## Proposal from a Lover

*(Center, Normal)*

Hey, can I ask you something? Is that alright?

I want you to become my cuckold masochistic slave.

Oh, well, it's awkward to say it out of the blue, right?

I mean, I read this erotic book and I wanted to try it.

To train my boyfriend to be a cuckold masochist.

So, um... what do you think? Are you interested?

Well, it started with me secretly reading the erotic book I found at your place... I just wanted to know your preferences, and somehow, it awakened something in me.

*(Center, Close)*

Hmm, if you stay silent, I won't know your answer.

If you don't like it, just tell me clearly... Is it not suitable for real life?

*(Right, Whispering up close)*

*(Slightly teasing, with a smirk)*

Oh... you're getting aroused♥

You pretended to be uncertain, but you're actually very interested♥

Come on, be honest and embrace it, my cuckold masochist boyfriend♥

Your penis is so big and yet, do you have a reason not to accept it♥

Hmm, for now, I'll let you experience it just once... Alright♥

And then, of course, to fulfill my own sexual desires, I'll engage in plenty of cheating affairs, so look forward to it,

My cuckold masochist boyfriend"♥

## **Before Going Out**

*(Center, Normal)*

Excuse me, and hello.

I had some business, so I came to your place to say hello.

I wanted to let you know that the opportunity for cuckolding might arise today, as I mentioned before.

There's a drinking party today, and a senior who's been trying to pick me up will be there.

He's like a bad boy from a sports club, and rumors say he has several sex buddies.

Oh, of course, I've always turned down his advances before, but today I'll pretend to give in and have sex with him♥

That way, I'll become one of his sex buddies too♥

Well, it's likely that I won't be favored and it'll be a one-time thing.

*(Right, Whispering up close)*

*(Teasing the masochistic side a bit)*

Wow, did you get excited just now?

The lower part seems to have gotten bigger♥

I never knew you were such a perverted boyfriend... well, I guess it can't be helped♥

Since I'm the only one who can handle such a pervert, I'll keep your masochistic cock hard while praying that you won't truly be cuckolded.♥

I'll use a condom as promised, but in erotic manga, you know what happens to such promises, right? Hehe♥

Oh, and no more masturbation allowed.

Later, during our cuckolding report sex, I'll make you feel plenty of pleasure.

I'll probably come to your place at night... If we have fun, it might be in the morning.

Well then, I'll be going now, so look forward to it."

## **My First Cuckolding and Masochistic Training Whispered Cheating Report Sex**

*(Left, close whisper)*

Good morning.

Well, time-wise, it's more like a good afternoon.

*(Center, normal)*

Ah, you're awake.

Since there was no response, I used the spare key to enter your house and came all the way to the bedroom.

Oh, sorry for coming to your place during the day, but I was sleeping until just a moment ago after being up all night.

I apologise ♥

You look sleepy even though you slept until noon.

Oh, could it be that you didn't sleep well at night?

Oh, is that right? Hit the mark, huh♥

I was at my limit and took a little nap just now.

I'm honestly quite happy that you care about me so much ♥

Well, knowing you're a pervert, it's possible you couldn't sleep due to excitement too.

So, I accepted someone else's cock besides yours and received plenty of affection ♥

*(Right, close)*

What's wrong? Hehe, you seem so restless.

I know, I know, you're eager to hear about the naughty sex I had during the affair, you pervert ♥

Fufu, I was looking forward to it too, having sex while whispering things you're not supposed to hear.

And... oh well, what comes next will be a surprise, won't it? ♥

*(From here, teasing with a wicked and playful tone throughout)*

*(Center, close whisper)*

Wow, you're really excited, aren't you, my dear ♥

Your cock is... so hard... seems like you really get turned on by cuckolding, you pervert ♥

Alright, as usual, let's put on a condom and, haah, ah ♥

*(Imagining sex while intimately whispering the cuckold report to the protagonist, while embracing closely)*

*(Right, close whisper)*

Your cock is inside me.

