

Chapter 28

Raiha's wish

Morning...

Aaaaa....

What, morning already?

Gosh it's been a long time since I slept so well.

Shocked

Hm~

Where are my breasts?

Disbelief, my breasts, have disappeared.

Also, my eyes, they have their natural color again.

That means those wafers really worked.

happy

Finally, real progress!

Waaaaa!

Waaaaa!

I think I'm about to find out who ate the other two waffles.

In the living room...

So it was you guys who ate my waffles after all.

embarrassed

You could have warned us.

I thought the "Don't touch!" sign was enough.

And how, now I have enough evidence to accuse you guys? hehe

It seems that Miku, like me, now has a flat chest.

Nino, on the other hand, got my old height.

Gosh, was I really that tall?

Girls, you really couldn't buy yourself some waffles?

Phew~
Lucky I didn't manage to eat a single one.

I know we shouldn't eat them, and you don't need to remind us of that either.

Mad

Besides, since when are you on her side?

Weird.

Now that I think about it, why did two things change in me and only one thing in the girls?

Hey, girls, has anything else changed in you?

But what exactly do you mean?

embarrassed

Why do you think something else has changed in us?

embarrassed

Does it matter?

We'd better call Naomi to fix it.

What?!

I mean, there's no need for that. I'm sure it will pass on its own in a few days.

How do you know that?

And where did you get those waffles from, anyway.

Er...

I bought them from a magic store near

I can't let them discover where I really got the wafers from.

A while later...

Okay girls, what's the big thing, because I don't have much time?

What happened to you guys?

Shocked

Don't ask.

Just say that you are able to fix it.

I'll see right away.

How did it even happen?

We ate some weird waffles that Mutsumi-chan bought from a magic store.

Are you guys crazy? That's looking for trouble.

What is this?

Alright, what do we have here?

The spell, it's the one that was in those wafers.

Can you, you know, remove them or something?

This is too much.

Mad

I can stand anything, but I won't let my friends get hurt.

Sorry but it's time for me.

Hey what about us?

Some time later...

Sorry to ask you this, but I really have no choice.

No problem.

To be honest, I missed him.

Great.

But don't tell him right away that you know everything.

Meanwhile...

What about you today?

Please become my girlfriend.

I'll do whatever you want just agree!

You should be happy it's the fifth today.

I guess guys like tall girls. hehe

Angry

Very funny.

Hey have you seen Yuki from the theater club somewhere?

I think I saw her in the cafeteria.

What is that for an outfit?

I help the girls prepare costumes for the school theater.

Right in a few days is the school festival.

Shoo shoo.
Go away~

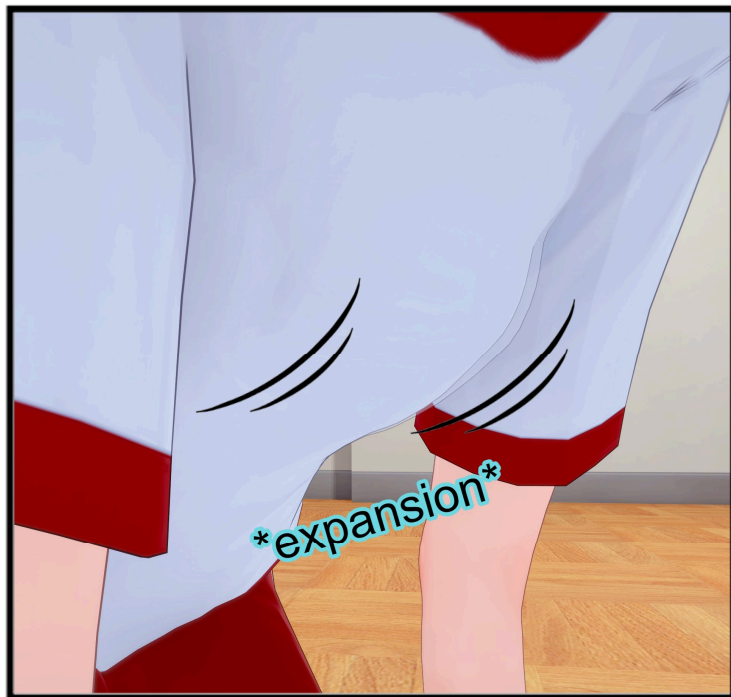

Meanwhile at Fuutaro's...

But instead of being happy I feel weird without them.

Strangely I was finally able to get rid of those stupid breasts.

It's like I'm missing something.

Besides, why would I do that.

