Jack's Fairy Tale

Jack is on his way home. He had a terrible day because he was fired. But where one door closes, another one famously opens, and this is the beginning of Jack's fairy tale. And so, we begin. Once upon a time...

I can't believe they fired me... Just because of my earrings and haircut!

They claim to be open to diversity, but it's all talk, isn't it?

What's this? 'Spells 'R Us'? Really? Looks like some cheesy magic shop...

But something about it... I don't know, it's drawing me in...

Jack's Fairy Tale

AH, JACK!
WELCOME TO
SPELLS 'R US. WHAT
BRINGS YOU HERE
TODAY?

Spells 'R Us?
What nonsense. But...
maybe a distraction is what
I need right now.

How does
he know my name? That's
is weird...

Uh, just
browsing. Not really
into - magic.

I UNDERSTAND,
YOUNG LADY. IT'S THE
RIGHT OF YOUTH TO BE
SKEPTICAL, BUT...

... WELL, JACK,
YOU MIGHT FIND THIS
INTERESTING. IT'S A TOME
OF TRANSFORMATION SPELLS.
I SENSE YOU'RE SEEKING
SOMETHING.

Wow, that's
a brilliant trick,
but...

... Transformation
spells? Like what?

Jack's Fairy Tale

EVERYTHING
YOU NEED FOR THE
TRANSFORMATION YOU DESIRE.
BUT REMEMBER, JACK, MAGIC
ALWAYS COMES WITH
A PRICE.

Like a
gender change... It's
what I've always wanted.
But what's the catch??

CONSIDER
THIS A GIFT, JACK.
THE TOME IS FREE, BUT
HEED MY WARNING.

Alright,
I'll take it. Thank
you.

As Jack exits Spells R Us, tome in hand, a whirlwind of emotions envelops him.

Excitement and anticipation blend with apprehension and uncertainty. Yet, amidst this mix, a glimmer of hope shines, a newfound sense of possibility. With each step away from the mysterious shop, Jack ponders the journey ahead, aware that becoming his true self may be more challenging than he realizes.

With resolve, he sets forth into the unknown, prepared to embrace whatever the future holds as he heads back home.

Jack's Fairy Tale

In the evening, in Jack's living room, everything is prepared for that one, special moment.

Alright,
let's begin!

Mulier mente,
in corpore vir, hic evocator
est.

Ἐπιτάσσω,
ὅπως οὗτος ὁ
άνήρ ἀπό τοῦ νῦν
γυνή ἔσται!

Pretium huius
persolvit, sed mutat
virum, ut perficiat eam femina,
meus imperium est. Nunc et in perpetuum,
quasi numquam aliter fuerit. Nunc et in
perpetuum, quasi numquam
aliter nata esset.

Ἐπιτάσσω,
ἵνα ὁ σῶμα καί ἡ
ψυχὴ οὗτος σχηματισθῶσιν κατὰ
τὴν ἐπιταγὴν ἄλλων ἀνθρώπων·
αὕτη ἔστιν ἡ τιμὴ μου.

It takes , Jack half the day to assemble the necessary items for the spell from the book – but surprisingly, everything listed is already in his possession or easy to acquire.

Ἐπιτάσσω, ὅπως οὗτος ὁ άνήρ ἀπό τοῦ νῦν γυνή ἔσται!

Plenum pectus,
iuvenilis recens, magnus clunes, mens
simplicissima.

ἐν πᾶσιν
θεοῖς, ἐπιτάσσω
καί οὕτως
γενέσθω!

With eagerness, he begins the task... the warning from the old wizard earlier in the day is already forgotten...

Formate hunc corpus,
sicut alius unquam sperat, et sinite
eam splendescere in
nova luce.

SO BE IT!

Jack's Fairy Tale

Well, I don't really understand that gibberish... I just hope my pronunciation was correct!

I feel drained. But somehow also... elated...

STUFFED

Jack's Fairy Tale

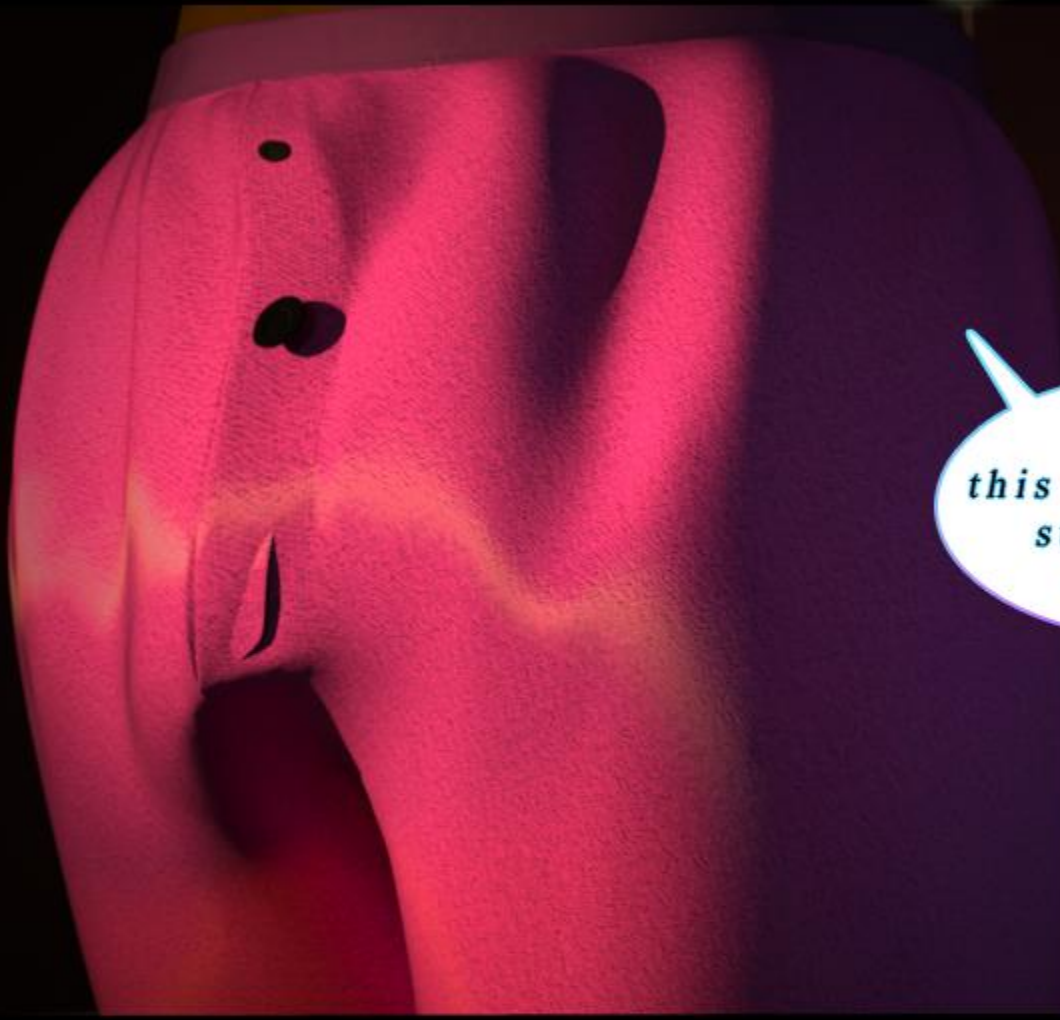

... I can't
denie that I feel kinda
hot... horny. My body's tingling,
but not in an unpleasant
way.

°ENLARGE°

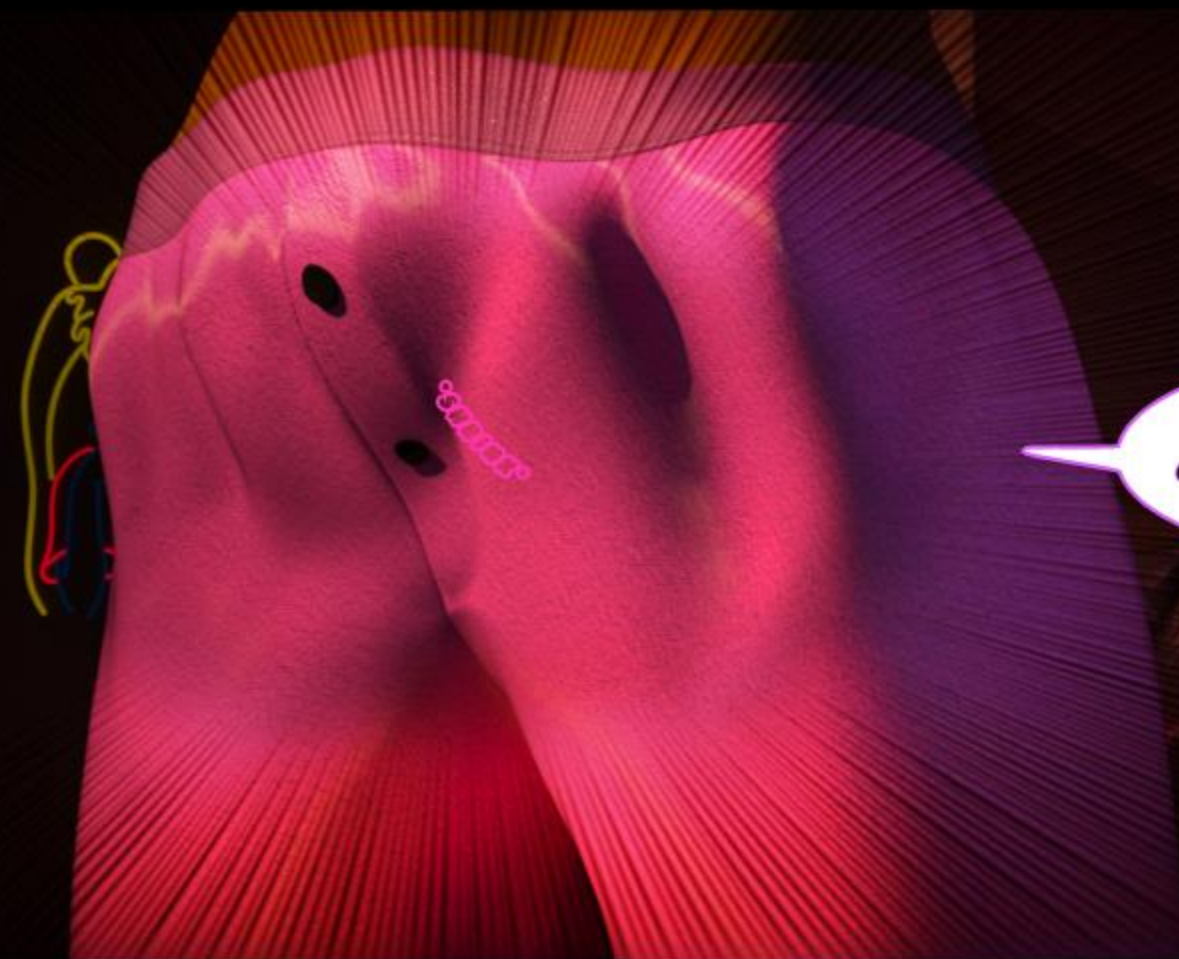

°SWEET°

Oh, my God!
My nipples... they've
never been so stiff before.
Does this mean the chanting works? I never
believed in magic before... ohh... I would
never have tried using that book if
it hadn't been given to me...
but it works!

