Maybe I can hear what they are talking about.

They went in... What should I do now...?

She sounds like she's hurt?! Are they in danger after all?

It's just as you said master

She is already started to feel it

Huh?! Master?!

UGH! Master~

EH!?

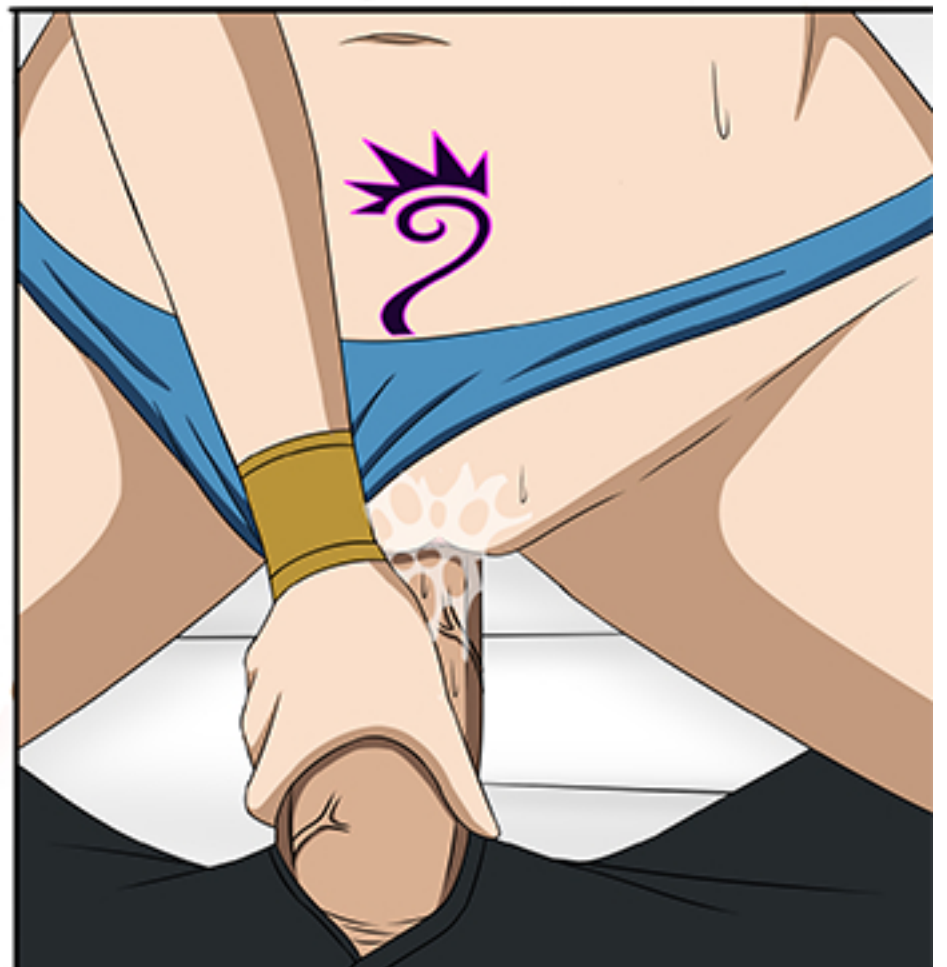

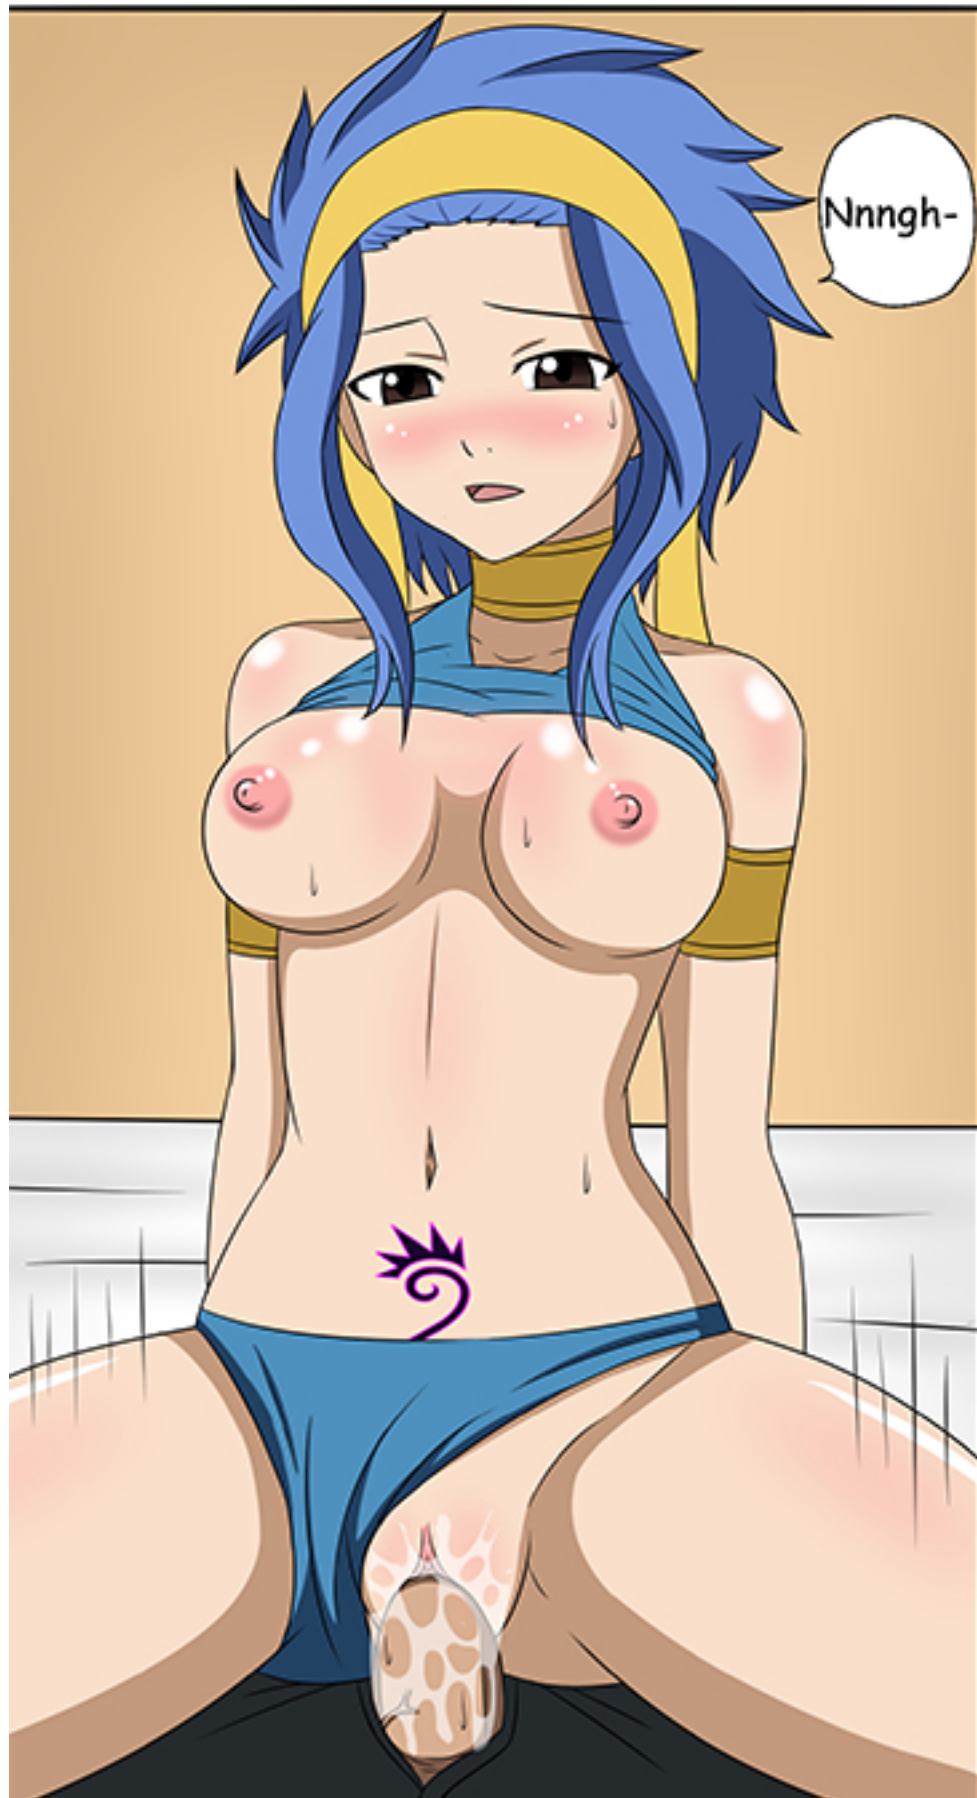

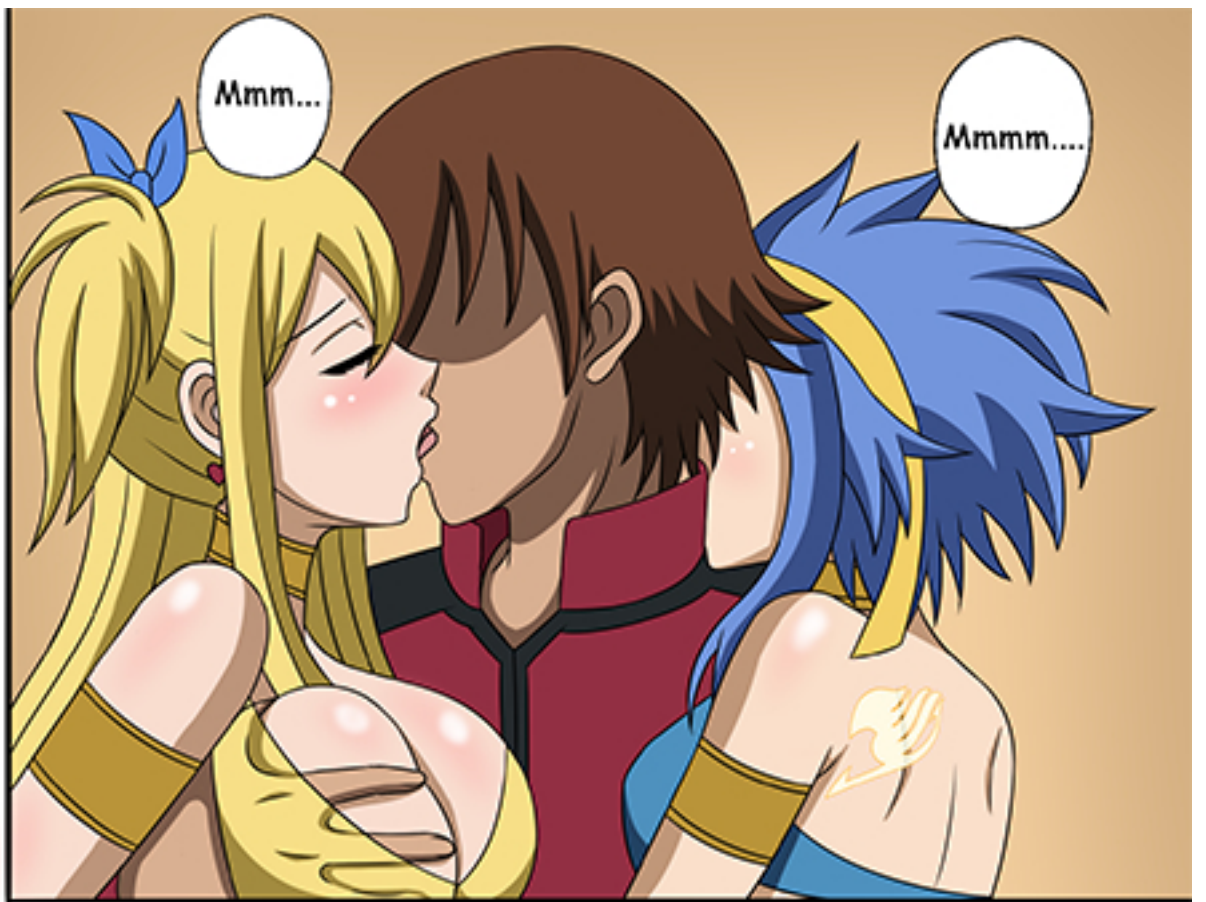

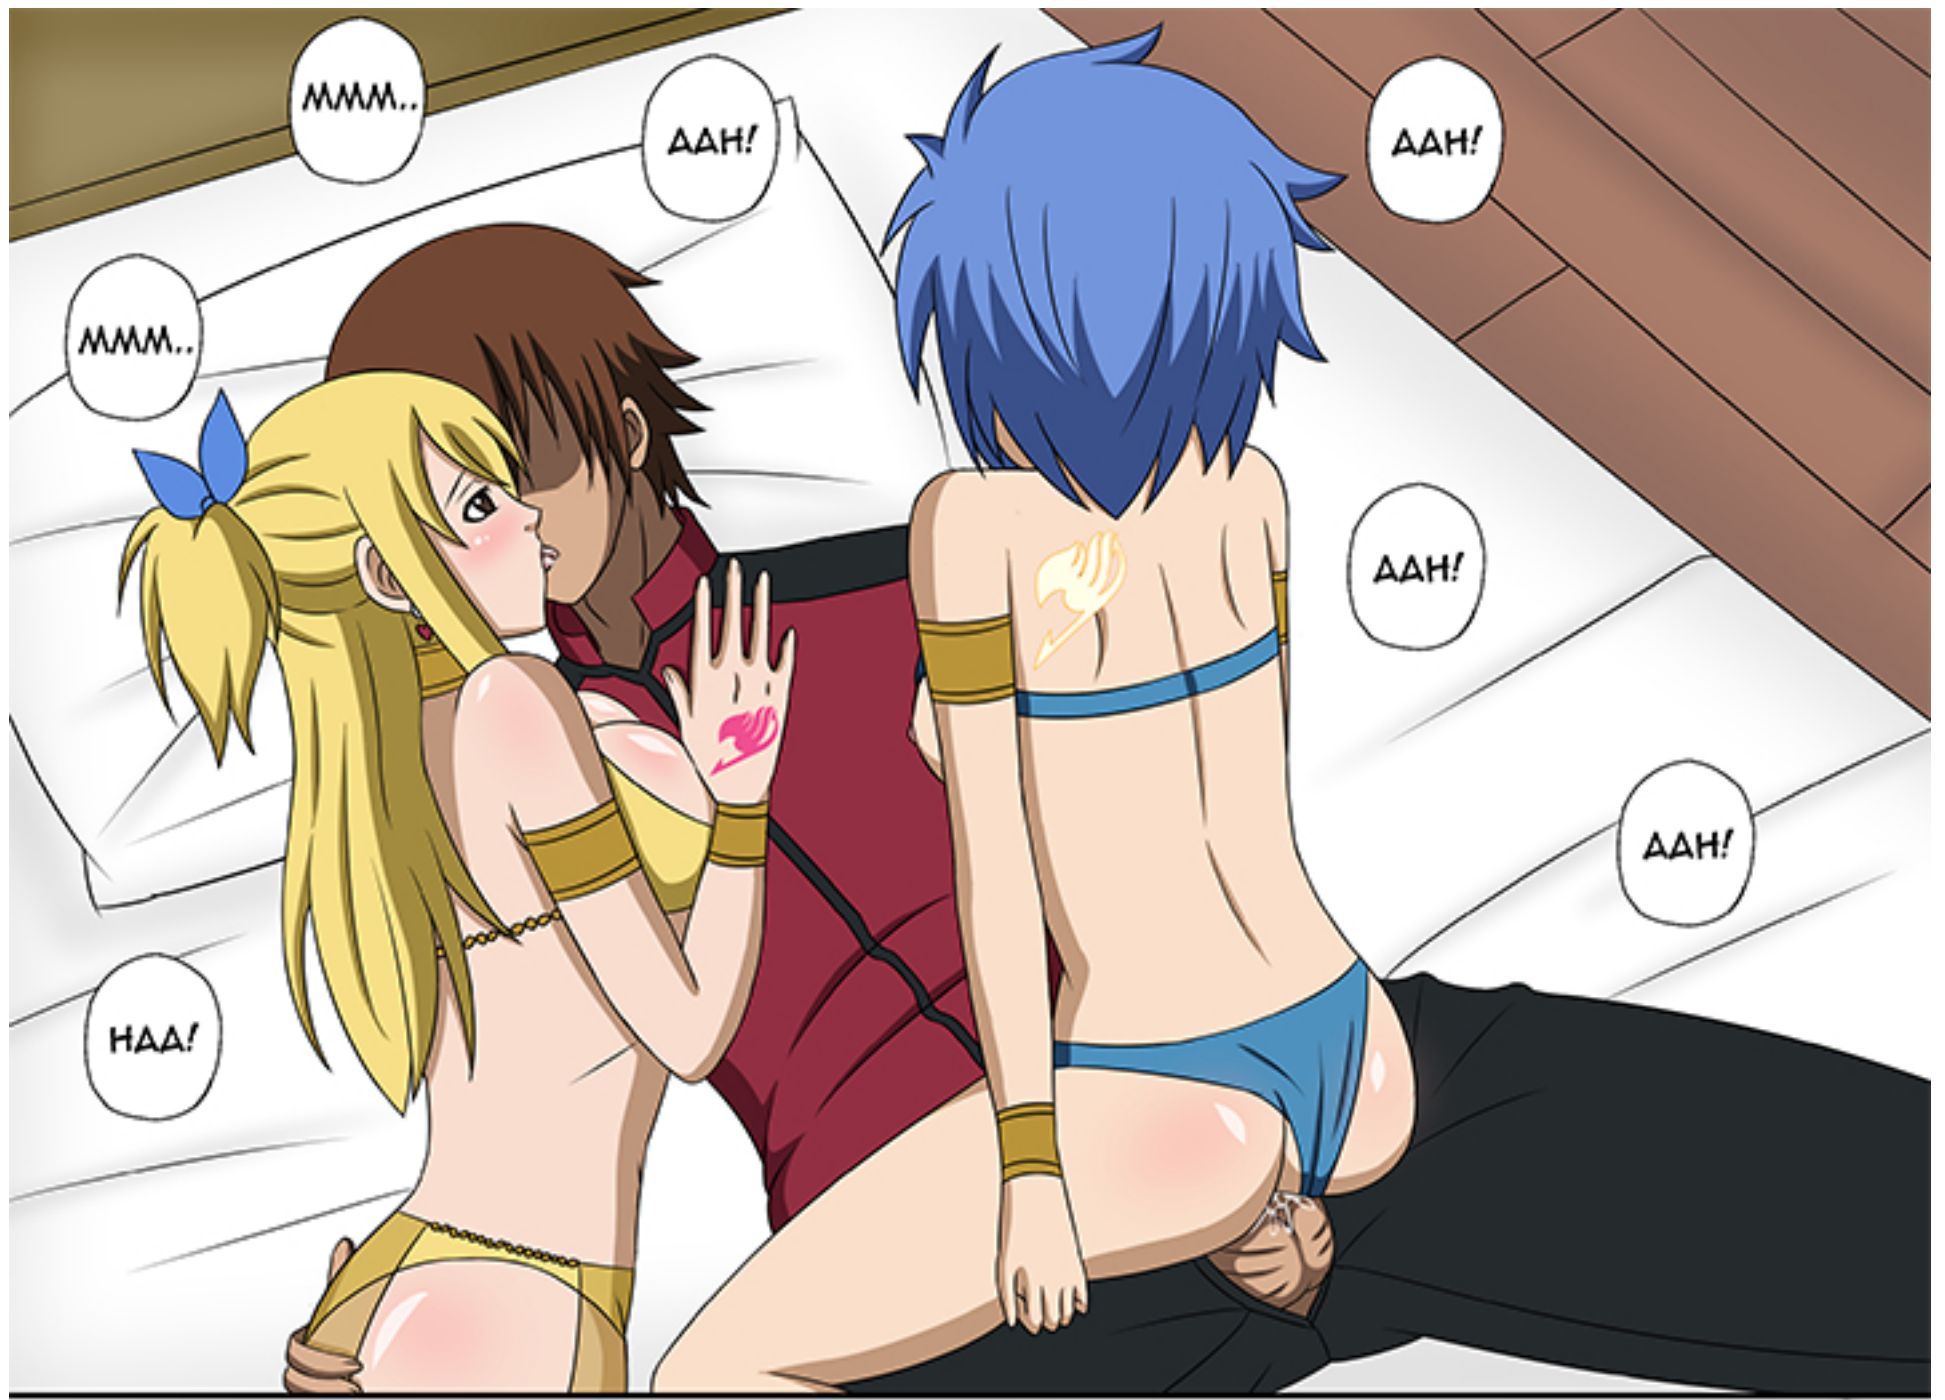

It's a bit dark inside...

