

A photograph of a modern train station at dusk. The building has a large, illuminated entrance with a triangular roof. The ground is paved with reddish-brown tiles. There are wooden benches in the foreground, some of which are occupied by a person. A small tree is on the right. The scene is bathed in a warm, golden light from the setting sun.

**A train station at dusk,
where people were beginning to show up to go home.
A middle-aged man who looked like an office worker
jumped on the closing door.**

**「Phew, I made it home just in time.」
「I'm going home on time for the first time in a long time.」
「I'm going to get cumt with loli movies today!!」**

**As he was looking for a seat,
he found a girl who was occupying a seat for multiple people.**

This seat...

Nod..

You're sleeping alone,
which means you can
do whatever you
want to this girl...?

A girl occupying a seat, breathing in her sleep.
This seat that is occupied is a seat on the train where
people who engage in sexual activity have priority
This seat is available to people of any age,
and is popular among young people who don't have money for a hotel

Sitting alone in these seats is the same as inviting a person of the
opposite sex to have sex with you.
Since the seats are usually occupied by two or more people,
the man gulped at the sight of this for the first time.

You opened
your legs...!!

When a girl of
your age opens
her legs, I can see
her pants, can't you?

Oh...♥
Daddy is so
naughty...♥
You can look
at my tits too
...♥

Really?
If an elementary
school girl tempts
me like that,
I have no choice
but to watch!

Spread

Oh, my God!
I saw a girl's
plump tits.

Hmmm...

Chubby~

Did I wake
you up?

It's hot...

Is it hot?
I'll undress you now!
I know it's hard with
the air conditioner
set on such a high
setting, to save
electricity!

The man put his hand on the girl's shorts while
lifting her legs and began to remove them

Oh my God...
I'm taking off a
girl's clothes...!

Her face and

smell so good!
I want to take
them home with
me...♥

She hasn't woken up yet...

I can take off her underwear now, can't I?

Scratch

It's a sex-priority seat, and it would be weird not to take off their underwear!

I can take off the underwear of girls on their way out of school and see what's inside, right?

This is
different...

Just because
it's a sex-priority

I was going to strip
you naked and
rape you...

Girl's real pussy...!

Smooth and soft with no hair...!

The sleepy girl took off her pants
She fell asleep again with her legs open to get a better view of her genitals.
The man's penis was so hard to resist in his pants that his juices were overflowing through his pants and suit....

It's your fault...!

Before I knew it, the girl was surrounded.
Every single penis was pointed at the girl,
and they were all handling them single-mindedly.

This girl is always trying to seduce me in this seat!

This line is always delayed on weekdays, but there are no molesters,
and it is famous for its high customer satisfaction!
The reason... you don't need me to tell you.
The girl was woken up by the station staff, showered,
washed her clothes, and sent home safely...