Jack's Fairy Tale

What is this feeling... so strange yet exciting?

My crotch... it's changing... it feels incredible...

My penis... it's gone...

... I never thought this would happen to me... it's fantastic!

Jack's Fairy Tale

Jack's deepest wish was granted. His rugged, masculine features transform into delicate, feminine beauty, further , softened by a feminine hairstyles and jewelry. Jacqueline emerges, the embodiment of her true self - a journey from the masculine to the feminine, with a touch of grace... along with a touch of magic.

Jack's Fairy Tale

I can't believe it!

Finally, no more pretending... the days of wigs and ill-fitting prosthetics are over...

I need to use the bathroom! I want to see my feminine self...

Jack's Fairy Tale

Everything has changed! Just look at this body... it's like a dream. And everything else is different too - my wardrobe, makeup, even my ID.

I am now Jacqueline Sophie Bouchard - there never was a Jack Bouchard! I am sooo happy!

I think I may have lost my job... but that's okay. I'll stop by the college to submit my application to become a teacher. With my qualifications, they can't turn me down!

Jack's Fairy Tale

I landed an interview right away - my transformation is going to be a complete success!

I wonder who she is and what she's doing here.

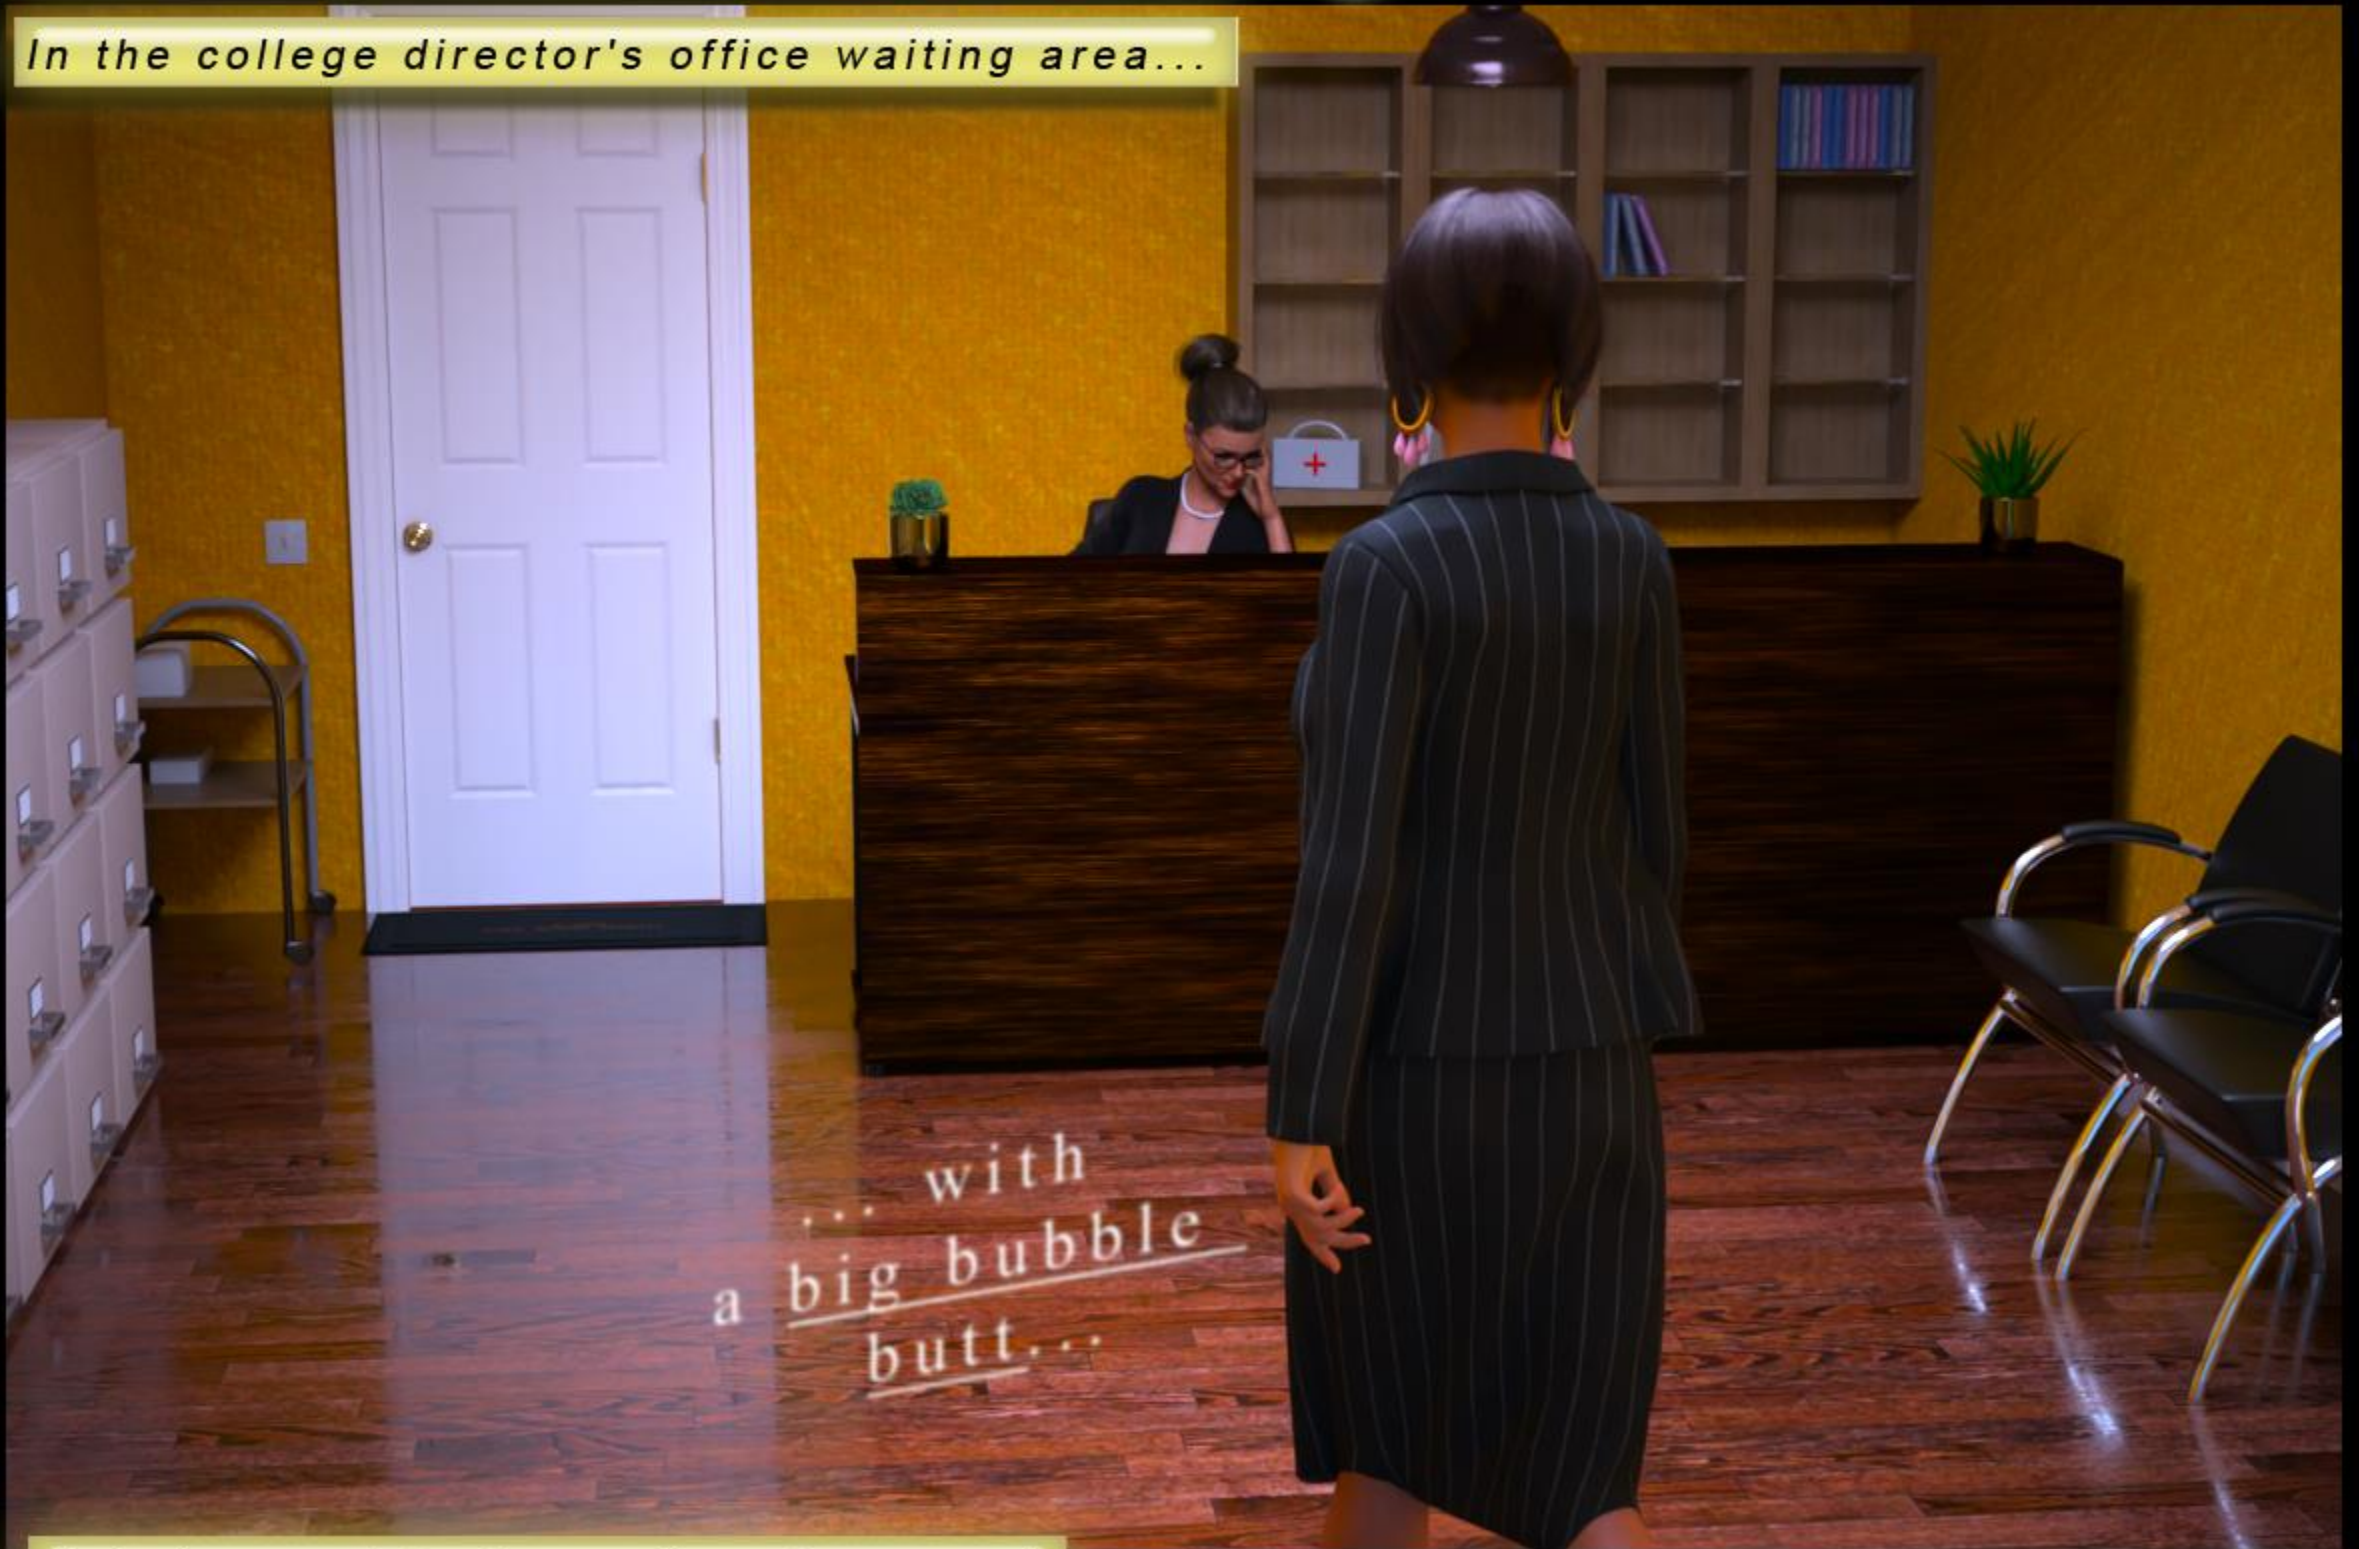

Dang, she's a perfect 10. If only she were my age and here at college...

Yeah, ... if she had a big bubble butt, she'd fit in perfectly at the PBB sorority!

And so, just hour's after Jacqueline's initial transformation was complete, her life takes an unexpected twist... thanks to the wording of the spell.

Jack's Fairy Tale

In the college director's office waiting area...

... with
a big bubble
butt...

Unbeknownst to Jacqueline, her round female buttocks begin to swell noticeably...

SWELL

STRETCH

WOBBLE

... growing larger and larger, causing her skirt to rise.

Jack's Fairy Tale

Until finally, her skirt, can barely conceal the well-proportioned bubble butt.

Good day, Ma'am.
My name is Jacqueline Sophie Bouchard. I...

Ah,
yes, the director
requested your presence,
Miss Bouchard.

And next
time, please wear a
longer skirt; it's not appropriate
for our students to dress
so provocatively.

God,
I wish I could be young
again and dress
like that...

...she
were my age and
here at college...

Jack's Fairy Tale

It starts subtly, a tingling at the tips of her fingers and toes. Slowly, the feeling spreads through her limbs, her skin tightening and smoothing. Wrinkles and fine lines vanish, replaced by a youthful glow.

She didn't even let me finish speaking... she seemed to think I was a student...

Her body begins to change, muscles firming and curves shifting back to their youthful shape. Her hair grows longer, becoming thicker and shinier, losing any traces of gray.

... not that was wrong about that, the old boomer!

Completely unaware of the transformation, Jacqueline went into the director's office..

Jack's Fairy Tale

What a curvaceous butt!

With those curves... it's a shame she's wearing such an old-fashioned blazer and shirt. Her breasts must be full and firm. Err... Alright, that's enough! Get it together, Edward.

Um, excuse me, sir. Mrs. Applebee said I should to come see you?

Um... yes, well, won't you take a seat, Miss?

Jack's Fairy Tale

Ah, here you are, Miss Bouchard.

...SHE'D FIT PERFECTLY INTO THE PBB SORORITY...

I'm pleased to inform you that Phi Beta Barbie has requested your membership.

... HER BREASTS MUST BE FULL AND FIRM...

According to your test scores, you'll be a good fit there, even though your grades at your previous college were top-notch.

Jack's Fairy Tale

But sir,
there must be
a mistake.

Due to
my previous college
closing a major mid-year, I
had to transfer in order to