Because you always dreamed to have big breasts like your sisters.

I always tell you your breasts are not so small at all.

Really!

You don't have to be jealous of your sisters.

Look at Miku she is completely flat and doesn't see it as a problem.

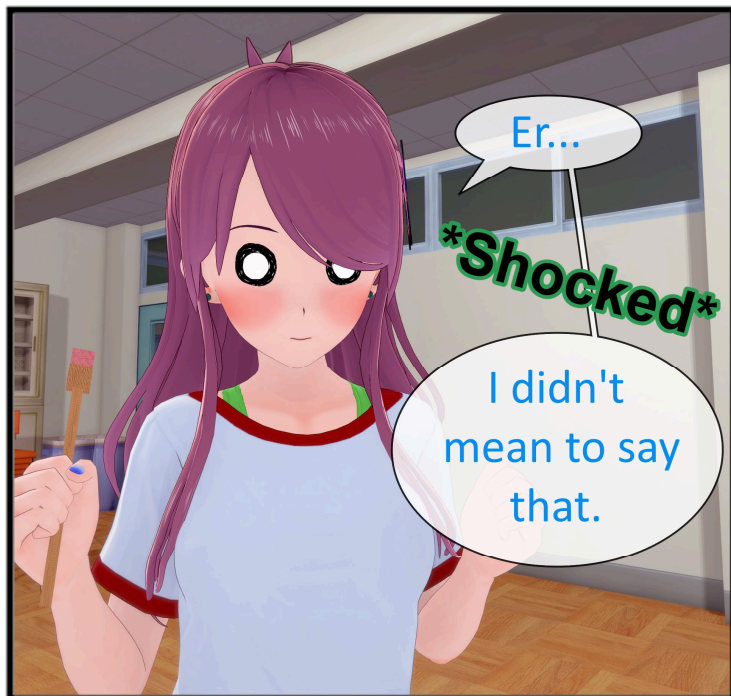

If she had breasts like any of you, she wouldn't be able to wear her favorite costume.

Hmm~I think it's fine, what do you think?

I am not jealous at all.

Yes I would like my breasts to be bigger...

