"I'm a vampire in putting this maid's skin on, trying to look for information.."

"This? It was only kind of an exchange.."

"..To find more about that maid, Marie.. the only lead.."

"Except for this old man.. I don't think he would find out."

"That woman's
skin under the table.."

"He.. cum..
all inside.."

"Lucky that Vampire
can't get pregnant
with human.."

"And you, also.
Don't forget what
you said after this!"

"F-For now!? It's mean you haven't satisfied yet!?"

Ah yes.. I'm having enough for now..

Hm? You ask me
about that maid, Marie?

Well.. One time, I met the General at the frontline, to talk about the supply from my Company..

..And then, I saw her. She served as a nursed in the post.

Yes, it's Marie. A tough figure, also very handy in her job.

A while later, that post was overrunned by the enemy, Marie was the only one to get out alive.

She then came to find me, and become a maid here..

"Hm.. Nothing shady or any connection to what I'm thinking."

Sir, if she was at the battlefield, did she ever told you her story?

None. As I said, she was tough, hardly said anything.

Well, I know you
are new here, why
don't you go
and ask Marie herself?

"Came back from
military.. The only
one survived.."

And back to work fast, please. We have an important guest today.

"She must know something about the letter.."

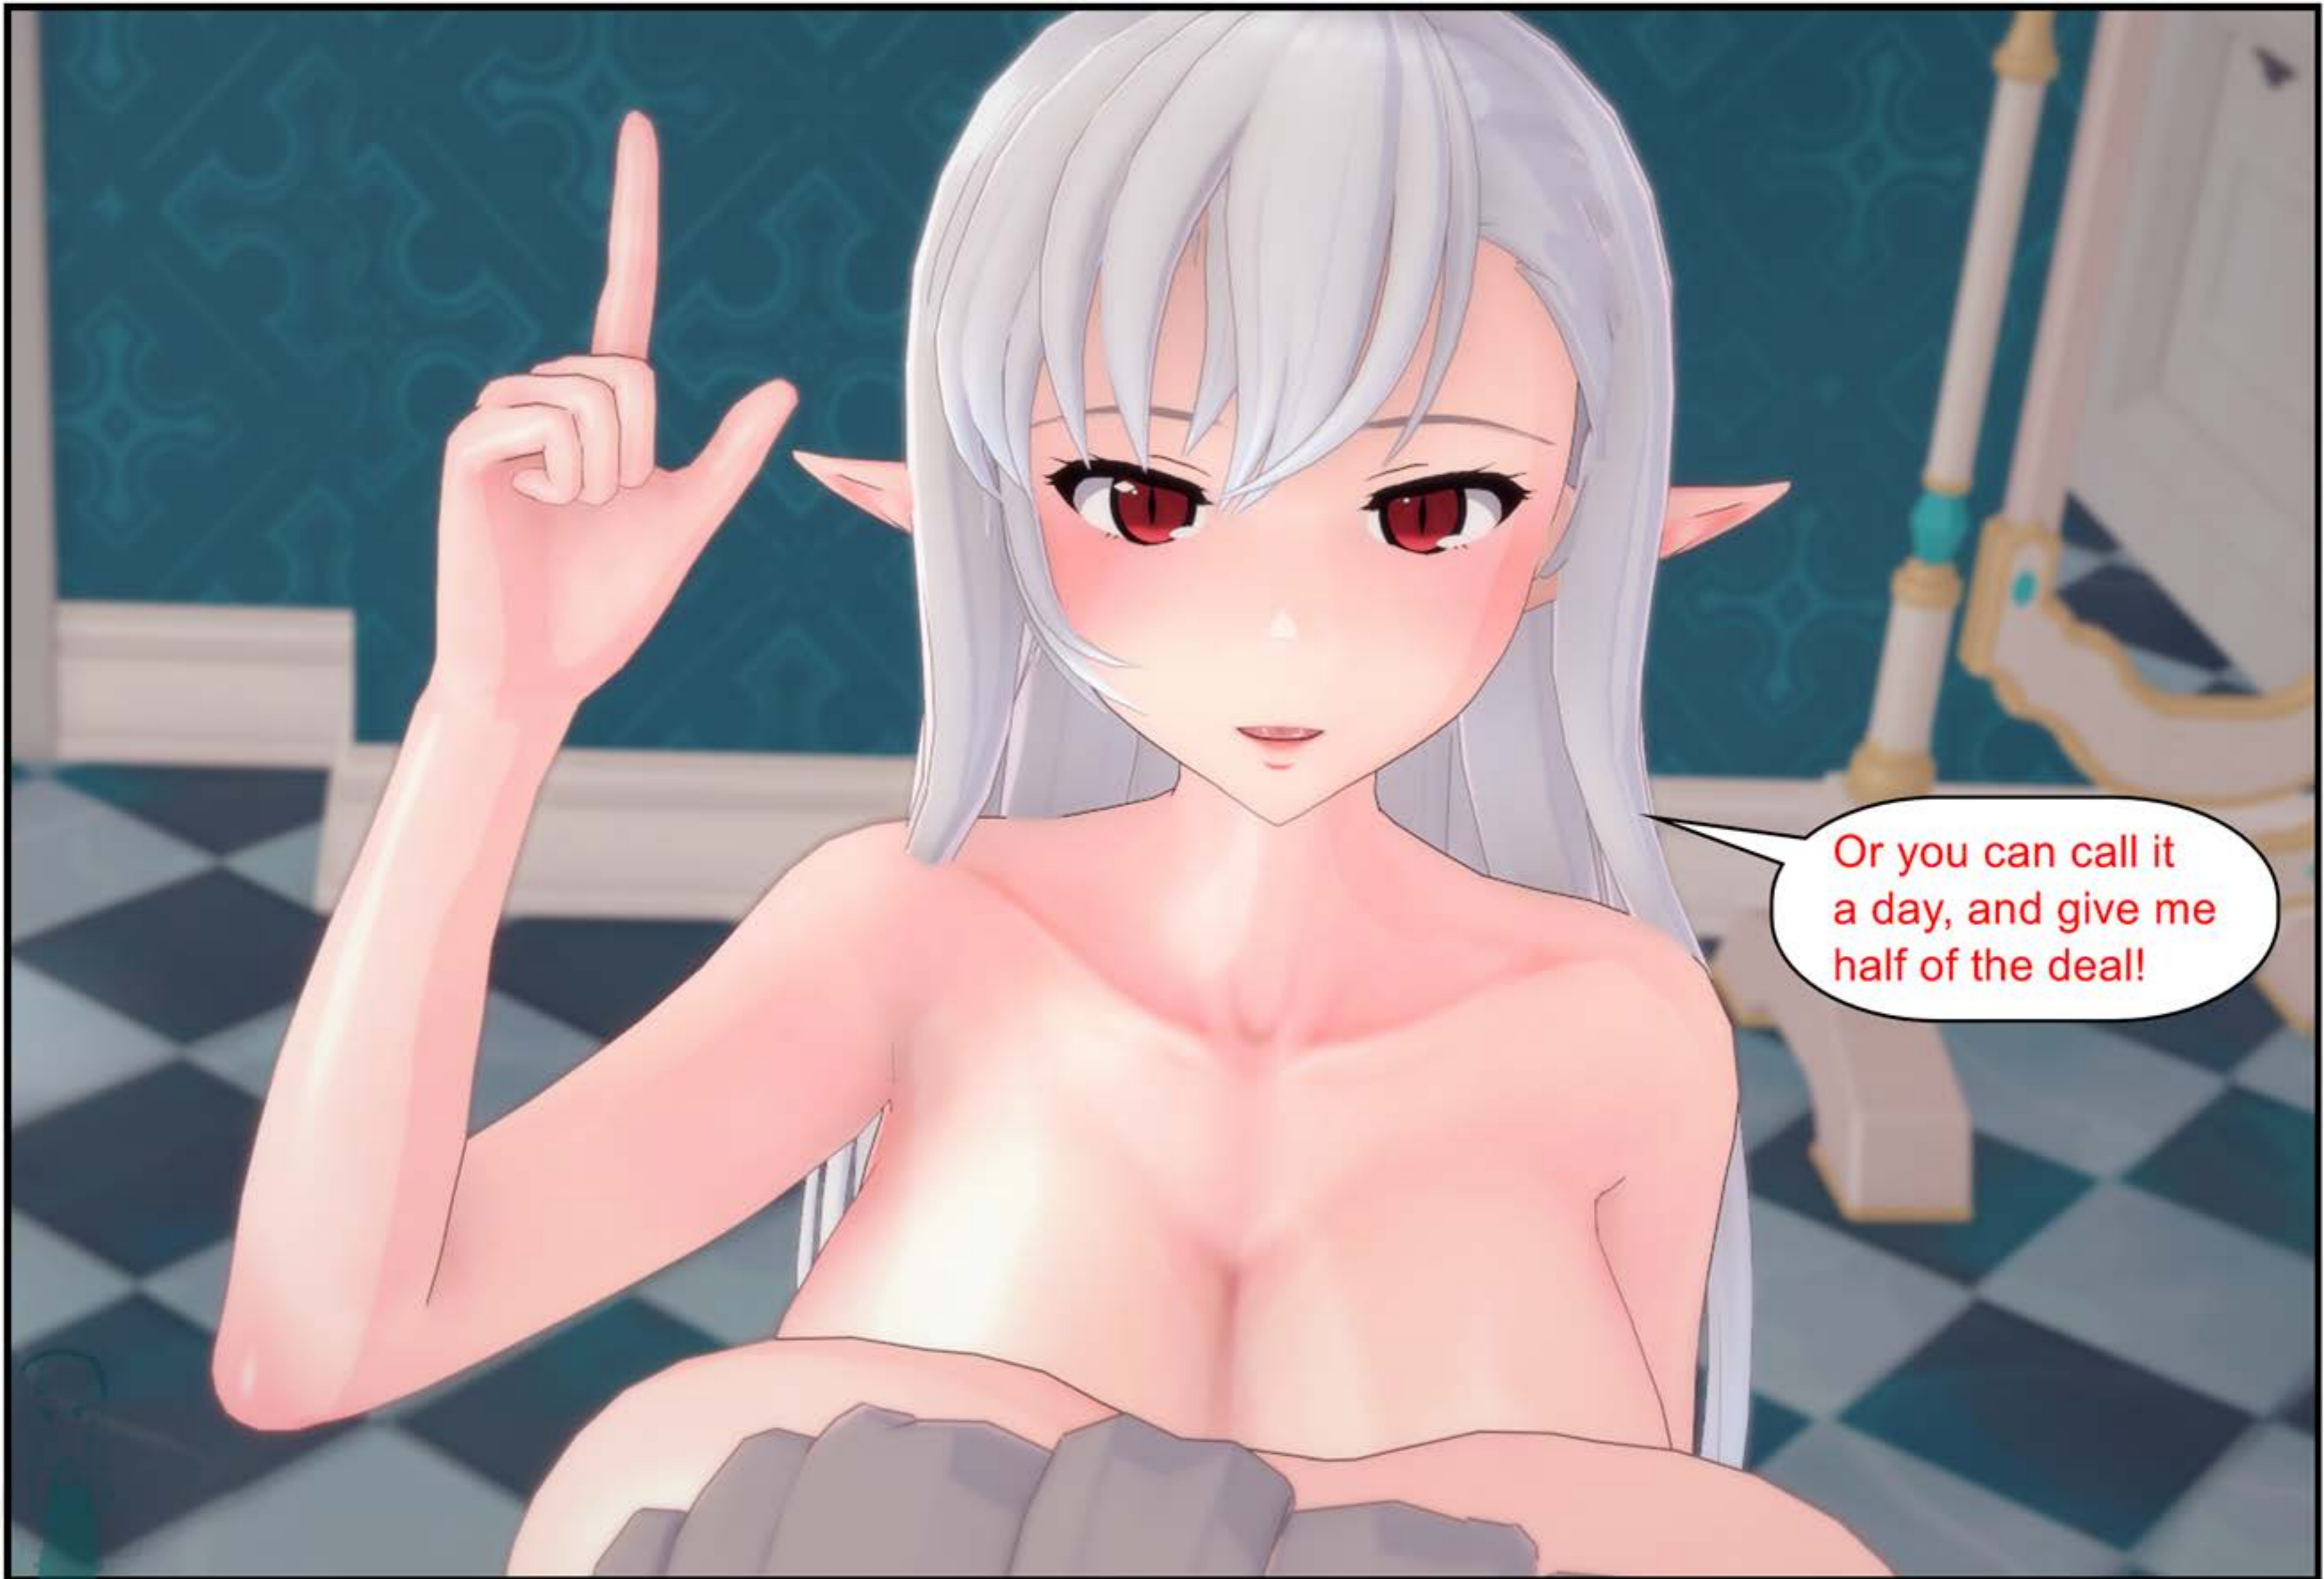

"Nothing much from
that man, only Marie left.."

Worrying already?
Well, at least, we
still have some lead.

