

A cheerleader?

I've always had a  
thing for  
cheerleaders!

Now I have  
to be one?

Of course! We're  
going to enjoy  
watching you  
perform as your  
own fetish!

Now, hurry  
along, cutey!  
You're  
scheduled to  
cheer before  
the big game  
today!

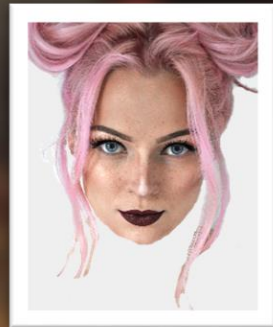

Everyone will be there! And it's on TV!

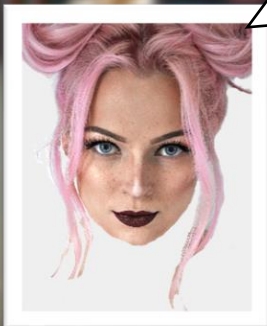

Hahaha! That's right! I bet at least one million people are about to see you cheer, girly girl!

And little London can't wait! She's so excited to see you in your little outfit!

London? I've been hitting on her forever!  
I always wanted to have sex with a cheerleader!

I put a little spell on her for you, dear. If you impress her with your cheer skills, she'll want to have sex with you!

Sex? With London?

Just the thought is making my nipples hard!

But-- I don't have any cheerleader skills!

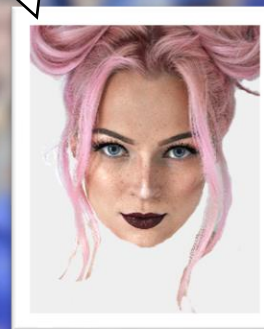

Hey, Vance! You look so cute in your cheerleader outfit!

London! Omigod! I always wanted to cheer!

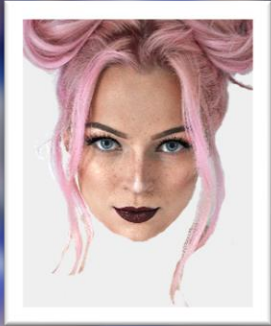

I kept hitting on you because I wanted to be you!

After all the time you spent annoying all us cheerleaders, how perfect you want to be one of us now!

Good girl! Just as I told you to say.

Now keep going!

I want to serve you! I want to be your boy toy!

Please be my master!

Hahaha! Just like in that sex video your ex-girlfriend posted!

Well, if you want a chance to serve me, you better cheer your little tail off, missy!

**Announcer:** And now a special performance by Vance Worthington! You've seen the video of him being transformed into a woman! Join us as he auditions live and on national television in hopes of making the cheerleading squad and fulfilling a life-long dream not shared by most men!!

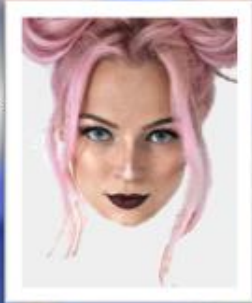

Now's your time to sparkle, Vance!

Omigod. I don't know how to cheer?

Just ask me to make you the perfect little cheer girl, and I will grant you cheerleading powers!

Is there a catch?

There is always a catch!

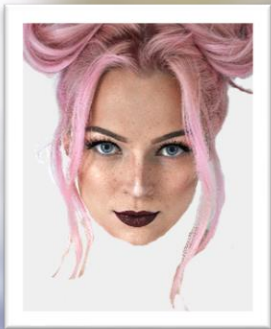

It's now or never,  
missy! Humiliate  
yourself and lose  
your chance with  
London or beg me  
to make you the  
perfect little  
cheer girl!

Ugh! Please  
make me the  
perfect little  
cheer girl!

Ready?  
OK!

See? That  
wasn't so  
hard! Cheer  
Powers  
Activate!

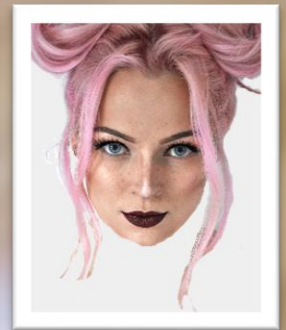

Look at me! I  
love to cheer!  
It's so fun  
supporting  
the boys!

And I'm super  
good! I mean,  
I've been  
cheering since  
I was a little-  
girl? Wait!

