

I still don't understand why we can't enter through the door or windows.

Going through this damn chimney is ruining all my clothes.

This tradition is pathetic and makes no sense.

This is your first year you'll get used to it, Steve!!

Don't get upset, I was already too nice to let you come without the hat. If you want to be a Santa, you need to follow tradition.

Right!! But you will get along with mom. The sweater she made for me is all torn up.

Damn it!!
Dad, I was caught in some kind of trap.

I think the kids in this house set me up.

I can't let go. I'm going to need help.

Shit!! Okay!! I'm going as fast as I can.

He doesn't look like Santa Claus to me!!

We need to do this soon, my uncles could wake up at any moment.

Hello, Santa!! Remember us? Of course not!! You never brought us gifts. We were too bad, right?! Well, now we're going to be really bad.

He's Santa. For sure!! He doesn't have white hair, but he is dressed in red and coming down the chimney.

Who will start?

Let's all get started!!

He is not a woman!! He doesn't have 2 holes.

You're right, he's not a woman. He's Santa Claus, he doesn't have 2 holes, he has 4.

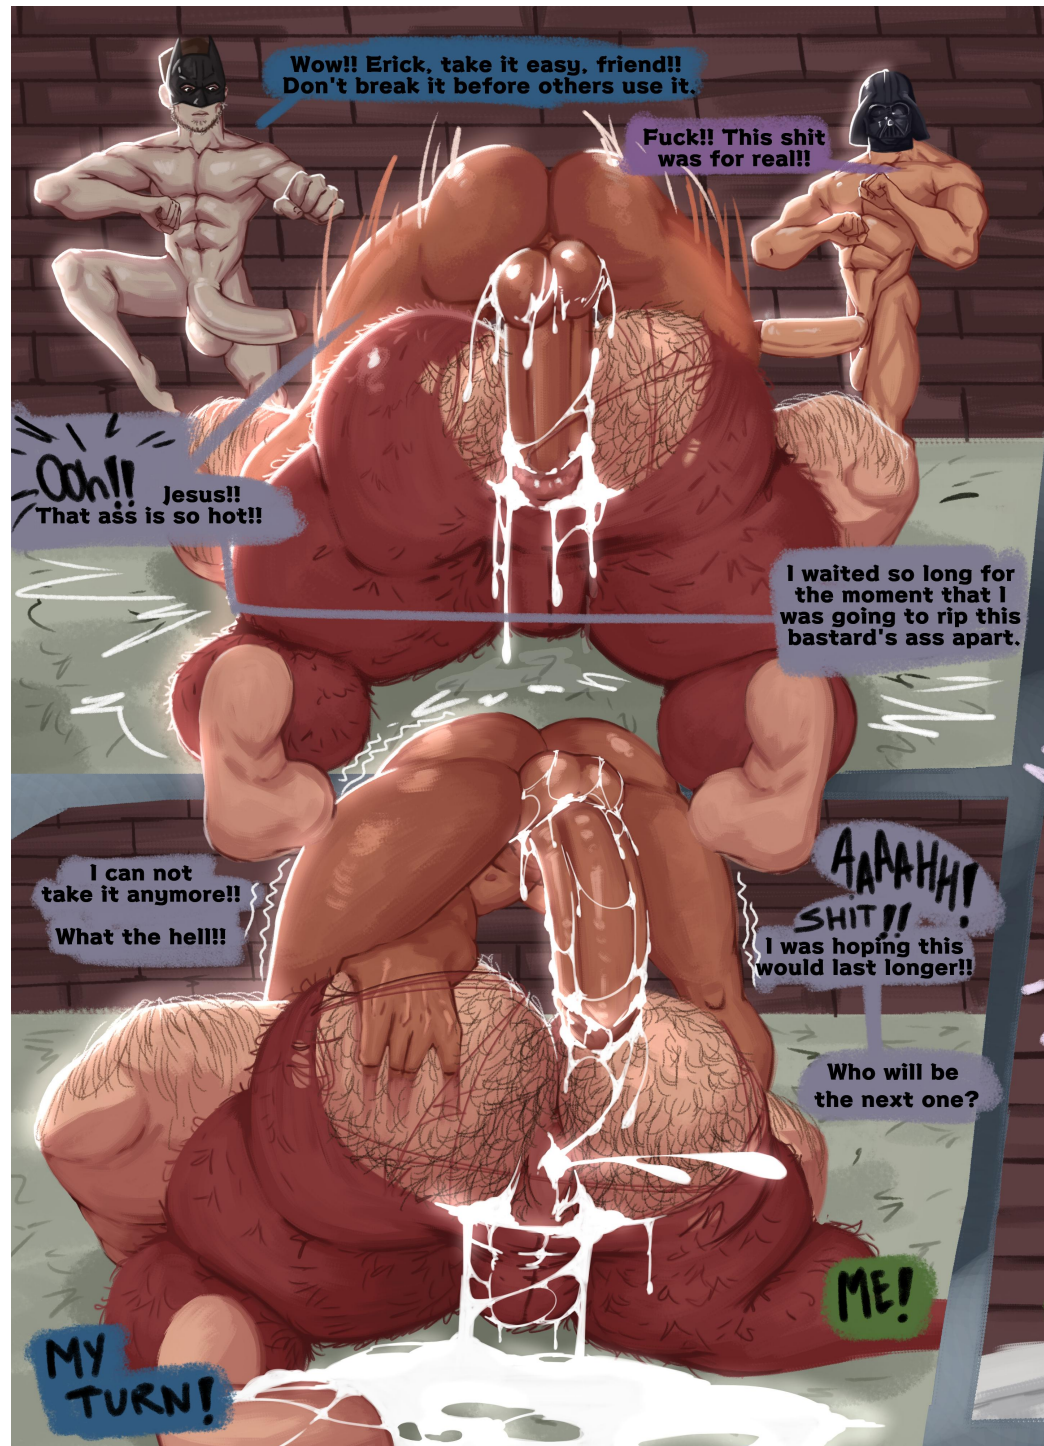

I waited so long for this!!

Wow!! I don't even need to move!! This bear's nipples are sucking my entire dick.

Fucking those tits is like dipping your cock into a massage machine.

Don't stop fucking the tits!! The pressure those tits are putting on my dick is driving me crazy.

Wow!! Erick, take it easy, friend!! Don't break it before others use it.

Fuck!! This shit was for real!!

Ooh!! Jesus!! That ass is so hot!!

I waited so long for the moment that I was going to rip this bastard's ass apart.

