Date Night with Izuku Midoriya (NSFW)

(˘•••˘)♡

The audio begins with soft lounge music playing. It's a clear, cool night, and the stars hang beautifully in the sky, twinkling above the city. There's a soft knock at the door.

Oh—! (Hurried footsteps followed by the door being unlocked and opened.)

Hey you! Welcome home.

(Sound of bag being set on the floor followed by shoes being slipped off)

You're home early tonight. I'm glad. (Soft laugh) Just means more time I get to spend with you.

(Hums as the listener hugs him) You really do give the best hugs.

I know it's corny, but I do miss you when you're gone. Even when I'm busy at the agency or on patrols, you're always on my mind. But let's just forget about work tonight. Tonight, it's you and me and that dinner we've been looking forward to.

**(Hums before kissing the listener gently)**

**(softly)** Hey.. Go look on the bed in the bedroom. I uhm.... Wanted to surprise you with a little something. It's a present. For you, of course! Ah, go open it up and see what you think baby.

**(Listener walks into the bedroom to find a large box wrapped in a green satin bow sitting on the bed. The listener tugs off the bow and carefully opens the box. They move the tissue paper to reveal an elegant and beautiful evening outfit with matching lingerie, accessories, and shoes for the occasion, clearly picked with great care and thought, all custom tailored perfectly to your size.)**

I saw it while I was on patrol a few weeks back, and I just thought how amazing you would look in something like that. I couldn't help but get excited for our date tonight and thought it would be perfect.

If you don't want to wear it, please, don't feel like you have to. I never want to force you to do anything. You look amazing in everything, andd.. **(softly, sheepishly)** also nothing too. **(soft laugh)**

I just.. wanted to surprise you. You mean so much to me. You've stuck by my side this whole time.

All through UA, and even now. I just want to spoil you as much as I can. You've worked so hard, and deserve the world.

Uhm... Do...do you like it?

..

Really? **(excited)** You do? **(relieved sigh followed by a nervous laugh)** Oh, whew. I'm so relieved.. I was so worried you wouldn't like it that I got four other options.

Huh? O-oh! You wanna go and try it on? The whole outfit? Sure baby, go for it. I'll go out into the living room and wait for you on the couch, okay?

**(Door closes, followed by footsteps walking away and fading out. Izuku sighs as he sits on the couch, phone unlocking followed by button clicking. Listener only puts on the lingerie, emerging shortly after.)**

Are you done..? Okay baby I'm ready, let me see– **(soft audible gasp)**

O-oh holy shit. Wow– I was, uh, not expecting that. **(breathlessly)** I thought you were going to try on the whole outfit. Ah.. I didn't think you could look even more incredible, but there you are. **(nervous laugh as he picks up his phone)**

We've been together for so long, but no matter how much time passes, you never cease to amaze me. Damn.

Hey, c'mover here. I, ah, wanna get a better look at you. **(Pats the couch next to him. Listener walks over, moving to sit on his lap instead. Izuku gives out a soft whine)** Decided to sit on my lap instead of the couch hmm?~

**(Softly, but deeply)** You knew what you were doing, only coming out in the lingerie, huh? You're a little villain sometimes, baby. **(sound of Izuku's hands sliding up and down the listener's body)**

**(Quietly, suggestively)** It should be a crime to look this gorgeous.

**(Soft laugh as the listener kisses him. Sound of fabric being rustled as the listener situates themselves more on Izuku's lap and he wraps his arms around them.)**

**(Whines)** God.... I love having you this close. Sitting on my lap.. My arms around your waist... Just feeling you against me.. Ha...

