[Friends to Lovers] [Oral] [Soft & Sweet]

[Blue] = Noises

(Green) = Tone

This movie is so boring! I know it's new...but the plot sucks. I swear we've been watching for almost an hour and nothing has happened. What made you want to watch it?

...

The actor is hot? [laughs] I should have known. You always did like the pretty ones. What is it about this guy? His face? His body?

You like his voice? I didn't know you were into that kind of thing. You've got a voice kink, don't you? [laughs] (playful) Hey don't hit me! You're just mad because I'm right. Ow! Ok ok, I'll stop. You're blushing like crazy. It's so fun to tease you.

(awkward) Oh! Uhh...didn't realize this movie had an...*intimate* scene. That kind of came out of nowhere. Wow...they're really going at it, huh? At least it's finally getting interesting.

Have you never watched a scene like this? You're blushing even more now! I bet your entire body is red. [laughs] I love it when you glare at me. You're so entertaining.

Huh? You're mumbling. I can't understand you.

...

What's it like to have sex? Did this movie put you in the mood or something? Why are you asking that so suddenly?

You're just curious? Hmm...I mean I can only tell you about my own experiences. I'm not exactly the best person to give you "the talk" ya know.

Still want to know? Alright. Let's see...where do I start? Sex...uh...it feels good. Obviously. It's intimate. Depending on the person you're with, it could be romantic. It can also just be for pleasure. Like a one night stand or a hookup. People have different preferences. Why do you ask?

You just wanna get it over with? Ok look, I'm your friend and I support anything you do, but I don't want you to just throw away your first time with some random dude. I would hate for you to have a bad experience like that.

...

Who else? I don't know...it sounds crazy, but...what if your first time was with me? You know...cause I'm your friend. I know I would treat you right. Unless this is a really stupid idea, then feel free to shut me up. So? What do you think?

You're nodding your head...really? You mean it? I thought for sure you were gonna hit me for suggesting it. Don't worry, you're in good hands. I've been told I'm pretty good in bed, so you can test that. *[laughs]* So...do you want to do this...now? I mean, we're both here. So why not?

I did not think this is where tonight would lead me, but I am certainly not complaining. Want me to take the lead?

Alright. Well, first, I usually like to start with a bit of kissing. You've kissed before, right? *(shocked)* No? Really? Damn, I thought someone would have beaten me to it. Though...it does feel kind of nice knowing I'm gonna be your first kiss. I feel special.

*[clears throat]* Anyways...just relax. Close your eyes. Just follow your instincts. *[kiss sfx]* How was that? Good? I'm gonna kiss you again, but this time...I'm gonna touch you too. Is that ok?

*[kiss sfx]* Your heart is pounding. I can feel it beneath my fingers. *[laughs]* Did I make you blush? It's cute. *[kiss sfx]* You're cute. Huh? What is it? You ok? You need a breather? *[awkward laugh]* Sorry...I got a bit intense there. My bad.

...

While you do that...I want to do something for you. Will you let me? Good. Can I take your clothes off? *[laughs]* Yes, I'll take mine off too, if that makes you feel better. *[clothing sfx]* What? Was I staring? My bad. You're just...stunning. I can't believe I get to do this with you.

Spread your legs for me. Yeah...just like that. I know you're nervous. You're doing great. I want to make you feel good. Plus...I need to get you stretched out. I don't wanna hurt you. Ok?

*[wet sfx]* That's one finger inside. Doing ok? If it's too much, tell me to stop. Fuck...you're so tight. Try to relax a little, alright? There you go. You're doing so good, baby. Can I put my mouth down here? It'll feel good, I promise.

***(During this next part, feel free to improv when the sfx happens and when the talking happens.)***

*[wet sfx]* Mmmm...fuck, baby. I love the way your thighs squeeze my head. You can pull my hair too, if you'd like. I don't mind. I actually like it a lot.

*[wet sfx]* Don't hide your face. I want to see you. I want to hear you. Let it all out. That's it. Moan for me, baby. There you go. You're doing so good for me. You taste so good.

*[wet sfx]* Hmm? You're gonna cum? You're so cute. Don't hold back. Cum for me. Yeah, just like that. You're doing amazing.

...

How was that? Did you like it? *[laughs]* That makes me...really happy. Are you ready for the next step? I think I stretched you out good enough. Only if you're up for it, though. No pressure.

Yeah? Fuck...you're so hot. Just look at what you do to me. Look at how hard I am because of you. I want to be inside of you so badly. Here, put the condom on me. I'll show you how. You just take it out of the packaging, pinch the tip, then slide it on. There you go. Good job.

Now...I'm trying to be as patient as possible, so just...hit me if I start getting out of control. I'm gonna put it in now. *[wet sfx] [moan]* Ah fuck...shit...you're so fucking tight. You alright? Ok...I'll put more in, then.

*[wet sfx] [moan]* I'm...hah...all the way in. Shhh. Don't cry. You're ok. You're safe. I got you. Just breathe. I won't move until you tell me to. Hmm? You want me to kiss you? Of course I can. *[kiss sfx]* It feels so good to be inside of you. Even just like this. *[kiss sfx]*

I can move now? Ok...I'll go slow. *[wet sfx and improv noises]* Don't bite your lip. I told you to be loud, didn't I? I want to hear you. *[improv noises]* You feel...so amazing. I can barely think straight.

*[wet sfx]* Shit, baby, you're making me feel so good. Am I making you feel good? Do you like the way I feel inside of you? *[wet sfx]* You want me to go faster? Are you sure? Fuck...you're gonna make me lose my mind, you know what? Fine. I'll go faster for you, baby.

*[wet sfx and improv noises]* God, you're so good. So amazing. How have I waited this long to do this with you? All this time...nng...I've been so dumb. *[moan] [wet sfx]* I can tell you like when I talk dirty to you, because your eyes roll to the back of your head. You really do have a voice kink, don't you?

*[wet sfx and improv noises]* You can grab onto me, you know. You can scratch me, bite me, whatever you want. I can take it. *[moan]* Yeah, like that. Leave marks on me. Leave evidence that this really happened, because right now, it feels like I'm dreaming.

*[wet sfx and improv noises]* Fuck...I really like when you bite my shoulder like that. I'm getting close, baby. Kiss me. *[kiss sfx]* You're gonna cum too? Let's cum together. Say my name when you cum. I want to hear you say it. Please?

*[wet sfx and improv noises]* Oh shit...ahhh...fuck I'm cumming...I'm cumming...fuck! *[moan]*  
*[heavy breathing]* Oh my god...my head feels like it's spinning. You doing ok? Did I...go too hard? I kind of lost myself towards the end...my bad.

You enjoyed it? *[laughs]* I'm glad. That makes me really happy. *[kiss sfx]* C'mon...let's get you cleaned up.