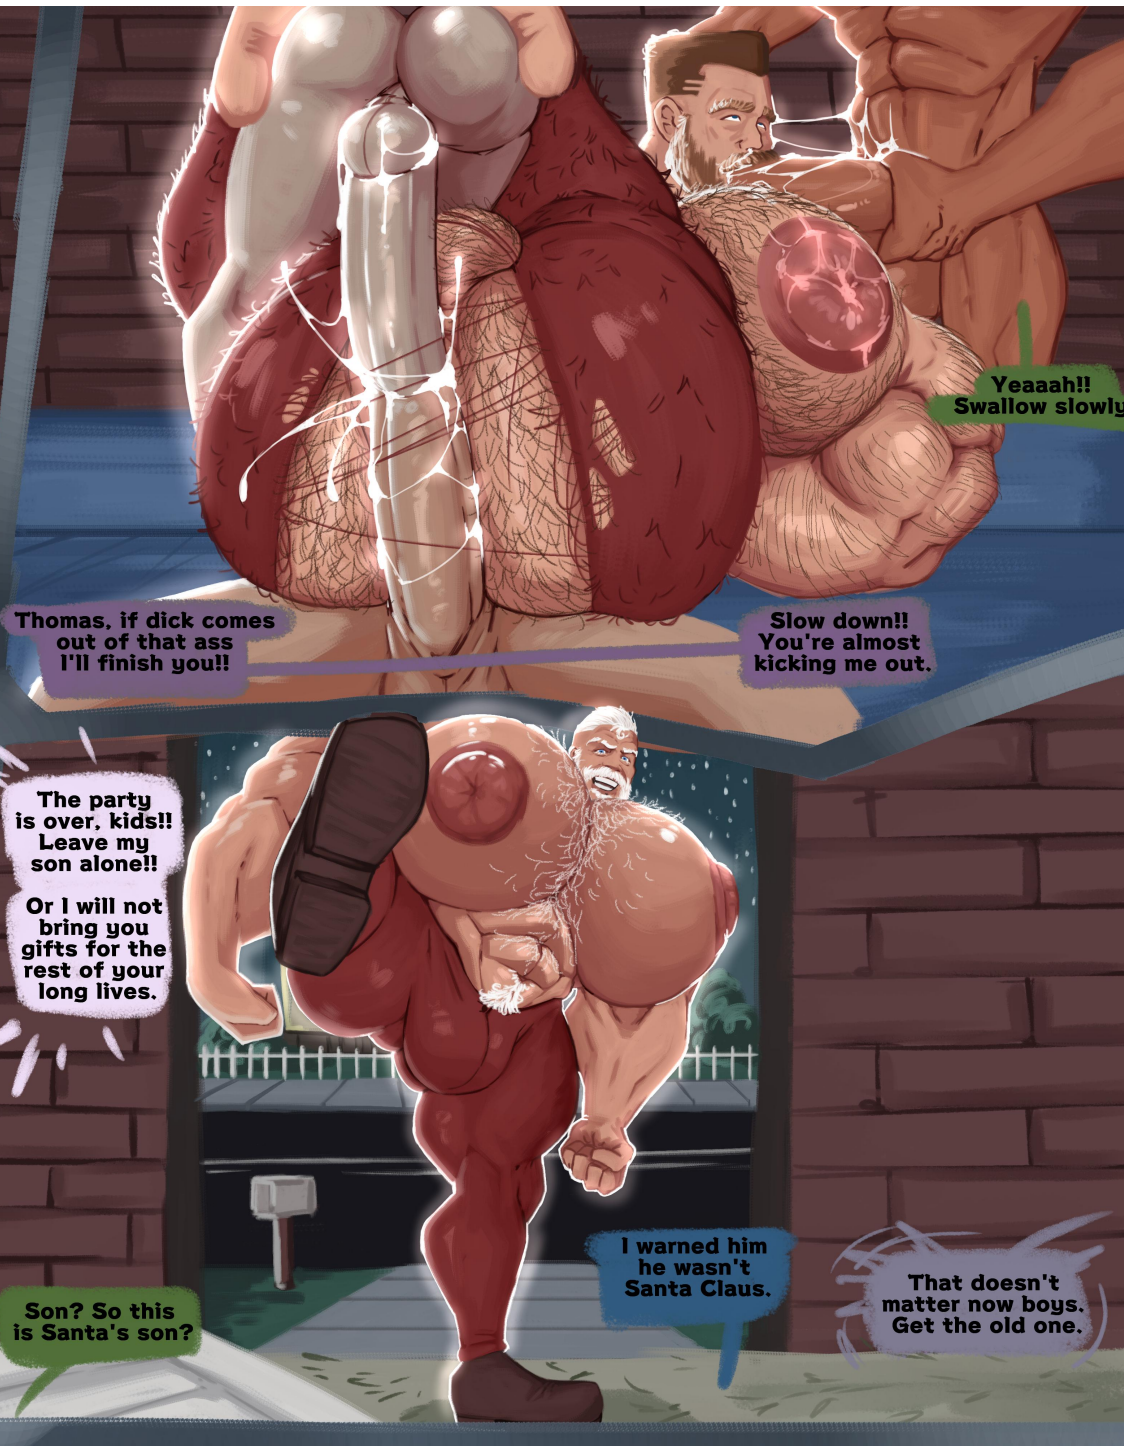

I can not take it anymore!! What the hell!!

AAAAHHH! SHIT!! I was hoping this would last longer!!

Who will be the next one?

ME!

MY TURN!

Yeaah!! Swallow slowly!

Thomas, if dick comes out of that ass I'll finish you!!

Slow down!! You're almost kicking me out.

The party is over, kids!! Leave my son alone!! Or I will not bring you gifts for the rest of your long lives.

Son? So this is Santa's son?

I warned him he wasn't Santa Claus.

That doesn't matter now boys. Get the old one.

Come on, Steve!! You need to be smarter. This industry is not for everyone. You will face this kind of mischief many times. Nowadays teenagers are in love with men's breasts.

He got us!!
Damn it!!

How do you think I got those boobs of mine? Genetics? Of course not!!

I'm not upset about it... In the end... it was interesting.

So what's bothering you, son?

I loved that sweater.

HO HO HO
HO HO

Come on son, we have a long night ahead of us.

Why so fast? Stay a little longer. We need to talk about my door.

You invaded our house, broke down our door and tied up our nephew and his friends in the middle of Christmas. Why do you think you'll get out of here so easily?

Oh, gentlemen!! Please forgive me!! I can explain everything!! I'm Santa Claus and this is my-

Santa Claus doesn't exist, you're just a crazy bitch who breaks into houses and ties up boys.

Oh I just...

Shut up!! We're going to teach you a lesson.

I'll take the kid, you take care of the old man.

a few days later

Happy New Year, Erick!!

I need help, man. It's literally January 1st and they can't stop fucking. There is sperm in every room in the house and in some parts it is starting to smell very strong.

Honestly? It smells really good!!

Enough kidding, man.