achieve my academic
goals.

My grades are
straight A, and yet I'm being
placed in the PBB sorority? Rumor
has it they only accept
girls who...

NO!
There must be a
mistake here!

One
moment, let me quickly check
the data.

Jack's Fairy Tale

Miss Bouchard,
I've carefully reviewed
your records, and I do
believe our assessment
is correct.

Your skills in
cheerleading and your
experience in beauty and gossip
studies make you a perfect
fit for Phi Beta Barbie.

Despite your lack of
any formal education, including a
high school diploma, we highly
value your expertise in
these areas.

The PBB sorority
allows girls with such skills
to thrive, and I believe you'll
contribute greatly to your
new community.

Jack's Fairy Tale

Ugh, fine.
Can you tell me where
the stupid sorority house is,
or do I have to figure it
out on my own?

Miss Bouchard,
you can't miss it. As
soon as you leave the building,
you'll see a large sign directing
you to the sorority
houses.

What? No, way...
I have no sense of direction,
seriously! Isn't there someone
around here who can take
me there?

Ugh, I really
hope my roomie doesn't touch
my makeup... I absolutely
hate that.

Jack's Fairy Tale

Jack - or rather, Jacqueline - manages to find her way to the sorority house (the path was indeed clearly marked), where she meets another young girl, presumably a sorority sister.

Hi, I'm
Jacqueline, a
new member of the sorority... umm...
this is the Phi Beta Barbie
house, right?

???

Jack's Fairy Tale

Like, OH!
EM! GEE! You're
the new sorority sister?
How awesome
is that?

Having another
girl with naturally platinum
blonde hair in the sorority
is going to be great... but I'm,
totally rambling. My name
is Cassy! We're going
to be roommates!

So, how
long did it take for your gorgeous
platinum blonde hair to grow
sooo long?

I...
umm...
what?

Have you met
any guys yet? There are
some super-hot muscle guys
around campus, but you gotta
be a cheerleader to catch
their eye...

Oh, are you
on the squad? I am,
and let me tell you, the boys
go crazy for us... it's
really awesome!

Yea,
I'm a...

Heyyy, you're
so quiet! Oh, and watch
out for Mr. Jourbon - he's into curves
like yours, which look totally fab,
especially in that skirt.

We've gotta
go shopping tomorrow...
Do you love shopping? Of course
you do, you're in PBB! I know
this awesome makeup store you
absolutely have to
check out!

...

Jack's Fairy Tale

Wow!
That's a lot to take in,
but it's nice meeting
you, Cassy.

Like,
nice to meet you
too! *giggle*

I... I'm actually
here on a cheerleading
scholarship...

What? You're
a cheerleader too?
Like, how cool
is that?

... but I'm
confused. Why do you
think I have long, platinum
blonde hair?

Jack's Fairy Tale

Oh my gosh, because all the girls in PBB have blonde hair! It's like, totally our thing, silly!

... YOUR CORGEIOUS LONG PLATINUM BLONDE HAIR...

VOLUME

There are, like, sooo many shades of blonde hair? I happen to be this super-cute shade of strawberry blonde, and you...

BRIGHTEN

... You're totally the platinum blonde type, with long, straight hair and like, so much volume! Tee-hee!

By the way, should I show you around, or can you, like, find your way? It took me forever to find my way around campus!

But usually, there are always some super cute guys around for us to follow us, so it's, like, no big deal, you know?

LENGTHEN

Because, like, as Phi Beta Barbie cheerleaders, we're super popular and totally in demand. All the super-hot guys want to hang out with us and we have, like, the most fabulous parties!

Jack's Fairy Tale

Geez, you're absolutely right. I could totally use a shopping trip.

My makeup case got lost during the trip here, and that is such a no-go! Me without makeup? No way! Hey, Cassy, can you lend me some until we hit the mall tomorrow?

