Jay Gets a New Sex Toy (working title)
MARUTEN023
final draft

Jay (formerly Phonefap Guy) uses his sex toy in different positions and rhythms.

This short will be in a more simplistic style, to accommodate for more drawings and more action. It will be quite ridiculous throughout, so at first he speaks romantically to his toy, as if to swoon it, with typical dream-like romantic anime abstract backgrounds. He seems to float ethereally as he chats to it. Even as he pounds it wildly, there will be simple abstract BG's, maybe speedlines, and different positions. Around his orgasm, his cum hits several surfaces. Only about the conclusion does real gravity and real bg's occur.

Note to Pyre:

Jay can keep to the character he has in "WHY AM I FAPPING TO THIS", with some variation into his romanticness and roughness as you see fit.

I think when Jay say "Rgh rgh", you can adlib it so it's any kind of hot rough fucking noises. When he orgasms for the "aah", It can ramp up and contrast with his rough sounds, and be more of that breathtaking orgasm he has in "why am I fapping to this". I am thinking the first shot of the cum will be in slow motion, so it can be a bit longer.

Note to Neko Boy:

There will be some kind of romantic music for the first part of the animation, and something to suit rough sex in the middle. I'm not 100% sure what will go at the end for cumming and conclusion.

Jay (formerly Phonefap Guy) is fully nude with a sex toy in his hand. He is fondling it and talking to it as if it were a sex partner. The setting is romantic and dream-like.

Jay (excited anticipation)

Have you been waiting long for me, my little sex toy?

I sure have...

I've been waiting all day.

Jay slathers a large amount of lube onto the toy.

Jay (steamy)

Mmm, you're looking especially shiny tonight...

Jay's eyes sparkle as he assures his toy what good times they will have.

Jay (sweetly and softly)

Don't worry, I'll be real gentle... at first.

He initially presses softly against the toy, but regardless pounds it with all his fury, in several positions.

Jay (roughly and loudly)

Ah yeah you're a nice tight fuck aren't you! Rgh rgh!

Yeah, can you feel my girth tearing up your insides?!

Take all of my big cock!

You're made for this! Rgh! Rgh!

After a furious pounding, he goes straight into a cum shot, blasting out from the other end of the toy.

Jay (starting roughly but orgasming in a breathtaking way)

Rgh, rgh... Aaah!!

Shots of cum plaster the wall. He continues to cum and shoot for several seconds.

Jay (walla cumming 15 seconds)

Aaah... ohh...mmm

Jay pulls up the sex toy, dripping with his semen and lube. He looks at it with afterglow eyes. After a bit, he snaps out and rolls his eyes embarrassed. He drops the toy which flops on a surface.

Jay (awkward and embarrassed)

I need to get a real sex partner.
