

SUBSTITUTE GF

- NEONIEZ -

Makise, I need your help!

What is it?

*I need you to disguise as me
and go on a date with Yoshida for me.*

What do you mean disguise as you?

*I have a skinsuit that look exactly like me
and you just have to wear it
then you will become another me.*

Are you joking? is that even real?

You will see...

Okay...
but why don't you go by yourself?

I can't.. I have to visit my grandparent
and I don't want to cancel my date with Yoshida

And you are his best friend you know a lot about him
so.. that will be easy for you.

Fine, I'll do it.

Thanks!

She is leaning over a table, looking towards the viewer with a slight smile. The background is a warm, orange-red glow. A speech bubble is positioned to her right.

*The suit and clothes will be delivered
to your house on tomorrow and keep this between us
Do you understand?*

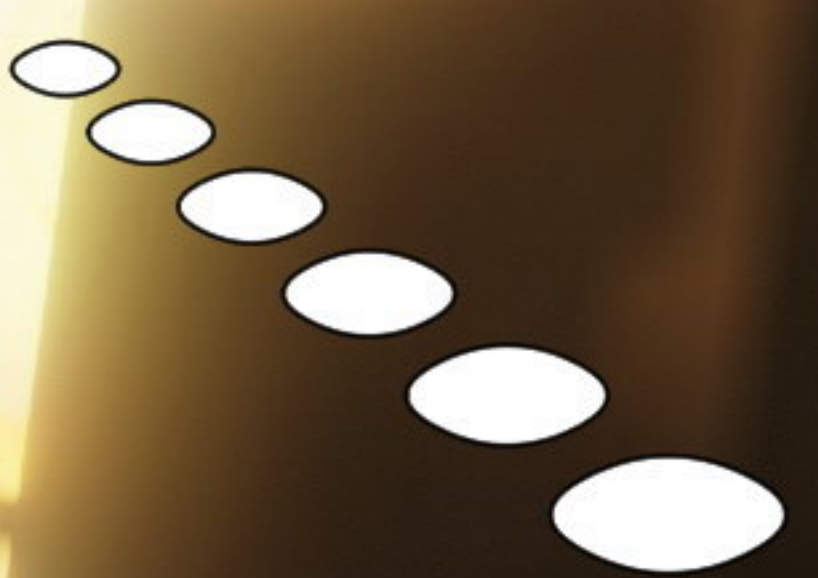

Yes I do.

Good luck Makise!
