

Hey, at least they left my face, right?

I guess that's true..

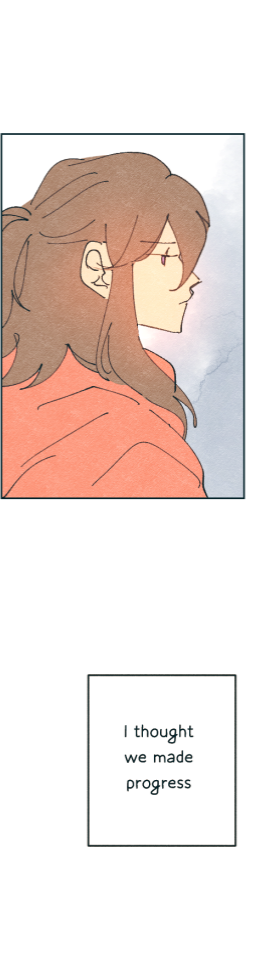

Though you do have that one old one on your forehead..

Oh, That one?

It's actually from when I was-

RING

It's Tez..

You should take it..! It could be important.

Okay.

What's up?

Yeah. I just flew home this morning

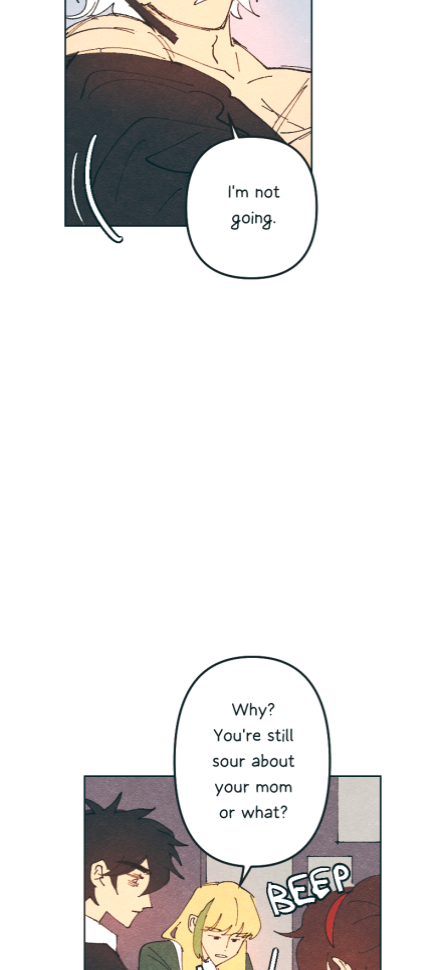

I thought we made progress

But it seems like there's still a line between us that I can't cross.

Even though I'm right next to him..

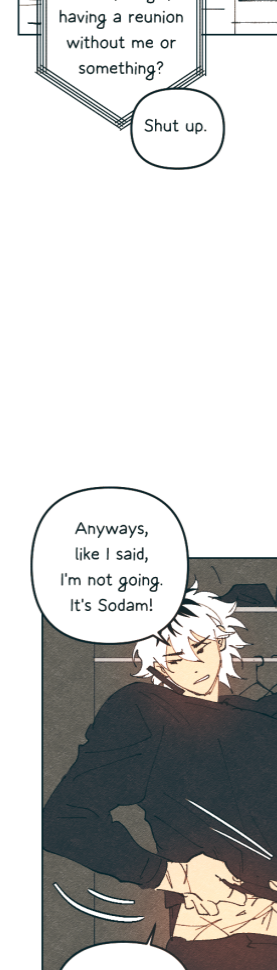

I still feel like we're miles apart.

Can you make it quick?

I'm a little busy right now.

It IS important!!

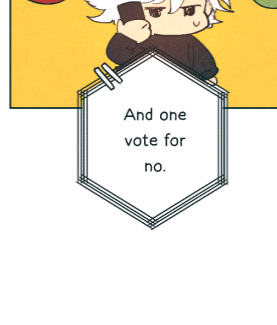

Did you know Sodam's getting married?!

I got an invitation this morning!!

Nho and Thorne got one as well!

Oh yeah, He did say he was gonna invite the squad.

Well, who cares?

I'm not going.

Why? You're still sour about your mom or what?

NHO?! When did you get back?

A week ago.

Thorne's here, too, By the way

Hi, Thorne! Damn, you guys having a reunion without me or something?

Shut up.

Anyways, like I said, I'm not going. It's Sodam!

We don't know what he's planning!

I don't think his future husband would be too thrilled about seeing his fiance's ex at the wedding either.

But this is business, you can't let personal matter interfere.

So, That's one vote for yes.

And one vote for no.
