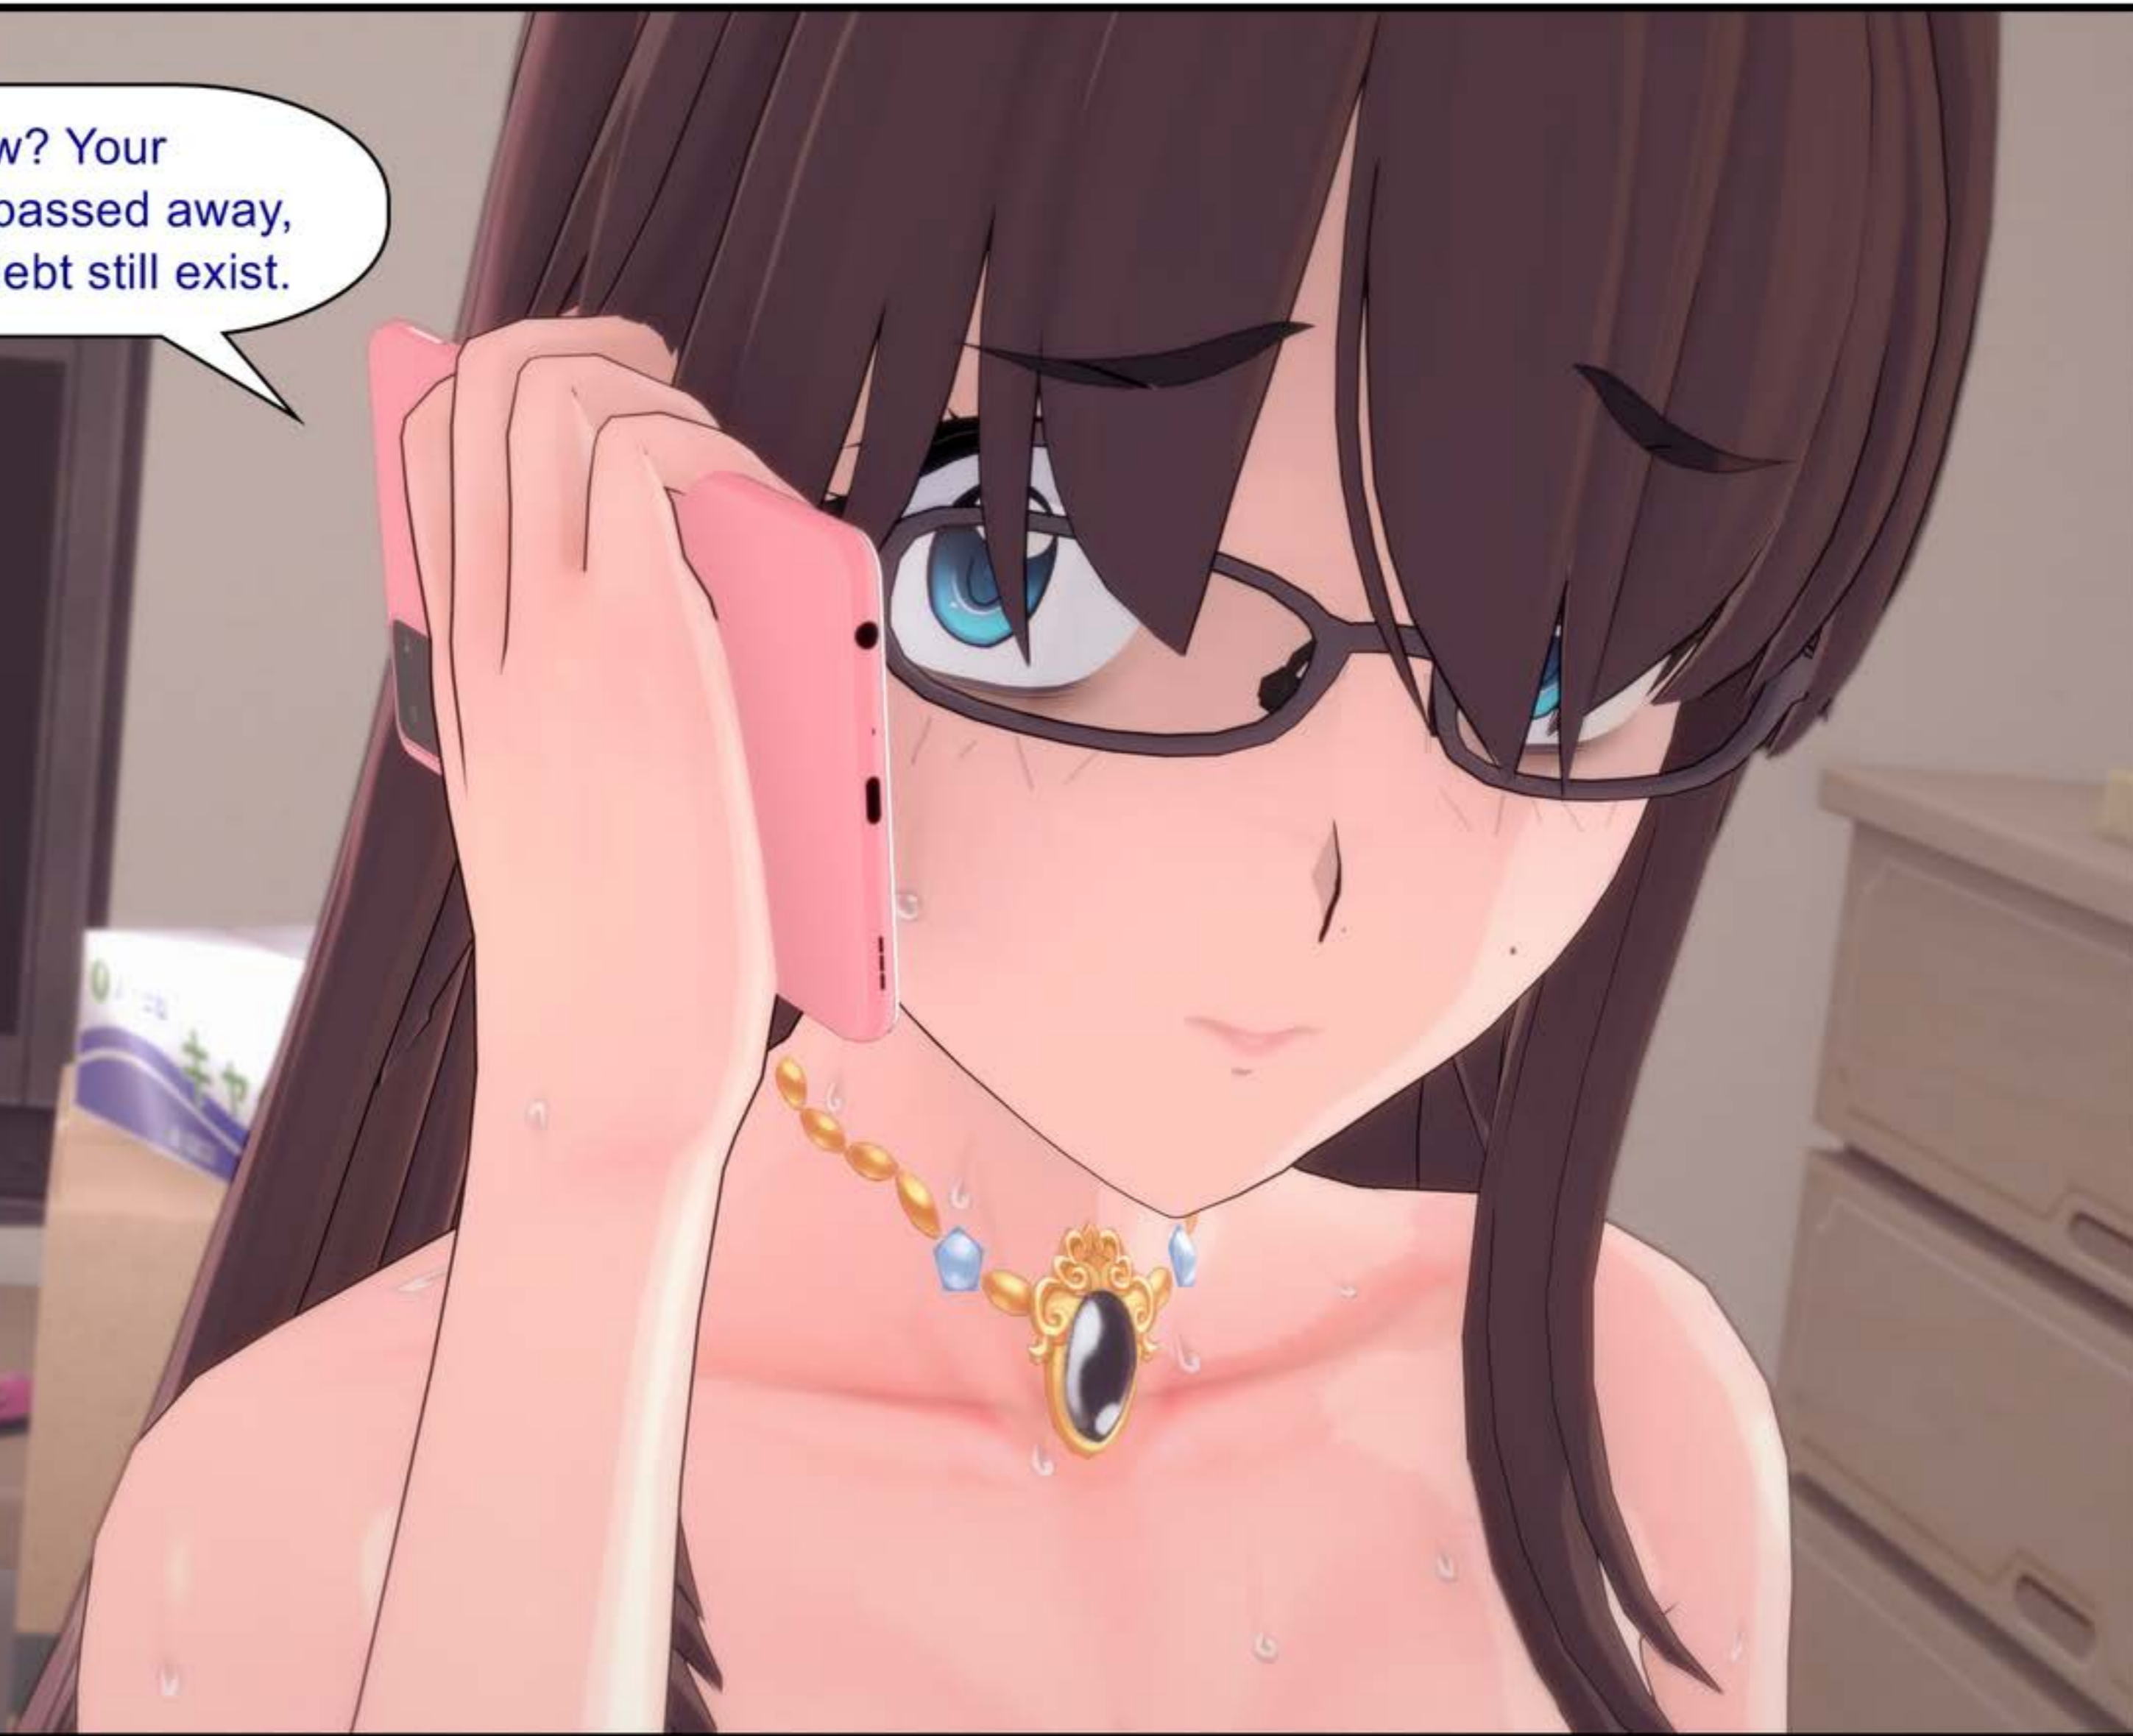

...and run away, then
move into a new
apartment?

P-Please... I will try
to gather enough...

You know? Your
parents passed away,
but the debt still exist.

Your Father should
have pay me in full
before he ran to
the other side.

Mistress? Who was that?

It's my aunt...
She will be here
for my family debt.

