You promised me..
We will have a

Just because..
I'm a fluctlight..?

Look like.. you
still didn't see
the point.

Kirito? Asuna?
Are you home?

This voice..

A young woman with dark hair in pigtails, wearing a black school uniform with a red tie and a pleated skirt, stands in a hallway. She has a speech bubble next to her. The background shows a hallway with a door and a tiled floor.

Everyone is
waiting for
you two.

Sinon..!?

I'm coming in,
okay?

Asuna!? What
are you doing!?

What happened
to you, Asuna!?

I need Kirito to
clearly see the
point.

System call..

What.. do you..
mean..?

Extract durability..

Gulp.. Gulp..

A manga-style illustration. On the left, a young woman with short black hair, wearing a dark brown school uniform with a white shirt, red tie, and a dark pleated skirt, looks surprised. Her hands are clasped in front of her. On the right, a large, nude female figure is shown from the back, with long blonde hair. The background is a simple grey floor with some perspective lines.

What did you..
A system call..
How..!?

System call:
Change body
properties.

To skinsuit..

No.. what is
happenning..
to me!?

System call:
Extract clone.

Put her on.

Roger that,
Master.

A manga-style illustration showing two nude women from behind. The woman on the left has long, straight brown hair, and the woman on the right has blonde hair styled in a thick braid. They are standing in a room with dark wooden walls and a wooden floor. A speech bubble is positioned to the left of the woman with brown hair.

I will do this to
your friends, to
everyone you
love..

Until you see
where are you
standing.

All you need to say is "I loved you, Alice."

