SO THE SHARK BROTHERS, ONCE HUMAN,
WERE OFFERED OVER TO THE SHARK GOD
AND WOULD SERVICE HIM EVERY NIGHT.

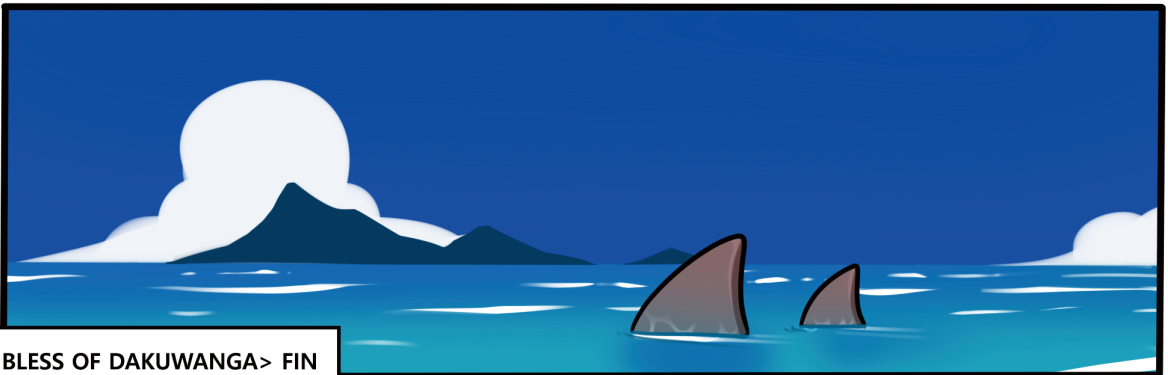

AND DURING THE DAY, THEY
WANDER AROUND THE SEA
IN THE FORM OF FERAL SHARKS.

MYTH CIRCULATED AMONG FIJIAN FISHERMEN.
IF YOU SEE TWO SHARKS SWIM TOGETHER,

THEY SAY THAT YOU CAN CATCH
A LOT OF FISH BY GIVING YOURSELF
UP TO GET CUM FROM THE SHARKS.

My first cartoon was completed through patreon!
I really like sharks, So I wanted to draw comics with sharks.

It's my first time drawing a comic, So It's little clumsy.

The motive of this comic is the Dakuwanga the shark god in the Polynesian myth.
what I draw is not a real myth but a 100% fiction. the interesting thing is,
Even Dakuwanga the shark god was once human.

A human brother get kidnapped as sacrifices, then becomes a loyal slave to the shark god...
It's all my fantasy, but It sounds like a myth anyway!
