*A note about the sketchbook portion of this:* There are a few NSFW/spoiler things in the back of this, which I have again marked where they start. I've been trying to focus on making pages this month, so there aren't quite as many sketches.

I forgot  
how to  
draw

cont of did it hurt :)

it's a pickup line

how  
anyone  
this dense?

Yanno - someone asks you "did it hurt?" then you say "did what?" + they reply "when you fell from heaven" do you get it?

Yeah, but - does that even actually work on anyone?

generally not.

*(UHH OK SO I MIGHT HAVE TO GIVE GANNET A TAIL AND I'M REALLY CONFLICTED OVER IT.*

*I don't want to. I really don't. But his back story kind of requires that he has one so he can fly??? Idk but for awhile there might be a lot of potential tail designs in my sketchbook as I try to make myself not hate it or find a way around it.)*
