"Hm.. What era is this? Strange..
Going off with this girl's mind, it's completely different from what I think."

"Well.. Look like
I still have my magic.
Let's change this outfit."

Heh. Much better.
This one better

"I wonder why there was nobody around here? Maybe it's still sunset?"

A woman with long, light-colored hair is shown from the waist up, wearing a grey, form-fitting corset with lace detailing on the sleeves. She is looking towards a sign for a 7-Eleven store. The sign is illuminated and features the red and green logo with the word "TWELVE" in green. Below the logo, there are signs for "ATM" and "酒" (alcohol) in Japanese characters. The scene is set at night, with a dark sky and some buildings visible in the background.

Hm? 7-Twelve?
What is that?

"I need to change
back just in case..
This place.. like
an shop or store.."

Welcome to
7-Twelve, Miss!

Hi. Look like you are buying something for your friends?

H-How did you know!? And who are you!?

Sorry for bothering you but I guess, your friends won't care about you, right?

Here. Eat this and

will give you confident.

It just..

It's free, I won't
take your money.

Okay.. Thank
you for the candy..

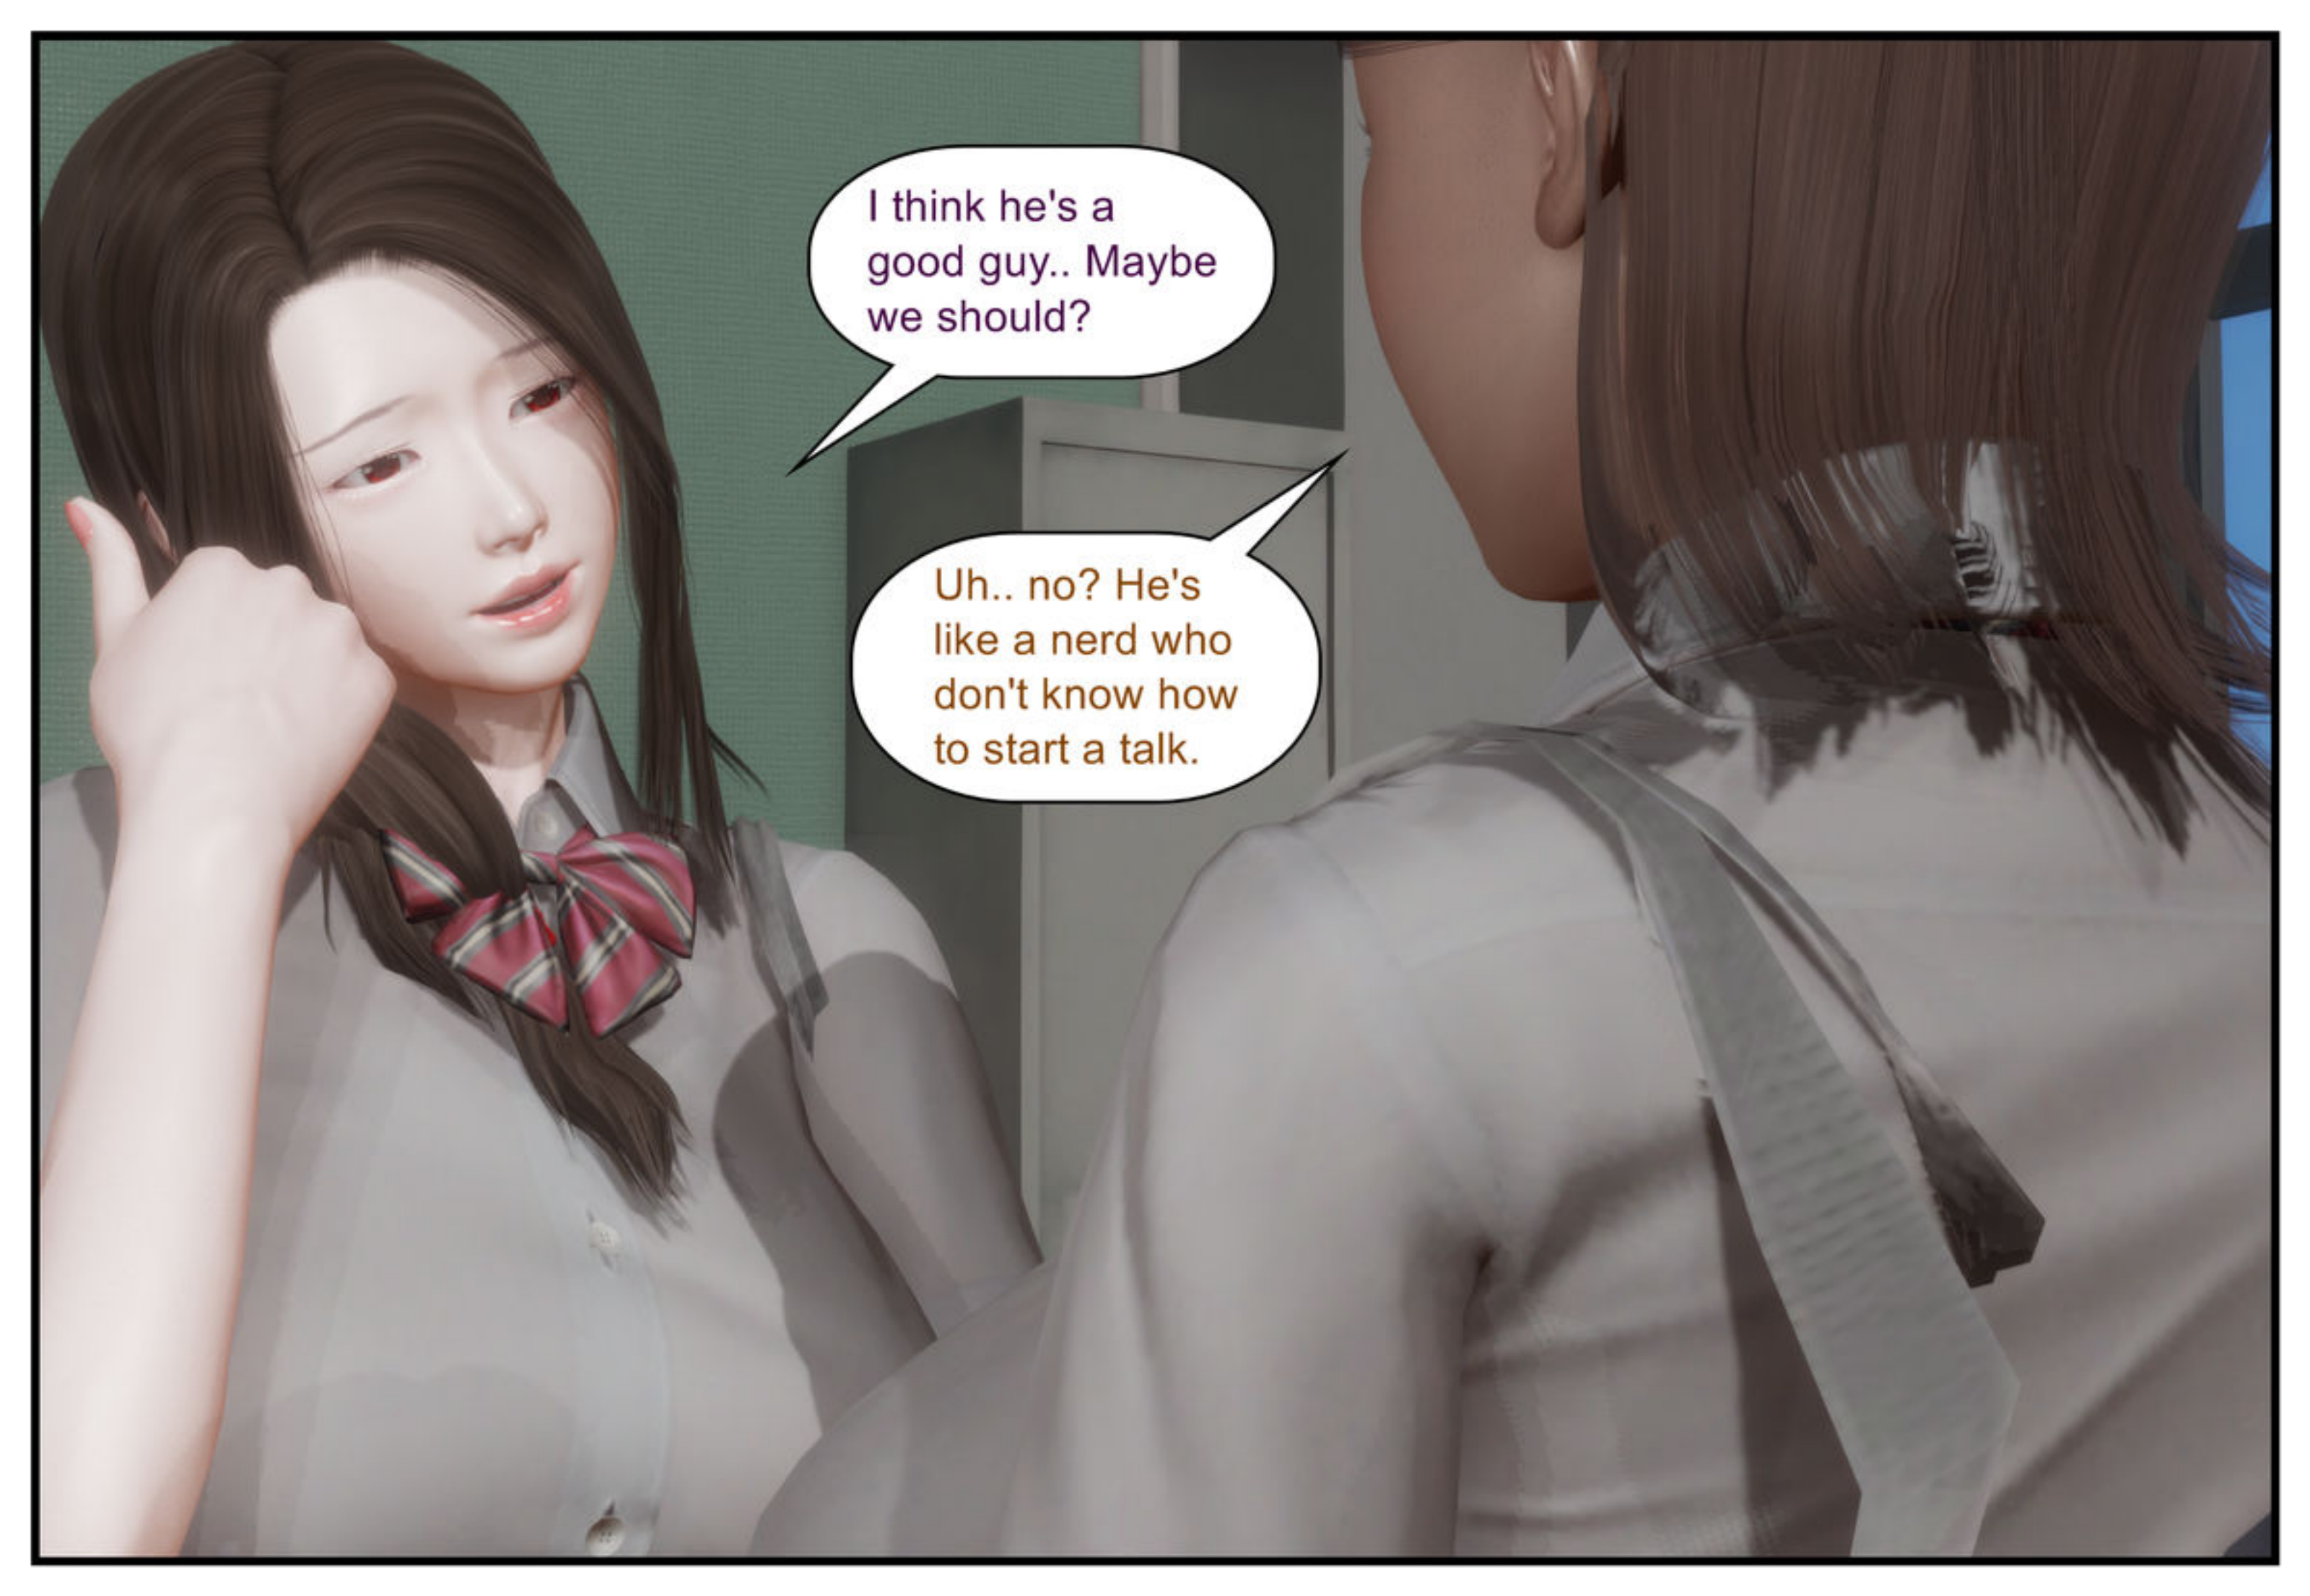

Uhm.. It's taste normal.. Oh, it's this time already!?

Sorry! I have to go! Nice to meet you!

"Now.. Wait and let him enjoy the good moment."

I think he's a
good guy.. Maybe
we should?

Uh.. no? He's
like a nerd who
don't know how
to start a talk.

Look. His parents
worked as politicians.
So we don't want
to mess with him.

Also, didn't the teacher told us to stay away from him?

Hi guys. I bought
breakfast for you two.

But.. Seyong..
She.. asked..

Do we look like
need your breakfast?

Something.. just
passed through me
when he said..
my name?