So, without further ado, this cock of yours... it's quite lousy, isn't it ♥

Ah, you're suddenly moving so fast. Seriously, hehe, just one word and you got excited and intense, huh? Wow.

Well then, I'll insult you even more ♥

Until now, I could still feel something with your cock, but after being taught all night by the playboy senpai and his truly pleasurable sex and glorious penis,

my pussy's standards have completely changed ♥

Your cock doesn't feel good at all anymore, to the point where I become frustrated ♥

But, it can't be helped, right... ?

When I'm showered with affection all night by that incredibly thick, hard, and outstandingly virile playboy's cock, I'll forget all about your subpar one ♥

*(Teasing and provoking a little)*

Come on, try harder, Mr. Subpar Cock.

Even if your cock isn't big, I'll make an effort with my technique, look, look ♥

If you don't try harder, it won't be cuckolding anymore, you'll truly be the one getting cuckolded by me ♥

Come on, come on, with your pathetic hips trembling, rubbing your subpar cock against my pussy, it doesn't feel good at all ♥

At the very least, your senior's thick glans, squish, squelch, squish, squelch, reaching deep inside my pussy and making me feel so much pleasure,

being showered with love like that, forcefully trying to make me his, with an alpha male's pheromones in full swing, it's powerful and attractive sex that you can't even compare to ♥

Ah, I guess it would've been better not to involve cuckolding. I didn't expect the difference to be this big ♥

*(In a mean and teasing tone)*

It's really sad that I can't be satisfied with sex with the person I love so much, isn't it?

Well, I'll moan in a way that will excite you even more.

*(Center, close whisper)*

*(Moaning in an exaggerated and teasing manner)*

Ah, mm, ah, ah, aah, your cock feels good, I'm going to, I'm going to come ♥

Ah, it's so good, I'm going to come, your cock feels too good, it's driving me crazy ♥

I'm, ah, ah, aah, I can't hold it anymore, ah, ah, aah ♥

*(Right, close whisper)*

Ah, did you get excited by that obviously fake moaning just now? ♥

Or did you get excited because it felt like you were being ridiculed with exaggerated moaning? Hehe ♥

I'm still not feeling good at all, you know?

If you climax before I do, you'll be disqualified as a boyfriend, you pathetic masochistic subpar cock, so I won't have sex with you anymore ♥

Your beloved lover's pussy will become exclusive to the fuck buddy master ♥

Well, to be honest, I'd be happy about that, so come on, hurry up and come, subpar cock ♥

Wow, you can still hold on, huh?

Then let me tell you something special.

I had raw sex with the playboy senpai ♥

Ah, you got excited by that just now. Well then, I'll continue telling you ♥

I had him fuck me a lot, but the condom broke halfway through.

Well, I think you can figure out the rest.

I begged him to do it raw, even though it's unprotected ♥

It can't be helped, right? I had been fucked so many times that I was losing all reason, and I had already cum so many times,

that when he showed me his dick still erect, there was no way I could resist.

That's why I begged for it raw ♥

The raw pussy of mine that you've never experienced, senpai got to taste it plenty ♥

Not through a condom, but with a hot, raw cock thrusting into my pussy, being opened up with a squelch sound,

even though you're important to me, the sensation of being turned into senpai's woman was so amazing ♥

And then, you can guess what comes after being penetrated by a raw cock... You don't even need me to say it, right, darling? ♥

The final touch, the raw semen pouring into my pussy, going squish, squish, squish ♥

Imagine it, my face covered in sticky cum.

Longing for the creampie, drowning in pleasure from the depths of my heart, eagerly moving my hips...

Senpai's raw cock, making me more and more addicted, and in the end, making it clear that I'm no longer yours but senpai's woman, as I receive a generous, thick, and gooey creampie ♥

*(From here, silent whisper)*

Squish, squish, squish, squish... Dangerously, it poured abundantly into my fertile pussy, marking my eggs as well.

