Chap 1 Cash and J.T.

Ben had just unlocked his new alien. It was a tall cloaked alien with big swirly eyes like a hypnosis wheel the alien was not physically strong but Ben was able to figure out his power. The alien had some ghostly aspects being able to pass through walls. 'I know just who to play with.' Ben thought and activated the omnitrix and slapped it down. "Hypnos!!" He flew off to find his targets.

Cash and J.T. were hanging out at the abandoned factory. It didn't take long for Ben to find them. When Hypnos passed through the wall the two boys gasped in shock. "Tennyson is that another one of your freaky aliens get lost!!" Cash snapped not realizing still who he was dealing with. "Cash!!" J.T. snapped looking a bit worried.

Hypnos moved forward and pulled back its hood. Its swirly eyes lit up a bright green and the two stared at the eyes. J.T. and Cash fell under the spell their eyes got dazed. "Alright you two you are under my control. You will obey Ben Tennyson in all his forms do you understand?" The males nodded. "Good boys When I

snap my fingers you will be my good little servants you will follow all my orders and you will call me master. You won't remember what you do when you are my servants but you will dream of it and be hard but you are not allowed to cum without your master's permission." Ben commanded and the two nodded their heads as the hypnotic command sank in.

With a snap of his fingers the boys snapped back into reality and Ben reverted back to normal. "Think you can take me on without your freaky powers." Cash said not realizing he had been hypnotized he rushed at Ben fist drawn. Ben snapped his fingers and J.T. and Cash tensed up. "Okay boys time for you to learn your place. Strip." Ben ordered and the boys obeyed. Cash stood naked his soft 4-inch cock visible from his hairless crotch. J.T. had an uncut 7-inch cock and had pubes. "Not bad time for you boys to meet your master."

Ben undid his pants and freed his hard 10.5-inch cock. J.T. and Cash went up to him and kneeled in front of him. "Lick my cock boys get a good taste." Ben ordered and the two went on either side of his cock running their tongues along his hard manhood. Ben hummed his

approval and looked down and saw they were both hard from licking his dick. “You pervy boys got this hard just from licking my cock.” Ben said and used his foot to nudge Cash’s dick and balls. Cash moaned but didn’t stop licking, but he rocked his hips against his master’s foot.

“As a reward for your good service you are allowed to touch yourselves but you’re not allowed to cum until I do.” J.T. and Cash obeyed reaching down to pump their dicks. “Thank you Master!!” They said in unison and went back to work licking Ben’s cock.

It took awhile for Ben to cum, Cash was whimpering the need to cum unbearable. “Here it comes boys.” Ben moaned and with a groan of pleasure he came his seed splashed onto the boys’ faces J.T.’s glasses were covered in cum.

With Ben’s release the males were able to cum their cum shot out and coated their bellies and hands. “That was a fun start you two but we have a long way to go...” Ben said with a smirk. “Show me those asses.”

They didn’t waste a second, turning around and sticking their butts in the air. Ben couldn’t help himself...Slap!

“Ahh!” the two moaned as their asses got slapped. Ben groped their buns. “Master!” they moaned.

He took turns tanning their buns a lovely shade of red. Each smack seemed to only arouse the two, their dicks twitching in want. After a few swats he groped their asses, making them moan and buck.

“Spread those cheeks,” they obey, reaching back and spreading their red cheeks and exposing their pink holes. “Decisions, decisions, I think J.T.’s a good boy and gets first claim.”

“Thank you master!” the boy moans. Ben preps them well, slipping his slicked middle fingers into their butts. “Yes!” the two moan in unison.

“Ohh so tight,” he fingers them, rocking back and forth, giving a finger wiggle that made them shudder. The boys drooled as they were fingered, loving their first taste of anal stimulus. They bucked back craving more.

J.T. got more, a second finger that worked to scissor the boy’s ass open. “Do you wanna cum J.T.?”

“Y-yes!” he moans.

“You wanna cum from my fingers, or my cock in your ass?” Ben asks, and J.T. moans.

“Your cock master, please give me your cock!”

“Good answer, you may cum from my cock!” Ben removes his fingers, and J.T. whines at the loss, but he wasn’t empty for long. Ben slapped his cock down between his butt cheeks.

