Whatt?? Can't two bros embrace each other sweetly?

We're just being sillay..!!

Ugh, JUST CONTROL YOURSELVES. We have a JOB to do!

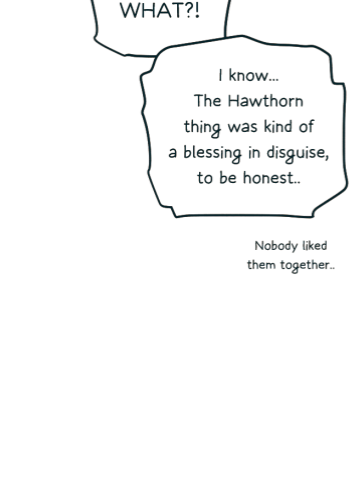

Weren't you literally just in a slush chug race?

SHUT UP!

WHAT?? WHO WON?

MAE OBVIOUSLY!

It feels like a weight was lifted off my chest.

Okey~ I got your measurements down!

The extra fabric will be made into a corset or a vest, it'll also be bullet proof of course!

Do you think they'll make it in time for the wedding?

Positive! Those people owe me a bunch of favors!

Me and Miss Mae models for them ALLLLLL the time, you remember our magical girl outfits right??

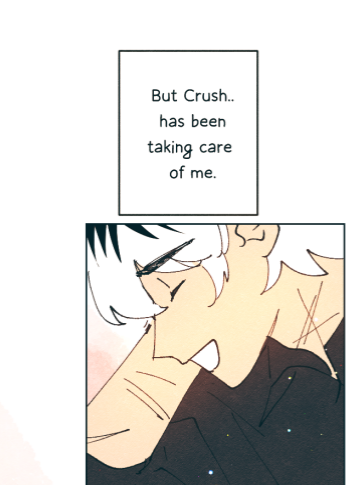

Oh, that.

I still feel weird, though. It's a little much, isn't it?

Stab proof suit, bullet proof vests.. all that.

Well.. You might not know this.. but..

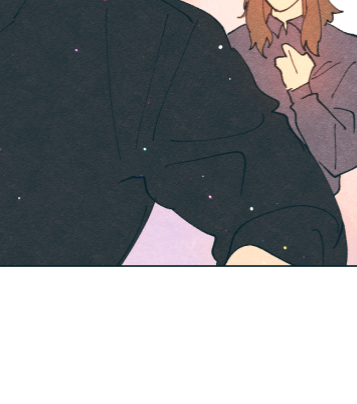

Back when they would attack ANYONE that touches Crush, that's why..

YOU BITCH!!!

HE DID WHAT?!

I know... The Hawthorn thing was kind of a blessing in disguise, to be honest..

Nobody liked them together..

But Sodam's getting married! I'm sure he won't try to hurt you, this is just us being safe..!!

And you're a martial arts champion, right? I'm sure you can handle yourself just fine!

I only went and did all this because

Crush requested it.

He did?

Yeah! Crush was weirdly worried about you getting hurt, haha.

He was..?

Truth be told, we're just going to give you a regular suit.

But Crush insisted that we make you a new one that's more durable.

And honestly, who are we to refuse?? We love a challenge!

I never noticed..

But Crush.. has been taking care of me.

From the moment I stepped foot in the Syndicate til now..

I know he's just trying to make up for what he did

But I can't help myself..