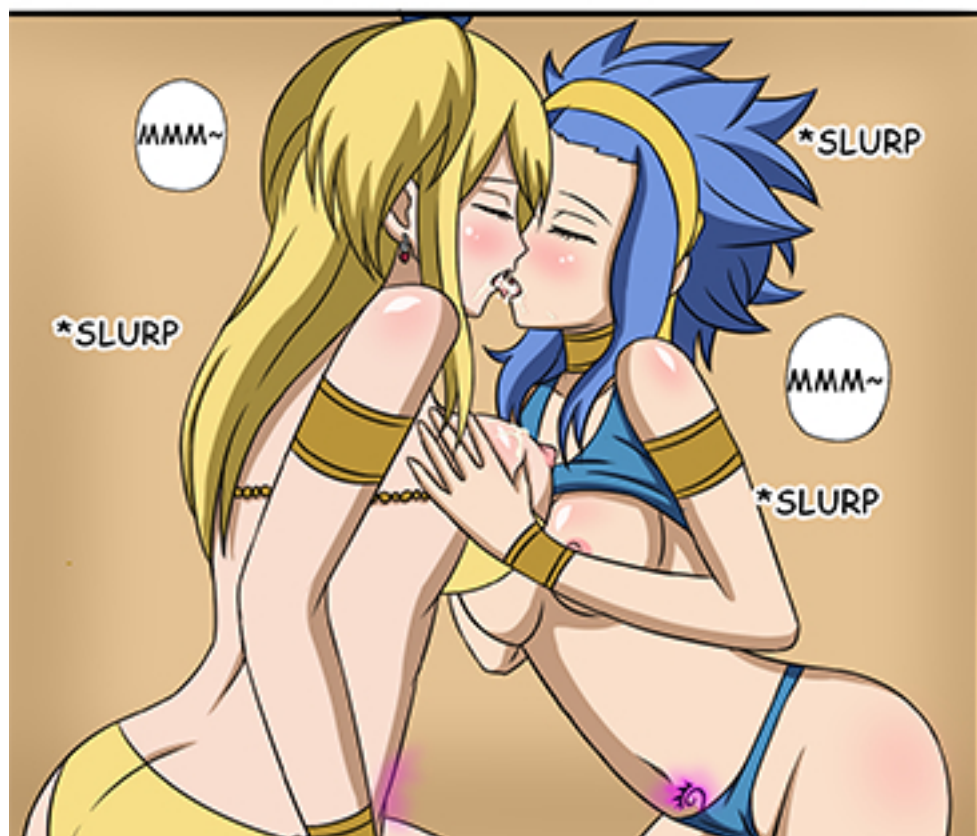

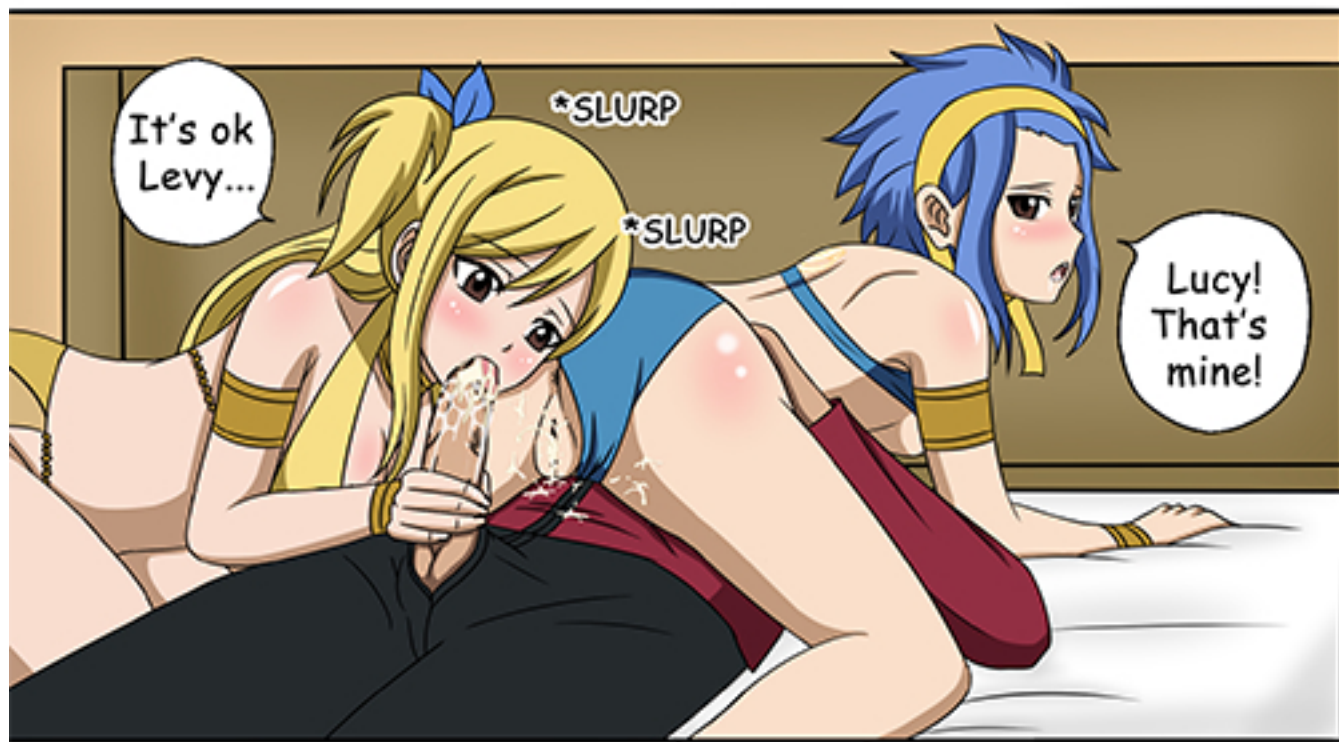

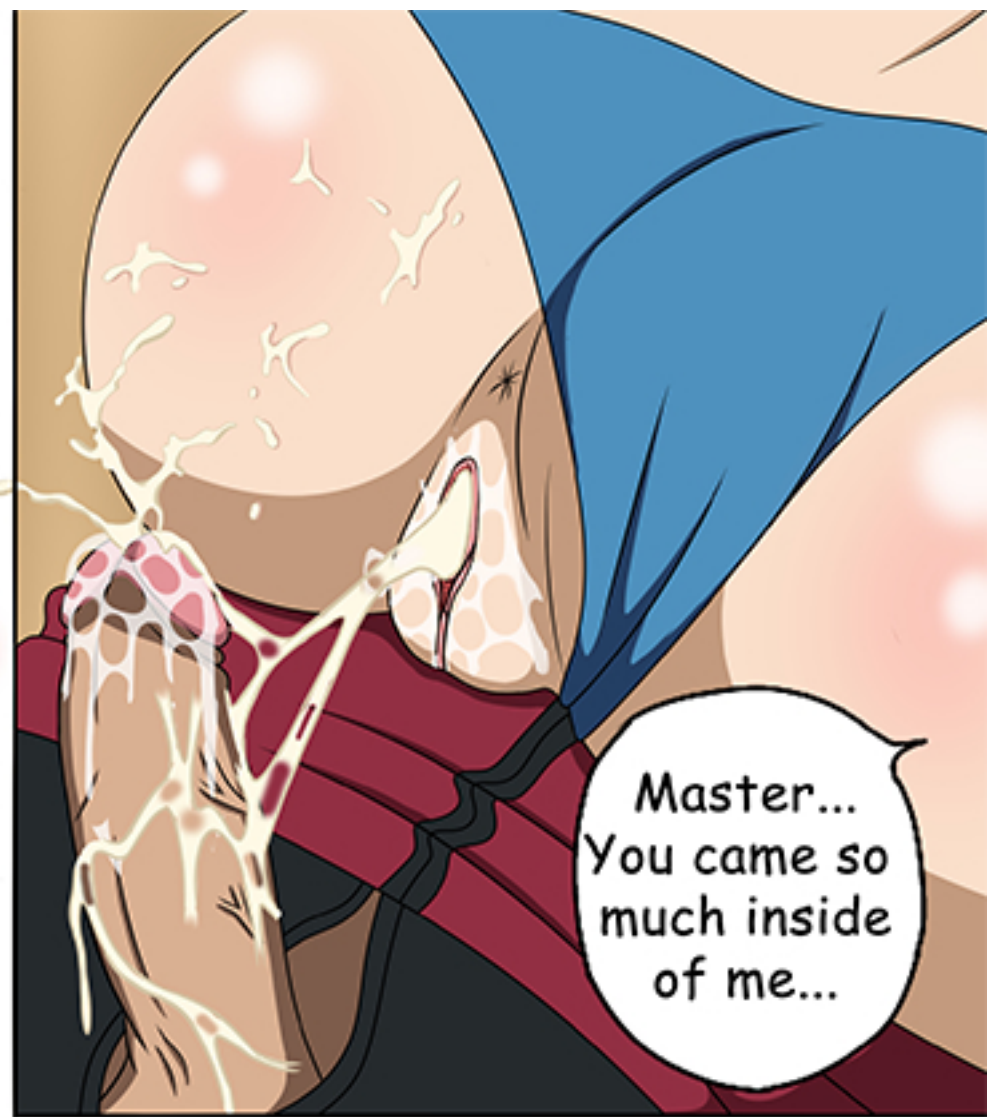

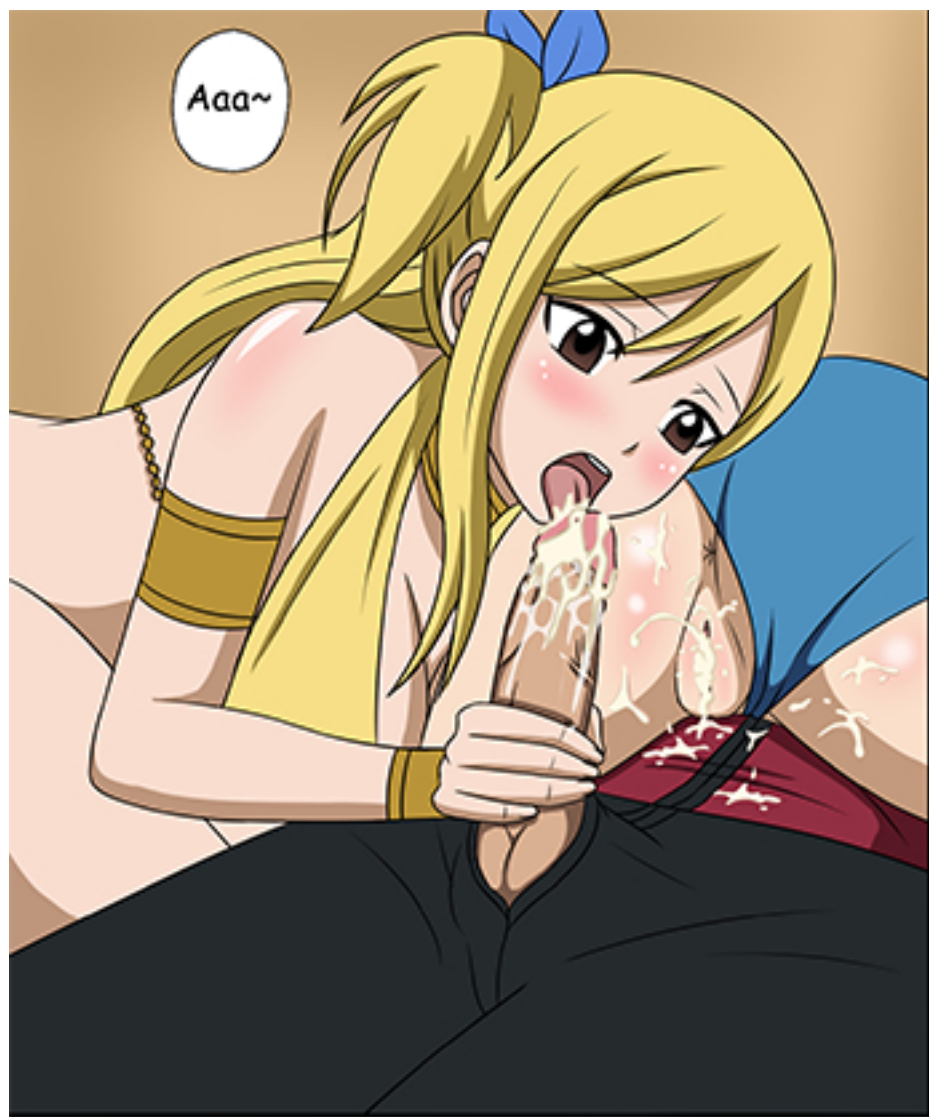

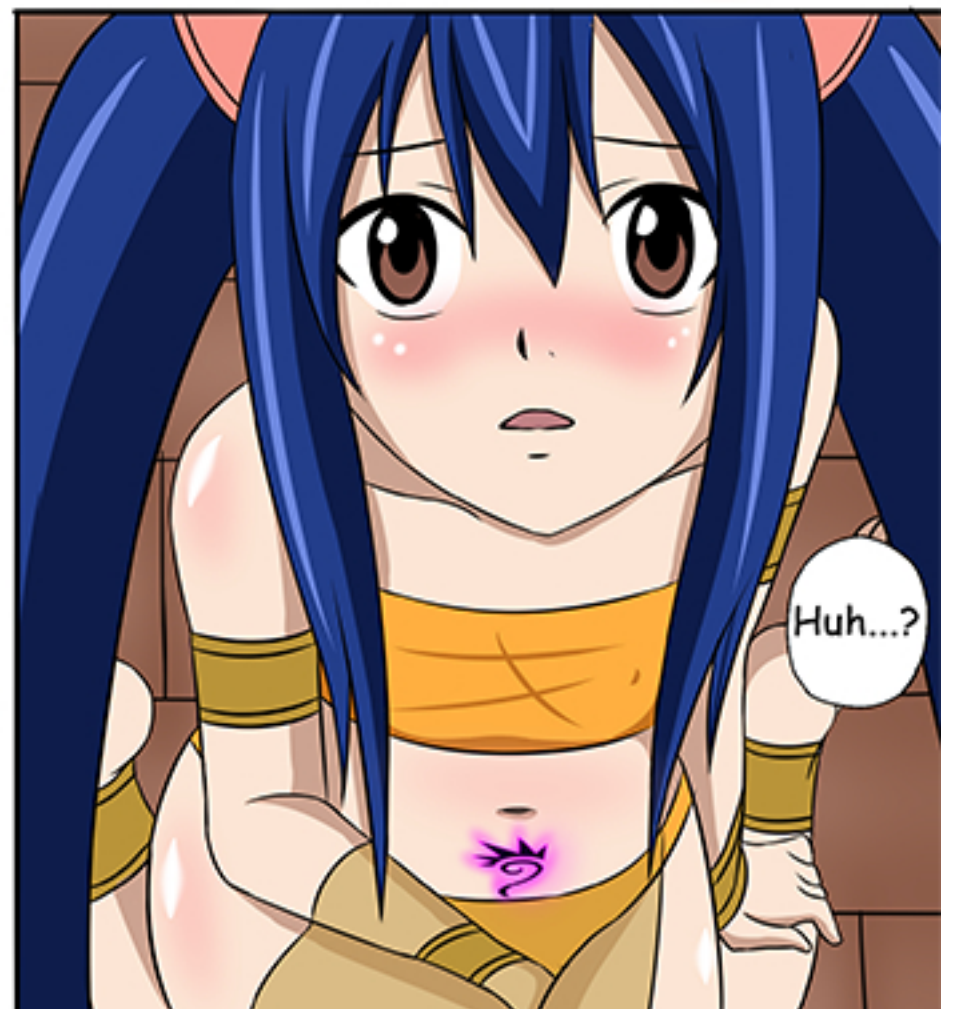

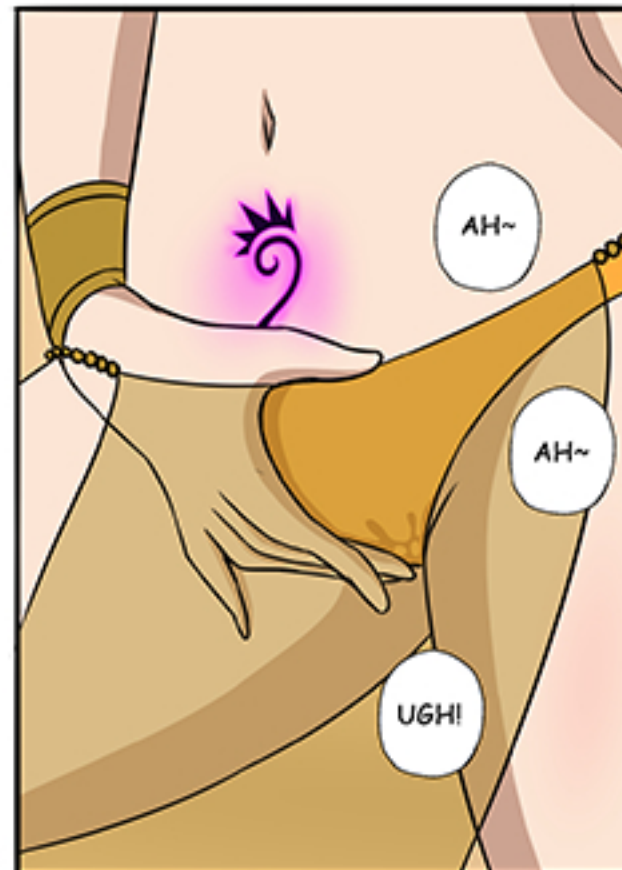

Huh? The door is unlocked...

