Jon recently completed his first year as a janitor for Hucow Farms. All employees are required to complete a very comprehensive annual physical. He was surprised to see Dr Mertens conducting his physical personally. She was an intimidating woman; her very presence made him feel inadequate.

Jon you haven't been taking care of yourself at all. Blood pressure and blood sugar are both high. Muscle tone pathetically weak due to low testosterone and lack of exercise.

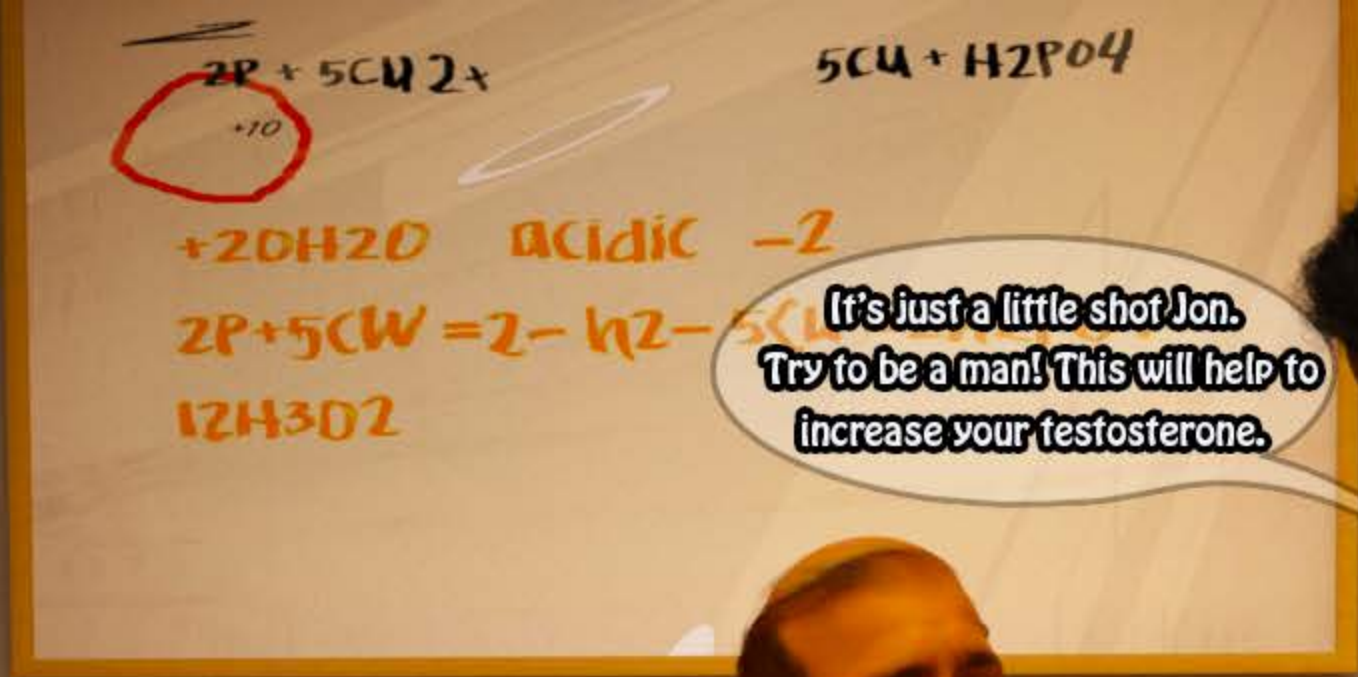

[I.Q. of 79 - "Borderline Deficiency". Yes he'll be a perfect test subject.]

[... I'm sorry Dr Mertens.]

Sorry isn't good enough Jon. If you want to keep your job you'd better get in shape.

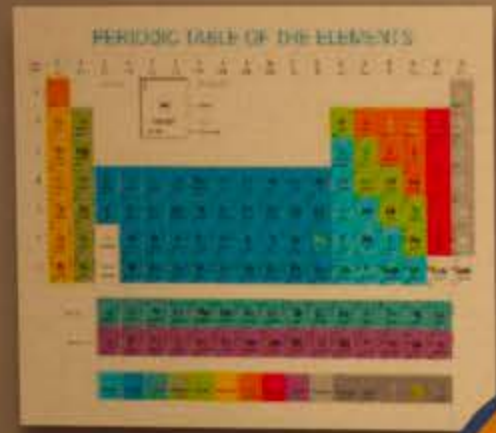

Yes... yes ma'am.

It's just a little shot Jon.
Try to be a man! This will help to
increase your testosterone.

OUCH!

Jon I will need a semen sample to complete the tests.