“Ahh!” he moans and bucks back, loving the feel of Ben’s dick against him, the heat of his manhood licked against his hole. Cash was losing it, the one finger felt good and he wanted more.

Ben’s cock was slicked up and ready to slide inside. The tip rubbed against his tight pucker, smearing pre over his entrance. He pushed forward, the head breaching his tight ring of muscle.

His penis pushed in and claimed J.T.’s virginity. His dick stretched the boy wide and deep, the brunette was slow sliding in inch after glorious inch. “So tight!”

“So big Master!” J.T. was loving his reward, so much so by the time Ben buried his dick down to the root the boy

came. "Ahh!" his inner walls tightened around his walls in orgasm.

Ben stilled and loved the anal massage, J.T. was so tight. As he began to move, he added a second finger to Cash's hole. He fingered Cash while pounding J.T.'s sweet ass, the heavy clap clap of skin striking skin was accompanied by the two boys' moans.

Without even touching J.T.'s cock he made the boy cum from pure anal stimulus. His big dick brushing the boy's sweet spot with each pass. He wasn't the only one getting some sweet spot love, Ben's fingers teased Cash's prostate but he didn't have permission to cum yet.

Ben's powerful thrusts had J.T.'s dick bouncing and slapping his big belly. "Ah ah ah master cumming!" he sprayed his seed all over as his insides tightened. Ben didn't stop thrusting, driving into his clenching heat. The increased friction helped pull Ben over the edge and he came deep into J.T.'s ass. "Thank you master!"

He pulled his still hard cock free from the boy's hot hole, the hole tightened as he left seemed it didn't want to

give him up. J.T. whined at the loss, he could feel Ben's cum leak out of his ass and run out.

"You ready to lose your virginity Cash?" he slapped the boy's ass with his dick.

"Yes, please master fuck me, I want you so bad!" his ass tightened around Ben's fingers.

"Good answer, but that mouth of yours needs to be punished a bit. Can't waste good cum, kiss J.T.'s ass as he's done for you all these years."

"Yes master," he spread his friend's cheeks and gazed upon his cum stuffed hole. He licked his lips before diving in. He licked up some of the spilled semen, before kissing his ass.

"Good boy," as Cash rims J.T. he lines up his cock and pushes in. "Once he's cleaned out you may cum." Ben says as he slides in. Cash got the message and doubled his efforts on his hole. His tongue pushed in and scooped out his master's cum which he greedily swallowed.

J.T. closed his eyes in bliss enjoying the rimjob, even after Cash drank down all of their master's semen he still kept licking.

Ben soon filled Cash up and the boy came. He started to move, pounding Cash a little rougher than J.T. but the boy wasn't complaining, instead moaning into J.T.'s ass. If Cash thought a prostate massage with fingers was good, the way Ben's dick brushed his insides was something he'd never forget.

He came again and again, Ben showing him how much of a man his master is. When Ben finally came and flooded Cash's insides it made the boy cum again. The two were so spent, as Ben pulled his cock out of them, he gave a few strokes and sprayed a couple more spurts on the two. "You guys were good, I think I'll keep you, what do you say?"

"Thank you master!" they say in unison, a big smile on their faces.

To be continued

Chap 2 Kevin Visits

Ben had J.T. and Cash as his own personal toys, he had them come over as much as possible, they stayed naked and worked to please their master. Their parents were okay with it because it appeared that the boys were staying out of trouble and making new friends. He had them buy the toys used to be on them, they had a small collection so far. Cash and J.T. had 5-inch long vibes stuffed up their asses there was no need for cock rings since their bodies were controlled. Ben had filled them both with his morning cum the vibes keeping every drop deep inside them. They loved walking around with Ben's cum sloshing around inside.

In his room they were both naked if they were to leave they had shorts to put on. Ben was equally naked his hard massive cock leaking pre cum as he watched the two boys make out for him, frothing against each other. "Do you two wanna cum?" They nodded their heads. "Well go ahead and show your master how much you want it, you can start by licking my feet."

The boys obeyed crawling on all fours their asses up high in the air. They began to lick Ben's feet running their tongues over the top until Ben let them lick the soles. Ben relaxed and let his boys work, he put his hands behind his head exposing his pits.

