**Cw: Teasing in Public, fingering, phonecall, quickie in an alley, gag, creampie, no cleanup as light punishment**

**Audio opens with the sounds of the city and an excitable crowd. Hawks is in the center, meeting fans and talking to them. The Listener is further back.**

**Hawks: (laughing)**

**Fan:** Hawks! Can you sign my headphones!

**Hawks:** Sure! Haha, we just put these out last week and you already nabbed a pair huh? I appreciate your support! What's your name?

**(a soft jingle and a ruffle as the listener plays with their feather necklace)**

**Fan:** Tsume!

**Hawks: (clearing his throat, obviously trying hard not to react)** "Tsume..." Got it~ There ya go~

**(another ruffle)**

**Hawks: (he manages to catch himself, chokes down on a noise and plays it off)** Thanks again haha!

**Other Fan:** Hawks Hawks! Can we have a selfie?!

**(giggling fangirls)**

**Hawks:** Of course....Say Cheese~

**(snap of the camera)**

**Other Fan:** Thanks so much! We love you Hawks!

**(another stroke of the feather, a soft kiss and a blow over it)**

**Hawks: (strained laugh)** Alright little birds, I gotta fly~ Gotta keep an eye on everything~ Later!

**(sad crowd noises as he flies off, listener footsteps for a while longer, more feather playing, city noise and after a bit, they're tugged into an alley, a bit of walking as he pulls them down it)**

**Hawks: (breathless)** B-birdie...c'mon...that was dangerous. What if someone saw that huh? **(lowly)** you almost got me in trouble back there...playing with my feather like that...you know how sensitive they are...especially since it's getting so close to spring...

**(pause)**

**(amused)** Oh that was the point huh? **(kisses)** You little tease...**(huff, adoring, teasing)** I told you I was gonna be home tonight, just couldn't wait for me?

Well...how about I help you then hm? But you gotta promise to leave my feather alone for the rest of the day. I have to patrol the southeast sector here soon and it's not known for being the safest place...Can you promise me that dove?

**(lowly)** If you can, I'll give you an appetizer. You'll have to wait till I get home for the full course. What do you say baby? Will you be good for me?

Hm? **(playfully)** Yeah, right here...don't worry. There's no one around and they can't see us from the street. Would I ever put you in danger like that?

Besides...if anyone shows up, I'll zip us to the rooftop before they get too close. **(soft chuckle)** Heh, consider this a punishment for teasing me like that in public. **(slow, but passionate kiss, murmured)** C'mon, legs apart for me.

**(shift)**

Don't worry, I'm not gonna pull your pants all the way down, just under that adorable butt of yours. I'm going to give you just what you were after.

**(slick noise as he eases his fingers in, soft hiss through his teeth)** Fuck...already prepped for me too? **(playful chuckle)** Guess you've been around me so long, spring's hittin' you too huh? Not that I mind at all...nooo complaints here what-so-ever~ **(kisses)** Mnn..no we're still good. No one's watching...**(more kisses)**

That's it...just relax for me...Mn. **(loving)** You're going to be the death of me know that?

**(slick noises continue through dialogue as he works them open, soft kisses now and then)**

**(needy)** Mn. I know I said I would wait until tonight but...man you're just so perfect. **(kiss)** Sweet face like that...makes it hard to resist. You make me a weak man, know that?

**(huff)** Mmn. Alright, you win~ I'm going to make a phone call and I need you to stay quiet okay? **(teasing)** No I'm not going to stop..why would I? I don't even think I could pull my fingers out even if I wanted to..you're mn..clinging to me so tight ...that's okay though...I'll take care of you, but you have to do something for me first.

Aw it's nothing hard, don't worry. You just have to stay quiet. **(playful)** You tend to get a little loud sometimes and while I -love- your voice...I doubt you want someone taking a peek down here and seeing us or to be heard over the phone

**(soft kiss)** Yeah? You think you can manage? Good...that's my baby..just relax and breathe alright?...perfect. **(shuffle as he gets his phone out)** Now remember, shhhh~

**(sound of a phone call being placed and connecting, he continues teasing them throughout his phonecall)**

**(casual)** Heyoo it's me. Yeah no, everything's fine...Think you could cover my patrol for me this evening? Heh, I thought you'd like that...better than pushing paper all night right?