Or you can call it a day, and give me half of the deal!

I heard that you
wanted to see me..

..Also, the one
in Jamie's bedroom,
it was you as her?

I didn't expect..
there would be a
thief in the mansion.

A-Actually.. I'm not stealing anything.. Only.. you know..

W-Wait!! Let
me explain!!

I recieved a request,
to come and investigate.

T-Tell you whatm
I'm an Officer in
disguise!

Also, I heard you
were the only one
who survived from
the battlefield..

S-So.. I would like to ask you some questions..

"E-Eh.. What
did she just..?"

I would gladly
to answer them..
Any other?

"O-One kick that
could scratch my skin.."

A nurse should also
know how to fight..
And I know you
are not an Officer.

"It's no good.. I
have to use that,
and retreat.."

Ah! It's those
guys who hired me!

A woman with long, dark hair is running through a room with a checkered floor. She is wearing a pink, form-fitting swimsuit. Her expression is one of panic or surprise. The room has wooden walls and a red curtain in the background. A speech bubble is positioned to the right of the woman.

"Aaaahhhh!! What am I getting into!?"

You meant me to
fight her!? No way!
Not in this daylight!

pant.. *pant*..
I need.. some blood..
So exhausted..

Uh.. Are you
the maid that I
met earlier..?

"Do I.. have any other choice..?"

Y-Yes.. Is there something, sir?

I'm.. a bit curious of why you are running while nude..

Apologise to you..
I'm having a mental
illness for a long time..

E-Eh..!?!
Really!?!