"Well well well," Ben looked to the door, to see Kevin leaning against the door frame, an obvious bulge in his tight pants. "I see you are having some fun, guessing you got some new alien?" he knew him so well. Cash and J.T. were pains in the ass even to Kevin, so seeing them like this was a treat.

"Yeah Hypnos, judging from that bulge would you like to share in his power?" Ben asked with a wink. Kevin smirked.

"Don't mind if I do." Kevin took off his shirt and his shoes.

"That's enough, Cash be so kind and remove the rest of Kevin's clothes." Ben ordered and the tan youth obeyed.

"Yes master!" Kevin sat next to Ben and Cash got to work. He pulled off Kevin's socks and tugged off the man's pants, Cash moved up and pulled off the man's

black underwear. Kevin's hard 10-inch cock sprang up and slapped Cash's chin.

"Kevin's feet need to be cleaned slave get to work." Ben ordered, Kevin watched as J.T. was worshiping Ben's feet and he had to admit it looked hot.

Cash began to lick Kevin's sweaty feet and Kevin sighed in pleasure. "He's not bad." Kevin said and put his hands behind his head exposing his hairy pits.

"Yeah I've got them trained pretty well. J.T. is best at giving blow jobs, Cash is best at giving rim jobs, both are good for a nice tongue bath, both their holes are a nice fit for a cock." Ben said and pet J.T.'s head as the boy moved up to lick Ben's legs.

"You had Cash give you a rim job?" Kevin asked not that he couldn't see it the boy was good with his tongue. Cash lapped at the sole of his left foot before moving to the right. His tongue was magic licking this way and that, even going between his toes.

"Yeah J.T. was sucking my dick and I decided to give it a try, his tongue can reach very nice places." Ben said with a light moan as J.T. started sucking his balls.

“Dude you’re making my cock twitch,” Kevin says heatedly, it was true Kevin was already leaking pre-cum. Ben reached over and began to pump his cock. “Ohh!” Kevin’s toes curled.

“It looks really thick, and wet, how long have you been saving up?” Ben said and stroked Kevin’s thick cock with long strokes. Pre cum overflowing from his twitching manhood.

“A few weeks all these alien fights cut into my me time.” Kevin groaned. Not the first time he’s had Ben’s hand on his dick, some nights on stakeouts when they were alone they gave each other a hand job.

“Well I can fix that,” Ben said. “J.T. give Kevin one of your best blow jobs, Cash use your tongue to clean Kevin’s pits.” The males moved to obey, and Ben slid back to watch, J.T. between Kevin’s spread legs and he wrapped his lips around Kevin’s thick tool. Cash moved to the side and began to lick Kevin’s hairy pits tasting the man’s sweat the feeling of hair running over his tongue had him groaning; his hot breath caressed Kevin’s wet pit adding more pleasure to the older teen.

J.T. started licking his penis, fondling the raven's balls. After mapping him out with his tongue he wrapped his lips around the head and began sucking. "Mmm," Kevin hummed, J.T. descended upon his fat dick.

Kevin was so damn sexy, there's been sexual tension between he and Kevin for years. He just couldn't sit back and watch when Kevin sounded so sexy. He might be a little jealous.

Ben moved behind Kevin his hard cock poking him in the back. His hands came around and teased Kevin's nipples, pinching and caressing the perky buds. "Fuck Ben you sure know how to treat a guy fuck this is so hot!!" Ben kissed his neck and continued his teasing.

Cash was soon done with the left pit and he moved over to the right. Ben wasn't wrong about J.T. giving a good blow job, he was slurping and sucking Kevin's dick like a champ. With all the pleasure assaulting him Kevin couldn't hold back, he came moaning Ben's name as he shot his load deep into J.T.'s mouth. His penis pulsing inside as hot cum erupted down his throat.

J.T. pulled back to the head and made sure not to waste a drop, he kept sucking and made sure to milk an extra spurt or two from him. Kevin watched as the male swallowed every drop.

“Damn Ben you sure are lucky these guys are dumb enough to fall for that hypnosis trick, someone like me would never be caught by that trick.” Kevin said leaning back against Ben.

“Oh really, care to make a little wager on that?” Ben asked getting his omnitrix ready. This was a perfect chance to claim Kevin for his own.

