I'm glad this day is over.

S-so, Mya...

Would you want to go next door and...

I dunno, grab a drink or something?

Nah. Too busy doing some shit tonight.

O-oh, OK then...

maybe next time...

...

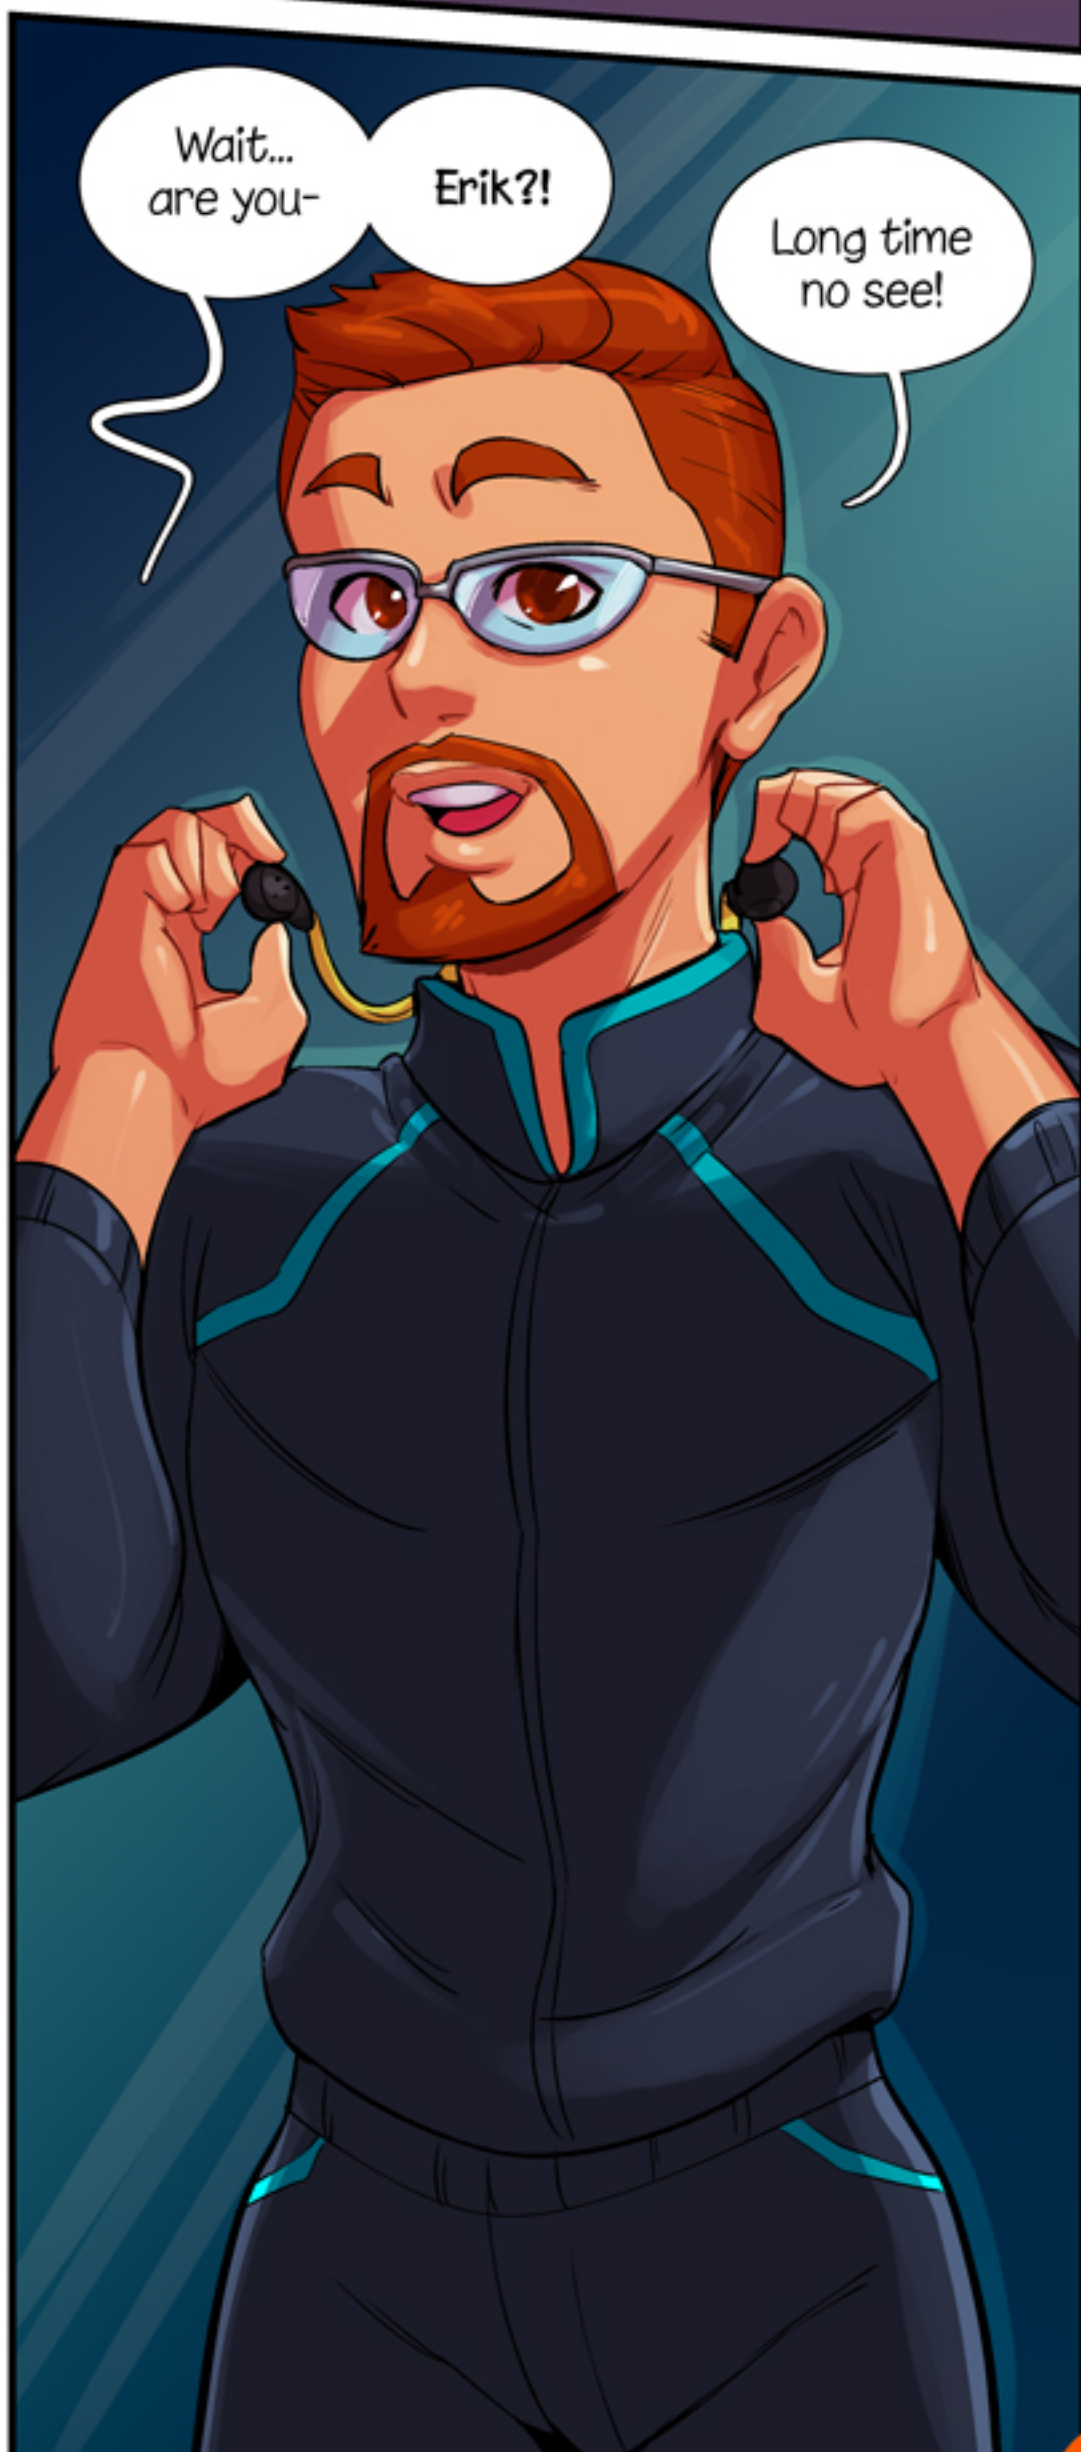

Mya has been really distant lately.

Is she mad at me?

