

AMONG US / HALLOWEEN EPISODE

INT. PLAYTECH WAREHOUSE

Alan spots some feet sticking out from behind a rack. He walks over, revealing a DEAD BODY.

ALAN
Holy shit what happened here!?

CREAAAAAK

Alan looks up. Adam is watching him.

ALAN (CONT'D)
Adam! It's not what it looks like!!

Adam BOLTS off. Alan takes off after him!

INT. PLAYTECH MAIN STORE

Adam runs out into a TABLE in the middle of the room and hits a BIG RED BUTTON. An alarm goes off.

EMERGENCY MEETING CALLED

Rowan, Ellie, Ben and Hamish all join, standing around the table.

ROWAN
Whats going on?

ADAM
I just saw Alan standing over a
dead body!!

ALAN
Yeah, guys, I found a dead body in
the warehouse. We need to tell
someone about this.

HAMISH
Hmm. What were you doing standing
over the dead body Alan?

ALAN
Huh?

HAMISH
I'm just trying to gage what you
could have been doing standing over
the dead body.

ALAN

I just saw a pair of legs sticking out and went over to--

ADAM

HE'S THE KILLER!!!

ALAN

What?!

ELLIE

(sternly)

Alan - did you kill him?

ALAN

No!

ELLIE

Well, I'm convinced.

ROWAN

But did you kill him though?

ALAN

I just said, no!

ADAM

Then why did you chase me after I saw you?!

ALAN

Because you clearly thought I was guilty and I wanted to catch up with you to explain--

BEN

VERY SUSPICIOUS ALAN!! IF THAT IS YOUR REAL NAME!!

ALAN

Guys this is stupid. We need to call the police!!

ROWAN

And tell them **what** Alan!? One of us is a killer?! Don't be stupid! No! We need to figure this out ourselves... then we can consider calling the police.

The table all nods. Alan watches in disbelief.

ROWAN (CONT'D)

Here's the facts. One of us is a killer. You might be the killer ALan, however we can't prove it yet so we'll give you the benefit of the doubt on this one. If we all continue our menial tasks we might just get out of this. There are some leaves that need sweeping, some cables that need arranging... oh and if someone can go ahead and get a score of 20 on Space Invaders that'd be really helpful.

BEN

On it.

ROWAN

DO YOUR TASKS!

BEN

Yip. Guys this is the only way we can beat the killer.

The group all disband. Adam watches Alan very nervously. Everyone else leaves quite nonchalant.

INT. PLAYTECH WAREHOUSE

Alan returns to work stocking the shelves out the back.

Adam watches him nervously.

Adam bends down to pick up some supplies and when he looks back to Alan... DUN DUN DUNNNN

Alan is gone.

Adam's eyes widen in terror.

INT. PLAYTECH OFFICE

Rowan sits at his computer desk.

ON THE MONITOR: We see he's got SECURITY FOOTAGE up of all the different locations. Rowan watches them closely.

Rowan looks up to see Ellie watching him from afar.

INT. PLAYTECH MAIN STORE

Ben and Hamish are in the main store, both seemingly doing jobs. Almost *PRETENDING* to do jobs...

Ben and Hamish don't stop staring at each other... slowly rotating around the room.

Gradually Ben reaches the *STAIRWELL* and leaves suspiciously through the door.

Hamish regards this... then leaves in an opposite direction.
WHERE IS HE GOING!?

INT. PLAYTECH WAREHOUSE

Adam is cautiously edging closer toward where Alan was. Nervous Alan might jump out at him at any moment.

Tension builds as Adam gets closer to one of the corners of the shelves. He slowly peers around the corner revealing... Alan innocently stocking shelves.

ALAN

Hey man.

ADAM

...hey.

BWOOP BWOOP

A meeting has been called.

Adam and Alan exchange a glance then head running toward the main store.

INT. PLAYTECH MAIN STORE

Ellie, Hamish and Ben sit at the table already.

Alan and Adam join.

ADAM

What is it?

ALAN

What happened?

ELLIE

Rowan is dead...

ALAN

What?!

HAMISH

No!!

BEN

What did you see??

ELLIE

Not a lot. I was suspecting
Rowan... but I obviously still had
work to do. So I turned my back for
a moment... and when I turned back
to Rowan...

