

Pervert Action: Legacy

Hiroshi vs Kimiko

After having accepted Hiroshi's deals, another night at the mansion unfolds.

Kimiko: Hmm... Master's not around and... Oh! Well, look at this... seems like there's a lot of *dust* on this shelf right here. I'll have to bend right over to dust it!

Kimiko: What are you doing back there? You saw something that interests you, huh?

Kimiko: Ahh! Oh, fuck... you and your busy hands! Ohhh... oh...

Kimiko: All right, I'll sit on your lap, but... someone could walk in at any time... oh, yeah... oh, god...

Kimiko: Goddammit, gimme your tongue! Mm! Mmhmm! Mmhmm... mmhm... ahmmm... fuck... come to my room, okay?

Kimiko: Oh, GOD! Fuck me, you perverted, old, big-dick bastard! Make me your fucking bitch slut! Yes! Yes! Yes!

Kimiko: Mmhmm... hmmm... ahh... fuck, I'm just... I'm just your personal piece of ass now, aren't I? Damn it... fucking damn it... um... can you go again yet?