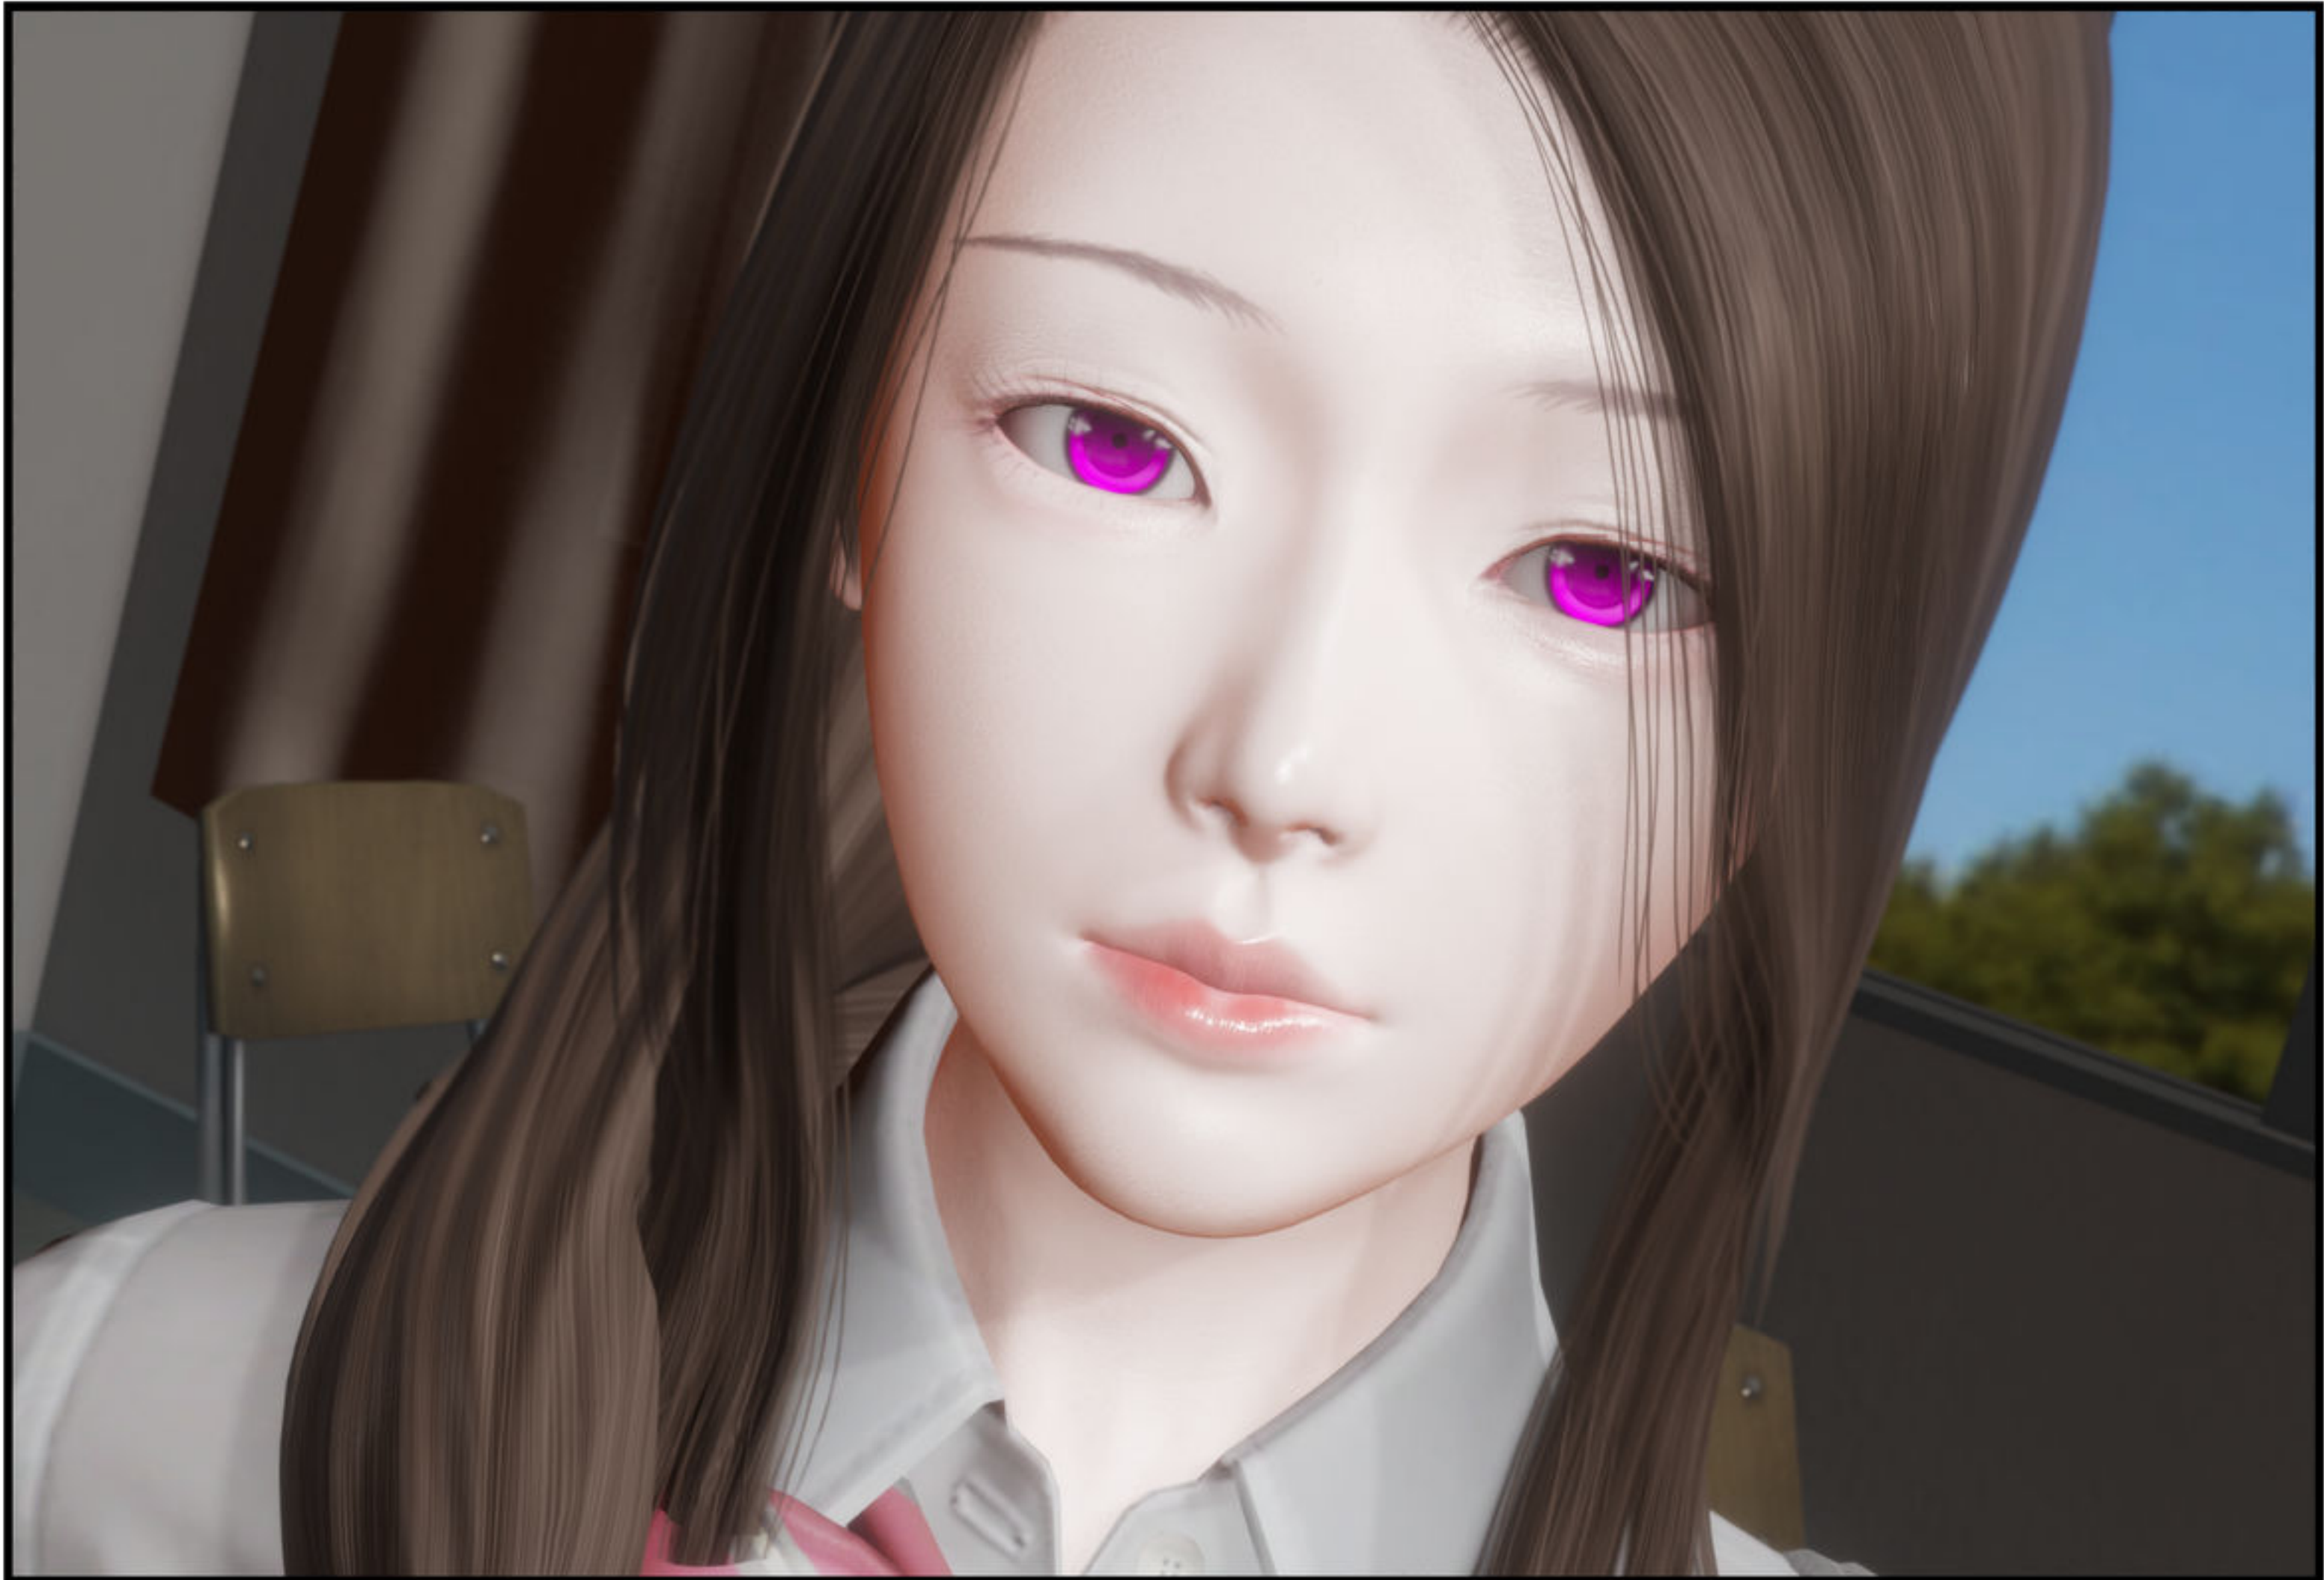

She never asked
you to buy us
these things!

It's okay, if you
two not take it.
I will then.

