

Fireflies (crochet blanket)

Interlocking Filet crochet

by Svetlana Rogatykh

Materials list

You require two colors of yarn, one for the **main background color (B-color)** and one **contrasting color (A-color)**.

Terminology: all crochet terms used are U.S.

Technique: Double filet crochet, Interlocking filet crochet.

Yarn: for example, Scheepjes Stone Washed

Yarn weight: Sport. Ball weight: 50 g, yarn length:130 m (142.17 yds).

Gauge: 10 stitches in 5cm (2”) by 5 rows in 5cm (2”) in dc stitch pattern.

Using a different gauge won't affect the design, but it will change the finish size and the amount of yarn needed.

Hook 3.25 – 3.5 mm. Hook size needed to match the gauge.

Yardage approx. 4000 meters of Sport weight yarn for each of your two colors, which is a total approx. of 8000 meters of yarn.

(4300 yards per colors, a total of 8600 yards of yarn, 1500-1600 g for each colors)

Size: 150 cm wide and 210 cm long (59 inches wide and 82 1/2 inches long).

The use of other types of yarn can greatly affect the amount of yarn needed.

The pattern contains a graph and Right-Handed instructions.

I did my best to make sure this pattern is accurate and easy to understand. However, if you find any errors or typographical mistakes, or if you have questions regarding this pattern, please [let me know](#).

Abbreviations (US terms).....3	Unite the Edges. 74
Solid interlocking crochet.....3	Charts 75
Interlocking crochet with diagonals.....5	RS 75

Fireflies pattern bottom up7	

Abbreviations (US terms)

- **WS** – wrong side
- **RS** – right side
- **Front** – the side facing you
- **Back** – the side not facing you
- **st** – stitch (st's – stitches)
- **sp** – space
-  – **ch** – chain
-  – **dc** – double crochet
-  – **tr** – triple crochet. It is also called a treble crochet stitch, the two terms are used interchangeably

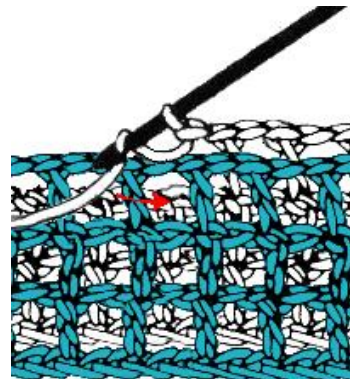

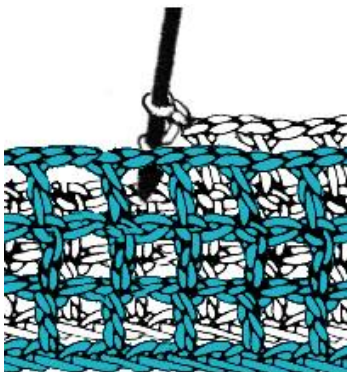

Solid interlocking crochet

- Repeats are indicated by () or []

Alternate between B-color and A-color for each round. Round 1B, 2B, 3B, etc. indicates B-color yarn, Round 1A, 2A, 3A, etc. indicates A-color yarn.

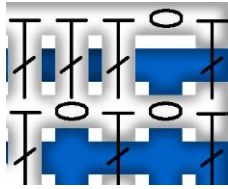

For Solid Interlocking crochet, the layers should be crocheted from solid meshes and open meshes. That is, for solid meshes crochet next dc in each next st of the previous row (without ch1 between). Add 1 ch over skipped stitch to create the open boxes.

- **B** – dc behind. **B** is always worked behind the other colored layer. Sometimes you have to work through the other colored layer window. For this passing the hook through the window, insert the hook from back to front into the top 2 loops of the appropriate dc, pull those 2 loops of the dc through the window to the back of the work and complete the **B** as you would a normal dc. Sometimes the layer is already behind the other colored layer as in the picture. In that case you just work a mesh (ch1, **B** in next dc) without working through the other colored layer window.
- **F** – dc in front. **F** is always worked in front of the other colored layer. Sometimes you have to work through the other colored layer window as in the picture. For this passing the hook through the window, insert the hook from front to back into the top 2 loops of the appropriate dc, pull those 2 loops of the dc through the window to the front of the work and complete the **F** as you would a normal dc. However, sometimes the layer is already in front of the other colored layer. In that case you just work without working through the other colored layer window.