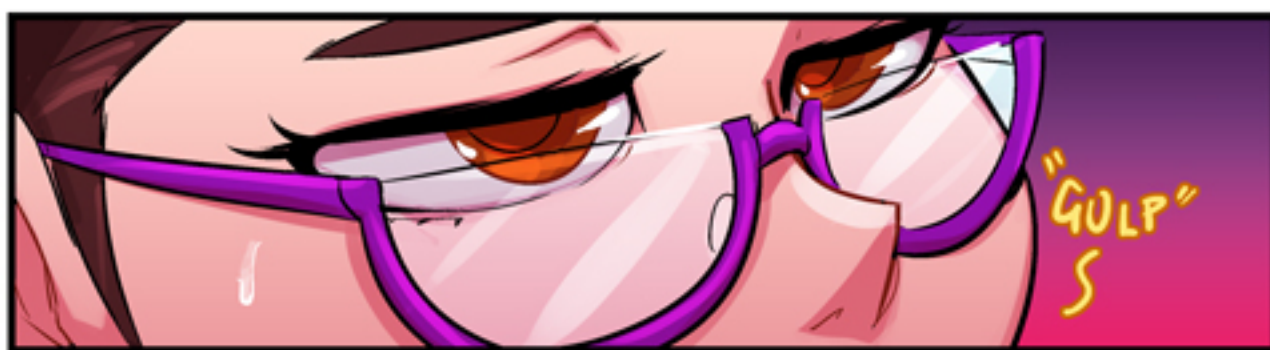

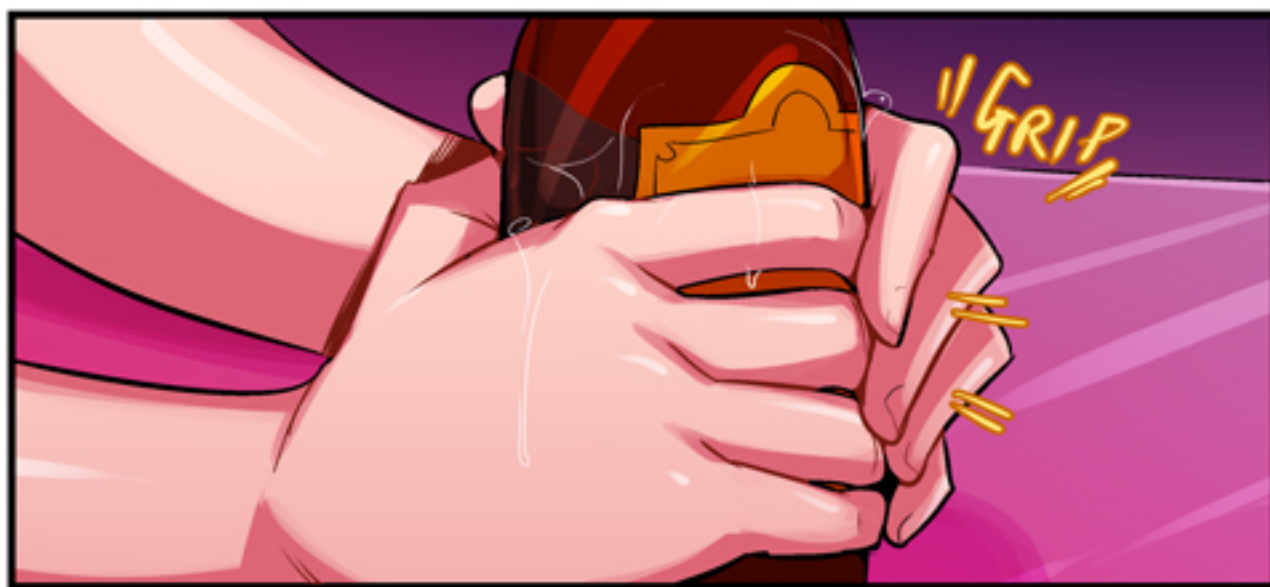

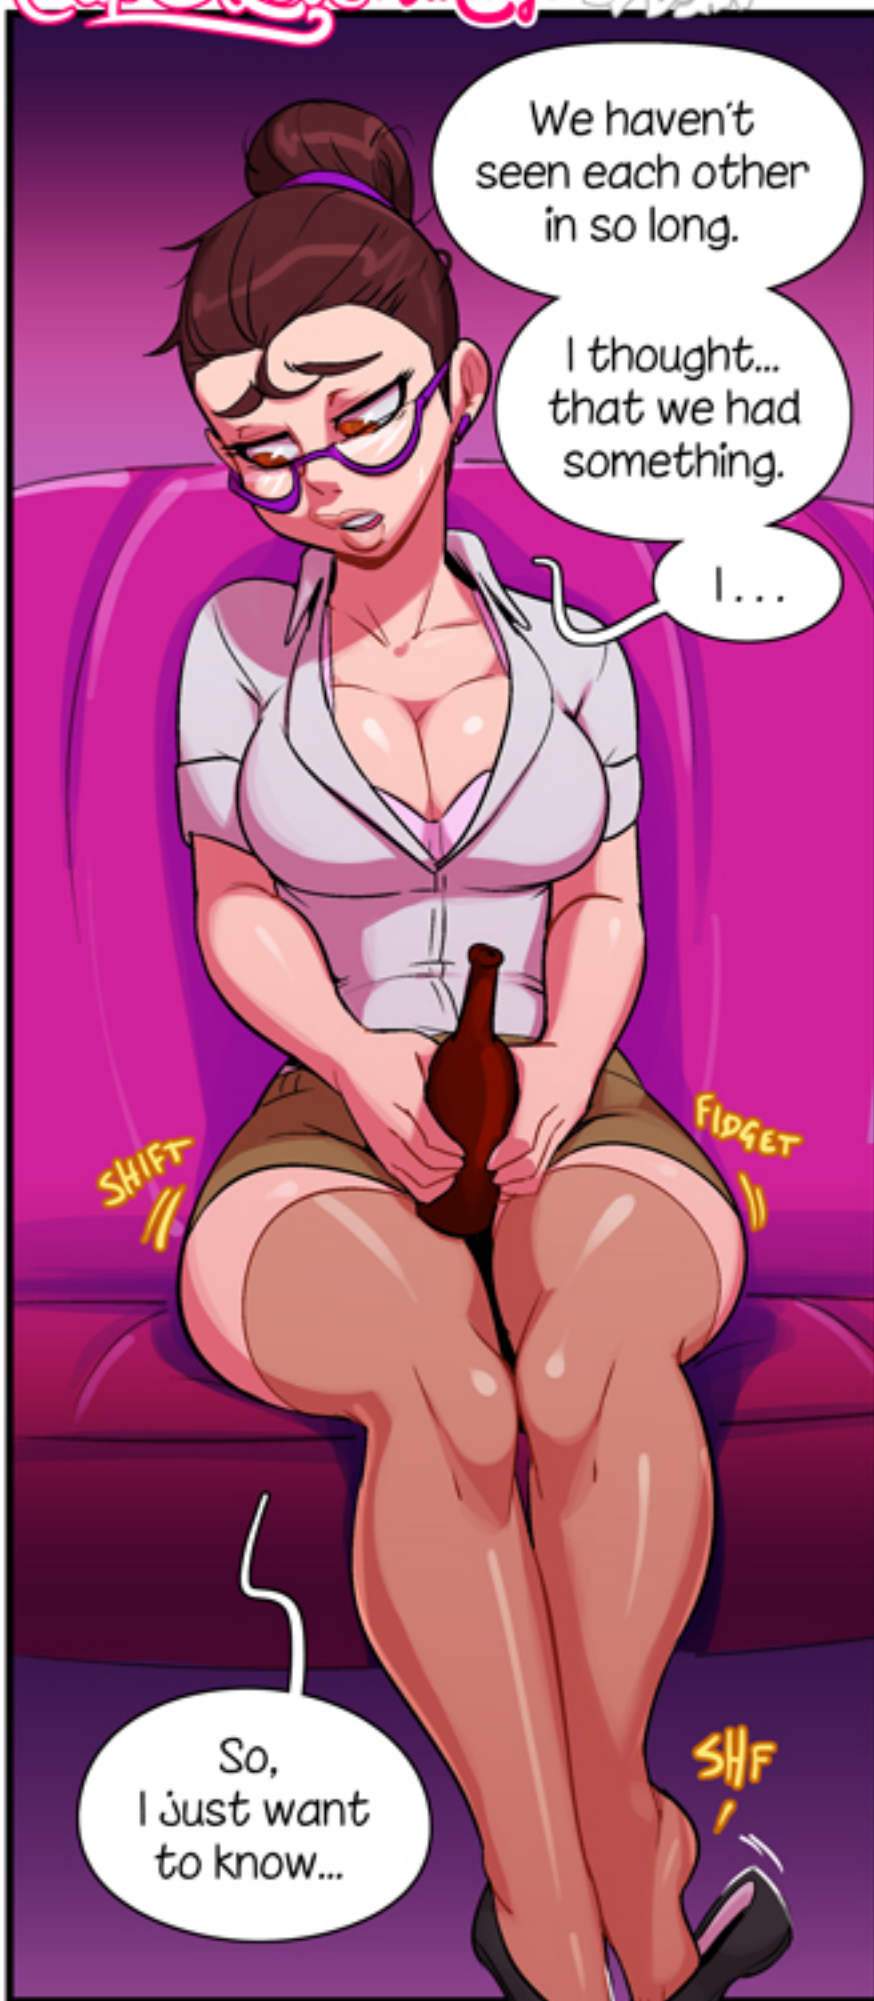

Things have just been different since...

...when we kissed.

BOOP!!

Whaa--!

W-what're you doing Janet?

Um...

Are you feeling alright-

Erik!

Please, I... I just want... ..um..

W-why don't we head back to my place...

We can continue to... ..catch up.

S-sure... I can make sure you get home safe...