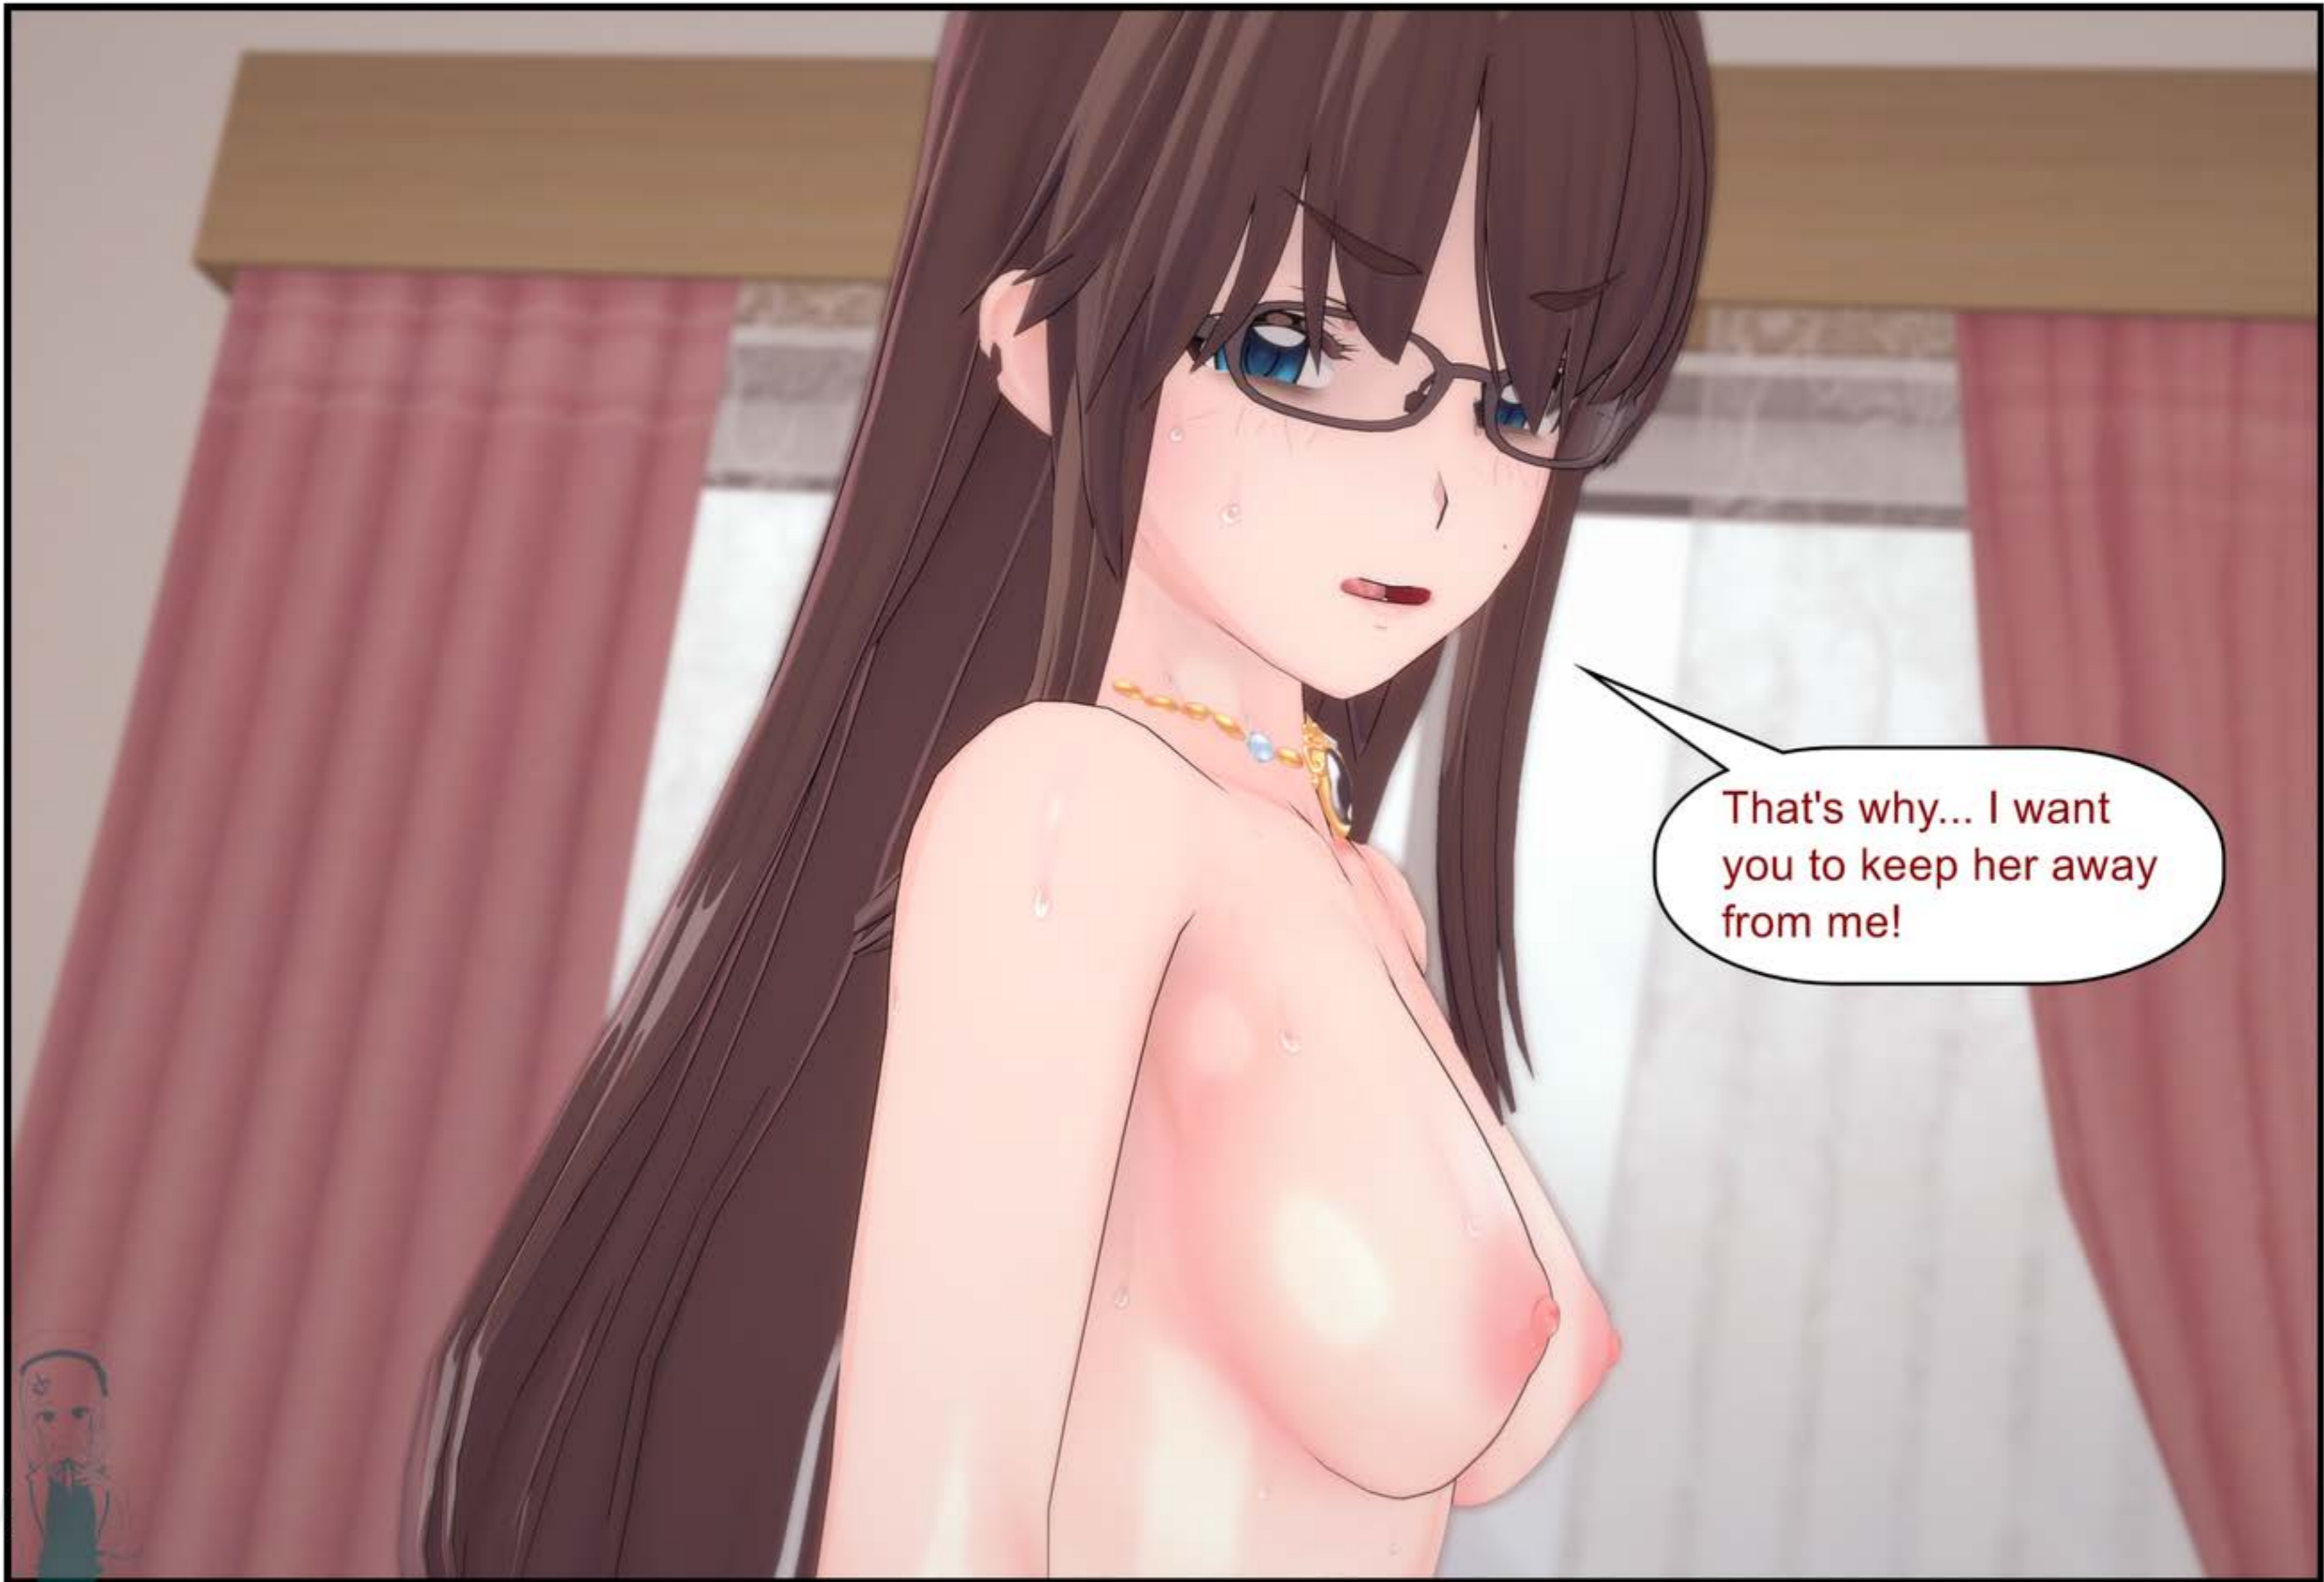

Because my Father
borrowed her a lot...
Yet, he couldn't pay
back any.

