

So...Um...do you notice something a little different about me? Its a huge deal...but its also really small!

You look like you always have...since high school...I feel like I am gonna get in trouble not catching it!

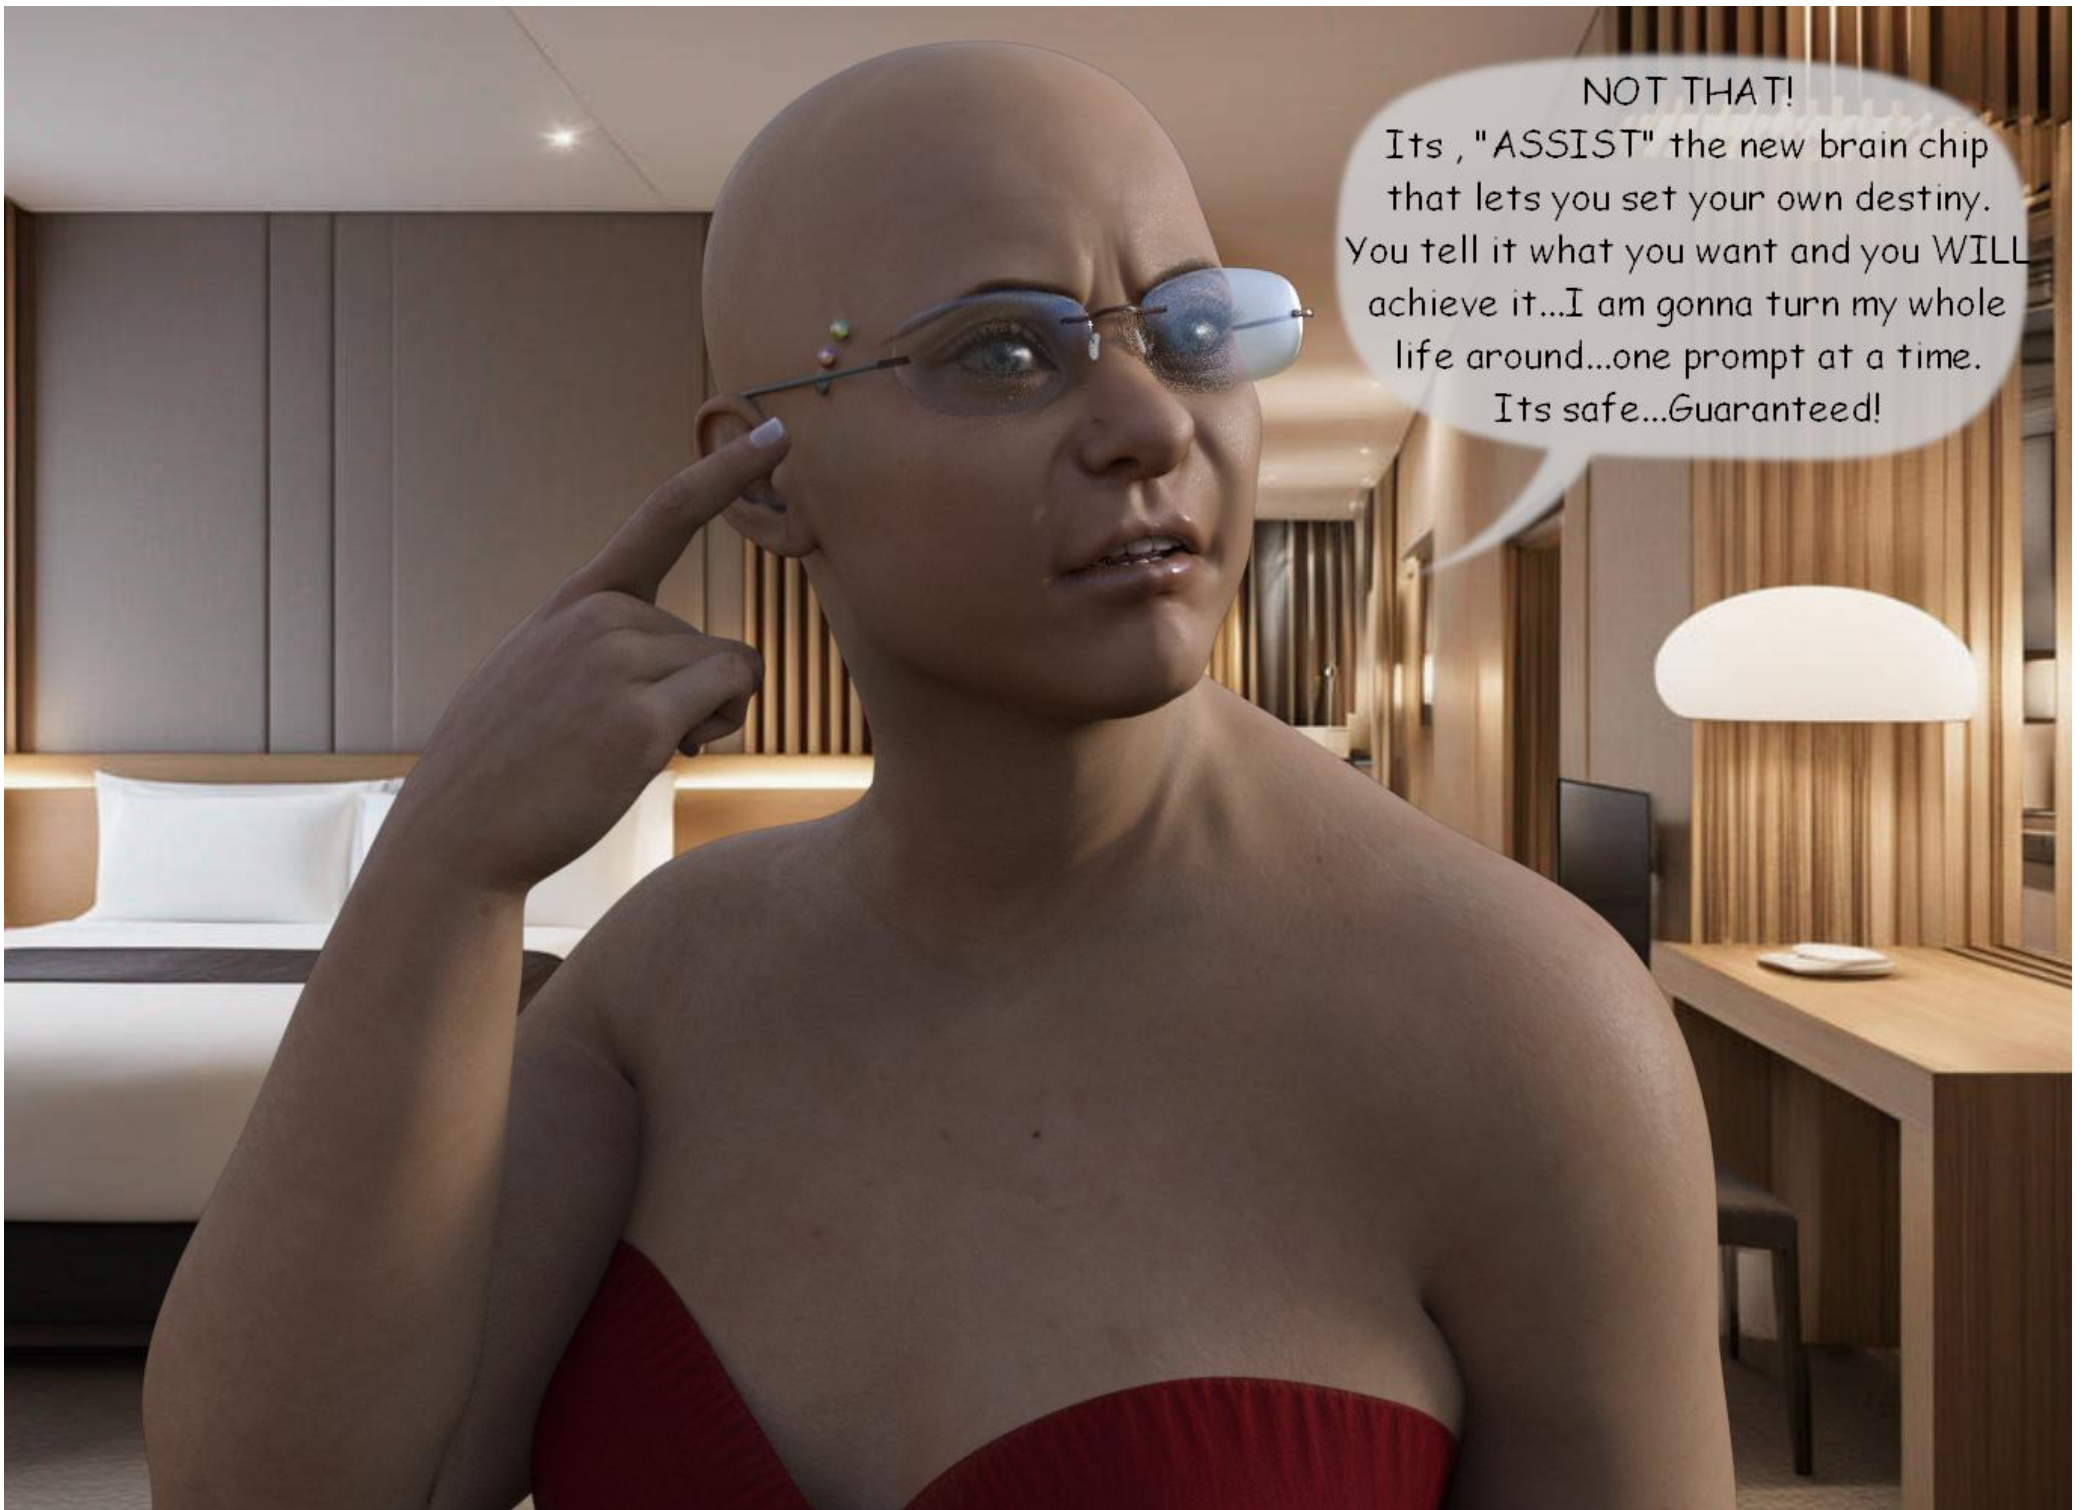

OK, so don't freak out when I do this... are you ready...Sheesh... I am so nervous. I don't do things like this!

Well, you have to show me now...did you finally get your ears pierced...You are the only grown woman I know that hasn't.

TADAA! What do you think...its such a life changing investment...uh, don't just stand there. Say Something!

Uh, you lost your mind....went full Britney and shaved your head. Why did you do this. You look weird!

NOT THAT!

Its , "ASSIST" the new brain chip that lets you set your own destiny. You tell it what you want and you WILL achieve it...I am gonna turn my whole life around...one prompt at a time. Its safe...Guaranteed!

Look I have an app...I can tell myself to do the dishes, workout, eat at the house...I can make it where I don't make all the poor decisions...And you just don't care about me!

