

Are you really sure about this, Jan?

I am. Fully  
and truly.

I want  
you, Nathan.

When they told you  
"You'll know him when you see  
him", they were right.

This is a big step. But if it's really what you want.

I'll try to be careful.

I don't wanna hurt you.

Are you ready for this?

I am,  
Nathan. Do it.

Here it comes.

Oh god,  
yes.

I feel you inside  
me, Nathan.

Holy moly, Jan.

Your pussy's really  
longing for this.

So am I.

Pick me up, Nathan. I want to feel you more.

Push me.  
Harder. Deeper.

Me too.  
You feel so good,  
Jan.

Yes. I  
love this.

I love  
you, Nathan.

I always  
have.

It's why I fucked  
so many girls together  
with you, so I could be  
with you.

If being with you means I have to be Jan, then this is my new truth.

Claim me, Nathan.