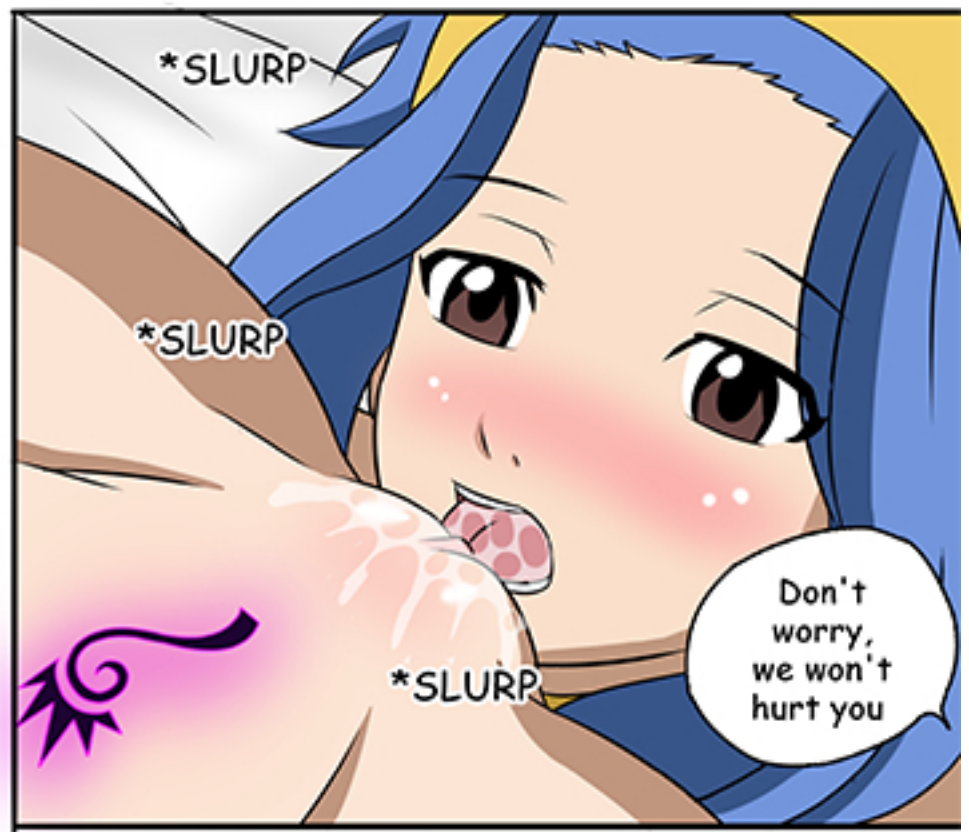

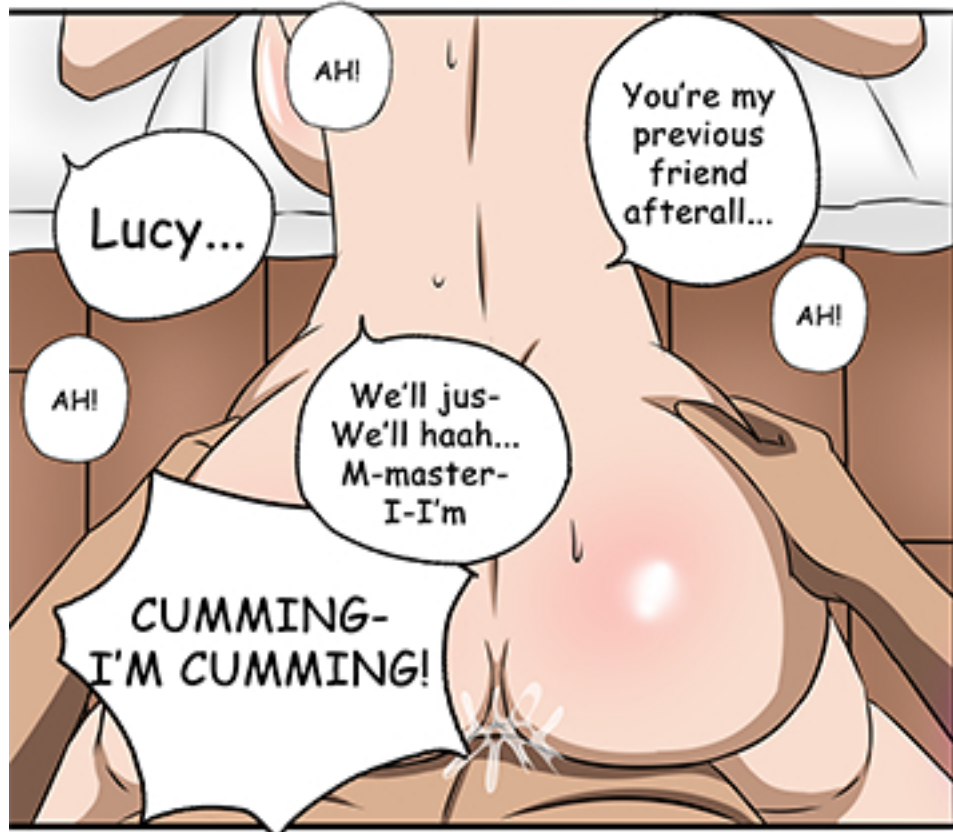

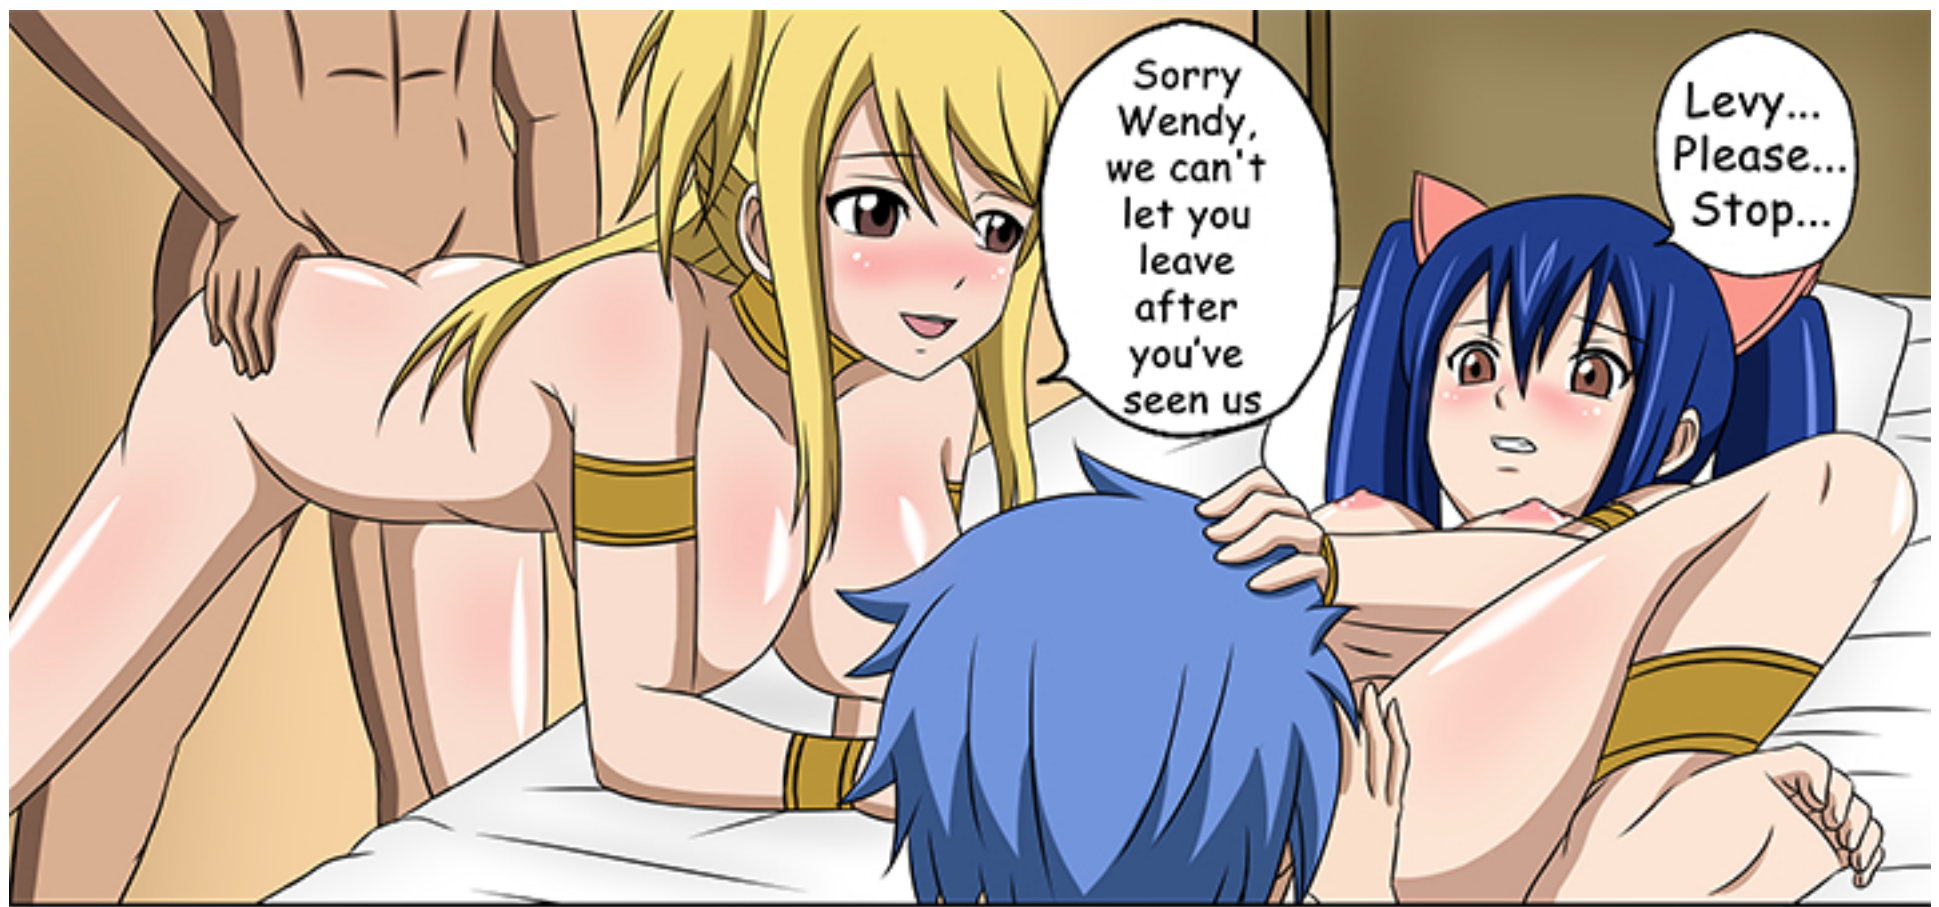

Maybe I can see what's happening...

Spread your pussy for me.

Yes sir...