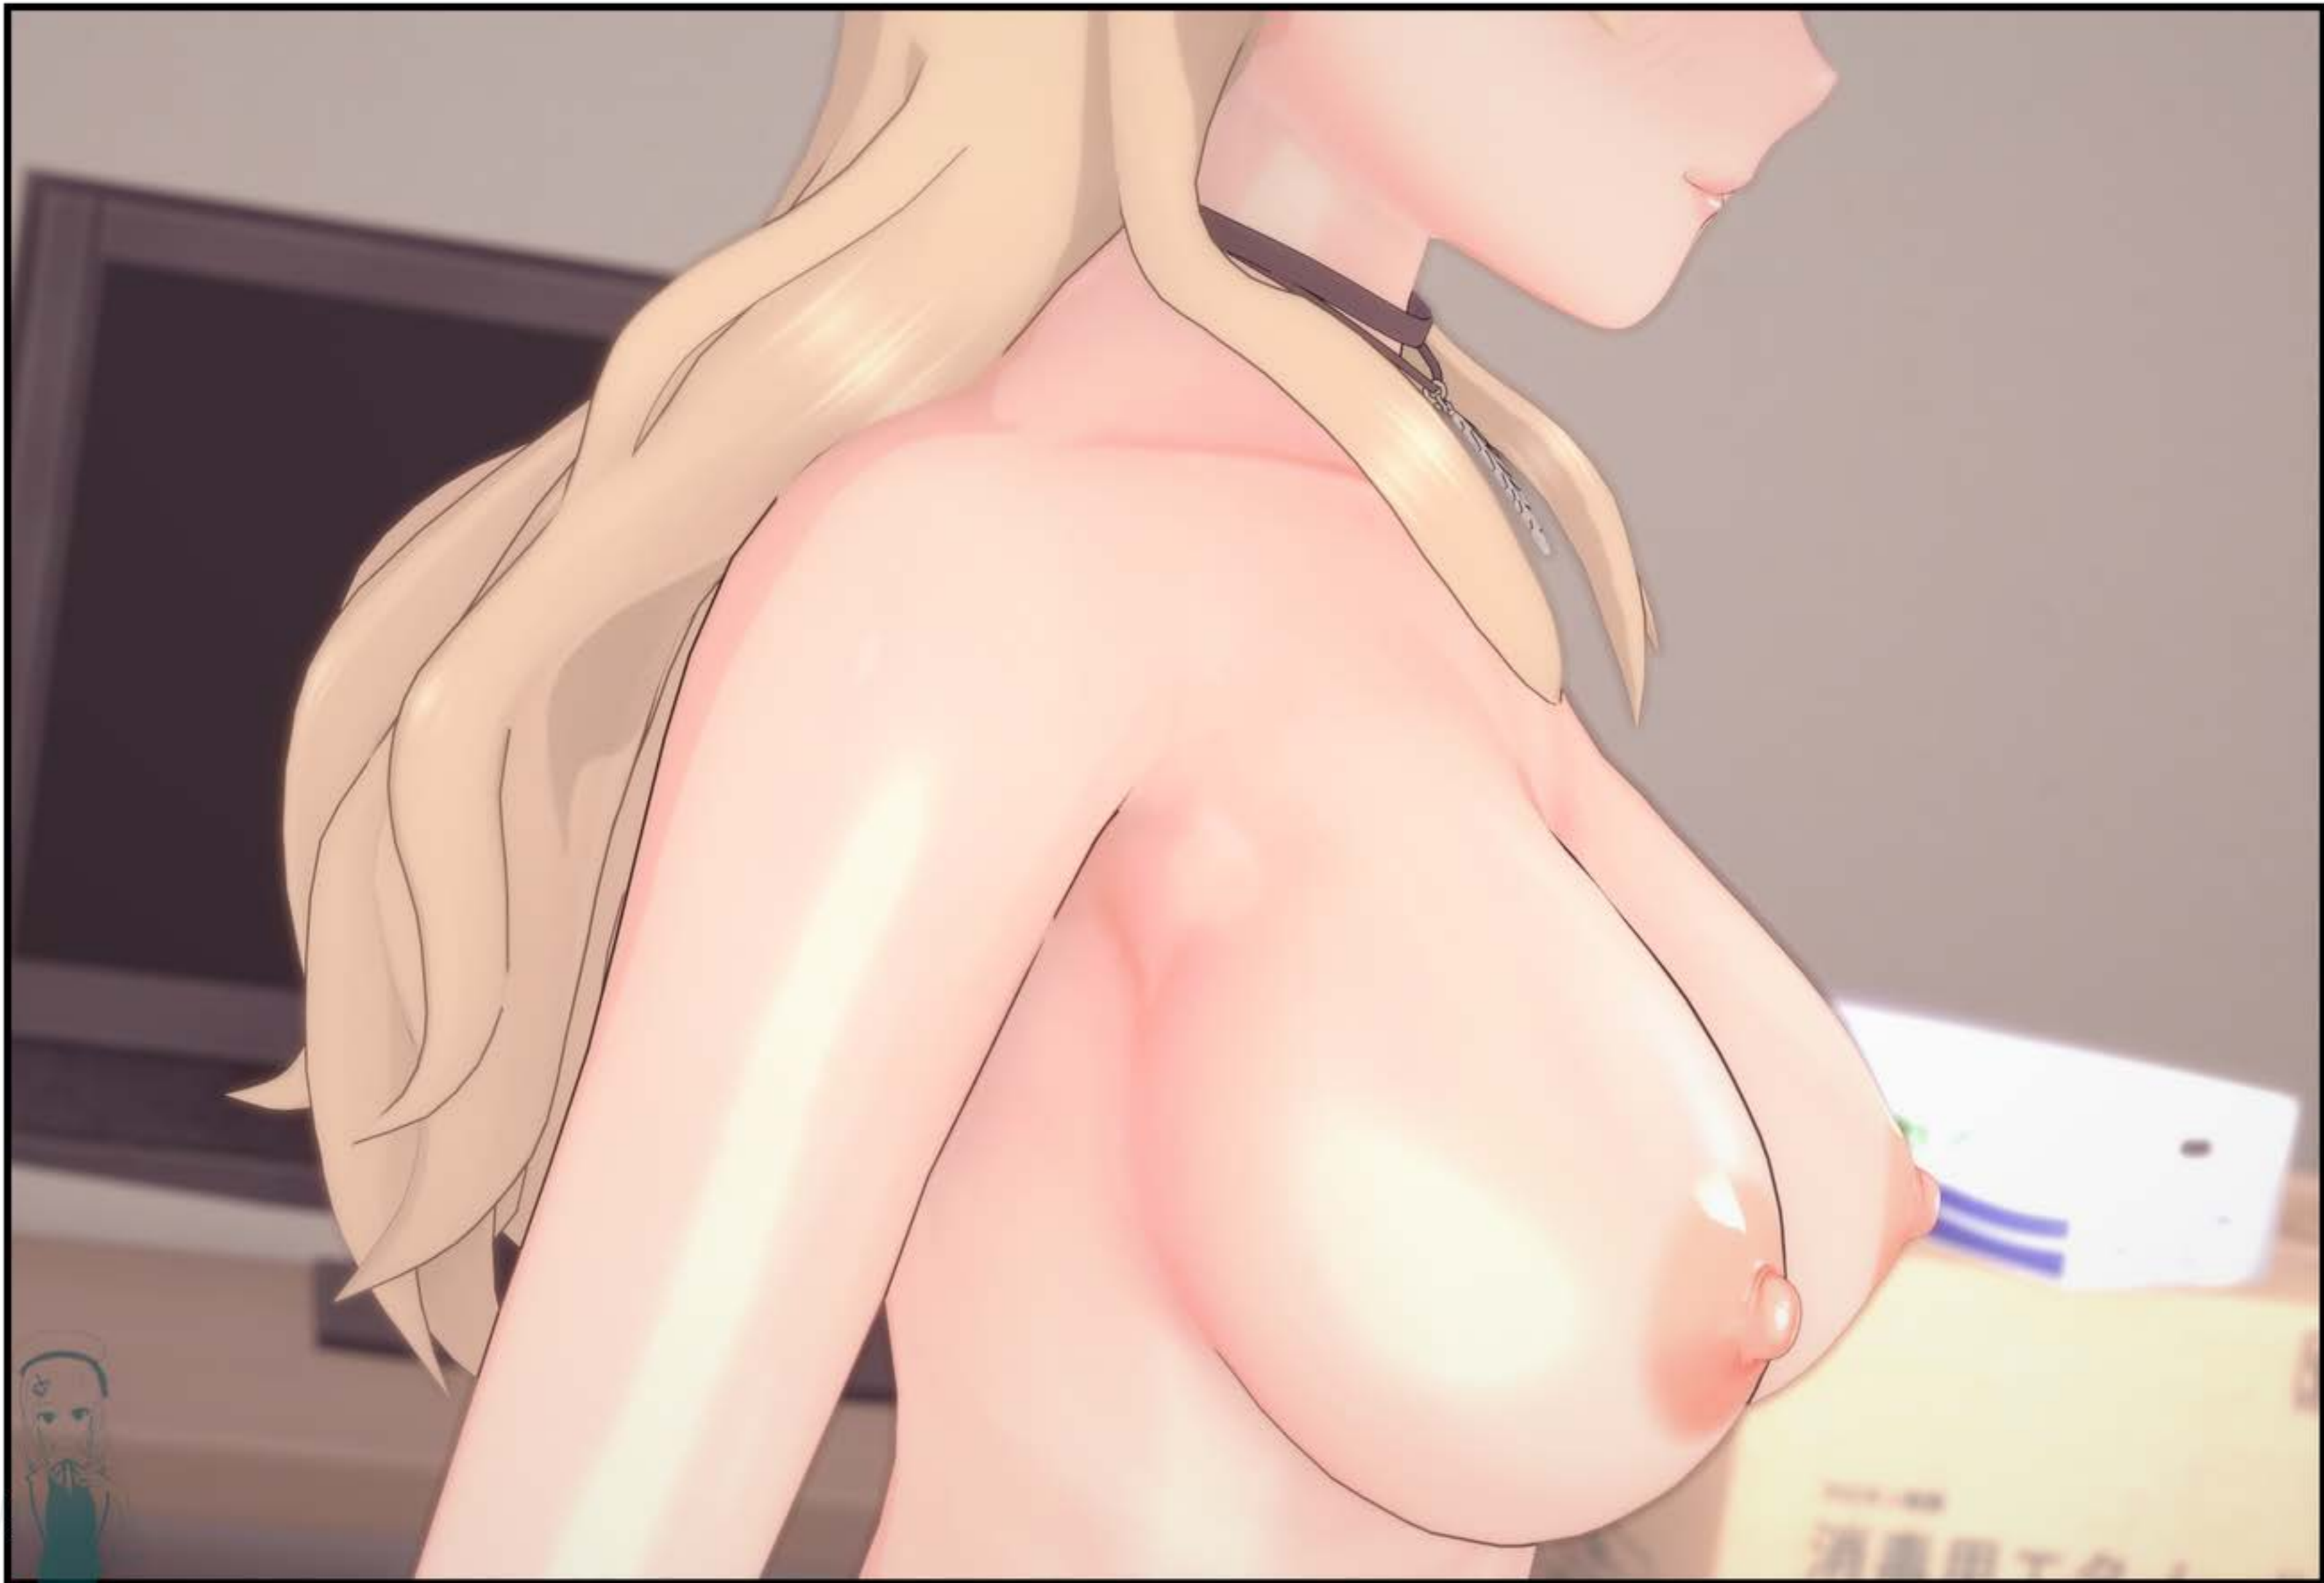

Even when he
gone, she still haunt
me for his debt!

