

# GHASTLY DESIRE

It was a rainy, fall night and Victor was watching a horror movie with his Black Cat Mort.

I'm actually studying for my screenplay exam. We need to watch a scary movie every night for the whole month of October.

You know Vic, you can call me Dad sometimes! Sure I adopted you, but I grow you up since you were a toddler and I found you in that Wicker Basket in front of my house! I still remember it was the Halloween night and...

Hey Buddy, what's up? Horror movies? Again?

One of these nights you will come to sleep with me like when you were a little kid scared of the ghosts?

Nah, Blake...I'm not a kid anymore. You are the chicken here!

ok, DAD! I know the story, let me finish the movie now.

They watched the movie together.

Ok, Blake...I mean Dad! I go to sleep. Let's go, Mort!

Sure Buddy...I'm gonna stay awake a bit and smoke a joint!

Night!

Goodnight...and don't be scared of ghosts!

Ghosts don't exist! Ahahah!

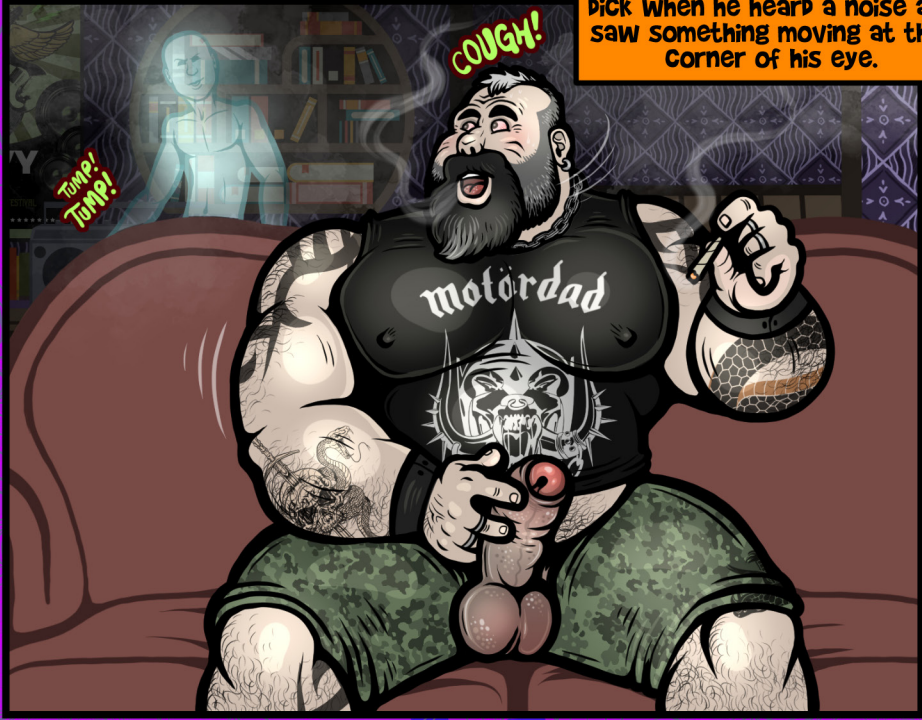

After a while Blake was smoking a joint and drinking a Beer, watching sexy girls on tv.

Mmmh yes show me those tits...

Pf!

He started playing with his Big Dick when he heard a noise and saw something moving at the corner of his eye.

COUGH!

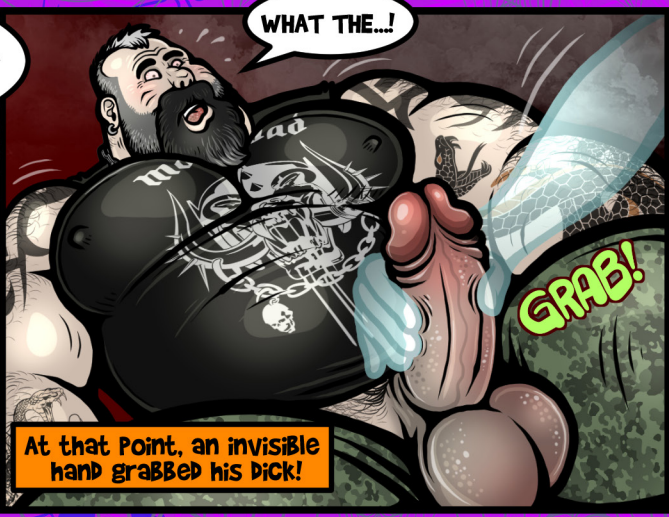

Tump! Tump!