Yes, boy toy. The  
catch. I had to  
plant cheer  
memories in that  
empty little head  
of yours.

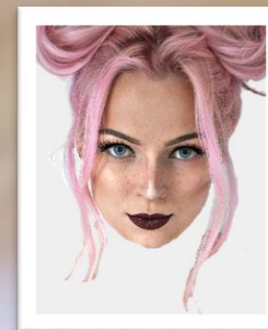

Gymnastics...  
dance... cheer  
competition at  
Disney World?

It's all-- I  
remember  
being a girl!  
But also a boy?

It's like  
there are  
two *mes*?

Pretty much!  
You can't  
expect to be a  
cheer goddess  
without having  
spent your  
life cheering.

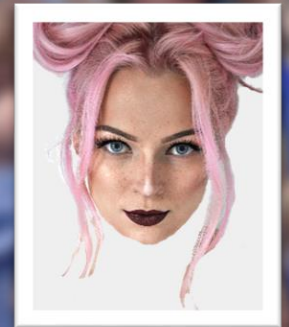

Let's see  
you do a  
split!

Go Cats!  
Yaaaaaayyyyy!

When I change  
back, I won't  
still remember  
being a little girl,  
will I?

IF you  
continue to  
please me,  
I will make  
things  
right!

Vance! I am impressed. You're quite the little cheer girl!

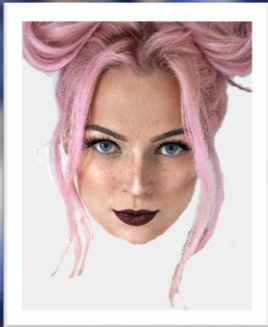

(whisper) Your wish is my command, master!