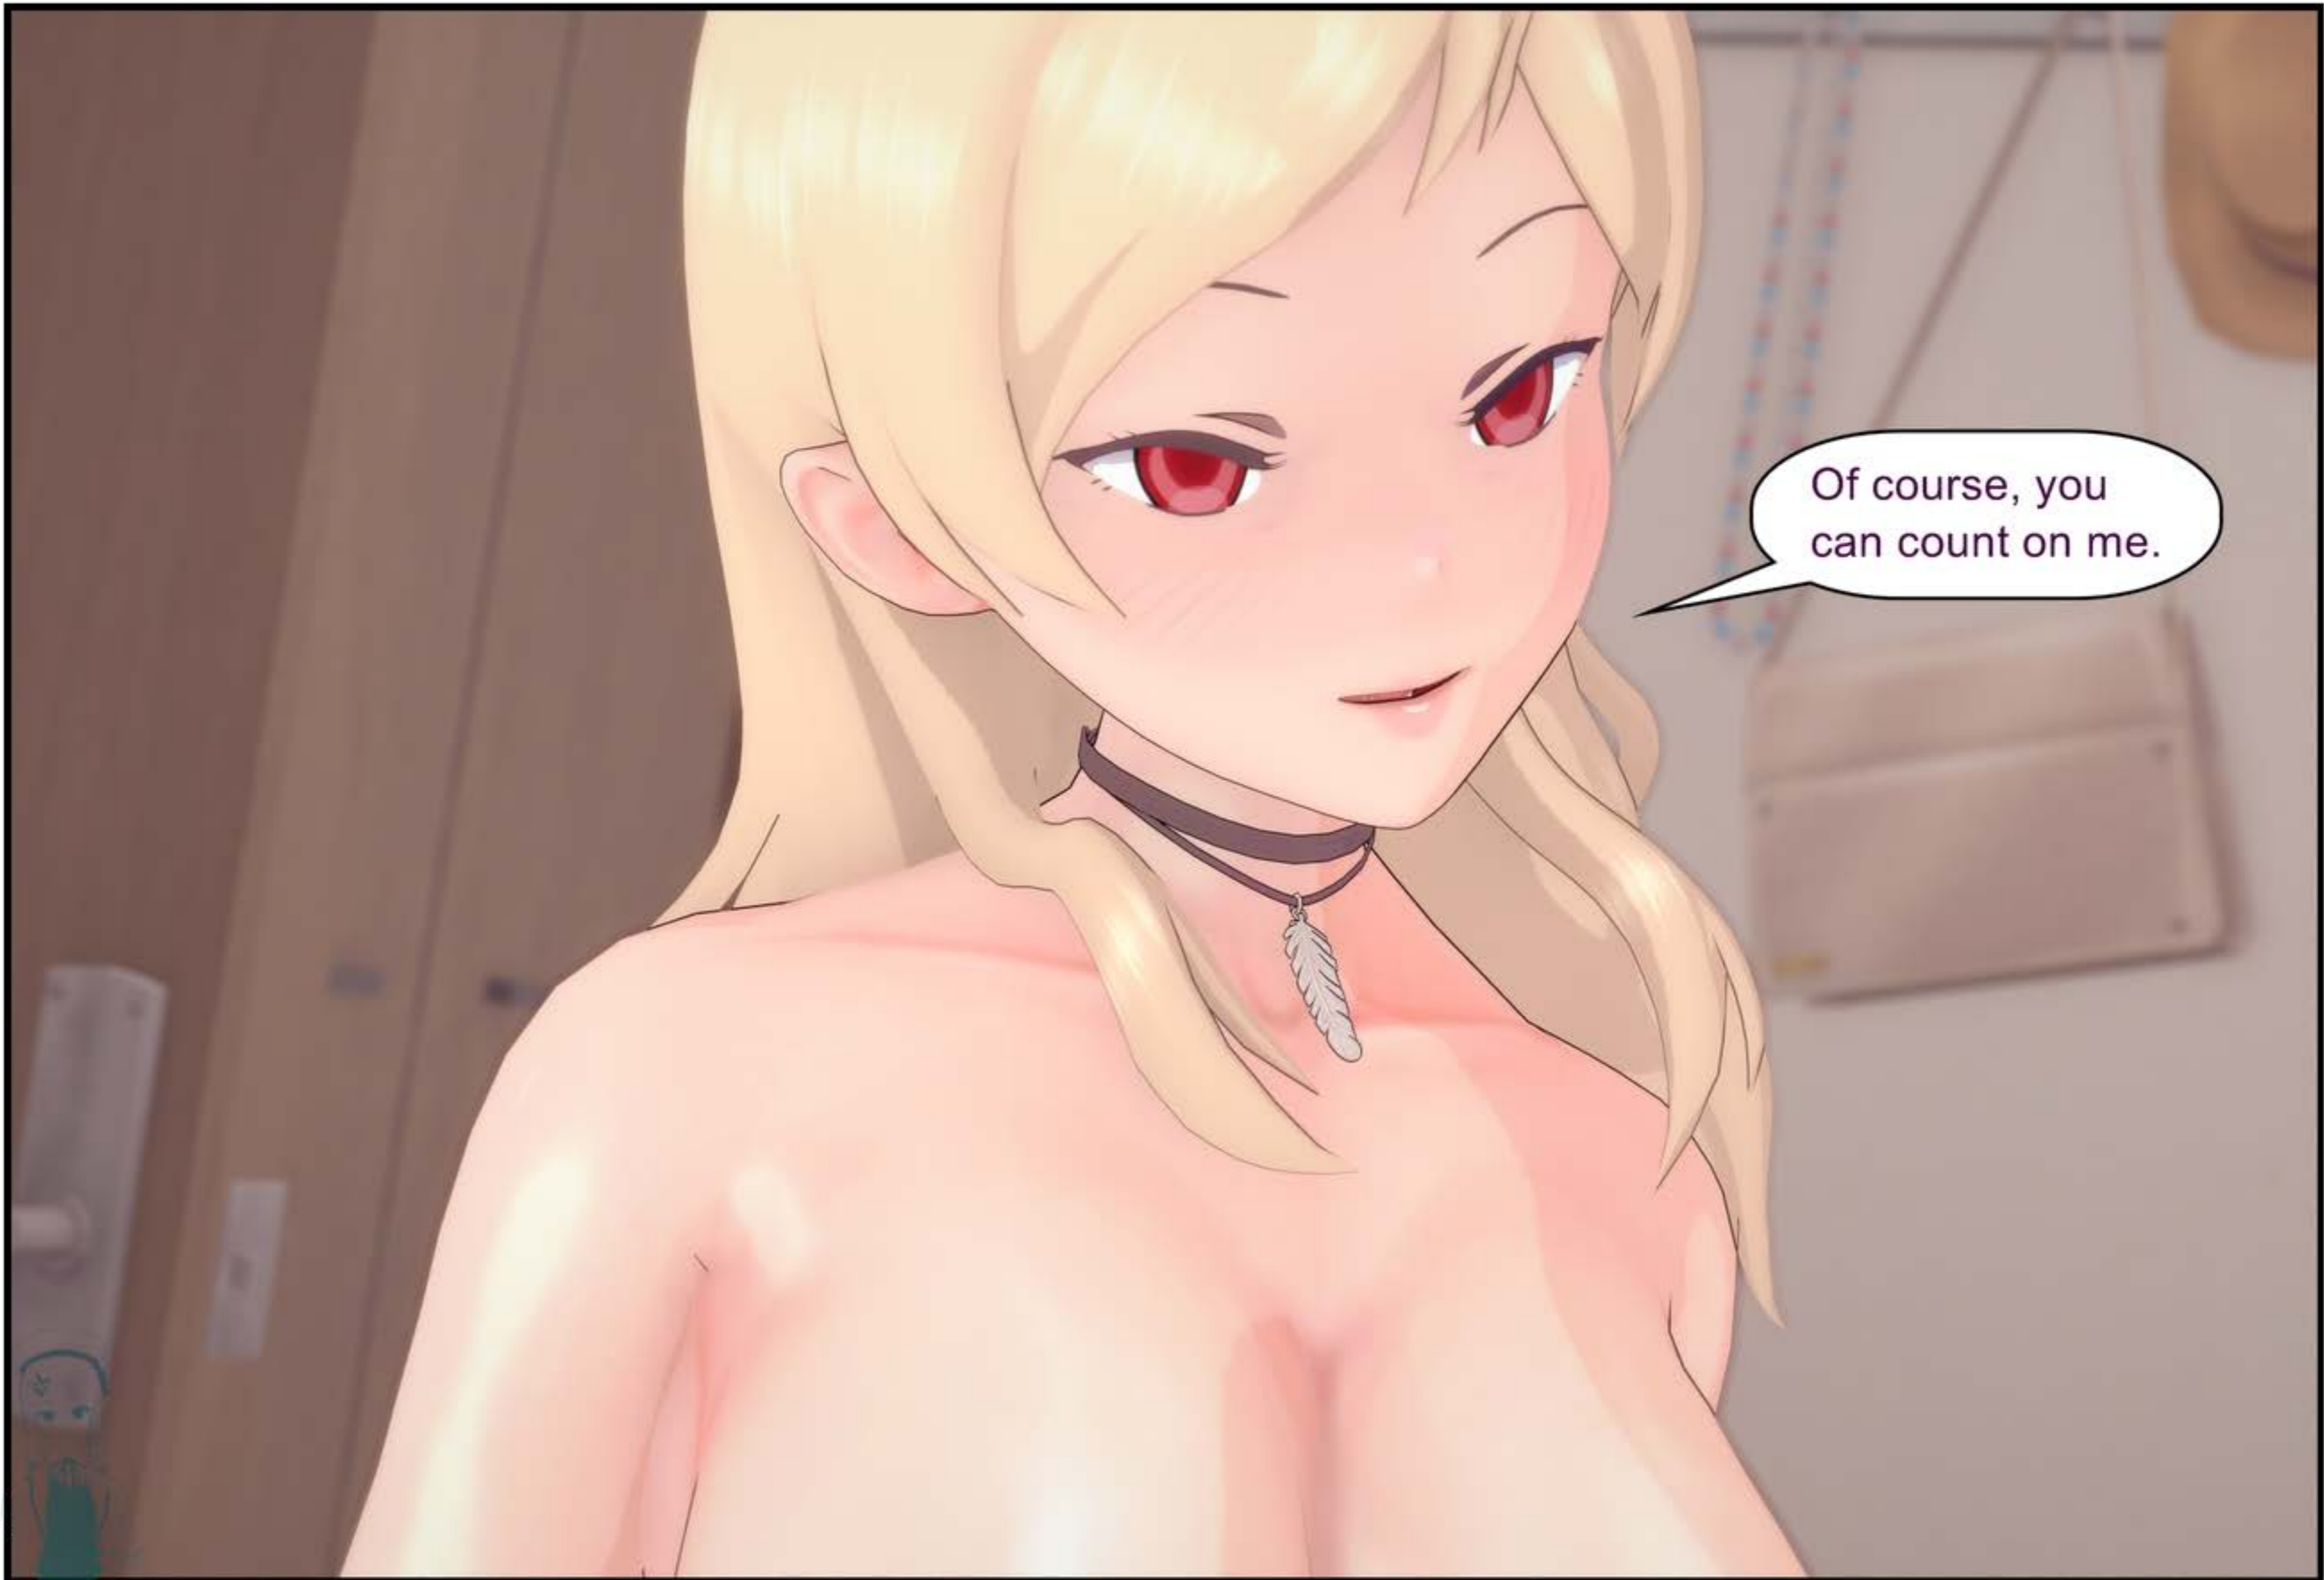

That's why... I want
you to keep her away
from me!

Of course, you can count on me.

A moment later...

Minami? Are you
home? It's your aunt!