“Sure Benny boy if you can hypnotize me I’ll be your willing slave, if you can’t, you have to be my slave.” Kevin says and he was sure he could resist some hypnosis. There was a bright green flash.

“Hypnos!” Kevin stared into Hypnos’s eyes and his eyes glazed over and he began to drool. He fell faster than the other two. Intelligence had no say in who he could control or not.

“Guess you lose this bet Kevin,” Hypnos said and reverted back to Ben. “What shall I do to prove it, oh

yeah this is gonna be good..." he gave Kevin a kiss on the cheek

To be continued...

Chap 3

Ben grinned as he stared at the completely hypnotized Kevin. They've had a little fun over the years nothing too deep, the two had an intense back and forth. You could cut the sexual tension with a knife, neither seemed to want to give in. Now he had the sexy raven right where he wanted him. "Okay Kevin from this day on you are my slave, you will be a good boy and obey my every command, nod if you understand." Kevin nodded his head. "Alright first you will call me master, second you will not lie to me, third when I awaken you from this trance you will obey my every command, and should I want you to go under a trance again I'll say your full name Kevin Ethan Levin."

"Yes Master." Kevin said.

"Alright before I release you from the trance I want you to go into the bathroom and get shaving cream and a razor." Kevin left to obey, Ben stared at the boy's plump ass as he walked.

“As for you two, get dressed and run down to the mall, there’s a special shop I want you to go to. Go there and get everything on this list.” Ben wrote some stuff down and gave it to J.T. “Yes master!” the two got dressed, no underwear.

“Be as normal as possible do not draw any attention to yourself.” The two nodded and left to follow their orders.

Kevin came back with the shaving cream and the razor. Kevin had such a mighty man bush, to him manly hair was part of what made him a man! Since Ben was a little bigger than Kevin the raven often bragged about little things like how his bush was bigger, that made him a bigger man. “Alright Kevin you’re gonna shave your pubes I want you completely smooth.” Kevin lathered himself up with the cream and began to shave his pubes. Ben got a wash cloth and wiped Kevin clean revealing his smooth hairless crotch. Ben patted Kevin’s hairless crotch earning a twitch from the boy’s cock.

“Okay slave when I snap my fingers you’ll awaken from the trance and remain under my control.” Kevin nodded his head and Ben snapped his fingers. Kevin blinked and laughed.

“Told ya I couldn’t be hypnotized...What the fuck happened to my pubes!!” Kevin shouted and Ben grinned at him. “Oh fuck.”

“That’s right you shaved them yourself. Now you’re as smooth as a baby and I got your bottle right here.” Ben wiggled his still hard dick. Kevin gulped and felt really hungry, his knees buckled. He fell to his knees and stared up at Ben. “Go ahead baby drink up.”

Kevin licked his lips before wrapping his lips around the tip of Ben’s cock and began to suck. ‘Ohh so good!’ his tongue swirled around the head, tasting the other boy’s tip.

He took Ben’s length deep into his mouth sucking and licking each inch as it entered his mouth. Kevin moaned around Ben’s cock and sent pleasing vibrations through his length. “Work for it baby and you’ll get your milk.”

Ben’s words sent a strong spark of lust through Kevin’s body. He started bobbing his head giving long hard sucks from base to tip. “Fuck Kev I was wrong you’re the best cock sucker shit!!” Ben cursed. Kevin felt great pride in that and it made him work even harder.

Kevin's hungry sucks brought Ben over the edge. Ben came deep into the boy's mouth and Kevin drank down his milk. "Fuck that's hot!"

Ben pulled his dick out of Kevin's mouth. He licked his lips finding he enjoyed the taste, as his penis rested against his face. Ben sat on the bed and patted his lap. "Come here baby for such a good job you deserve some pleasure to." This baby thing was turning Kevin on.

Kevin laid across Ben's lap face down his hard cock sliding against the boy's leg. Ben spread Kevin's cheeks and ran a finger over his entrance. "Let's play with this until the boys get back." Ben thrust a finger into Kevin's tight ass earning a hiss from the older male. Ben rocked his finger in and out making Kev moan in pleasure.

"You like getting your ass played with?" Ben asked.

"Yes!" he confessed. He knew he could feel Kevin twitching.