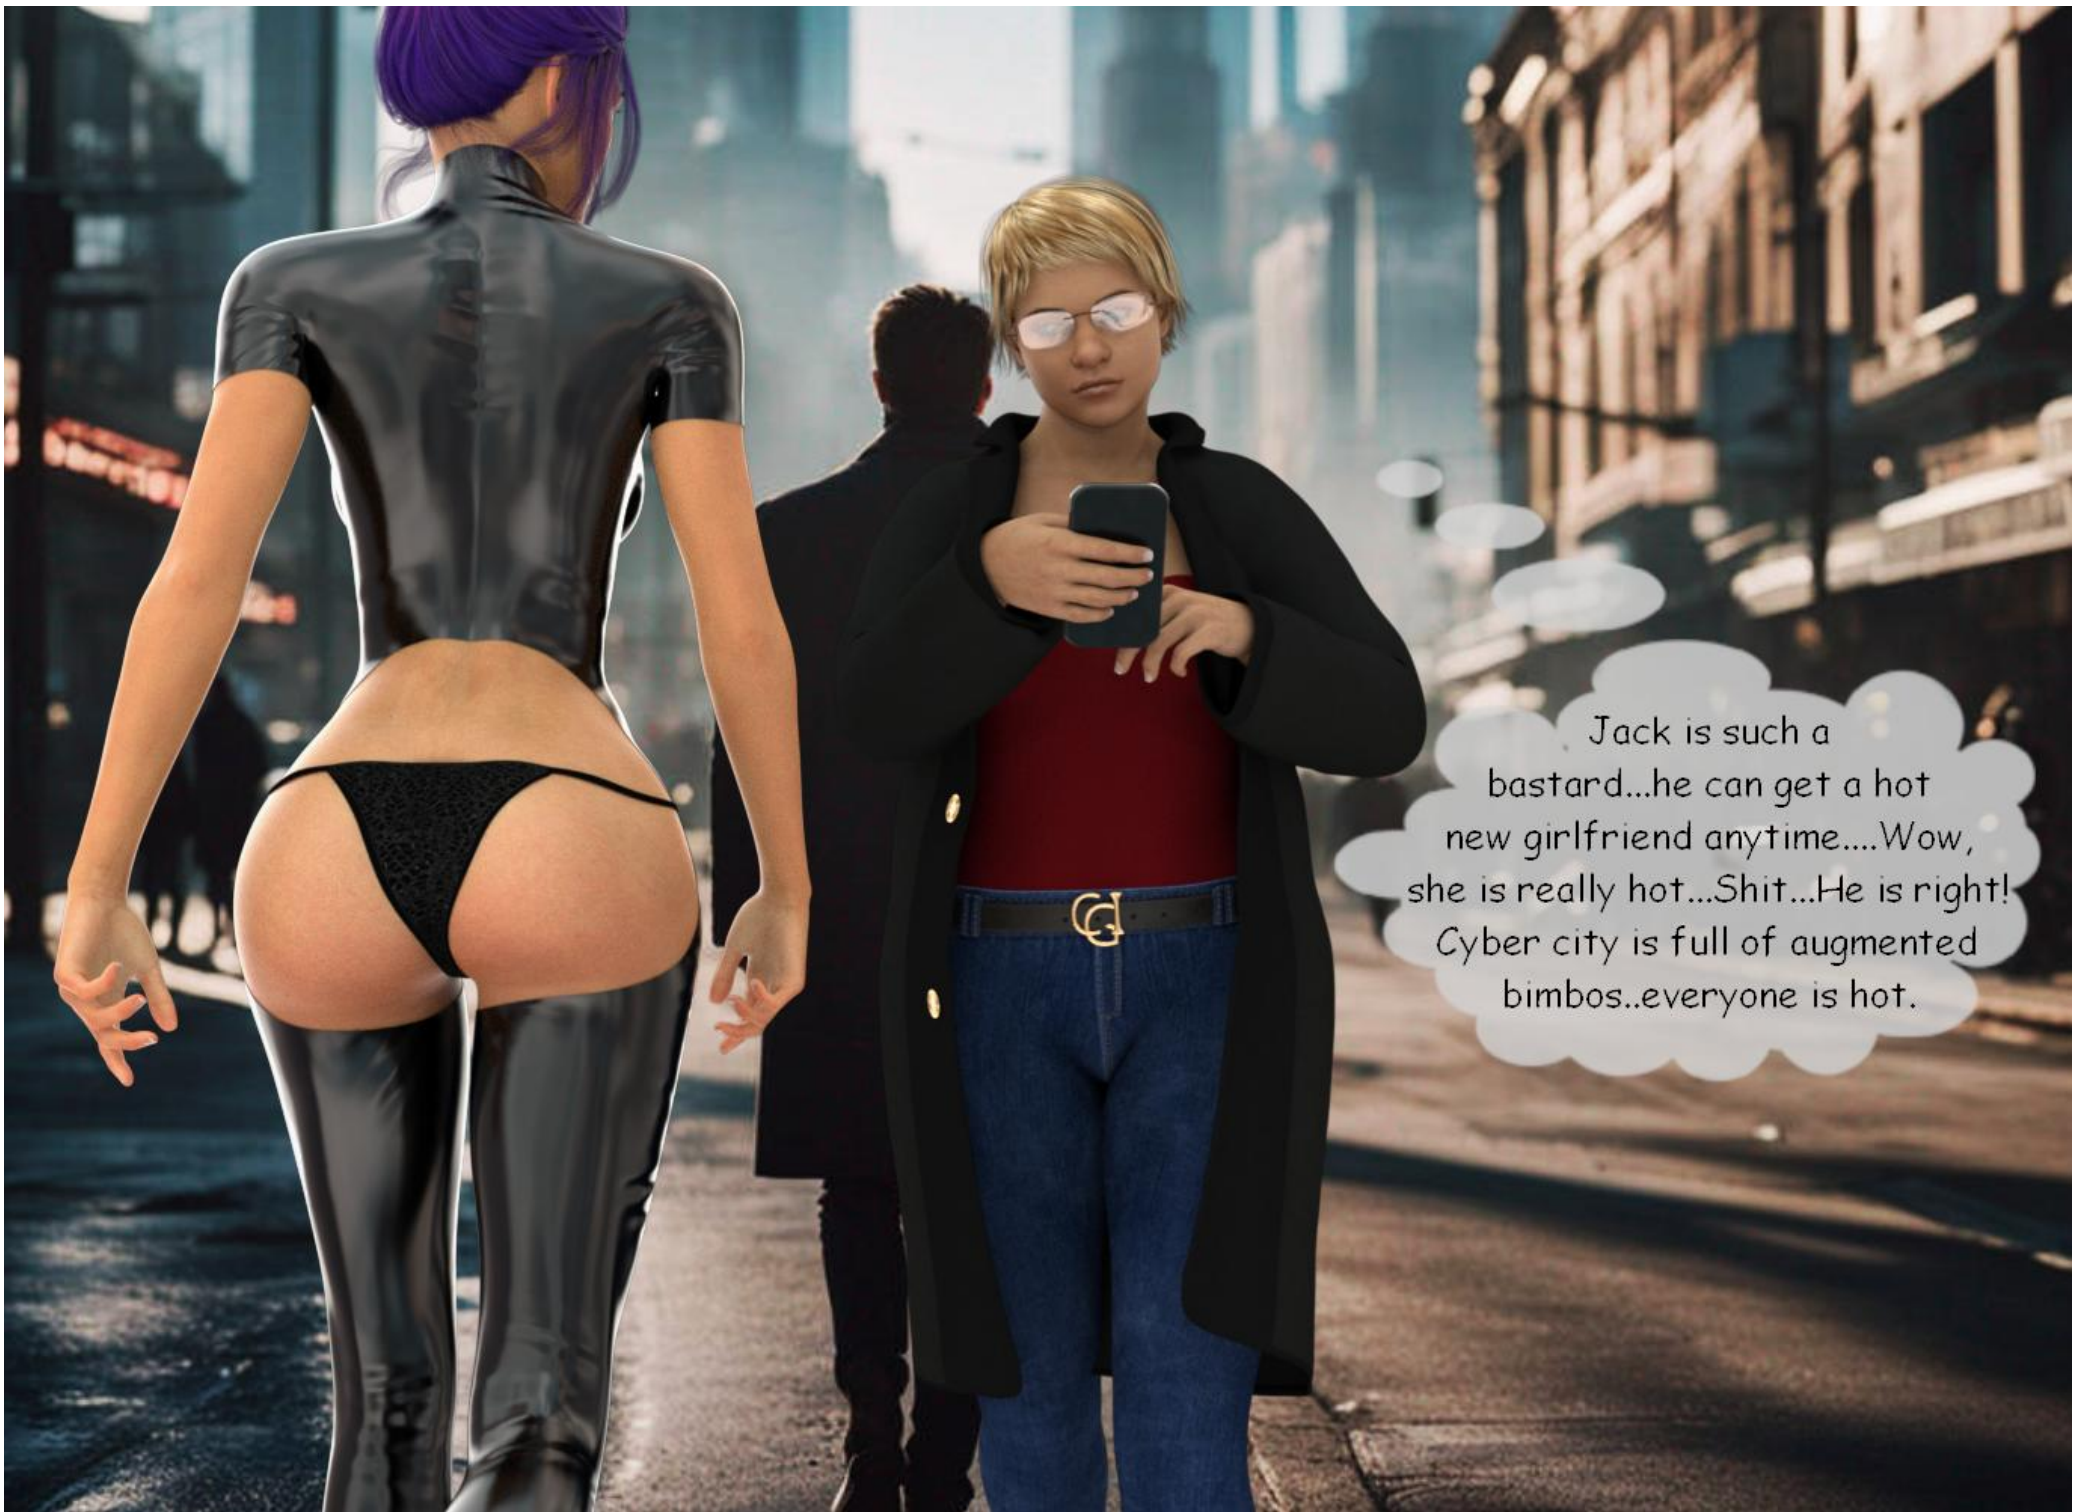

I just don't get you! The bald head looks ridiculous and the implant is something that someone like you won't ever use. I mean you just said you are going to do the dishes!

That's it! We are done! I am breaking up with you...you never support me and make me feel bad about who I am. I am leaving!

Like I would even care...you're boring...I can find a hot new girlfriend any time that I would like. I was doing you a favor being with me!

Jack is such a bastard...he can get a hot new girlfriend anytime....Wow, she is really hot...Shit...He is right! Cyber city is full of augmented bimbos..everyone is hot.

Jack was right about one thing! I am using "ASSIST" for way to simple of tasks...but there is one thing that I can have it help me achieve. Jack is gonna regret this!

You are obviously in for filler but really... what are your beauty goals. After this visit...maybe we can help you get to that next level!

I am looking to be in Peak Physical condition. I am driven...driven, to be the best that I can be... Aesthetically and physically thats my goal!

I just have goal...that CANNOT be ignored...I cannot exist without being... better...Oh, nevermind. Its just something that I want to do!

Well, I put a whole lot of filler in your lips...Your lips are...very sexy. More so than most will ever experience! I can give you more!

Put it all in...I need to have that big step up...I need to be a big step up from Aria, I want my lips to be...plump, Irresistible, super sexy... I wanna be the best!

Well, I can make your lips the best...but you live in cyber city... Even with all this you are still in the bottom 50%. This city is built on augmentation!

Did you over inflate  
my lips? They feel huge!  
Wait, huge is good... I have  
to be bigger than Aria...  
that whore...she is sexier...  
maybe I am better now!

All I can say is that you  
look great..and if you need  
anything else...I can make you  
look even better. A lot better.  
To your hearts desire. Ok,  
you are free to go!

Jane, Is that you?  
Its jack! Turn around...I  
haven't seen you in month!  
Hey is that you! Still  
dressing in boring tones  
I see!

Jack! Just wait until  
I turn around and he sees  
these plump dick sucking lips...  
I got them so much larger  
than Arias...

Look at you finally coming out of your shell. Got a little filler in the lips... got yourself a six pack and a fancy new look....Oh, silly me...meet CANDY!

Jack, yay!  
Look at you...you seem...way too happy!  
What are you doing!

What the fuck!  
Where is he finding these bimbos...I am so inadequate!

Oh, mommy...I mean  
Candy, Its nice to meet you  
Candy.  
\*\*Awkward Silence\*\*  
Um, so how do you know my  
Ex-boyfriend...How long have you  
two been together...\*GULP\*

OH, look at the time...  
Jack, Candy...Um, I am late for an appointment...we should catch up again sometime...later....not now.  
Yeah, good to see you...yeah, see you later. BYE!

This is so embarrassing  