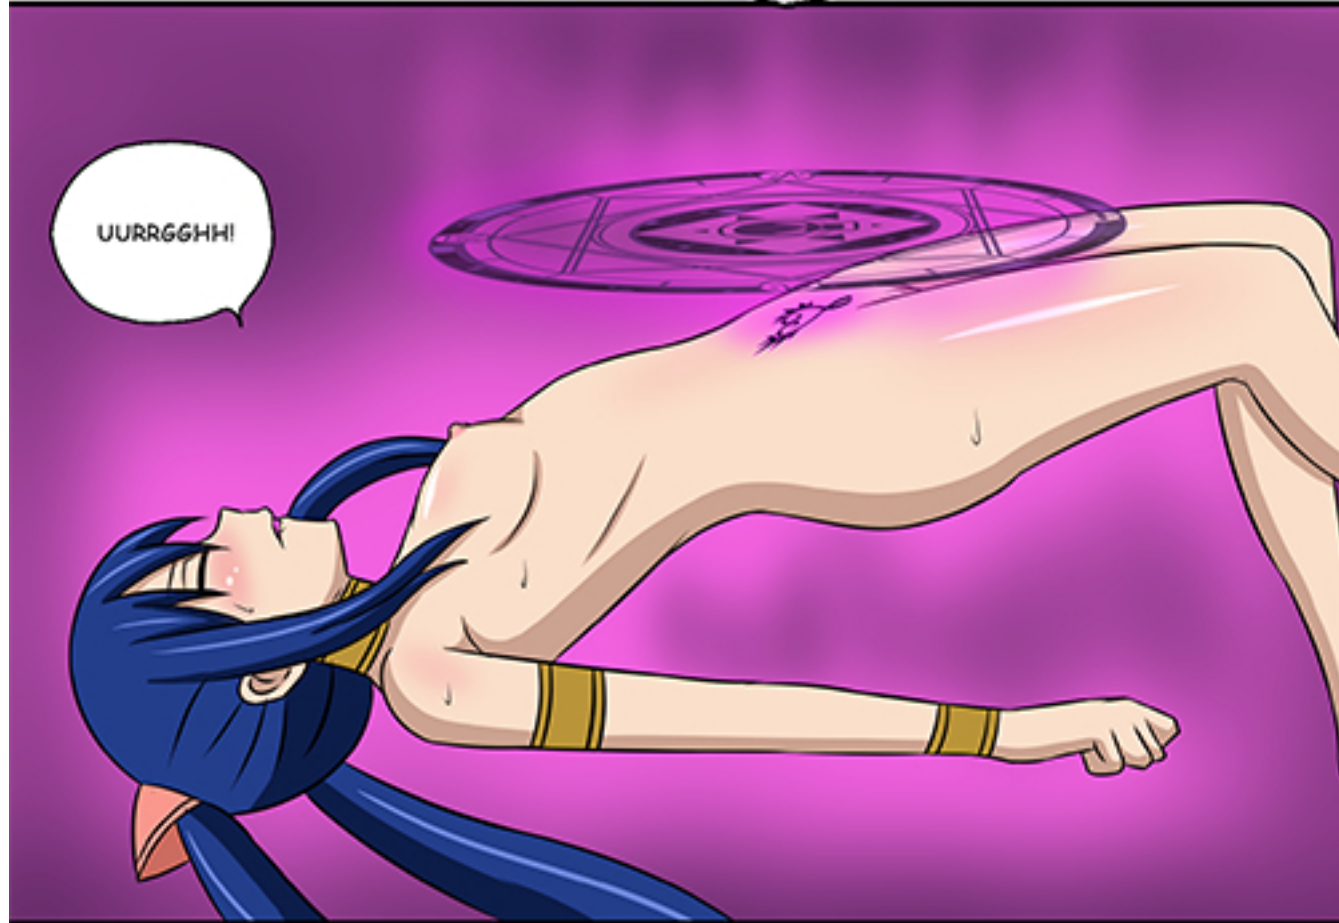

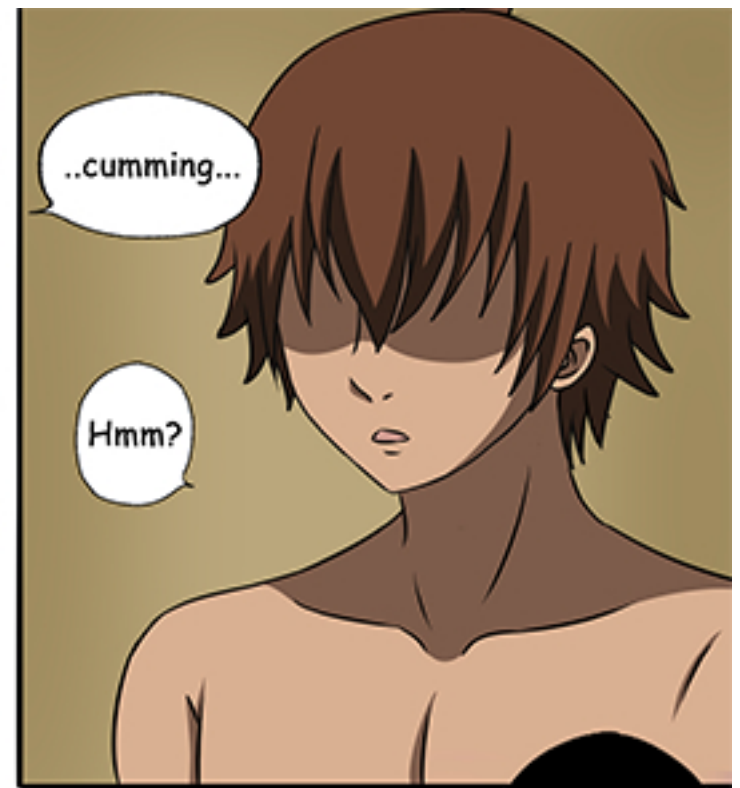

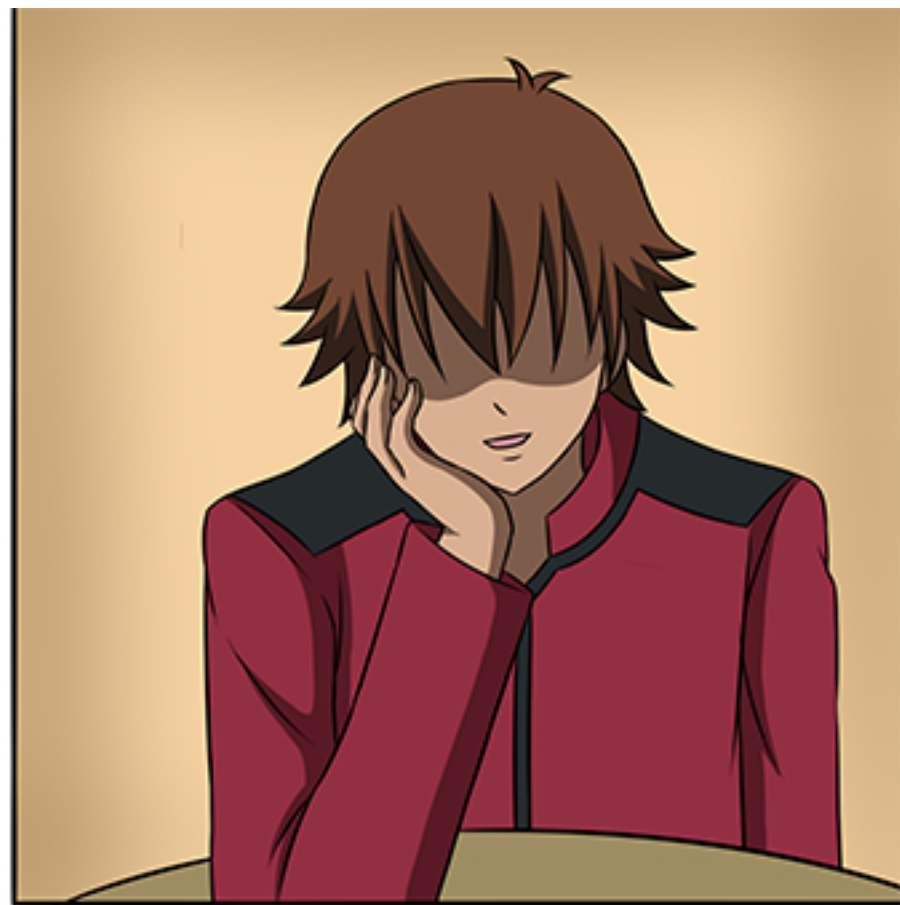

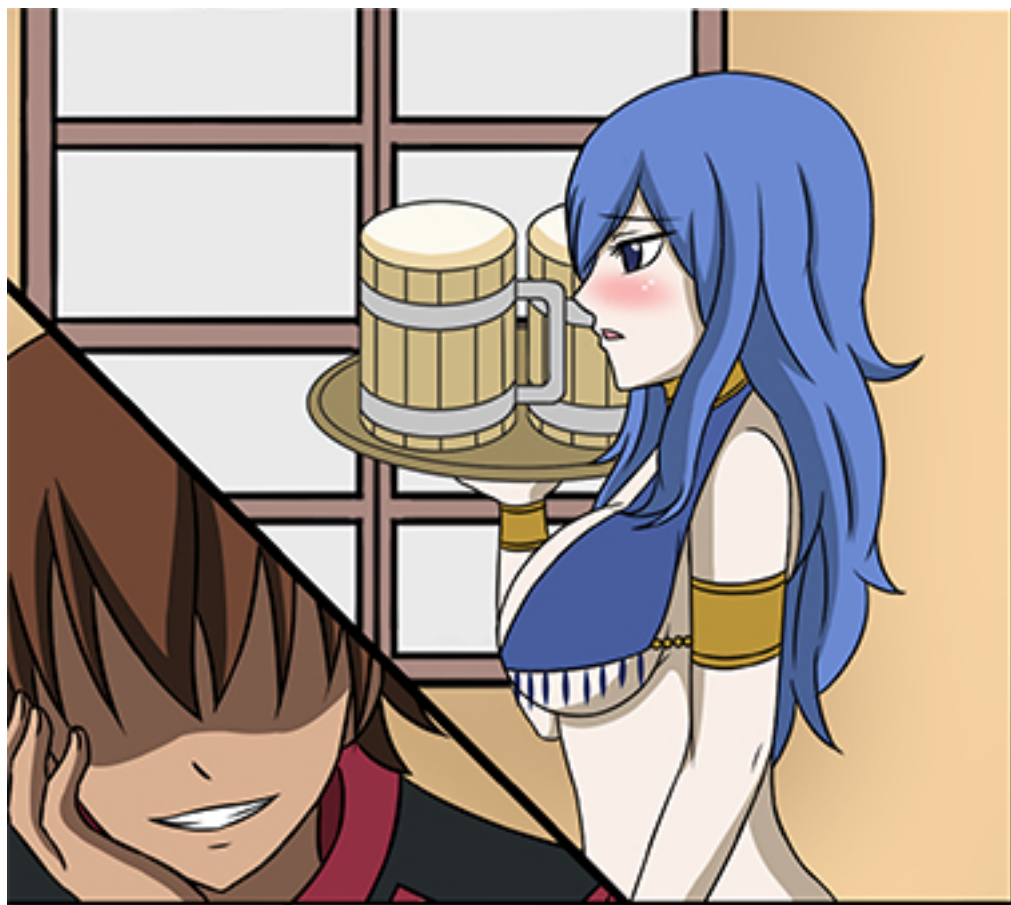

Eh?
W-wait!
I can feel your dick..?

eeekkk
kkkkk
!!!!

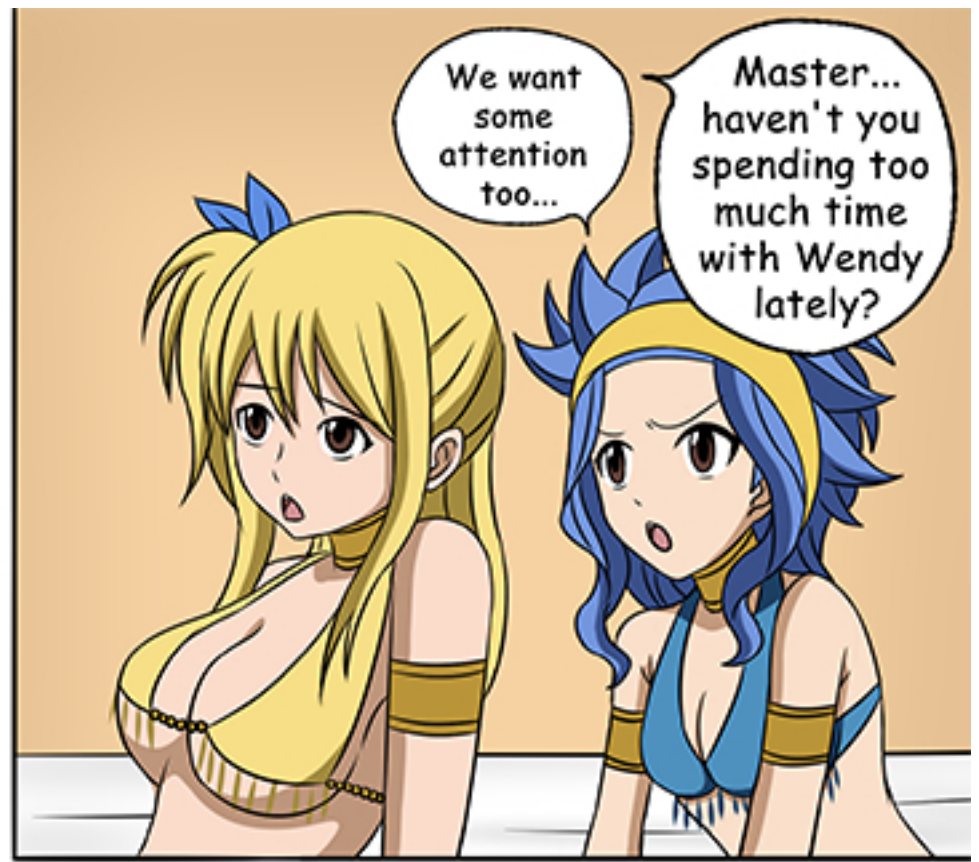