"I'm not your girlfriend, I am senpai's woman." That's the proof ♥

And now, my pussy has become exclusively his ♥

The only thing you can do now is to admit defeat and masochistically ejaculate, so that I can wholeheartedly become senpai's woman.

So, come on, ejaculate, you loser who's addicted to being cuckolded ♥

*(Right, close)*

Oh dear, did you come just now?

Oh dear, until a little while ago, there might have been a chance to turn back.

To be honest, if you were just a masochist who doesn't get turned on by the report of breaking a promise and having unprotected sex, I would have stopped the cuckoldry training.

Well, the only thing I lied about was that I didn't use a rubber.

Surprisingly, I haven't been asked for raw sex either.

Perhaps he's waiting until I'm completely infatuated before making any moves.

Well, it's only a matter of time before I'll allow it from the bottom of my heart. ♥

*(Right, very close whisper)*

Oh, hmm, so you can still get excited even from that just now.

It seems like your erection is responding a bit, even after ejaculating and losing excitement.

It would be nice if you're also anticipating it.

I'll train you as the lowest-level, perverted, cuckolded masochistic boyfriend, treating you as the lowest-tier male.

## **Full Chastity Belt Ejaculation Control for Intense Cuckold Masochistic Training**

*(Center, normal)*

Good evening, I've come to play today too.

It's a bit delayed due to receiving a package from online shopping.

But I absolutely had to receive it before coming to you, so here it is ♥

Look, I want you to see this.

It's a custom-made metal male chastity belt that fits you perfectly.

I'll control your ejaculation and bring you to the true state of being a cuckold masochist. Be prepared for it ♥

Also, um, I have this... a contract for being a cuckold masochistic slave. It's a normal thing, so I want to do it with you ♥

I'll read it out, so first, get naked.

*(Right, close)*

So you've undressed. Alright, listen carefully.

*(Right, very close whisper)*

*(In a gentle, firm tone)*

First, even though you're my lover, my body belongs entirely to my sex partner. So you must not try to see me naked or touch me more than you have to, understand?

That means sex, kissing, holding hands, everything initiated by you is prohibited.

And second, as a masochistic slave, you will transfer ownership of your penis, I mean, your insignificant little cock, to me as your Mistress.

There you go, I'll put on the chastity belt, so take out your little cock.

*(Left, very close whisper)*

Wow, just reading through the contract for turning you into a cuckold masochistic slave has already aroused you this much?

Even these soft breasts will be owned by my sex partner, but you're getting rock hard and proving to be an even bigger perverted masochist than I expected ♥

With this level of arousal, even if you have a small cock, it won't fit in the chastity belt, will it?

Well, let's forcefully cool it down with the cooling sheet I brought just in case... Your erection has subsided, hasn't it?

Alright then, let's put it on... Good, and now the lock goes click ♥

Phew, ah, my boyfriend's coarse little cock trapped in a chastity belt... Just looking at it gives me intense shivers of excitement ♥

While I'm being cherished by my sex buddy, you won't even be able to touch yourself and find pleasure with your lonely little cock, you know ♥

And finally, the third point, as a convenient sex toy mistress for my playboy senpai, I have the freedom to have affairs, but you, of course, are forbidden from cheating.

Well, with the chastity belt, you won't be able to have an affair or even masturbate, for that matter ♥

The only time you'll be allowed to ejaculate is when, on a whim, I unlock you after having my affair sex, that's when, you know ♥

In other words, for the rest of your life, besides being a cuckold masochist who listens to stories of how I'm adored by my sex partner, you won't be able to do anything else ♥

I'm so happy, because you are a pervert.

*(Here, in a silent whisper)*

From now on, I'll torment you thoroughly and train you to become a complete and utter cuckold masochist, completely finished as a male. So be prepared for it ♥

## **Whispering Handjob Play**

*(Center, normal)*

Hello, I came to play for a home date.

