

His voice
is shaking
so much.

purr

I should've
done this
years
ago.

Alright.
Then let's
try it
again.

But
differently.

From
now on,

when you
need to
go there

let me
go

with
you.

And
whenever
you see
something...

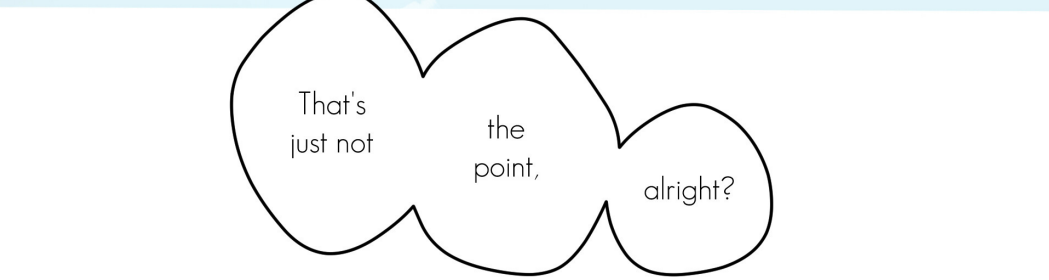

please
tell me?

Yeah,
maybe

I won't
be able
to see any
of it...

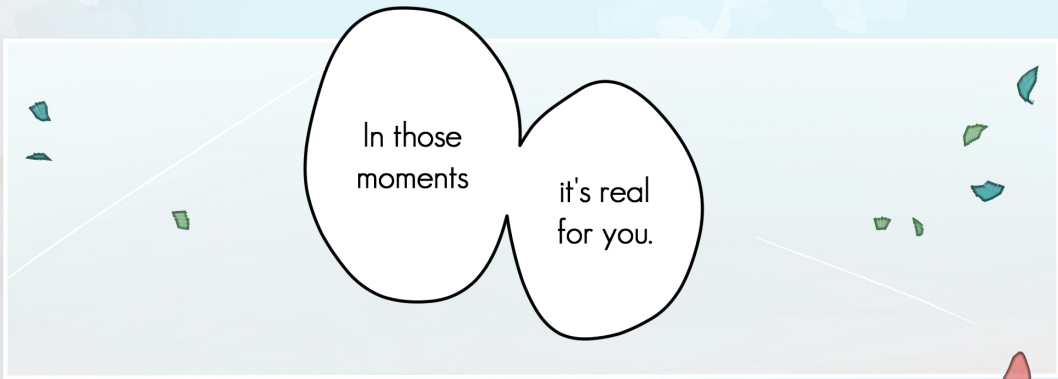

But that
doesn't mean-

That's
just not

the
point,

alright?

And let's
be honest,
we
both know
that I can't
stop you
from going,

And I can't
stop the
nightmares,
or anything,
really,

but I
think

together

it will
be easier,

hopefully.

Because I
want you

to be
safe.

Ugh,

damn
you.

I had
planned
to cheer
you up...

flustered

not the
other
way
'round!

Hmm,

happens.