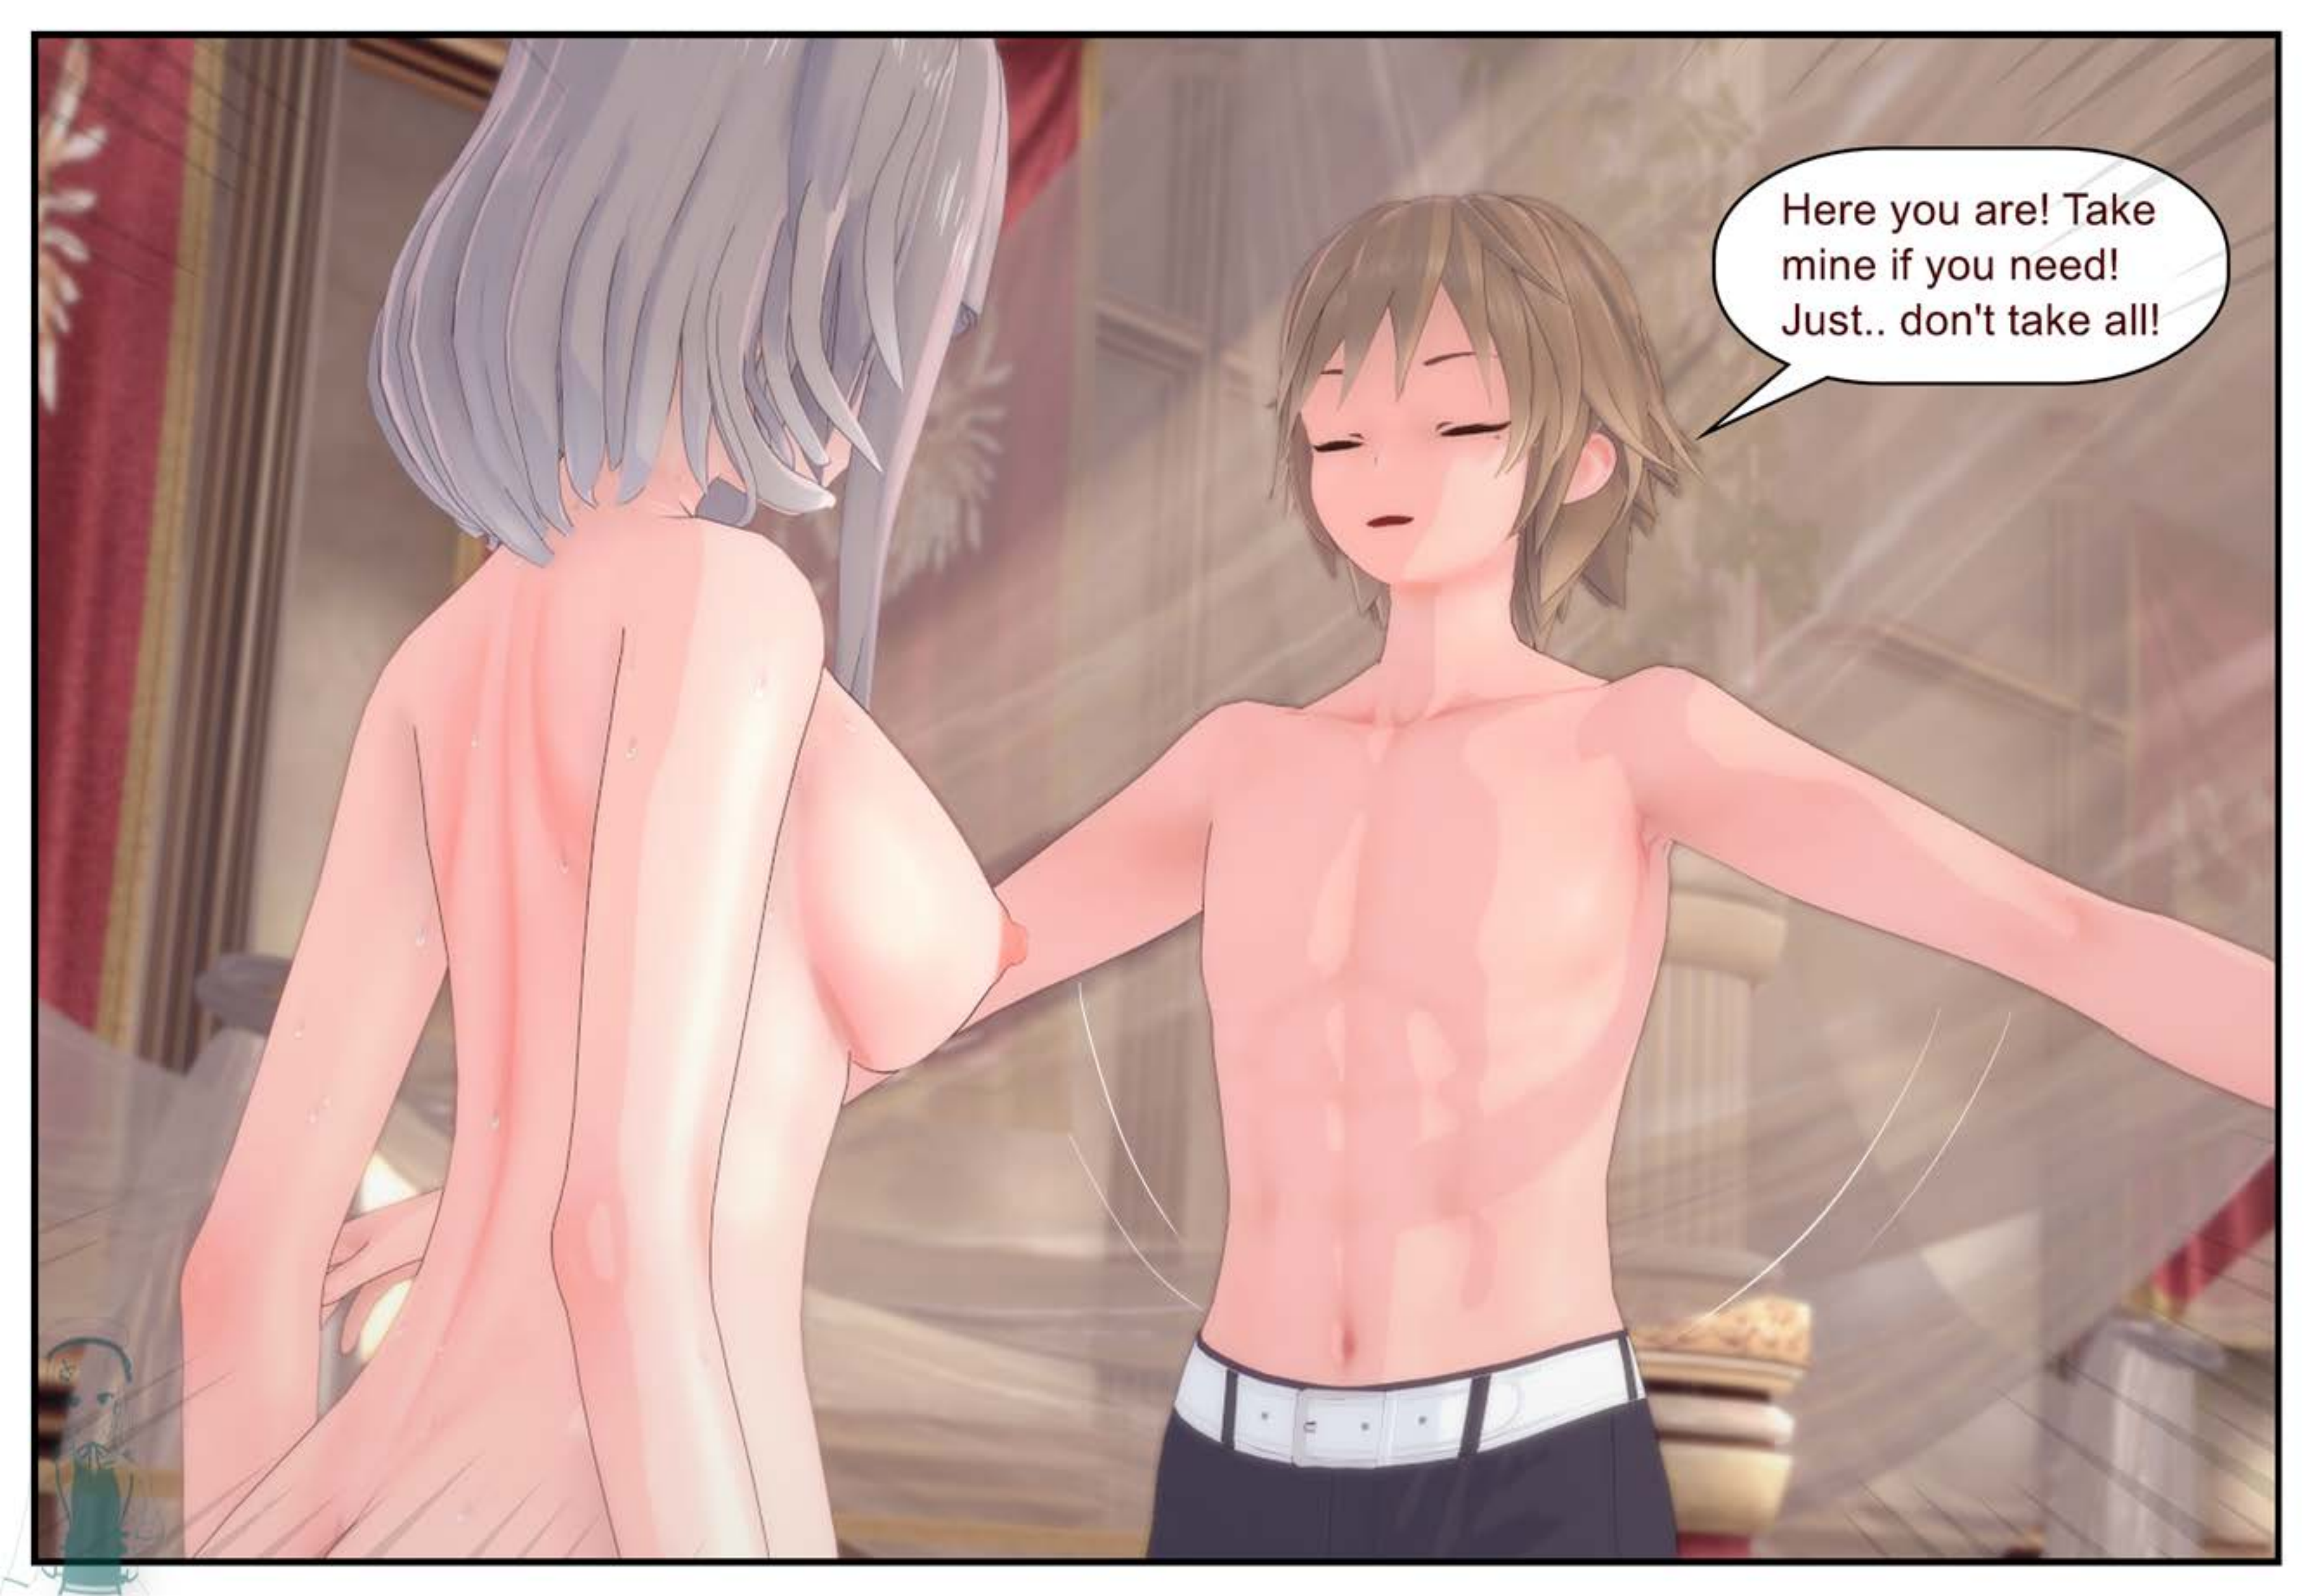

I need.. to drink
blood to calm
myself down..

Oh.. Sound like
a Vampire in
the myth..

Well, it's not a big deal to donate some.. So..

Here you are! Take mine if you need!
Just.. don't take all!

"Was there still any man like this guy on Earth..?"

"Whatever.. Make it quick so that I could escape her."

Um.. Slurp..
Gulp.. Slurp..

A close-up illustration of a character with long, straight, grey hair. The character's eyes are closed, and a single tear is visible on their cheek. The background is a soft, out-of-focus pinkish-red. A speech bubble is located in the lower-left quadrant of the image.

"Man's blood..
