

Later...

Welcome to Red's boutique. How may I be of service.

I have an appointment, I'm eager to see what you've prepared for us.

What does she mean by us...

1 Ah! Madame Mei, Apologies for not recognizing you sooner.

2 I will now go and ensure no one enters this boutique until you are done.

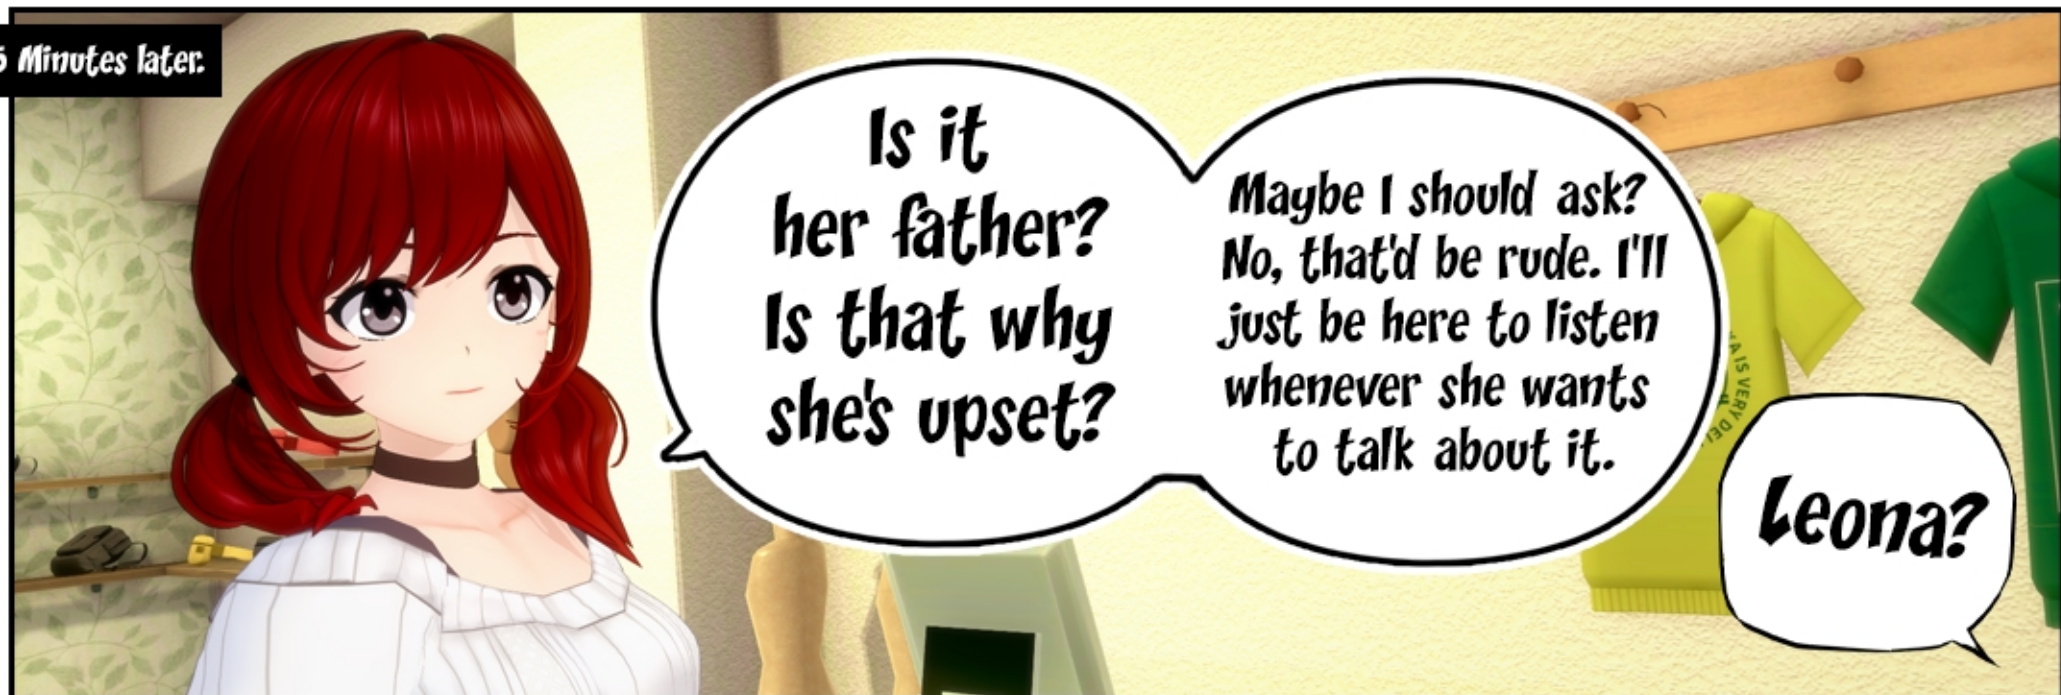

My father... S-Sure.

3 I have prepared a variety of styles and placed them in the changing booth.

4 Please give my regards to your father.

Father...

Mei, is everything alright? You seem upset.

So what do you think?

Does it suit me?

Y-You...

It's okay, you don't have to force yourself. I suppose this isn't really my style.

You look A-MEI-ZING!

You like it that much, huh?

Hehehe...

I LOVE IT!

Mei
Maybe, I'll buy you this one~

Let me try a different style...

Leona
B-BEST DAY EVER!

2 Minutes later...

Haha...

If you react like that, you're going to make me blush...

Mei

If she likes it... I'll get it. B-But... It is a bit vulgar... But for Leona...

Leona

Calm down Leon! Take this seriously! S-She wants your opinion not your lust!

WAH?!

It's nice, but... maybe... How do you feel about it..

Leona

W-Were her breasts always that big...

My eyes
are up here
Leona~

S-Sorry...
I was just...
You got
me...

Mei
Did she notice I
was uncomfortable...?
Your more perceptive
than I thought Leona...
I dont mind if you
peek a bit. Hehe...

Hehehe...
It's not like you
haven't seen
them before.
You naughty girl.

Yeah...
Haha-!

Huh?

Boing!

Wah?

I-I'm not looking I swear!

I-It's alright you can look...

Huh?

Am I... No good..?!

Turn!

**You're
Beautiful!**

**Then why
wont you
look?**

**Do you want
me to look?**

That's...

Then I won't look!

