Hey, Kazuma,  
Darkness. We  
are back.

I remember.. I told them to wait..

Aqua...

How... dare they...?

H-Hey... Let's calm...

Hah! Try to play  
hide and seek  
with me!?

"Huh...? How  
dumb can she be?"

Ahaha!! I will be the one who found them! Let's go, Megumin!!

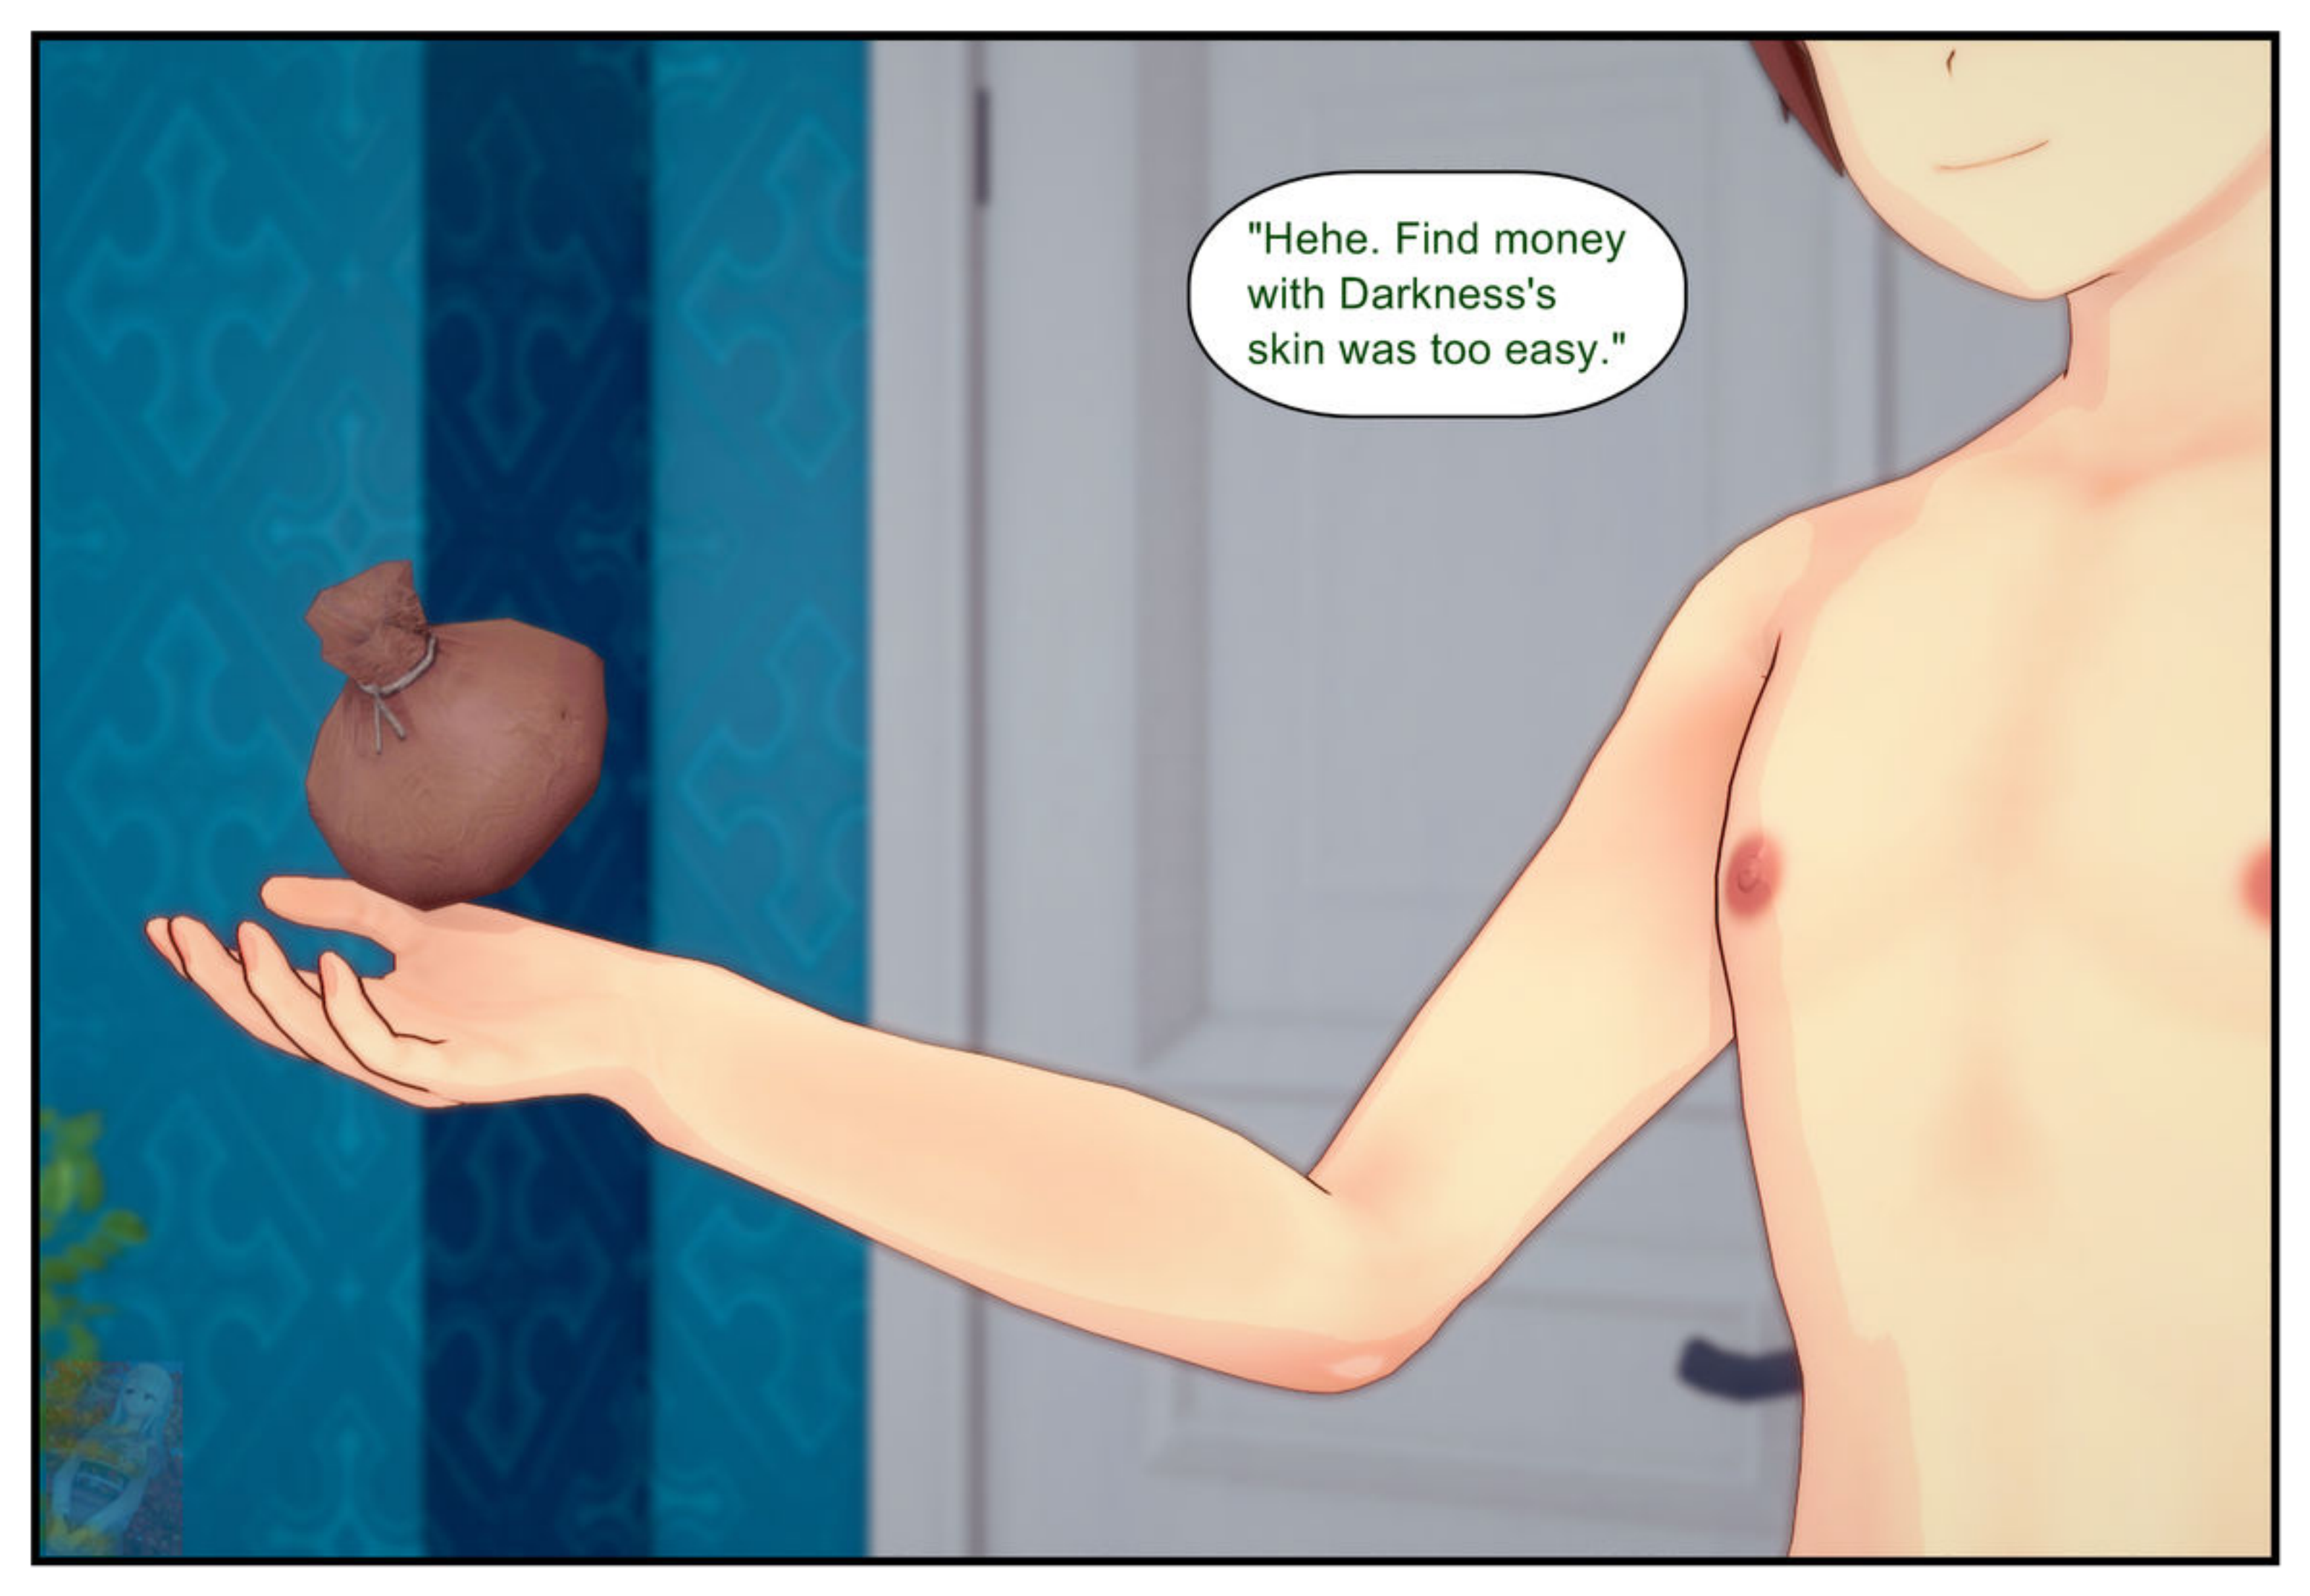

"Ahaha.. I would rather go shopping with Yunyun..."

Meanwhile, in  
somewhere...

A character with light skin and a slight smile is shown from the chest up, holding a brown, tied money bag in their right hand. The background consists of blue vertical stripes and a grey wall. A speech bubble is positioned above the character's head.

"Hehe. Find money  
with Darkness's  
skin was too easy."

"Another man is coming. I should get ready."

Come on, Darkness.  
We have a job to do.

She doesn't react anymore, and completely a skin.

"I wonder how was Vanir hold up with the sale?"

"Well, it was his  
job, not mine."

"All ready."

"There he is.  
Let's get to work."

Hi there, honey.  
What should we  
do today?

Vanir!! Stop this  
selling right now!!

I quite surprised  
of you getting back  
to normal, Wiz...

Must be the  
water that I  
helped Kazuma...

Those skinsuit..  
potion.. they are  
nothing but..

Don't you  
worried, Wiz.

A character with a black and white mask, a dark blue tuxedo jacket, a white shirt, and a dark blue bow tie. The character has dark blue hair and is pouring a dark liquid from a bottle into a glass. The background is a light blue sky with soft clouds. A speech bubble is positioned in the center of the frame.

These bottles are  
the better version  
that I made for selling.

Instead of interrupting my business, why don't you... Wiz?

...advertise  
for you? Really?

Yes. And you  
look different  
today, Wiz.

Never mind. I must make this business grown!

Come in and  
buy the potion,  
everyone!

Slow down, get in line, there's still plenty.

"This many...  
I'm rich!!"

Oh, if you wish to extend time...

...pay a bit  
extra for me, ehe~

Hehe.. A huge fish that I caught.

"But.. I must say.  
Those bottle not  
yet the real version."

Excuse me, are you the one who selling those?

Since we haven't received your business license, those bottles have been retrieved.