- ch1 means also to skip one stitch of the previous round (or row).
- **F** (or **B**) into dc crochet into top of dc.
- There is always ch next to **F** (or **B**) except the end of the row.
- If dc's are in solid meshes, I will write them as **f** or **b** with any number. To help you, the clusters of **f** or **b** are additionally boxed.

For example, $(\boxed{f3})_2 = \boxed{f3}, \text{ch1}, \boxed{f3}, \text{ch1}$

← white row: **B**, $\boxed{f3} = \mathbf{B}$, ch1, **f**, **f**, **f**

← white row: **B2**, **F = B**, **B**, **F = B**, ch1, **B**, ch1, **F**

So, $\boxed{f3}$ or $\boxed{b3}$ is one solid mesh, $\boxed{f5}$ or $\boxed{b5}$ is two solid meshes together, and so on. Always crochet ch1 between \boxed{f} or \boxed{b} clusters.

For example: $\boxed{f15}, \boxed{f3}, \mathbf{B2} = \boxed{f15}, \text{ch1}, \boxed{f3}, \text{ch1}, \mathbf{B}, \text{ch1}, \mathbf{B}$

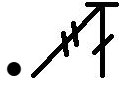

$\text{ch3}, \boxed{f5}, (\boxed{f3})_3, \boxed{f9}, \mathbf{B} = \text{ch3}, \boxed{f5}, \text{ch1}, \boxed{f3}, \text{ch1}, \boxed{f3}, \text{ch1}, \boxed{f3}, \text{ch1}, \boxed{f9}, \text{ch1}, \mathbf{B}$

- **f** (or **b**) into dc crochet into top of dc, **f** (or **b**) into open boxes can be crocheted into the chain space.
- Each next dc in solid mesh clusters crochet into the next stitch of the previous row.
- The beginning 2 ch of the round count as first **f** or **b**; the beginning ch 3 counts as first **F** or **B** and ch-1 sp depending on how they are positioned, in front of or behind the final dc of the next round.

Stitches are always worked into stitches of the same colored layer. The two layers are never directly connected to each other. When working **b** or **B** be sure to work the stitch completely behind the other layer. Do not encase a stitch of the other layer within **b** or **B**. When working **f** or **F** be sure to work the stitch completely in front of the other layer. Do not encase a stitch of the other layer within **f** or **F**.

Interlocking crochet with diagonals

For this pattern, diagonals are only in A-Rows
in the butterflies

• **dc and tr Together:**

Yarn over, insert hook into next stitch and pull up a loop (three loops on hook).

Yarn over, pull through two loops (two loops on hook).

Yarn over twice, insert hook into next stitch, pull up a loop (five loops on hook).

(Yarn over, pull through two loops) twice, three loops on hook.

Yarn over, pull through remaining three loops.

• **tr and dc Together:**

(Yarn over) twice, insert hook into same stitch and pull up a loop (four loops on hook).

(Yarn over, pull through two loops) twice (two loops on hook).

Yarn over, insert hook into next stitch, pull up a loop (four loops on hook).

Yarn over, pull through two loops, three loops on hook.

Yarn over, pull through remaining three loops.

• **tr, dc and tr Together:**

Yarn over twice, insert hook into same stitch and pull up a loop (four loops on hook).

(Yarn over, pull through two loops) twice (two loops on hook).

Yarn over, insert hook into next stitch, pull up a loop (four loops on hook).

Yarn over, pull through two loops, three loops on hook.

Yarn over twice, insert hook into next stitch, pull up a loop (six loops on hook).

(Yarn over, pull through two loops) twice, four loops on hook.

Yarn over, pull through remaining four loops.

Special Stitches

● Diagonals are worked as an additional stitch on the RS of the work. There are no diagonals on the WS.

● For the diagonal st you can crochet dc instead of tr if desired. If you use tr, it is easier than dc. If all diagonals are tr it gave a more embossed look. At the same time, it may seem that some of the diagonals are a little too loose and not very straight. If you use dc, the look is less textured and dense.

