

We'll come back
to this conversation
next time.

Don't think about it.
You are a girl right?

Great.

Maybe she
didn't want you to
be embarrassed.

This outfit is
terribly girly.

Ymmm...
Yes, but.

But why didn't
she come in?

In any case,
you have five minutes
to get dressed.

If you don't
come out by then I'll
help you get dressed
myself.

Great and remember
you are a girl you should
wear something cute from
time to time.

It won't be
necessary.

Do I really have to put it on?

I don't think I have a choice.

But after payday, I definitely need to buy myself some men's clothes.

Fortunately, that's coming soon.

I'll just have to be careful not to spend too much because I'll be in trouble.

Moments later...

Great,
this color really
suits you.

Sorry Darling
but moments ago my
father called and said
I should go back .

Done. How
do I look?

In that case,
can we go eat
now?

Too bad, maybe
in that case I won't
buy this outfit?

Next date?

You' re probably
not talking about...
you know what.

Take it, it will be
for our next date.

Yes, and as an apology
for the fact that this one didn't
work out I have something
special planned.

Maybe. hehe

On the way back...

Hina-chan?
Did something
happen?

With Zero Two?

You said
you were going on a
date with that friend
of yours.

Sure.

disconnected

Hi aunt it's
me.

No, I'm just calling to
tell you that you don't have
to go for me, I'll be back
together with Zero Two.

It turned out a
little differently, I'll come
right away and tell you
everything.

Aunt Sora probably thinks Ichigo is my girlfriend.

Never mind, I'll try to explain it to her later.

After all, it's the guy who should pay on a date not the girl.

I told her that Ichigo is just my friend.

Much more important is what I will do with what Zero Two bought me.

I think I need to return the money to her.

Zero Two
when it comes
to money....

The rest
of what?

Oh yeah, right
I almost forgot.

You have
the rest in your
stash.

Your paycheck,
I think there's still
something left
there.

Yuri-chan gave it to me earlier and asked me to give it to you.

Of course, normally I wouldn't touch your money.

But I suspected that you wouldn't want a girl to pay for you.

If you don't like it I can give you the money back.

The worst part is that it's true.

There is no need for it.

Yes, as you said I don't want a girl to pay for me.

No, I will try to get more tips and it will be fine.

Are you sure?

And you won't have problems that you spent almost your entire paycheck.

If you are more charming you will definitely get more tips.

Some time later...

Welcome home
Hina-chan.

I thought you
were supposed to go on a
date with your friend and
not with Zero Two.

And you
come back as a girl,
what happened?

How was
your date?

Also, if I remember
correctly you left
home as a boy.

A young woman with short black hair and a pink hair clip stands in a room. She is wearing a black short-sleeved shirt, a grey and white striped tie, and a blue and white plaid skirt. She has a brown paper bag in her right hand and her left hand is on her head. The room has a wooden door behind her, a desk with papers and a green folder to her right, and a window with colorful lights to her left.

Well...
Things didn't quite
go as I planned.

Which was probably
unnecessary because later
her father called and told
her to come back.

And in the end, instead
of meeting Ichigo, I had to
go shopping with Zero
Two.

Things don't always go the way we want them to.

I just hope you didn't spend your entire paycheck on these purchases.

Finally, this Friday you have another visit to the Doctor.

Shocked
What!!!
This Friday?

Yes, I hope you didn't forget.

Fortunately, you should be paid this week.

So it shouldn't be a problem for you, right?

Yes, it's not a problem at all.

It's a gigantic problem because Zero Two spent almost all of my paycheck.

Why I didn't take that money from her!!!?

What should I do now?

But if I don't tell her about it, where will I get the money for this shot?

I can't let Aunt Sora find out that I spent my entire paycheck because she'll take my phone again.

Of course, even if you did, it wouldn't be the end of the world.

Although you have little time, so you would have to really try to raise the needed amount.

But I'm sure you won't spend your entire paycheck.

As you would, of course I would pay for you this time too.

Of course not who do you think I am?hehe

Really?

Sure, I'll call you when dinner is ready.

Of course, I know very well that Zero Two spent your entire paycheck.

After all, I told her myself to do it

If you're looking for me I'll be in my room.

Last Friday...

What does she want from me again?

After all, I haven't done anything yet today.

And because of Darling I don't even run away from school lately.

Zero Two great that you are already here.

We need to have a serious talk.

I guessed.

So what did I do this time?

After all, I haven't been running away from school lately.

Or maybe you found a way to finally kick me out without driving my father crazy?

I also say right away that the pink hair dye in the showers is not my doing.

What did you do?

shocked

Ah... never mind.

I'll deal with it later.

This time I'm not going to talk to you about your antics.

Wow, this is something new.

This means it's something serious.

shocked

Yes, more specifically, it's about Hina-chan.

Actually, it's just the opposite.

This Sunday Hina-chan has a date with her childhood friend.

What, should I not meet him?

I know, and what about it?

Should I help him?

Let me guess. his friend is in the way.

You see, I'm trying to teach Hina-chan how to be a good girl.

She can completely ruin my plans.

For that I want you to take care of her.

Hmmm...
Interesting suggestion.

Especially since
I would be most eager to
get rid of her myself.

Yes, I guess I have
no choice, after all I don't
want her to discover his
secret either.

So how will you help
me with my plans?

Great, in that
case I'll tell you what
to do.

Ah, I almost forgot.

Yuri-chan gave me Hiro-chan's payment.

Maybe since I'm here I'll give it to you and you'll pass it on to Hina-chan when you get home.

Hehe. I have a better idea.

Back to the present....

Now you have two things you can do.

The first is to ask me for money.

Which you haven't done.

Or, try to get more tips.

And that would mean you have to act more like a girl.

By the way, I also managed to solve the problem with your friend.

Now I should have her out of the way for a while.

So everything went according to plan.

The next day at school...

Saki-chan is
that you?

What happened
to your hair.

Yes, you look
a bit like Zero Two
now. Are you trying to
look like her?

Yes it's me.

Do you mean
it's pink?

You must
be joking.

Some idiot added pink hair dye to all shower shampoos.

Mad

No, it's no new fad.

That's why so many girls suddenly have pink hair.

I thought it was some new fad.

Well... I was hoping you could help me with something but I guess you're not in the mood right now.

What?

Excited

Of course I will help you. Just tell me what the problem is.

Yes, Hina-chan came to me for help instead of Zero two.

This is the chance I've been waiting for.

Er... I was hoping you could tell me how to be more you know ... Girly....

embarrassed

Really?

Sure, I'll teach you everything.

Maybe I should ask Zero two for help after all?

But then she might guess that I resent her for spending my paycheck.

Yes, of course I just want to be a little more girly.

embarrassed

What is she
up to again?

Mad

I'm not
going to let that
happen.

Is she trying to
take my Darling away
from me again?

I think it's time to
show for Darlin that
I really care about
him.

To be continued...