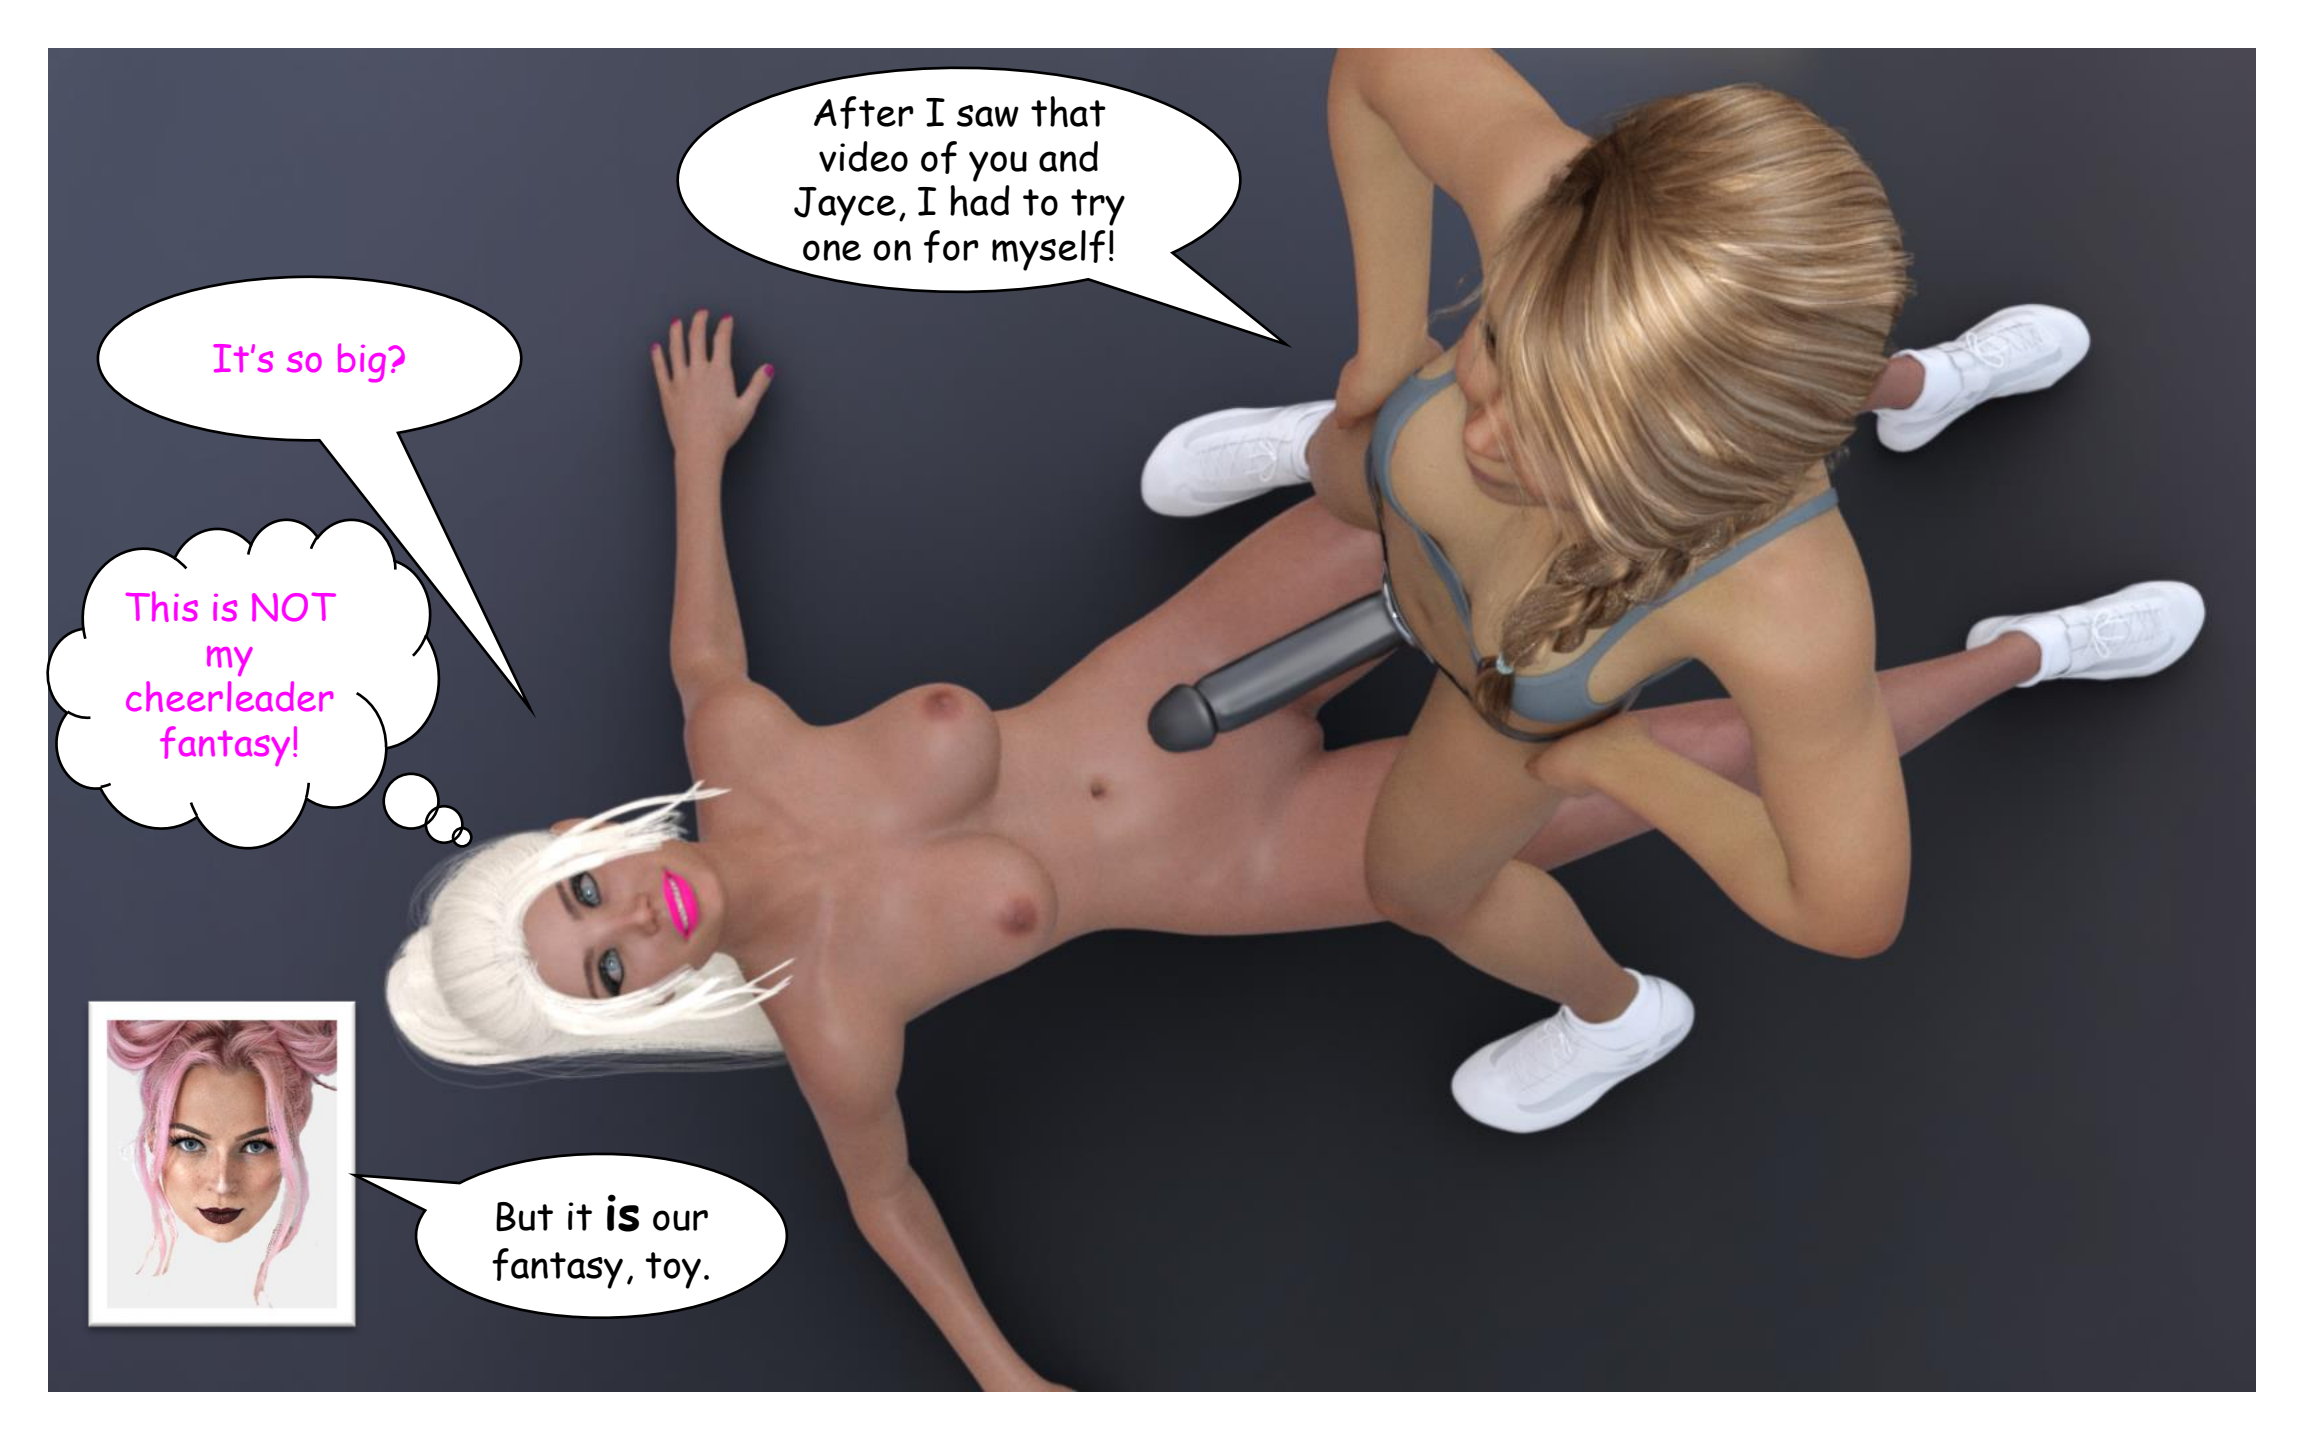

Finally! Sex with a cheerleader!

I will allow you to serve me.

(whisper) Let's get naked.

Lucky girl!

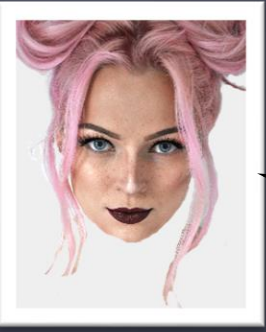

After I saw that video of you and Jayce, I had to try one on for myself!