Why? Eh, something very important came up and I gotta handle it. Yeah, It's a....need to know kinda deal. Y'know how it is~ Mhm. Yeah. Perfect. Thanks Tsukuyomi, I'll buy you lunch next time I see you. Alright. Thanks again, later.

**(call ends)**

**(cooed)** Aw you did so good for me~ m'proud of you. You looked like you were havin' a tough time though..I could feel you twitching all around my fingers, mn.

**(kiss)** Didn't know you were into this kinda thing...but...I don't really have room to talk, seems like I found out something about myself today too~

**(fabric shifts, moans)** Mn..grabbing my cock through my pants like that...heh..you're pretty demanding when you're needy huh? Alright, turn around for me...hands on the wall.

**(low groan)** God...your ass is so amazing. You look so good in red baby. Are those the new ones you bought? I'll have to buy you some new ones because these ones...are about to be ruined.

**(sound of his pants undoing)** Mn..this is going to have to be *quick* okay? Foot traffic picks up around this time so..mn, our window of opportunity is gettin' a bit small. That's it birdie..Don't worry, I've gotcha..

**(whispered)** God this is crazy..we could get in so...mn...so much trouble. **(quiet moan as he pushes in)** Oohh..fuck. **(shuddering breath)** That's it...push your hips back...just like that. **(heated pant)** Mn. You look so pretty like this, know that?

**(he starts to thrust, biting down on his moan)** Mmn...shhh shshhhsh..we gotta be *quiet* remember...mn..here...I know what'll help...**(shifting, pauses his thrusts)** There we go...open up..I need both my hands just in case someone comes by, so just bite onto my glove and hold it for me okay?

**(kiss)** There you go..that's my baby..you're so good. **(grunt)** I know..I know it's hard to keep quiet, but mn..we gotta...but I promise... when we get home? You can be as loud as you want.

**(low moan)** God, you're really into this huh? You're so on edge already. I can *feel* it...I can hear how your heart is racing birdie...can feel it too. This is getting you really riled up huh? **(soft chuckle)** Mn..You're so good for me...mn, that's it..

**(thrusts and low quiet moans for a bit, he's trying to keep his voice down, slight flaps of his wings)**

Man you're so cute when you beg, even when you're gagged~ Just need a little more? Shh I gotcha..Just gotta get this shirt out of the way. Mn I love how you arch into my hands like that..God your nipples are so cute. Sensitive too~

Man this is wild. I mn...I know this is kinda dangerous but...we might have to do this more often. **(sharp hiss)** fuck...I feel you just melting around me, god I love the face you make when you cum. It's so cute...I'd keep it on my phone if it wouldn't get me in trouble.... Mn! *Shit* **(shudder and huff as he orgasms as well)** H-hold still baby shh don't move....that's it....just wanna feel you for a second..

**(panting heavily, catching his breath)** Fuck that was good. **(kiss, chuckle)** Don't look so smug birdie, that was only round one, there's a reason I called out of my patrol.

**(lowly)** I'm gonna take you home and make sure you're satisfied enough that you don't go messing with my feathers again~ **(low moan as he pulls out)**

**(huffs)** That's so pretty...damn...seeing you all messy like this...mn. C'mon move your legs a little bit for me...gonna pull these back up. **(laughs, playful)** Aw, you'll just have to be a brave birdie, can't really clean up properly in an alley like this. Mhm...s'gonna be a bit uncomfortable on the way home, but...I think you'll live.

**(amused)** Hey, don't pout at me, this was *your* idea, remember? Haha, you're the one who got me all riled up in public, so think of this as....part two of your punishment~

**(clothing adjusting as he puts his pants back on)** Mn, there we go. Oh! Yeah, my glove, heh, thanks. Almost forgot about it to be honest.

**(little tug as he pulls it back on)** Now we're all set. C'mon, arms around my neck. **(huff as he picks them up into him)** I'm gonna be flying kinda fast so just tuck your face into my jacket okay? The wind can be pretty intense up there.

Aw, don't worry about the paparazzi. I'm way too fast for their cameras. They only get pictures of me when and if I want 'em to. **(soft peck)** So just trust me okay birdie? I remember what I said? I won't let anything happen to you, that includes this...

I love you too...**(flap as he takes off)** Heh, and I'll show you just how much when we get home~

**(Sound of him flying quickly, audio ends)**