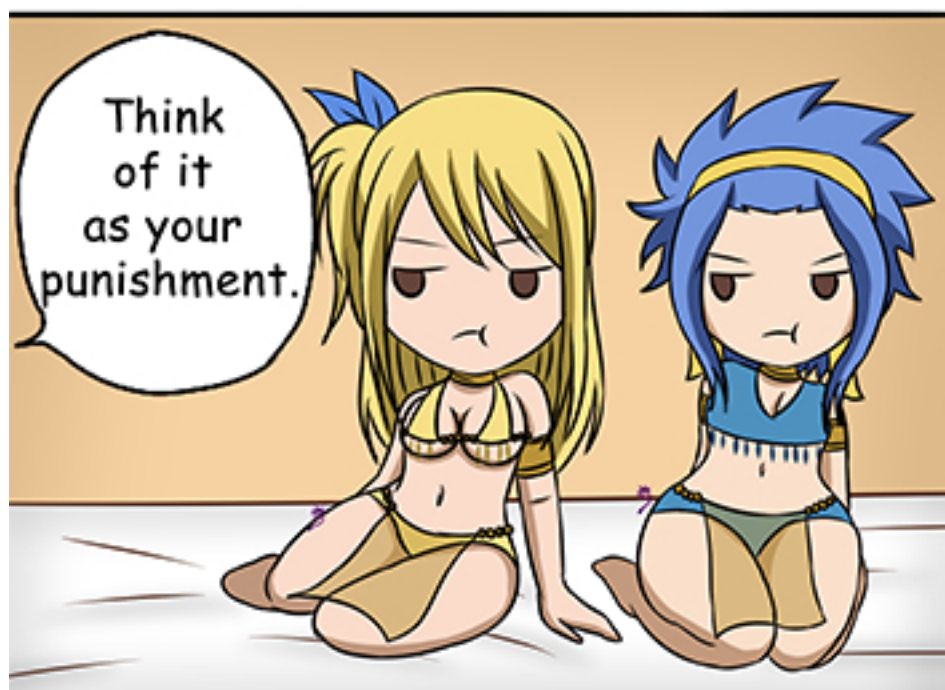

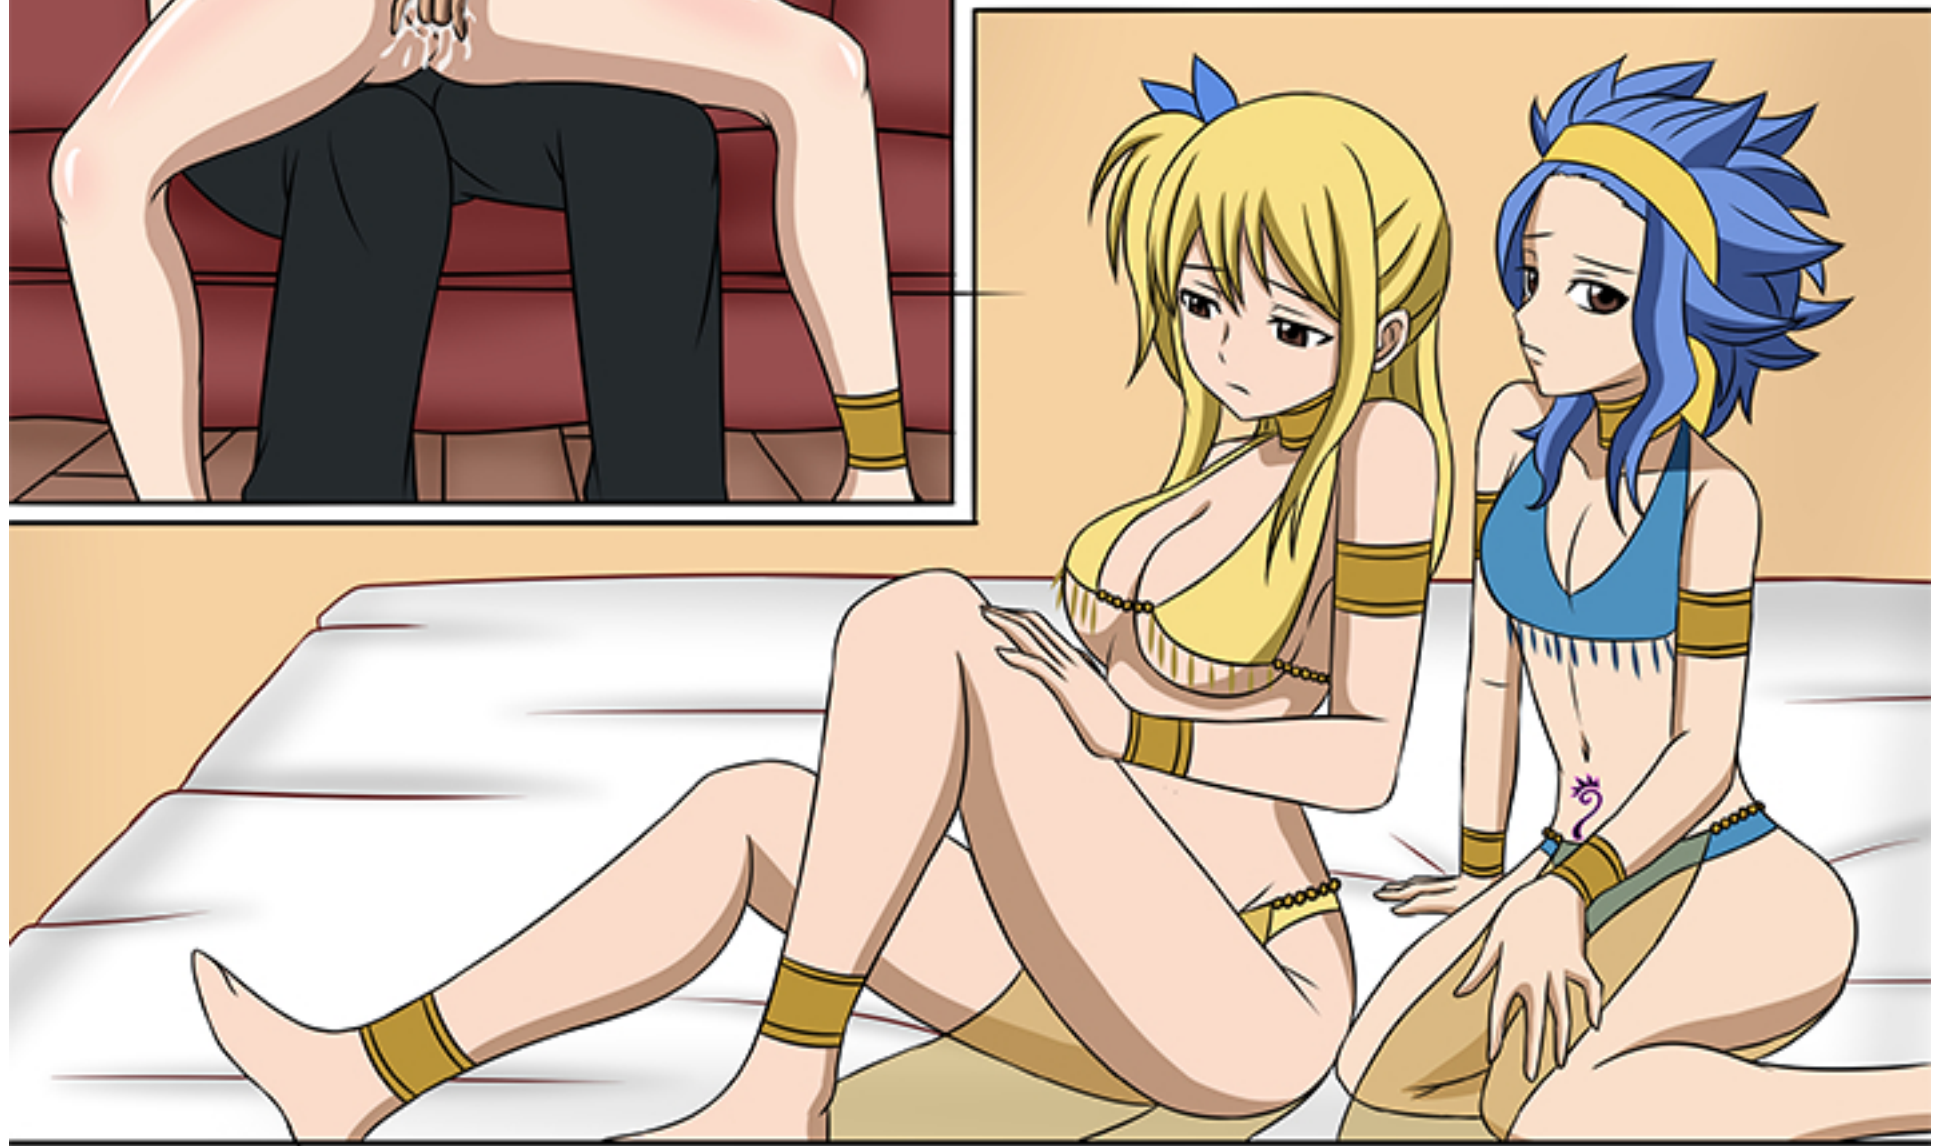

I had to rush the spell because the two of you didn't lock the door.

We want some attention too...

Master... haven't you spending too much time with Wendy lately?