**(The kisses deepen, becoming feverish and wanton with Izuku panting and whining in between breaths. This continues for a few moments.)**

**(groans)** Oh man. It's gonna be really hard to focus on dinner knowing you got this on underneath.. If this keeps up, we're gonna miss our reservation. **(Softly)** But.. it might be worth skipping dinner. **(Hums as the listener kisses him deeply again, sound of fabric being rustled by their rutting)**

O-oh shit.... Ah... Grinding your hips on me... God I can feel you through my pants. You're so warm. You want me that bad baby..? **(shaky sigh)** I want you..really bad too. **(Pants as they continue to rut more feverishly with passionate hungry kisses, the sound of fabric shifting as they move their hips.)**

I wanna touch you baby, I wanna taste you, I wan— **(sound of stomach growling, rutting stops and panting cuts off)** Hmmt—!?

O-oh! W-well that's a mood killer, huh? Guess I didn't realize how hungry I was... **(Nervous laughs)**

Uhm, hey, how about this, we'll pick up right where we left off when we get home tonight. If you're still feeling up to it, of course! Sound good?.. **(kinda laugh they speak)** Okay. **(Gently pats the listeners thighs, followed by sound of them getting up)**

Let's go get freshened up. I think we both need it after that. **(Sheepish laugh)** Feel free to use our bathroom to get ready, I'll use the guest room's. Meet you back out here?.. You got it baby.

**(Sound of them walking away, followed by a door closing and muffled water running that fades out. Door opens and footsteps of the listener walking into the living area. Izuku is waiting for them, dressed in a gorgeously tailored suit)**

Hey baby! **(Soft laugh)** I know. It's been a while since we got this dolled up... Hm? The suit looks good on me? **(excited laugh)** Thanks bab— wait, what? The suit would look better on the floor? Oh? **(realization)** O-Ohhh—

**(Whines softly)** Babe, you're gonna get me all hard again— **(fabric shifts as he goes half mast, groans)** Oh man.... It's gonna be difficult to control myself tonight...

Hm? Yeah come here! I'll help you zip it up. Just don't, um, mind something poking against your back, okay? **(Nervous laugh followed by footsteps as listener moves closer to him)**

Anddd there we go. **(Zipping up noise)** And one small kiss to seal the deal. **(Izuku kisses the back of the listeners neck before resuming zipping)**

Turn and face me baby. I wanna get a good look at you.

**(Sound of listener shifting as they turn around and take a step back)**

Wow.. Holy shit. You look.. **(almost breathless)** incredible. Damn, baby. You can pull off literally anything without even trying.

Hey, let's stand in the mirror together.. I kinda wanna get a quick picture of us for social media. Aaand.. Smile for me~ **(A little click, followed by a happy laugh)** We really make a good looking couple, huh? I'm the luckiest guy in the world, honestly.

Hm? The time? Oh shoot! You ready to go? Great! I don't want us to miss our dinner reservation.

**(Sound of them walking out, door closing behind them, audio fades out, then fades back into the inside of an elevator)**

Hah.. Almost home! Just an elevator ride up and I'm all yours..~ Heh.. I'm so glad you made another reservation for us before we left. Still can't believe the waiting list is another three months out! Ah.. Well worth the wait though!

Hm? **(A little sheepish)** O-Oh. You're already thinking about, uh.. **(nervously)** after dinner activities?.. Huh? No, no! It's not a bad thing! Quite the opposite, actually!

**(Softly)** If I'm being honest, I couldn't get my mind off earlier, and the looks you kept giving me at dinner. You know how to make me work for it baby. Hm? H-hey at least I was able to focus on the salad! I kept feeling that hand of yours resting on my thigh. They hadn't even served us the bread yet and I could tell you were ready to come back home. **(Laughs then pauses for a moment)**

**(Quietly)** Hey... What do you say we pick up where we left off?.. Yeah? Okay.

Kiss me.

