"Look like that man can handle himself well.. I came here for nothing then."

Hey! You must have fought very well!

My name is Amber!
A Knights of Favonious!
May I ask who are you?

A character with black hair and a red hooded cloak with goggles, standing in a field at sunset. The character is wearing a red and white outfit with gold accents and a black tail. The background is a warm, orange-hued landscape with a fence and trees.

I guess you must be an experienced Traveler, right?

Ah.. A-are you okay? Did I.. say something wrong?

A character with long, wavy blue hair and a black jacket is shown from the chest up. The jacket is open, revealing a black triangle on the left side of the chest. The character is standing in a field of tall grass with a wooden fence in the background. The sky is a warm orange and red, suggesting a sunset or sunrise. A speech bubble is positioned to the right of the character's head.

Are there any mages in this area?

I'm looking for a way home.. Do you have any mages?

Lead me to her, now!

Yes! We have a lot! A friend of mine also a mage.

"Geez.. Is this guy asking or ordering me? He acts like a King."

I will say one more time. Are you going to help me or not?

"This person.. he spreading a weird aura.."

What is your true intention?
Find a way home?

I won't let you
get close
to Monstadt!!

"He.. caught my arrow..!?"

That.. would be unwise, child.

"Smoke..!? Is he trying to run away..?"

"No.. I can still sense the danger.."

Enough!

Here you..!!??

Relax and do not fear, child.

I'm no intention
to harm you.

But.. you could prove useful to me.

Ah! Amber!!
Yo hooo!!

standing here..?

A strange man run
to the West, chase
him down.

Is he.. a threat..
Amber?

I will be there
in a sec..

It's not that serious!

I said.. It just one of her silly prediction.

Maybe so. But you still should be careful!
She has been right before!

W-where are you going?

Rosaria!?

Oh, hi Amber.
Sorry for this mess.