Jack didn't even notice how sexy I've made myself.  
First with Aria and now this Candy girl! This means war...There is no way to back down now!

I see that you have "ASSIST". Be careful with that thing...even a slight prompt can take you in crazy directions. I couldn't imagine giving up my free will to a computer chip. Now, for your tits!

Its not like that...I still have free will, I tell it what I want and it makes it happen...like this boob job. I have zero problems with getting these boobs!

Thats a pretty powerful response to something that should be uncomfortable...looks like that chip is calling the shots...

Oh yes, Unnng! Jack will be so jealous after he sees the tits you are giving me. I demand breasts bigger than... CANDY'S!

What did I say about unforeseen consequences of the "ASSIST" implant! Seems you are having a few sexy side effects of your own prompts. This should hurt not please!

OH, its like you are inflating my libido at the same time my breasts are expanding...this is the best moment of my life...must have more!

Now, this might feel awesome in your condition...but try to remain still...this is still an invasive procedure...You "ASSIST" types always have weird quirks...sigh, don't cum on me either!

Why would I cum on you? OH that feels too good...way too good...ungodly good...My brain is in overdrive...I can't focus...won't focus!

NO! Don't be a whore!  
This is a professional practice.  
Cum on your own time you slut!  
Good, I put almost 4000cc of  
silicone into your tits. That  
should hold you over!

UNNNGH

Thank you Jane for not cumming on me but leaving your phone unlocked was a little bit of a mistake.... lets introduce a little choas into your already uncontrolled spiral into sexual deviance...how much damage can I do in the smallest number of changes... Lets just say...have fun!

Always come to full orgasm in front of Jack. Never hide your orgasms. Be an exhibitionist, have more modifications...apply bimbo aesthetics!

Jane, Wow...your really are changing your life around. Maybe I was wrong about you getting, "ASSIST" ...I never thought you would be bold enough to change!

Jack! God! Just looking at him makes me wet!  
Oh, yeah...I can rub one out in public...he can watch!  
Uh, whats with the doll!

Looks like you finally got dumped...knowing this is making me so horny... you and your sexdoll are going home to be lonely...Haha. Jealous yet?

Oh, not at all...This isn't a sexdoll...remember Candy? We got married! Then she did the most selfless thing...she got dollified just for me! We are headed off to our honeymoon!

Hey, you know you are dripping wet in public...you might wanna. You know, get somewhere private for that!

A woman with large breasts and a man in a city at night. The woman has purple hair, a pink beak, and is wearing pink pants and boots. She is holding a white inflatable object. The man is bald, wearing glasses, a black t-shirt, and black shorts. They are standing on a city street at night with tall buildings in the background.