Oh, what's wrong? You have that expression on your face.

Well, lately I've been coming to play less frequently.

But you know, you being such a lonely person is cute and nice.

*(Engaging in playful and lively masochistic teasing)*

Or is it simply that you can't resist the urge to stroke your little cock?

Your gaze is fixed on the cleavage of my breasts, isn't it? ♥

Ah, more precisely, is it the key around that cleavage?

Are you so intrigued by the key to the chastity belt?

Well, I'm glad I wore clothes that reveal my cleavage, even if it's for the sake of playboy senpai.

Look, look, the key is right here... Your cock is already swollen and throbbing inside the chastity belt, it must be unbearable, right? ♥

Just yesterday, I had a fulfilling sexual encounter with senpai, so while I tell you about it, I'll give you pleasure.

Today is the day for the long-awaited release of ejaculation... It must be exciting, right? ♥

I'll handle you with this masturbator toy and give you lots of pleasure ♥

You like onaholes, don't you.

I like them too, because I can take care of your sexual needs without touching your pathetic cock or your dirty masochistic semen directly ♥

*(Center, close)*

Hehe, it's pointless to make such a pathetic face.

For the sake of senpai, I don't want your semen or your coarse little cock to get me dirty, so I won't even touch you with my mouth or hands ♥

If you're dissatisfied, I can just send you home without removing the chastity belt ♥

But really, it's even more pathetic that you can't even get direct contact from your lover and have to settle for being jerked off with an onahole ♥

Oh, is that so? Well, I guess there's no choice.

If you want to be treated with an onahole rather than having my pussy or hands touch you, then I suppose there's no choice.

Ah, if only you begged a little more, I might have given in reluctantly.

Well, I guess it can't be helped because you're a masochist ♥

Okay, let me unlock the chastity belt... click

Oh, you're trying your best to get erect, despite having a small cock.

It's still incomparable to senpai's, but that doesn't change the fact that you have a small cock ♥

Well then, let's get started with the sex with the masturbator pussy right away ♥

*(Right, very close)*

Hehe, do you find it so pleasurable to have sex with a fake pussy and make cute sounds?

With the slippery lubrication, the soft masturbator, it goes squish, squish, squelch, squelch.

It seems more pleasurable than having sex with a lover, doesn't it? ♥

Look, I'll press my breasts, which are no longer yours but belong to my sex friend, against your body.

Being jerked off with my breasts pressed against you feels good, doesn't it? ♥

Think of this onahole as a real pussy and enjoy a long-awaited jerk-off session ♥

*(In a mocking tone)*

There you go, ah, ah, aahh, your cock, the big cock of yours, is being pleased by the onahole-chan ♥

Ah, mmm, ah, aahh, onahole-chan, this, this cock, I like it, I'm going to cum, aah, aaahh ♥

There you go, there you go, having sex with onahole-chan feels good, doesn't it? ♥

By the way, today I officially became playboy senpai's onahole sex friend, too ♥

Although it was my suggestion to train you into a cuckold masochist, I was hesitant about whether we should proceed like this.

But once I experienced the pleasure of being fondled and stroked by senpai's big cock, all doubts vanished ♥

I'll squeeze his big cock with my pussy, moaning with a lustful voice that you can't even imagine,

I told him I'll become his sex friend ♥

Oh dear, my pussy has completely fallen for his cock ♥

I'll be much happier having sex with him than with my important boyfriend ♥

Well, you have your onahole-chan, so there's no problem for you, right? ♥

There you go, squelch, squelch, squelch, squish, jerk off, having sex with the onahole feels good, doesn't it? ♥

See, I'll make the onahole-chan feel good, stroke, stroke ♥

Hehe, the onahole-chan is gentle, so even with your small and ineffective cock, it seems like it would feel really good. I'm glad for you ♥

As for me, I was asked by my boyfriend which one feels better, sex with him or sex with you and your inadequate cock, and I immediately said things like,

