### **Chapter 3**

*Bigger...*

The thought echoes through my head...

*I can't help it... She wants it...Does she?*

I see her ass start to grow, steadily closing the gap between us. She previously was looking over her shoulder at me but now she faces forward and hangs her head low, I hear muffled moans coming from her. I notice her hands are around her front.

*She is masturbating, right here...*

Suddenly realising that she does indeed want to grow, I lose control and give a swift spank to her ass, causing Niccole to yelp.

"Oh shit!" She lets out a moan. "Fuck your hand feels so good..." She turns her head and looks into my eyes. "Do it again..."

I oblige and give her another firm smack; she bites her lip and lets out a low moan. I feel the firm cheeks jiggle beneath my hand.

*It is so big, so round and...*

I notice my fingers being spread apart.

*Still growing...*

Without warning she takes a step back and presses her cheeks into me. Her cheeks pressing heavily against my thighs, sandwiching my cock in the process.

"That's it... make me bigger..." She moans.

Feeling her thick ass grow more against my hard cock.

"Ooooo" She moans. "I take it you are enjoying my growth." She starts to grind against my erection. "I know I am."

"This is insane... You are so big now..."

"Not big enough!" She cuts in. "I know you can make it bigger than this, I want to be huge, massive, gigantic." Her hands now back around her front as her moaning resumes.

I feel an orgasm building deep inside.

*I can't last much longer...*

That is when I hear Niccole start to increase her breathing and start to moan more.

“*Fuck... Spank me! Now!*” She yells in a high-pitched voice.

With two heavy hits I grab the side of her ass and squeeze the cheeks together, still spreading my fingers wider by the second. I pull her basketball sized cheeks into my cock and start thrusting my hips. Dry humping her in the alley is enough to tip her over the edge, with a massive scream she orgasms. The orgasm is so powerful that she loses balance and grabs onto the car for support. Leaning over the bonnet of the car, her ass sticking up in the air, I no longer can resist. I start to fumble with my trousers.

“That’s it Steve, pull it out...” she says panting heavily. “Jerk it for my giant ass...”

I manage to get my rock-hard cock out and I start to stroke it at a feverish pace. She starts to shake her hips from side to side causing her cheeks to jiggle and bounce back and forth.

“*Shit...*” I groan as I clench my teeth.

She turns her head and looks at me, standing in the alley, stroking my cock to her ass. “Oh yes Steve... cum... cum for me... cover my ass in your cum...” She starts to spank herself, letting out moans as she kneads and slaps her huge rear.

I can’t hold it anymore, I climax, releasing thick ropes of cum over her exposed ass, covering the upper shelf of her bum. She yelps from shock after the first splat but then she moves her hands down into her waistband once again. Very quickly moaning and letting out her own gasps as she reaches her own orgasm, this time her one arm propping her up gives out and she lays her torso onto the car bonnet.

Meanwhile behind her I am still coming down from the huge orgasm that rocked my body. Panting and stumbling, I lean on another car close by.

*Shit... her ass really is huge... I can't believe this is real.*

I hear an ethereal voice enter my head. “It is real my boy.”

I jump suddenly, very confused where that voice came from.

*What the fuck? Who was that?*

“It’s me Xarlec. I felt your magic in use, I checked in and saw you’d finally used it right. I needed to see. Don’t reply out loud, don’t want to freak out the young lady, I can read your mind right now.”

*What... you can see me? You can read my mind? Used the power right? Where are you? What the fuck?*

“I am a powerful mage Steve, I am channelling right now to see you and read your mind, I’m not always watching or anything. I felt your power because I am a lust mage and you just used lust magic for the first time willingly. Don’t worry you aren’t in any danger. We are just linked because you have some of my magic power because of that little gift I gave you.”

*This is a lot... even now it hasn't sunk in...*

“Look at her... do you doubt the magic?”

*No, I guess not.*

“Good, now, I want to teach you how to control it. As fun as this must’ve been there is so much more you can do with your power. I’ll let you enjoy this young lady’s company but tomorrow we will start some training, if you’d like.”

*Yes... I want to be able to control it.*

“And control it you shall my boy, I am still in hiding but I can open a portal and bring you to me.”

*Why are you doing this?*

“Lust mages feed off the sexual energy of the world, this lady, was giving off some serious energy, I think you and her can have a lot of fun that you will both enjoy, and it will make you stronger and myself too. It’s a win, win, win.”

*I guess... I still don’t understand all of this...*

“If you feel as good as you did moments ago, do you really care how it works?”

*I guess not.*

“I’ll see you tomorrow morning. 1000 sharp. Be ready.”

*Sure.*

No reply, he must’ve stopped channelling. I look at Niccole, still bent over the car, her huge ass sticking high behind her, covered in my cum. I tuck my cock back into my pants and walk over to her, still a bit shaky on my feet.

“We should move Niccole, it’s cold out, we will freeze if we stay out here any longer.”

“Yeah... I think it would be best if I left work and went home... Don’t think I could even begin to explain this to my boss. Help me up... my legs are still weak.”

I help her up, her wide hips bumping into me.

“Sorry... I’m not used to being this... *wide*” She smirks, her arm stroking my chest.

*Ever the tease apparently.*

“This is my car, my bag is just inside the door there, grab it and I’ll get in and text my boss to tell him I’m leaving. Make sure you close the door behind you.”

I leave her leaning against the driver’s door and I stick my head into the open door and grab her bag. Closing the door behind me, I rush back to her side and hand her the bag. She opens the door and squeezes her big bum into the driver’s seat.

“Fuck... I really am big... almost too big for my car.” She sounds shocked but there is a hint of arousal underneath. “Get in, I’ll drive you home Steve, you are too drunk to make your own way home.”

Making my way to the passenger side I open the door and take a seat. I look over to her and she flashes me a smile.

“I hope you don’t think you are done growing this.” She slaps her generous hip. “I told you, I want to be bigger.”

*She really is into this...*

She leans over to my side of the car and looks into my eyes. "I can tell you do too... Why don't you do it right now... see if I can make it home before I outgrow this seat, sounds like a fun game."

*Bigger.*

She stares at me for a few moments more before giving me a slightly disappointed look. "I guess even magic needs to recharge. There is always tomorrow."

*I guess I am too spent.*

"You can stay at my place, it's the least I can do to reward you. I'll make you breakfast in the morning to help nurse your hangover. You can just stare at my bum while I cook." She giggles.

"Sure, that sounds lovely."

"Maybe you can make me grow in the morning..." She gives me a wink before pulling off.

*She is insatiable.*