**Yes it does appear to be rather tiny.
We'll just have to do it manually.**

Doctor Mertens I think my penis is too small for the machine.

That didn't take long at all.
There's barely enough for a decent
sample. It will have to do.

Oh shit I can feel her
breasts pushing up against me.
Her finger in my ass feels
so good I can't...

♡ AAAHHH!!! ♡

I want you to take one pill a day and drink three of these special shakes a day. I also expect you to go to the gym everyday after work.

Yes ma'am.

AAAHHH!!!

Dr Mertens I know Petra wants this, but I think he's too big.

Do you have to call her that?

Can I at least wear my own clothes while I watch the ... breeding?

I can't keep paying to watch Dr Mertens. I'm broke. I've double mortgaged the house. I even embezzled from work. They fired me.

Don't be silly Iven. Hucow 174 is going to love his big bull cock. She'll be fine.

Your wife signed her Hucow contract. That's her new name. She's mine now!

The price for watching is 10,000 euro. Unless you have my money, you dress pretty for me. Besides that came from your closet; those are your clothes.

Hahahaha! I know! You're mine now!

♥ AAAHHH! ♥

Doctor I can't see. Can I move closer?

No! Don't disturb the breeding!

♥HGGGK!!!

♥AAAHN!!!♥

♥ Dr Mertens you were right. Look at her take his huge bull cock. It's the most beautiful sight I've ever seen. ♥

I told you! Hucow 174 was made for for that bull's cock. Look at her, she's in ecstasy.

What!

Dr Mertens you have to stop him. Petra . . .

I'm sorry. I'm sorry. HuCow 174 can't take anymore. He's cumming too much. Look at her stomach bulging.

♥AAAHHH!!!♥

♥I know look at it! He's pumping so much cum into her womb! Look at her stomach bulging out so obscenely. She's full to bursting. The excess is just flowing out. It's magnificent!♥

I'm too far away. I need to be closer.

I bet you do you dirty little Cucky.
I bet your little penis is dribbling uncontrollably in your chastity cage.

♥AAAHN!♥

♥ So much cum! There must be a gallon. She's so beautiful! ♥

♥ Good Pussy! Good Pussy! ♥

I can see you little Cucky! You just earned a spanking and more!

♥ AAAAAA!!! Good Dick! ♥

Good Boy!

Yes you are a good boy.
Now you get your reward.

Almost done. Be a big boy for mommy.

NNNGH!

001

There's so much cum! I can't believe it's still pouring out of her. I'm sure Dr Mertens would want me to clean HuCow 174 before she gets back. He really stretched her pussy out. She's so beautiful!

♥AAAHHH!!! Clean Good!♥

Yes dear don't worry.
I'll always be there to clean
you good. Just like you like
it my love, my goddess.

Good Boy!

Yes Hubull 1, you were a good boy. Dr Mertens is proud of you. I'll get you nice and clean now.

Hahahahaha!

♥Oh you naughty boy! You got me all messy. what am I going to do with you?♥

♥MMMMMM!!! Good!♥

Dr Mertens said never to have sex with the Hubull because it was dangerous. It's just a giant cock. His precum tastes so good. I'm going to enjoy this. I'd better hurry so I don't get caught.

♥He's cumming! It's so rich and thick.
I knew it was safe. Dr Mertens just wants to
make everyone pay for it. It's so good!♥

♥AAAAAA!!! Mouth Good!♥

The flow of cum quickly turned into a raging torrent. The Farm Girl tried to pull her head back, but the huge cock was stuck. The cum keep pouring into her mouth. She couldn't breath! Her stomach began to strain under the pressure.

♥AAAHHH!!!♥

Oh God! It's too much!
It's stuck! Dr Mertens!

Her vision became hazy. She could hear Dr Mertens whipping the her new Cuckold Sissy Toy in the next stall. She had to know what what was happening. Would the Doctor let her die just for breaking a rule? Her stomach hurt so bad, it felt like it would burst in any second. Cum poured out of her nose. Why didn't she listen?

Oh God I can't take any more! My stomach will burst! I'm going to die!

Did you just cum without permission?
You're an incorrigible little cuckold!

What is that stupid girl doing over
there? She better not damage my
precious hubull!

Ingrid you stupid girl, look what you've done to yourself. Filled to the brim. It looks like a two gallons of precious hubull cum wasted. You're going to pay for this the hard way. Now let's empty you out before you die.

I've been creating three different HuCow Farms stories simultaneously. I've frequently created 15 pages a week. As my day job gets busier, I can no longer maintain this level of production. As a consequence, I've decided to stop HFV3, HFV4 and HFSU2 as seperate stories. HFV5 will start a new era. All my huCow stories will be combined into a single story.