"Have you dreamed of me owning this ass Kev?"

"N-Yes!" he tried to deny it but the truth came out. Ben rewarded the truth with a finger wiggle that had Kevin moaning in delight.

“You gotta be honest with me Kevin, you can lie to the world, but I wanna know what you truly desire.” Kevin gulped. He knew he was in for the long haul but being Ben’s slave wasn’t going to be boring.

To be continued

Chap 4 Toys and Fun

Cash and J.T. got everything on the list. They got a dildo pack; dildos ranging from 1-inch to 12-inches, butt plugs were bought they ranged from 1 inch long to 5-inch long, and varied in girths. Cock rings, both normal and vibrating kind, a few fleshlights, a vibrating wand, and a customized vibrator that looked to be made for stimulus to the cock and balls at the same time, and some bullets. This was a good selection for the vibes they'd gotten before. They took their spoils and headed back.

-x-

Ben was up to 3 fingers in Kevin's ass, he twisted and churned up his insides. Kevin was so hard and throbbing against his leg, Ben's own hard cock was pulsing against his abs. "Ah ahh Ben please!" his hips rocked.

"Not yet, you can't cum yet." Ben's penis rubbed against his abs, smearing pre over his six pack. Kevin's own cock making a mess on his abs and Ben's leg. His free hand moved along his back, making Kevin shiver and his toes curl.

“Please let me cum!” he moans, his cock was so hard it hurt. Ben’s order slapped an invisible cock ring on his dick.

“You want it?” he stirred up his insides.

“So bad, please master!” Kevin moans looking at him so sexy.

“If you want to cum, then ride me.” Kevin didn't hesitate, he straddled Ben's lap, the brunette's big rod sliding between his plump cheeks. He lined up his rod, and let it kiss his stretched hole.

“Oh fuck!” he sinks down, the fat head opening his hole open. Ben's dick sank into his friend's ass, the raven's hole swallowed him like a champ. He gripped Ben's shoulder's to steady himself, his penis twitching with each new inch.

“Does it feel good Kev?” he asked. The male blushed.

“So good!” his hips jerked, his body trembling as he sat fully seated on his cock. His cock was overflowing with pre, the manly essence running down, soaking his crotch and his balls. “Ben!”

“Get moving Kevin, I'll help you.” he held his friend's hips and helped him up, Kevin moaned, bouncing up and down on Ben's cock. His own hard on bounced and slapped between them, an added bonus was Kevin's balls kept dropping into Ben's nest of pubes getting tickled by the manly hair as he moved up.

Ben's hands moved from Kevin's hips to his ass, groping his plump cheeks and making his friend squirm. “You got such a fine ass Kev, it's so plump!” he gropes him and Kevin's hole tightens.

“Fuck!” Kevin moans arching his back. The friction was hot, his prostate soon got a proper pounding, Ben's fat head brushing it as he passed. “This feels...so good!” his cock slapped between them freely.

“You seem to be enjoying anal stimulation, you are so wet. This something you can get used to?”

“Yes I love anal sex!” Kevin had hearts in his eyes, and began to speed up his thrusts, loving the fullness and friction. He couldn't believe he waited so long to try this.

“Then show me, cum from my cock deep inside your ass!” he says and Kevin arches his back. Kevin moans

Ben's name as he blows his load, seed painting his and Ben's chests and stomachs.

Kevin was in a daze, even in the aftermath of his orgasm he kept bouncing in Ben's lap. "Such a naughty boy." his hands come up and toy with Kevin's perky nipples.

"Ah ahh," he moans.

He pulls Kevin in for a kiss, and the two make out. Kevin's hips kept moving, riding Ben's big dick. A few jabs to his sweet spot had Kevin hard again, his fat dick slapping between their bodies.

"Be as naughty as you want Kev," he playfully slaps his ass.

Kevin obeys riding Ben with all his heart. Ben's dick making naughty noises, as it thrust into Kevin's cum filled hole.

This is how Cash and J.T. found them. Ben's cum overflowing out of Kevin's ass, Ben's thick rod filling him to the brim. Kevin unloading a fresh batch of baby batter between their bodies. The two making out like horny teens.

Ben broke the kiss. "Welcome back boys, you get the stuff?"

"Yes master," they say in unison.