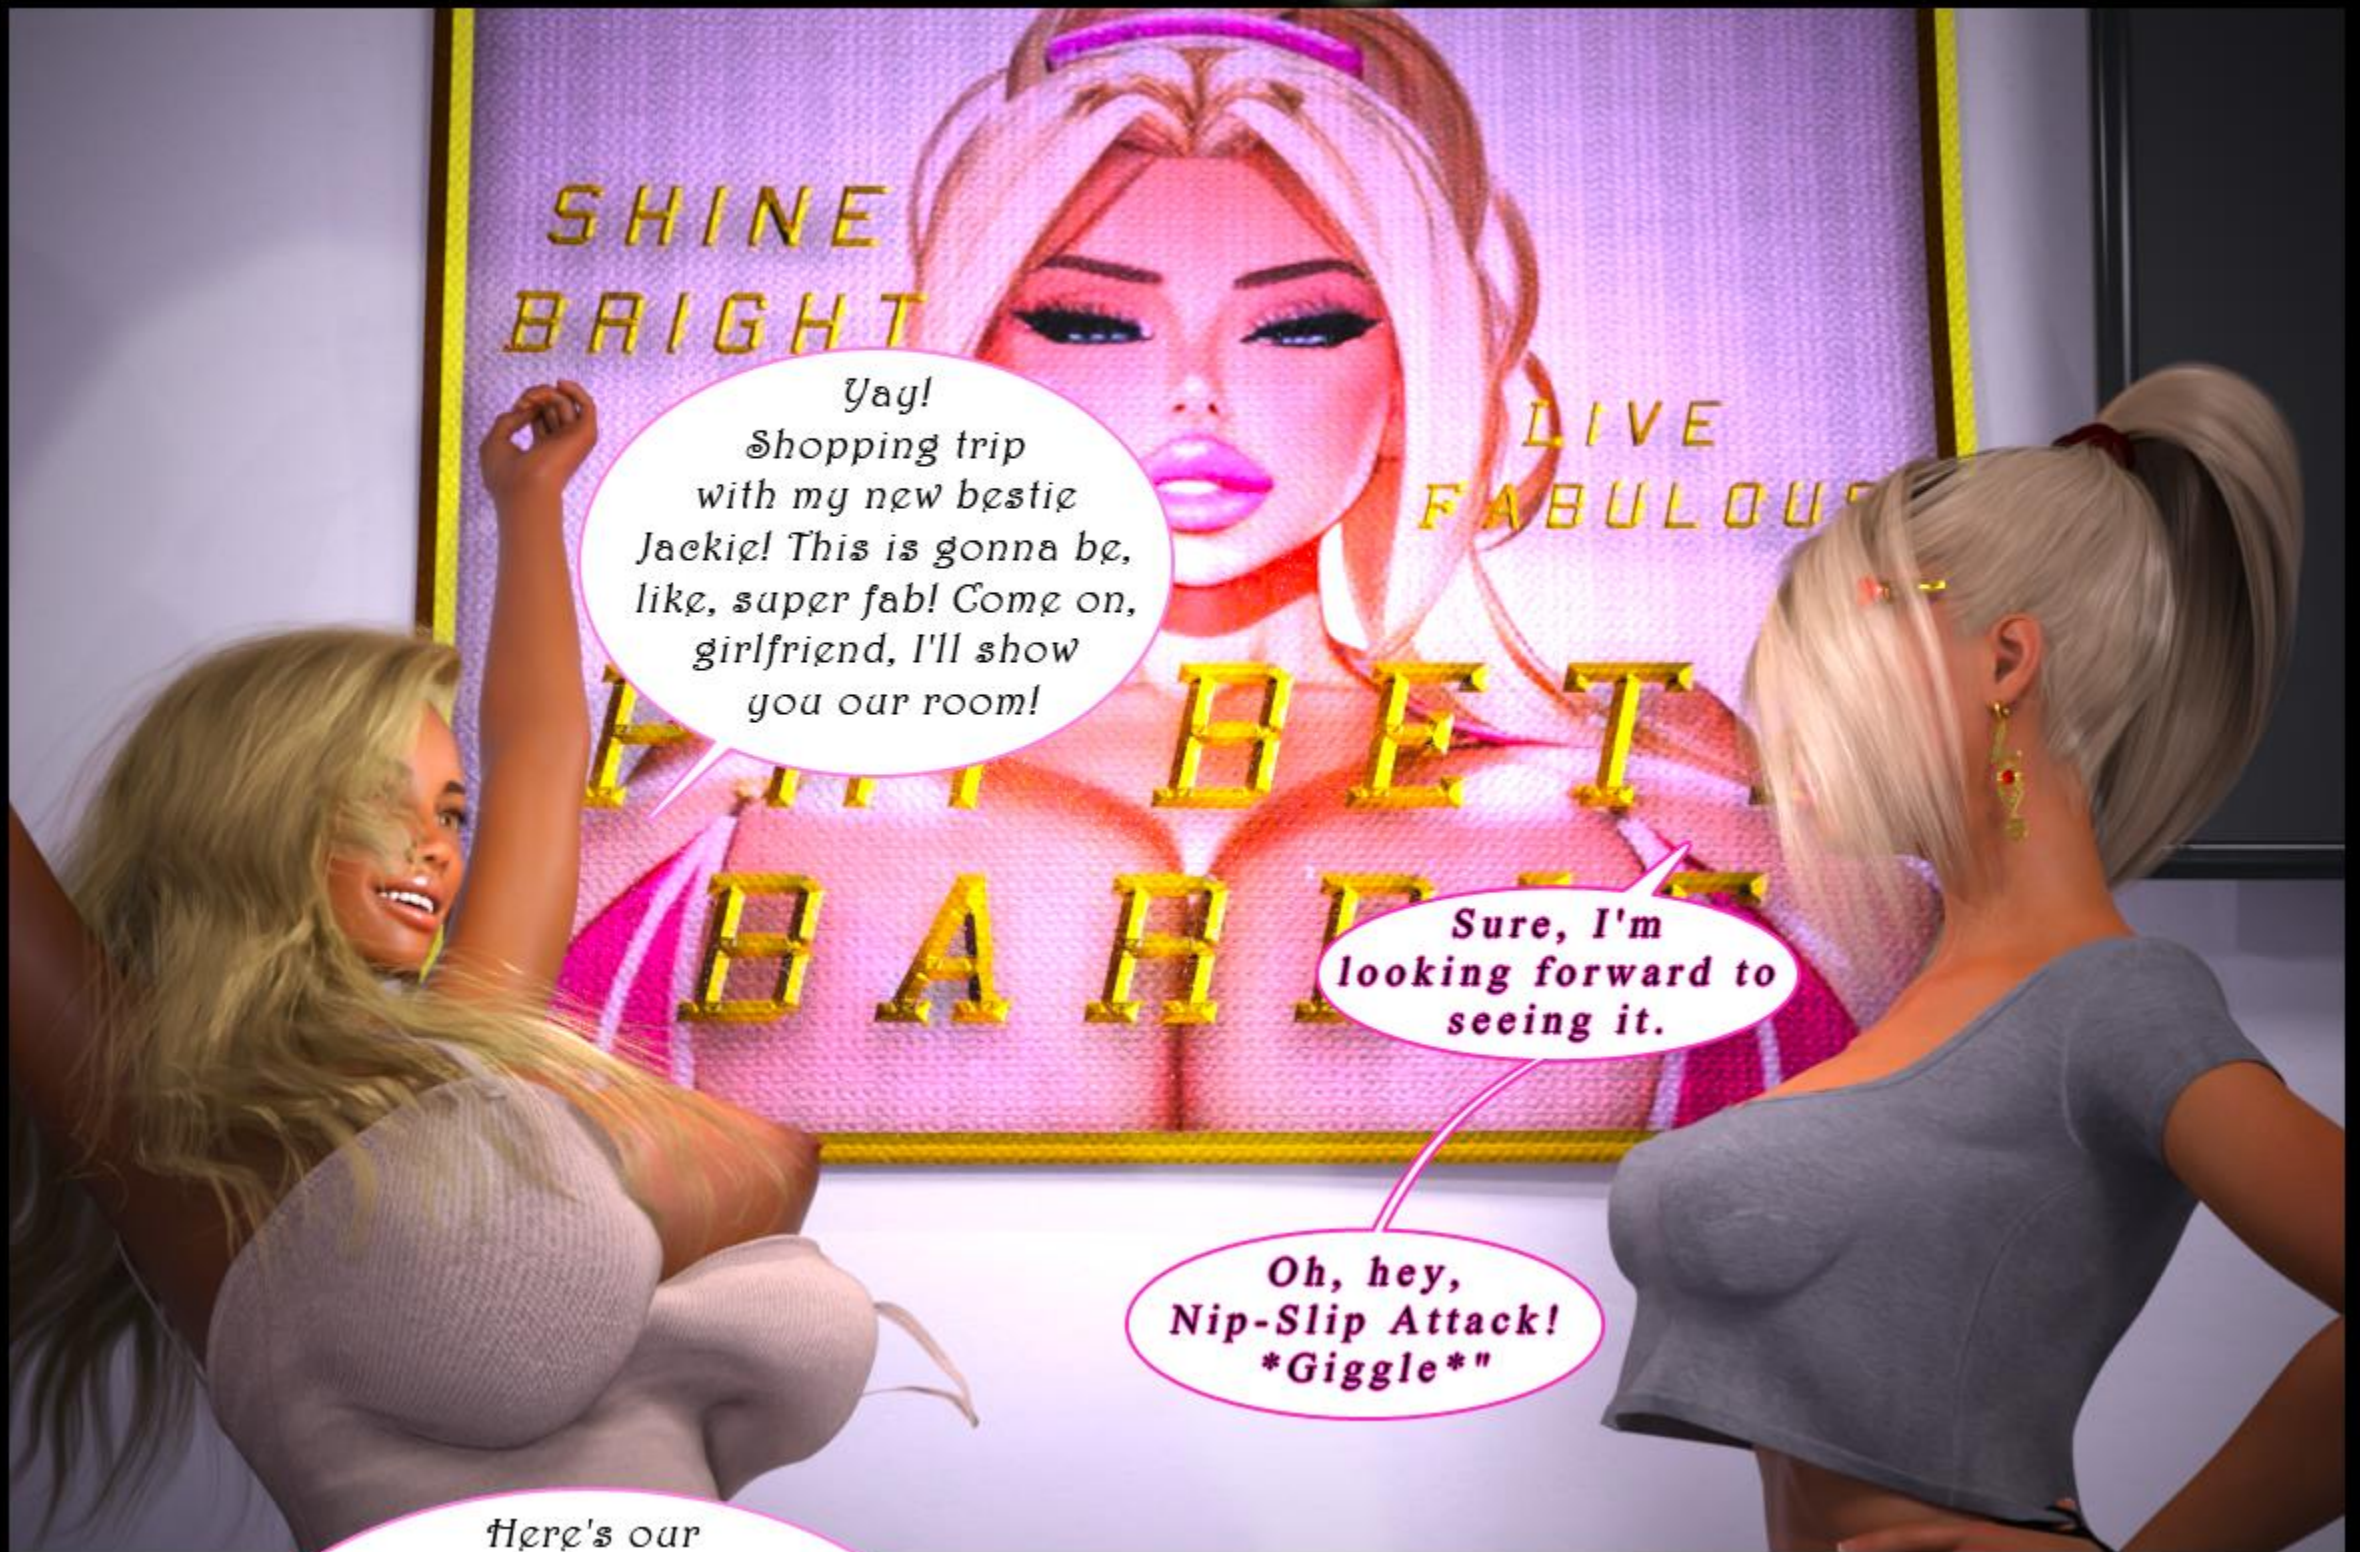

Oh my gosh, totally! I have so much makeup, you can borrow anything you need. Like, no way you can go without it!

How cool are you? Yeah, I'm totally a natural blonde, and we blondes have to stick together, right?

And, oh my gosh, we should definitely get matching outfits while we're there. That would be so fun!

A shopping trip sounds like the best idea ever! Matching outfits? That would be, like, soooo cute! I'm so excited!

Jack's Fairy Tale

Shopping trip
with my new bestie
Jackie! This is gonna be,
like, super fab! Come on,
girlfriend, I'll show
you our room!

Sure, I'm
looking forward to
seeing it.