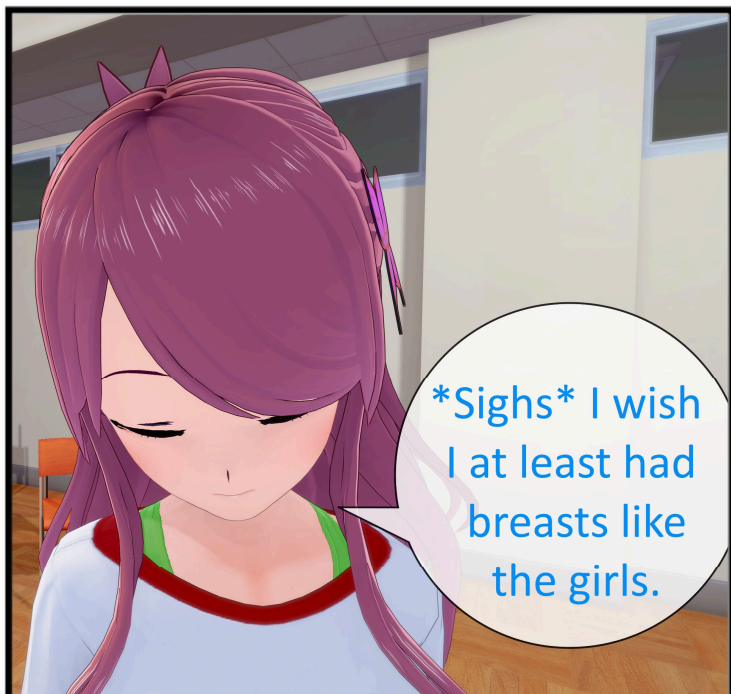

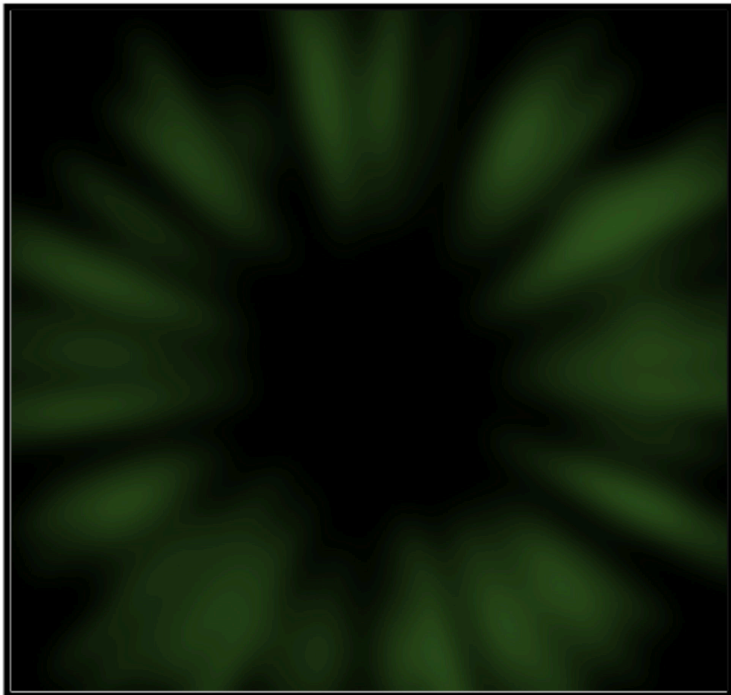

Er...

Shocked

I didn't mean to say that.

What!

Shocked

How did this happen?

I mean except for Miku and Nino, of course.

Mutsumi-chan?

My breasts have returned to normal. No, they are a little smaller.

Eeee... Sometimes I worry about you.

concerned
You act completely as if your breasts have suddenly grown.

Wow, you did a great job with this drawing.

Remember what she said in a few days it will disappear on its own.

I hope so because I wouldn't want to be flat forever.

Shh~We are not alone.

I forgot.

Don't forget about me.

Look at it this way Mutsumi-chan is no better than us now.

But Who knows maybe he will stay that way.

What happened to you?

But what do you mean?

Shocked

You know very well.

Shocked

Ah~that's what you mean.

I myself would like to know what happened.

What are they talking about again?

No way, I will never understand them.

After school...

Hello? Is there anyone there?

Thanks to this waffle, I finally remembered everything, including where I live.

No worries, I didn't come for money.

Strange, dad should be home at this time.