Wour wife is a  
fucking DOLL! UNGH!  
FUCK...I know what I gotta  
do...but first.....\*Whimper\*  
this is for you Jack!

SO now you are  
an exhibitionist...I am  
sure Candy thinks its sexy...  
I wonder what she thinks of  
you cumming in the street  
like some whore!

It doesn't stop...its inevitable. Everytime I see you...even an old picture...I cum my brains out...so... powerful...passing...out!

I am flattered but...I am married...to Candy the sexdoll. I must be faithful and you...well, you had your chance and broke up with me...this is on you!

Jesus Jane! I told you that, "ASSIST" just wasn't right for you...you just had to learn the hard way... Fuck around and find out!

A futuristic hospital hallway with a woman in a black bodysuit and large breasts talking to a nurse in a white uniform. The woman in black has a bald head, a black mustache, and is wearing black boots. She has two large, round, brown breasts. The nurse is wearing a white uniform and a white cap. The hallway has blue walls, white beds, and a shiny floor.

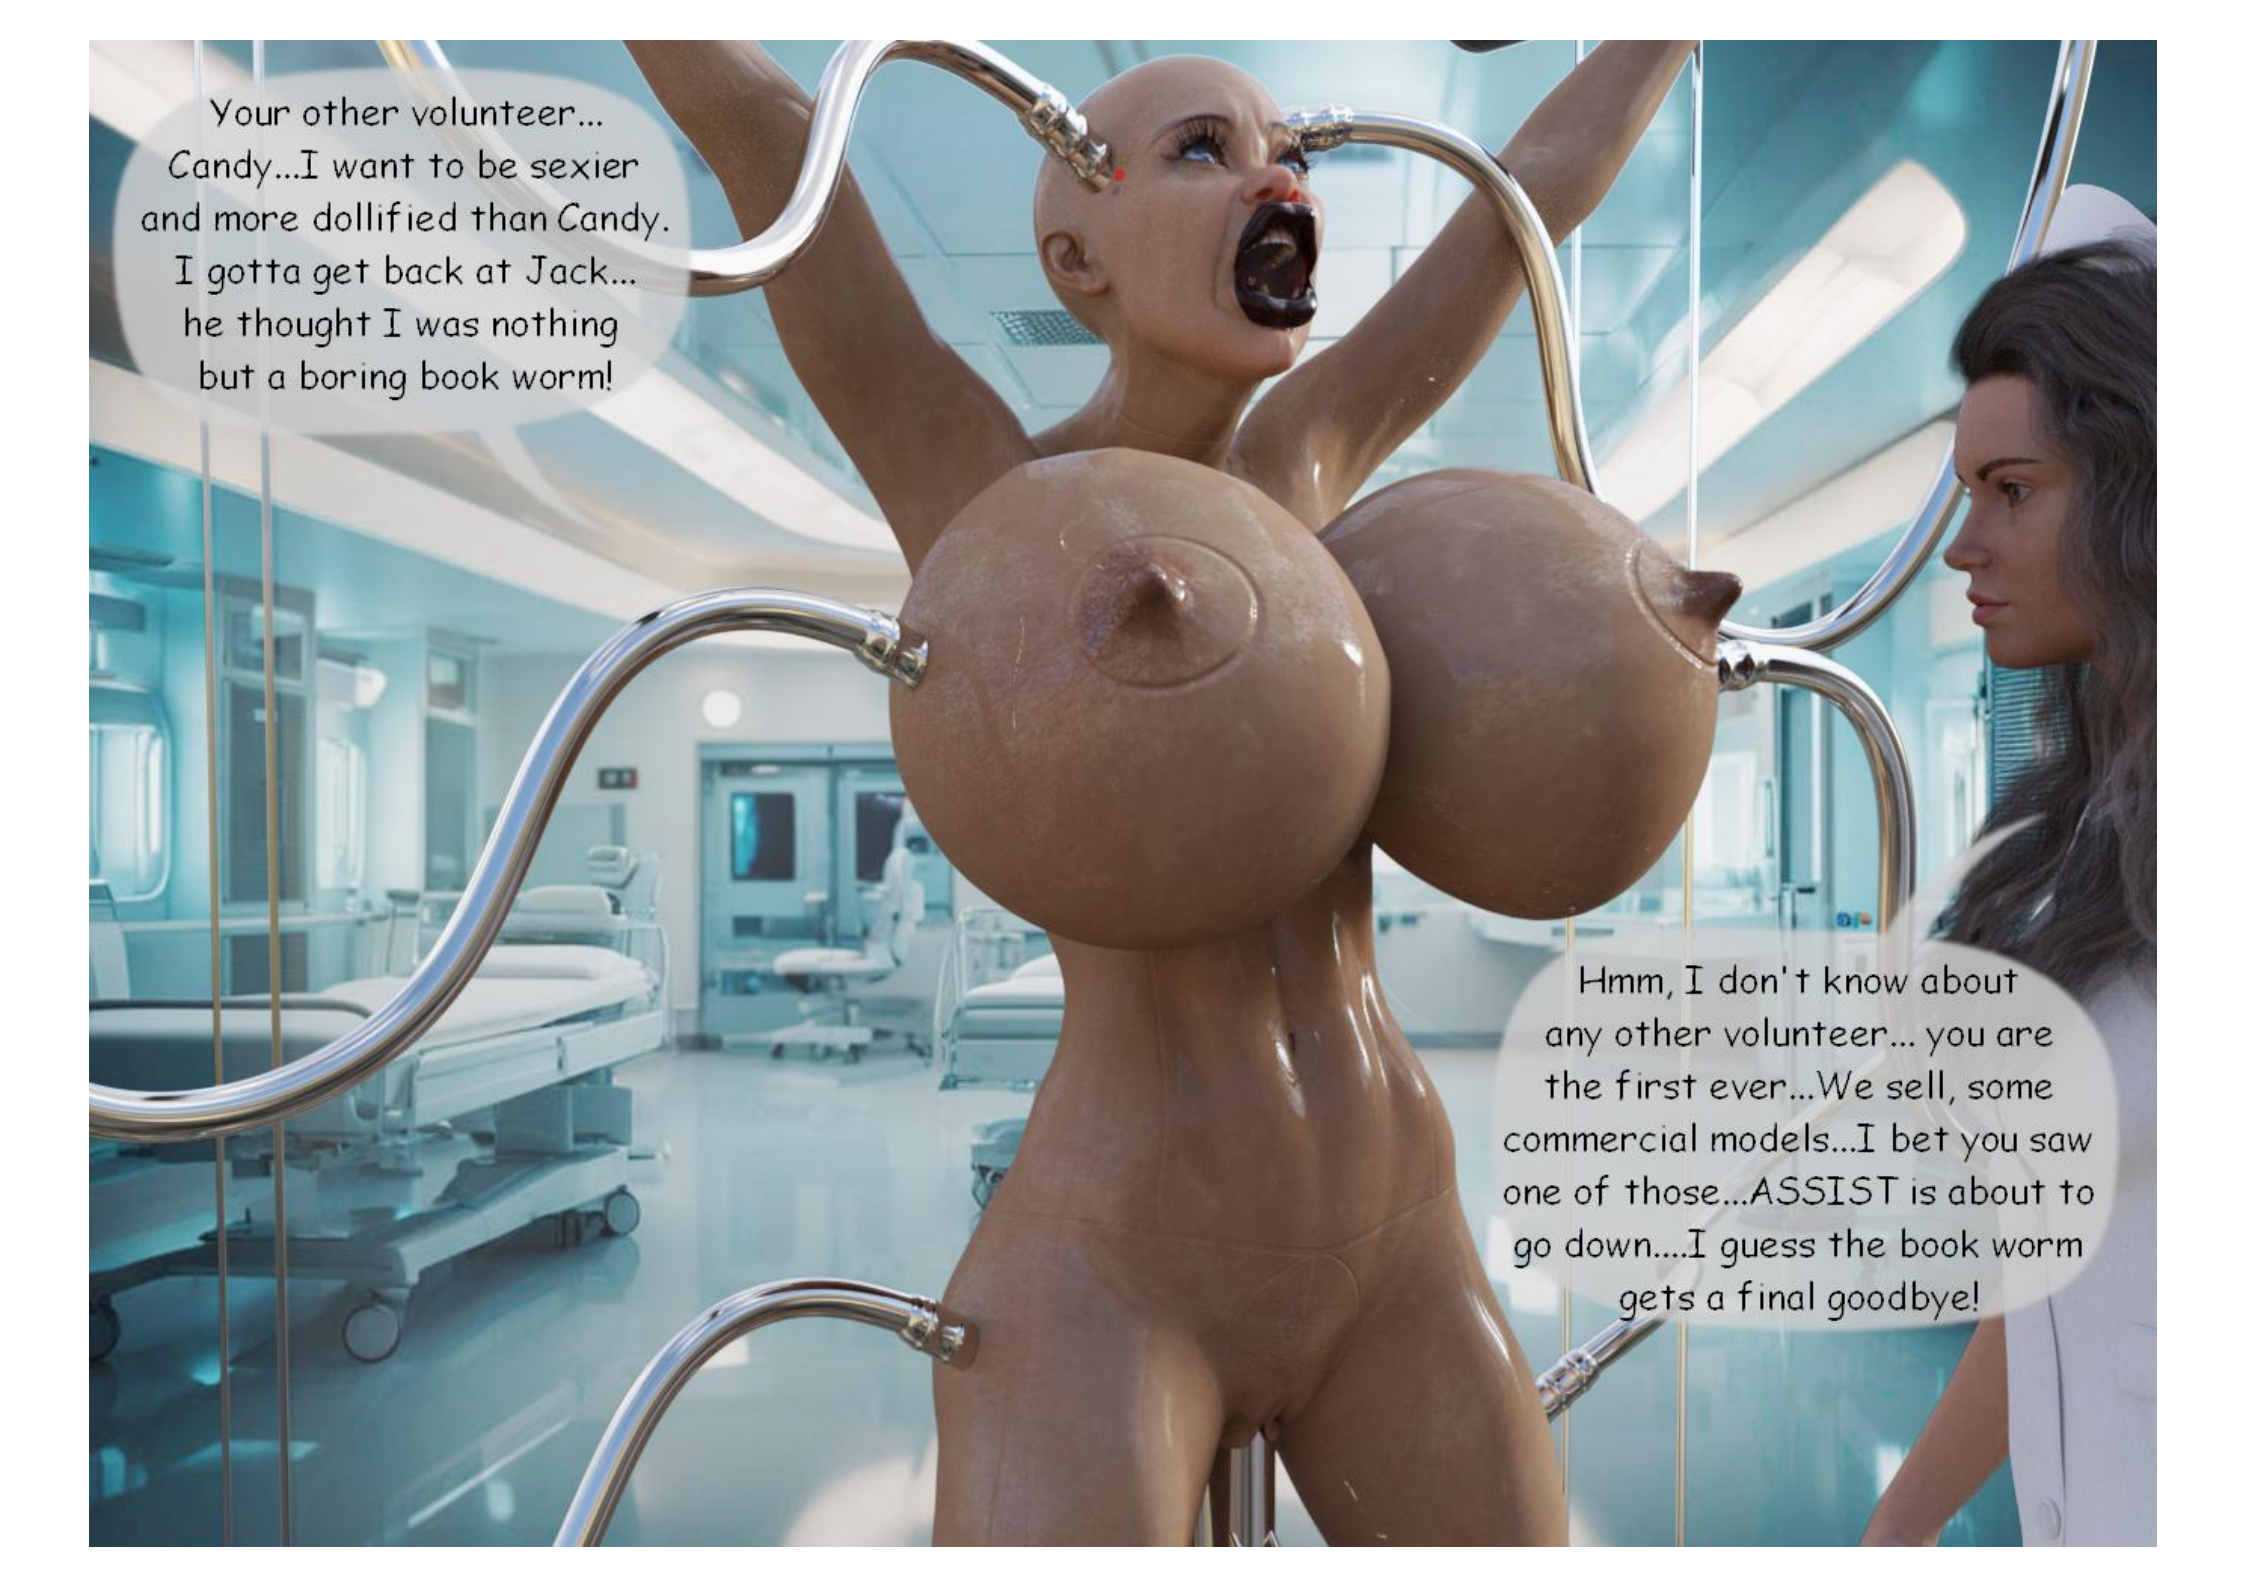

Hello, I am here to be dollified....I understand I can volunteer for the procedure and would like to start...NOW!

I mean...sure... you can volunteer but you know we pump you full of liquifying drugs....then deflate you....pump you full of dollification drugs... inflate you...etc.

Great, it is my sole purpose to become a doll. My body is well developed to become the ultimate sexdoll. I assume this machine will take me to the next level!

Oh, its goona get you to the next level all right...I noticed that you have, "ASSIST" I am also guessing that is why its so easy to dollify yourself...just know there will about a 60 second shut down as ASSIST converts to DOLL AI.