RS	WS
<p>● RB – right diagonal tr into same st as the previous dc and B (into next dc of the previous row) Together</p>	<p>● RF –right diagonal tr into same st as the previous dc and F (into next dc of the previous row) Together</p>
	
<p>● BL – B and left diagonal tr (into next dc of the previous row) Together. The next dc will need to be crocheted into same stitch as the treble.</p>	<p>● FL – F and left diagonal tr (into next dc of the previous row) Together. The next dc will need to be crocheted into same stitch as the treble.</p>
	
<p>● RBL – right diagonal tr in same st as the previous dc, B (into next dc of the previous round) and left diagonal tr (into next dc of the previous round) Together. The next dc will need to be crocheted into same stitch as the last treble.</p>	<p>● RFL – right diagonal tr in same st as the previous dc, F (into next dc of the previous round) and left diagonal tr (into next dc of the previous round) Together. The next dc will need to be crocheted into same stitch as the last treble.</p>
	

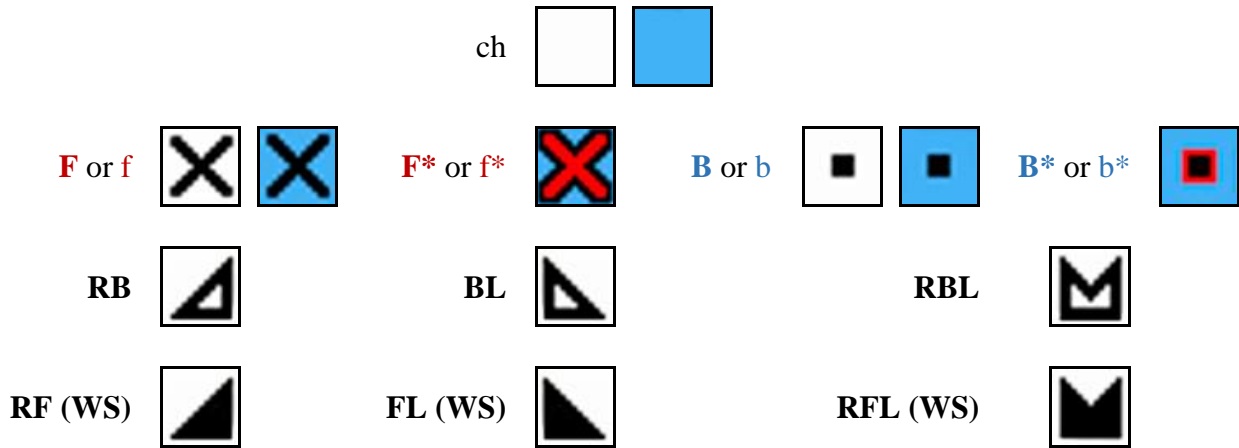

● **F*** – dc in front of the other colored mesh but under the diagonal (RS row).

<p>F* – dc under the L crocheted to the left of the diagonal (RS)</p>		<p>F* – dc under the R crocheted to the right of the diagonal (RS)</p>	
--	---	---	---

● **B*** – when you work on the WS, **B*** is similar to **F*** in the front row.

B* placed behind the mesh but in front of the diagonal as you crochet the WS row.

For charts

Fireflies pattern bottom up

- When crocheting ch1 skip one loop of the foundation chain (or one stitch in the previous row).
- The beginning 3 ch counts as first **F** or **B** and ch-1 sp depending on how they are positioned, in front of or behind the final dc of the next round.
- Turn the entire piece after each row B.

