Sailor Sayo 2

The demon Lies has infiltrated the office and inverted the way Sailor Sayo recharges her power. Instead of Love and friendship Sayo now juices up on lewdness and sex! Everything seems lost! But Isabel proposes a daring venture... let's have a threesome to restore Sailor Sayo's powers!

In the meantime, Lies has given up on her search for Sailor Sayo and has turned Julie into Mannequin. Exhausted and in serious need of recharging her powers Lies is now about to crash Stacey's meeting to feed on some desperation – Lies' source of power!

Isabel...	as a coworker

In the meantime, Lies has found her way into the office's meeting room.

Who are you?! Why are you disturbing my important meeting?!

FUCK!
I think that's yet another demon!

Is that a tail?

Are those horns?

SWAP

You think this is productive work?

That's a lie!
Masturbating would be far more productive!

She's right, Stacey! These new methods are not helping at all.

We really should resume masturbating during meetings.

At least we'd be relieving some stress while not listening to what you say.

Or we could just cancel these useless meetings altogether and masturbate at our own spots while getting some work done?

Okay, okay!
I just wanted to
try something
new.

Everyone, back to
meeting masturbation
while we discuss the
next part of the
agenda.

A 3D rendered male character with short brown hair and a surprised expression, standing in a room. He is holding a small, dark, round object in his right hand. He has two yellow, glowing patches on his chest and one on his right shoulder. Two speech bubbles are positioned to his left. The background features a grey wall with a framed abstract painting and a window with a patterned glass pane.

Hey, what was that?

My balls feel funny...

A man with dark hair and a shocked expression stands in a hallway. He is wearing a shiny, metallic, gold-colored suit that covers his entire body, including his groin. He has his hands clasped in front of him. The hallway has a grey wall with a framed abstract painting and a wooden floor. Two speech bubbles are overlaid on the image, one above the other on the left side.

With their bodies finally unlocked again and Lies' control removed, the four office workers explode in a unified wave of pleasure... Fluids are squirting everywhere as their sexual release, which was due for so long, finally takes its course - bathing each other in their love juices as their moans echo throughout the office.

On her way out Sailory Sayo finds Julie,

Thank you,

happens at our
office...

Now, where did I put my clothes?

Hey, Julie!

O.M.G.!!
Sayo! You just missed Sailor Sayo! AGAIN!

Oh, darn.
I really want to meet her someday.

Shotly later in Dylan's office, after the situation has settled a little...

Hi...

Mhm...

Hey,
Dylan!

That was
something
else, wasn't
it?

So... err...
before all
these demon
shenanigans...

I think you were
about to ask me
something?

Wha...
but...

I can't
do this!

I'm sorry,
Sayo! So,
sorry!

I'm going
home.

What's wrong with him?

Something I said?

Ah, he's just antzy cause he slept with another woman even though he's into you.

HE DID WHAT?!

Well, it's the funniest story!

...

And so, we helped Sailor Sayo regain her powers!

Yeah. Tell that to him. This "true love junky" is really taking all of this to heart.

By the way, you've got something in your hair... soap maybe?

Ohhh... She's talking about me!

But he did it to save the world... That's fine then... I forgive Dylan...

Hm... That's the exact same spot where Dylan dropped his load on Sailor Sayo...

Nah... it couldn't be. Sailor Sayo wears glasses...

Oh, my... This is Dylan's... spunk. *giggle*

Thank you for reading!

Hello, Hexxet here,

I really liked creating this second chapter to Sailor Sayo. With Sayos' relation to Dylan and Sayo's secret identity, there is a lot going on aside from the obvious demon shenanigans and magic girl battles 😊. I think it turned into a really cute and funny story and I hope you enjoyed reading.