Your other volunteer...  
Candy...I want to be sexier  
and more dollified than Candy.  
I gotta get back at Jack...  
he thought I was nothing  
but a boring book worm!

Hmm, I don't know about  
any other volunteer... you are  
the first ever...We sell, some  
commercial models...I bet you saw  
one of those...ASSIST is about to  
go down...I guess the book worm  
gets a final goodbye!

Wait...what...I...OH, fuck!  
What am I doing! Oh god no...  
Not a sexdoll... You need to let  
me go... I didn't mean to do  
volunteer...It was "ASSIST".  
I...I...I. UNGH! FEELS SO  
GOOD!

And there we go...don't  
worry. Your dream of becoming  
an inanimate sex object is seconds  
away. Awe...regret...you signed  
the papers...but don't worry  
Doll AI is a much better  
system than ASSIST!

A woman with long, wavy brown hair, wearing a white nurse's uniform and cap, is smiling and talking on a mobile phone. She is standing in a futuristic hospital corridor with blue walls and a polished floor. To her left is a muscular, brown mannequin with a dark red mouthpiece. A speech bubble is positioned above the mannequin, containing text. The background shows hospital beds and medical equipment.

By the time we suck out  
your human essence and replace  
it with our sexdoll formula the  
DOLL AI will have taken complete  
hold...just enjoy the ride...