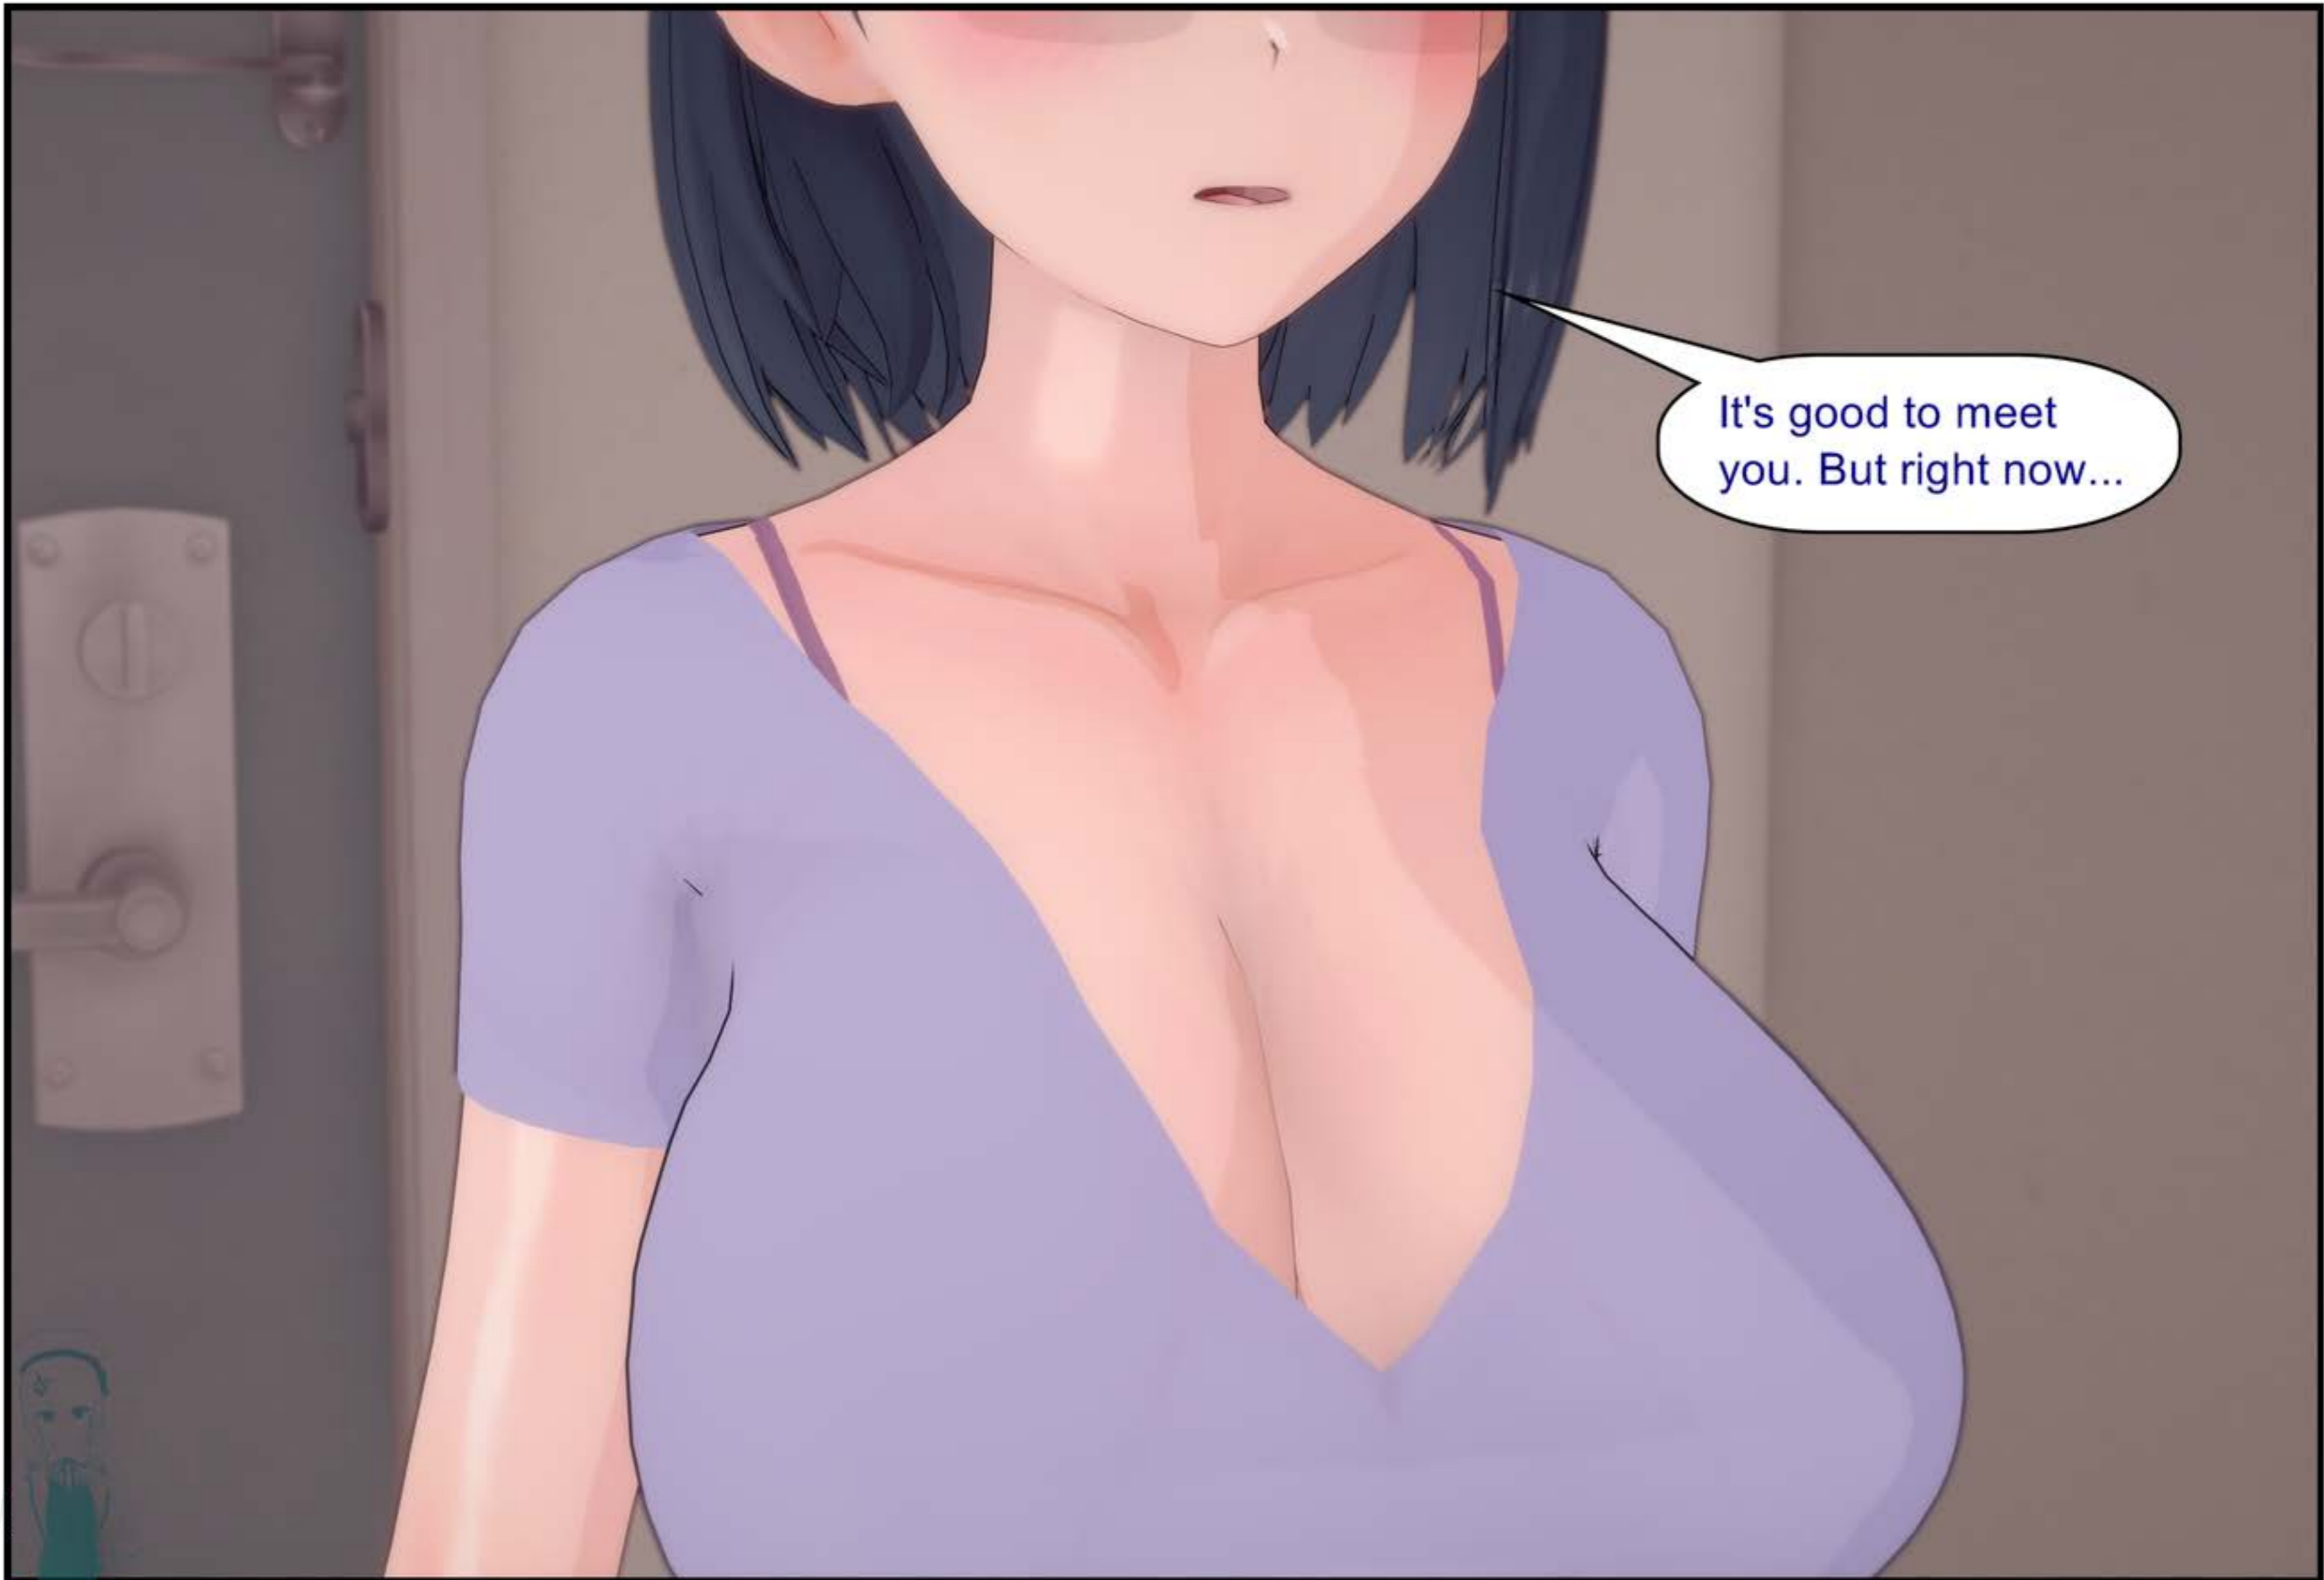

Please come in!
Door isn't locked.