INT. PLAYTECH OFFICE / FLASHBACK

Ellie turns toward Rowan's desk but cannot see Rowan.

She edges forward toward the desk... gradually revealing
Rowan's dead body on the ground.

INT. PLAYTECH MAIN STORE

Ellie pauses, remembering something...

ELLIE

But I did see something
suspicious...

ADAM

What..?

Ellie turns toward Ben.

INT. PLAYTECH OFFICE / FLASHBACK

Ellie, still in shock at seeing Rowan, turns to reveal Ben
staring at her from the doorway to the stairwell. Ben has a
sinister smile on his face. He quickly slithers away down the
stairs.

ELLIE (V.O.)

I turned and saw Ben leaving the
office.

INT. PLAYTECH MAIN STORE

Ben is in shock. The rest of the table stares at him.

BEN
What?! That's absurd!

ALAN
What were you doing up there??

ADAM
Yeah Ben, you're not aloud up there.

BEN
I'd never been up there and just wanted to see what it looked like!!!

ALAN
You decided this was the right time to explore the office..!?

BEN
When else would I get the chance?! The door is always locked!

ADAM
(to Alan)
I'm sorry I doubted you Alan. It's clear who the killer is.

Alan nods, he appreciates it.

BEN
This is insane!! I didn't even go into the room! I just stared at it from the doorway!

HAMISH
I wasn't going to say anything, but Ben was acting very odd when we were down in the store earlier.

BEN
No! You were acting suspicious!!

ELLIE
I'm pretty certain I know who it is.

ADAM
Same here.

HAMISH
I'm voting Ben.

BEN
It's not me!!

ELLIE
I'm voting Ben too.

BEN
You're making the biggest mistake
of your life!

ALAN
I'm voting Ben.

Beat.

ADAM
Me too.

BEN
This is--

EXT. PLAYTECH

Alan, Adam, Ellie and Hamish kick Ben out the front door.

BEN
--OUTRAGEOUS!!

VWOOOM

A car screams past and COLLIDES with Ben, crashing into him
and killing him instantly.

Alan, Adam, Ellie and Hamish watch from the door.

ELLIE
Okay great, that's that I guess..?

ADAM
Yeah I guess so. I guess we just
carry on with our day now?

ALAN
Yeah I mean we've dealt with the
killer now. So makes sense.

HAMISH
Great, I'm going to get back to
browsing your delicious store.

INT. PLAYTECH MAIN STORE

Hamish browses the store, while Adam whistles happily, sweeping some leaves that have blown inside. Alan stands behind the counter working away.

INT. PLAYTECH OFFICE

Ellie sits at a computer working her way through some excel spreadsheet. She seems confident the killer has been found.

INT. PLAYTECH MAIN STORE

Adam is happily working away, until he turns and sees-- Alan is walking over to Hamish.

HAMISH
Hey man, actually quick question.
Wondering if you--

SCHTING

Alan stabs Hamish in the gut.

HAMISH (CONT'D)
(spluttering)
Oh.. you.. piec'a'shit...

ALAN
(crazy Al)
Shh shh shh...

Adam watches in disbelief.

Alan turns toward Adam, smiling.

ALAN (CONT'D)
Oh Adam. Dear sweet Adam. I'm sorry
for what I'm about to do.

Alan calmly walks over to the table and pushes the big red button.

BWOOP BWOOP

Meeting called!

Ellie comes rushing down and bursts through the door.

ALAN (CONT'D)
Ellie! Thank God! I just saw Adam
kill Hamish right in front of me!!

ADAM

Wh.. what!?

ALAN

The ordacity of it!! He stared me
right in the eye and he said--

(turned to Adam)

Nobody will believe you... nobody
will believe you...

(turns back to Ellie)

Please believe me Ellie. Please.

Adam is just standing there dumbfounded.

Ellie weighs up her options.

HARD CUT--

EXT. PLAYTECH MAIN STORE

Ellie and Alan throw Adam out.

VWOOSH

A car screams by and crashes through Adam, killing him.

ALAN

Thank goodness that's dealt with.

ELLIE

Right!? Now everything can return
to normal.

Ellie turns to head back inside.

Alan turns toward camera and smiles. He SLAMS the grated door
shut and turns to head back into the store.