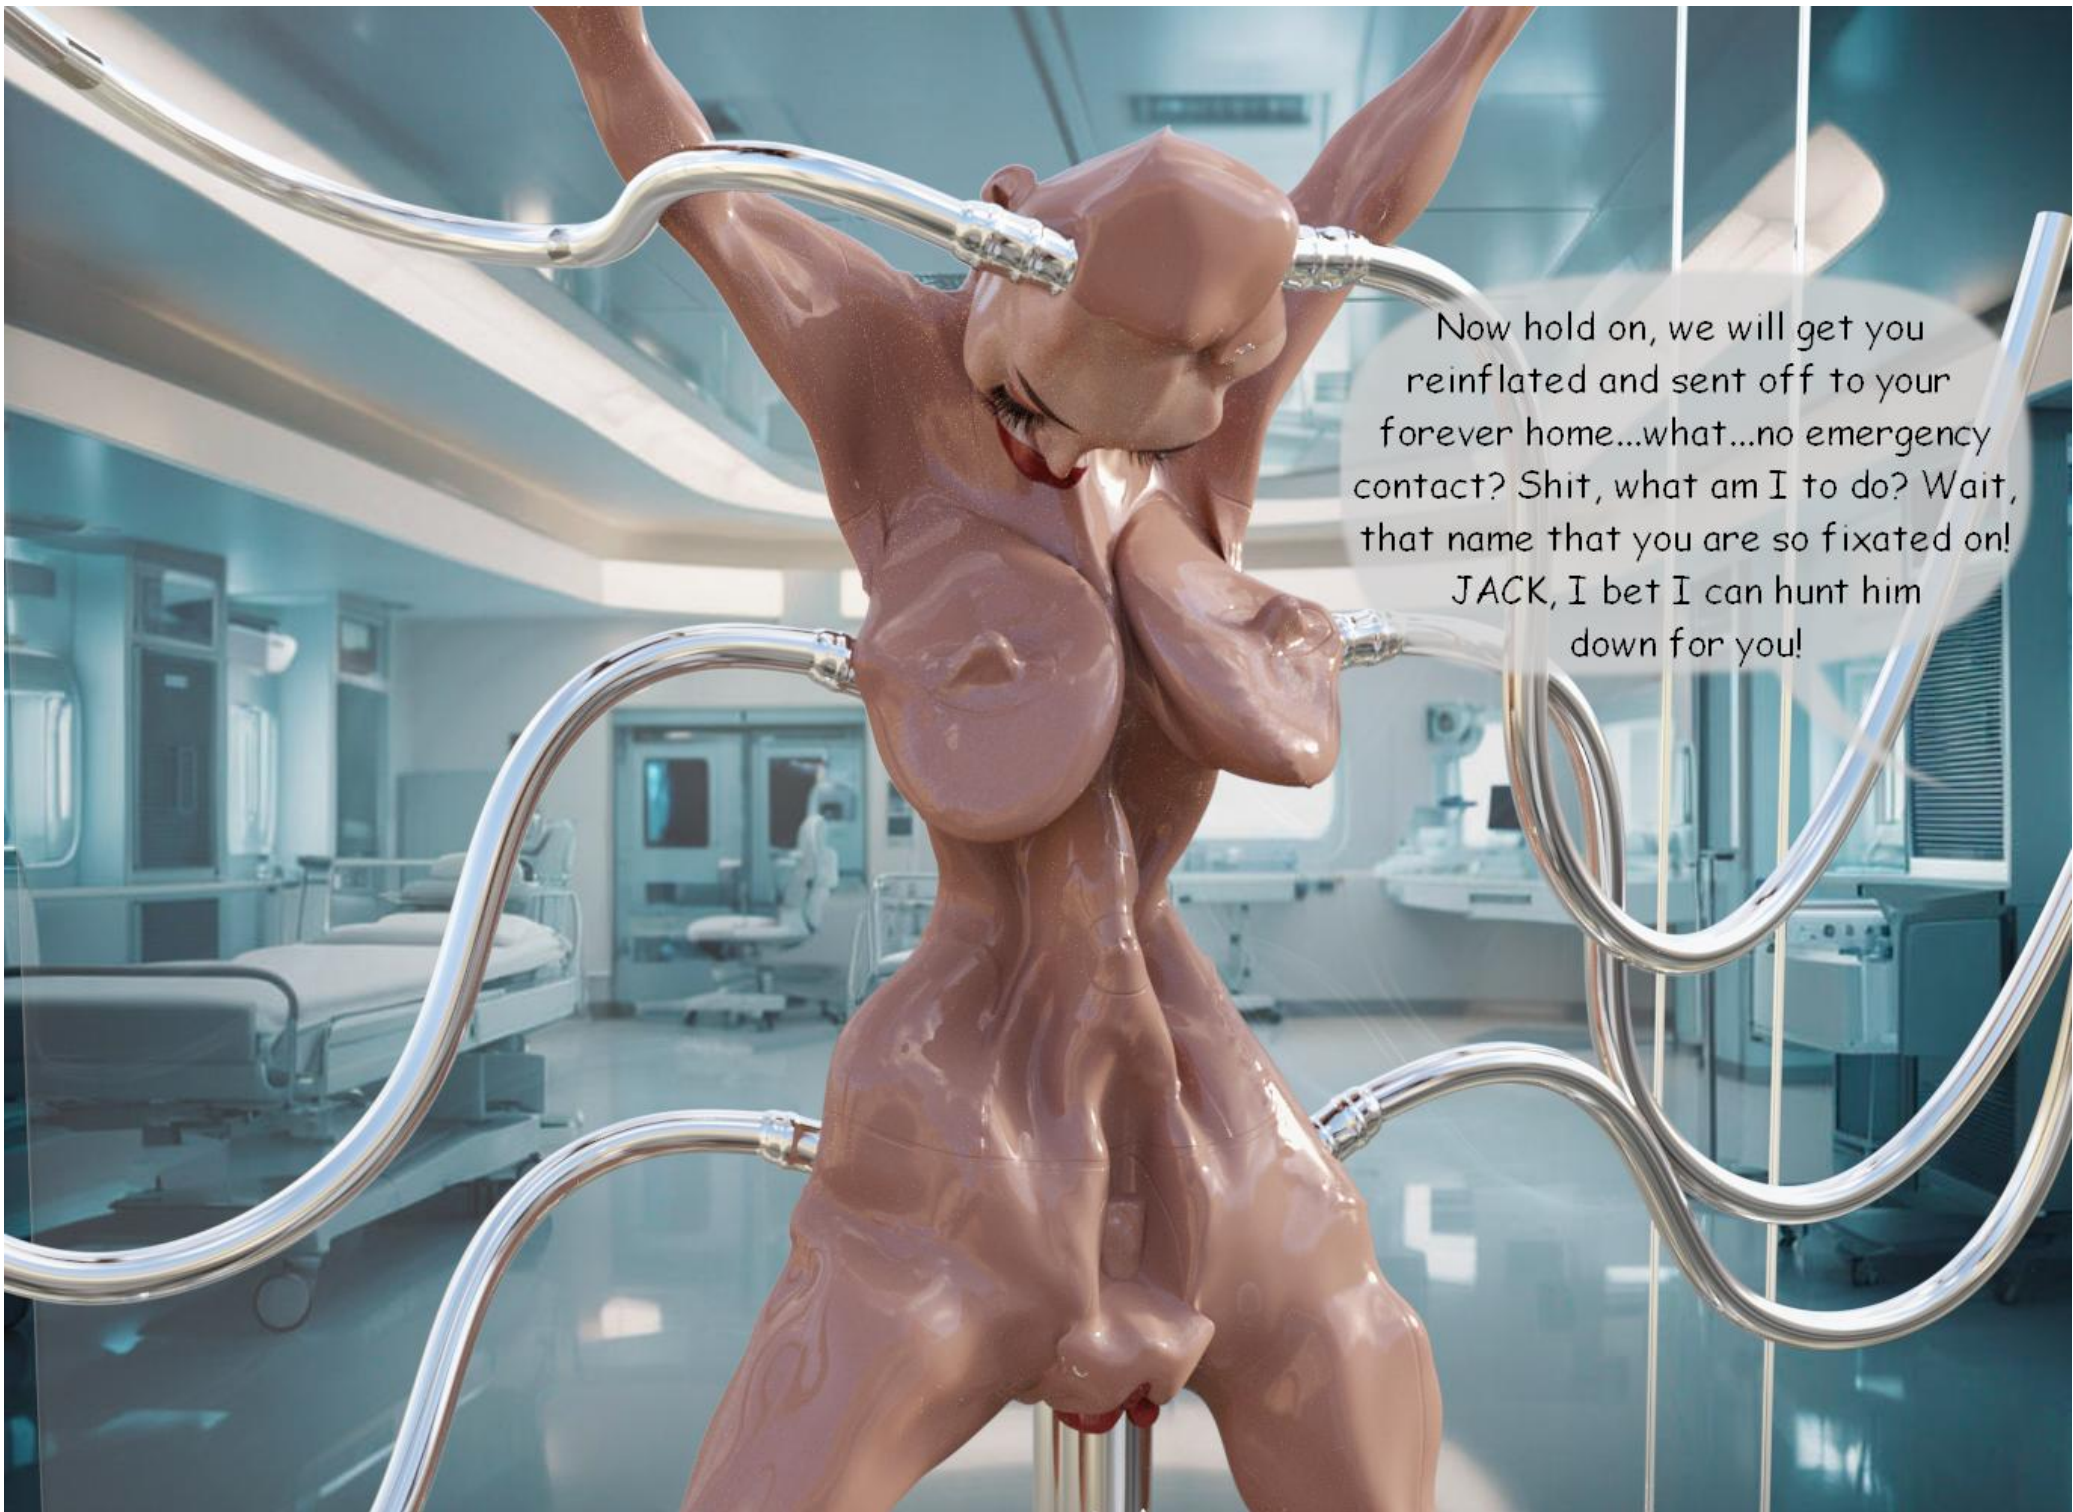

I am getting sucked dry like a capri sun! My skin, it tingles! Is this normal, is this right? OH NO, who in their right mind would ever do this to themselves...oh, shit, thats right...I did this!

Dolly...is...corrupting...me...  
URRGH Unngh...YESSSS!  
Dolly is here to serve her master!  
Please tell dolly who her primary master is. It is a core need of DOLL AI!

OH Goodie! the DOLL AI is booting up...interesting system... remember toy story. You will be mobile only when alone...otherwise you are an inanimate sex object...Of course the AI will ensure... fantastic orgasms!

Now hold on, we will get you reinflated and sent off to your forever home...what...no emergency contact? Shit, what am I to do? Wait, that name that you are so fixated on! JACK, I bet I can hunt him down for you!

KNOCK  
KNOCK  
KNOCK

Whose there...I don't  
accept solicitations! So, if you  
are selling something....Holy HELL.  
JANE...is that you? Give me a  
second and I will open up!

Plane Jane is not so plain anymore! It took a lot of work and planning to get us here ya know. I'll be honest...I didn't think I could get you to do it... but look at you now...FUCKDOLL!

I figured out what you did with "ASSIST" pretty fast. so, I manipulated it. I didn't date any of those women...I just hired them to play along...hell, the sexdoll was for sale nearby!

You know...deep down... you were in control the whole time...the result...exactly as you wanted...Assist just got rid of all your excuses...

Oh yeah, you know you want it...you are even better as a fuck doll than as a person...I know deep down...that the plastic life is the life for you. Now, keep the place clean when I am away and fuck me when I am here!

squeak!  
squeak!  
squeak!

OH yeah...work it.  
I didn't know a pussy could be so smooth. Guess thats what ya get when you are a fuck doll...what... no comment? That DOLL AI really has a hold on you doesnt it!