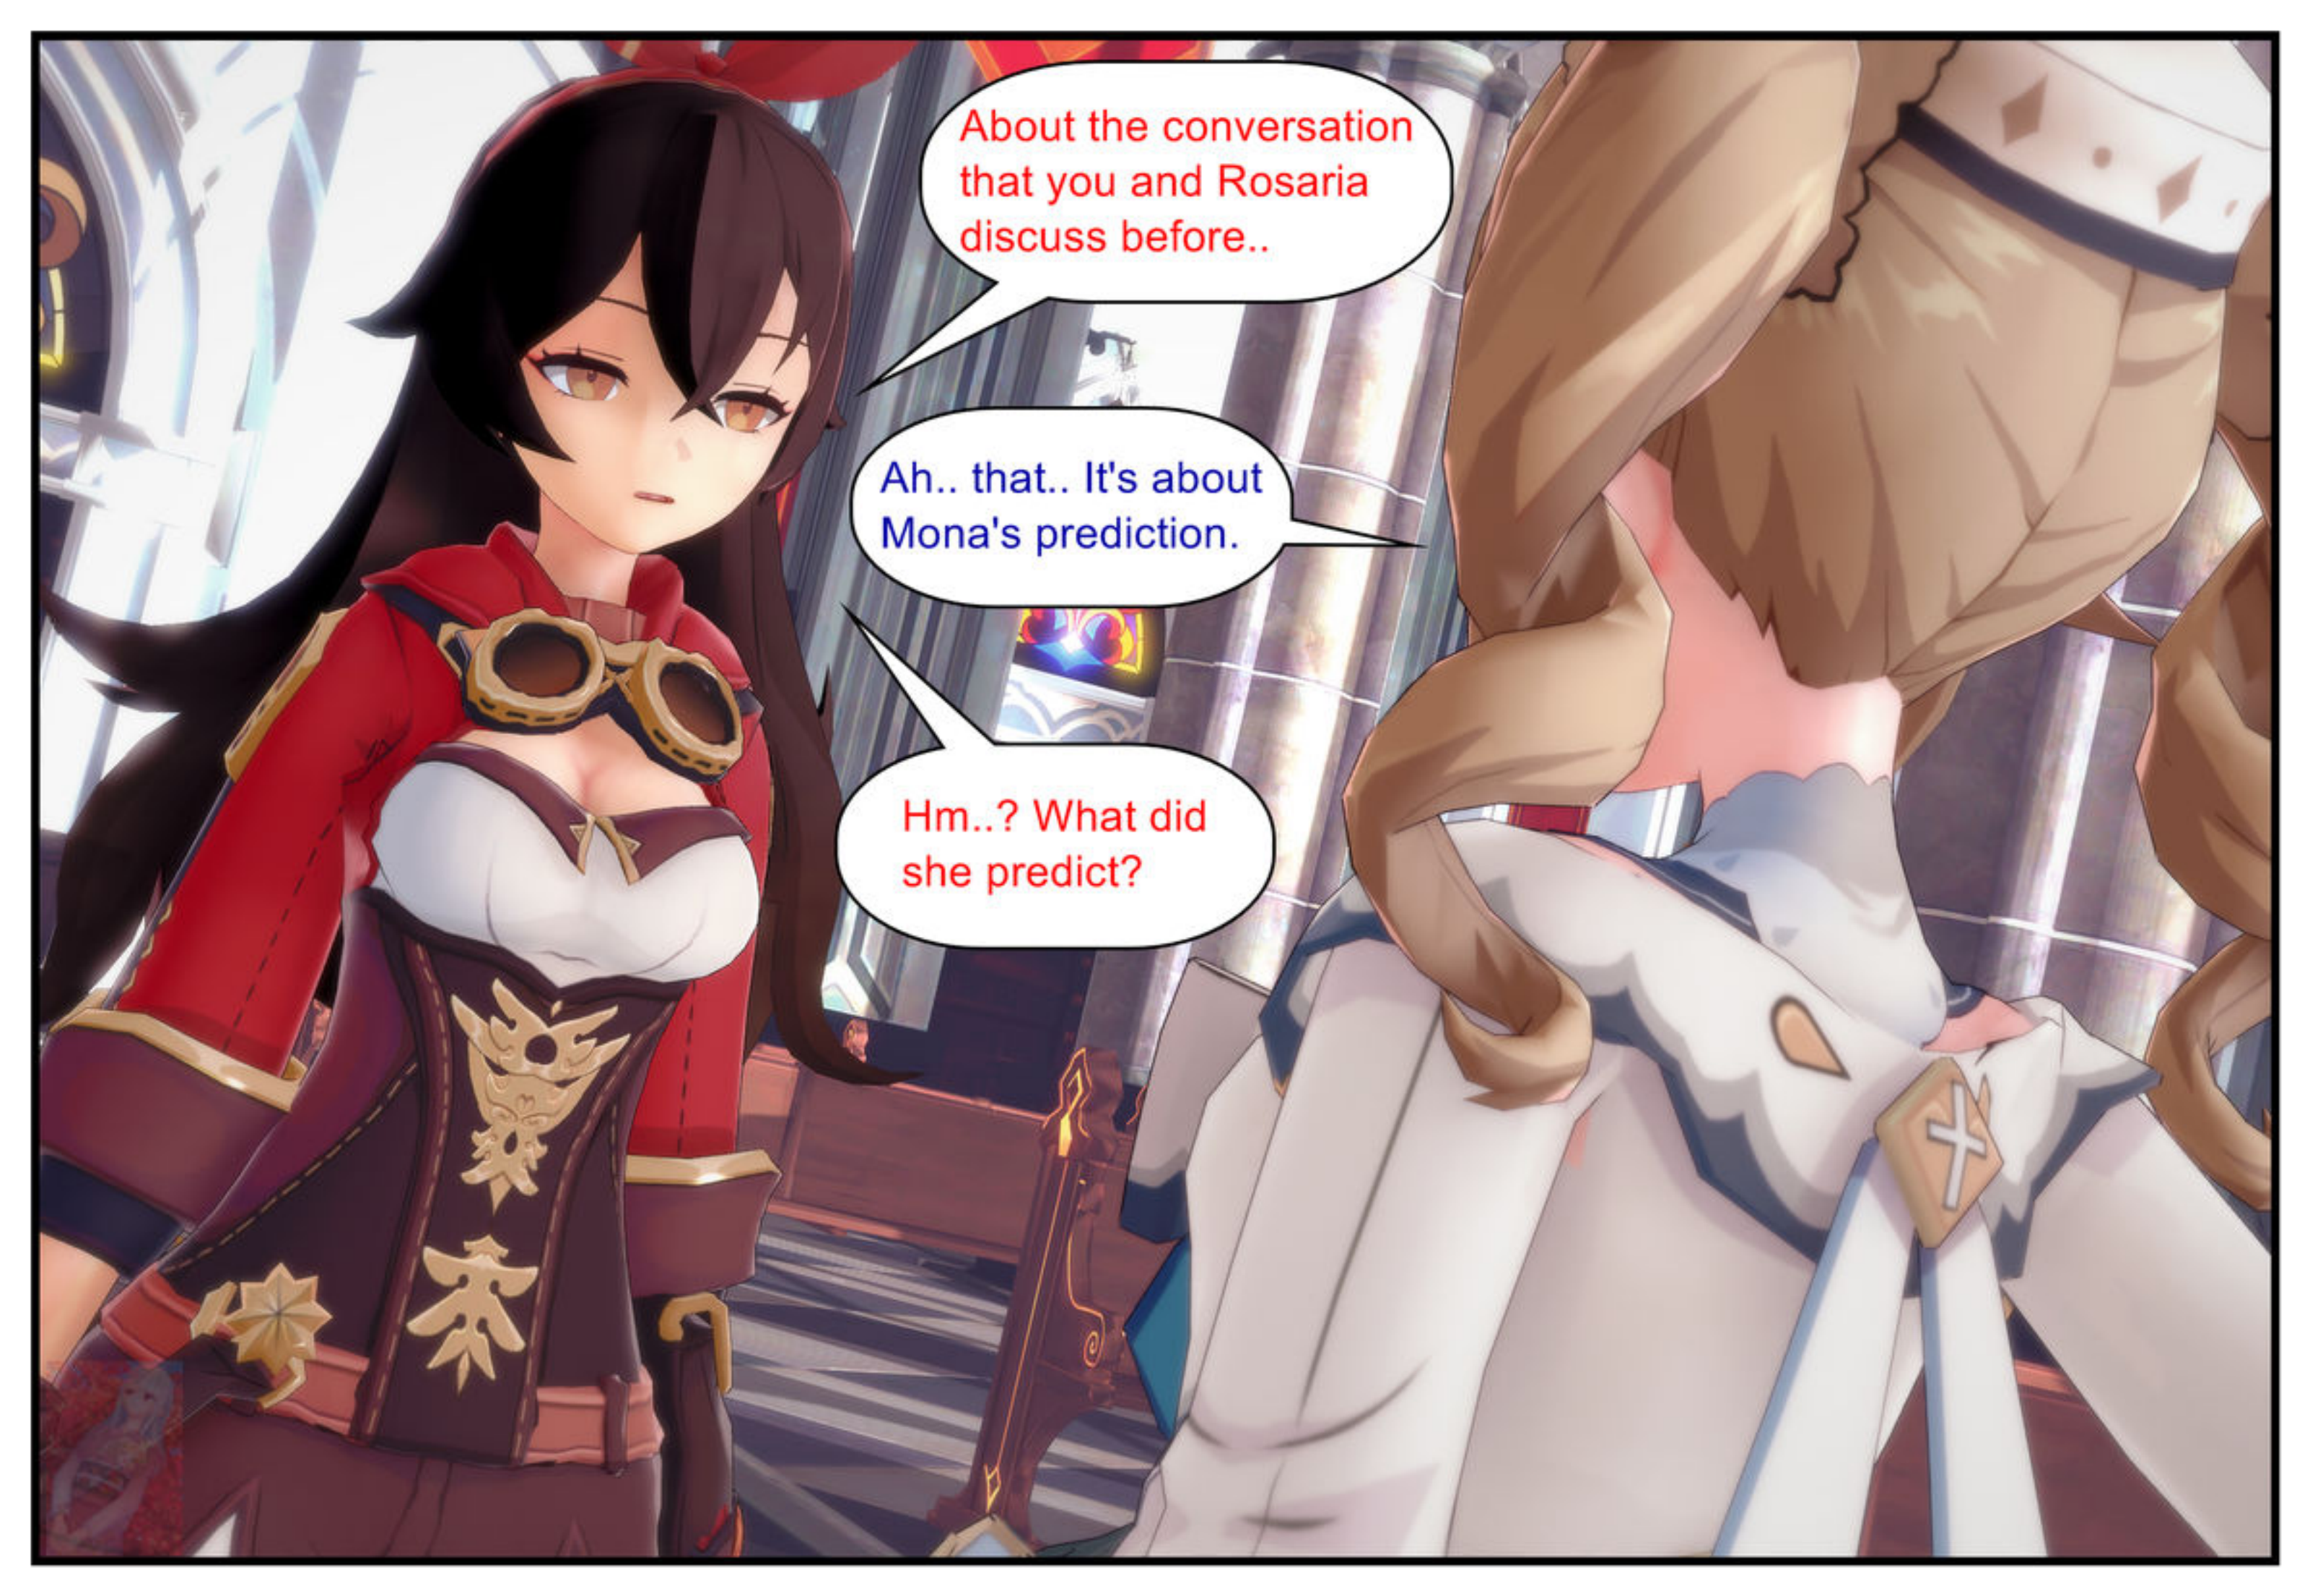

Is Jean here?

Ah.. She left an hour ago. I'm afraid that you have to wait.

Why do I have to wait for her?

Jean hasn't slept for 2 days so.. hard to wake her up.

About the conversation
that you and Rosaria
discuss before..

Ah.. that.. It's about
Mona's prediction.

Hm..? What did
she predict?

Shorty after Jean left, Mona came and warned us about the man from dark clouds, with a green crown and a woman in his hand..

Tell me..

A-Amber..!?

Who's that woman!?
Where was she
last seen!? Tell me!

I-I don't know.. *sob*
That's all Mona said..
Then she.. stared
at Jean.. *sob*

Amber.. You are hurting me.. *sob*

Oh.. sorry.. I was
lost control a bit.

You are.. very
weird today..

Then.. at least..
let me see Jean..
if she okay.

Y-yes.. Jean is
sleeping in her office.

Please.. don't wake her up..

So.. you were here all along..

My dear wife.. You are so beauty when sleeping.

"D-deer wife"?
Amber? What are
you talking about?

I must thank you
this girl.. she quite
a helpful host.

And you too, Barbara.
You took care of
my wife really well.

But from now on,
I will be the one who
take care of her.

Y-You are not Amber!!

That's right. This girl is my shell.

And you have known
too much, Barbara.