Row 1 A	304 ch, dc in 6th ch from hook, * ch1, skip one loop, dc in next loop, repeat from * across – 150 boxes. Remove from hook. Place a stitch marker in loose st throughout to stop unravelling if desired. Turn.
---------	---

Row 1 B	302 ch, dc into 6th ch from hook, * ch, skip one loop, dc in next loop, repeat from * across – 149 boxes. Remove from hook. Place a stitch marker in loose st throughout to stop unravelling if desired. Turn.
---------	--

WS Row 2 A	ch3, skip first dc and chain, *dc in next dc, ch, repeat from * to end, dc in 2nd chain of previous row turning chain.
------------	--

WS Row 2 B	ch3, B , F146 , B2 ch3, skip first dc and chain, dc in next dc, ch (pic.1) Place the A layer in front of the B layer so that the working yarn of A layer is on the left. With B, dc into next dc (in front of A layer through the 3 rd A-window), ch1 = F (pic.2), F145 , B2 (pic.3)
------------	---

Unite the Edges.

You may choose your own simple border. I like to crochet one round for color B and unite the edges. Although the details of this are for crocheting in the round, just work in the same way.

Turn your work so the back side is facing you.

The yarn over in a dc forms a diagonal line at the front, and a horizontal line at the back of the stitch. That horizontal line at the back is the 3rd loop. It will be just below the back loop on the wrong side of the work.

With B-yarn, make sl st into each dc of the A-round (top down into 3rd loop) and sl st into each dc of the B-round as you would normally do the **F**.

In each corner: working sl st 1 into corner st of the B-round, sl st 1 into the back bumps behind the corner chain (or top down into 3rd loop of corner st) of the A-round, and again sl st 1 into corner st of the B-round.

Then make sl st into next dc of the A-round (top down in 3rd loop), sl st into next dc of the B-round and so on.