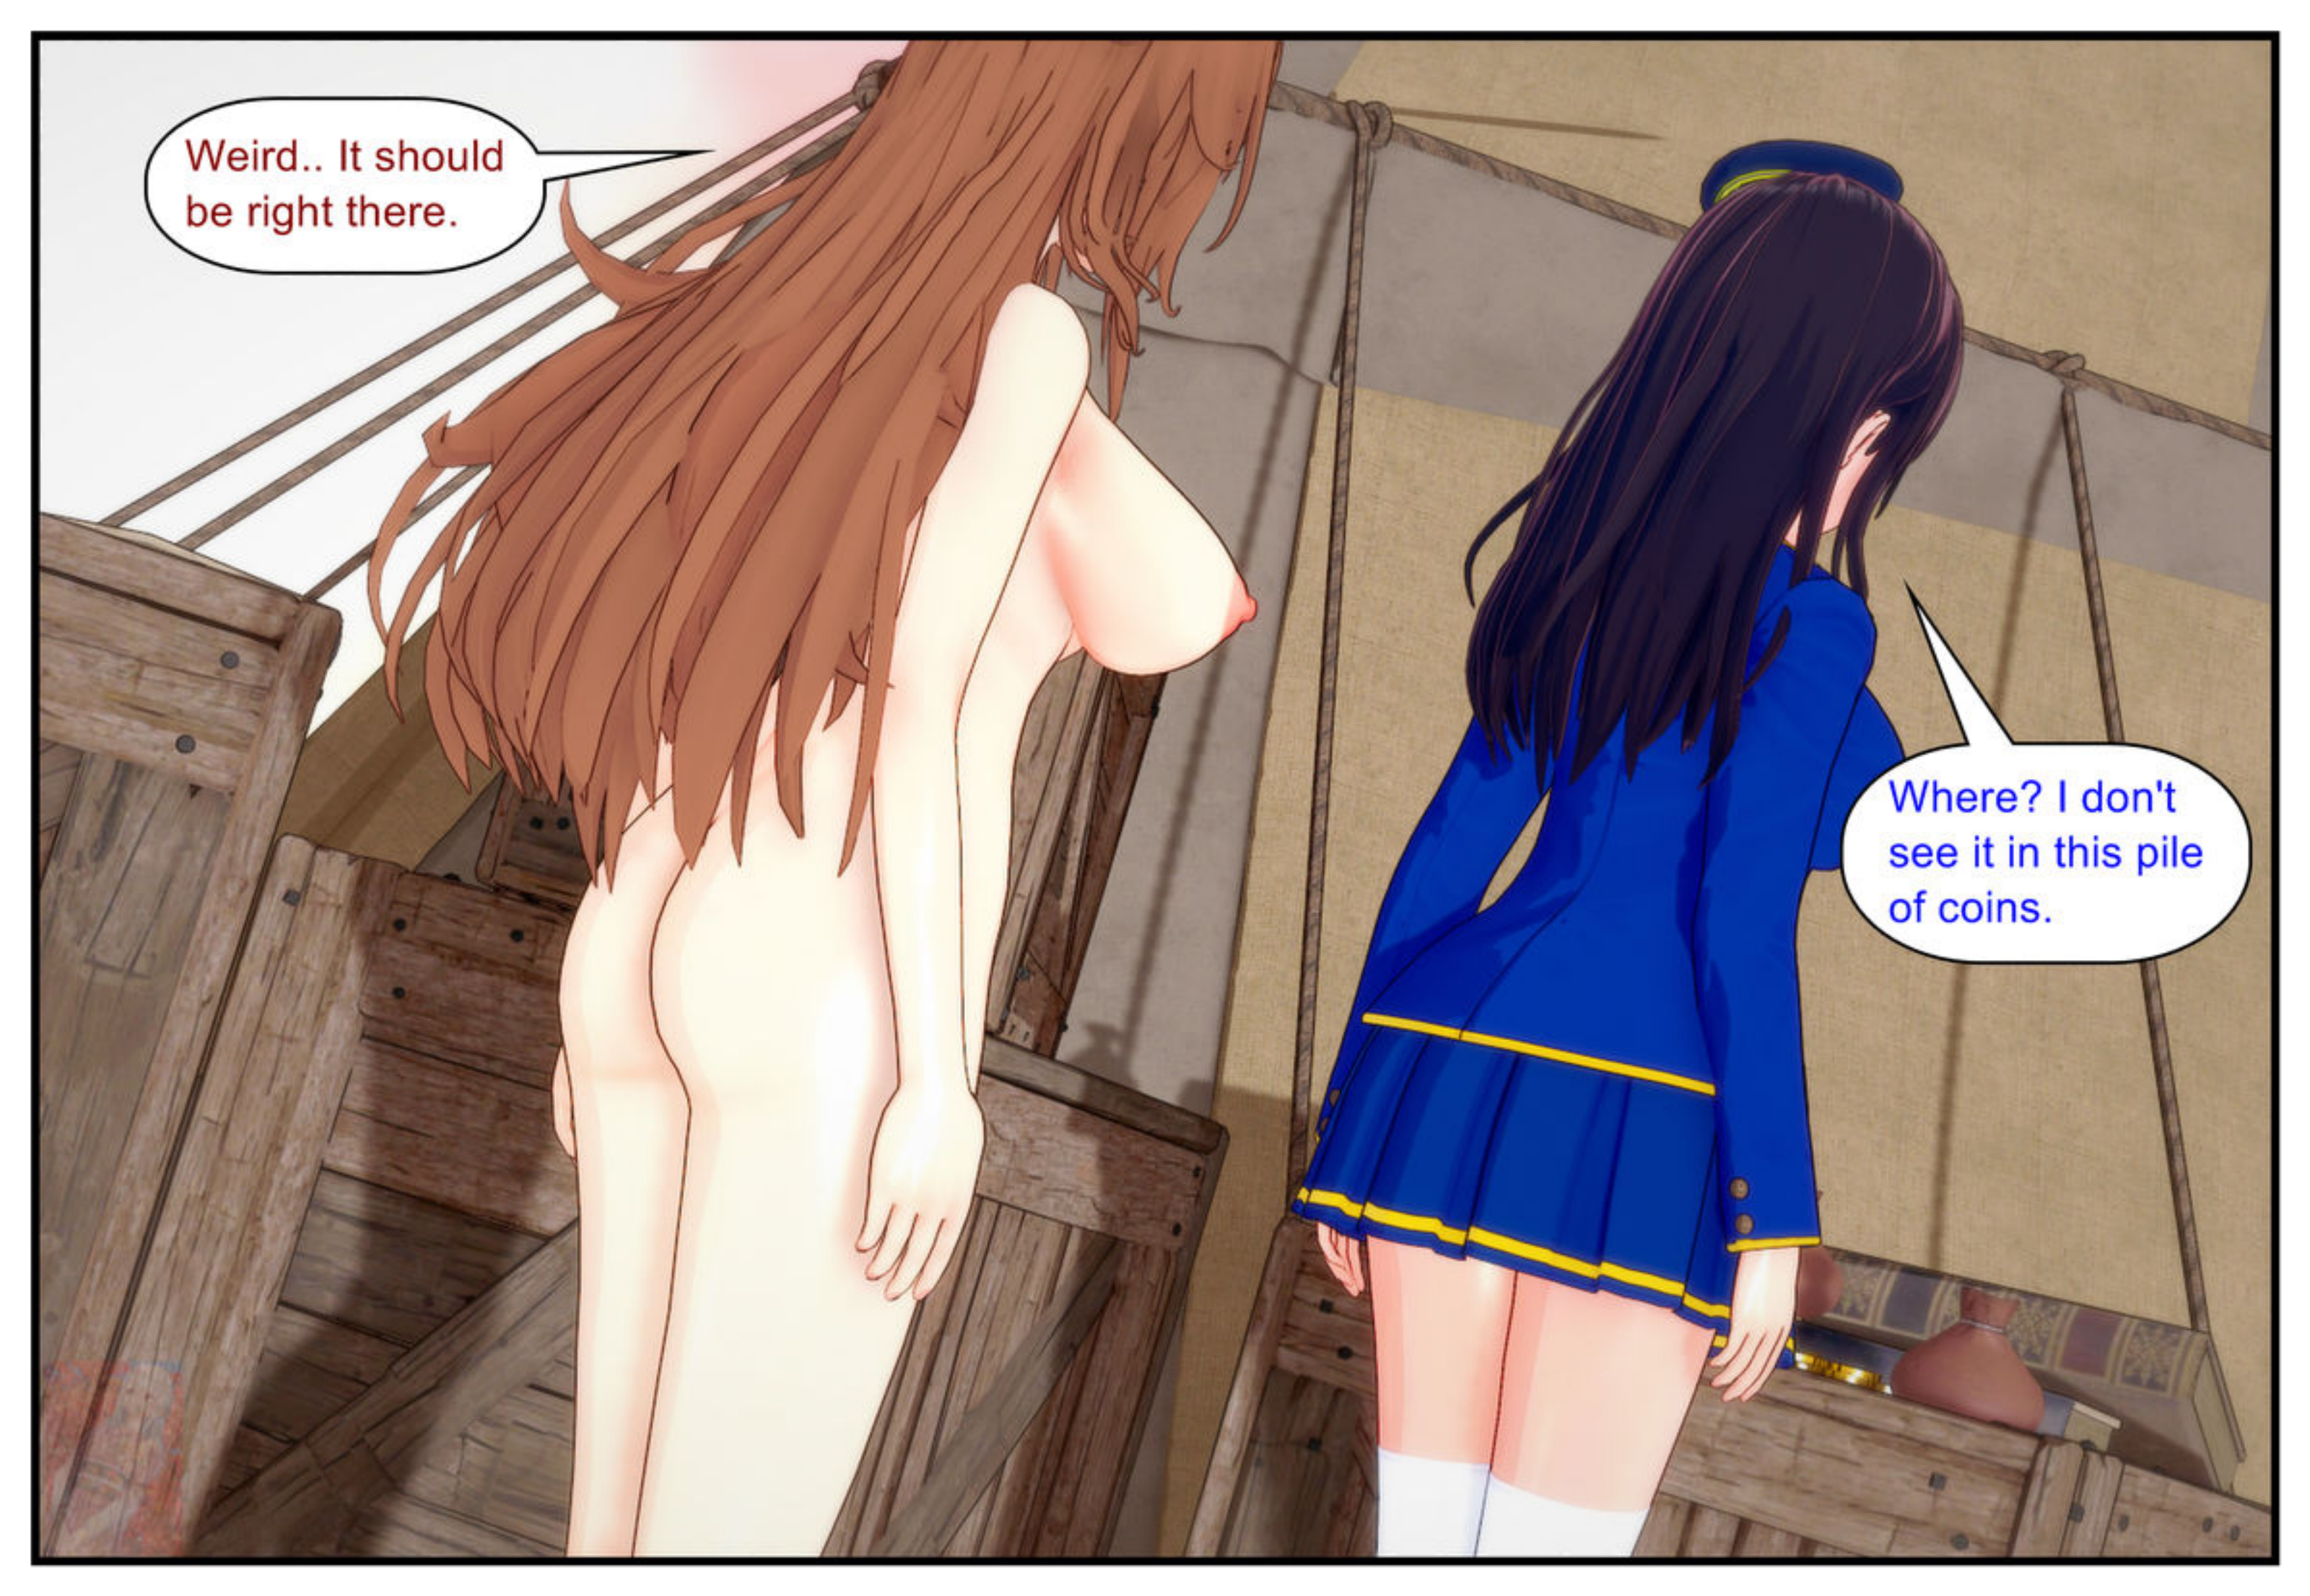

So, I asked you  
to show me the  
license or return  
all money for the Guild.

Oh, wait. I have  
business license!

Weird.. It should  
be right there.

Where? I don't  
see it in this pile  
of coins.

Hm..? My device is beeping..

Wait.. Aren't you telling lies?

"Get this... off from me!!"