**(Sound of listener moving close to Izuku, followed by deep kissing)**

Your leg between my thighs.. I'm glad we don't have to walk too far between the elevator and the penthouse. I don't think we'd make it. **(laughs softly which is cut off with a whine)**

Touching me through my pants.. What if someone gets on the elevator?..You'd let them watch? So bad. Maybe you really are a villain in disguise.. Keep touching me. **(more deep kissing follows intermingled with soft moans as the listener keeps touching him)**

**(Elevator dings)**

Ah. Well shit.. C'mon baby. Before our nosy neighbors see my uhm.. Tent. **(nervous laugh)**

**(walking followed by key jangle, door opens then close, sound of Izuku groaning as he's pushed up against the door with more kissing, softly pants as he catches his breath)**

Pushing me against the door.. You get so rough when you're turned on. It's..really hot.

**(Izuku's voice is close to the listener's ear, softly)** Baby.. I need you. I, like, really need you..  
The bedroom? Okay.

**(Sound of listener letting go of Izuku then them walking into the bedroom, listener turns to him)**

Come here. **(Sound of listener being pulled into an embrace. Deep kissing with a few moans sprinkled here and there)**

**(sound of clothing shuffling, being unsnapped and unbuttoned, belt being unbuckled while being kissed)**

Oh shit— You're really going for it, getting all my clothes off and—

**(whines then soft gasp as listener begins to touch him)** S-shouldn't we close the shades?..  
No? **(Breathy laugh)** You're so kinky. **(groans)** And the city does look really pretty tonight.. I-It's  
a good view.. Especially— whoo... **(breathily)** w-when I'm fucking you.  
**(soft panting with sound of slicked stroking)**

God your hand feels so good. **(whines)**

**(Softly moans)** You're going to make me cum if you keep that up. Ah.. **(panting and stroking sound continues for a few more moments)**

Baby. I-I wanna fill you up. If— If you'll let me... Please. **(sound of stroking stops, followed by a shaky sigh)**

**(excitedly)** Really? Okay.

Hey. Can I help you out of your outfit? As much as I love it on you, I think I'd love it off you too..  
Okay, c'mere cutie. **(Sound of unzipping and fabric shifting)**

Is it okay if I take you from behind?.. Okay. Here, brace yourself against the bed. Grab one of  
the pillows so you have something to bury your face in if you need it. **(Sound of Listener  
shifting to grab a pillow)**

I promise I'm gonna make you feel really good. And I'll keep an arm around you, just in case  
your legs buckle. **(Soft laugh)** Is it okay if I prep you a little too?.. Okay. Just wanted to make  
sure. Just lean on the bed, and I'll take it from here cutie. **(Sound of bed squeaking as listener  
leans over the bed)**

**(Sound of him sucking on his fingers then begins to touch the listener)**

**(soft exhale)** You're even needier than earlier. You want my cock that bad, baby?.. Okay. Just  
hang on a little longer, I just wanna make sure you feel good too.

**(Continues to touch the listener for a few moments, groaning and softly panting as he  
does it)**

You're so hot. Leaning over the bed like that, dripping all over my fingers in that lingerie... And I  
haven't even put them inside you yet. I'm never this lewd, but god. You do something to me.

**(soft groan)** I'm so lucky to call someone as gorgeous and amazing as you all mine.

**(Sharp inhale, moving hand faster against the Listener)** Ah— yeah baby, that's it.

**(Whines)** Come for me. I got you. Come all over for me.

O-oh fuck— Put my fingers inside? Okay.

**(Touching noises stop, sounds of him prepping the listener)**

**(Ragged panting as he's prepping)**

**(Fingers moving slowly at first, then speeding up)**

Y-yeah that's it baby. Fuck yourself on my fingers. God— **(whines, continues prepping for a few more moments)**

Put it in? You sure? O-okay. Lemme just— **(prepping noises stop)**

I love you, baby. In case I didn't tell you enough today. I just want you to know that.

**(Izuku kisses the listeners back before readjusting)** I'm gonna put it in now. Let me know if anything hurts, and I'll stop right away, okay?