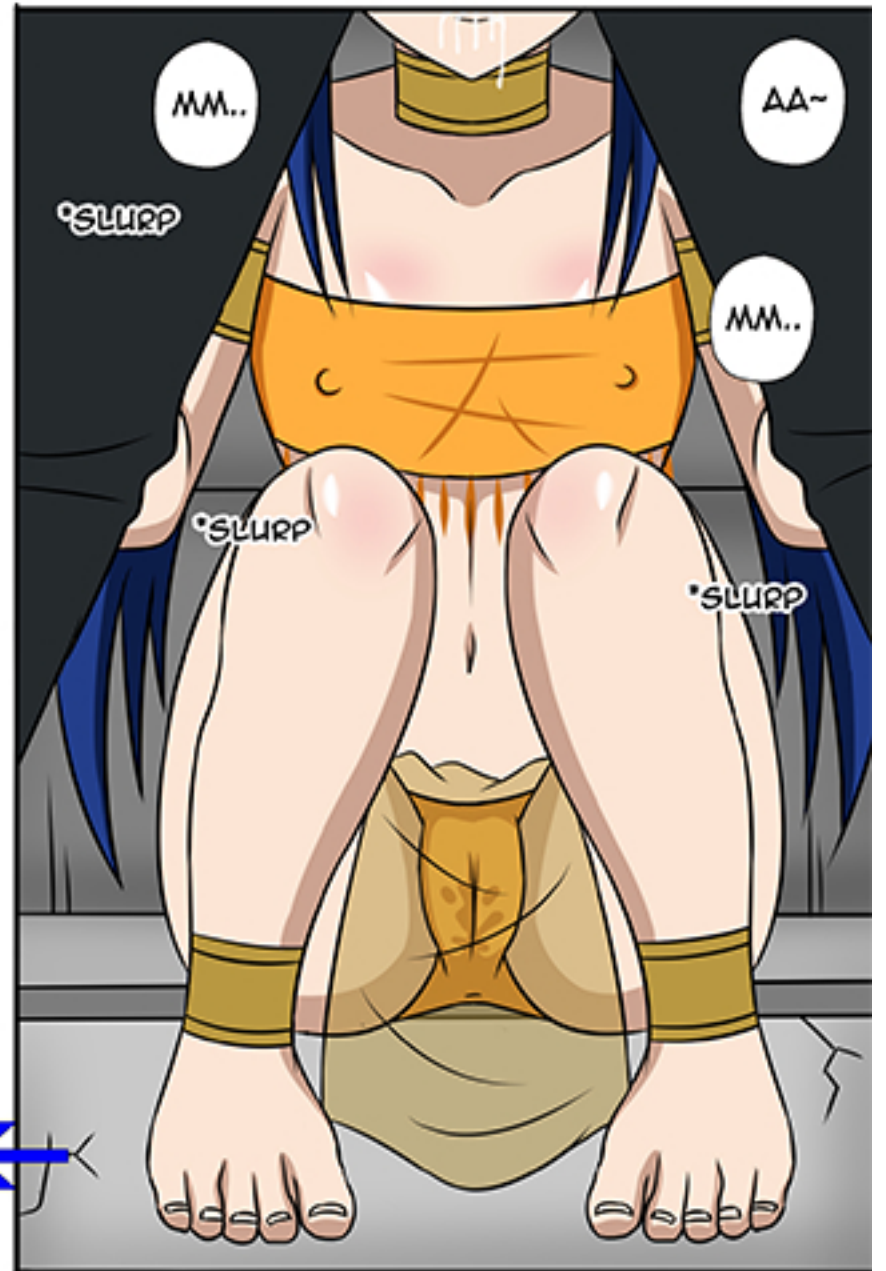

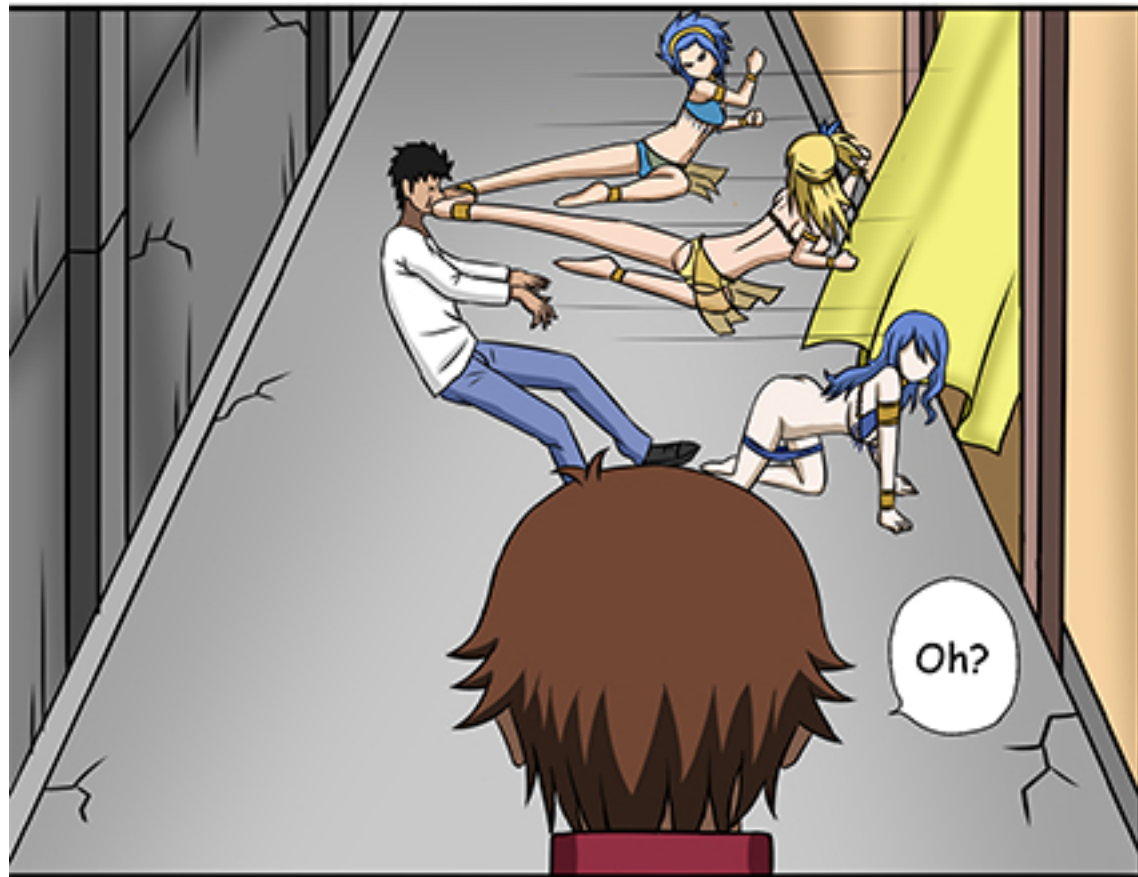

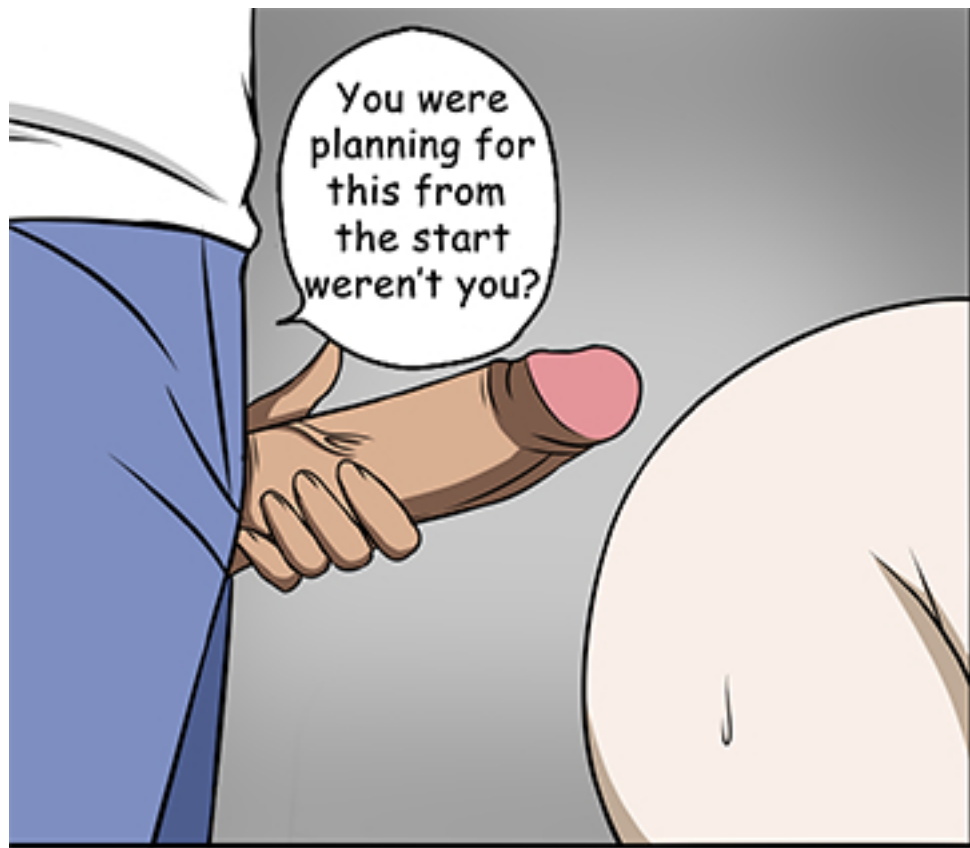

Think of it as your punishment.

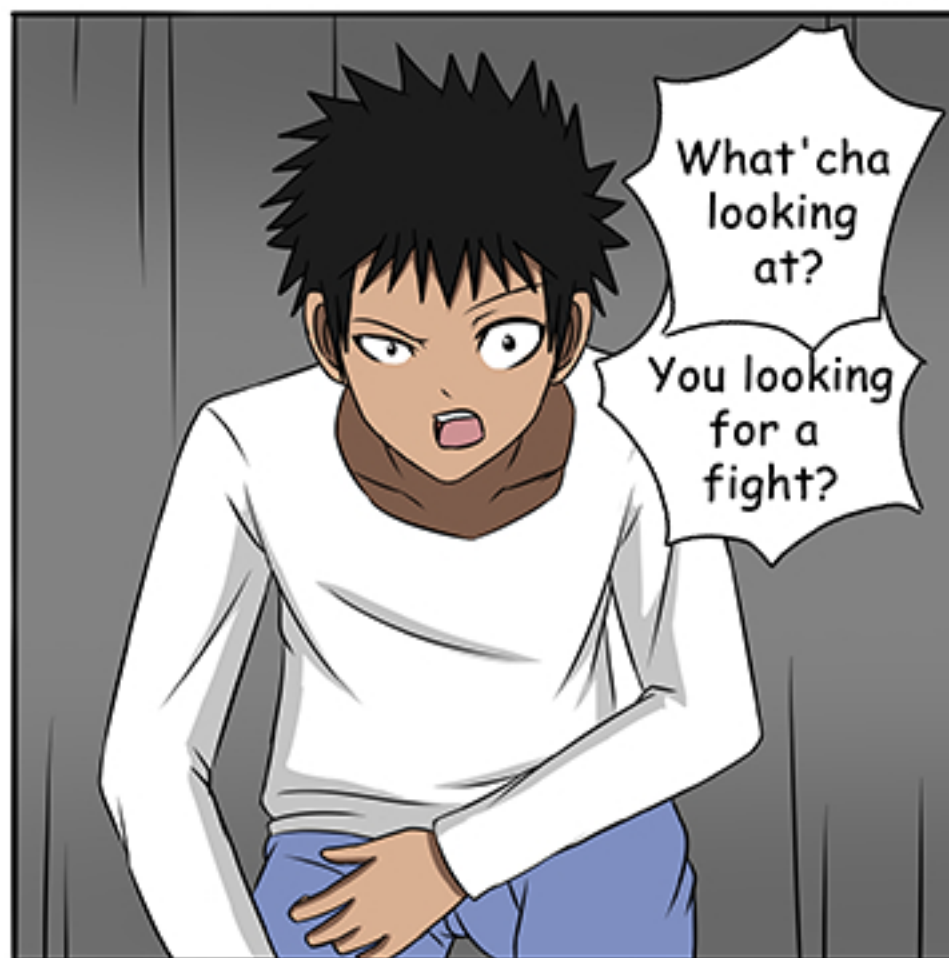

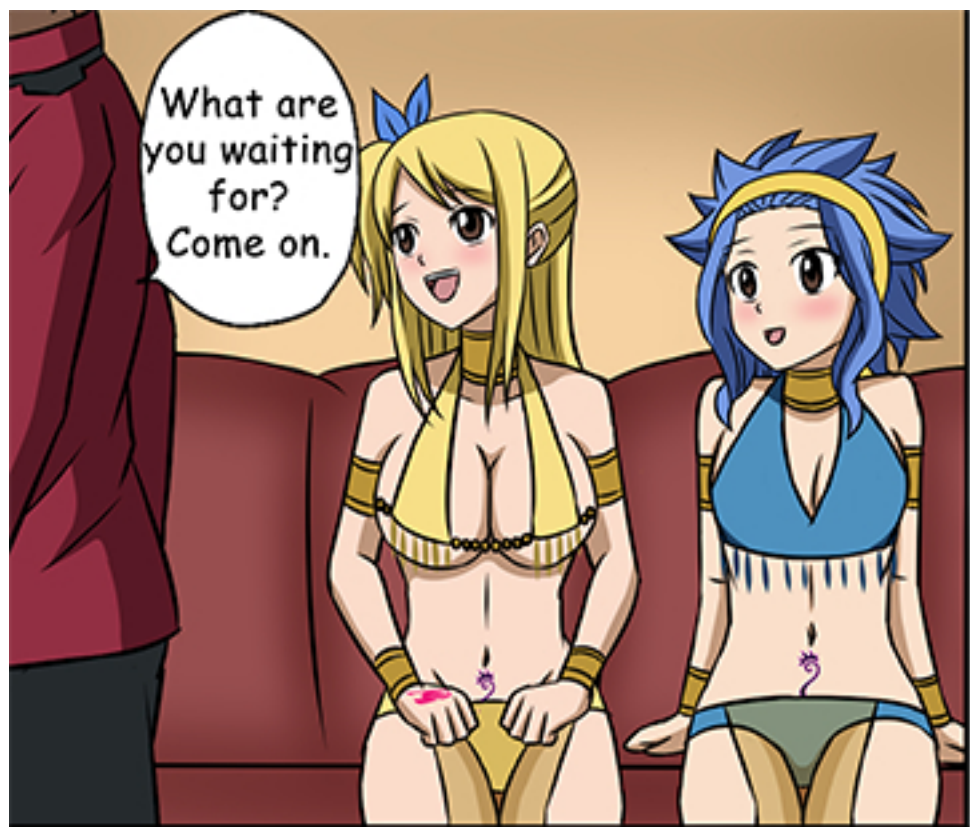

I don't want her to go out of control so I need to keep her lust under control for awhile.