Oh, hey,
Nip-Slip Attack!
Giggle

Here's our
room! The left side
is mine, and your bed is on
the right. When I found out I was
getting a new roomie, I like, totally
made the bed for you. It was just
covered in my stuff
for weeks!

Wow,
what a beautiful room!
Who's the woman
in the picture?

Yag, I'm so
glad you like it, new bestie!
The pic on the wall is of my idol.
She has, like, amazing boobs, and I
wish mine were that big. Do
you like yours? I think
mine are cute, but
way too small.

I kinda
like mine. Hey,
could you tell me
where the shower is,
please?

The shower's
at the end of the hall. Just
go out the door and turn
left. You can't miss it...
tee-hee!

Jack's Fairy Tale

After a taxing day, a hot shower is just what's needed. Jacqueline seems to have completely forgotten that less than 24 hours ago, she cast a spell transforming her former self, Jack - recently dismissed for coming out - into Jacqueline, fulfilling Jack's secret wish to become a woman...

She must be the new girl in our sorority. Let's check her out!

... but as you now know, the spell had a catch... whenever someone near Jacqueline thinks about her, her body and mind transform accordingly.

Wow, what a jungle she's got down there!

Reminds me of those old '80s cheap porn movies my dad used to watch.

Tee-hee I mean, we Girls in Phi Beta Barbie aren't exactly shy about porn...

... but a bush like that doesn't really suit her in this day and age. She would benefit from a smoother look!

We're all about embracing our sexuality and as our sister she should do the same.

Teacher Jack has been transformed into Jacky, a student and new member of the Phi Beta Barbie sorority... but how long will the spell last?

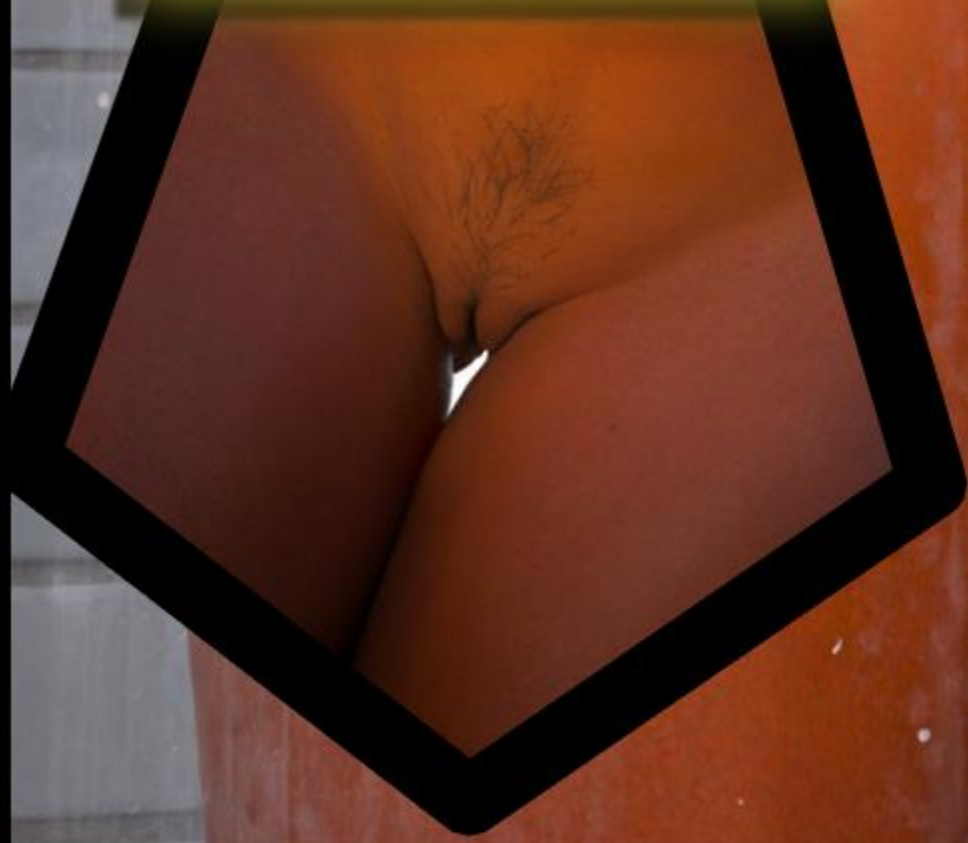

Jack's Fairy Tale

Once again, the spell works its magic on Jacky's body...

... The coarse, curly hair above her genitalia begins to thin out...

... strand by strand, until it vanishes completely...

... leaving no trace that a hair had ever sprouted in that region before.

Jack's Fairy Tale

What an awesome day it's been!

I'm finally here at this amazing college, all thanks to cheerleading - so exciting!

And then there's Phi Beta Barbie. Like, seriously? Who wouldn't want to be like Barbie?

A whole house full of hot babes who are all about cheerleading?

Can't wait to see what tomorrow brings!

Jack's Fairy Tale

The next morning in class...

Do you know the new girl, Cassy? She looks hot.

Sure, Taylor, this is Jacky, my new bestie from PBB.

So, just like you, huh?

She loves makeup, big parties, and is, like, always super fun!

Giggle
Awww, so cute... Yeah, like me... and, like, don't tell anyone...

... but she's always super flirty and always looking for the next cock, you know?

Geez, what is Cassy saying? She's making me out to be some kind of slut...

With friends like these, it's the usual classroom chatter... at least until the professor arrives.

Hey Girl, you are the new here... Jacky, right?

I'm Alex.
I'd love to get to know you better, if you catch my drift. How about we ditch class? Meet me in the hallway - I'll be waiting.

Huh?
Oh... oh, hey... yeah, I'm Jacky and...

... sure, why not? I'm always looking for some fun, hot stuff.

Jackpot!
I can't wait to feel those lips. on my cock. It's a shame they're so thin. Full Pornstar DSL's would suit her and look really cool.

... ALWAYS SUPER FLIRTY AND HOT...

... ALWAYS LOOKING FOR THE NEXT COCK...

Jack's Fairy Tale

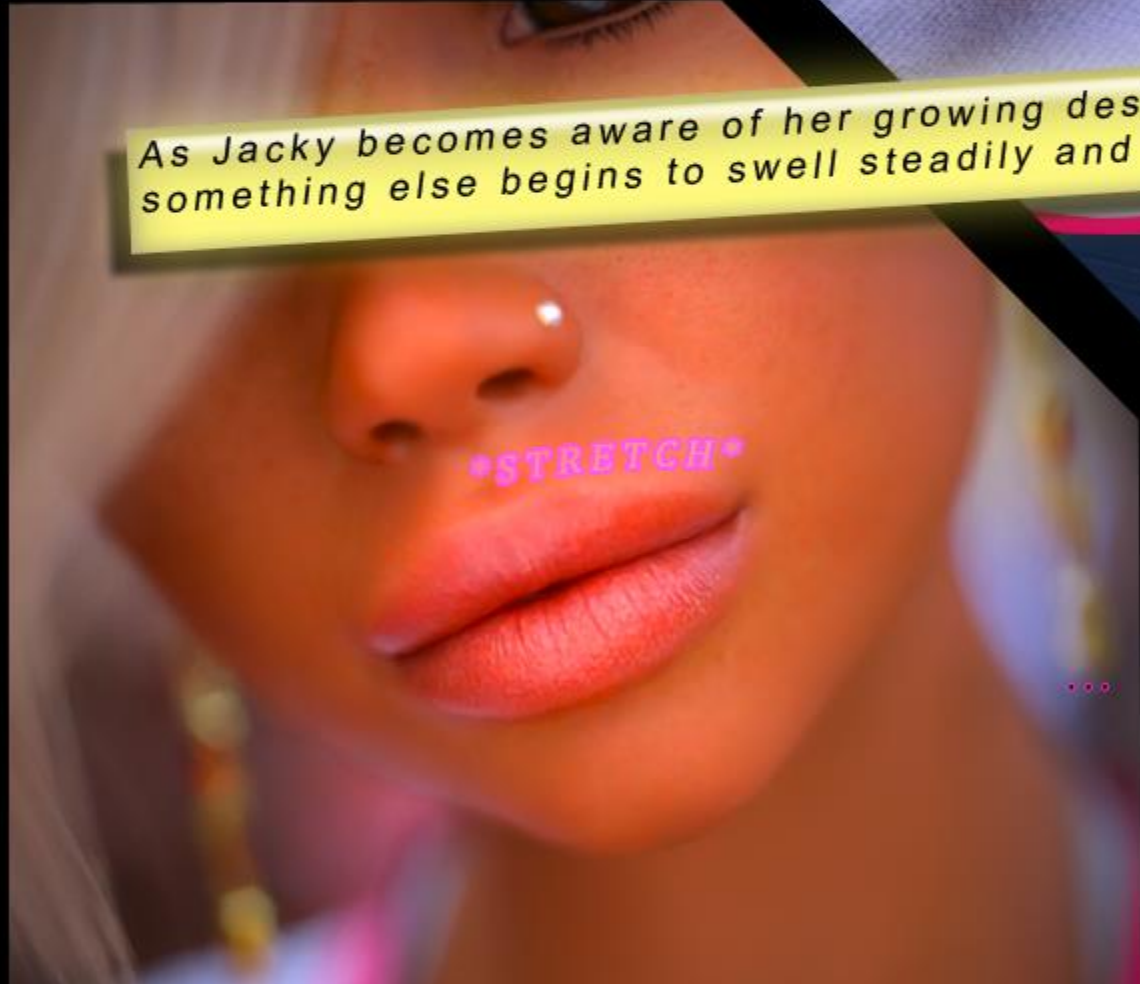

Gosh...
he is so freaking
hot. My pussy is tingling
like crazy and...
ohhh...

