AIRON MALLARS

Photography: Lester Villarroel

Hello Airon. Welcome to Desnudo Magazine! How old are you, where are you from?

I'm 26 years old and originally from Oregon!

What is your heritage/ethnic background?

Norwegian, Caucasian, English, and South African I believe.

How did you get into acting?

I DM'd Michael stoked on Instagram asking if he'd want to shoot sometime and it was blast off from there. Never wanted to pursue modeling/acting. It just kind of happened haha

What is your favorite thing about your career?

Traveling and meeting new people!

What are you looking forward to in the coming months?

More opportunities with modeling and acting of course. Hopefully start my clothing line soon too!

Who inspires you to be better?

I would say my mom and my little siblings. I am the oldest out of 3 and they all look up to me. My mom has always been there for me through thick and thin I owe my life to her.

What fictional place would you most like to go to?

Charlie and the Chocolate factory for sure!!! I am a sweets addict hahaha

What game or movie universe would you most like to live in?

Probably Indiana Jones. That guy was going on all kinds of scary fun adventures hahaha.

Who is your go to band or artist when you can't decide on something to listen to?

I don't have a go to band or group. My music taste is all over the place do I don't have a go to artist.

Music type you find yourself listening to most?

Classic rock for sure. I grew up on that!

What song or artist do you like but rarely admit to liking?

Megan Thee Stallion

What music has most influenced you?

Classic rock

What do you listen to when you want to calm down?

Usually ambient EDM stuff

What do you listen to, to hype you up?

Classic rock or my favorite EDM artist Will Sparks. I've seen him live many times and talk about getting hyped up hahaha

Can you play a musical instrument?

Yes!! I play guitar and bass. I've played since 5th grade and I actually moved to LA to pursue music. Check me out on Spotify!!

What do you think of Country music?

Not a fan, but there's a few good country artists out there.

Do you listen to music in foreign languages?

No

What's your favorite genre of book or movie?

I'm into thrillers and comedies!

Where do you see yourself in five years?

Making a million dollars. 😊

What are your thoughts on nudity?

I think nudity is sexy.

Have you ever had a nickname? What is it?

DJ.

What do you wish you knew more about?

The Ocean. That place scares the shit out of me haha

In the evening, would you rather play a game, visit a relative, watch a movie, or read?

Visit family for sure.

What takes up too much of your time?

COVID LOL!!

Would you rather win the lottery or work at the perfect job? And why?

Win the lottery, because no matter how perfect your job is it's still a job and 40 years down the road if you're doing the same thing you're most likely not going to enjoy it.

So take the money and run baby!!! The possibilities are endless with millions of dollars

What is the most annoying question that people ask you?

"Are you gay?"

If money was no object, what would you do all day?

Travel 100%. I love traveling

If you could go back in time, what year would you travel to?

1970 baby!!! Fuck those were the days. Maybe the 60's actually.... somewhere around those times haha

How would your friends describe you?

Outgoing and ambitious.

What are your hobbies?

Working out, cooking, shopping, playing guitar and going out to eat! lol

What is the best gift you have been given?

My little brother wrote me a note for thanksgiving one time and told me how much he loved and that I was the best brother ever. Hands down the he best gift I've ever received.

What is the worst gift you have received?

A pen...lol

Aside from necessities, what one thing could you not go a day without?

My car!!! Lol

List two pet peeves.

When someone talks about doing something over and over again but then never does it. MAKE SHIT HAPPEN!! Lol and when people don't clean up after themselves (slobs)

Do you love or hate rollercoasters?

I love them :)

How many pairs of shoes do you own?

Ten!

If you were a super-hero, what powers would you have?

I would be Jack jack the baby from the Incredibles. He can literally be whoever and whatever he wants to be!! Haha