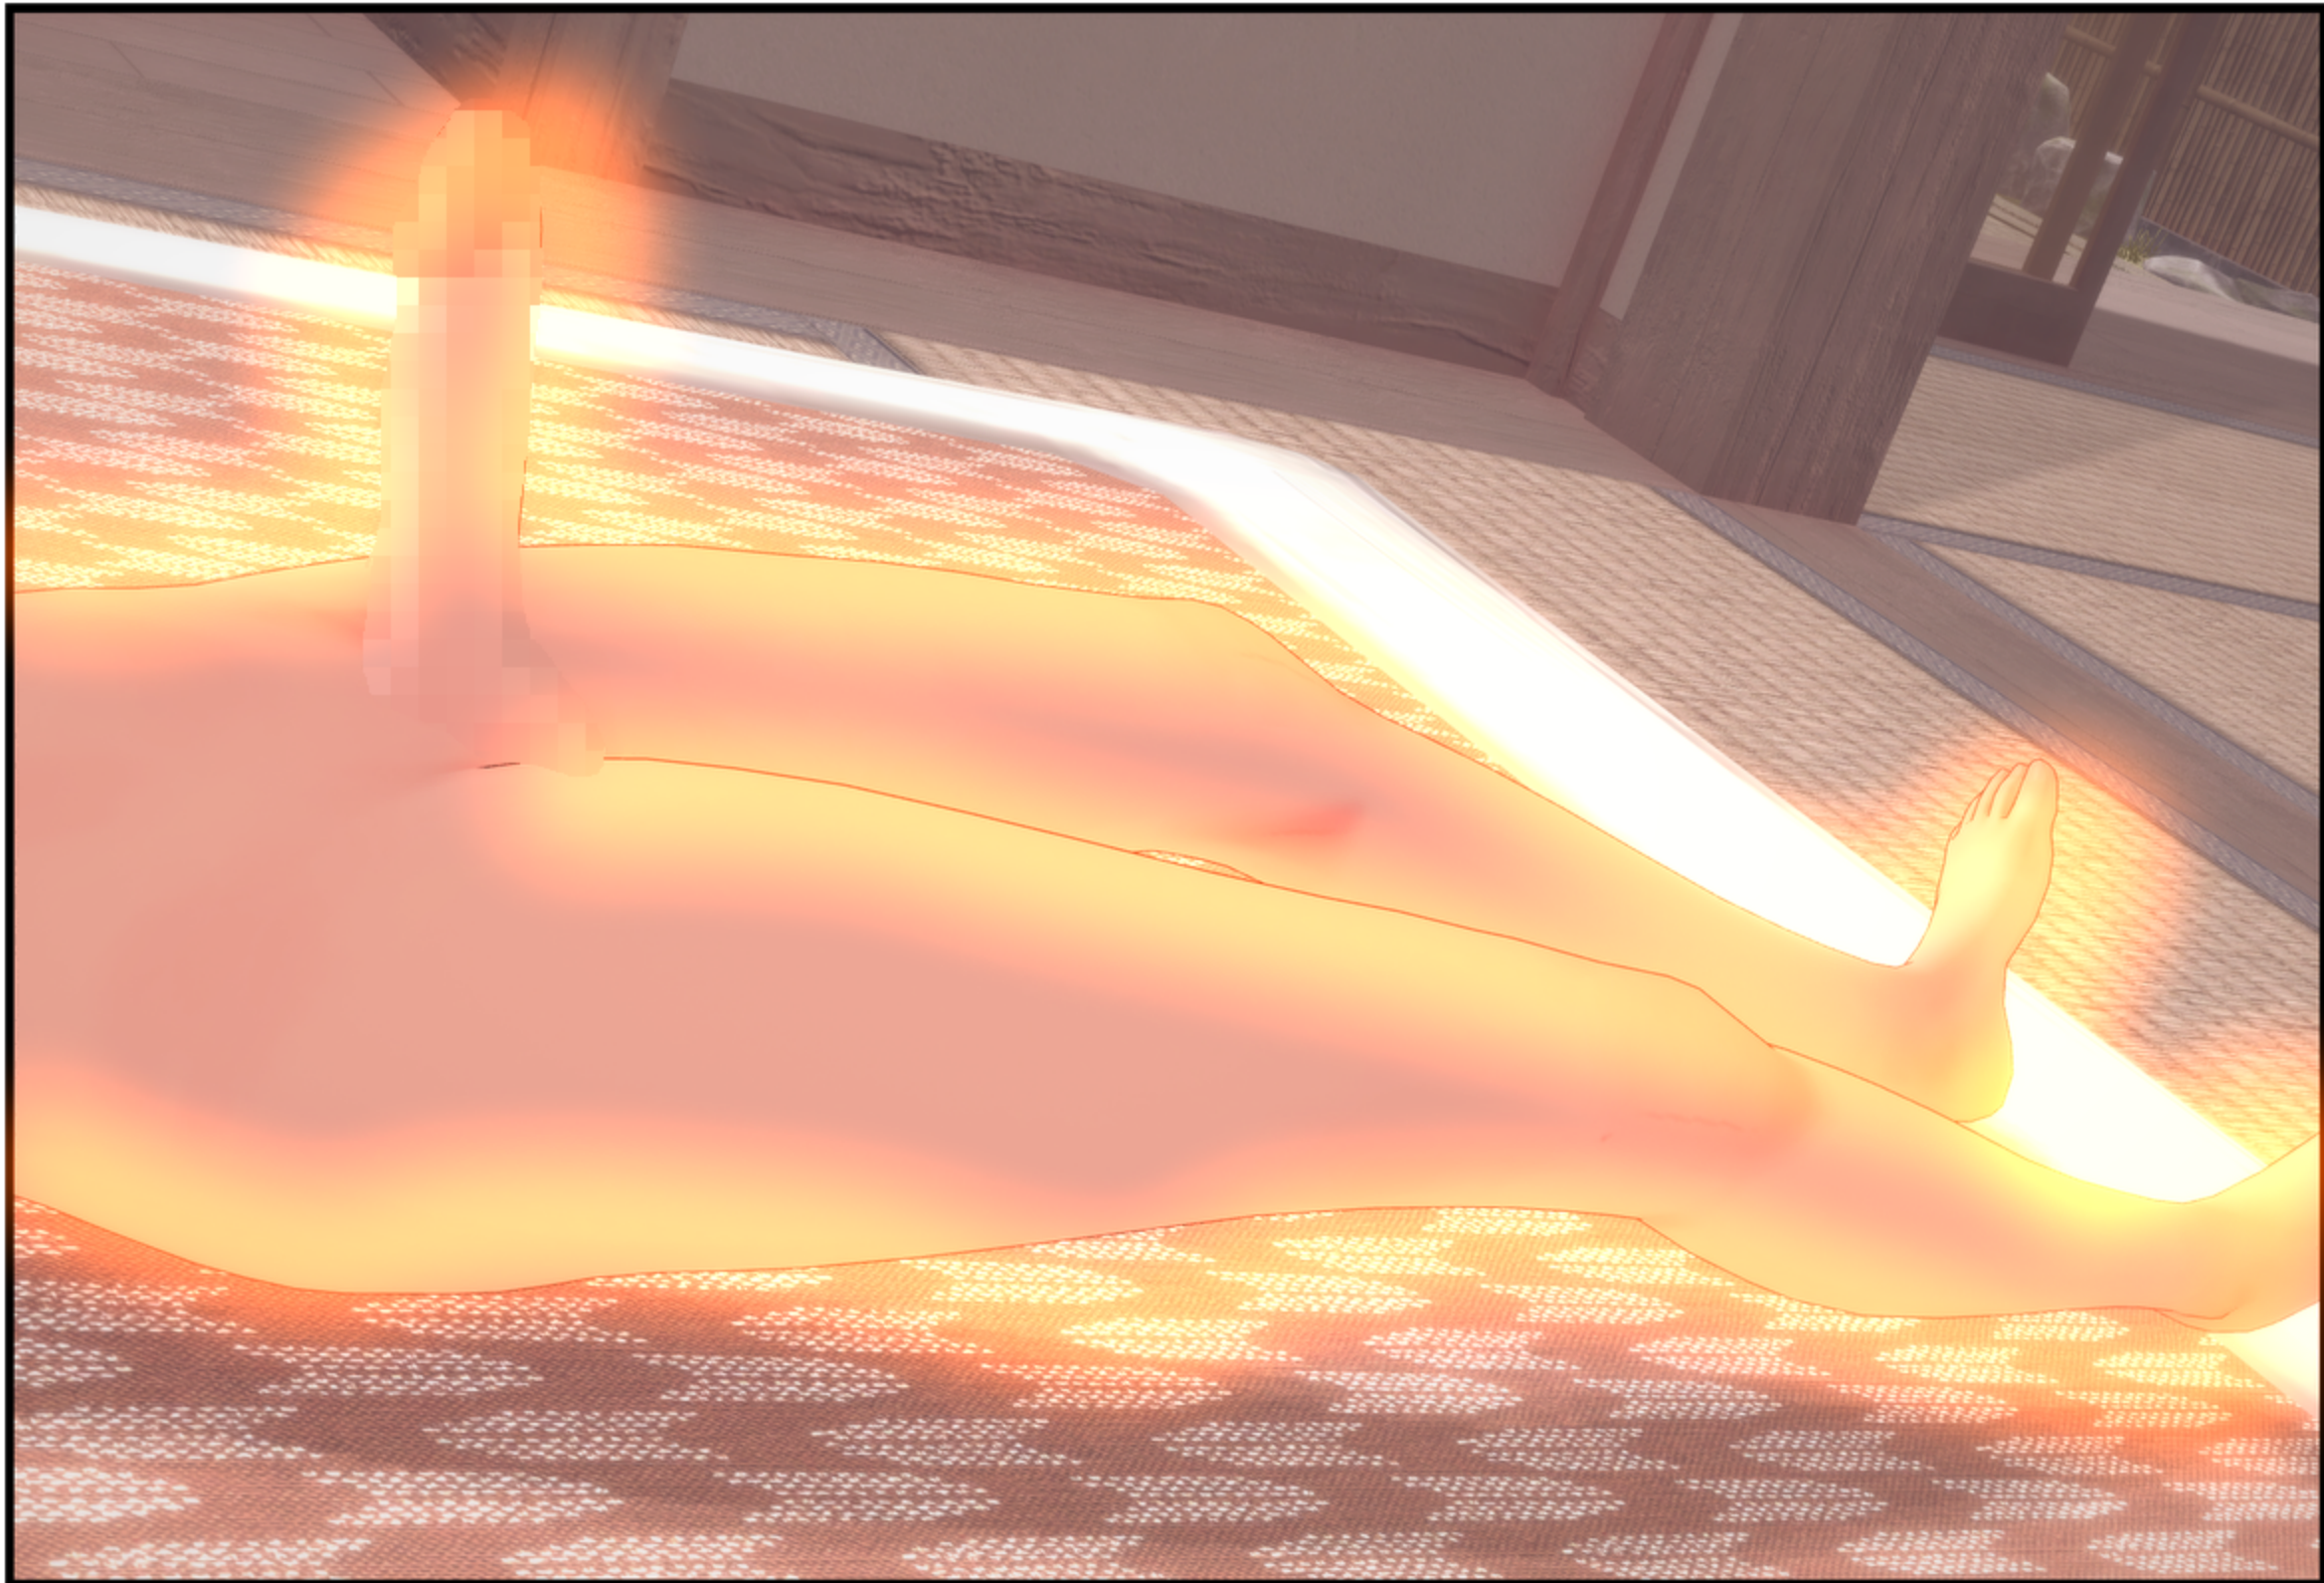

Sinon's memories..
You met her first
time in Gun Gale
Online.