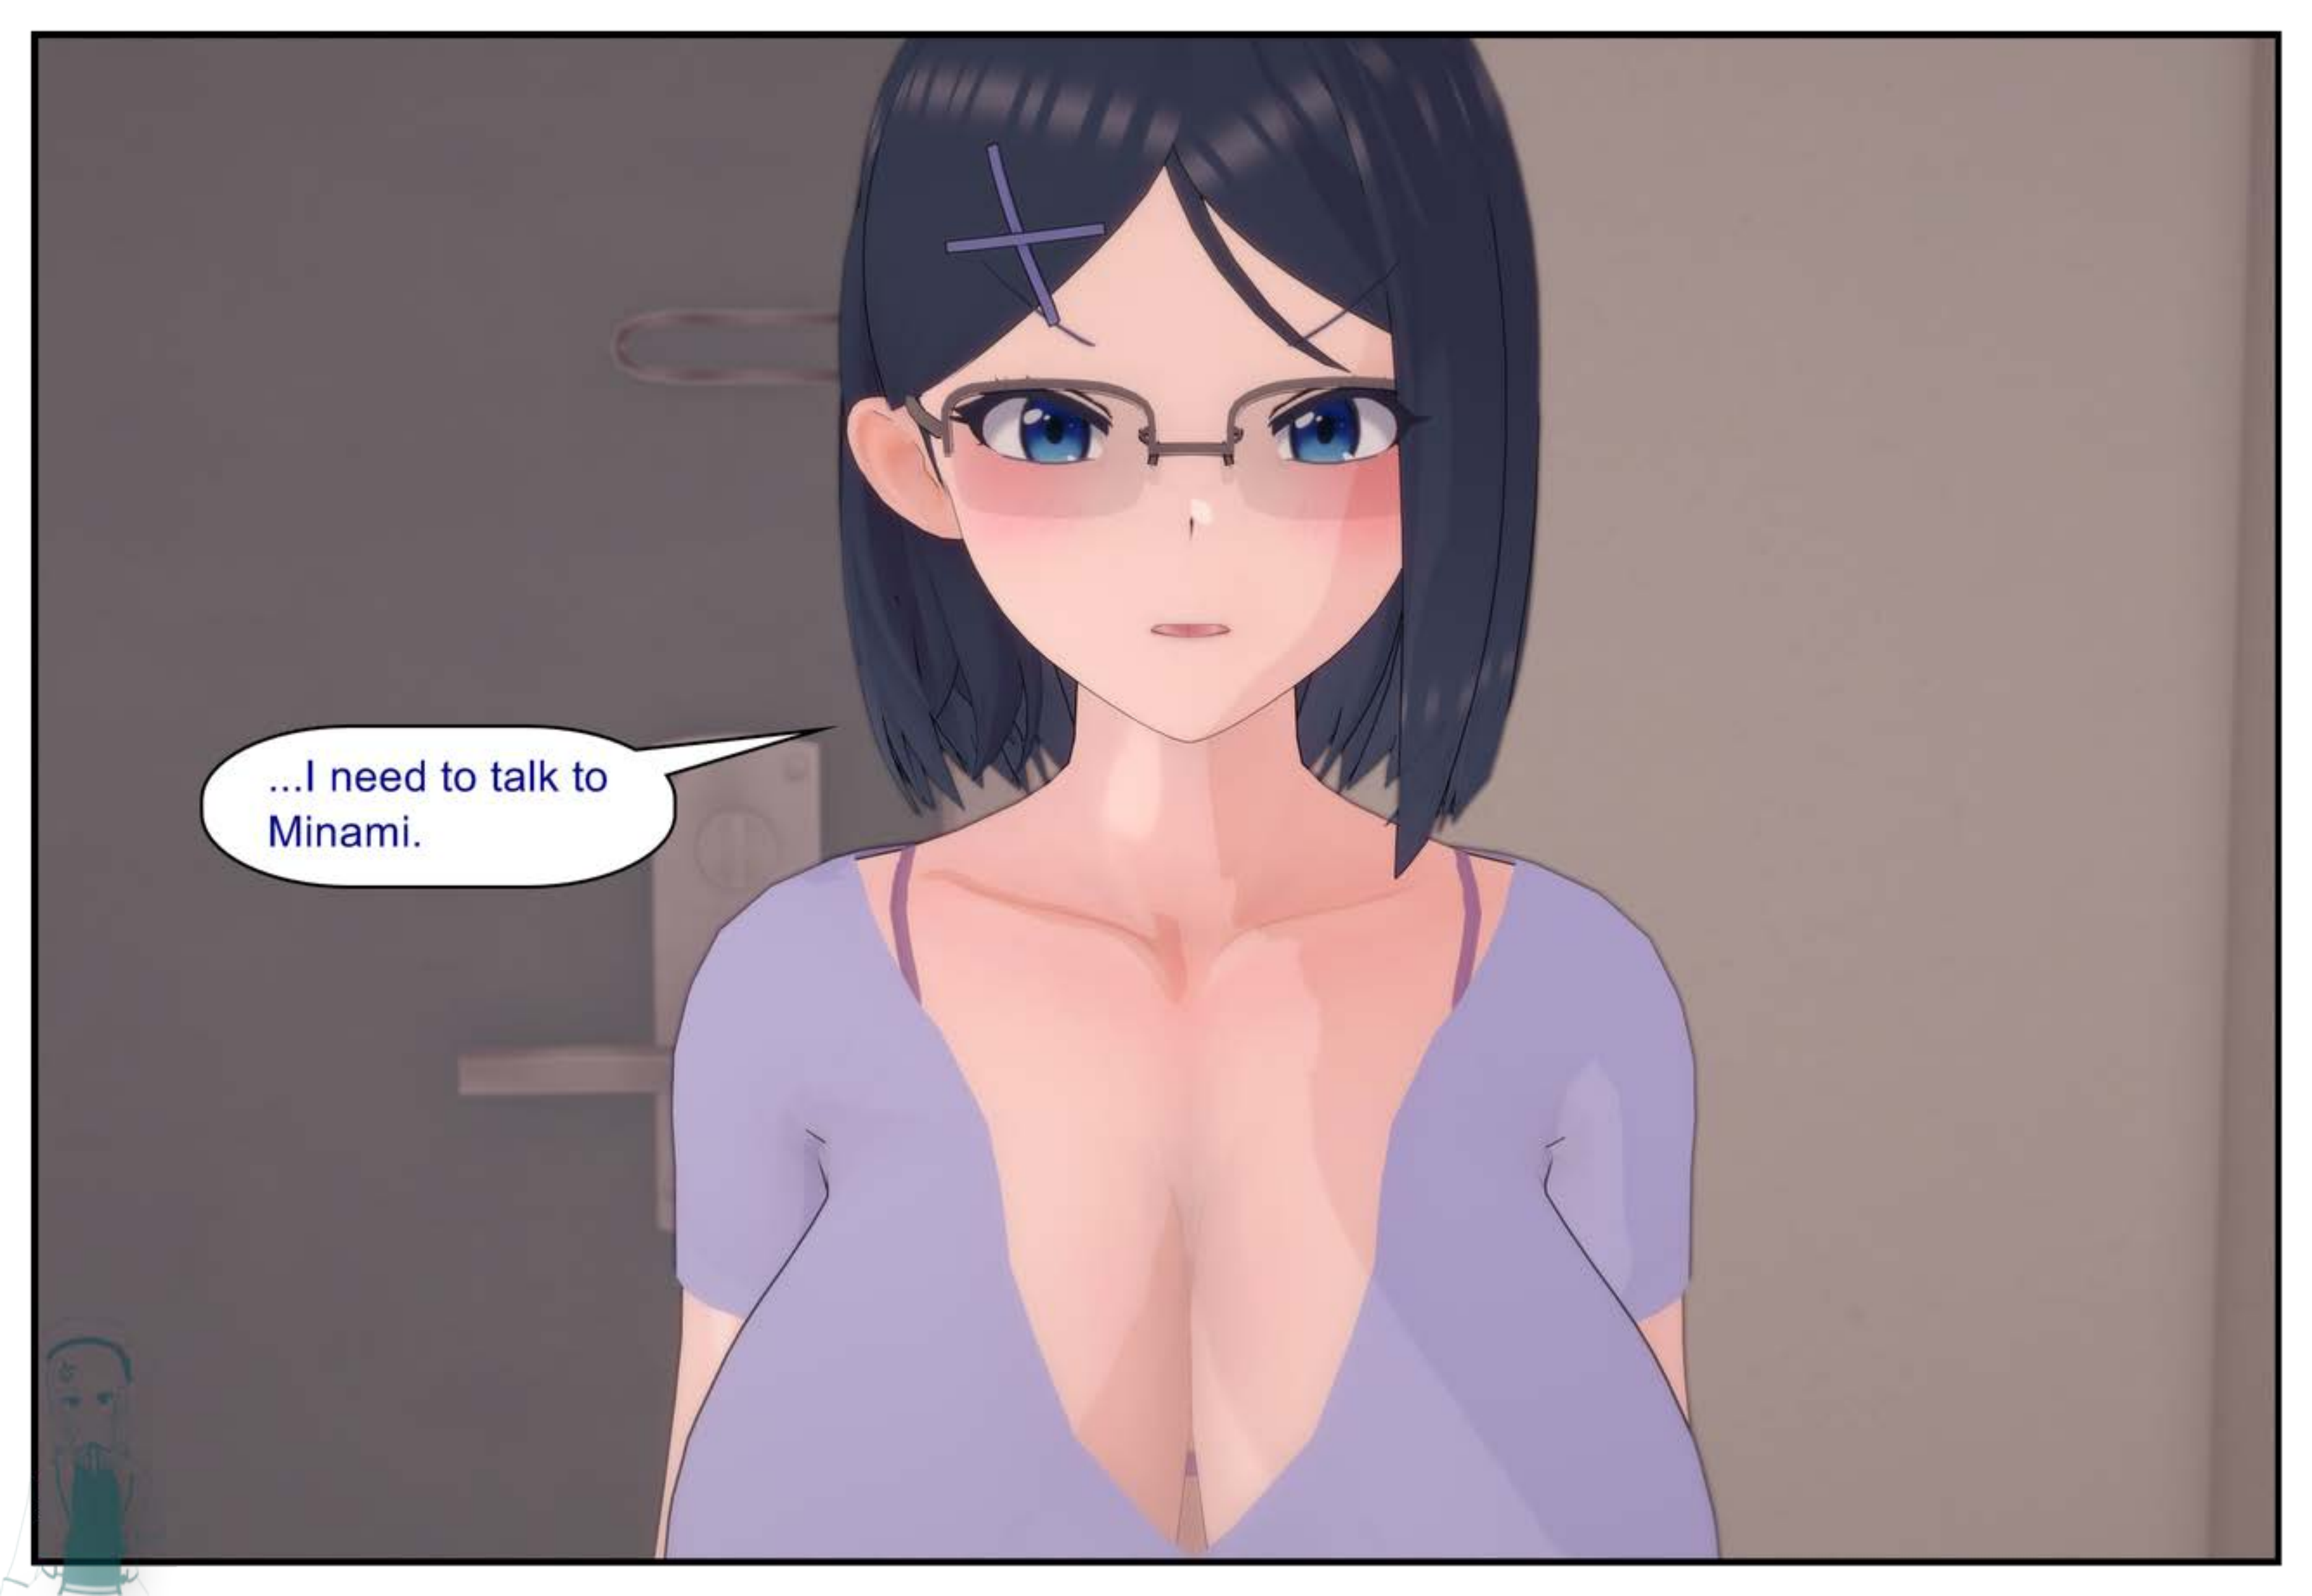

Hi, you are Minami's
aunt. I'm Minami's
friend, Jeremy.