Kiss~ Master kiss~

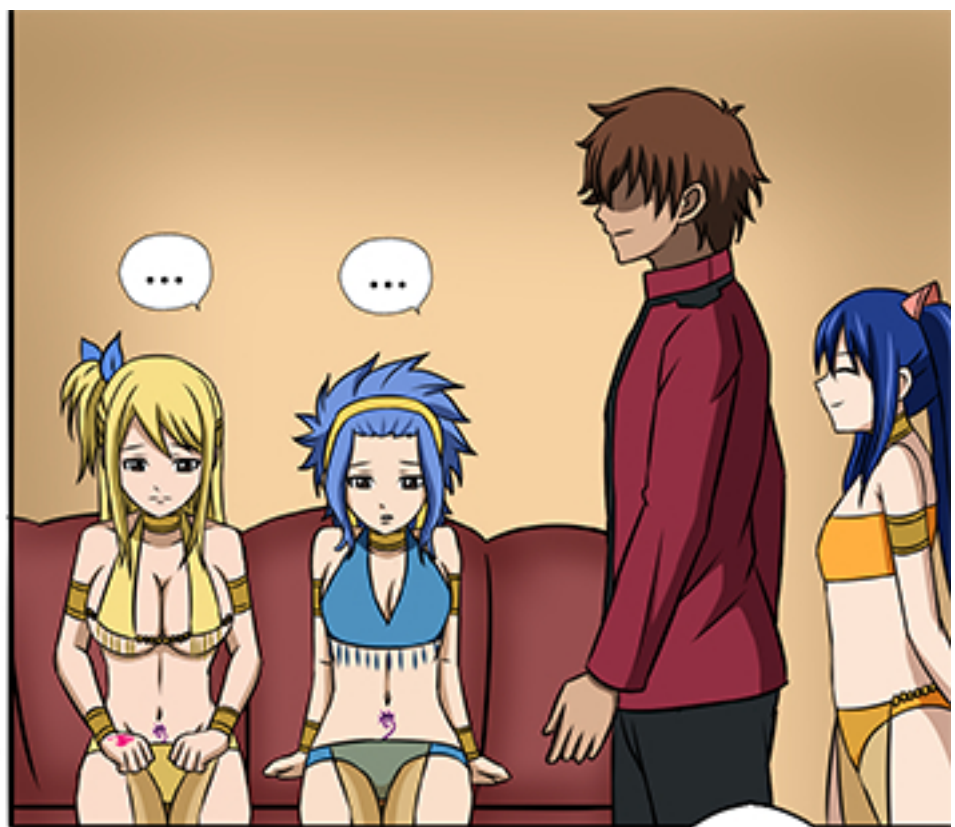

What are you waiting for? Come on.

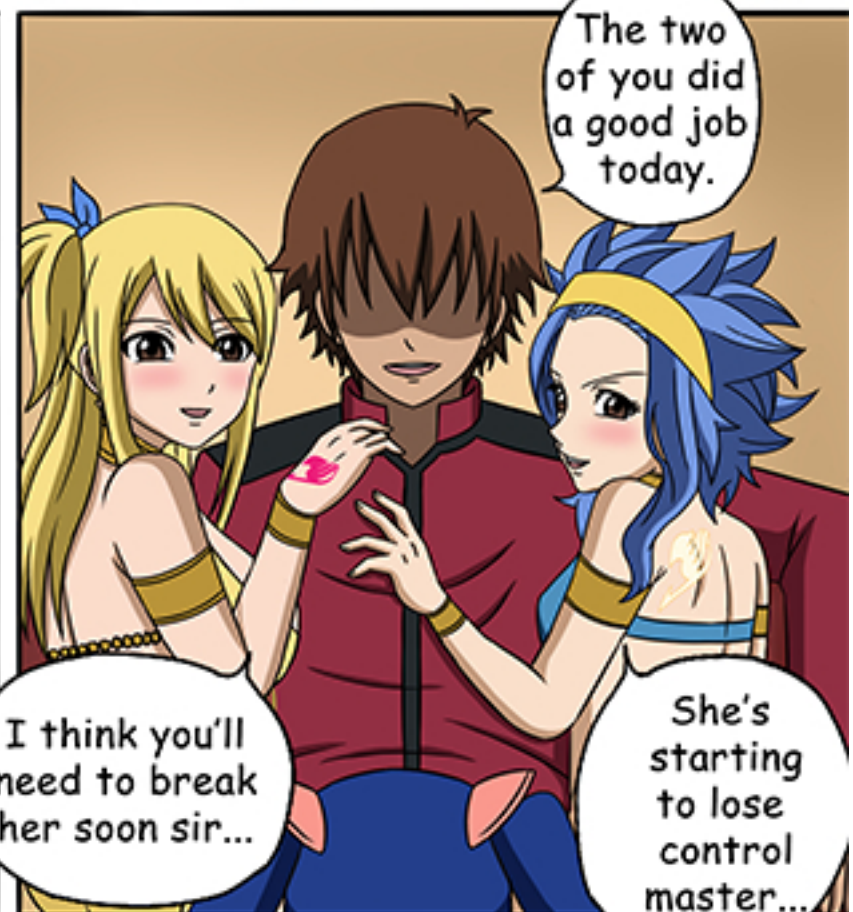

...

...

Don't worry. I'll be sure to satisfy all four of you tomorrow.

Hmm... Maybe I've been focusing too much on you...

The two of you did a good job today.

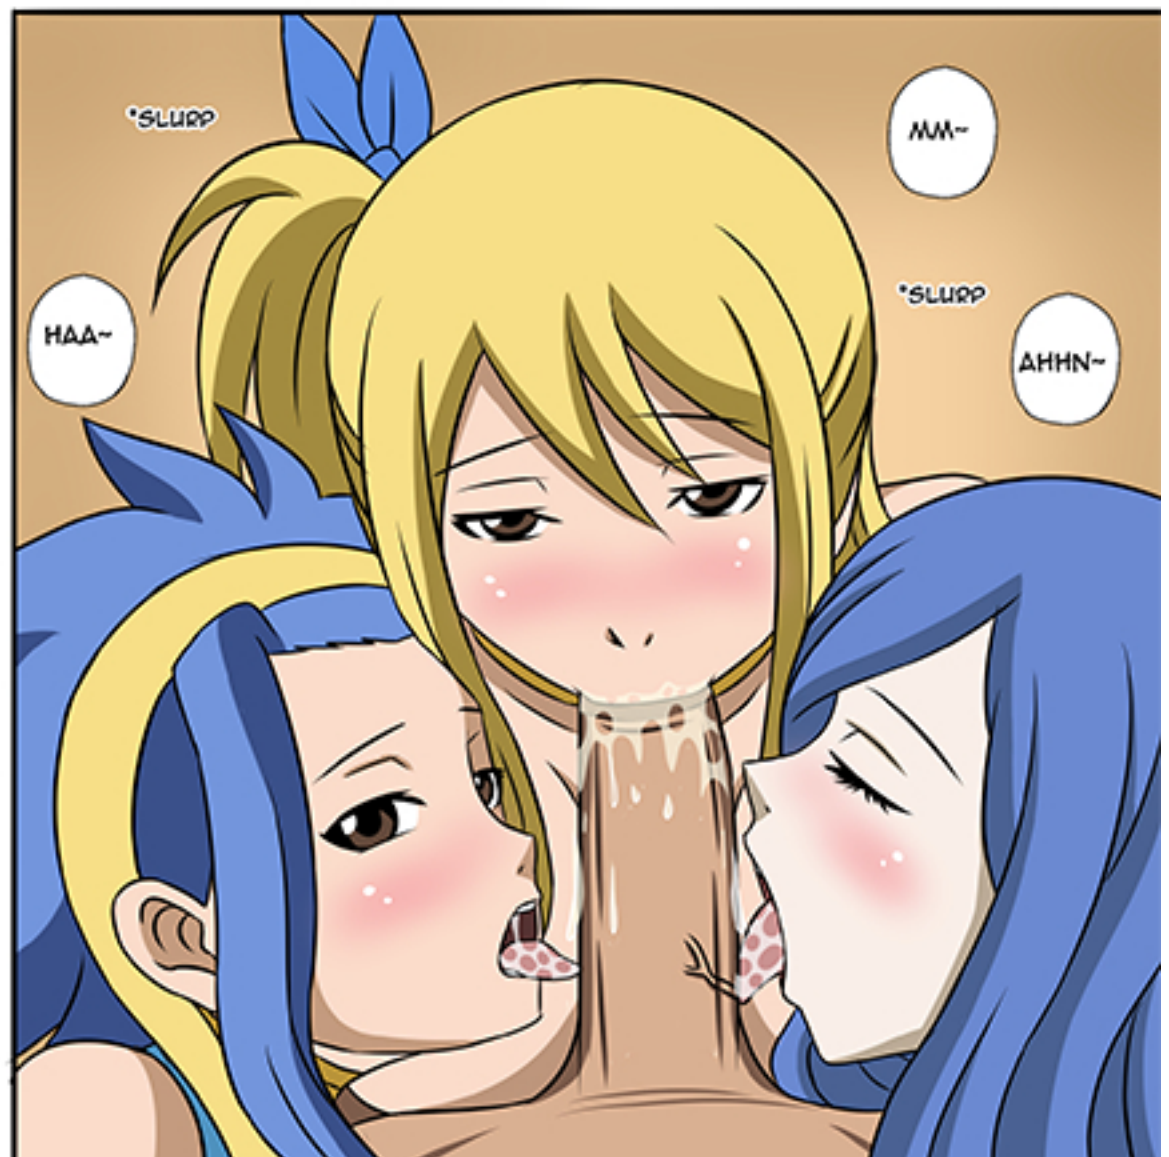

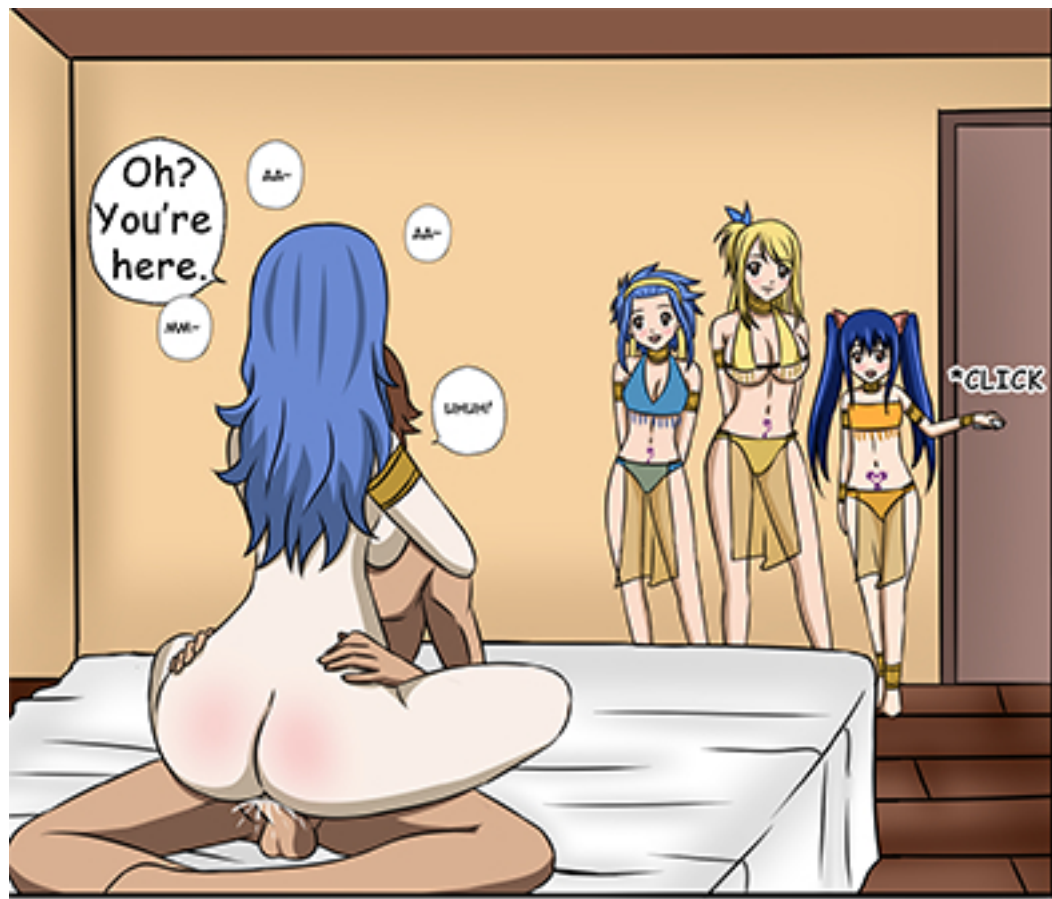

I think you'll need to break her soon sir...

She's starting to lose control master...

But..

Let's take care of Juvia tomorrow, get some rest, you all know your roles.

WHO DO YOU WANT FIRST MASTER?

EEEEEEKK!?

You've been waiting for this haven't you?

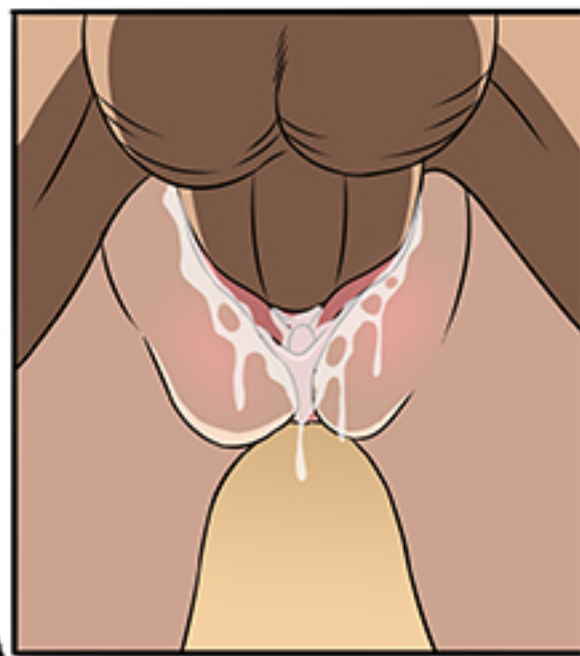

You're just like us now Wendy...

