considering  
long hair  
but mistime  
less girl

i'm not  
gonna cut  
Julier hair  
it's just kinda  
cute

Like a  
doll!

When I moved back  
to my hometown  
after uni I tried  
to fit in again,  
grew my hair and  
wore makeup.

I drew myself  
as this creature  
~~instead of~~ I guess  
bc I couldn't mesh  
myself with how I  
was presenting men.  
There are like no photos  
its very weird its like it  
didn't happen.