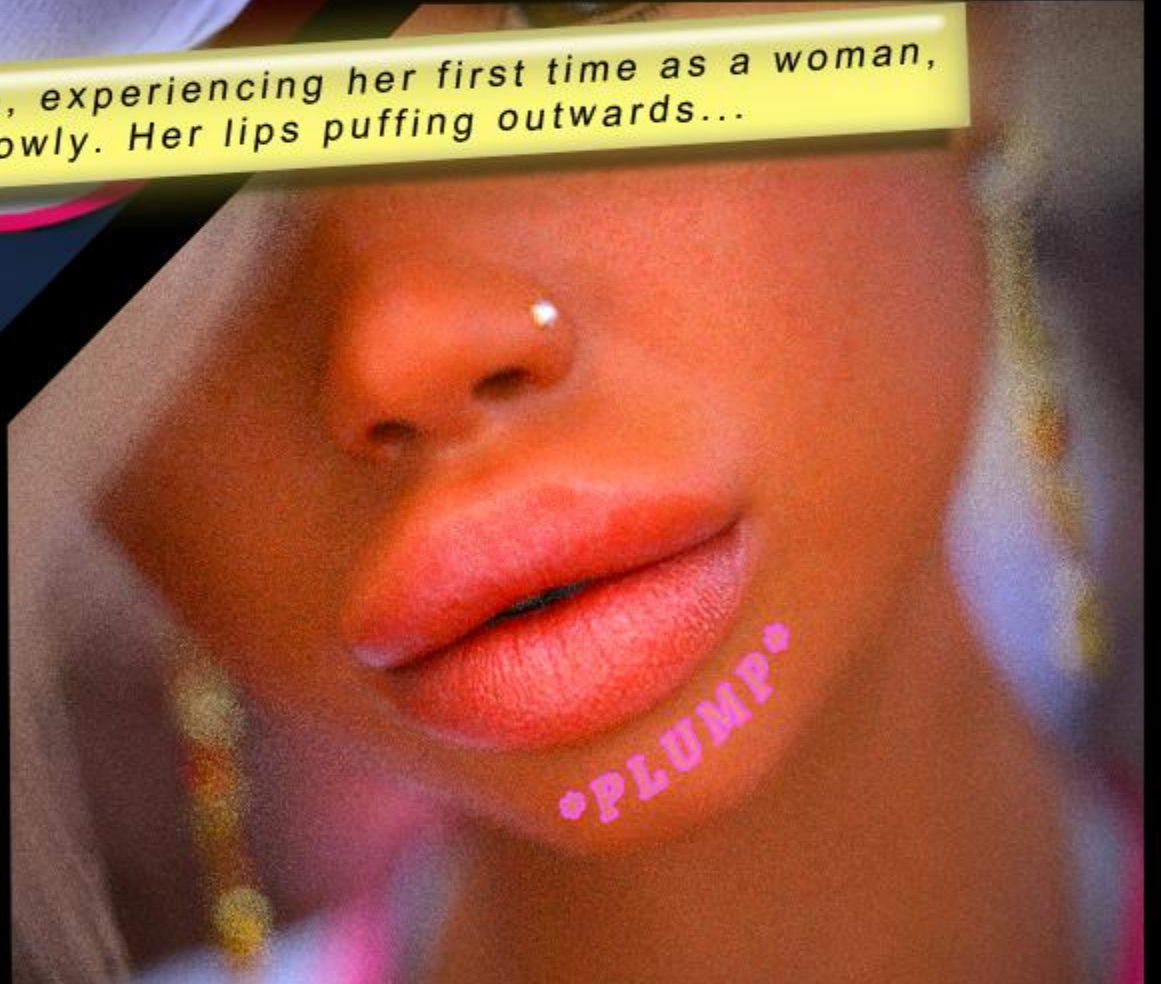

... FULL'S WOULD
PORNSTAR DSL'S WOULD
SUIT HER ...

I want...
to be kissed... mhhh...
touched... fucked - damn,
I'm so horny.

As Jacky becomes aware of her growing desire, experiencing her first time as a woman, something else begins to swell steadily and slowly. Her lips puffing outwards...

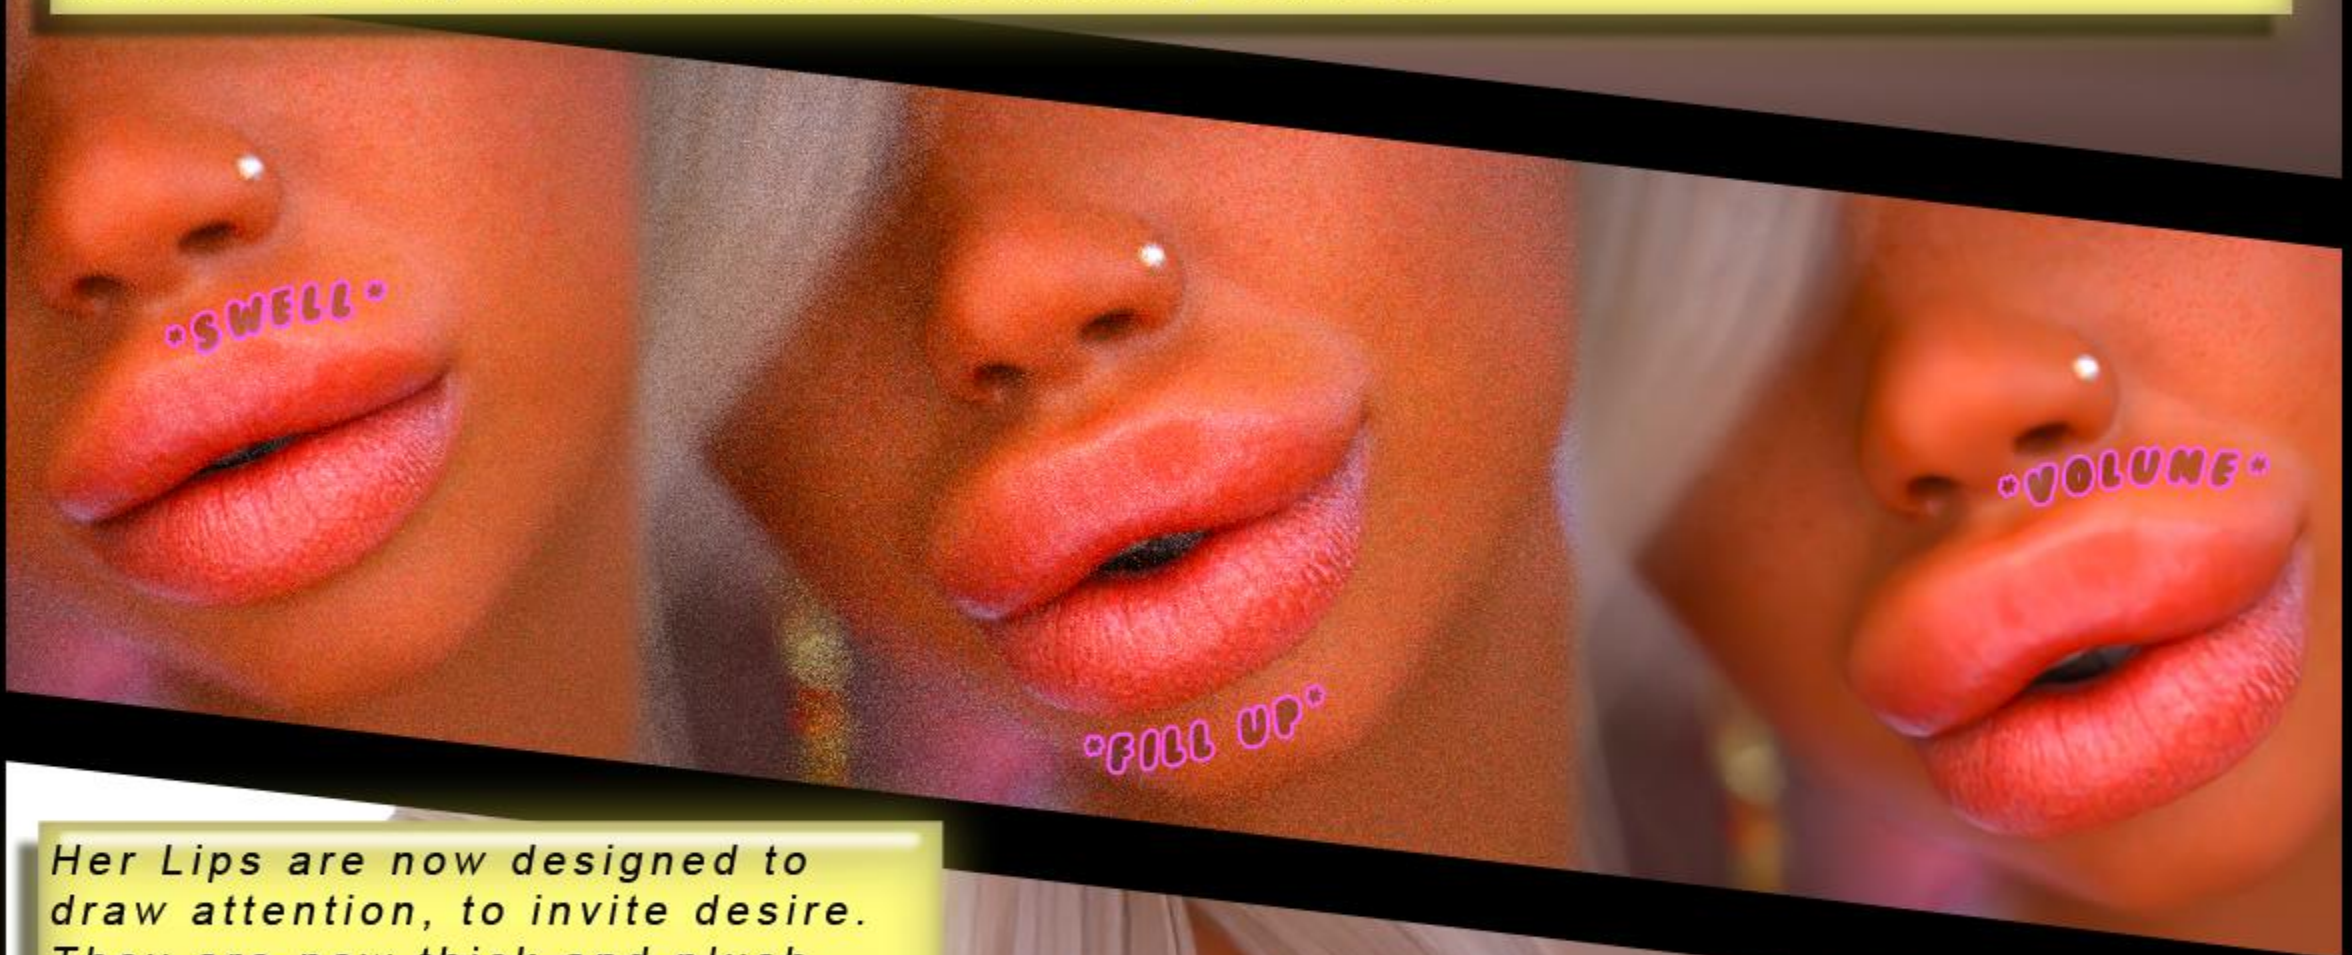

•STRETCH•

•PLUMP•

Jack's Fairy Tale

Her once modest lips begin to swell, taking on a more voluptuous shape. With every passing moment, they grow fuller, more pronounced, until they reach a size that would make any woman in the adult industry envious.