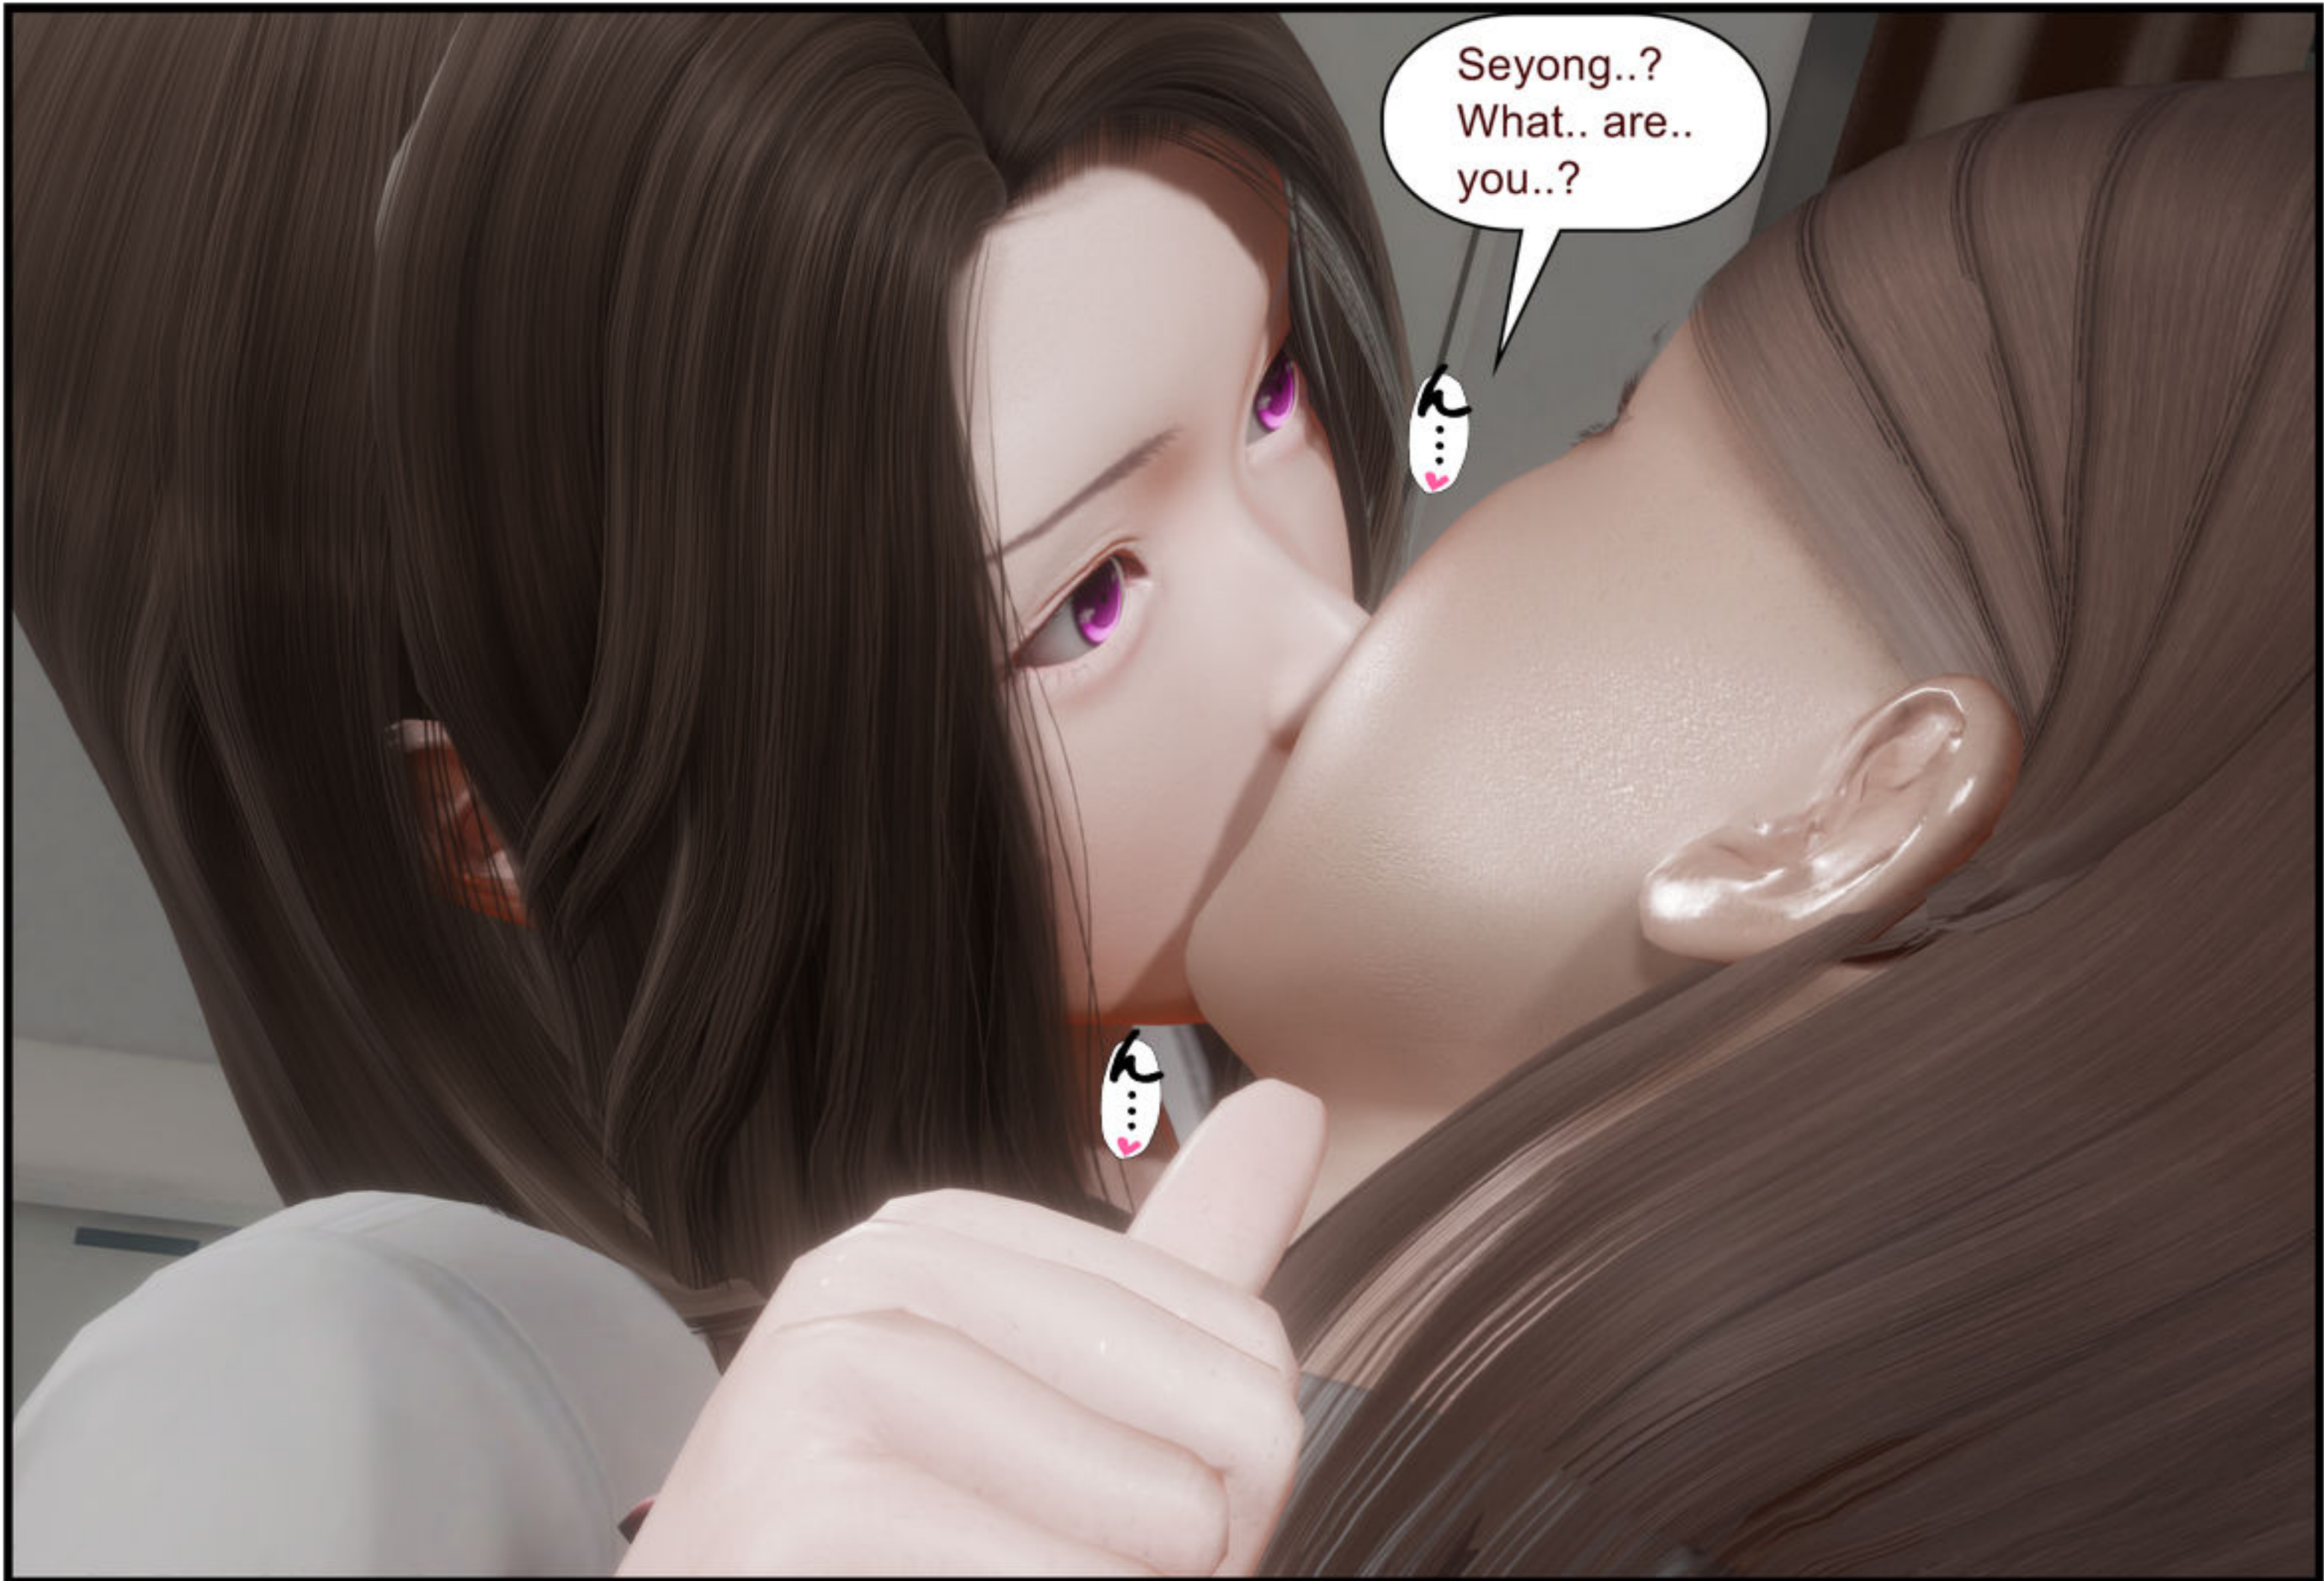

"My mind.. it's fading.. I can't.. feel my body.."

For the last time,
I told you to
stay away from us!

Seyong..?
What.. are..
you..?

The background is dark and filled with a grid of vertical and horizontal lines, suggesting a gym or industrial setting. A speech bubble is positioned to the left of her face.

Shhh.. Don't cry.
I will sure to break
your virgin.

"Hm.. I think he has enough fun time."

"Taking mana
may hurt or kill him."

"But no worries..
Seyong's body