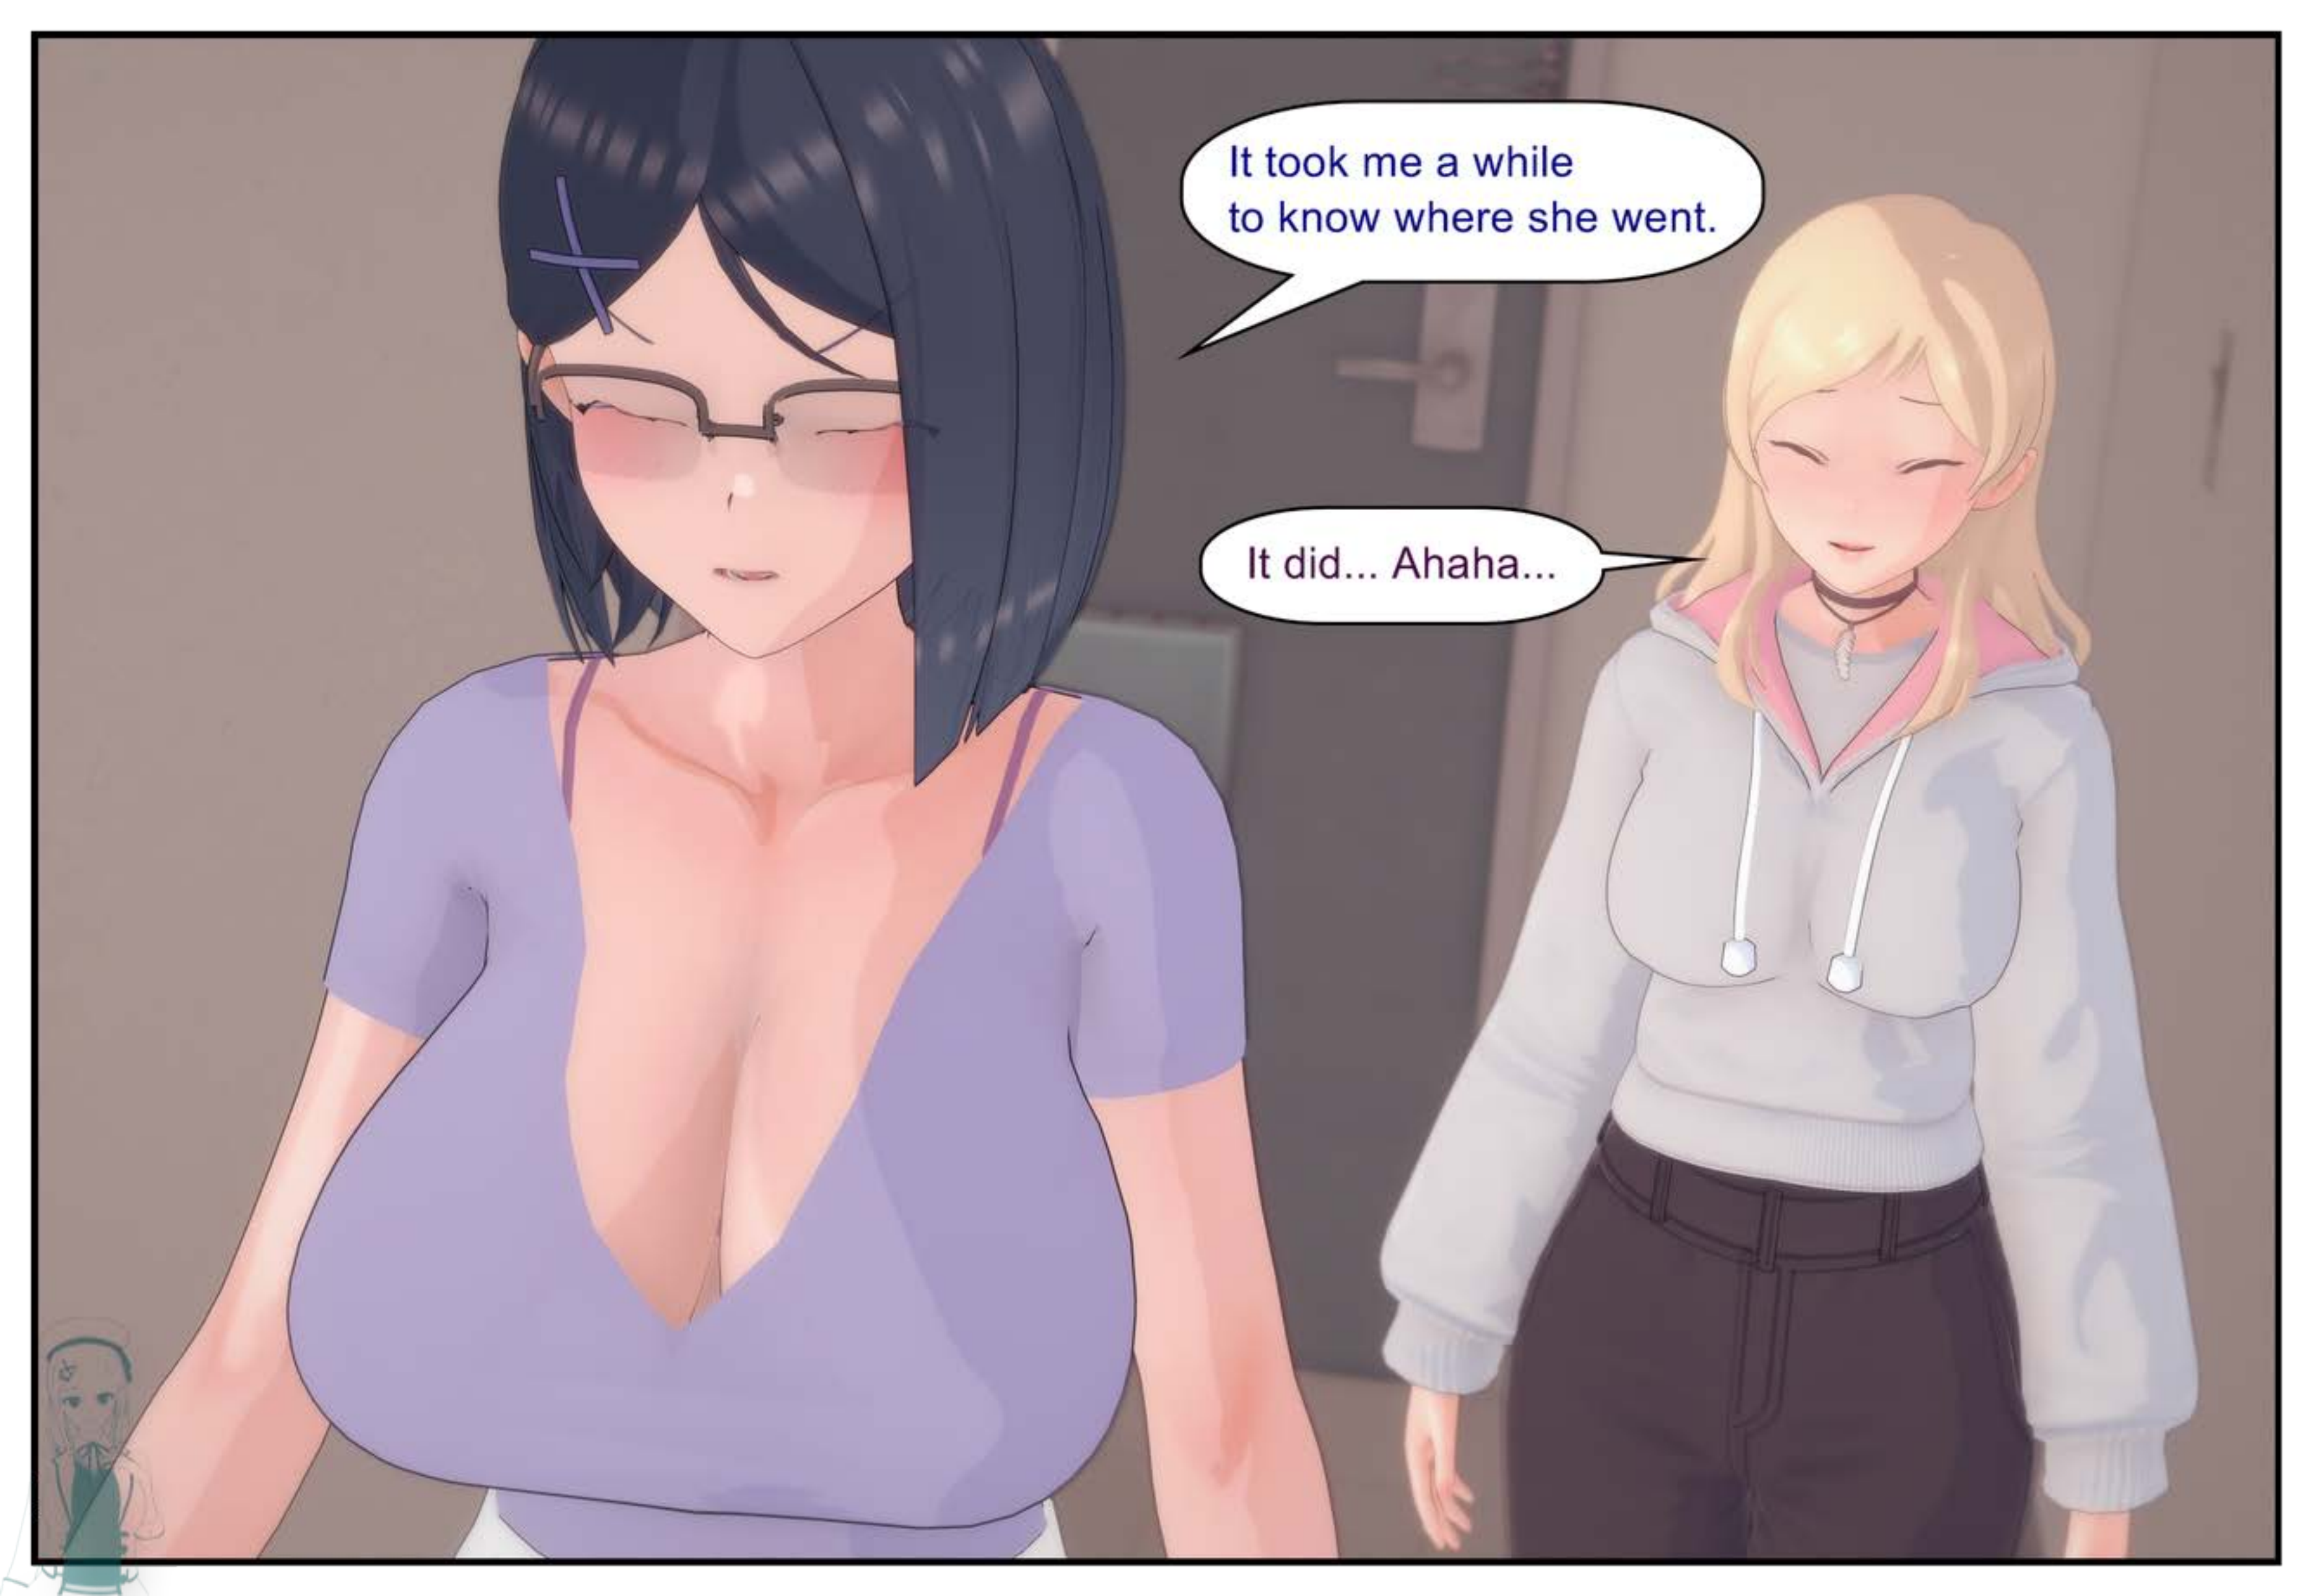

It's good to meet you. But right now...

...I need to talk to
Minami.

It took me a while
to know where she went.

It did... Ahaha...

Minami! There's something I want to discuss with you!

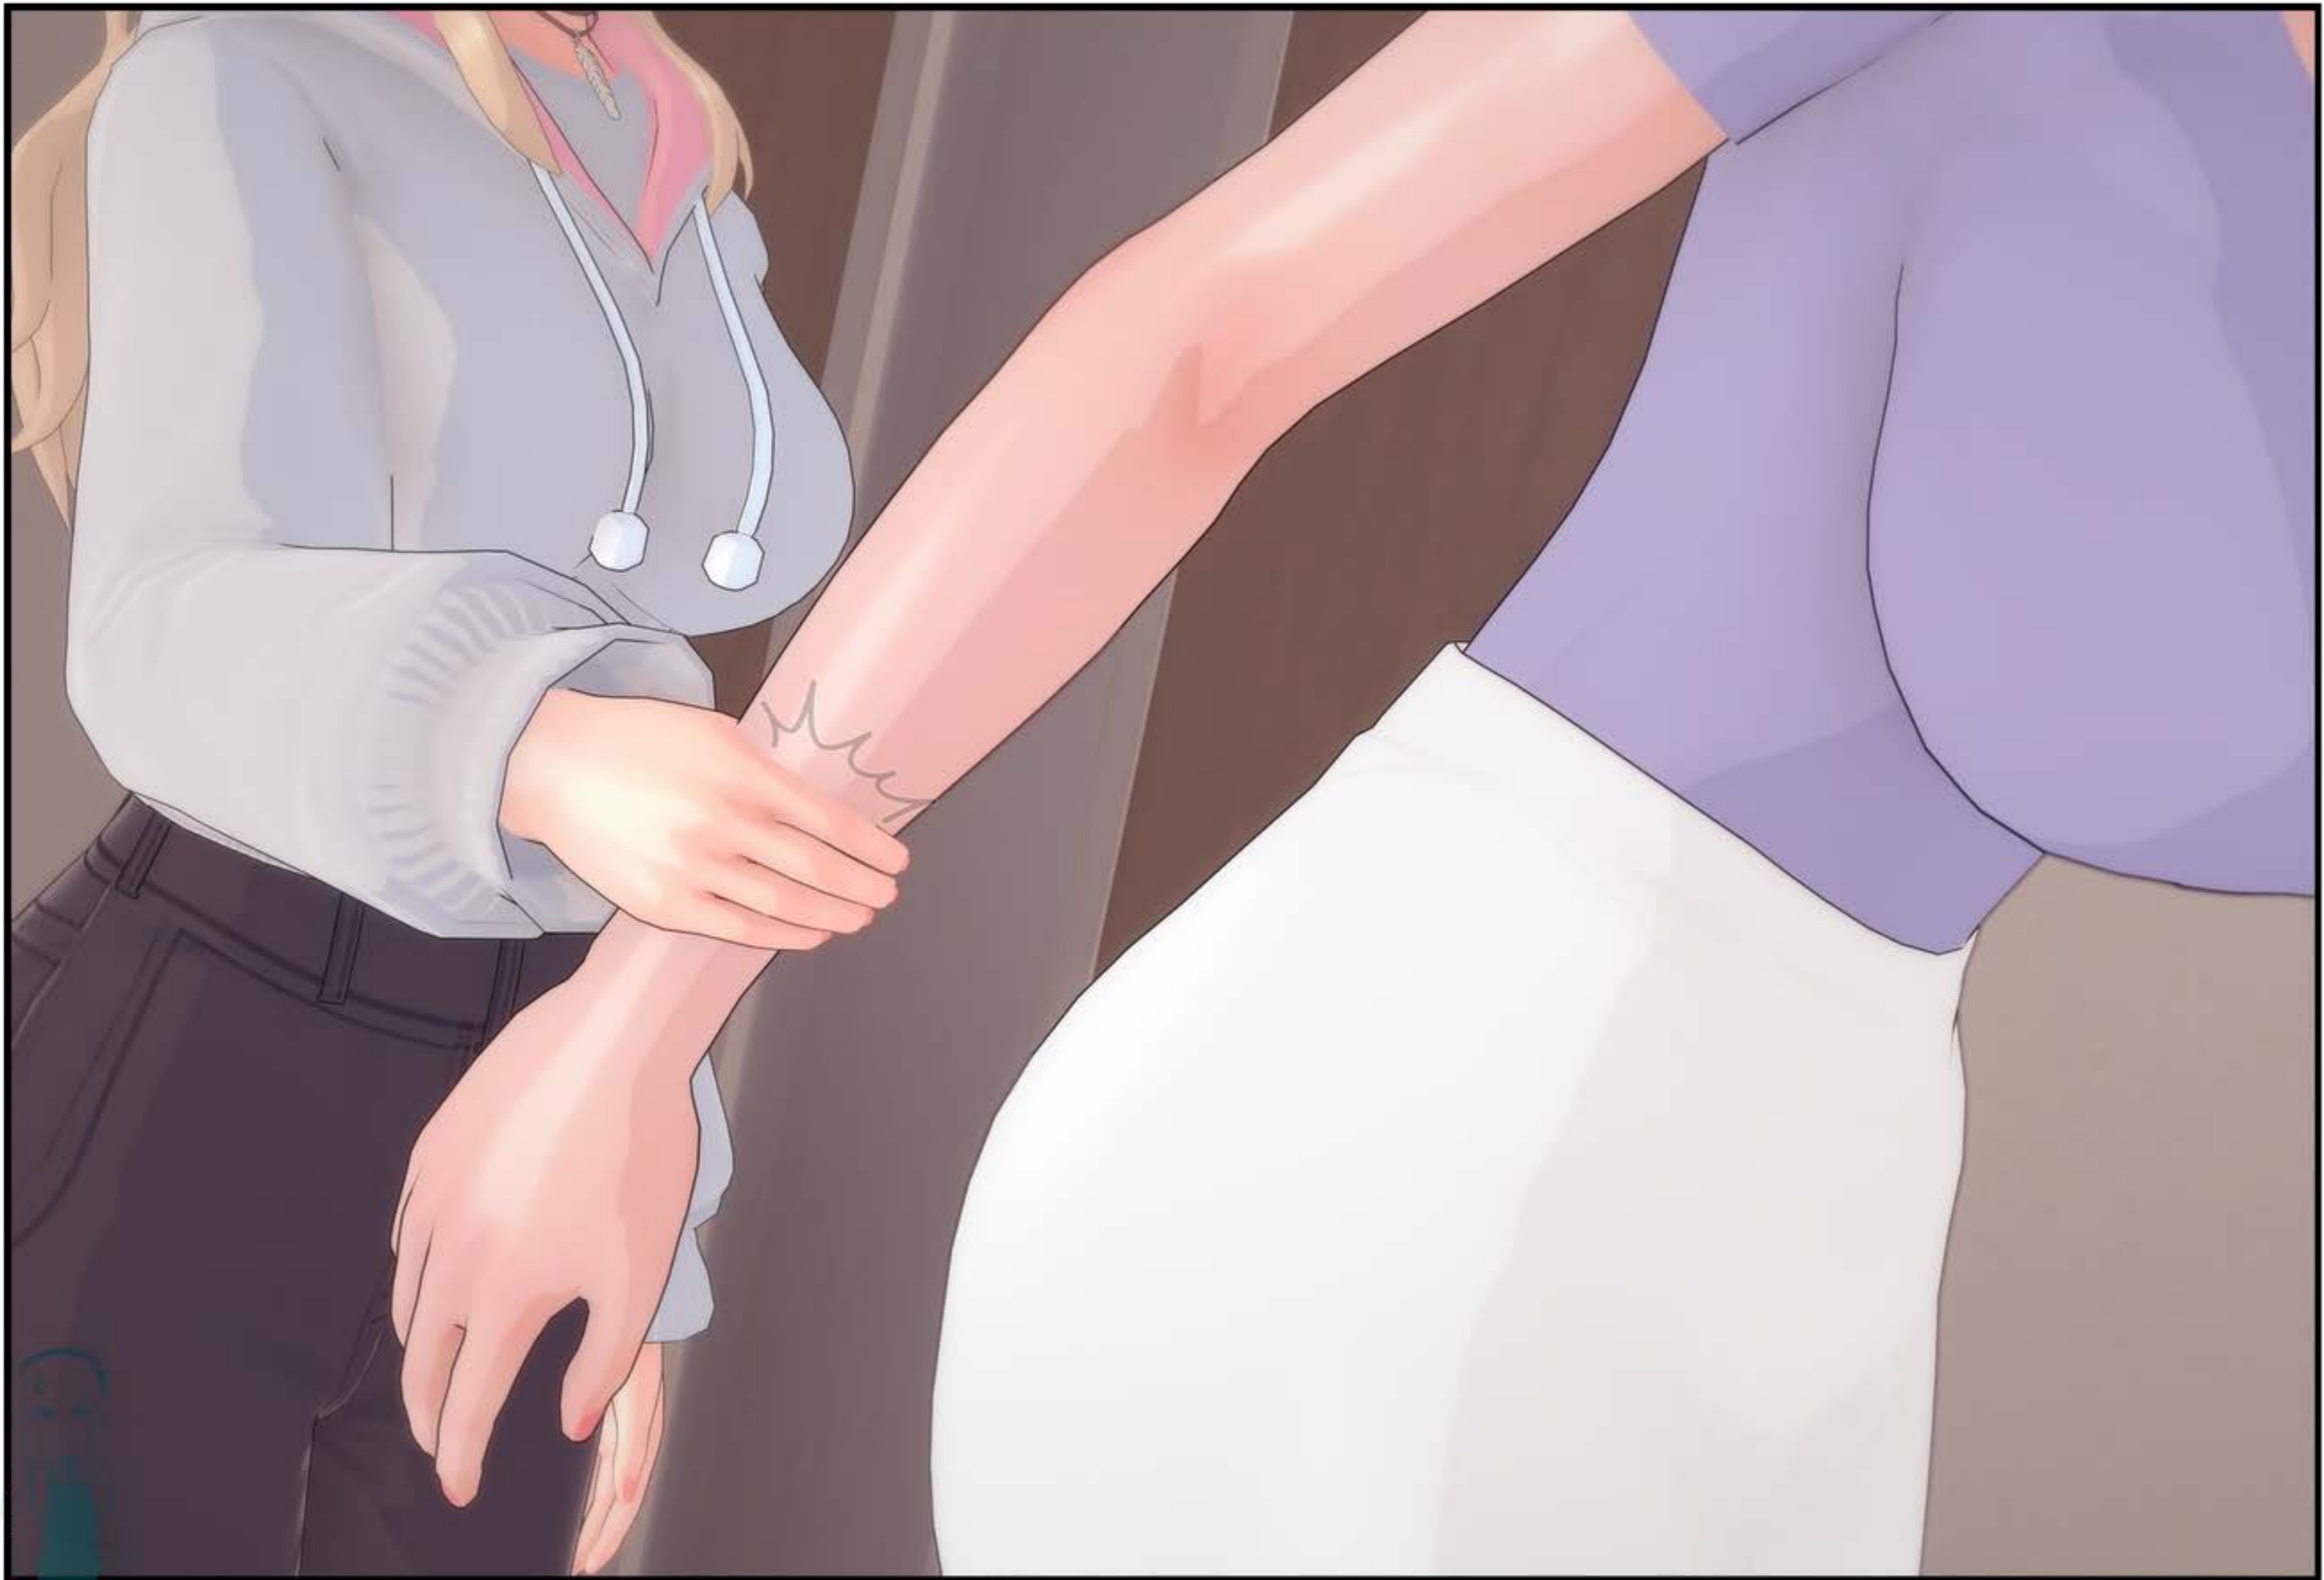

First, put your clothes on properly and we will talk! Do you hear me?

