

Sorry.
I think I need a
moment.

I get it.
It's a lot to
process.

I'll be around if you need me.

What?

Why
did that move me
so much?

I th... I...

Thank you.
But I think I need to
do this myself.

Okay,
see ya later.

Why is
Nathan so okay
with this?

And how
can he be so
supportive?

He has
been my friend
for so long.

Did I just
never notice?

I wish we
could go back to
normal.

I would
have loved to have
a woman like this
with Nathan.

A woman with short, vibrant red hair and a nose ring is shown from the chest up, wet from a shower. She has her eyes closed and a slight smile, looking upwards. Her skin is glistening with water droplets. In the background, a modern bathroom is visible, featuring a white sink, a mirror, and a shower door with metallic fixtures. A thought bubble originates from her head, containing the text "The things we could have done with her.".

The things we could have done with her.

A close-up photograph of a woman's wet skin, covered in numerous small water droplets. Her hands are placed on her chest and abdomen, emphasizing the texture of her skin. The lighting is soft, highlighting the glistening water droplets.

Feeling her
perfect skin.

Rubbing our
hands up and
down on her.

I bet
she would've
loved that.

Greedy
wanting cock.

A photograph showing the back and buttocks of a person with vibrant red hair. The skin is glistening with oil. A hand is placed on the person's right buttock. A thought bubble is positioned above the person's head, containing the text "Presenting herself to be taken." The background is a plain, light-colored wall.

Presenting
herself to be taken.

Feeling
ultimate bliss in
ecstasy.

MOAN

A woman with a vibrant red wig is shown from the chest up, standing in a shower stall. She is covering her face with both hands, her fingers spread, as if crying or in distress. Her skin is wet and glistening with water droplets. The background consists of light-colored tiled walls.

God,
I flew into a
fantasy.

Why do I
keep doing this
to myself?