"This one is so much better" or "I don't want to have sex with my incompetent boyfriend anymore, I want to be cherished more ?". I said some terrible things, didn't I? ♥

Well, I'm completely infatuated with him, I'm head over heels ♥

Hehe, you seem to be completely hooked on having sex with the onahole while being whispered about the gap in your level as a male ♥

It's probably reaching its limit soon, isn't it? Look, the onahole-chan is begging for a raw creampie, see ♥

You can release plenty of thick and gooey cum inside the slippery lubricated pussy ♥

My pussy is now exclusively for him, so I won't accept your little cock anymore, but this should be fine, right? ♥

*(From here, in silent whispers)*

Look, look, the onahole-chan is desperately craving your cuckold cum ♥

Come on, come on, vigorously jerk off, squish, squish, squish, squelch.

Hurry up and release it, the cum of a cuckold masochist, pump it, give the onahole-chan a creampie, quickly ♥

*(Whispering sensually for the "Zako-Osu" part)*

There you go, there you go, there you go, let it out, let it out, release it, release it, loser sperm. It's already hopeless, your loser sperm that will never reach your lover, this "Zako-male ♥"

*(Right, close.)*

Oh, did you get a lot of sperm inside?

It looks so pleasurable, doesn't it? ♥

Onahole-chan is so kind, allowing creampiees even for a cuckold masochist like yourself.

I can't handle it anymore, being inseminated by a perverted cuckold like you ♥

But I'll give you credit for being able to cum inside despite being a masochist.

Here, let me pat your head, good boy, good boy.

So, after cleaning up a bit, I'll put the chastity belt back on.

I have to properly manage this perverted little cock that gets excited by watching your girlfriend being cuckolded, you know ♥

Playing with my boyfriend's inadequate cock is fun.

I'm glad I started training you as a cuckold masochist.

Now, when should I let you ejaculate again? ♥

## **Begged to have an affair**

Good morning, I made breakfast for you.

Today, I have a menu full of energy to make you lively.

As your girlfriend living together, it's important for me to take care of you, my lover.

Besides, since we started eating the meals I specially prepared for you to boost your stamina, it has become difficult to manage your ejaculations, right? ♥

I intentionally show you things like provocative, defenseless appearances that make you aroused, glimpses of panties while taking a nap, or me in a bath towel after taking a bath. ♥

Well, I won't show you my completely naked body because it wouldn't be fair to my boyfriend. ♥

Oh, I'm grateful, you know.

Normally, I would only show my body, which is exclusively for my boyfriend, but I'm showing you just a little bit more because you're my special someone. ♥

Oh, today I have a date with my boyfriend, so make sure to stay home.

Well, we probably won't have sex today when we meet, so I won't let you ejaculate either.

Hmm, what's wrong?

Your little penis, it's at its limit? You want me to let you ejaculate?

Hmm, no, I can't allow that.

You can only ejaculate after I have cheated on you with my boyfriend. ♥

*(Saying this with a wicked smile)*

Well, if you really insist, with utmost sincerity... hmm, how about kneeling naked in front of me?

Oh, you won't hesitate and you'll do it, huh? Oh... I see.

Seeing you kneeling and bowing your head makes me want to step on it, like this, grinding, grinding.

It's fun to trample on my boyfriend's head, it seems I have more talent for sadism than I thought. ♥

*(Teasingly, in a mean tone)*

Oh, but just kneeling isn't enough, I don't know what I should do then.

What is it that you want your precious girlfriend to do to you, exactly?"

Oh, so you want me to have sex with someone else? That's really the lowest request as a man, you know? ♥

Asking your girlfriend to have sex with someone else on your knees is the lowest kind of request.

Well, even though I initiated this training, I'm honestly disgusted that you have such strong cuckold masochistic tendencies. ♥

Or maybe it's the effect of ejaculation control? Has the semen built up so much that it's affecting your sanity?