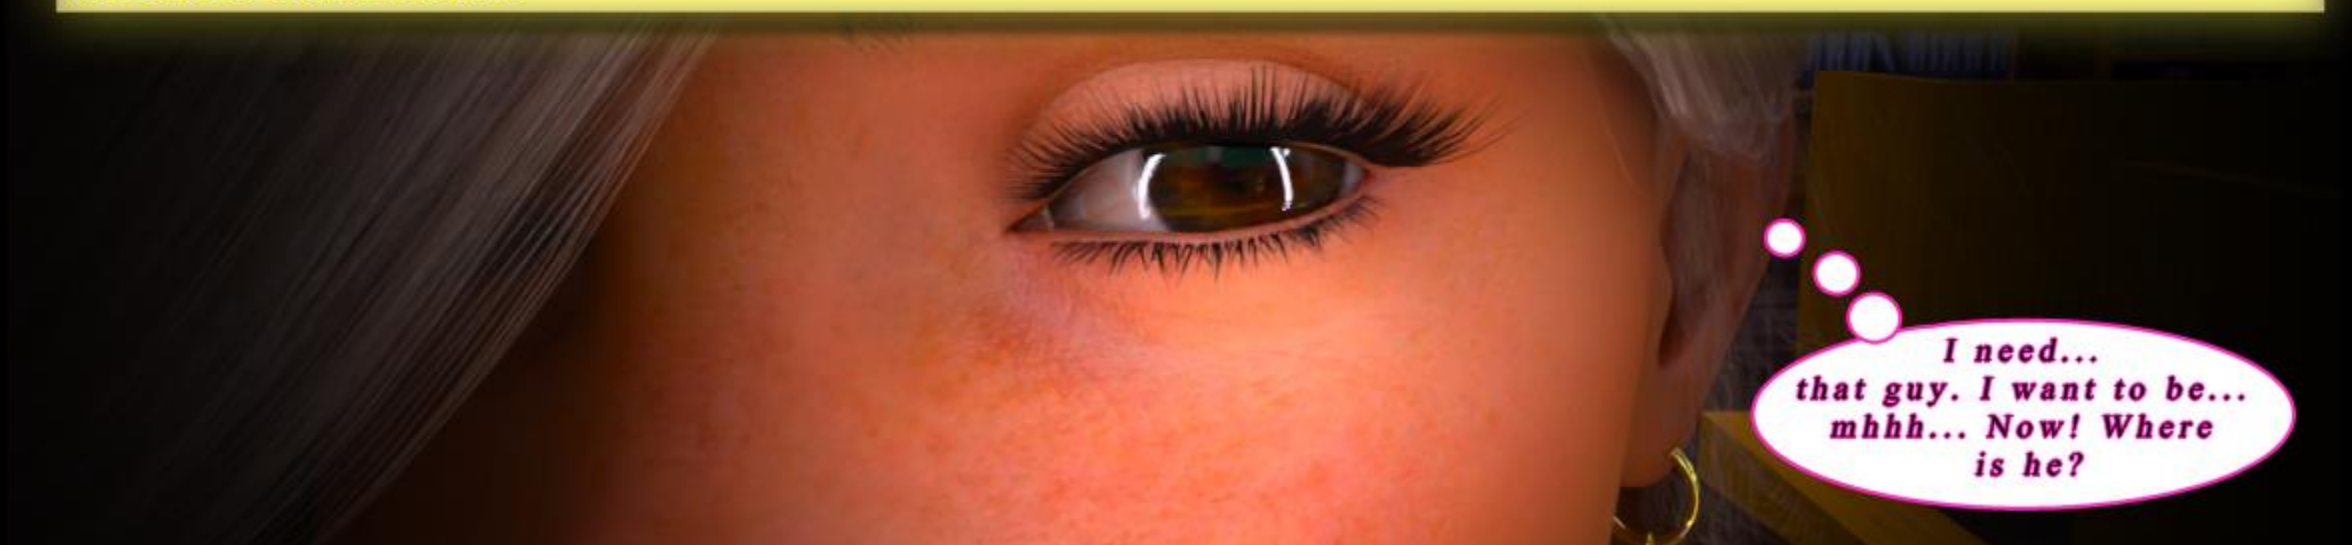

Her Lips are now designed to draw attention, to invite desire. They are now thick and plush, and seem to pulse with an almost electric energy.

Nothing's happening here... I need to explore the campus... especially the hot guys around here...

Each brush of air, each accidental graze, sends shivers of pleasure coursing through her. They have become an erogenous zone all their own, amplifying her already intense emotions.

I need... that guy. I want to be... mhhh... Now! Where is he?

Jack's Fairy Tale

I have to say, the selection of hot meat in this room is pretty impressive.

Oh... so many ripped muscles... There are definite perks to being on the cheerleading squad - hot guys are always around... hee-hee.

Gosh! I'm so turned on right now...

Jack's Fairy Tale

Hey, hot stuff. There you are. *Giggle*

Hey, girl, glad you're here! Are you...

... ready for some fun? Of course, I was born ready. Where do you want to do it? I'm so turned on right now!

Whoa, you don't waste any time, huh?

Did I mention you how sexy that outfit is? But with those hot legs and curves, you should wear even skimpier clothes to show off that body.

Wait, skimpier? I already feel like I'm barely wearing anything!

Jack's Fairy Tale

Nice, they looked way bigger in her shirt. Maybe a push-up bra? Girls and their beauty tricks! I never get enough of them.

How naughty... the girls' locker room. You like the thrill of getting caught, huh? But there's only one girl here, and she's longing for...

...your big, fat cock...

But never mind that. I can picture how she might use those enormous, fake-looking tits, or how her delicate fingers with those long, manicured nails might feel against my skin...

...between her big, fat cocksucking lips. *Giggle* Ready for the best blowjob ever?

Jack's Fairy Tale

As Jacky and Alex indulge in their sensual tryst, the magic of the spell Jack initiates is reactivated, further transforming Jacky. Her fingernails, once short, grow several inches into stiletto nails, resembling press-ons but are actually her real nails.

And small silicone pockets form beneath her breast tissue, gradually filling up.

With each breath, her chest swells larger and larger, filling her natural B-cups into impressive E-cups, reaching 400 cc of silicone to achieve their full size.

Jack's Fairy Tale

The magic intensifies with every touch, sending ripples of pleasure through Jacky's transformed body. Her mind is a haze of desire and ecstasy.

Oh,
Alex... don't
stop...

You feel
so incredible,
Jacky...

As their climax approaches, the room
seemed to pulse with an otherworldly
energy, amplifying their pleasure to
unimaginable heights.

Yes!
Just like
that...

I'm so

With a final, shuddering breath, they both reach the peak of their pleasure,
and Jacky's eye color shifts from deep brown to sky blue.

Oh
my God...
Alex...

Alex hasn't thought about
her eye color at all. Could
the climax have triggered
another change?

♥ OOH ♥
OH GOD!

Jack's Fairy Tale

That was freaking awesome. I imagined my first time a bit differently, but damn, that was intense.

Your first time? Seriously, Jacky?

You handle fucking and sucking like a pro, as if you do it multiple times a day. Wow, what for a ride!

I think the name Jacky is far too innocent for a babe like you. Bambi suits you much better. Yes, I'll call you Bambi or Babe from now on.

Tee-hee
You're right, I did fake the orgasm a bit. Well, mostly. I didn't want you to feel like just another guy.

In my experience, that really brings most guys down. You were okay, not amazing, but not bad either. You tried... Don't worry, you'll get there someday, champ.

...FUCKING AND SUCKING LIKE A PRO...

LOVE LOVE LOVE LOVE LOVE

Jack's Fairy Tale

... CALL
YOU BAMBI OR
BABE FROM...

Bambi wanders through the college halls, enjoying the buzz of her new environment. Suddenly, a familiar voice calls out to her from the left, making her turn with a bright, expectant smile.

Oh
my gosh,
Bambi! There
you are!

Ohhh...
hey, Cassy! What's up
Girl?

I've been
looking for you
everywhere, girl! So, how
was your time
with Alex?

By the
way...

Jack's Fairy Tale

Who's Alex?
Wow, the guy you spent
the last hours with... but
never mind! *Giggle*

I was
thinking we
could totally hit
the shopping
mall today!

Oh my
gosh, YES! I could
use a good shopping
trip!

Remember?
You said you lost
your makeup on the trip
here, and that's a
total no-go!

Yeah, an
absolute no-go! Me
without my makeup?
Absolutely not,
babe!

Come on,
Bambi, let's go! It'll
be a total bestie's
hopping spree!

Let's
go shopping,
Cassy!

Jack's Fairy Tale

The shopping mall in Bimboville, California, is a haven for anyone obsessed with hot clothes, makeup, hair care, and other fabulous finds. Naturally, this is where Bambi and Cassy end up. Let's skip over their extravagant shopping spree, shall we?

And so, many hours later...

That was an amazing shopping trip! Our credit cards are practically on fire.

Good thing they have a delivery service here...

... there's no way we could carry all these bags full of clothes, jewelry, and makeup ourselves!
Giggle

But we couldn't find matching bestie outfits... awww, bummer.

Should we go for another coffee, Bambi? What do you think?

Yeah, it was awesome shopping with you today. So glad we found all this cool stuff!

Next time, we'll totally nail down our bestie outfit, no doubt.

I could use a coffee pick-me-up after all that shopping!

Jack's Fairy Tale

After an exhausting afternoon of shopping, Bambi and Cassy take a break at a cozy café. Bambi, curious about her new sorority, asks Cassy about Phi Beta Barbie.

Cassy,
can you tell me more
about Phi Beta Barbie? Like,
how it all started?

Of course,
Bambi! Our sorority was
founded in the '90's by the
ultimate bimbo student.

She was
everything a Phi
Beta Barbie should be
- confident, stunning,
and always turning
heads.

She had,
like, everything - beauty
and style - but she wasn't
super-smart.

By the time
she left college, everyone
knew her as Barbie. She was, like,
the most popular girl ever, so
the cheerleaders named their
new sorority after her.

Her name
was Barbara. She started as
a top "A" student, but her
grades totally tanked.

You're, like,
totally not unlike her,
you know?

Jack's Fairy Tale

As Cassy speaks, Bambi starts to feel a tingling sensation all over her body. She looks at Cassy, her curiosity growing.

... YOU'RE, LIKE,
TOTALLY NOT UNLIKE HER...

She had,
like, the perfect figure,
you know? Tiny waist, toned
muscles, wide hips, and this
absolutely huge, perky
booty!

Plus, those
beachball-sized tits with
implants that just, like,
wouldn't quit!

Everyone
on campus was totally
obsessed with her and her
immense proportions.

Gosh,
I wish I had such
cool proportions!

No matter
how much of an airhead
I'd be, that would be the
perfect Bimbo Barbie
body for me!

Jack's Fairy Tale

... BUT SHE WASN'T
SUPER SMART...

Oh wow,
like, that sounds,
um, incredible!