AA~

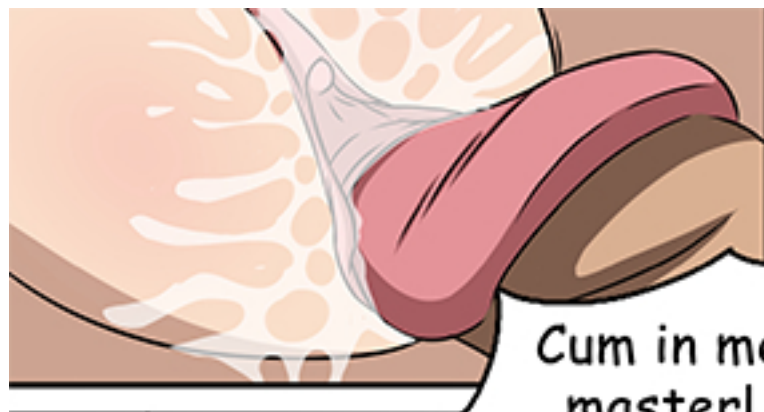

UGH!

Juvia... Wants it too...

She can't even talk properly... Aren't you a bit rough on her?

NNNNGGHHH

Cum in me
master!
Me too!
I'm...
I'm-

I'm going
to cum
Wendy.
Take it
all in your
pussy!

UGH!

AA~

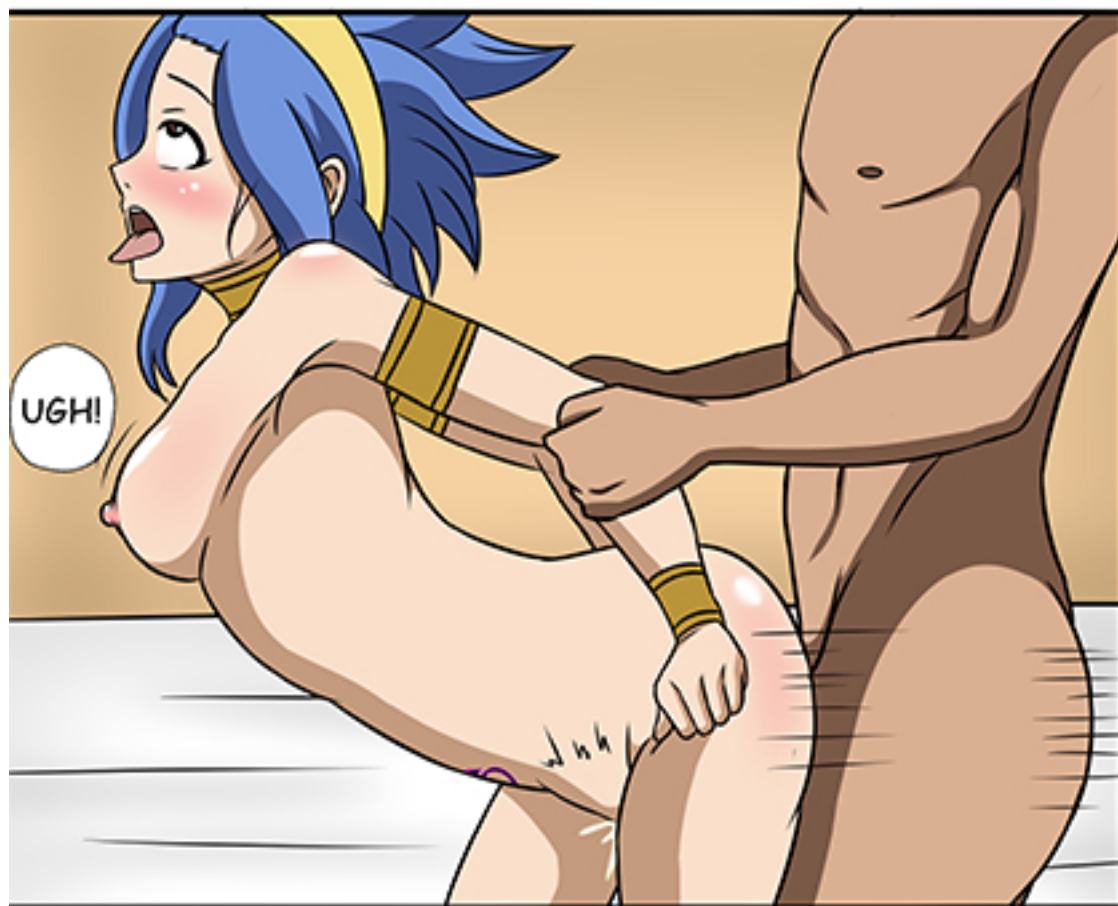

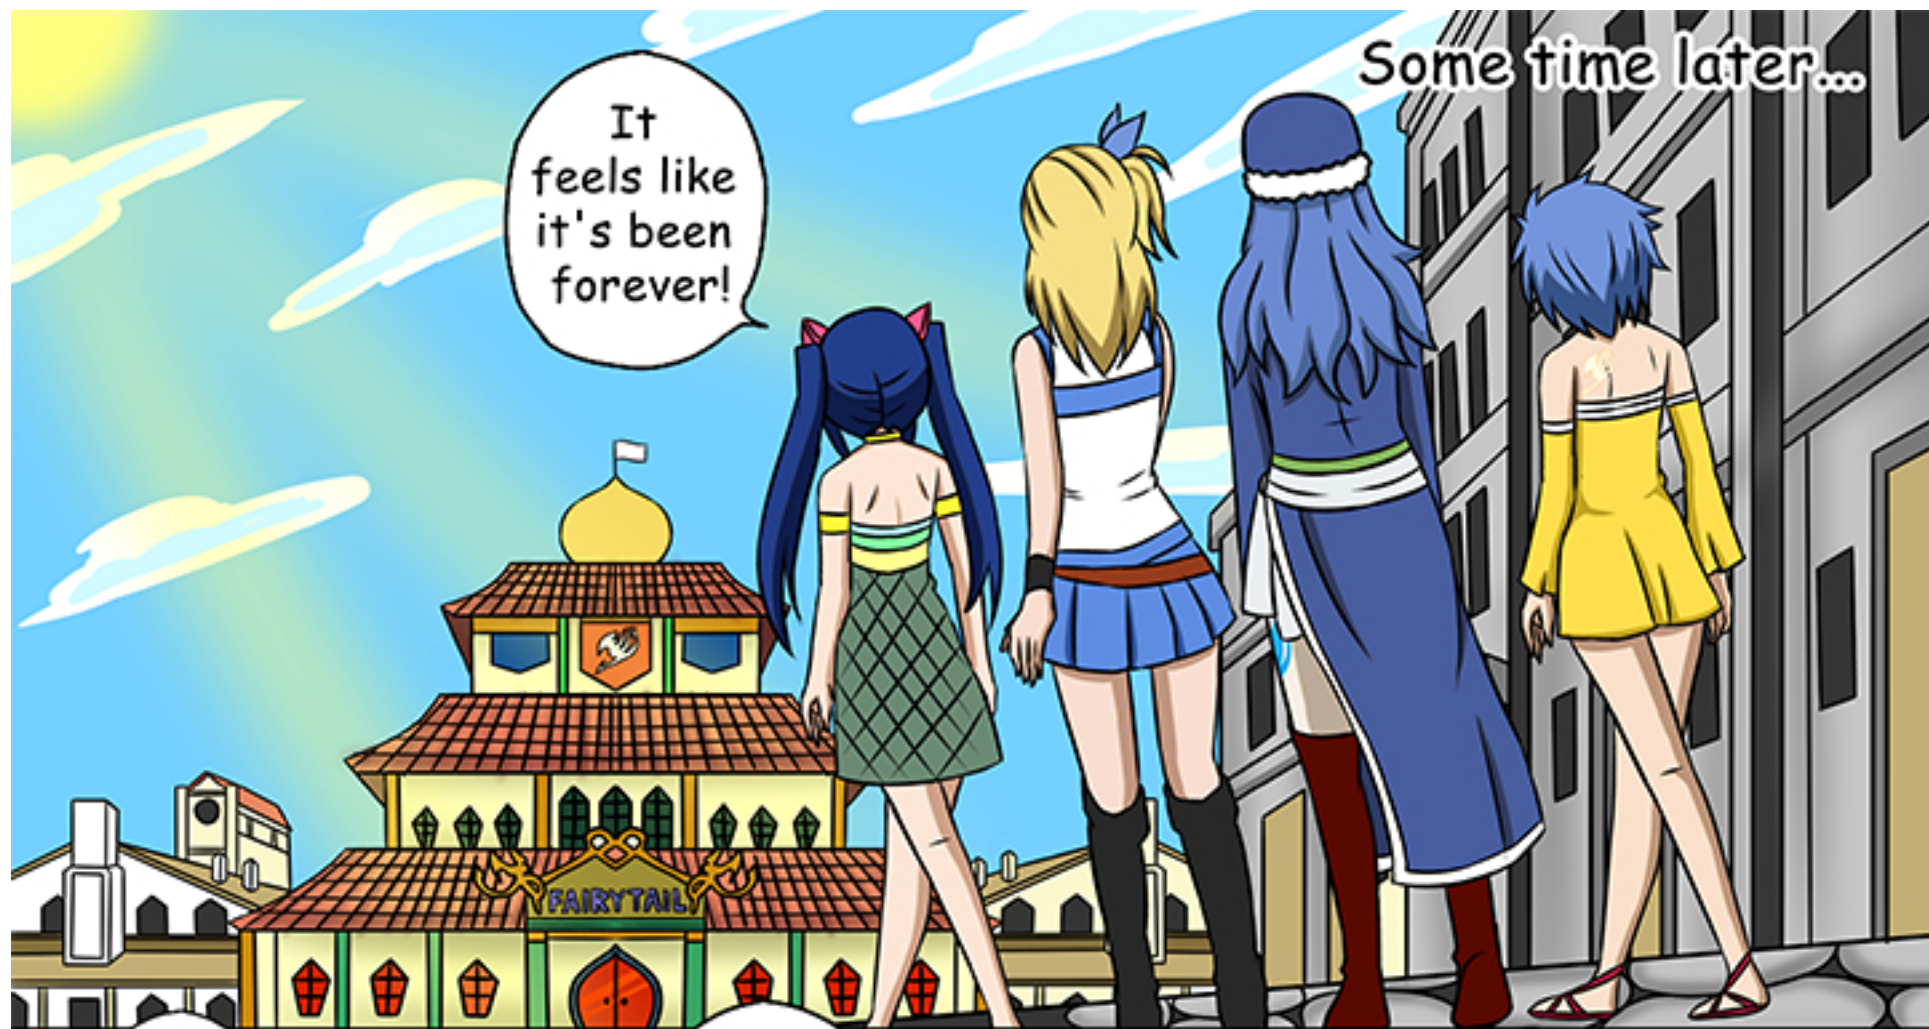

M-master...

CUMMING!

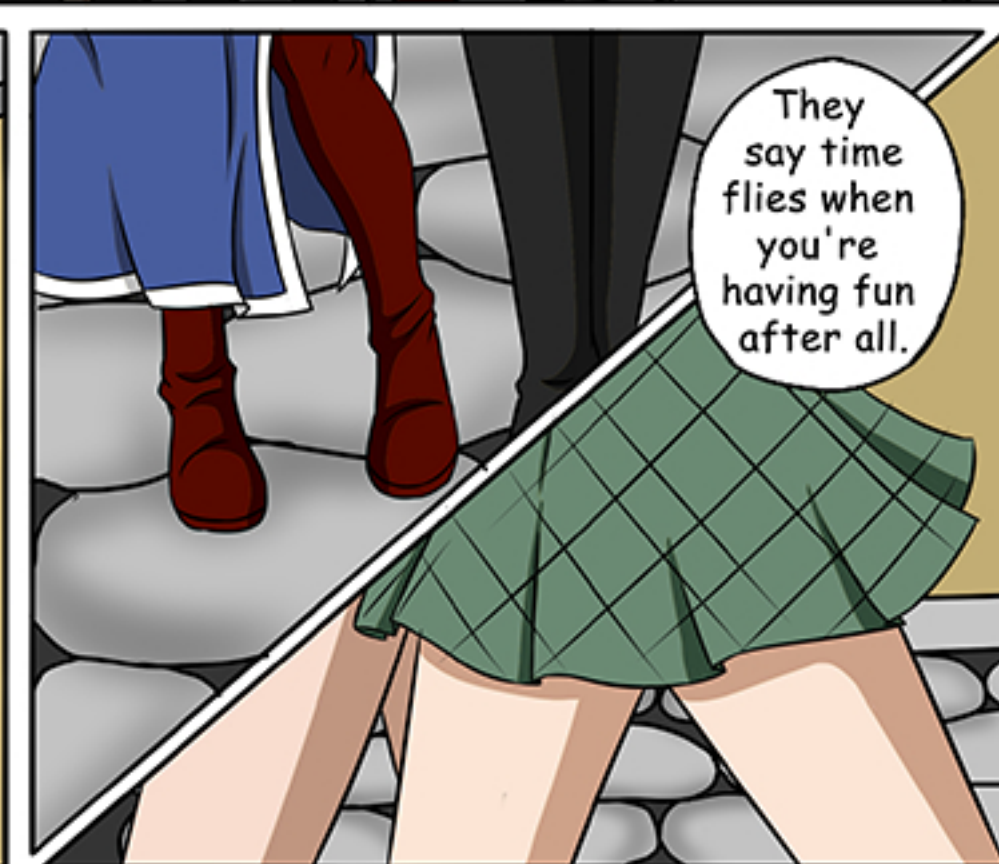

Some time later...

It feels like it's been forever!

Juvia thinks so too...

Having fun with friends always seems that way, doesn't it?

They say time flies when you're having fun after all.

We will have to find more *friends* now won't we?

To be continued...

Afterword:

It's been awhile huh? In anycase, we have the first "intermission" chapter for Fairy Hunting! Woooo~ This chapter was a bit longer than the usual, didn't expect it to turn out like this, but one thing lead to another, and before I knew it, we had already gotten 28 pages.

So for this chapter, it's a bit tricky cause Wendy is in it. There were a lot of request for her, so I decided to go ahead to test the waters with this chapter. So the sales would pretty much decide whether we have more chapters like these or not. So do consider supporting if you like it!

As always, let us know if you have any feedback or suggestions! We're pretty new to making doujins, so any feedback would be greatly appreciated!