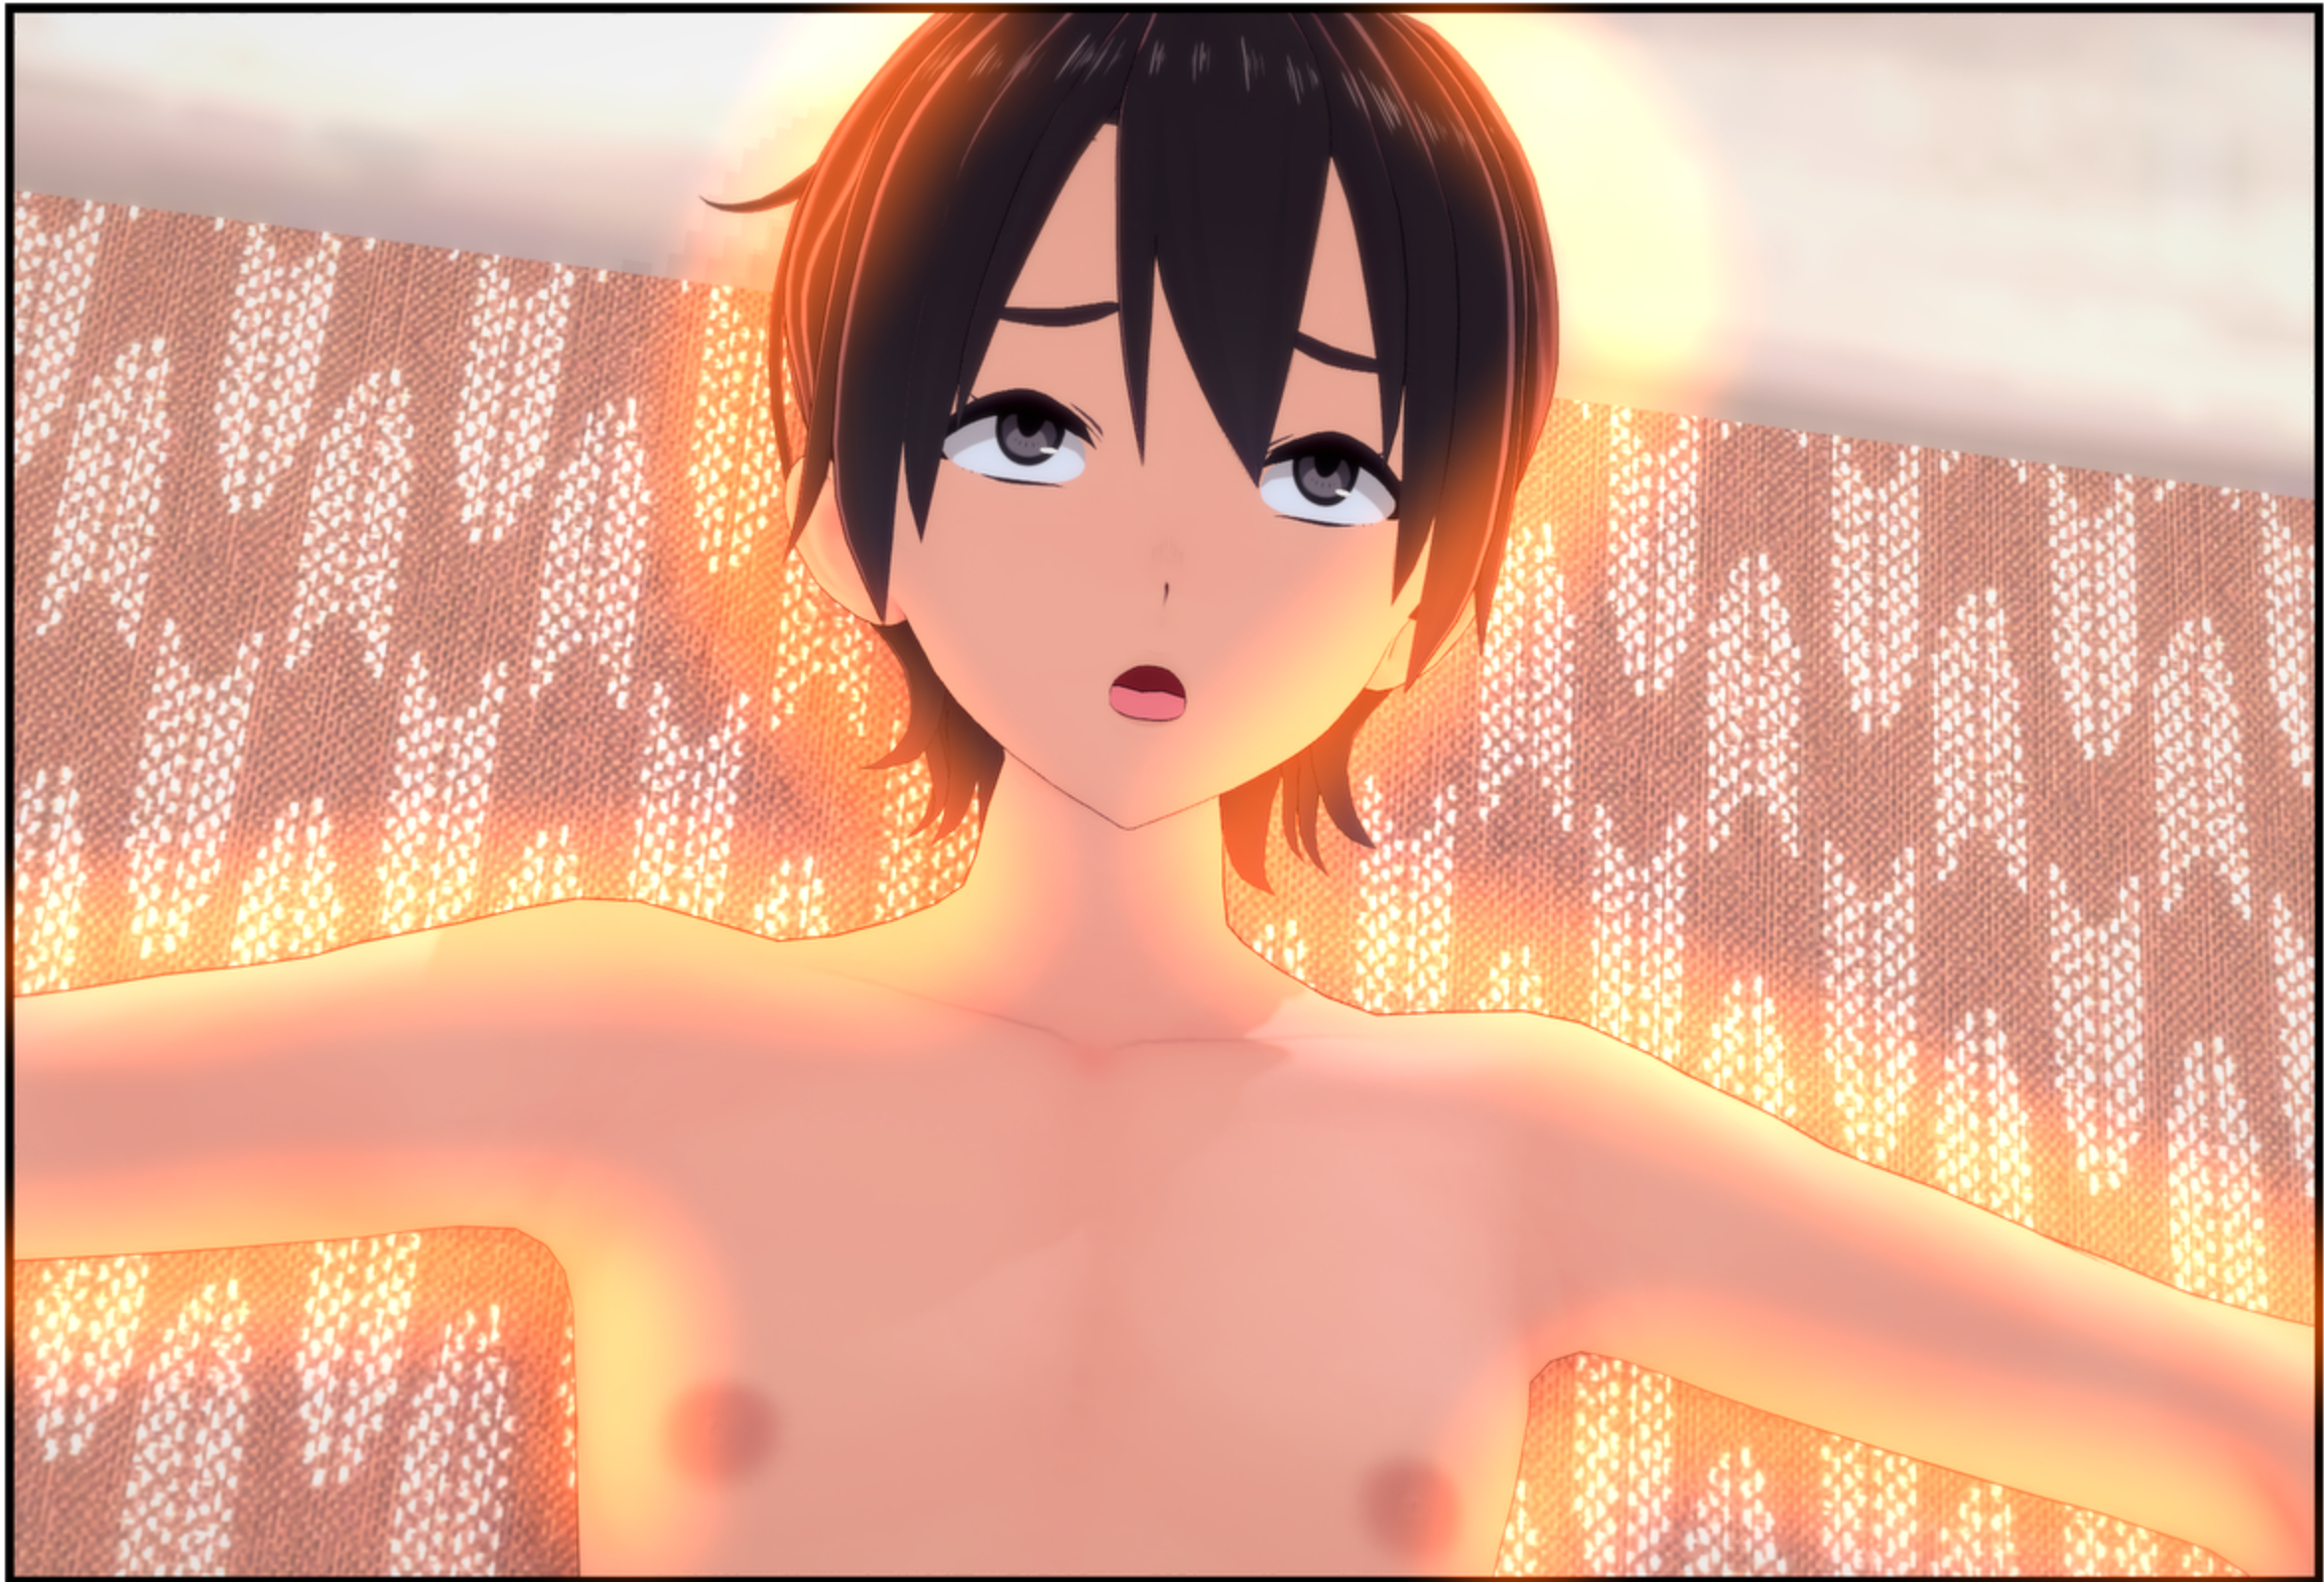

And you know
what I mean,
Master.

Heh..
System
call.

Ugaaaahhhh!!!

Wha.. Where..
Sinon.. Asuna?

So heavy at..
my chest?
Wait..!?

Welcome back.
Remember your
first avatar in GGO?

In other words,
we feminized you.

You.. What did you do!?

Let him shut up
for a bit.

