

Let's see, prisoner 046... Ah, here for that procedure then?

Y-yeah. I really need to get out early, so...

Of course, no judgement here.

Just sit still while I administer the injection.

Mm. So, how long until I'm... Y'know.

Ohoh, faster than you would think.

You'll be granted provisional release as soon you've completed the training.

T-training?

H-HEY!  
DON'T I GET  
A SHIRT!?

# VOTE TO CONTINUE OR DROP: SERIES 02, PRISONER REFORM

Beta tier patrons have the power to vote a "series" into cancellation, to be replaced by a new series.

(Each poll will run for over a month to give time for the content to be released publicly.)

...I suppose this is better.

(Though I wish it wasn't so tight.)

Psst, hey girlie. You's a guy, right?

Going for "early release," ain't ya?

...Y-yeah.

That's hilarious!

Looks like they tricked another one!

What do you mean?

I guess  
you ain't  
heard.

They turn  
saps like you  
into hoors for  
the governor.  
That's why he  
grants the  
pardons.

You don't  
know what  
you're talking  
about.

Don't I?  
Tell me, do  
ya look like  
a regular  
gal?

Or did you  
turn out...  
Whore-ish?

Don't tell  
me you think  
they plumped  
those lips on  
accident?

*HAAHAAA*