too sour and bitter.."

Good afternoon.

Afternoon, mister.

"Heh.. Lucky that I was fast.."

"But unlucky that..
I couldn't get
anything from her."

"What a scary person,
can even hurt a Vampire.."

"Hold on.. If I
can't ask that maid
directly.."

"..Jamie!! The one
that she always
serve next to!"

"They must have sharing whatever between them!"

"Come on! I have to hustle and find Jamie!"

"Uwoah.. I can't believe I'm masturbating for someobe.."

"Very elegant..
polite.. and hot.."

"That person..
was a beautiful figure.."

"A maid like me..
won't have a chance.."

"Ah.. Not Jamie..
Should I..?"

E-Excuse me..?
What are you..
doing in here?

Uooooaaahhh!! It's not like what you are thinking!!!

P-Please.. don't
tell anyone about this..

"It's time to use
male charming skill.."

Don't worry, girl.
I won't, but if you
know something
about Marie..

M-Marie..? I know her, she came after me as a maid..

..I wonder if you could tell me more about her?

B-But.. Promise me first.. that you won't tell anyone, okay?

I won't. In exchange,
you could do anything
you wanted with me.

Anything!? E-Even sexual..!??

Yes, anything.

"Even she refuse,
I will have to mind
control her.."

I.. I agree!

I-It's my huge
pleasure..

To be continued..?

"This might be.. the last piece to the truth.."

Well, let's go somewhere else.. more private.