"Great sit it over there and strip, the one who strips the fastest gets, to help clean Kevin's hole." Cash hesitated, but J.T. already had his shirt off and was working on his pants.

By the time Cash got his shirt off J.T. was naked and got between his legs. He gazed at Kevin's stuffed hole stuffed full of cum and cock and he went to town.

"Ohhhh!" the two moaned. J.T.'s energetic licking was quite the treat. He licked Ben's penis and Kevin's hole, tasting both like he just discovered chocolate mixed with peanut butter. He went as far as sticking his tongue inside of Kevin's ass along with Ben's penis.

Ben grabbed Kevin's plump ass and spread it wide, letting J.T. have full access to them. "Fuuuuuuck!" Kevin moaned.

Once Ben saw that Cash was naked he motioned him over. "J.T.'s got the back you clean the front. Start with Kevin's pits and work your way down." Cash looked from

Ben to Kevin. The raven smirked and raised his arms above his head.

Cash went to Kevin's sweaty pit and began obediently licking. As the two cleaned Ben pulled out of Kevin, the raven groaned at the loss but J.T. so began frenching his hole and drinking Ben's semen. "Ohhh god he's sucking my ass!" Kevin trembled.

Ben chuckled, he was enjoying the show. Cash moved from the left pit to the right, and cleaned Kevin thoroughly. He moved down and licked the mix of sweat and cum off his pecs.

J.T. finished the cum in Kevin's ass, and got to work cleaning Ben's penis. Cash moved down cleaning Kevin's abs, taking a moment to lap at his smooth hairless body.

Kevin looked ready to blow another load, so Ben stopped them. "Okay boys get me some toys, and I want you each to pick a special dildo."

The two obeyed and Kevin got laid out on the bed. "Don't cum Kevin," Ben commanded and the raven gasped as a feeling of an invisible cock ring came over his cock.

“Ahh Ben please!” he gasped.

“Hush, I got something good for you.” Cash and J.T. brought the toys over. Cash selected a 5 incher while J.T. selected an 11 incher. “Great J.T. give yours to Cash and Cash use yours on J.T.”

The slicked hair teen groaned. The two got to work, licking their respective rods. Getting them ready for their holes. One hand held the toy as they bathed it in saliva, the other plaid with their holes.

Ben grabbed the special vibe, it had three pronges and it was pressed into his crotch, one pushing against his dick, the other two against his balls. Pressing the button, Kevin howled as the vibrations attacked his crotch. “Ben!” his body trembled.

The brunette ignored his writhing in pleasure. J.T. was already taking the dildo into his ass. Cash followed suit, the boy whimpering as his ass was stretched. The two sank deeper and deeper, the toy's vanishing into their bodies.

Their penises twitched and wept, enjoying the fullness. Ben pulled away for Kevin and got a flashlight and

brought it over to the two. "Here you go boys." He held it over their dicks. The two brought their cocks together, groaning as they rubbed together.

The fleshlight came down and the two groaned as the toy encased their dicks. "Ohhhh!" Ben stroked their dicks with the toy.

"Now don't stop, last to cum has to clean all the toys." Ben grabs a vibe and walks back over to Kevin. He got a nice long vibe and it was a lovely shade of green. Ben drags it along Kevin's weeping tip.

He coated the toy in Kevin's pre. The toy was brought to his twitching hole. He started pushing it in, and once it was half way inside he turned it on. "Ohhh fuck!"

The vibrations stroked his insides, and Kevin tossed his head back. The rest of the toy getting pushed inside. His tight ring pulsing around the vibrating toy. Kevin's hips buck off the bed. He was still sensitive from earlier, if not for Ben's command not to cum he would have.

Ben smiled as the vibe was stuffed inside him. It buzzed right against the raven's sweet spot. "Ben!" The brunette

smiled and placed some bullet vibes to Kevin's nips. "Oh fuck please let me cum!" he cried out.

"Ohh would you look at the time, I gotta go to soccer practice." Kevin's eyes widened.

"You wouldn't dare!" Ben kissed him, and Kevin melted.

"I'm not gonna leave you hanging Kev." the raven shivered. "Here is my order," he snapped his fingers.