It's so big?

This is NOT my cheerleader fantasy!

But it **is** our fantasy, toy.

You like being dominated by girls, don't you, Vance?

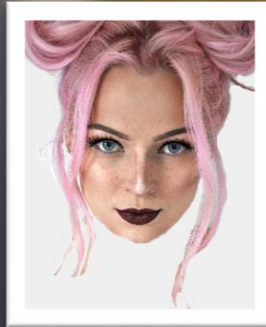

Yes! Yes!  
I love it!

I feel so powerful!

London is so feisty!  
Vance, you do know how to pick 'em!

I hate it!  
I hate it!

Unnh!  
Ow!  
You're so big! It hurts!

You're so weak!  
Try and break  
my grip!

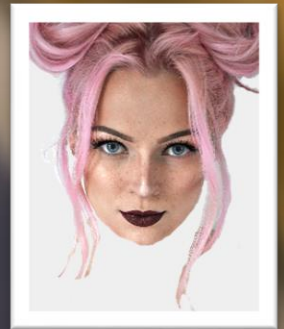

Unh! Oh! I  
can't! You're  
too strong for  
me!

Unh! Oh!  
Oh! Omigod!  
You're in *SO*  
deep!

I'm 5' tall and  
weigh 90 pounds,  
and I could kick  
your ass!

I love  
having a man  
in this  
position!

Vance, are all  
the girls you  
find interesting  
so amazing? And  
London looked so  
sweet, too!  
Cheerleaders! So  
much darkness  
behind those  
smiles!

Beg me to fuck you  
harder, bitch!

I bet you wish  
you never hit on  
me now, don't you,  
Vanessa?

Fuck me  
HARDER!

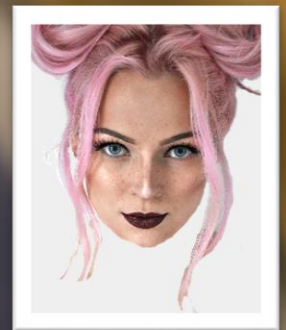

I'm- I'm  
cumming!

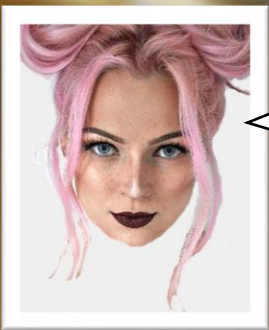

YES!

Is she the  
one? Did she  
put you up to  
this?

Nope! All will  
be revealed  
at the end,  
Nessa!

Is it because  
I wouldn't  
take "no" for  
an answer?

Oh, yeah. We did implant a ferocious need to suck cock in you, didn't we?

Let me suck your cock, master!

Um, it's pretty big, cutie. You sure you can handle it?

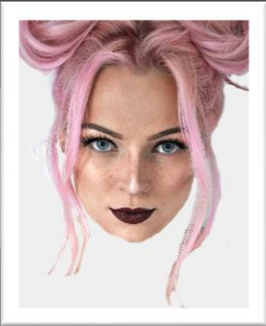

Master, I am a world class cocksucker! There isn't a dick too big for me to swallow!

Go for it.

I can't believe I just said that!

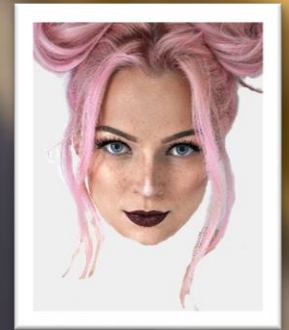

I hope I pleased you, master. Would you like to cuddle?

Nah. I'm gonna take a nap. Be good, babe.

You're glowing, Vance! You loved every minute of it!

Because you made me this way!

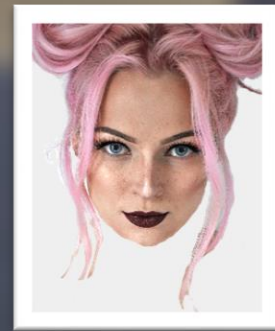

It's night. I've  
been at this all  
day! Are we  
done? Please?

I've given blow  
jobs to girls! I've  
been ridden doggy  
style! What more  
is there?

Well, my silly  
little boy toy,  
to put it in a  
single word  
for you,  
what's more  
is...

Oh, shit!

MEN!