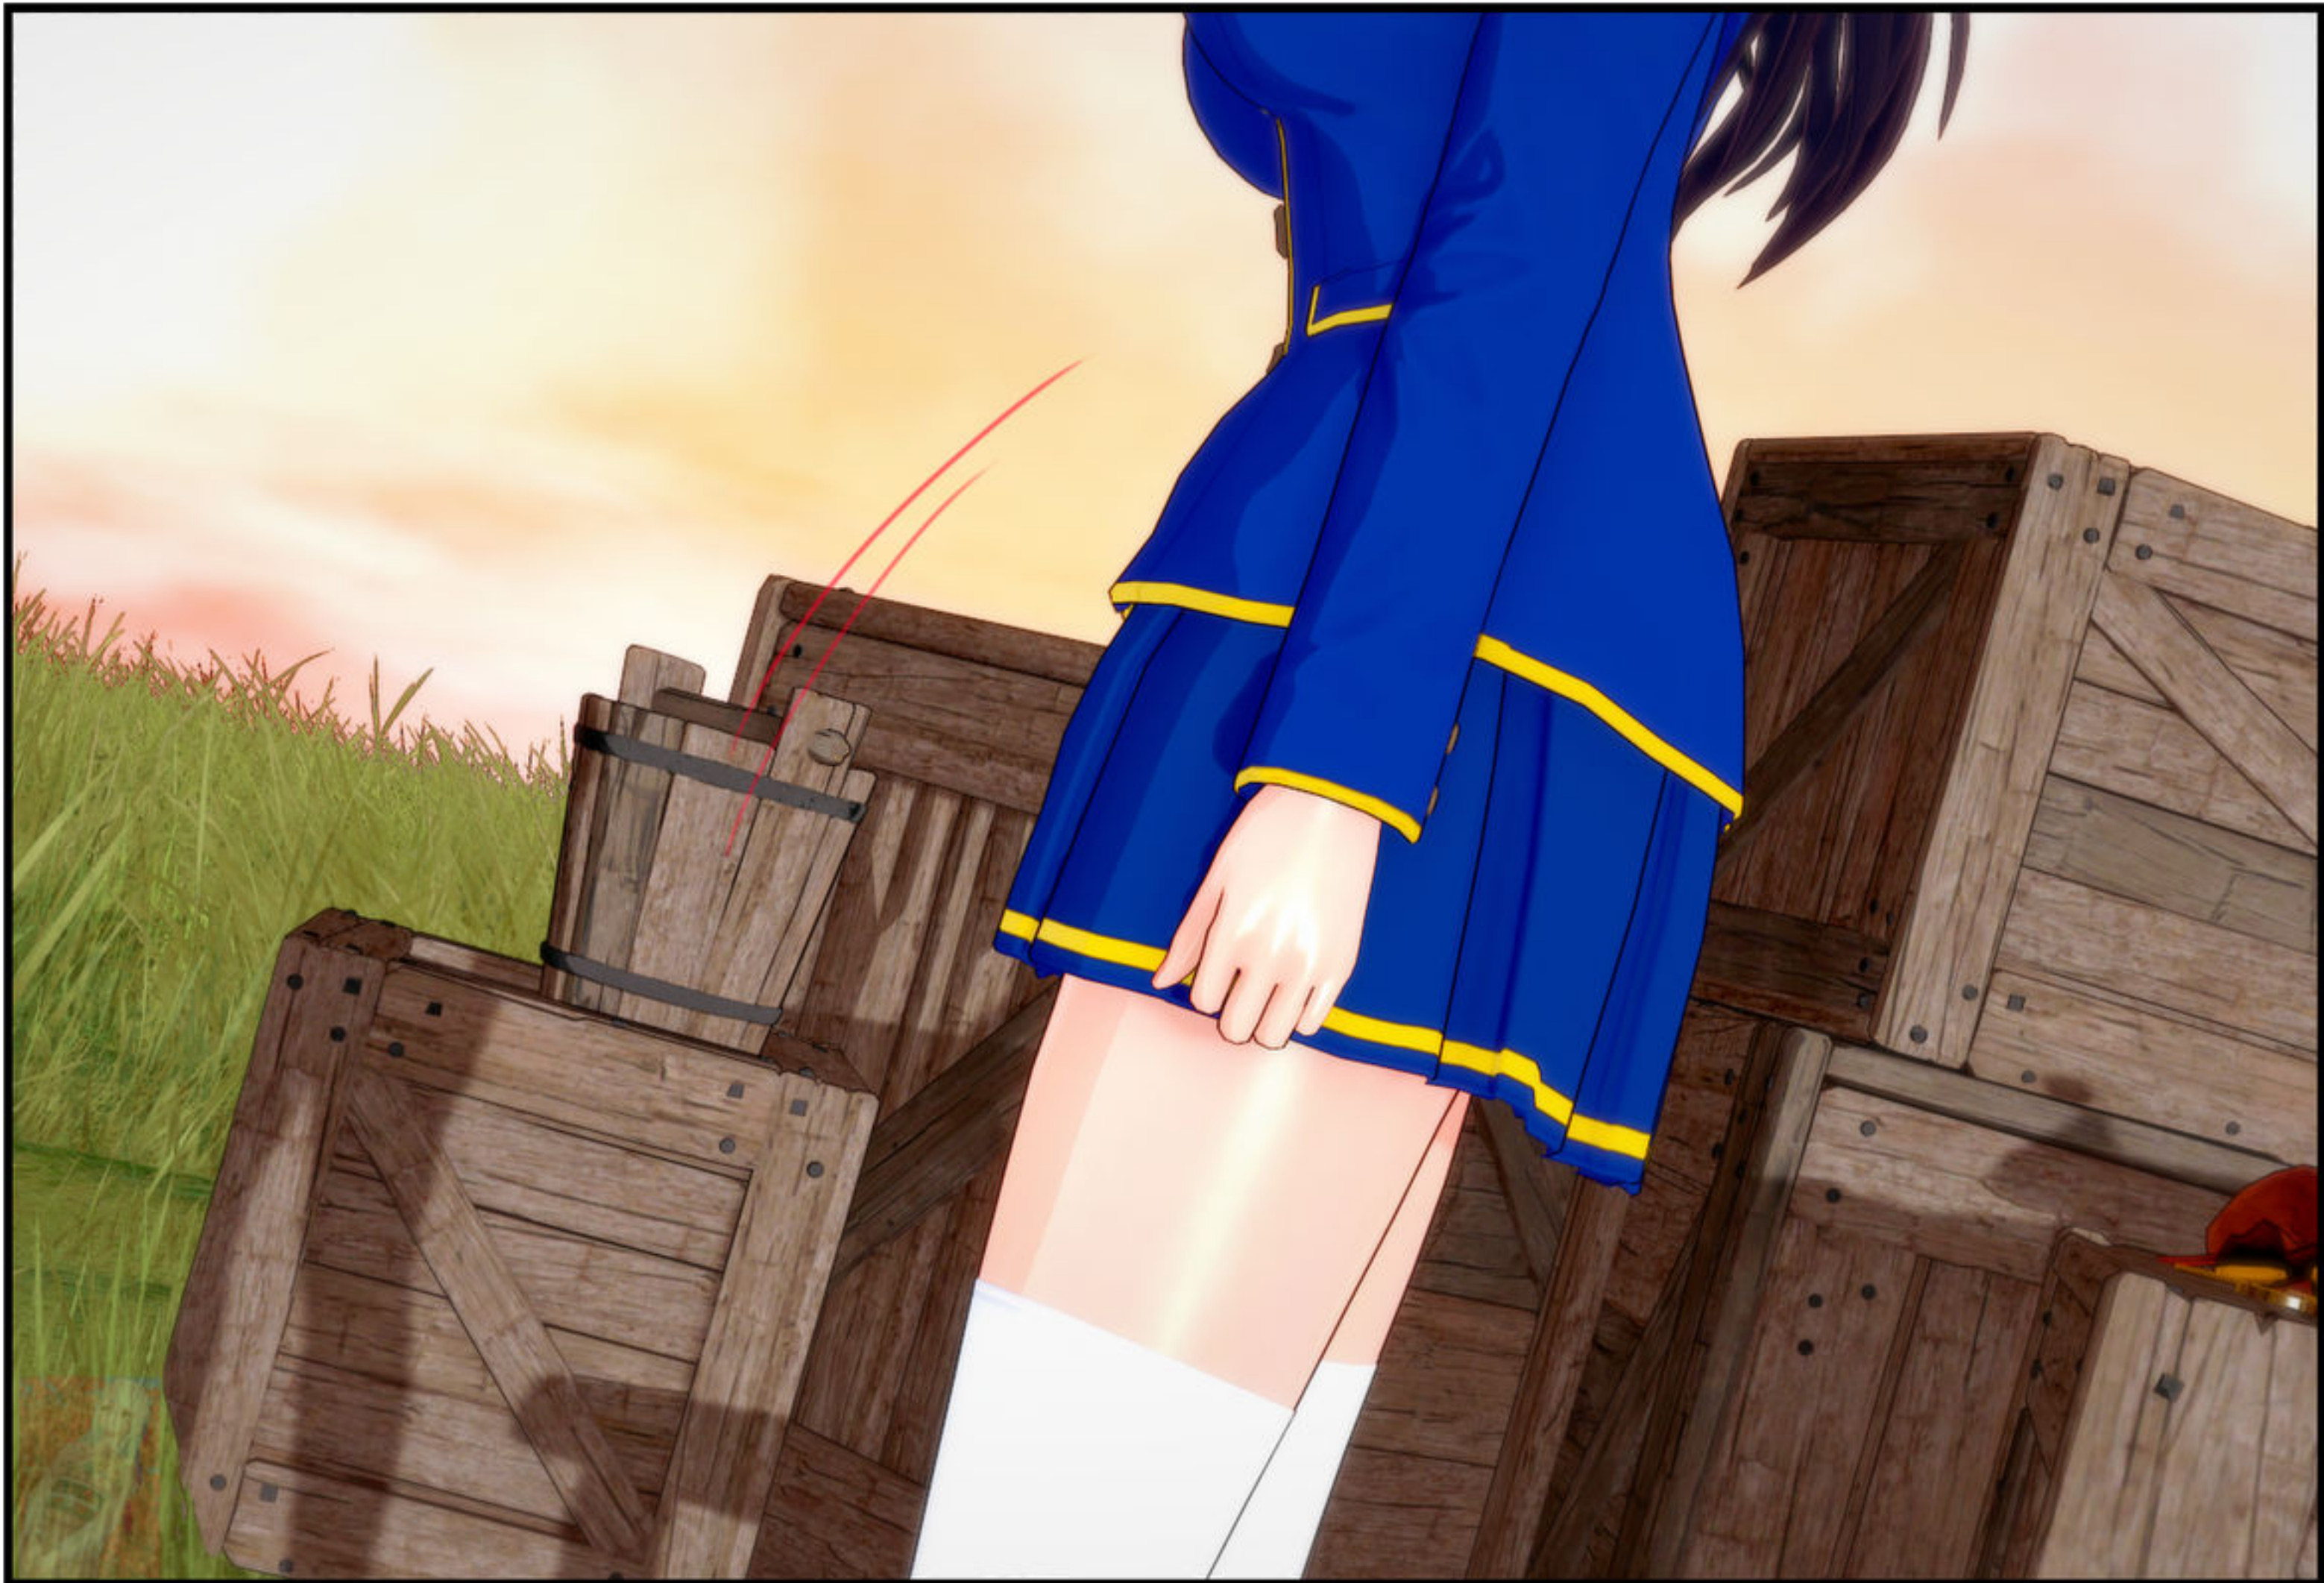

Heh. Finally,  
taken care of.