"You boys will play here, and Cash and J.T. you will use your asses to please Kevin after you finish the toys. You two will clean up and put the toys away, but after Kevin pumps two loads in you, you will get a butt plug." the two nod at the command. "Kevin you will get dressed no underwear, and come get me from soccer practice, then we'll go on patrol. No cumming till your inside them though." he kissed Kevin's cheek.

"I'm gonna shower, you boys have fun." They groaned and writhed as the toys buzzed inside them. Kevin tossed and turned in Ben's bed fisting his sheets and toes curling. Cash and J.T. were frothing against each other, bouncing up and down on their dildos their cocks rubbing inside the flashlight.

As Ben showered he thought about other potential partners, but for now he was satisfied with his little harem. The panting lustful noises excited him, he was happy with his new alien. 'Hmm maybe I should try some aliens out.' his cock twitched agreeing with him.

To Be Continued

Chap 5 Save a Horse Ride a Kevin

Ben was having a nice shower, scrubbing from head to toe. His cock was still hard and wanting, but he didn't touch outside of giving himself a good cleaning. He was torn, should he build his harem, or explore his aliens and fuck the boys he had. His cock twitched at the possibilities. 'There's a few guys that would certainly be a great addition to the harem. I just need to make the right moves.'

He turned off the water with a sigh. The water cascaded down Ben's sculpted body. Playing soccer had given him, quite the body. 'Well there's no rush.' he smiles. He finishes his shower and gets dressed.

In his room Kevin was losing his mind, Cash and J.T. were lapping at his twitching cock. He'd cum all over them had Ben not ordered he couldn't cum till he was inside them. The two had finished inside the flashlight, and had removed the toys from their holes. Their manholes were left gaping and twitching, itching to be filled.

The two were making sure every inch of Kevin's big dick was wet and free to ride. "Alright, you boys have fun I'll see you later Kev." He blew them a kiss and headed out for soccer. "Ben!" Kevin moaned out.

Kevin's Pov

I couldn't help but moan as the two went after my dick like dogs after a bone. They shifted up and down, when J.t. was at my tip Cash was licking the base. I thought getting a blow job was hot, but having these two eager tongue's work me up and down was maddening.

J.T. Was the first to finish with his toy, so he got first crack at my cock. They pulled off me, leaving my cock wet and twitching. J.T. backed his ass up on my cock, and boy did he have a plump ass.

My cock slipped between his plump cheeks, my big hot dog between his two buns, Ben's cum leaking out to coat my dick. I can't help myself, I grab his plump cheeks and squish them together. My hips rock sliding between the big buns. Fuck he feels amazing, and his hole is just begging to be filled.

J.T. rocks a moment, hotdogging himself on my cock. Some of pre spills out and runs down his crack. The tip of my cock brushes his hole and he moans. Again, fuck Ben's trained him well. His hole was twitching, my pre slipped into the opening and bubble as it sank inside.

The brunette was looking back blushing. He raised his ass and sat on my cock, with a groan he sits down. "Tight!" I cry out, his hole is like velvet. Opening up so perfectly, squeezing every inch I gave him.

Hot and tight, he swallowed me down every last bit of me, and I came. My cock swelled and my body shook in pleasure. I couldn't help it, I was teased for so long, and J.T. was very very tight.

It was only the first orgasm though, and I'm still hard and ready to fuck. J.T. was trembling, feeling my cum inside him must really be turning him on. The boy was panting and moaning.

He must have cum to, I shifted my leg and felt cum on the bed. J.T. started moving, and fuck it felt good. He bounced up and down in my lap. I loved seeing my cock appear and disappear inside J.T. his plump ass

swallowing me up again and again. “Mmm ah ah ah ah!” J.T. moaned, a trickle of drool running down his chin.

I think he was loving my cock as much as I was giving it to him. As a fellow soccer player he was good with his legs, he rode me like a champ.

It isn't till he cums again, do I feel my second release boiling. Even as he cums, he rides me, his clenching hole squeezing me like a vice. “Ohh fuck!” my hips rock, and J.T. cries out. “Ohhhhh mmmmm!” Looks like I found his prostate.

He trembles for a moment, but starts moving again, this time I was hitting his sweet spot with each pass. I knew I was, his channel trembled each time, the inner walls hugging my dick tighter for a few extra seconds. Gotta say grade A ass hole, relaxing when I thrust in and tightening. I gotta remember to thank Ben, he's trained him well.

