[Blue] = Noises

(Green) = Tone

Night guys! See you tomorrow! (*mumbles*) God I fucking hate this job. The pay is shit, the work is shit, the people are shit...fuck I need a smoke. [*lighter sound*]

[*sigh*] I can't even get a moment of peace...what do you want? I'm busy and I'm not in the mood to talk right now.

...

(*irritated*) You just wanted to say hi? Why do you need to say hi to me? I just worked a full 8 hour shift with you. Every time you came back into the kitchens you saw me. Did you not get a good enough look?

Also...*you* broke up with *me*. You told me to keep my distance at work...yet here you are...actively coming up to talk to me. This is the 4th time this week you've initiated a conversation with me. What more do you want?

...

You're just trying to be nice? (*sarcastic*) Uh huh...sure. What is it you really need? I've had a really shitty day and I'm running out of patience.

Don't go silent on me now...use your words. I can't read your mind.

...

Speak up! I hate it when you mumble.

...

Ha! No way...you're joking right? Are you really that desperate and horny that you'd come to *me*? It's only been a couple weeks since we broke up...you miss my cock that much, huh? Was no one else able to satisfy you like I could?

Actually...this is perfect. I don't have to be careful with you now, do I? And I honestly don't really care if you hate me after this. Plus...I know you secretly like when I treat you like shit. Is that why you're asking me to fuck you again? So that you can be slapped around without judgment? You're such a slut.

*[laughs]* Did you just moan? God you're so...fuck...c'mere. Ugh, don't whine. I'm not grabbing you that hard.

Face the wall. I said face the fucking wall. *(hushed tone)* If you want this...then do what I fucking tell you to. I don't like repeating myself. Got it?

Take your pants off. All the way off. *[pants sfx] [groan]* God...I missed your ass so much. *[spank]* Love the way it fits in my hands...and the noises you make when I squeeze it really hard. Yeah...just like that.

Hey...remember that time we used candle wax? I wanna try something. Stick your ass out. *[spank]* Further. There you go.

Awww~ what's the matter? You don't like being my personal ashtray? Is it too much for you? Then cry. You always looked better with tears streaming down your face.

Ya know...I think this might leave a scar. Kinda makes me want to carve my name into your body. Should I? Would you like that? To be claimed by me?

*[laughs]* You're so desperate. Take the rest of your clothes off...I want you completely naked for me. *[clothes sfx]* Just look at yourself...completely exposed and showing your ass to me like a fucking dog in heat. Is that what you are? A little bitch begging to be fucked? C'mon...bark for me, pet.

I said *[spank]* bark. Be a good little dog for me, hmm?

...

There you go~. Now...spread yourself...I'm getting impatient. *[belt sfx]* You feel how hard I am? I'm gonna shove this so deep inside of you, you're gonna have trouble walking during your shift tomorrow. Does that sound fun?

*(irritated)* I asked you a question. Or was that too hard for a dumb slut like you to answer? Let me word it differently so that you can understand...*(hushed tone)* I'm gonna fuck you to hell and back. Hope you're ready.

*[wet sfx]* Ah shit...so fucking tight. *[spank]* Relax. It fucking hurts when you squeeze that hard. Has no one used this hole since me? Or were they all too small to make you loose like before?

*[wet sfx and improv noises]* So pathetic. Now I can see why you wanted my cock so badly. Did you finally realize how good you had it? Tell me...how much did you miss the feeling of me deep inside you?

*[wet sfx] [spank]* Tell me. I told you to answer all of my questions. Be honest~.

...

*[wet sfx]* You missed it that much, huh? Let me see your face. Ah~ I forgot how much you loved getting your hair pulled. Such a whore. What would the team think if they saw you now?

*[wet sfx]* Did you know that there's still some kitchen guys that haven't left yet? They could walk out any second now. Who knows...maybe they heard all of the lewd noises you were making and are jerking off on the other side of that door? How will you ever look them in the eyes again?

*[wet sfx]* Did that make you want to cum? You got so right suddenly...doesn't surprise me that you like being watched. You always pretend that you're this goodie two shoes, but we both know that's not the case, right pet?

*[wet sfx and improv noises]* Slow down? Am I going too fast for you? Well, I have no intention of doing that, so deal with it, yeah? Stop covering your mouth. Let everyone hear the pathetic noises you're making.

*[wet sfx and improv noises]* Fuck, I'm gonna cum soon. Want me to fill you up with my cum? Beg for it. Beg for me to breed you like the stupid animal you are. How unfortunate it would be if i got you pregnant...then you'd really be stuck with me, wouldn't you?

Are you crying again? God you're annoying. You asked for this, remember? The only person you have to blame is yourself.

*[wet sfx]* Nnngh...oh shit...get on your knees. Now. Face me. Stick out your tongue. Good dog. I'm gonna cum all over that tear soaked face of yours. Fuck...*[improv noises] [loud moan]*

*[heavy breathing]* Look at you. Naked. On your knees, in an alley. With my cum all over you. Can I take a picture of this? I wanna remember this moment. *[laughs]* You're so fun to piss off.

Ya know, I was having a really shitty day today and was thinking of quitting this job, but I think I'll stay now. I can't wait to see your embarrassed face tomorrow. Plus, I want to fuck you in other part of the restaurant.

Anyways...I'm heading out now. Have fun cleaning yourself up. Do it quickly~. Wouldn't want to get caught now, would ya?