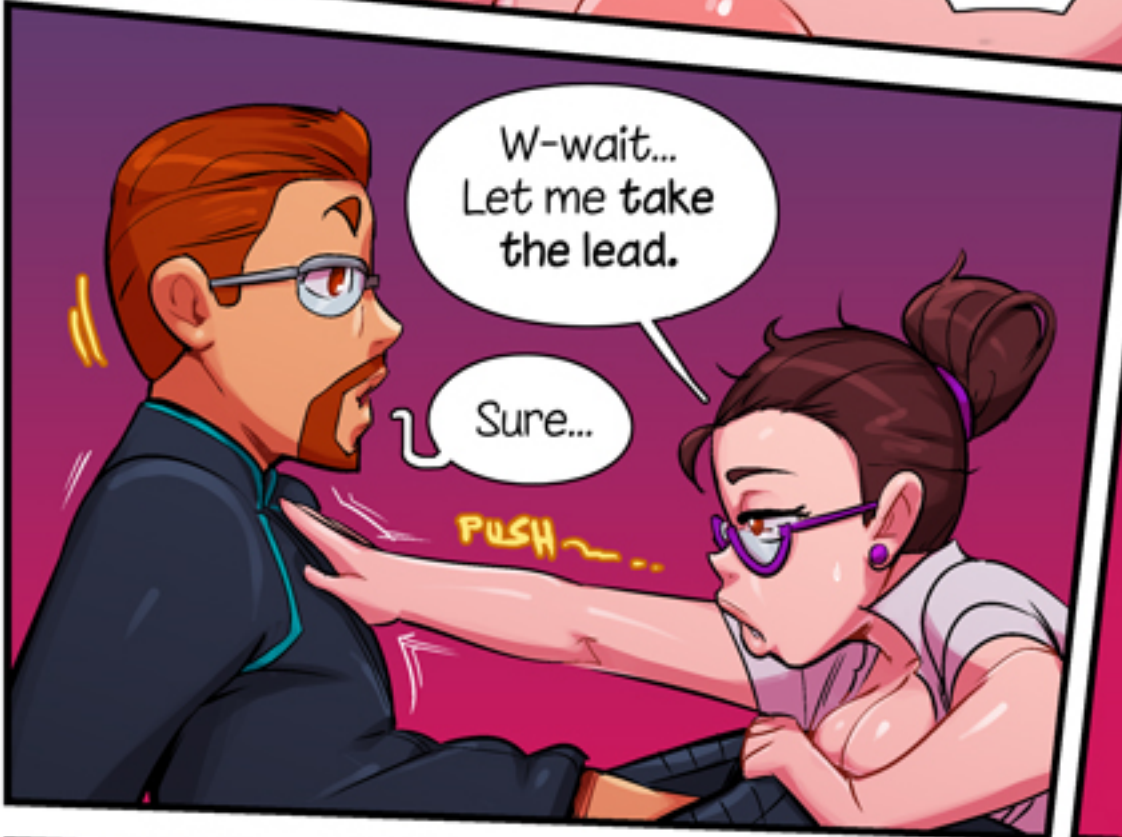

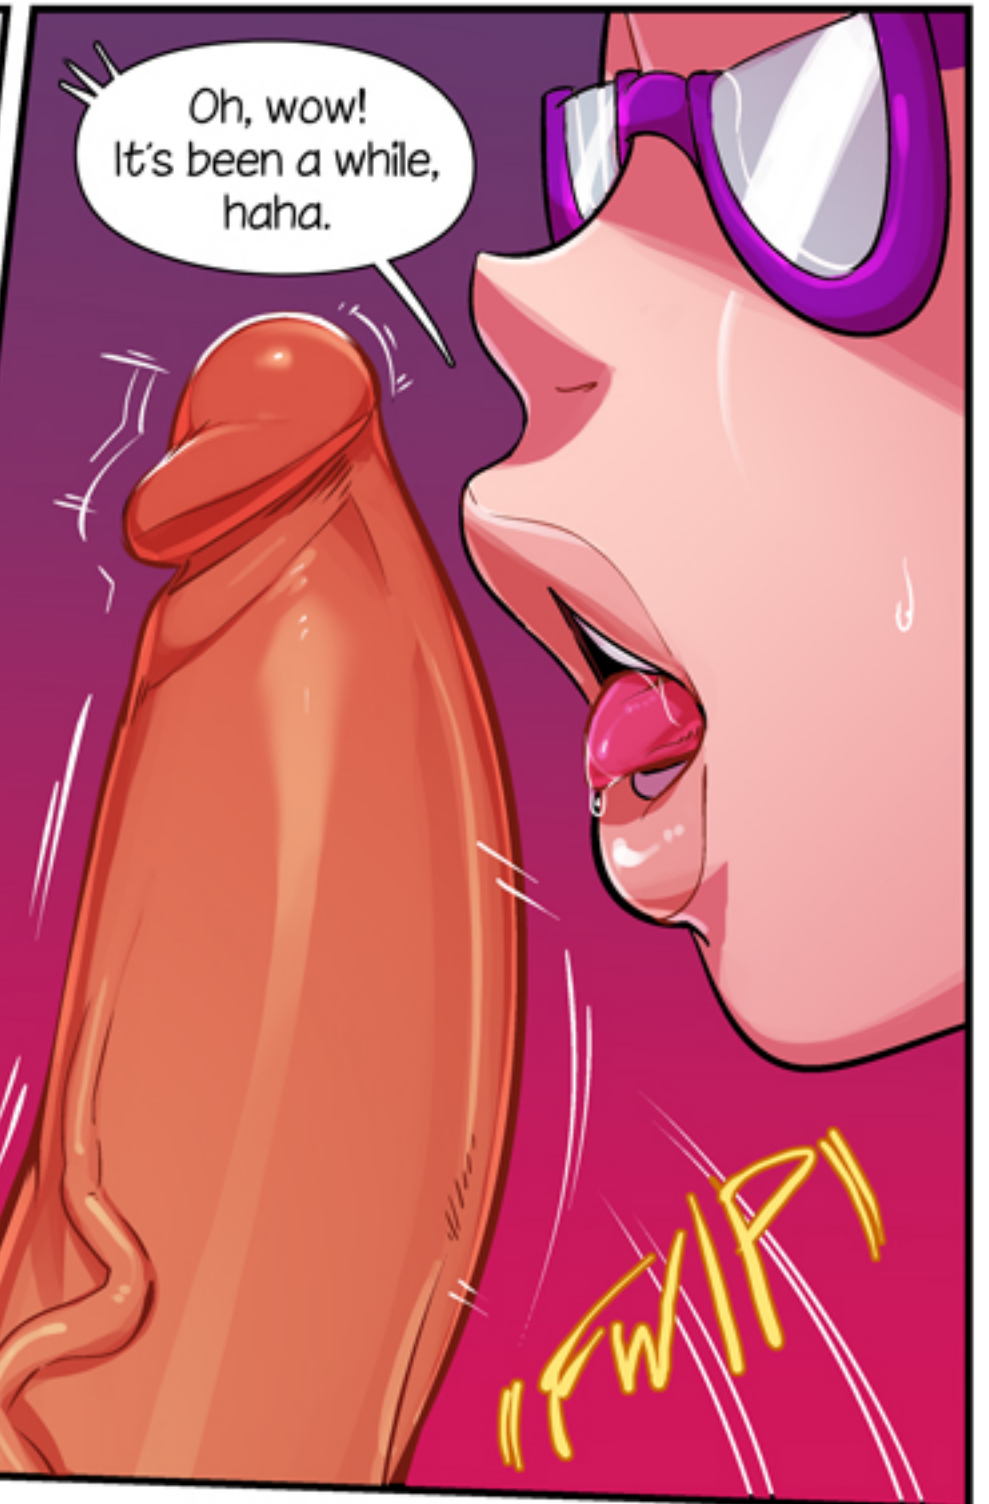

Janet's Apartment

I'm totally fine taking charge.

I... I like this... right?

Ah yeah... that feels great, Janet.

How about we move on to the next part?

Ahn~!

O-oh yeah, sure...

...the next part...

H-how about in just a bit?

HA HA...

But...

...maybe you could do the same for me next?

Sure thing, Janet.

Oh wow!
Erik, you got so... buff!

Ha, I could say the same for you, Janet.

You've gotten... sexier-
-and bigger...

So...

Crap! I went overboard!

Ah! S-sorry about that...

It was just really good!

MWAH

I hope being that rough didn't scare you...

I've... just been a little lonely lately.

But anyway... W-would you like to keep going?

So...

???

Still thinking about Mya, huh?

OHMYGOD I SAID HER NAME DURING SEX, DIDNT I?!

IT'S SO NOT COOL!!!

Well...yeah. It's cool though.

Well, I mean, I have a girlfriend too, y'know.

WAIT, WHAT?!

