PERKS: *Beautiful, Expert (Shinto religion), Licensed (Armed carry in public), Hidden Technique*

CYBERWARE: *Bionic Limb Replacement - military (right arm, right leg), Bionic Organ Replacement (right kidney, right lung), Brainjack, Poly-Mesh Bone Lacing, Vanity Implant (right breast).*

MARTIAL ARTS: *Tetsuhanedo (9 OP, Breakfall, Brick Break, Defensive Stance, Haymaker, Martial Arts Weapons (nihonto style Japanese swords), Quick Draw), Hidden Technique (Kiai)*

NOTABLE EQUIPMENT: *Smart phone (AI 4), ID card, White Card (25rp). Trixie also carries a sword most of the time, usually a bokuto (MP 3, DC 3; two-handed, muscle-powered), or simple katana (MP 3, DC 4; two-handed, muscle-powered), or her mono-edge katana "Kabekiriken" (MP 2, DC 7; rend, two-handed).*

HISTORY: *Trixie is a human cyborg from the planet Angelus (Earth Colony 37). She lost her right arm and leg in a rogue juicer attack as a toddler, and spent her childhood at an orphanage for special needs children. In her early teens she got her cyberlimbs and started training martial arts. She left the orphanage to live with her sensei who became a surrogate grandfather for her.*
