

**A King's  
DEMISE!**

**Grip!**

**Aria**

Exalted Sovereign,  
I... I implore you,  
extend your mercy  
and spare my people.

**Lucifer**

For a woman who  
has spent many a day  
on the battlefield,  
she is undeniably  
**Beautiful.**

And why,  
pray tell, should I  
grant such mercy?

1 Hour Later.

Enough. You bore me. Begone, lest I execute you where you stand.

N-No...

MERCY, MY KING!  
PLEASE SPARE  
THEM!

I... I'LL DO  
ANYTHING  
PLEASE!

Thwack!

**I'LL EVEN  
MARRY YOU!**

**PLEASE JUST  
SPARE US!**

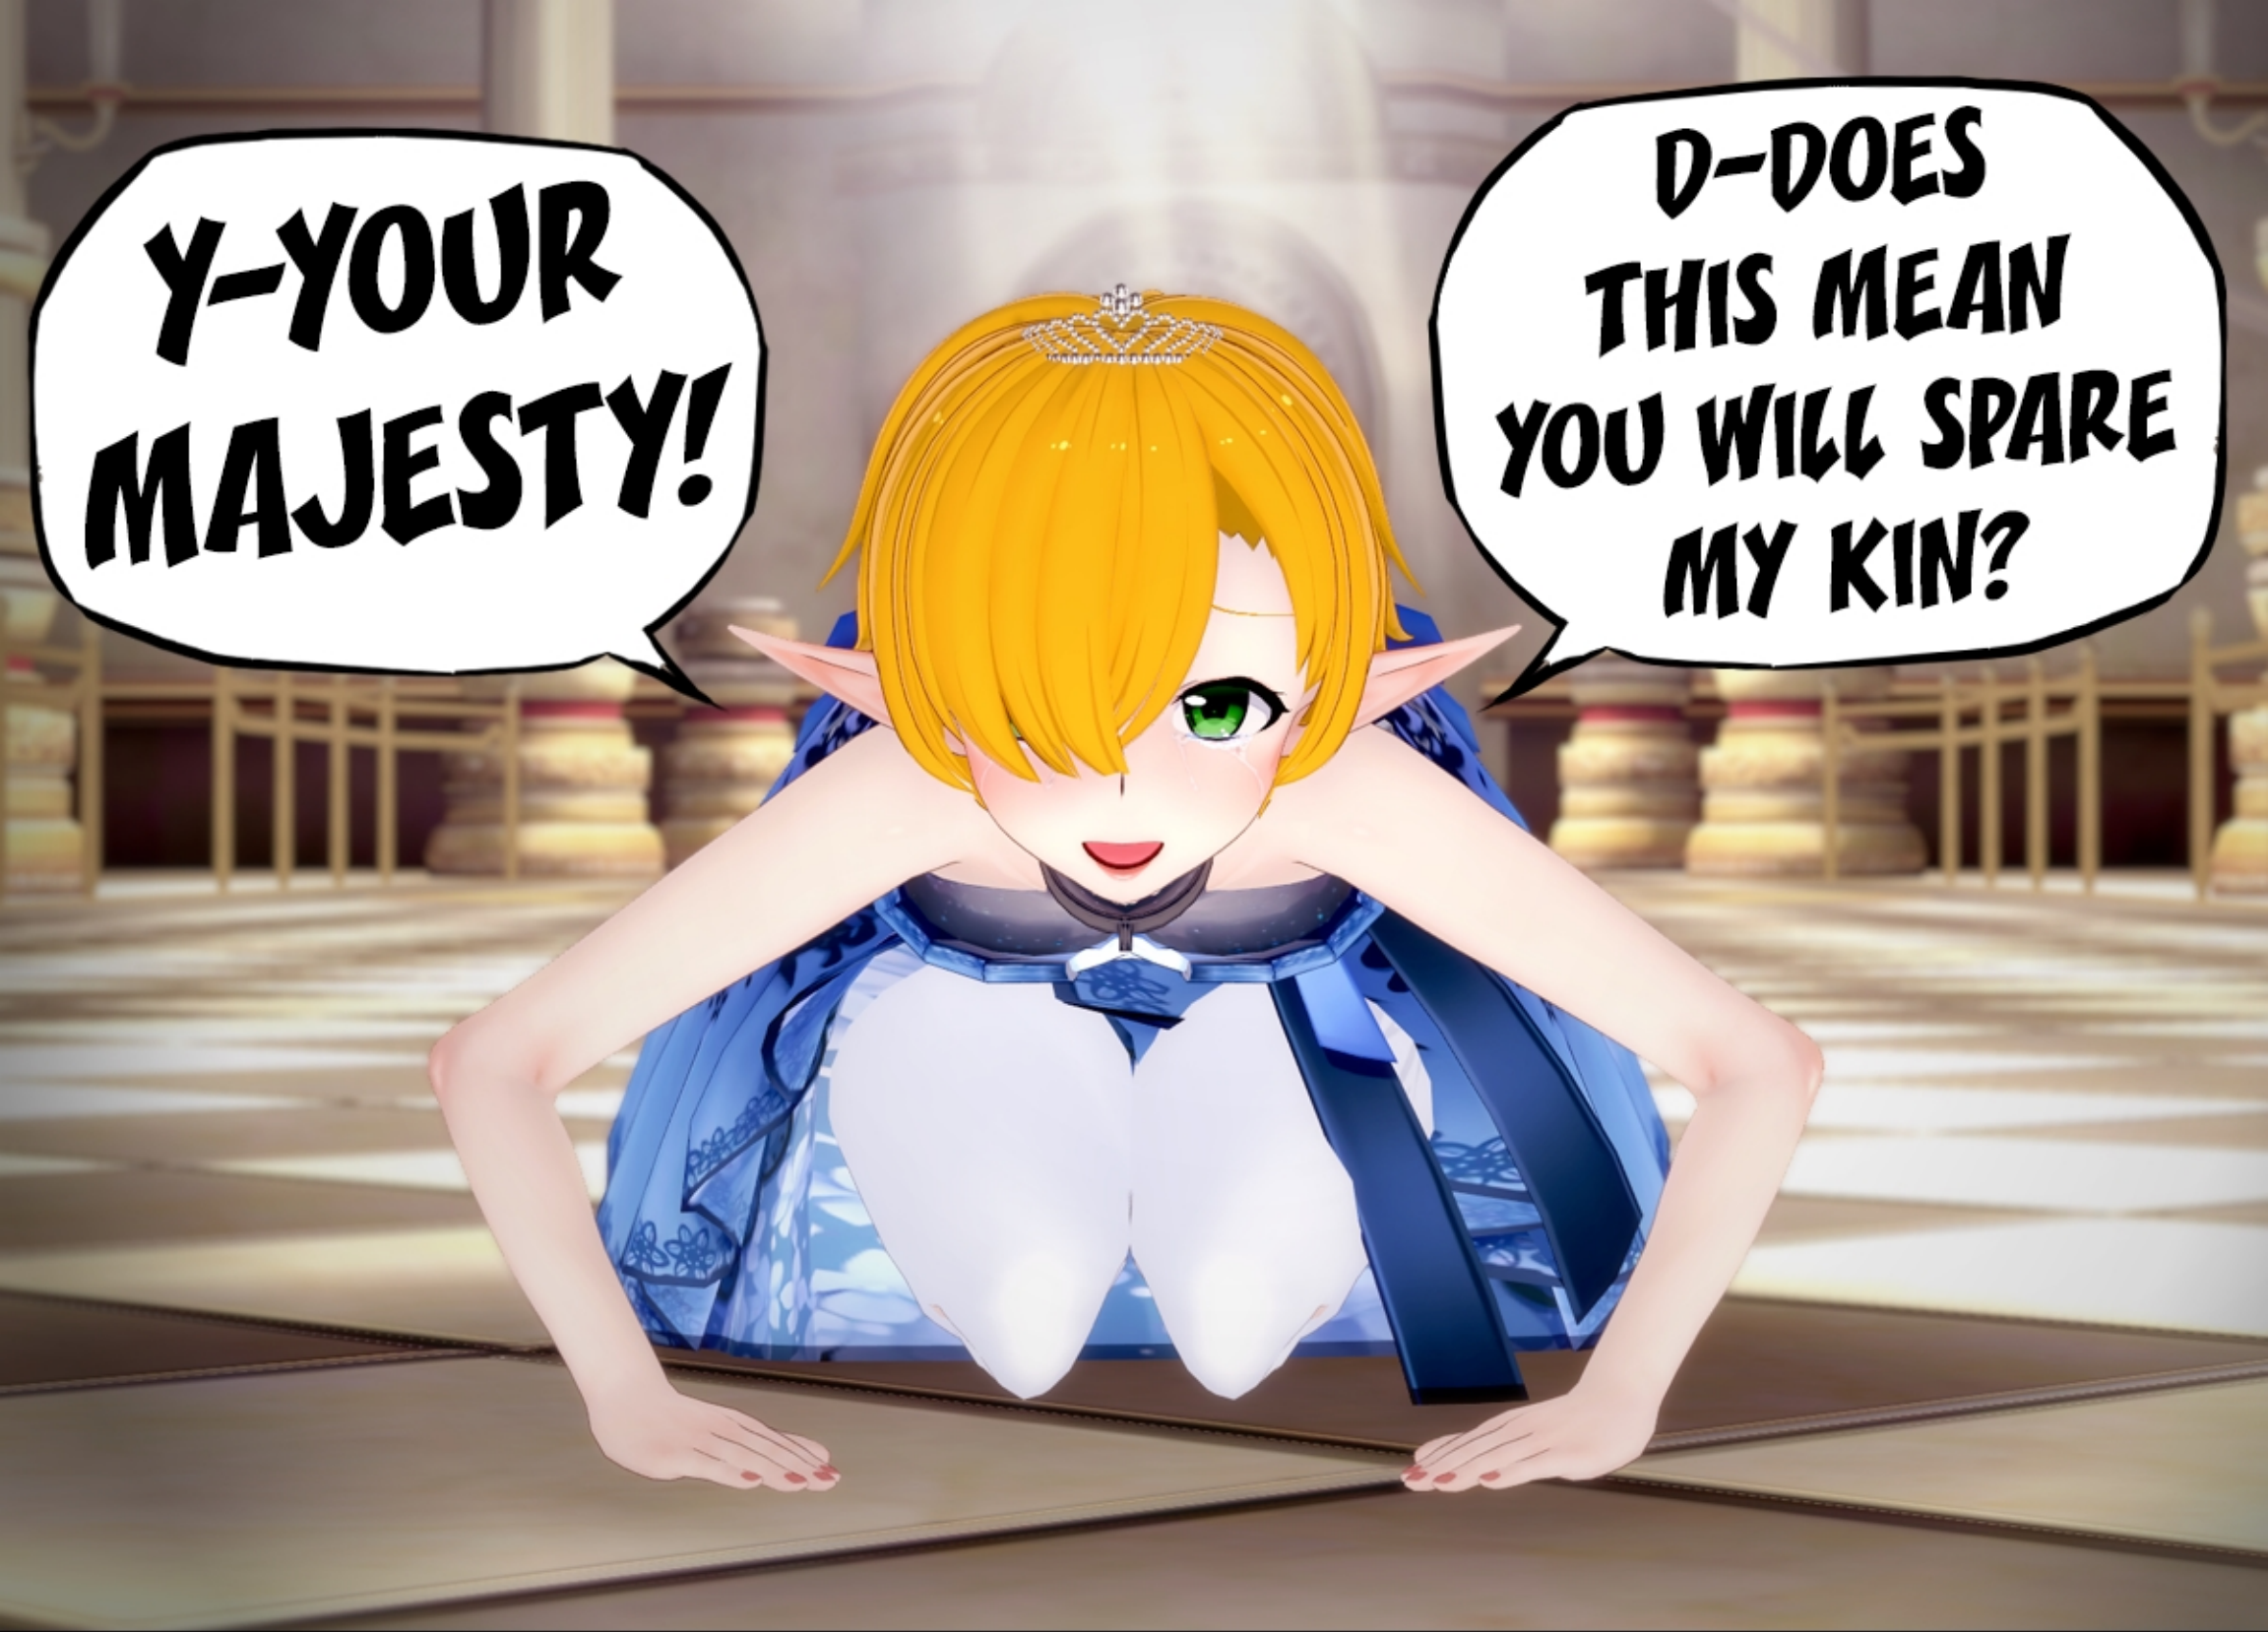

*Like  
I'd ever marry  
an impure race  
like the elves.  
However...*

*Marriage? Hmm...  
That is quite  
an intriguing  
proposition.*