Okay.. **(gentle thrust, followed by an exhale of breath and a whine)**

**(Begins at a gentle pace, which quickly grows faster. Bed starts to squeak as the pace picks up)**

**(Ragged panting as he continues)**

**(Shakily)** H-how you doing baby? Okay? Good, just wanna make su—

**(sharp inhale followed by a moan)** Oh fuck. Fuck, fuck fuck. I can feel you clench around me. I— Ooh.

H-huh? No, not close yet **(breathy laugh)** getting there. Haa...

No way am I gonna finish that fast, no w- **(sound of him readjusting his hold on their body)**

**(groans)** Oh baby. That's it. Roll your hips back like that. K-keep throwing it back.

**(breathy)** Whoa. Okay. Okay. You want it harder? I'll give it to you. Whatever you want.

Anything you want.

**(Picks up a more rougher pace with soft moans and panting of pleasure)**

**(Pace begins to go a bit more gentle)**

**(Breathily)** The view of the city is..ha.. Great. But I wanna see you. I-I wanna see those cute expressions you make while **(whimper)** while I fuck you.

C-Can I put you on your back?.. Yeah? Okay.

**(Sound of him pulling out with a whimper, followed by the sound of shifting bodies)**

Here baby, you can put your legs up on my shoulders. I just wanna be as close to you as possible. **(Sound of them shifting as they align their bodies together)**

Okay, I'm going to put it in again. **(Sucks in his breath as he enters. Begins at a gentle pace, picking up gradually to a rough, desperate pace)**

Baby. The lewd faces you're making. It's gonna send me over the edge. I-I don't think I'll be able to stop.

**(panting and whining with a few kissing here and there as he grows closer to climax, continuing his pace)**

You're gonna come with me? Okay baby, that's it. Come with me. Come with me, I got you– Oh god– Yeah– I'm coming. I'm coming– I'm gonna **(moans)** I'm gonna fill you up.

**(Sharp inhale then a loud whiny moan as he comes)**

**(He thrusts a few more times, riding out the orgasm, then sputters to a stop)**

**(breathing heavily, slowly, trying to catch his breath)** Oh shit.. Ah.. Ha..

Hey, I'm, ah, gonna pull out now, okay?

**(pulling out sound followed by a pause as he assesses the damage)** Oh, jeez. That was, um.. a lot. Hold on, just stay there a second, okay? Lemme grab a towel.

**(Sound of footsteps walking away, a faucet running muffled, then footsteps coming back)**

Just gonna clean you up really quick. I can't imagine it's the comfiest feeling in the world.

**(gentle wiping sound followed by the towel being dropped on the floor)** Alright, all clean.

Whew..

**(Sound Izuku flopping down onto the bed.)**

**(Soft, satisfied groan)** When I didn't think we could perfect doing..you know, *this*, I guess we always manage to surprise ourselves. **(soft laugh)**

Hey, let's scooch up on the bed a little. **(blankets shifting)** Mmm... That's a lot better, now c'mere. **(hums as the listener settles against his chest. Gives them a sweet, soft kiss or two)**

**(softly)** Tonight was..perfect. Everything about it was amazing. I wish everyday could be like today.

I love you so much, baby. You're so important to me, and see me for me. Not just as the Number One Hero. And I'll always be thankful to you for that. Every day.. I'm just thankful for you. To date, and be in love with your best friend? I couldn't imagine ever being where I'm at now.

**(soft laugh)** I know, old rambling habits die hard. But.. you never got annoyed with me about it or yelled at me for it. Even when we were in school. You just.. Listened. Maybe that was the moment I realized you meant more to me than just a friend.

**(Hums as he kisses the listener softly again)** I think I'm going to hop in the shower. You wanna come with? I'll uhm, wash you if you want. And then maybe we can watch the All Might Documentary before bed.

**(Sound of listener getting off the bed and walking away)** H-huh?! What do you mean “not again”?

Baby?? W-wait! **(Sound of him hurriedly getting off the bed, following behind)** I’m coming!  
Don’t use all the hot water without me!

**(Sound of bathroom door closing followed by sound of shower running. Muffled laugh of Izuku followed by sound of audio and music fading out.)**