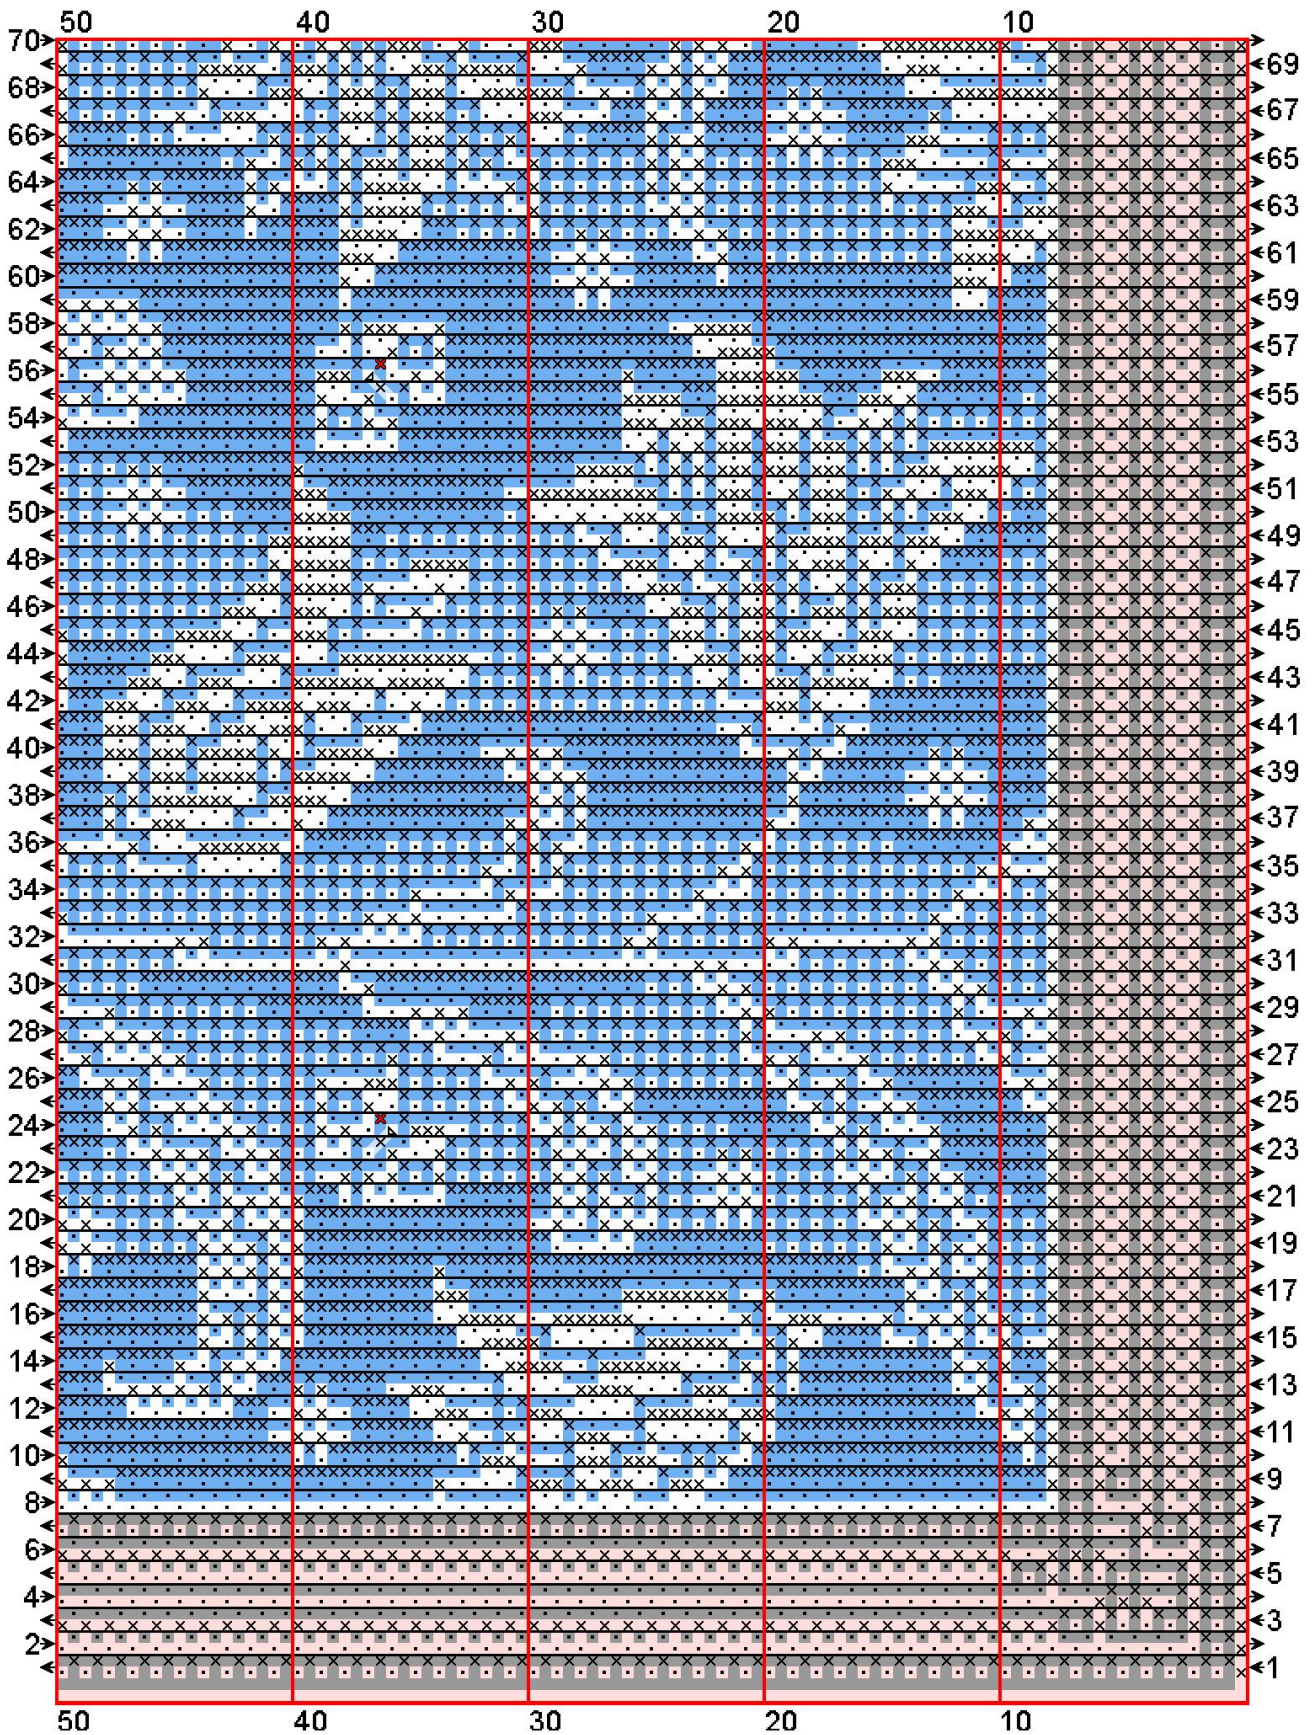

At the end of the round cut and fasten off the B-colored yarn.