Yo, Vanir! How was the sale?

A bit of trouble  
with this prosecutor.

And I afraid that  
I will have to get  
business license  
from the Guild.

Kazuma-dono. If you want another bottle, let me know.

Well, I'm fine for now. Could use Wiz's skin.

Then, let's work together when I get back.

I'm sure we will  
be rich in no time.

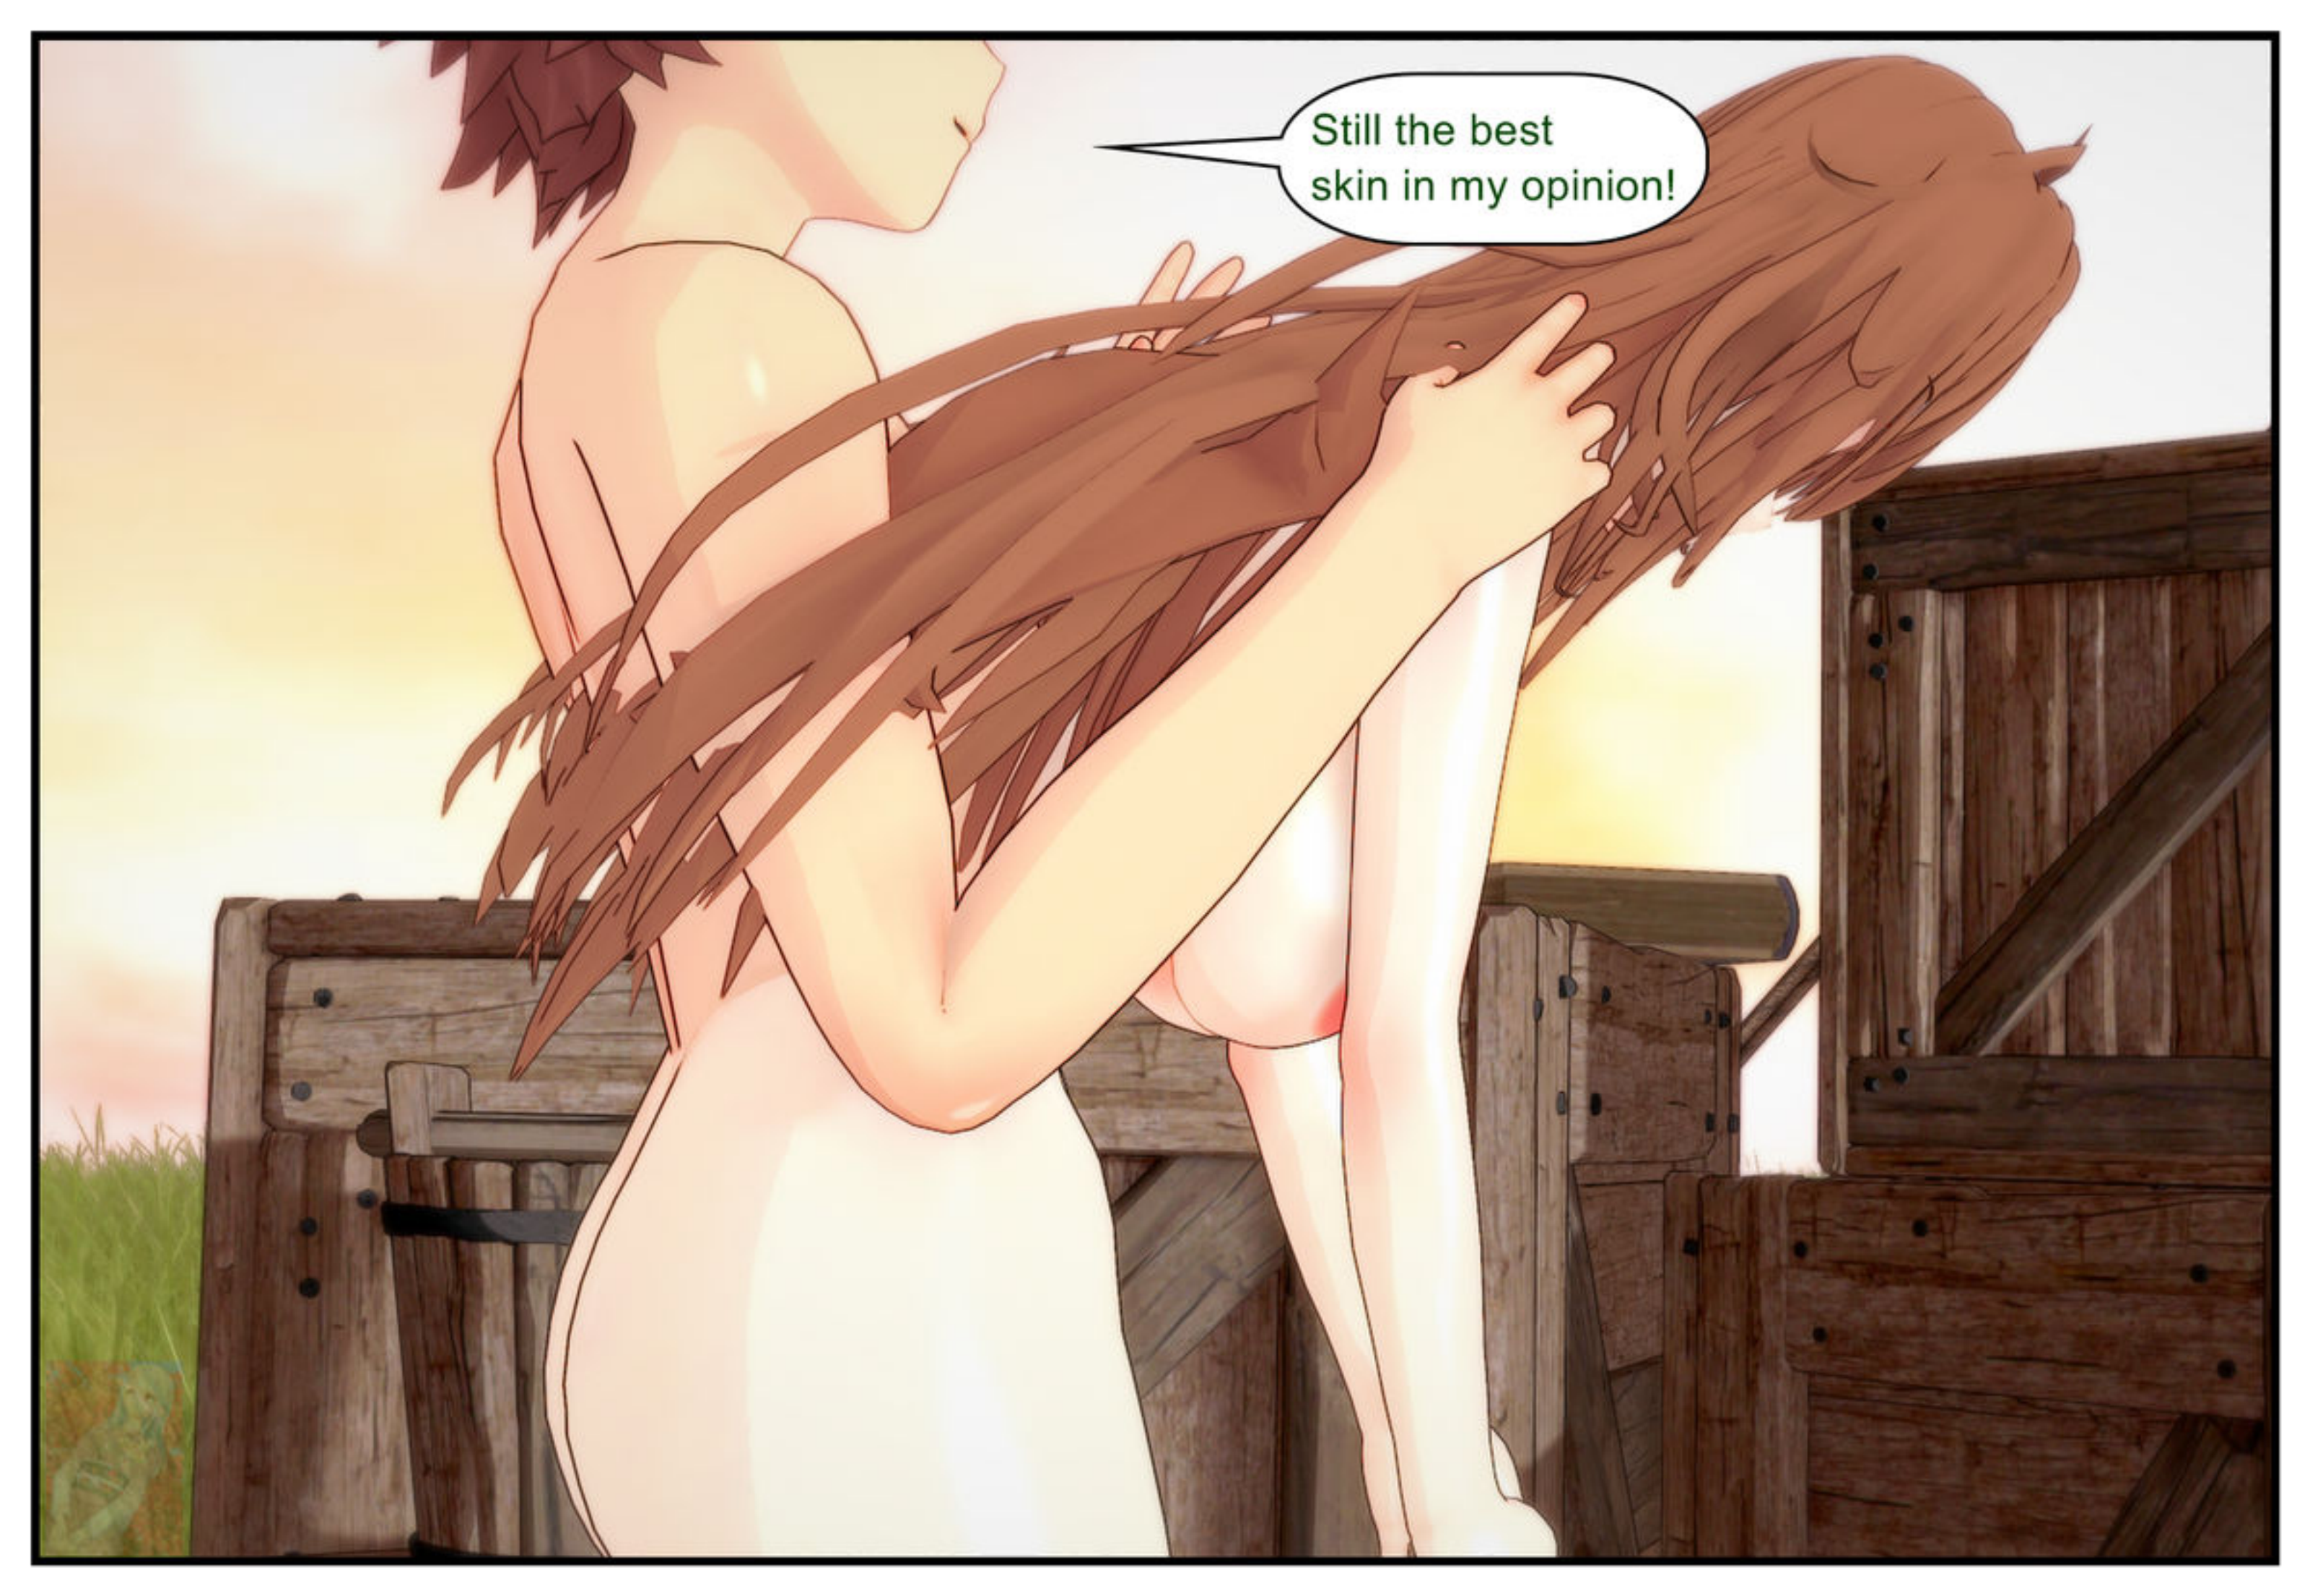

Yes! Get that  
business license,  
Vanir!! Go!!

A character's legs are shown from the knees down, wearing purple leggings and purple moccasin-style shoes with bows. The character is standing on a patch of green grass. In the background, there is a rustic wooden structure with brown fabric hanging from it, and a large, rounded stone or mud structure. A speech bubble is positioned to the left of the character's feet.

Okay... Time  
to become  
Wiz again..

Still the best  
skin in my opinion!

I will keep this  
Darkness's skin  
for other use.