confused

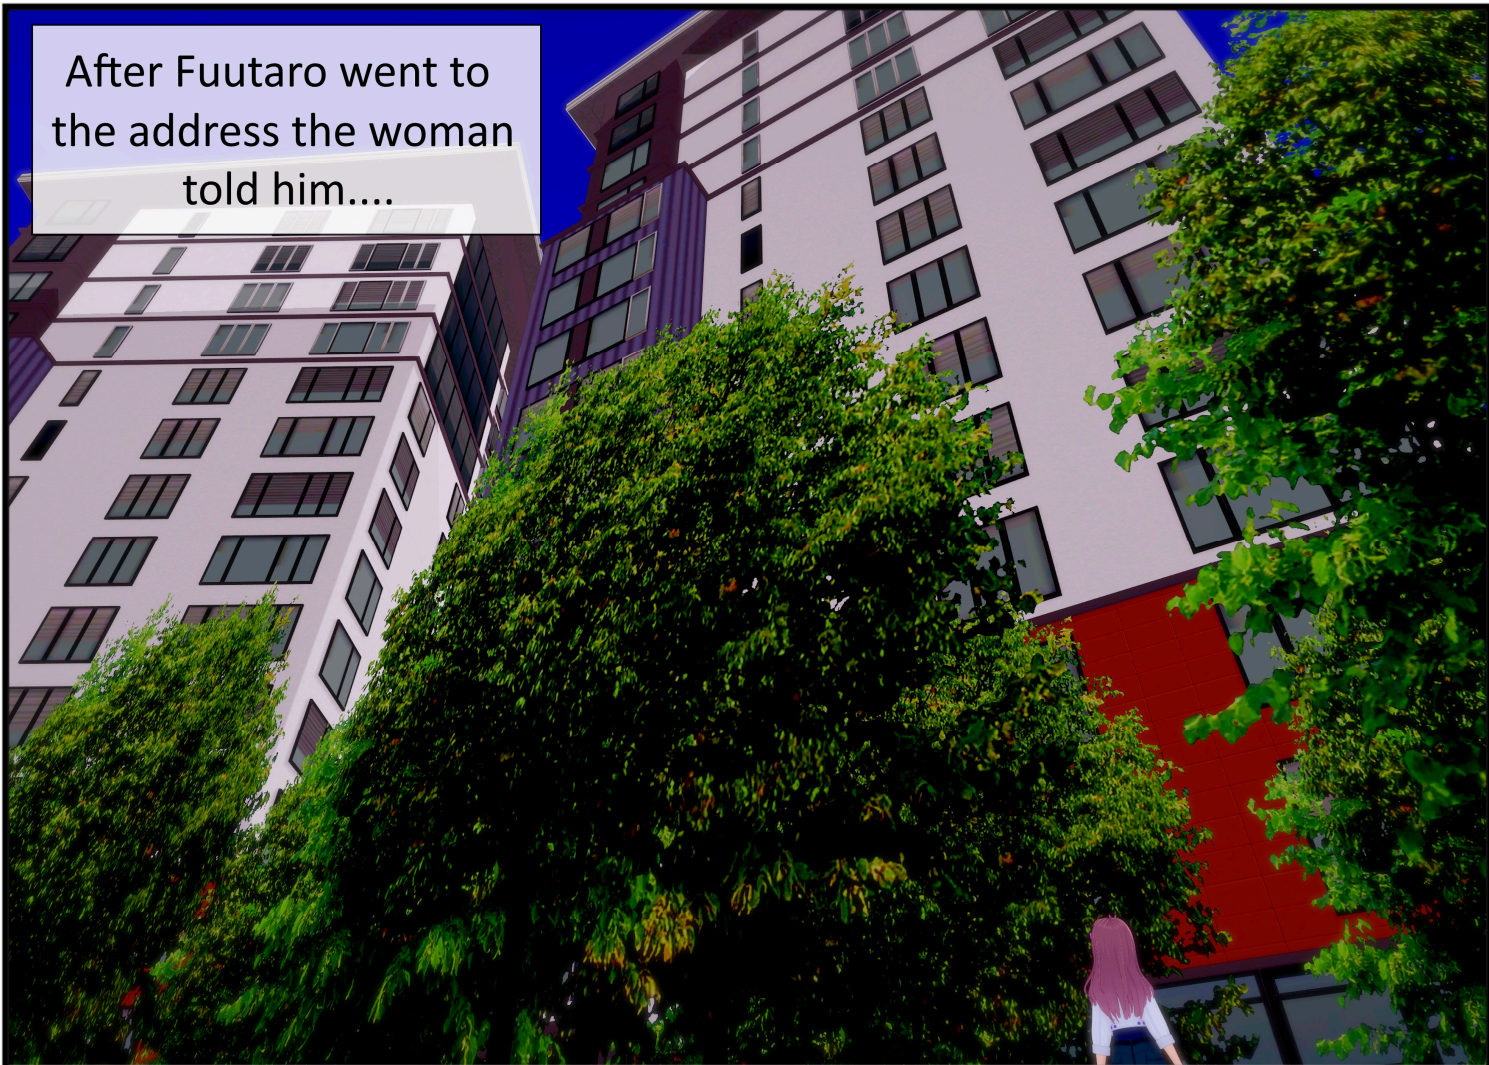

Excuse me, but who are you looking for?

Do you know when Mr. Usagi will be back?

Mr. Usagi moved out almost three months ago

After Fuutaro went to the address the woman told him....

Is this the right address for sure?

No way, I must have gotten something wrong.

Hi Onee-san, you finally came.

It took you much longer than I thought .

Unbelievable, they are really doing better than I could have dreamed.

Finally, I don't have to worry about them anymore.

happy

Now I'm sure that everything and them well.

I have missed you.

I missed you, too.