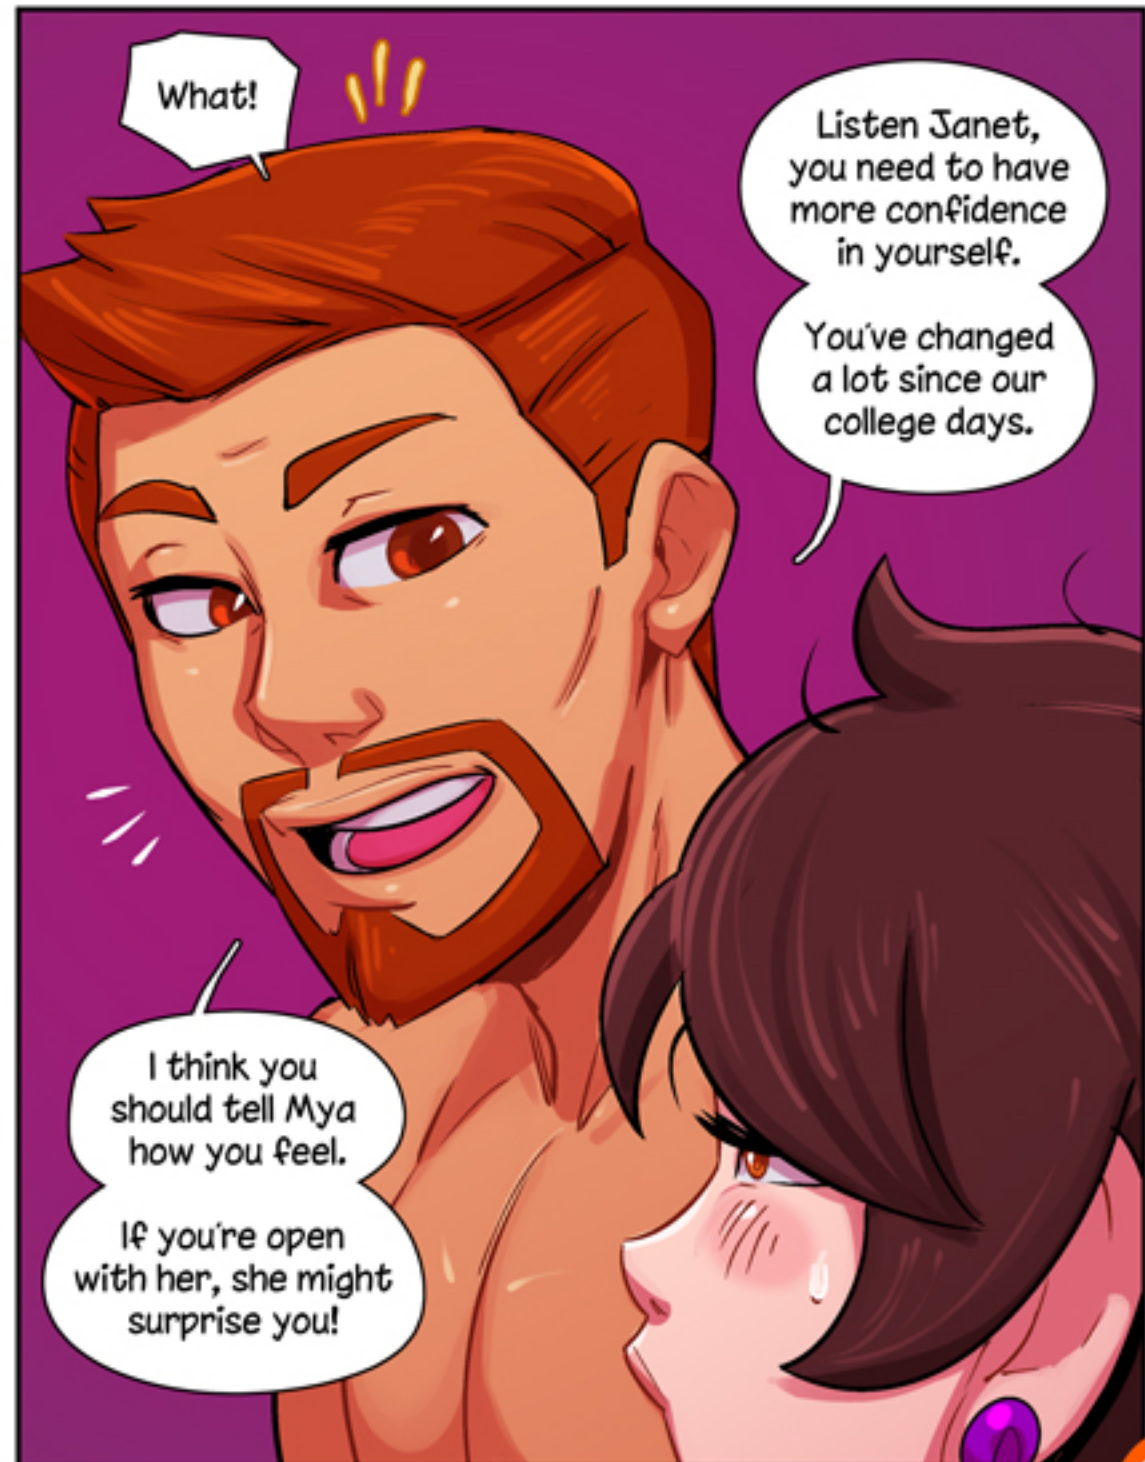

Look, my girlfriend Salwa and I have an open relationship.

This just went from sexy to crappy, real fast.

Well, I did forget to ask you if you were in a relationship to start.

I assumed Mya and you were in a similar relationship, with the way you talked at the bar.

Well... I don't think Mya wants to be tied down, especially by a nerd like me.

What!