In that case, well, can I do it without contraception, raw?

I mean, I won't force you, but...

*(Smiling with a wicked and mischievous expression)*

Oh, you're willing to allow that much, huh? ♥

To let your lover have raw, creampie sex with someone else just for the sake of ejaculation.

Ejaculation control can really break a man like this, huh? ♥

Alright, if you're begging me to that extent, I guess there's no other choice, right?

I'll seduce my boyfriend with passionate temptation, and I'll give him plenty of love-filled raw sex for you. ♥

Oh, is it already that time?

Well, I don't want to be late for my date with my boyfriend, so once I finish applying makeup, I'll head out."

## **Detection**

*(overall feeling tired and languid)*

Oh, I'm back~ ♥

I'm so exhausted... Well, I had a lot of intense sessions, so I ended up coming back late... ♥

Oh, my cuckold masochist, you're still awake, huh?

I'm sorry, but I really want to rest today... Well, since I feel sorry for you, why don't I sit here with my legs wide open...♥

This way, my panties will be fully exposed, and I want you to masturbate while looking at them.

I'll just rest and play games on my phone.

If you're not satisfied, well, tough luck, but I'll save your ejaculation for another time, alright?

Hmm, well, I suppose you would naturally do that.

You're such a masochist, kneeling down and begging your lover to have sex with someone else just so you can ejaculate. ♥

I'll unlock the chastity belt for you, there you go, done.

You're free to stroke away.

Use this incredibly erotic pair of panties that my boyfriend bought for me, and the doodles from today's play that look like a hentai manga's cum-dumpster heroine, as your material ♥

Isn't it great? The symbol for the number of times we've had sex and the phrase "Boyfriend Prohibited" written by him ♥

Through today's raw sex, I once again realised that I'm completely addicted to my boyfriend's cock, like his obedient sex friend. ♥

Oh, and I didn't clean up my pussy properly after he finished, so there's semen leaking out, making my panties all messy and gooey ♥

With all of this, it should be more than enough and luxurious for you, my cuckold masochist, as your material, don't you think? ♥

Now, even just collecting the daily quests in the game... Hmm, let's see... Ah, alright.

*(Feeling happy and lovey-dovey from a message received from her boyfriend, imagining it as a messaging app)*

Oh, I just got a message from my boyfriend.

Well, I can do the daily quests later.

I aim to be a submissive woman who is obedient and replies quickly, so that I can receive lots of love from my boyfriend's cock.

Mm-hmm, I see, wow, my raw pussy is really that good? I'm so happy ♥

I'll reply something like this.

Oh, I already got a reply, he types so fast.

Oh, he took filmed us, huh? Well, there's nothing I can do, I guess. ♥

Later on, I'll have to deal with various things. Even though I've never allowed my boyfriend to take pictures, he's just terrible. ♥

*(Seeing him still masturbating and mocking him)*

Oh, you're still jerking off?

I thought you would have already climaxed since your girlfriend was too busy for a cheating session, and your ejaculation ban lasted so long.

I don't want to drag it out for too long, so here, take a look, my cuckold masochist ♥

It's a fresh photo of us cheating and having raw sex. ♥

Come on, take a look at my face, all messed up and shamelessly indulging in pleasure. ♥

With his cock, he dominates me, making me forget all about being my precious cuckold masochist. It's an amazing cock, don't you agree? ♥"

Oh, your masochistic cock-stroking is getting faster~ ♥

It's a hassle for me to bother taking care of your pathetic little dick, so from now on, can you handle your own masturbation?

Well, it's fine, right?

Well, you may not like it that I won't be able to do it for you, but your penis doesn't say so.

You're handling it faster than before, and I saw it twitching and trembling~ ♥

In that case, from now on, my cuckold masochist will only be allowed to masturbate for the rest of your life~ ♥

See, I'm telling you, my little masochist with a small dick, I won't allow anything else but doing cuckold jerk-off~ ♥

Hmm, then from now on, you're officially a masturbating cuckold masochist~ ♥

As a reward, I might give you an air handjob or a blowjob.