Bambi's waist begins to shrink, accentuating her hourglass figure with each passing second, as her muscles become more defined and gain strength.

...TINY WAIST. TONED
MUSCLES...

STRETCH

POP

Jack's Fairy Tale

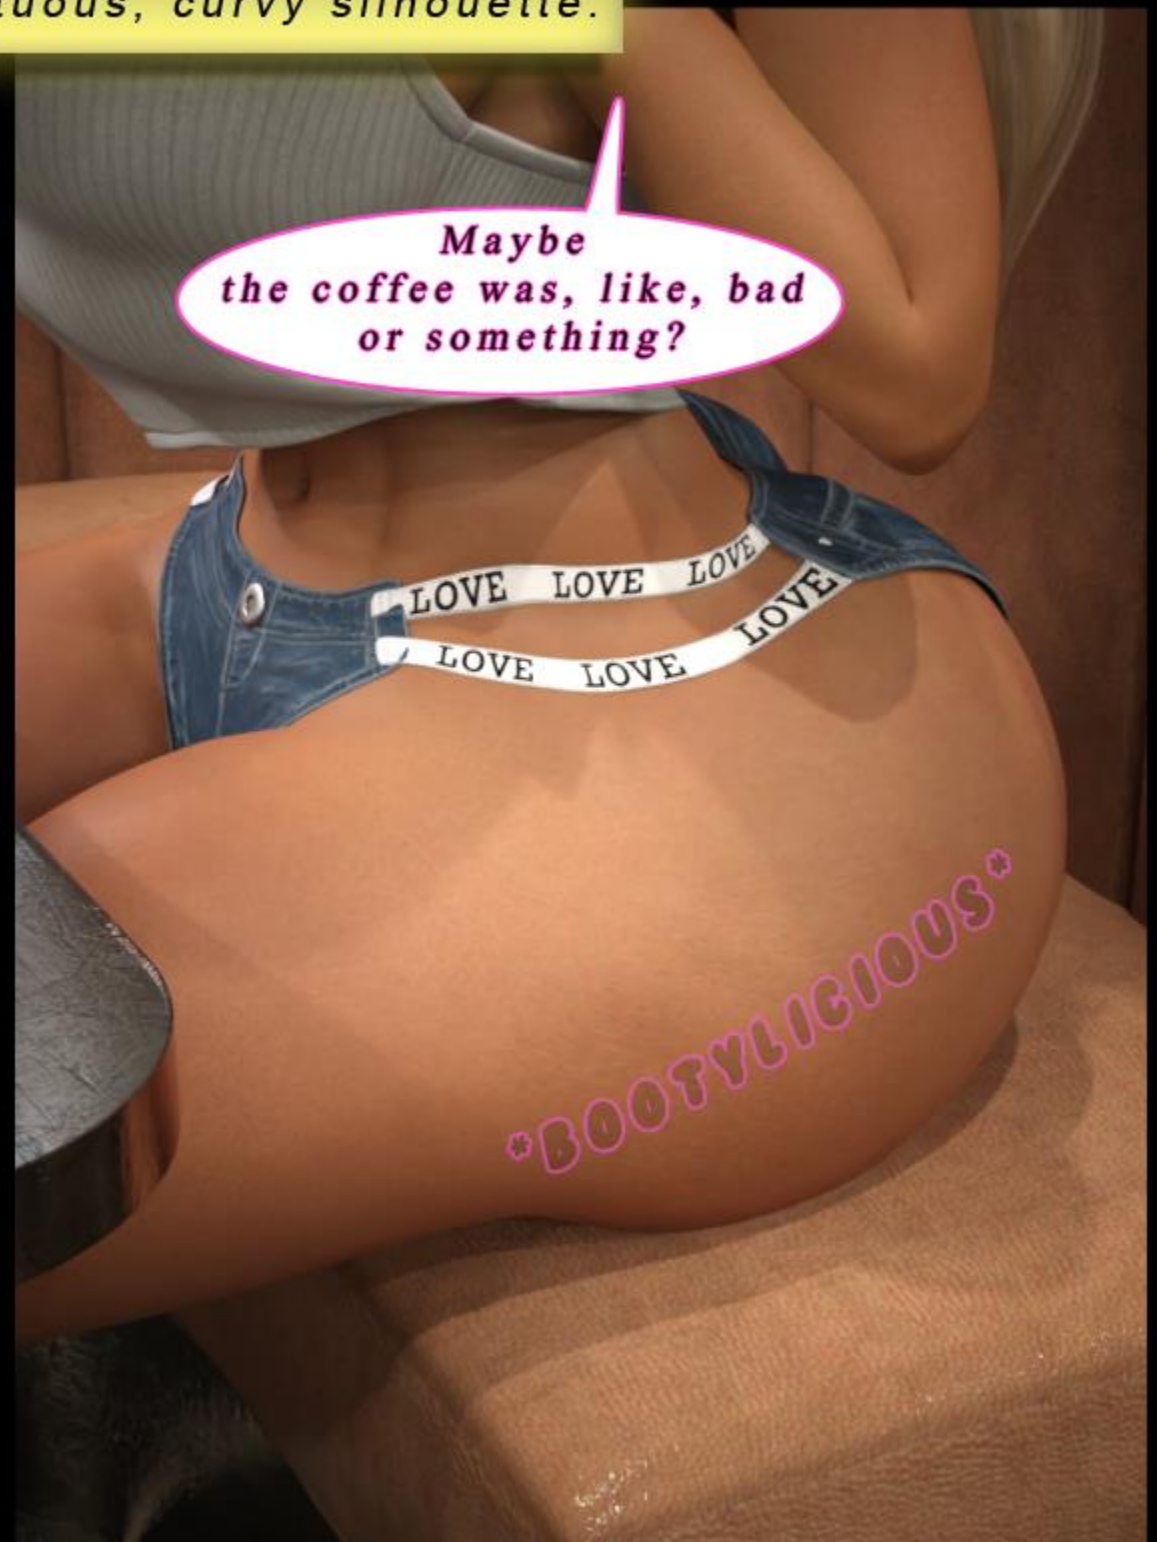

Bambi's hips and butt start to expand...

... filling out her skimpy shorts...

... and giving her a voluptuous, curvy silhouette.

Jack's Fairy Tale

Um... Cass...
what were we talking
about again? It's like, totally
hard for me to remember right now...
umm... oh my gosh, why aren't
my beautiful long
nails painted?

giggle

Oh my gosh,
like, I totally forgot
you're not the sharpest tool in
the shed, Bambi, with your, like,
low IQ and everything.

We were
talking about Barbie,
Ummm... I think...

WOBBLE

Bambi's IQ plummets from a respectable 110 to below 85. She feels knowledge draining away, replaced by happy thoughts and a huge surge of bimbo feelings akin to Barbara's.

... YOUR
LOW IQ...

Umm... like,
what's an IQ thingy
again? Tee-hee!

Oh my gosh,
my head feels so...
empty but, like,
super fun!

giggle

All I wanna
do is shoppin' and be super
cute an sexy! Umm.. *Giggle* Suckin'
an fuckin' super hawt boys would be,
like, super cool too. Is that
bad? Hee-hee!

giggle

Jack's Fairy Tale

Her breasts begin to swell, pushing against her top as they grow larger and rounder. The silicon fun bags expand with magical mass, filling out more and more, until they...

Like, you're totally right, Cass. Do you know, like, so many people think I'm just like her? How cool is that, please? She's, like, a legend for all Phi Beta Barbies... I mean... umm...

... BEACHBALL-SIZED TITS WITH IMPLANTS ...

SWING

E-CUPS
= 650CC

Ohhh... I totally love my big... bouncy... boobs. Everyone loves them. Tee-hee!

BAZOOONCA

Yeah, they are like, absolutely eye-stunning, babe. I wish mine were that HUGE too...

222-CUPS
= 10.000CC

BUSTALIGIOUS

...rest proudly on Bambi's chest, now resembling two oversized beach balls.

Jack's Fairy Tale

And as Bambi's transformation comes to an end, her body and mind fully embrace the bimbo lifestyle. She feels a surge of confidence and sexiness.

Cass, like, this is amazing! I've never felt so... so sexy!

giggle

Oh my gosh, babe, you are, like, sooo right and stuff.

I mean, your boobs are just, WOW, so huge and bouney!

I'm kinda jealous, but also super excited for you, and I would be, like, totally happy to be your boob bestie too. **Giggle**

I, like, never ever regret that a hot doctor pumped up my tiny tits into big tities. You should totally do it too! Then we'd be, like, the ultimate boob besties here!

Bambi knows that she's the ultimate embodiment of Phi Beta Barbie, even though her mind is emptier and far simpler.

But this place is, like, totally kinda boring. No boys, no fun. Just, like, umm... coffee, I guess?

Should we, like, bounce? I mean, we're like, totes the hottest babes on campus.

Why not head back and catch some hot boys?

giggle

Yeah, let's head back to the campus. There are, like, so many hot boys we could have fun with.

Jack's Fairy Tale

On their way back to campus, the two PBB sisters get lost. However, they stumble upon a store that immediately catches Cassy's eye: Spells 'R Us. It's the same shop where Jack had received the book with the spell just two days earlier.

Spells 'R Us?
What a strange name.
I've never seen this
shop before...

Should we
go inside and ask for
directions back
to campus?

I mean,
it's spooky, but maybe
it's, like, super
cool?

Tee-hee!
Me too, sister,
me too.

Come on,
let's go inside.

Yeah, it's,
like, super spooky
and stuff.

But somehow,
this place looks, umm,
familiar... strange,
huh?

Yeah, we
should, like, totally ask
for directions...

I'm, like,
super horny and need
some cocks right now
Giggle

Hoping to ask for directions, the two enter the dimly lit store, even though Bambi has no memory of ever being there before.

Jack's Fairy Tale

Hello,
excuse me, we'd like
to ask for directions
to our...

Tee-hee,
he totally looks
like that AmazGuy
I know!

AH.
BAMBI AND CASSY!
WELCOME TO
SPELLS 'R US.

WHAT BRINGS
YOU HERE TODAY? AH. I
KNOW... YOU, CASSY, WISH TO
EMULATE YOUR DEAR FRIEND BAMBI.
I HAVE PRECISELY WHAT YOU
SEEK... AND IT WILL COST
YOU... NOTHING.

We can,
like, totally, trust
him - he's the one who
made Bambi, like, the
happy bimbo she
is today!

Almost like
in a fairy tale... Once
upon a time: Jack's
Fairy Tale

THE WORLD
CAN'T HAVE ENOUGH BIMBOS.
AM I RIGHT? HEH HEH HEH!

The End

The End

Thank you for reading. I hope you enjoyed the comic.