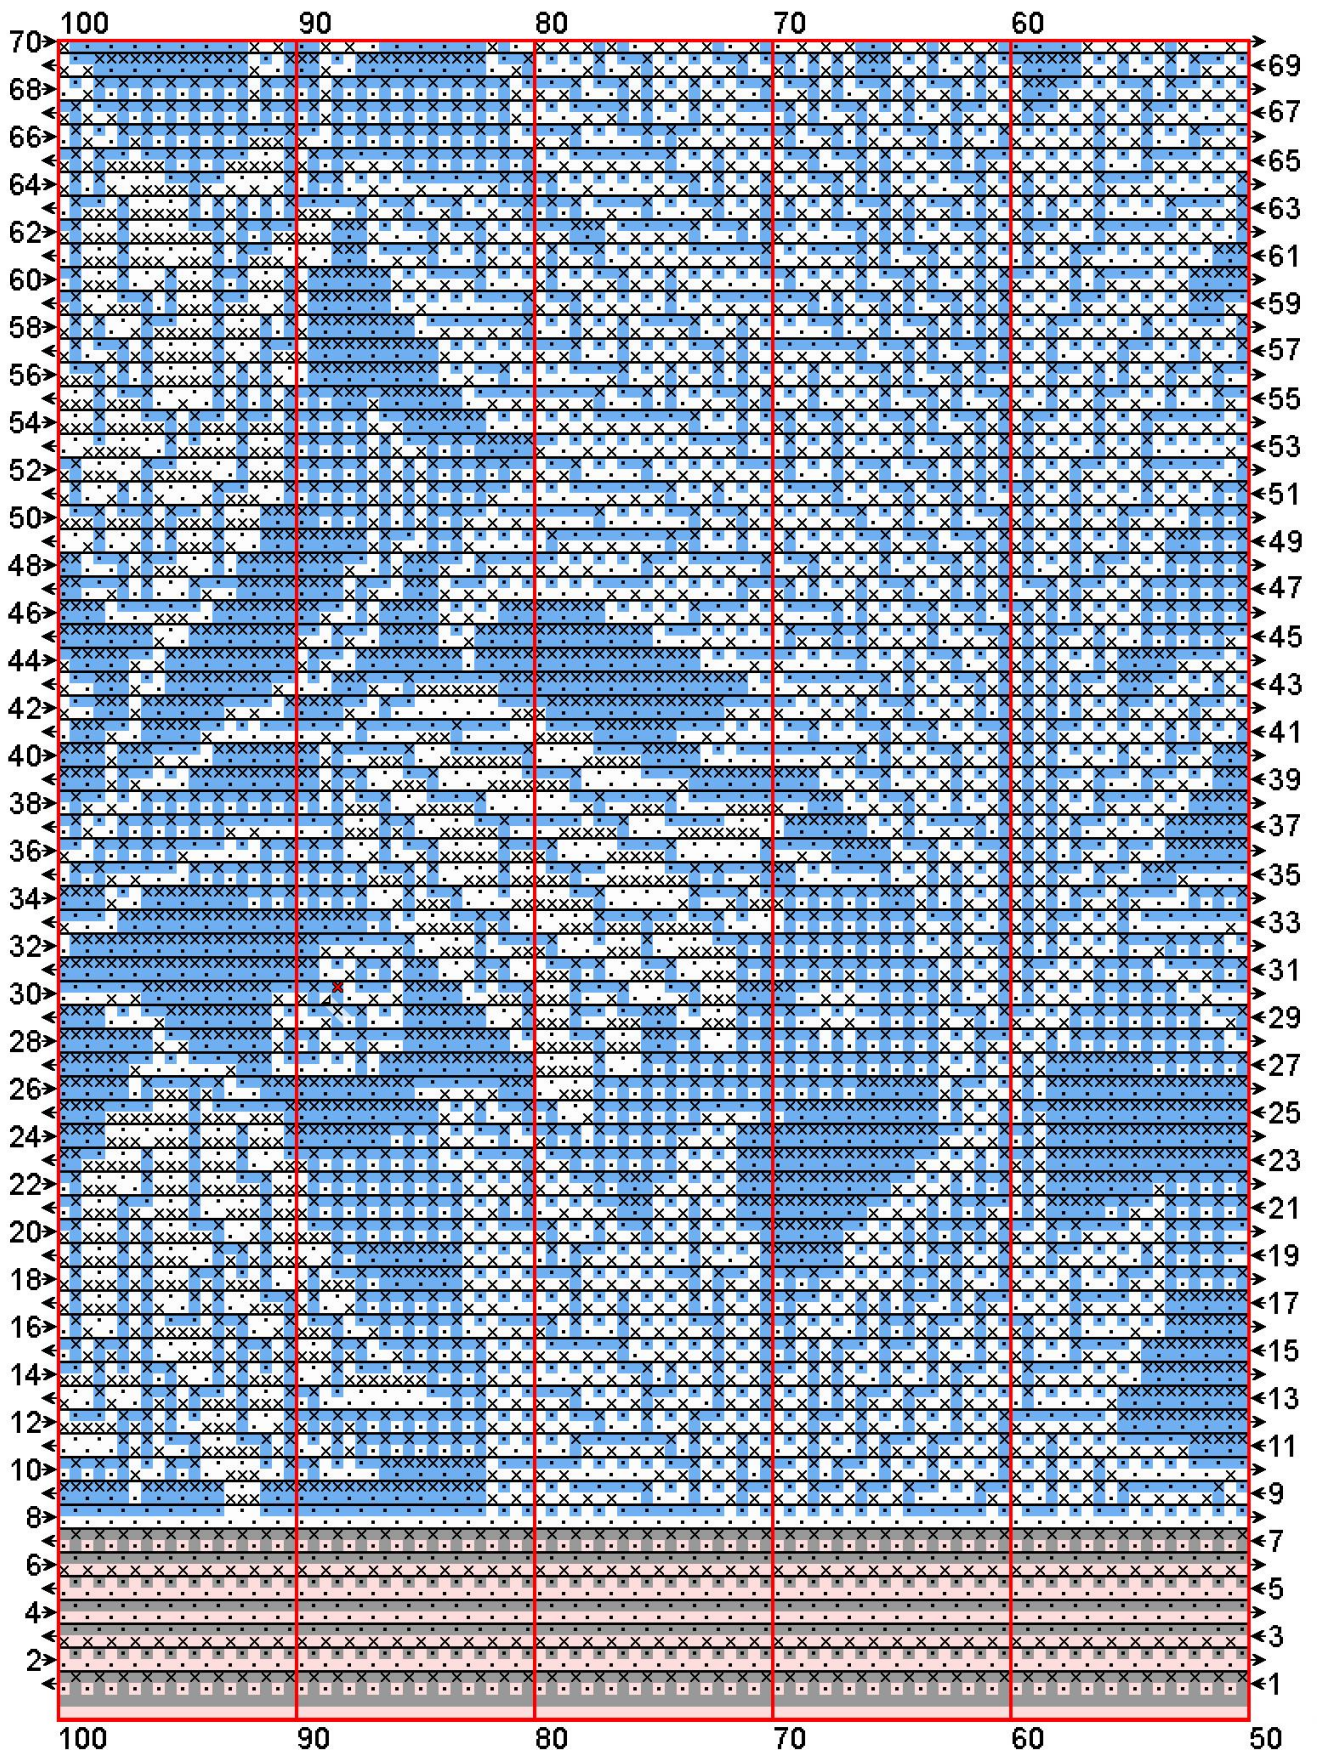

In this [video](#) I show you how to unite the edges this way.
