

But the moment
that really changed
my mind was

Fuck..

The wound isn't
deep but he's losing
a lot of blood.

Did he move
the body instead
of stopping the
bleeding?

Wait, there's
a body?

When I saw
you all bloodied on
that hospital bed

My heart
almost stopped,
you know?

Aww, honey..

Yeah yeah,
I know I was crying
over nothing.

But that's
when I knew

It's pointless
to stay mad
at you

if you're not
even alive