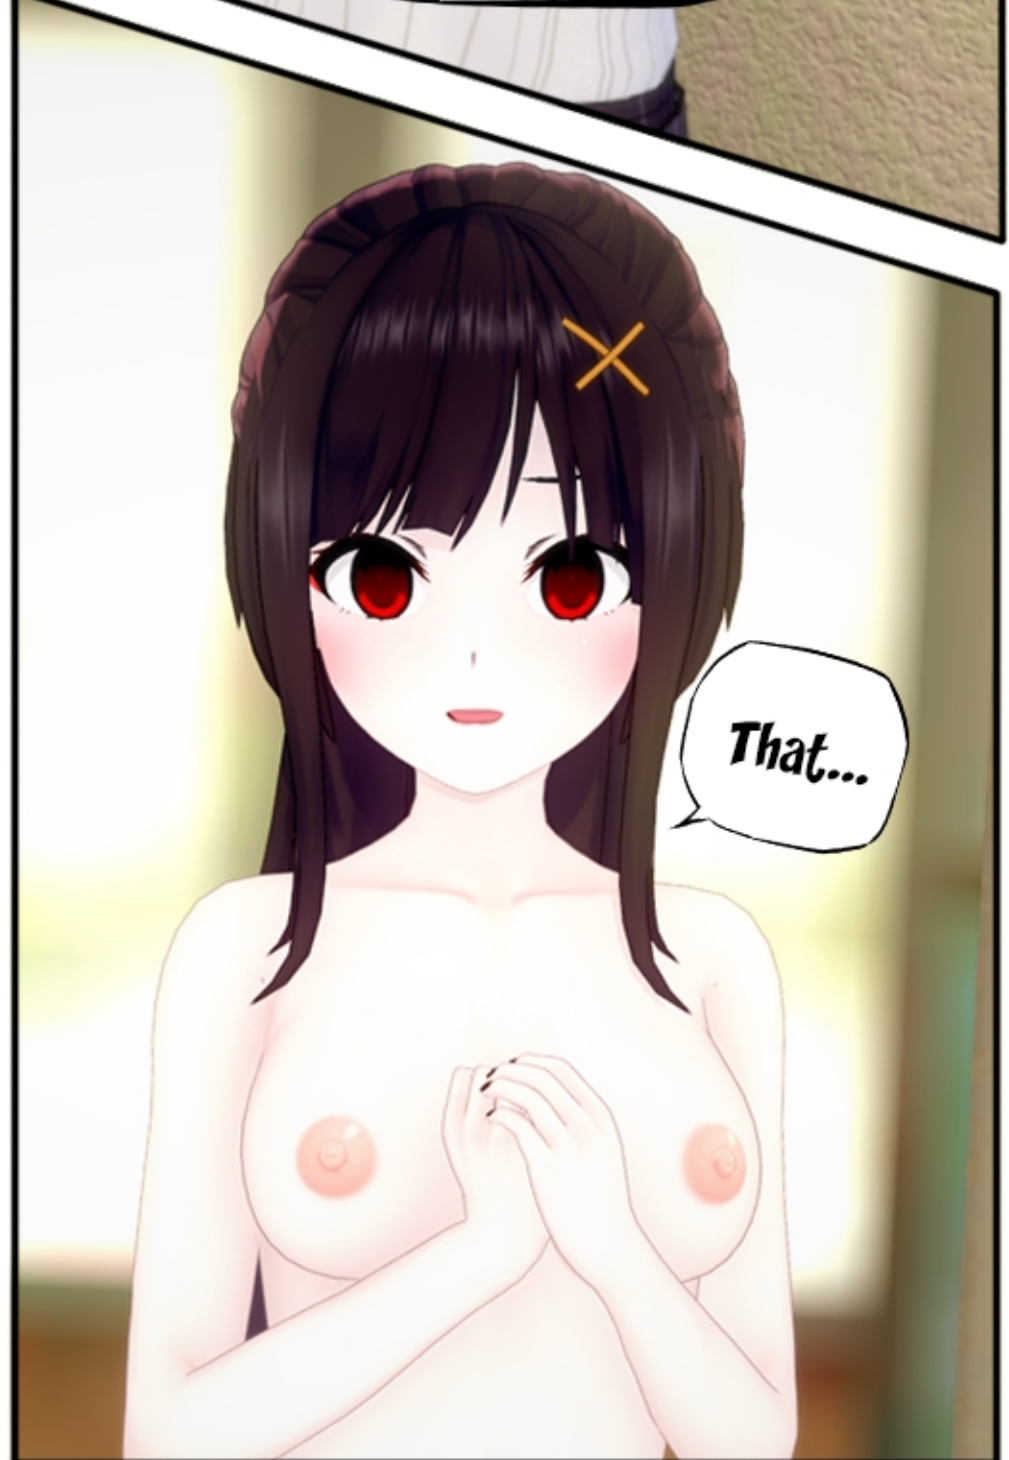

I may not understand everything that's happening, but there's something my closest friend once said to me when I was feeling low...

Huh?

Everything's going to be alright!

That...

*It's going
to be alright.*

**She's not
like my father...
She doesn't think
I'm useless...**

**She refused to
take advantage
of me..**

**Was I...
Testing her?**

I'm sorry Leona...

I've made up my mind.

**For Leona's sake,
I must overcome my past...
even if it means facing the
demons I've long tried
to bury.**

To save Leona, I must break my oath...

I must seek help from my father.

Eh

You can look.

You sure?

Yep!

What do you think?

I like this one the best!

Leona

She's back to normal!

A-MEI-ZING!

You said that already!