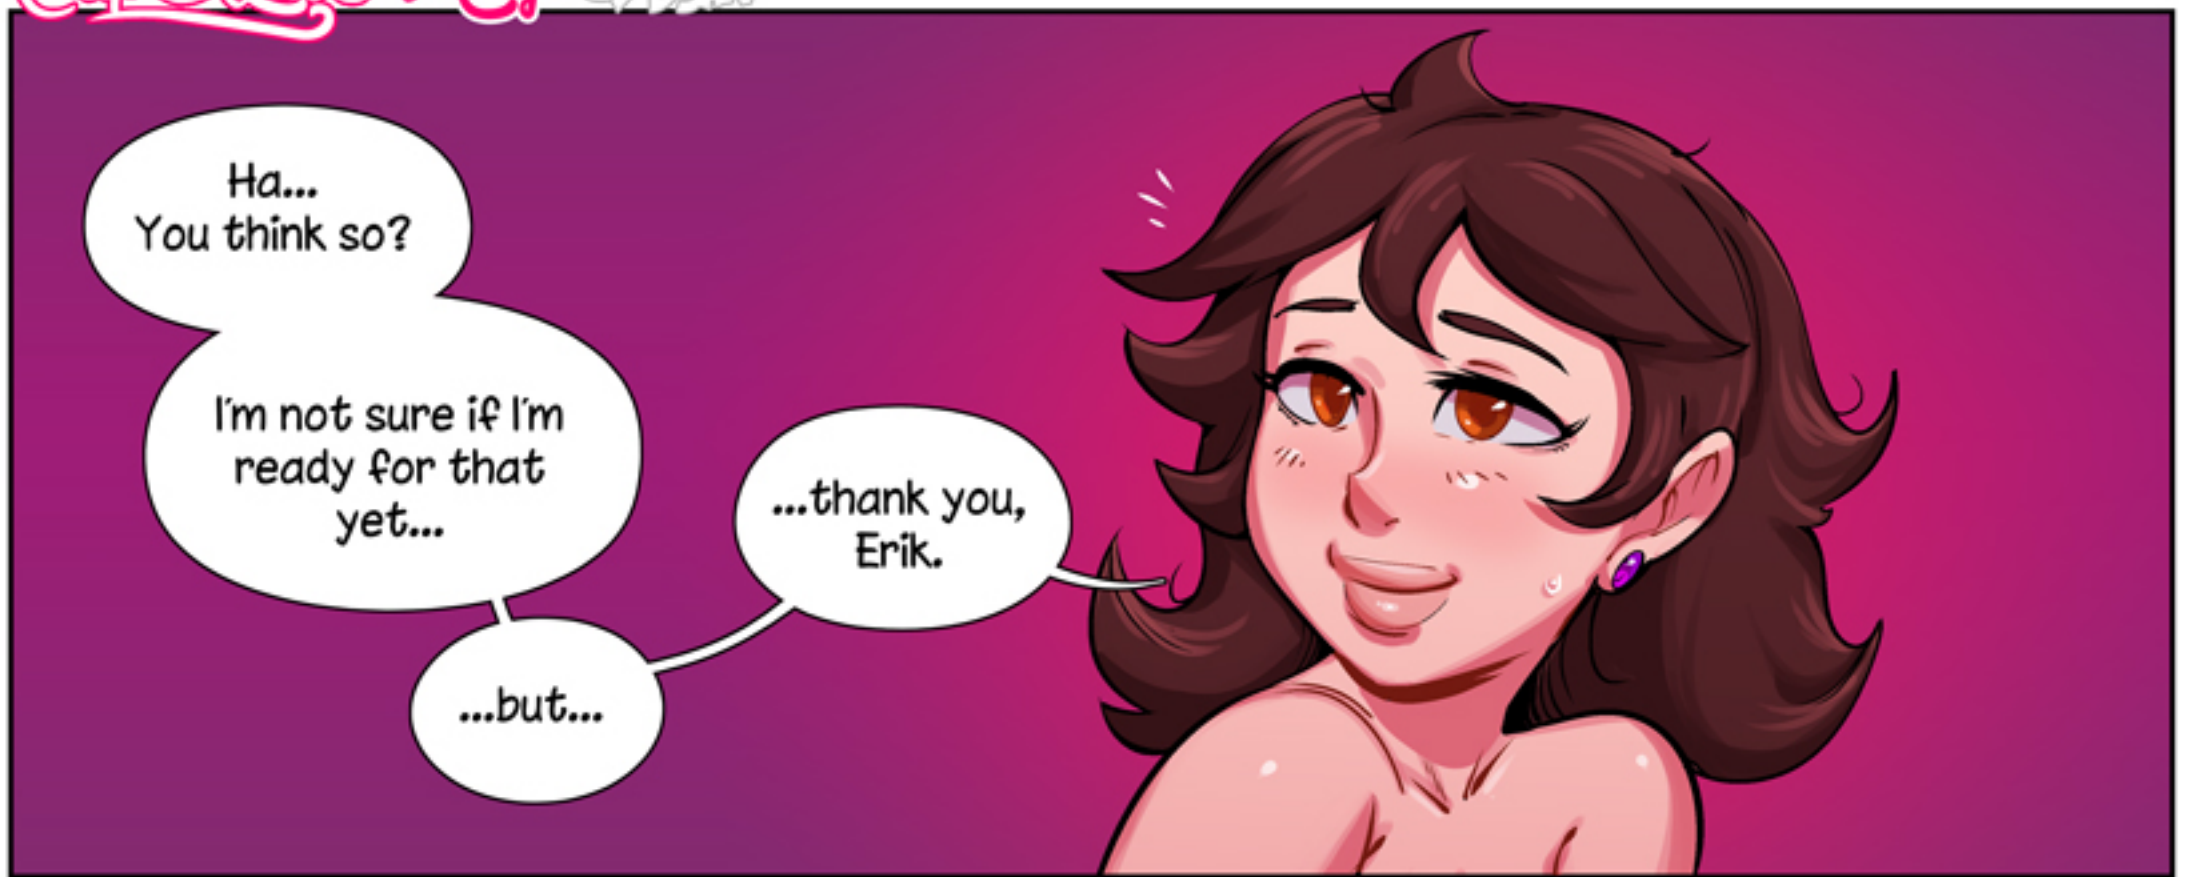

Listen Janet, you need to have more confidence in yourself.

You've changed a lot since our college days.

I think you should tell Mya how you feel.

If you're open with her, she might surprise you!

Ha...
You think so?

I'm not sure if I'm
ready for that
yet...

...but...

...thank you,
Erik.

The next morning

I wonder if
Mya is still...

...Mya.

...

Here goes
nothing!

Yo.

Hey...

Ready for
work?

Y-yeah!

End