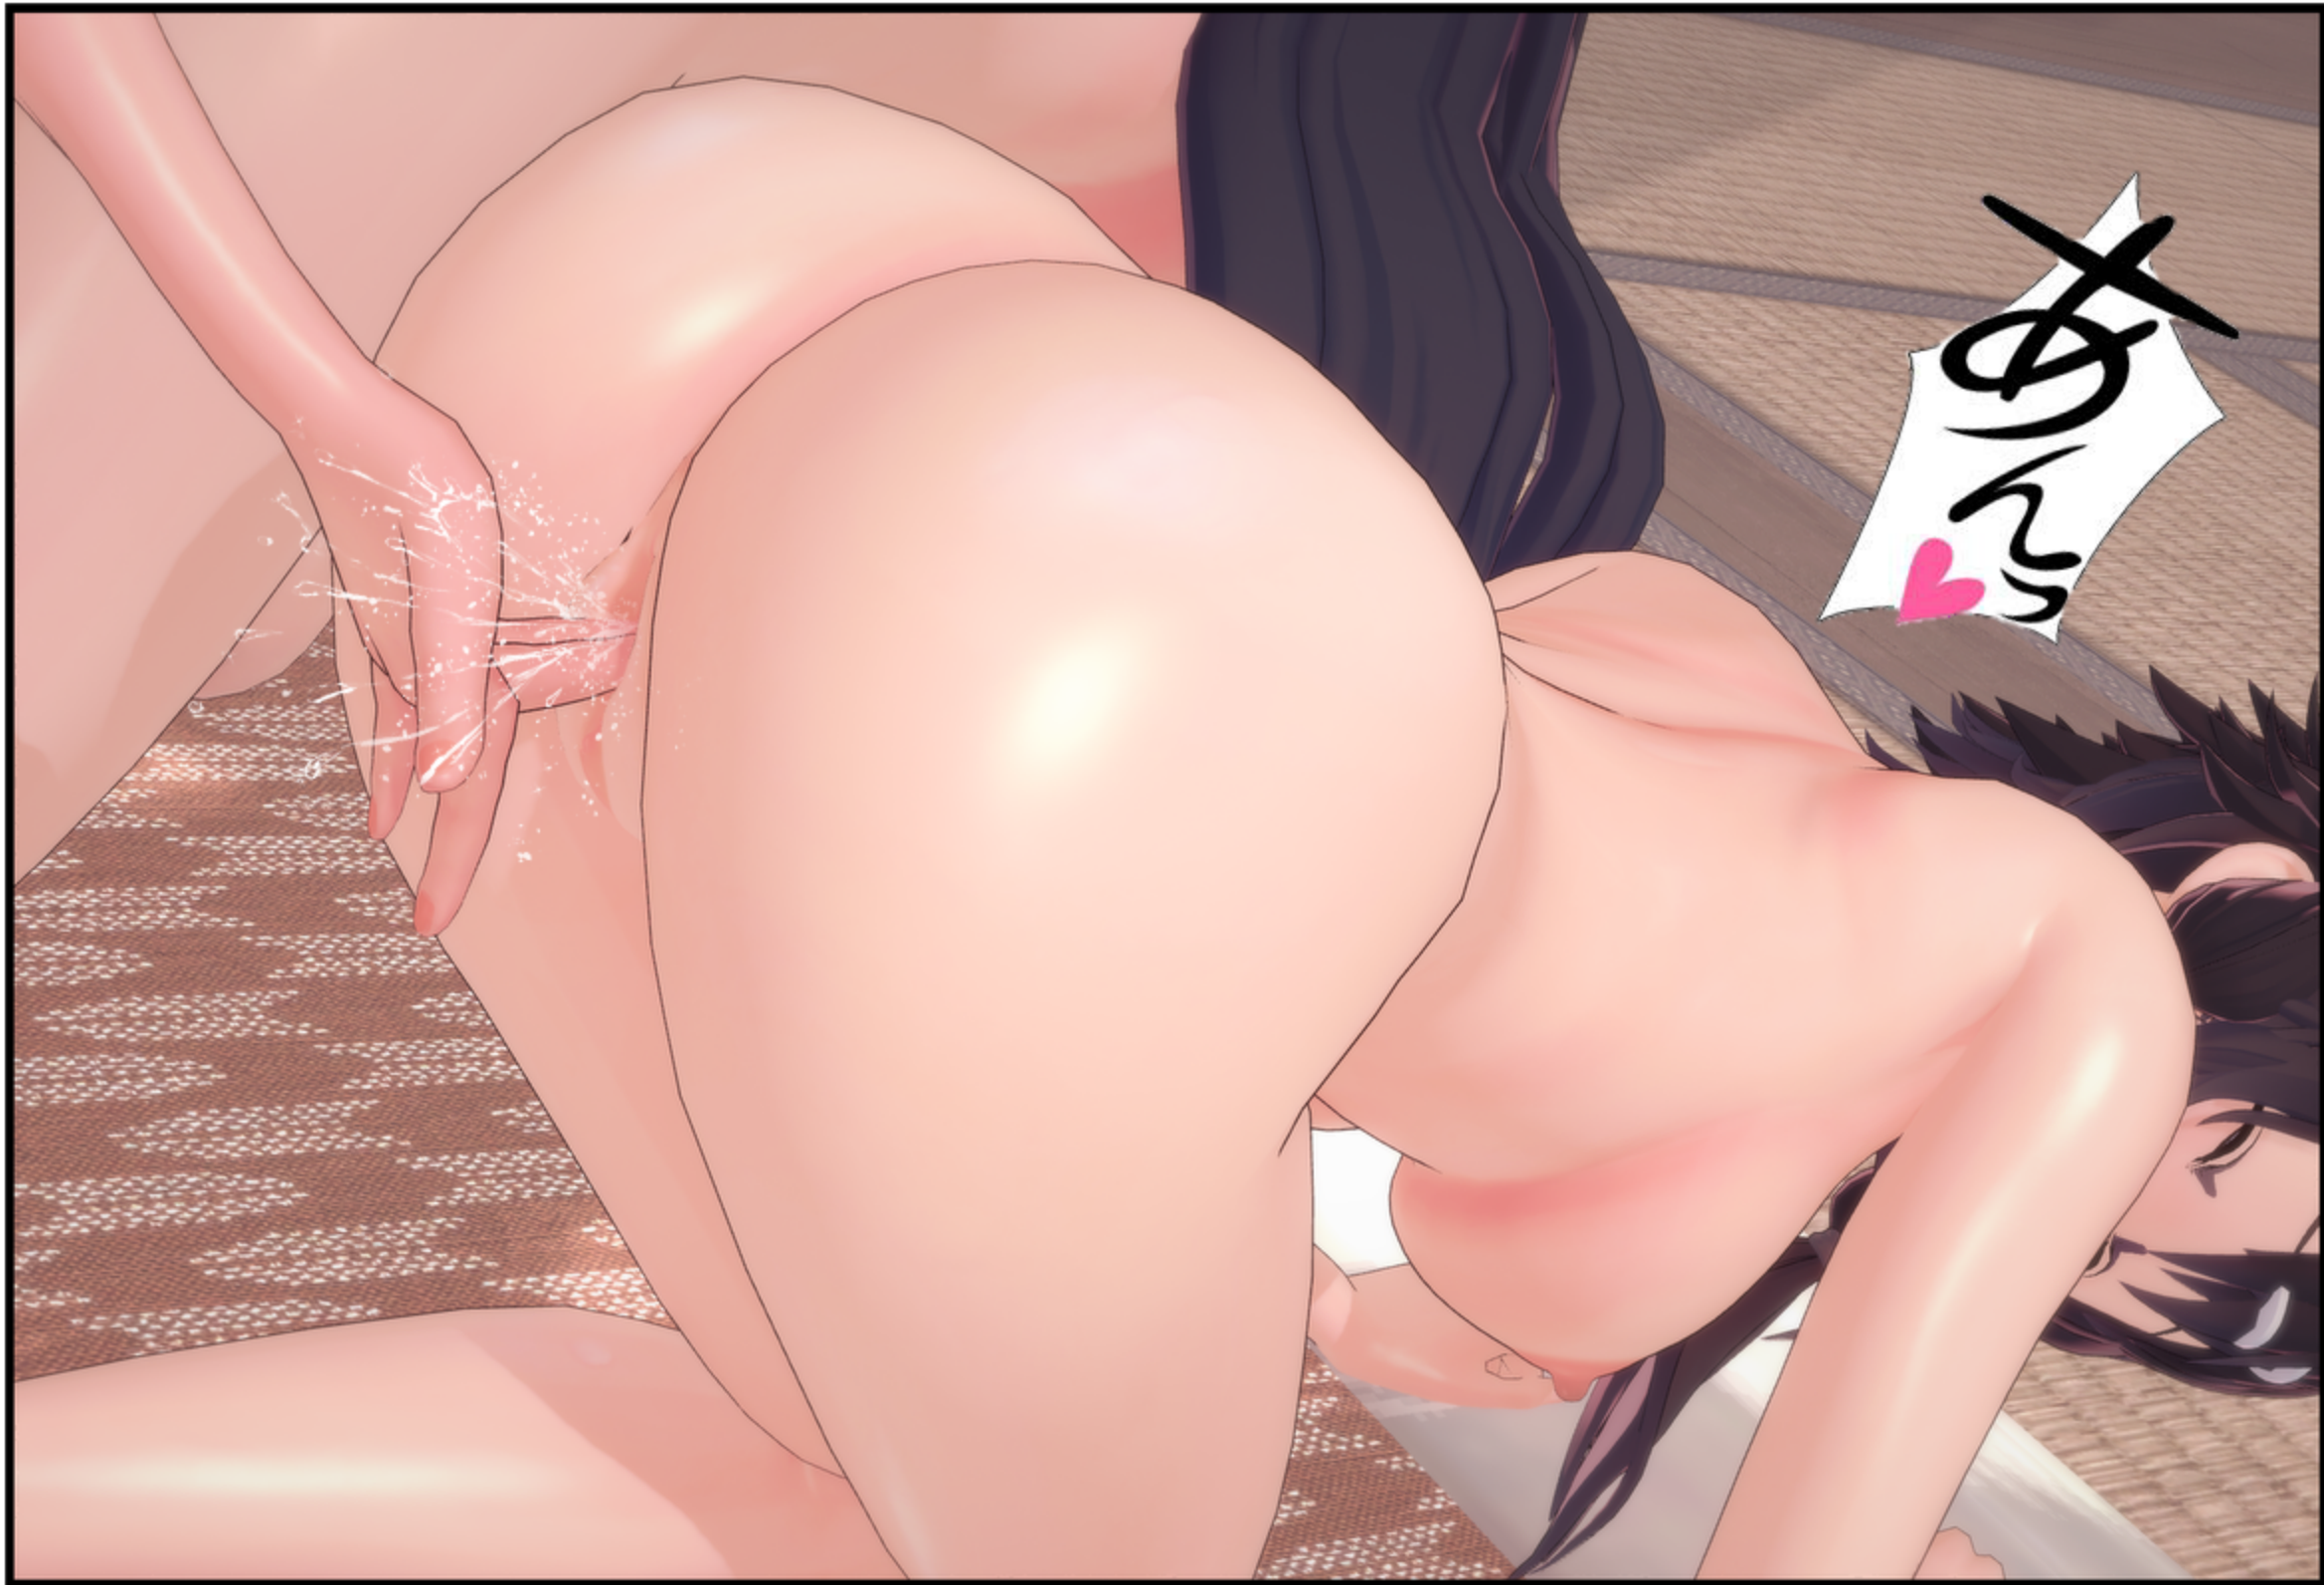

Hm.. Who did I miss? Ah.. yes, Suguha.

You wonder.. how was I in different dimension?

END?