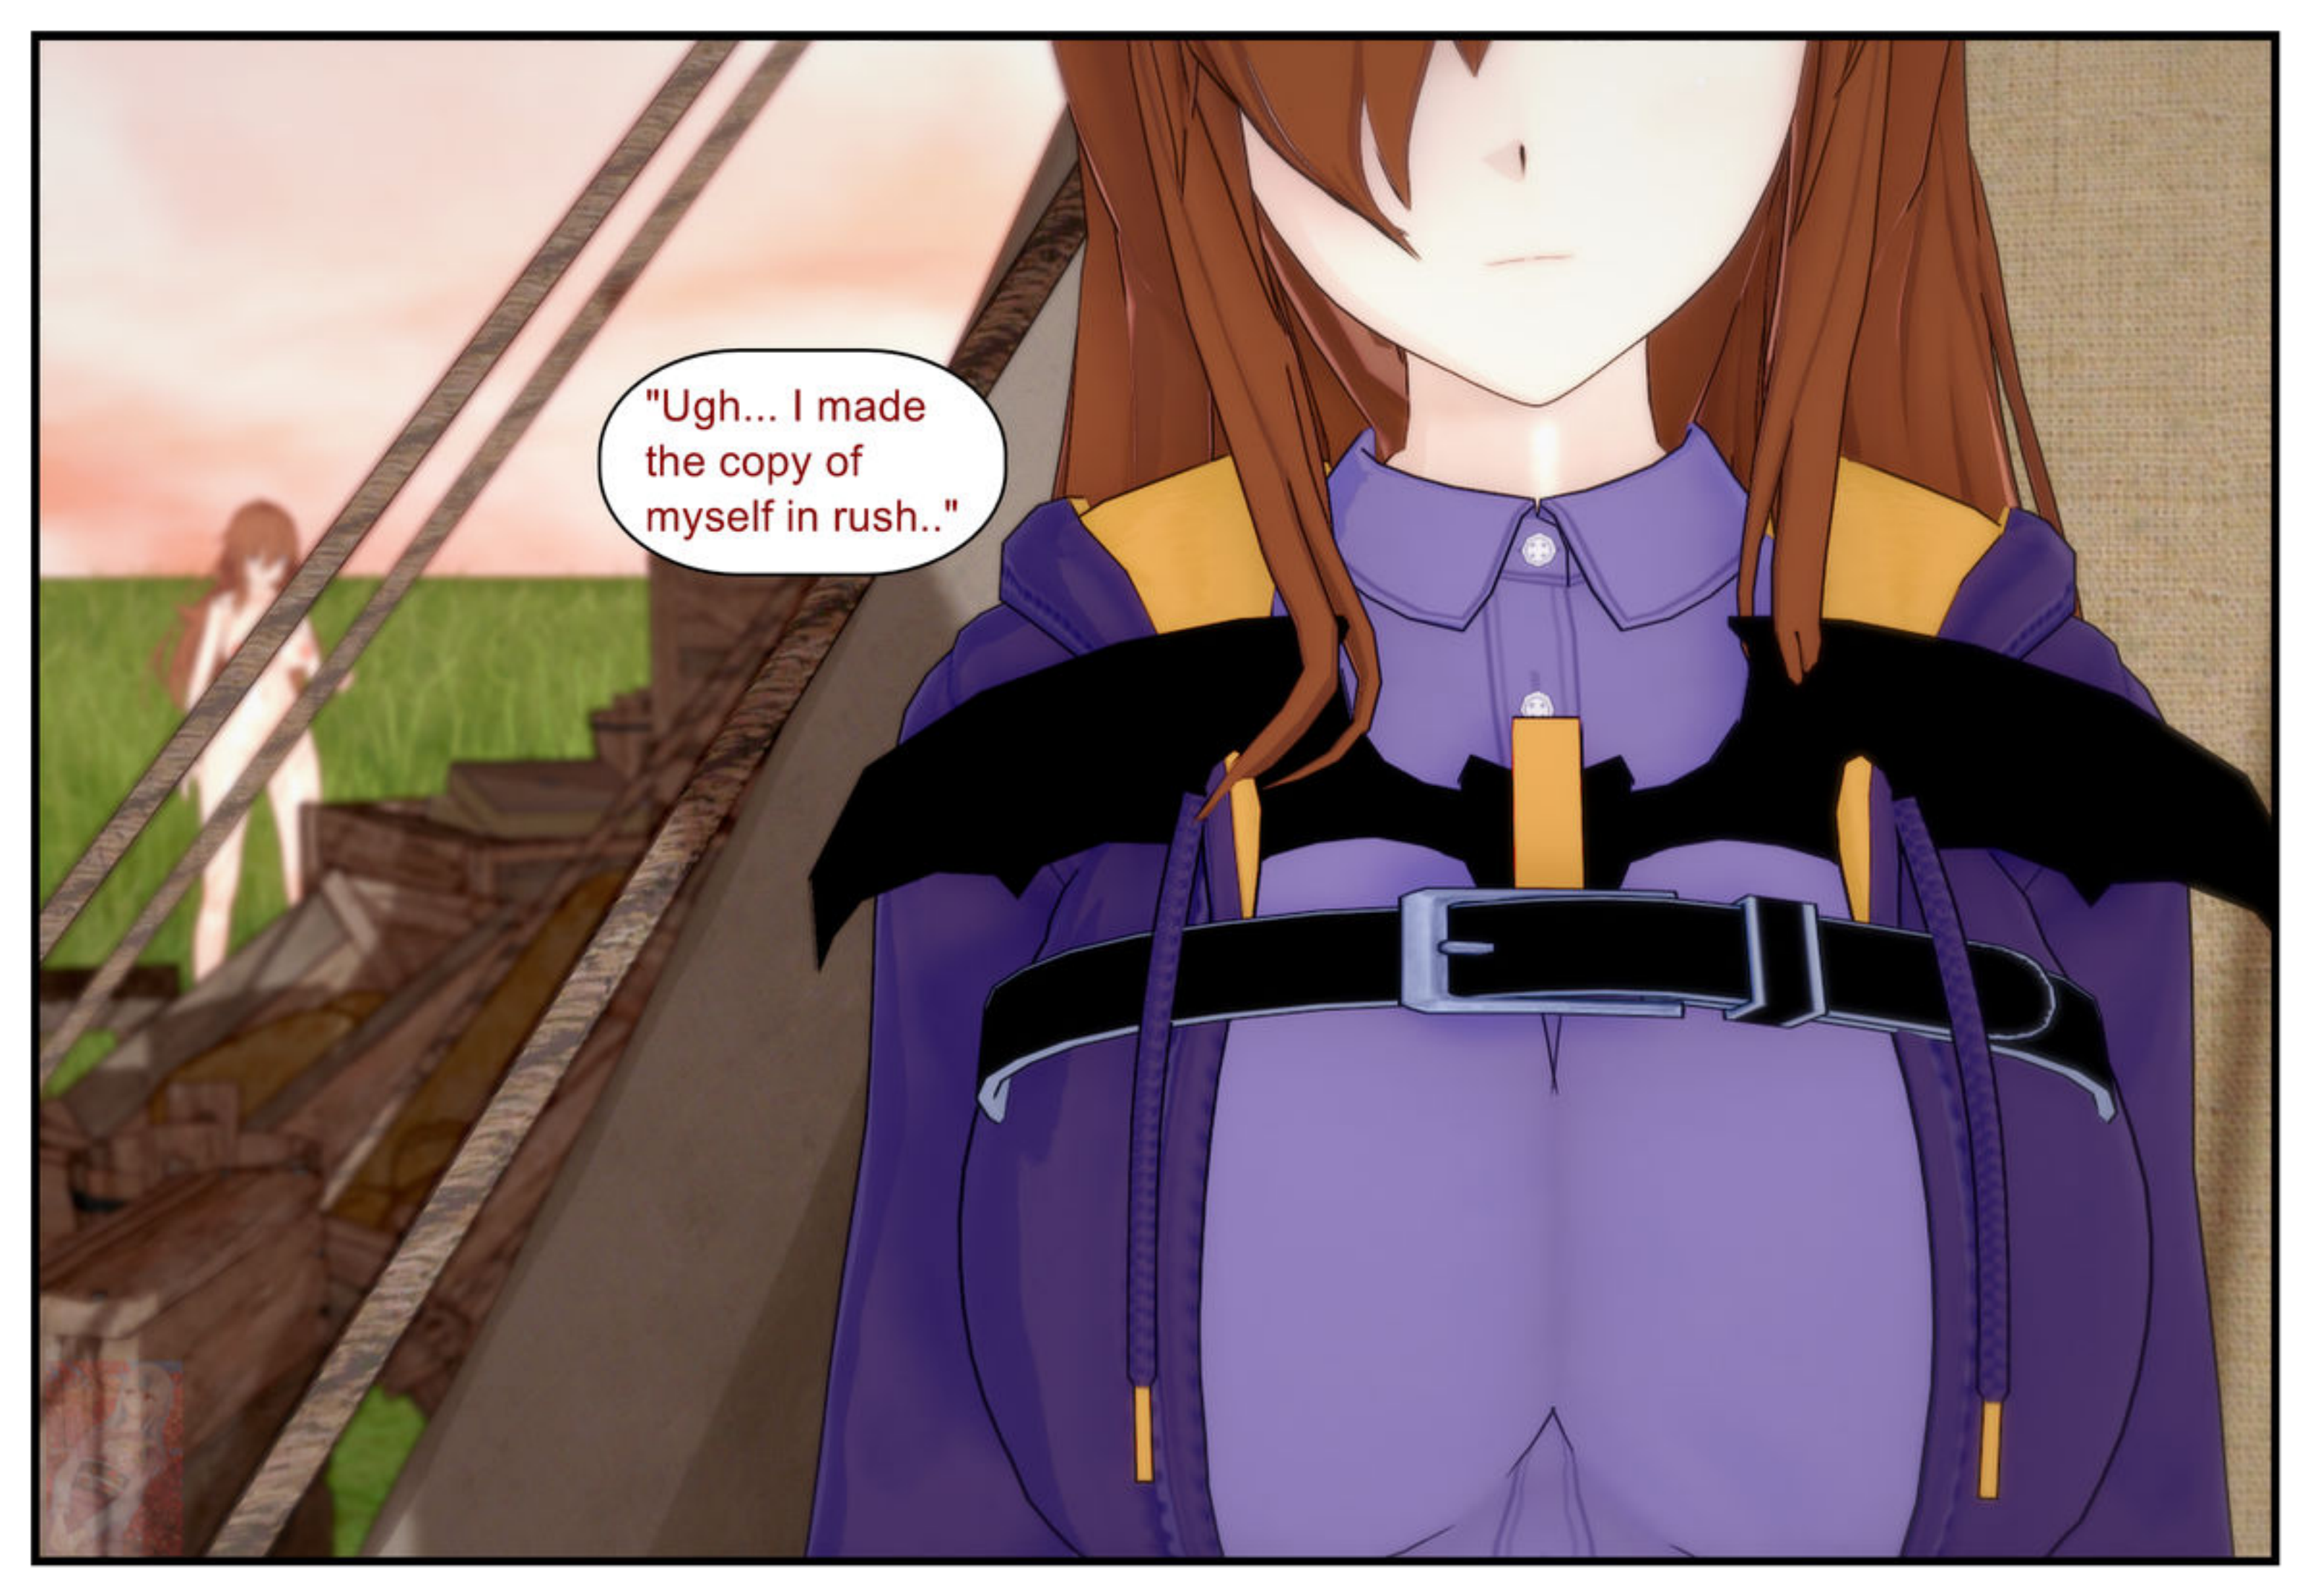

Wait a minute..

This isn't Wiz...  
I remember her  
skin is different.

"Ugh... I made  
the copy of  
myself in rush.."

"Vanir didn't realize, but Kazuma...!?"

Hold on!! This must be...!!!

Gulp...

"must be?' did he find out!?"

This must be  
Vanir's adjustment  
to Wiz's skin!

"Hah... Kazuma...  
I should have expected..."

Alright! Let's  
go enjoy myself  
a bit!

Hm.. He forgot  
Darkness's skin.

"Which left me  
an idea..."

So.. good..  
But I should  
find a new..

Oh, I know...