*You are still  
a virgin yes?*

**I'VE NEVER LAID  
WITH A MAN!**

Face me  
Queen of  
the Elves.

Huh?

**Aria**  
Just a little  
closer...

**Lucifer**  
Beautiful.

*Your realm will  
crumble to ashes,  
and you, my dear,  
shall exist solely  
as my concubine*

**Foolish  
Queen**

**GOT YOU!**

**WHA?!**

**W-What did  
that bitch do...  
Where is this  
place?**

**The  
only thing  
I could do.**

**Y-You!  
You did  
this?!**

**Indeed.  
For my  
people...**

*Y-You bitch  
get over here!*

*Oh no...  
I'm so  
scared.*

*This is the  
only way.*

*AK!?*

*What a filthy  
body you have.*

*M-My body!  
What have  
you done!*

*My future plans require your body. so listen carefully...*

***"Keep silent on all our secrets."***

***"Become me, don't hint at any change."***

***"Never reveal the truth."***

*My future plans require your body. so listen carefully...*

***"Keep silent on all our secrets."***

***"Become me, don't hint at any change."***

***"Never reveal the truth."***

Later...

**N-NO! STAY AWAY FROM ME!**

*Did you stay away from the Elves when we begged?!*

**For the future of the elves you must bear my heir!**

**TEAR**

**Kyah!**

**Y-You cant do this! I'm the Emperor! A KING OF MEN!**

**Bend over, King of Men.**

**AH!**

**T-THIS CANT BE HAPPENING!**

**S-STAY  
BACK!**

**Time  
to make  
you my  
Queen.**

**I CANT  
ESCAPE!**

**THRUST!**
