

You're so corny...

Always.

After the Queen recovered and my house got rebuilt, I went back to my village and was rewarded handsomely.

Of course, I still write Crush everyday, and he writes me back just as much.

I miss him dearly, but his sweet letters reassured me time and time again that he would come back no matter what.

He could be lying.. For all I know, he might've gotten a wife and I never would've found out.

But..

Officer of the government!

Open up!

In my hearts of hearts..

Leave me

CLACK

alone..

Oh hi, is this the house of the berry farmer who almost became Prince and stole my heart? <3

Because no matter how far you go, or how long you've been away

You'll always find your way back home.

The End.