Minami! Don't
just keep silent
like that!

What... are you
doing, Jeremy?

I would suggest
you that...

Don't ever aggressively touch my Mistress.

In the world is
wrong with you!?
Let me go!!

This is important
that I need to talk
with Minami herself!

Arrrghhh... Why
did you hold me
that tight...!?

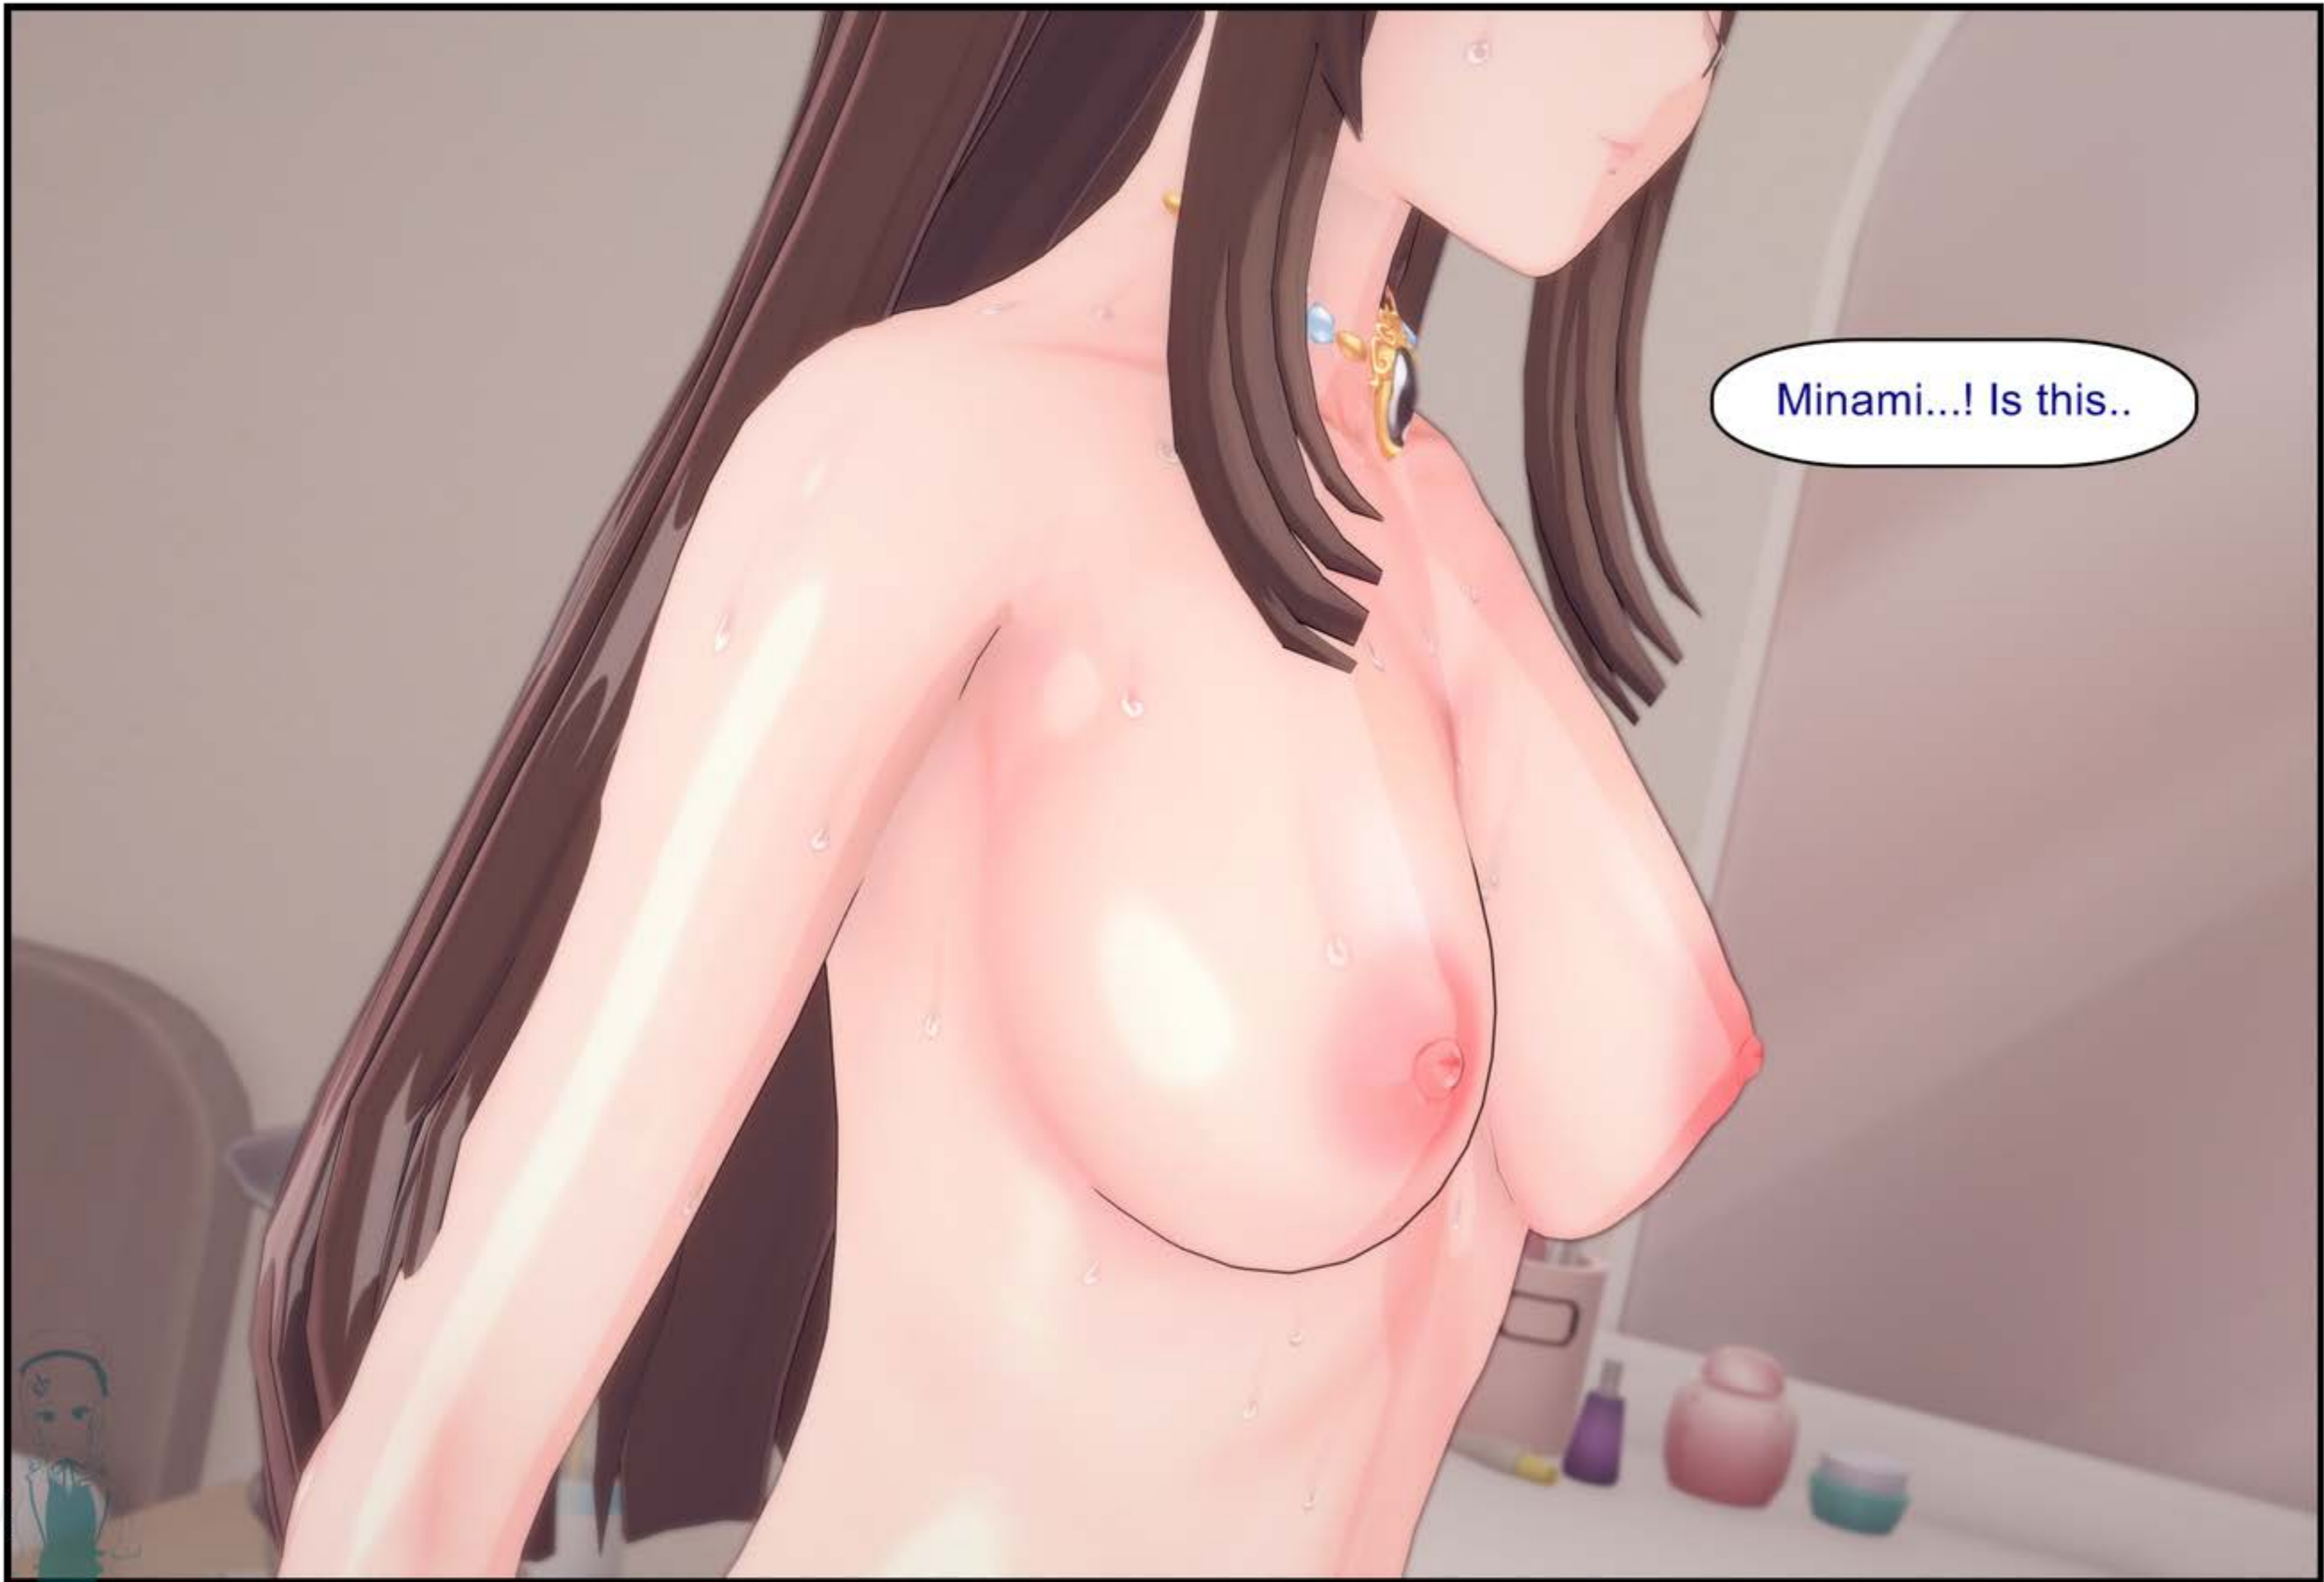

W-What... are you...?

Minami...! Is this..

That's right, Auntie.
She was my friend.

And so are you...

"Something... is...
covering... my brain..."

Then, you are
here for my Father's
debt, right?

Not... only that...

You seem to have a lot of fun, Mistress.

Do you want to join with me, too?

No, Mistress. I have another plan.

"W-What is she...!?
My mouth... is opening
wide!!! S-Stop..."

N-No...

Your tentacle...
Or it was you... crawled
right inside her.

Oh? Well, I have
a lot of way of
taking over a host.

Also, tentacle form
helped me to develop
myself inside this body.

F-Fit you better?
I don't want to try.

Anyway, new host
also regen my
mana faster.

But rest assure,
Miss Minami.

I never do such
thing to my owner.

It's alright... If I could help you with anything...

Hm... There is one thing.

I want you to
look more like a
Mistress for me.

A-Ah..?

To be continued?

Is it... by magic?
Or do you mean
something else?
