

Not bad, huh?

This is
our ride?

Damn, they are
already here...

A screenshot from a video game showing two female characters standing in a modern, dimly lit lobby. The character on the left is wearing a black, lace-trimmed, form-fitting dress with a deep V-neckline and a choker necklace. The character on the right is wearing a maroon, long-sleeved, form-fitting dress with a deep V-neckline and a matching belt. A white speech bubble with purple text is positioned to the left of the characters. The background features large windows and architectural details of a building interior.

*Were you bored
while you were
waiting for us?*

A man with dark hair, wearing a dark suit, stands in a dark environment at night. He is positioned next to a black car, with the driver's side door open. The background shows a building with several windows. A speech bubble is directed towards him, containing the text: "Not at all, I like situations in which I can be alone."

Not at all,
I like situations in
which I can be alone.

Let's return to business.

Please get in the car, ladies.

*This is so nice,
thank you, handsome.*