MORT? IS THAT YOU?

I thought I heard steps...I think I smoked too much...or maybe that horror movie scared me... whatever.

WHAT THE...!

GRAB!

At that Point, an invisible hand grabbed his Dick!

He was ready to scream when something Blocked his mouth. It was another mouth.

Am I making out with a fucking ghost?

SNOOCH

The ghost started jerking him off...

Don't scream...let's have some fun!

GULP!

The voice was just a whisper, Blake was Petrified By fear and excitement. He Couldn't see the entity that was talking to him But could sense it!

Then it went down and gave him one of the Best Blowjob of his life.

Oh, my gods...yes!

UH?

The ghost started sucking his nipples...

SUCK!

SLURP!

Y-you...you wanna Play with my ass? My groupies never do it...

OH, FUCK YES! Are you a Boy-ghost or a girl-ghost?

Then an invisible force lifted his muscled legs to the air, revealing his tight hole...

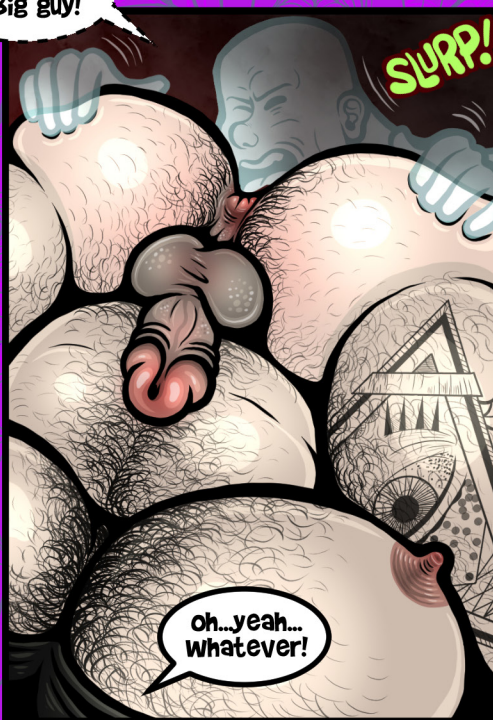

LICK!

SHLURP!

Just enjoy it, Big guy!

SLURP!

oh...yeah... whatever!

This is amazing...

SUCK!  
SUCK!

In a second, Blake was on the couch in the Doggy Position and the ghost was taking turns eating his ass and sucking his dick.

Then the ghost started tongue-fucking that Big hairy ass...

YEEAAAHHH...

What a naughty ghost you are!

...alternating his tongue with his fingers and sucking that cock.

CHOMP!  
MUNCH!  
MUNCH!

SLURP!

SHLORP!  
SLURP!

SLURP!  
MUNCH!

MUNCH! SLURP!

Seemed that the ghost couldn't have enough of that ass.

SHURP!  
SHLORP!

WOW!

YEEES!

Like it didn't eat an ass for centuries.

YEEAAAHH!

SHLORP!

SQUART!

He sat on the couch and saw his cum being swallowed by that greedy ghost.

GUP!

When Blake came, he was sure the ghost put almost the hand inside his virgin ass!

Well, ghost it was great! But now...

He Couldn't finish that the invisible Dick went Deep inside his throat! The ghost fucked his mouth fiercely.

Then he Came, covering Blake's rugged face in cum and screaming.

SHDAP!

I guess it's a Boy-ghost!

MOANI

SPURT!

YEAAH

Gii!

Wait a minute...I know your voice and I can see you a little Bit...you look like...vic?!

Blake tried to grab him, But the ghost ran away.

HEY!

Vic ran into his room, now he was almost completely visible.

So, you used your invisibility Potion to abuse your drunk Dad? And he almost Discovered you??? Marion will Be furious.

Vic and Mort faked to Be asleep...

He's my foster Dad! And Marion will never know about it.

Now Pretend to sleep...Blake is Coming!

Vic? Are you awake? He's sleeping...am I getting mad? Maybe it was just a dream...
