

1 but -- that would discuss a lot of the different
2 meanings, but very much like a diagnosis,
3 sometimes people just can't agree on, so
4 depending on which website you're on you're
5 going to get a little bit of variance. Most of
6 them will agree with the cattle or mobile
7 wealth, but a few of them will say, oh well, in
8 new age whatever it might mean this or it could
9 be a gateway to that, it depends on how far you
10 want to run down the rabbit hole and which
11 interpretation you choose to believe.

12 Q. Okay. Did you discover during the course of
13 your studies -- I'm gonna use that word
14 loosely -- with regard to this Odinism that
15 there were -- that there's kind of a legitimate
16 side of this spiritual belief and then there's
17 kind of a -- I'll call it kind of a good and
18 evil side, there's a good side and there's kind
19 of an evil side?

20 A. I would say very much so, yes.

21 Q. And is it fair to -- so there's people running
22 around in society basically that believe in
23 this -- or that exercise or subscribe to this
24 system of beliefs that are normal law-abiding
25 humans, right?

1 A. I would believe so, yes.

2 Q. Are you confident that there's also people
3 running around in this society that subscribe to
4 this system of beliefs that are frankly evil or
5 bad people, and his followers?

6 A. Without making a moral-based judgment there are
7 some that believe in this system of again
8 philosophy or whatever you want to call it, that
9 have tendencies that are outside the norm.
10 Again, most of those revolve around the white
11 supremacy movement; definitely some very strong
12 feelings by them.

13 Q. People that subscribe to violence?

14 A. People that I would say would probably be quick
15 to violence.

16 Q. Okay. Other than this circumstance with
17 -- I don't want to make him the center of
18 attention today, but other than that, have you
19 done any other investigations maybe even after
20 that, regarding this Odinism cult or group?

21 A. We've seen some of the runes and things like
22 that show up in some of the prisons, and I've
23 been asked a couple of times about what that
24 might mean by various tattoos or something on a
25 letter, but as far as an investigation, no.

1 Q. What's your opinion on that, about the stuff
2 being present in some of the prisons and what
3 that might mean? Oh, I see what you're saying.
4 I'm sorry. Let me withdraw the question.

5 A. By the prisoners or --

6 Q. Somebody showed you a photo or something --

7 A. Correct.

8 Q. -- of a prisoner who had --

9 A. And asked me what this might represent.

10 Q. Okay. Okay. So these types of things are
11 present or there's some commonality with the
12 prison systems?

13 A. It is. And the -- I don't know if you want to
14 call it Asatru or Odinism, that seems to be one
15 of the growing religions in some of the prisons.

16 Q. Amongst inmates we're talking about, right?

17 A. That's correct.

18 Q. Okay. I want to make sure.

19 A. I'm sorry, I didn't specify, but yes.

20 Q. Not something that the staff members would be
21 involved with?

22 A. That's -- on the staff members, I can't speak to
23 that.

24 Q. Okay. Well, what we're talking about is bad
25 people that are locked up in prison who have --