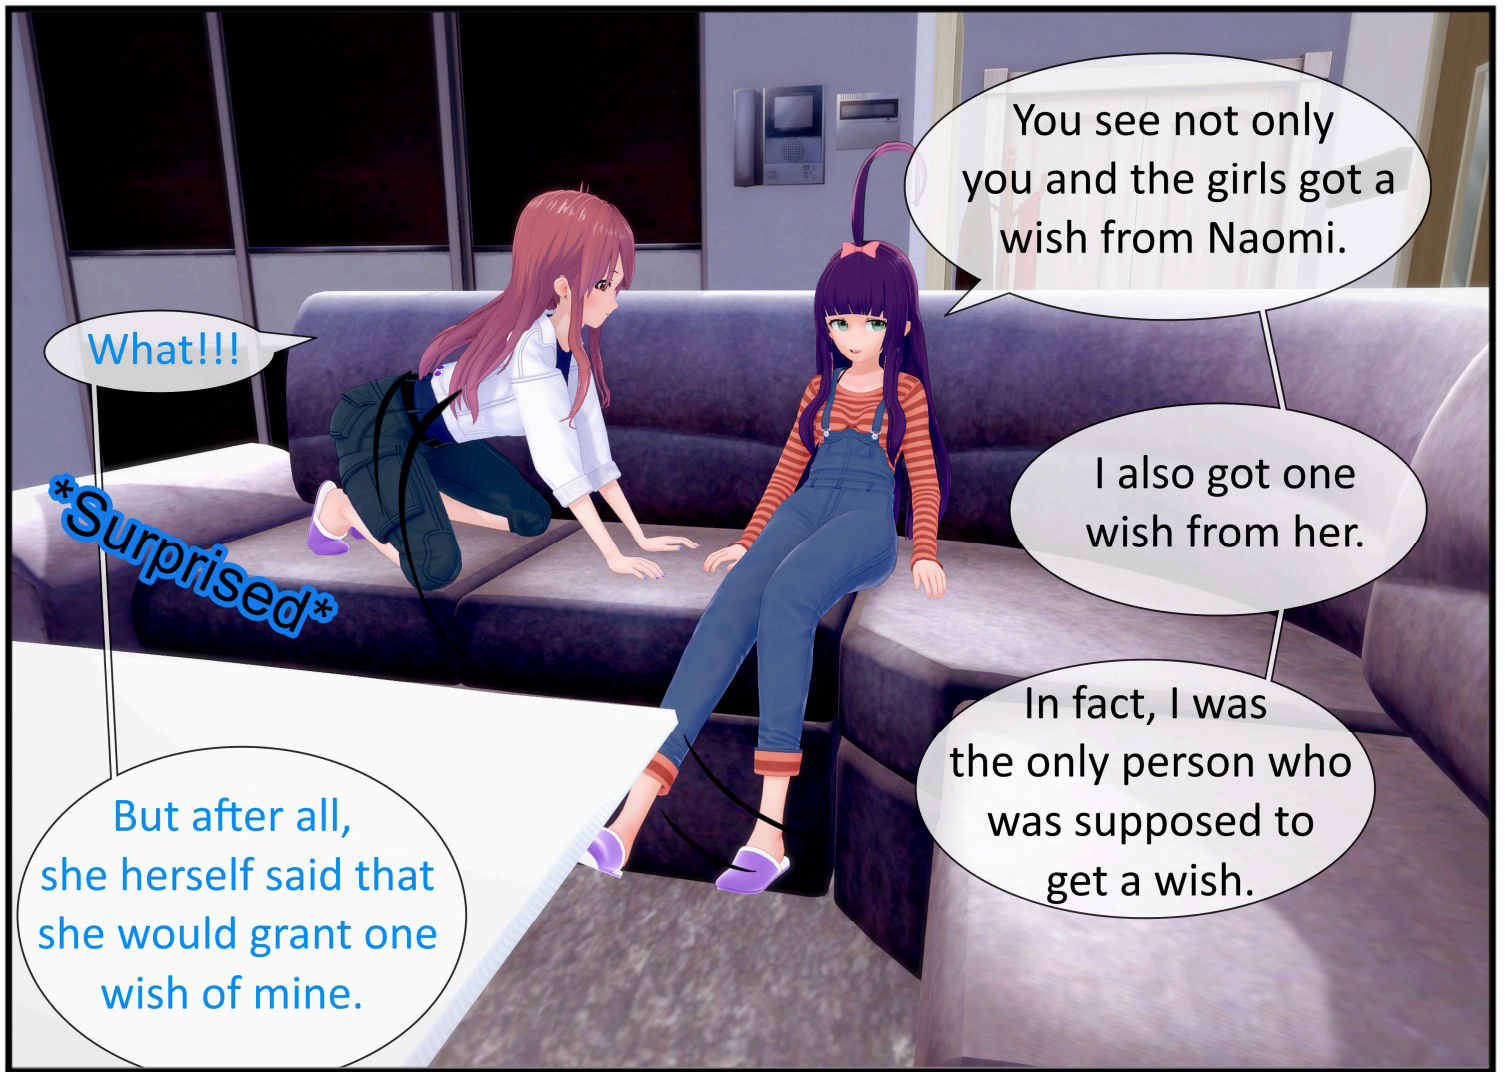

Surprised

What?

However, it was a good idea with this wish.

I think there's something I need to tell you finally.

What!!!

Surprised

You see not only you and the girls got a wish from Naomi.

I also got one wish from her.

In fact, I was the only person who was supposed to get a wish.

But after all, she herself said that she would grant one wish of mine.

Shocked

That's not quite true.

It was that day when I almost got hit by a car.

Retrospect...

embarrassed

Thanks again. But you really didn't have to do it.

No problem