It was only a matter of time before I came, I could feel it. My release hit, and I pumped even more cum into J.T.'s manhole. He follows suit, cumming all over my legs. He

pulls off, and I gulped. His hole was stretched wide, my cum rushing out, and running down his legs.

My cock couldn't go soft after a scene like that, which was good cause I had another hole to fuck. Cash was clutching his crotch, to be honest I was focused on J.T. I forgot about him for a minute.

J.T. moves over, and Cash straddles my lap, facing me so I can see his arousal. Cash's dick was twitching like mad, pre dripping onto my abs. His ass wasn't as plump, but it was firm.

Cash must not have been in for teasing, as he lined himself over my dick and sank down. "Ohh fuck!" Cash's dick twitched as he was penetrated. Yeah, real dick is better than a toy isn't it. He bit his lip trying to hold back his moans...couldn't have that.

I bucked my hips a little and he cried out, his man hole clamping down. He dropped down onto my dick and came. His seed launching all over my abs and chest. Always wanted a little payback after the gauntlet incident. Planted my feet firmly on the bed and started to buck. "Ohhh ah ah ah ah!" Fucking from below, he

sure wasn't expecting that, and having just cum to. "I can't I'm cumming again!"

His eyes rolled up and he came again. The guy made quite the mess on me, but the sight of him so lust drunk was worth it. The guy was twitching, a trickle of drool running down his chin, his drool dripped onto his chest. His nipples were nice and perky, either from the air in the room or the pleasure, I didn't mind either or.

I kept thrusting into his clenching heat, he was so tight! The friction of orgasm tight was truly something to experience. The weird thing was as much fun as I was having pounding into Cash's hole, my own was twitching.

Cash must have wanted payback, from the overlapping orgasm. His hands came to my pecs and he began toying with my nips. He pinched and flicked them, while using his own soccer boy legs to ride me in turn. Fuck this was hot. From the nipple play, to the slap slap of Cash's cock on my abs, to his hot hole swallowing me up oh so good.

I felt my release wash over me and came, pumping my seed into Cash's all too willing body. He shivers and stops

for a second, my cum fills him to the brim and he cums again.

He starts riding me a few minutes later, and my dick plunders his now cum filled hole. His actions have become a lot more sloppy, he must really love being cum inside of. Oh well, even I'll admit fucking a cum filled hole feels nice.

My own manhole twitches again, my cock and balls were happy but I couldn't help but miss Ben. It kinda erked me they got to have him first, so I gave a sharp thrust that made Cash cry out, sounded like a squeal to me.

I take advantage of this new position and watch as my dick makes his stomach bulge. I'm sure it did with J.T. to, but I couldn't see from my position. Cash cums again, possibly having a bigger load than before with all the jabs to his prostate. His cum splatters my face, I don't have time to even get miffed as my own orgasm comes and my toes curl.

My climax hits me hard, and my seed pumps into Cash's messed up hole. The boy collapses on me, and we bask in the orgasmic bliss.

When I come down I'm free, J.T. has already freed me, and he and Cash are working on cleaning me up. Licking the cum up and off my body. The toys just needed to be cleaned and put away.

Checking the clock, I sit up. "I gotta go pick up Ben!" I pull Cash away from my chest, and J.T. backs off my abs. I grab a quick shower and get dressed. In a hurry didn't bother with underwear, not the first time, probably not the last. I leave the two to clean and I go to pick up Ben.

I may have been a little late as most of the people were gone. Ben was waiting for me. Fuck he looks so cute in his soccer uniform. Looks like they won, and Ben was very happy to see me.

"Hey there Kev," my window is down and he kisses me. Fuck after everything I've been through today, one kiss from Ben has me hard as a rock. "Hey..." I manage to say, choking on my words. Kinda hard to think with all the blood rushing south. "So am I taking you home or..." Ben puts his bike in the trunk of my car and comes around.

"Actually I wanna go here." He passes me a piece of paper with an address. "Him?"

“Uh huh, I think he’d be perfect.” I can’t help but sigh. He actually would be pretty interesting to have around.

“Alright, strap in!”