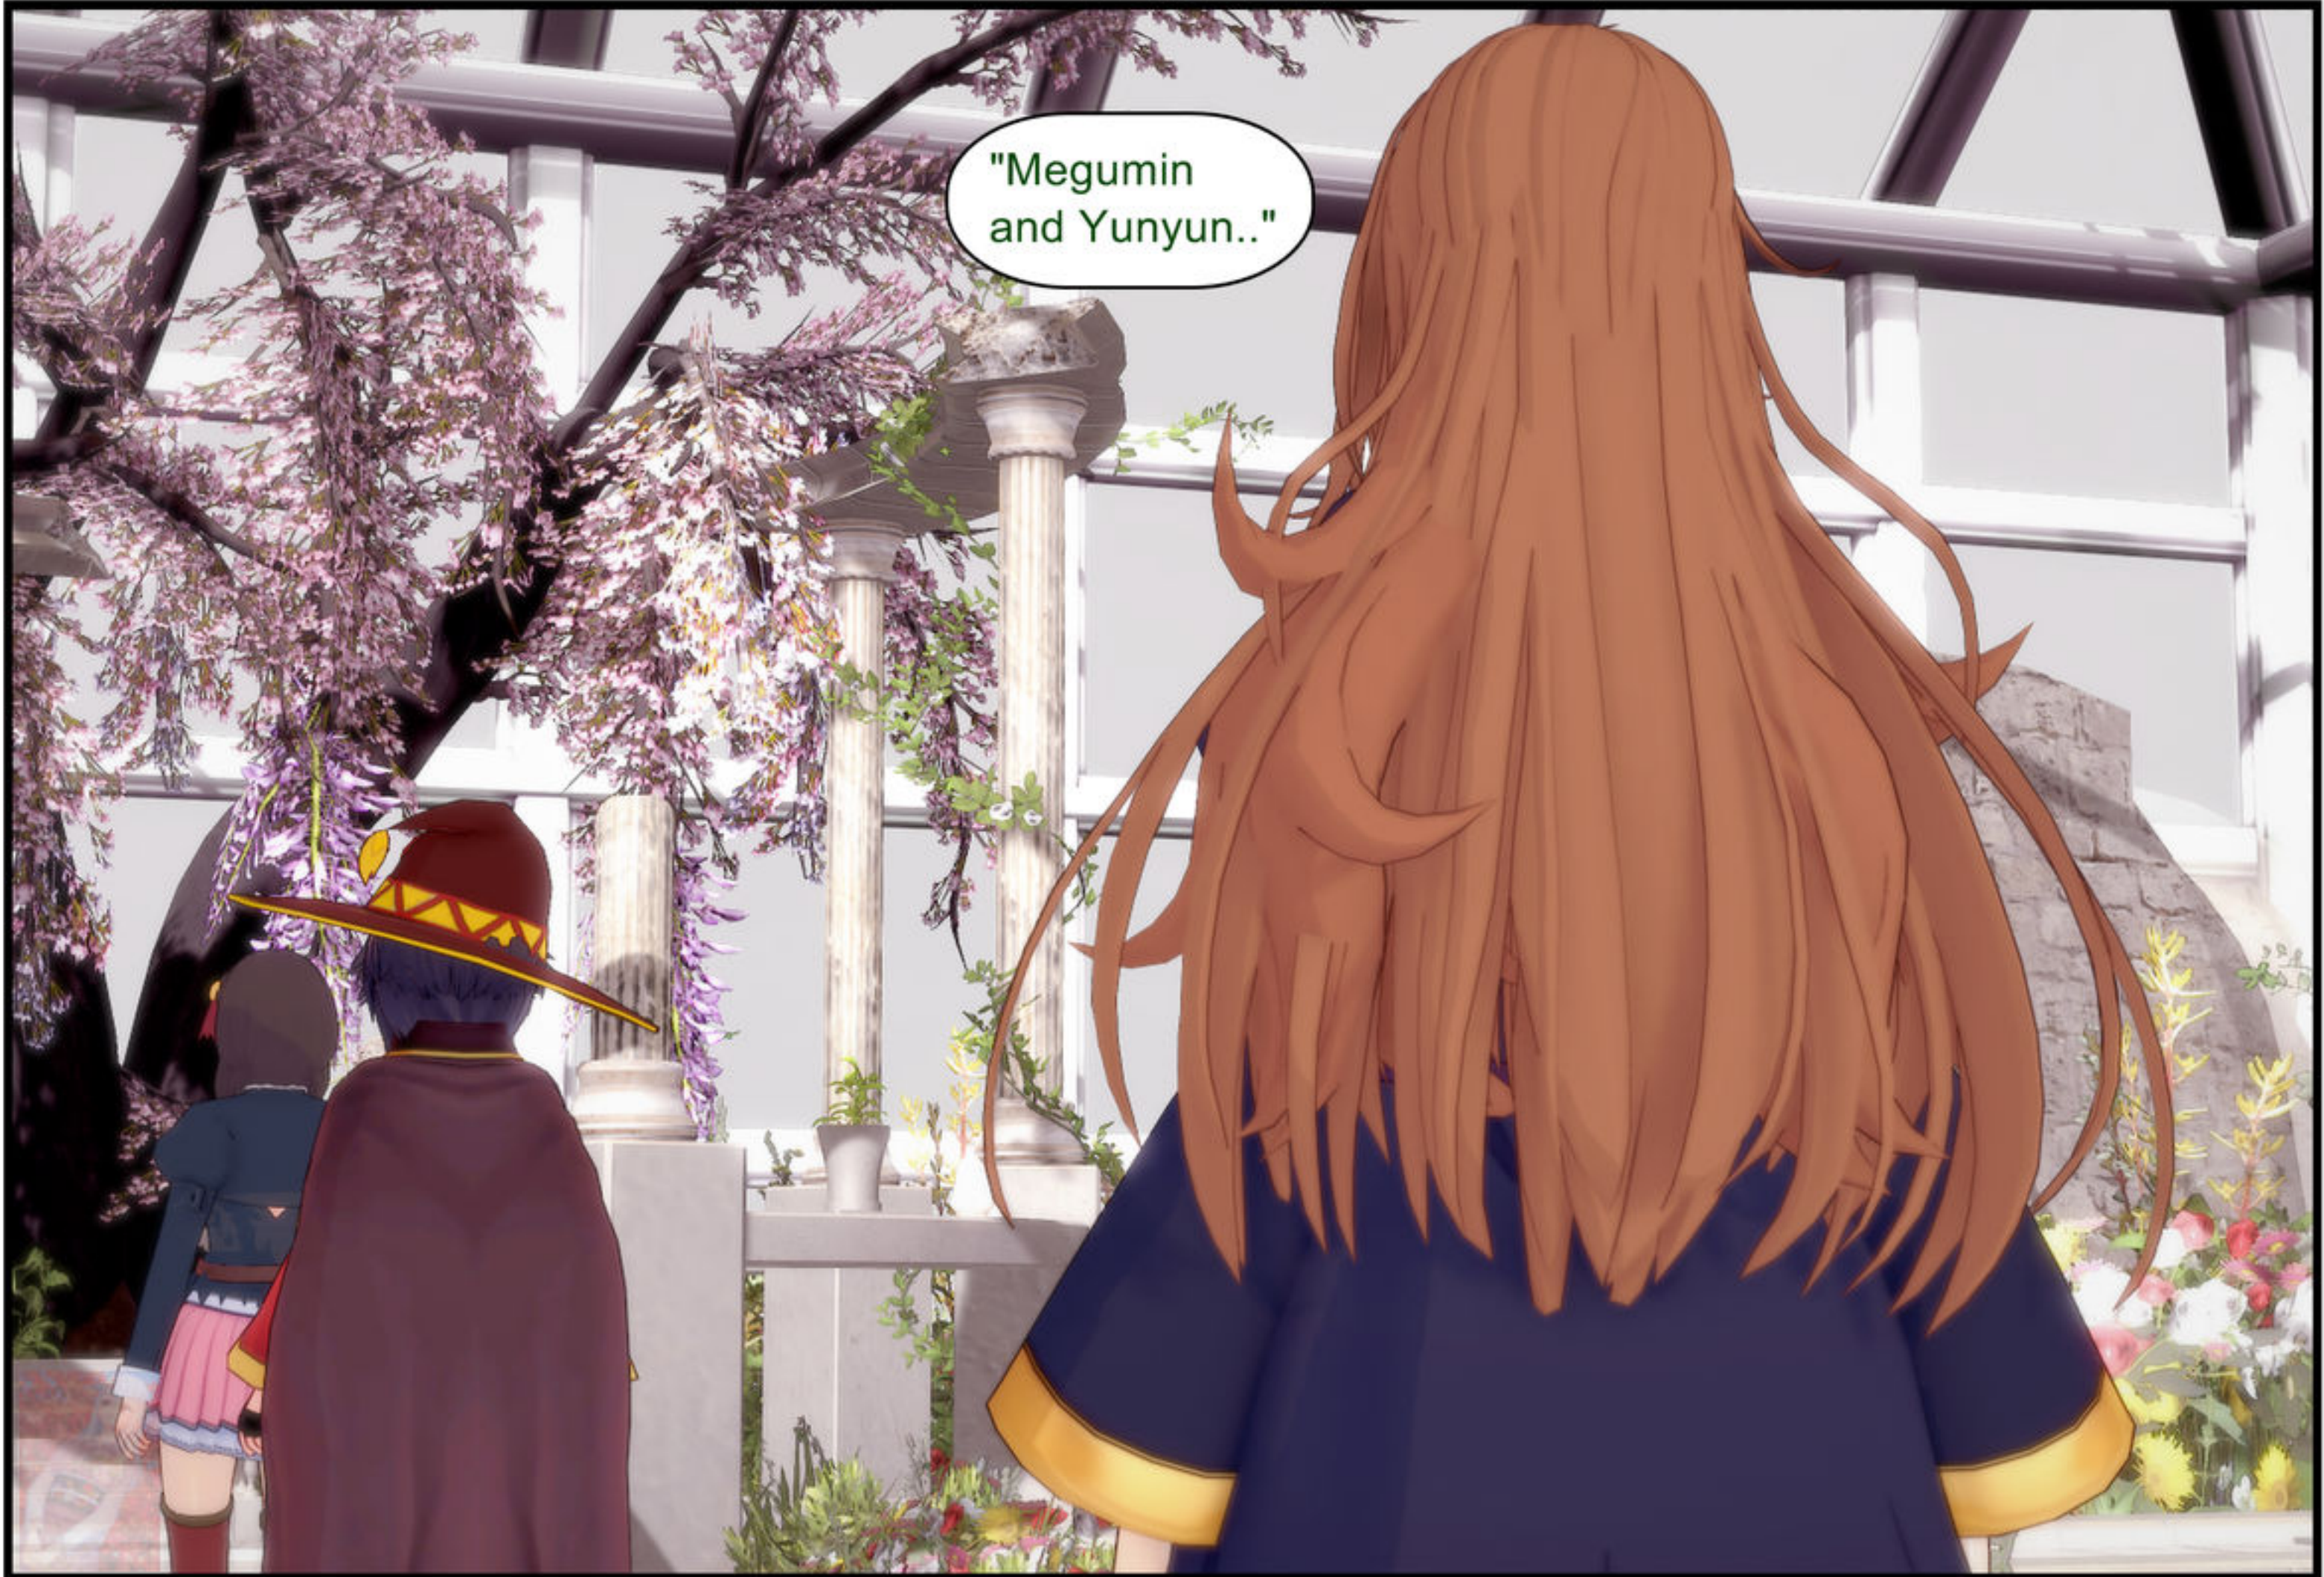

After shopping,  
we will have a  
meal together!

"Someone...  
take me away  
please..."

"Megumin  
and Yunyun.."

"Know their plan,  
I need to return  
and get other potion."

A nude anime-style woman with blonde hair is sitting on a wooden structure, possibly a bench or a bed, inside a tent. She is looking down at her right leg, which is extended forward. Her skin is highly detailed with shading and highlights, giving it a glossy appearance. The background shows the interior of a tent with wooden beams and a large wooden barrel. A speech bubble is positioned above her head, containing the text "Alright.. This should do.".

"Alright.. This should do."

"Be patient and get those two what they deserve."
