

THE FAMILY REVOLUTION STORY

Hi, my name is Andre, this is my story about big changes in my our family!

This is my younger sister, Betty.

A man in a dark grey suit, white shirt, and striped tie stands in a modern lounge. He is holding a white smartphone to his ear with his right hand and gesturing with his left hand towards a white lounge chair. The lounge has a wooden deck floor, white walls, and several white lounge chairs with black cushions. In the background, there is a bar area with a person standing behind the counter. The lighting is warm and modern, with spherical lamps and large vases.

**This is my father, Christian.
He is the boss of his company.**

**And here is my mother, Telma.
She is a fancy woman.**

**But as
you see, all of
them are busy with
their phones, always!**

Hey sis, stop playing with the phone for a minute!

Wait, my followers want more photos of me!

Mom I need to talk with you!

Wait my son, I'm ordering a new outfit!

**Dad, calm
down, please!!**

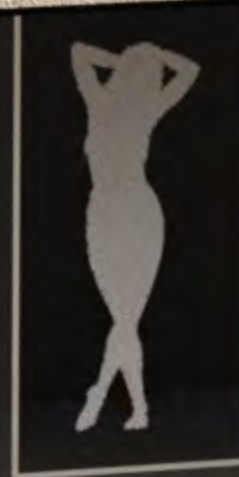

I'm coming there now!!

A man in a striped shirt and jeans is walking on a stage. The stage is lit with a spotlight, and there are decorative plants and lights around. A speech bubble is positioned above him, containing text. The background shows a pool area.

This is my family every day!! I'm getting bored of this situation!

**I wish
my family could
change and we can have a
better relationship!!**

Andre was resting and hoping for a better day the next!

A young man with dark hair, wearing a white polo shirt with light blue horizontal stripes, blue jeans, and dark blue sneakers with white laces, is sitting on the edge of a bed. The bed has a black headboard and is covered with a light grey sheet. He is looking towards the right with a thoughtful expression. The room has dark grey walls, a white floor, and a window on the right showing a view of green trees. A small white light fixture is visible on the wall to the left.

**I feel better now, I hope
everything goes well!**

Hi dad, what's up?

Everything is good my dear son.

**Hey sis, where's
your phone?**

**It's charging,
haha!**

Oh, mom is calling me!

I feel energetic!

Moments later, they arrived home, and the mom was trying to calm her son.

Don't worry my dear son, we are fine, we will go to the doctor and we'll check our health later, now go and change your clothes and get ready for swimming in the pool.

While mom was talking, Andre was thinking how much bigger his mom's boobs have grown!