Just watching your pitiful state is somewhat refreshing.

Come on now, ah... ? Mm, come on, stroke, stroke.

I'm stroking my beloved senior's big cock with my hands for you~ Look, stroke, stroke~ ♥

And then, I'll lick his cock~ Mm, senior's cock tastes so good, I love it~ ♥

It's completely different from my boyfriend's small dick, slurp, slurp, slurping~ ♥

What do you think? Ahaha~ Just jerking off in the air, licking with my tongue, making sounds, and yet you're so excited~?

Moreover, I was imagining my senior's cock, not your pathetic little dick~ ♥

Well, well, you've completely become an irredeemable masochist, it's thrilling~ ♥

But, well, I'm getting tired of just watching you stroke your small dick, so I want you to ejaculate quickly.

So, let's count to 10, and you'll climax right on zero~ ♥

If you're even slightly late or early, I'll make the ejaculation ban period excruciatingly long, enough to drive you insane~ ♥

That would be unpleasant, right? ? I mean, you're already going crazy~ ♥

So, let's begin the countdown.

*(Counting faster and faster)*

10, 9, 8, 7, 6, 5, 4, 3, 2, 1, zero!

Wow, I didn't think you could climax right on cue.

Well done, my cuckold masochist~ ♥

There, there, I'll pat your head a little~ ♥

And now, put the chastity belt on yourself.

There you go, well done. I'll give you some additional pats~ ♥

Good job, you've become a splendid cuckold boyfriend. Well done, well done.

I hope you'll continue to show me your miserable self as a chastity belt slave for my cuckolding pleasure~ ♥"

## **Shopping date**

Hehe, it's been a while since our shopping date, hasn't it? ♥

I'm really looking forward to you buying me new clothes today.

Well, more precisely, it's a 'contribution' to have me unlock your chastity belt, but you know ♥

Oh my, just with those few words, am I teasing your cuckold masochist side?

In addition to cuckold masochism, have you awakened to tribute masochism as well, masochistic boyfriend?

Well, it can't be helped that you're a pervert who gets excited being forced to choose and buy clothes for both your lover and her cheating partner on a date.

Heh, well, it's like the culmination of our training, so it makes me happy.

Alright, I'll choose the clothes and bring them.

Something with a lot of exposure, the kind of outfit that looks like it's worn by a sexy girl, you know, the typical extroverted style.

*(Showing genuine excitement and anticipation)*

After our date, I want to have real bareback sex with him on my fertile days, without any contraceptive measures, so I can receive his excellent semen directly into my eggs.

I want to dress appropriately for that~ ♥

Well, you could say it's all about embracing my inner maiden's heart~ ♥

Oh, as I mentioned before our date today, I want you to watch that scene closely. So, look forward to it ♥

He even said he's excited because it will be the first time he impregnates a woman in front of her boyfriend.

Of course, he will also be mocking you, my hopeless cuckold masochist, but that's inevitable, right? ♥

Watching your own lover being impregnated by a more capable man while stroking your loser sperm out, it must feel incredibly pleasurable~ ♥

Hmm, that's good to hear. It seems just the thought of it is making your chastity belt-bound loser cock ache uncontrollably.

It seems like you've truly fallen into the realm of being a cuck who gets excited by cuckolding himself at the level of being parasitized.. That's good to know.

So, for this momentous day when I accept his seed, I want you to think carefully and choose the outfit. It will surely become a cherished memory~ ♥

## **Betrayal... Getting Impregnated on my Fertile Days by the Other Man in Front of You**

*(On the street)*

Hey, there you are! Sorry, sorry, I'm an hour late because I was busy with my boyfriend's date.

Oh, Senpai, this here is my boyfriend, the cuckold masochist boy.

Compared to you, Senpai, he clearly feels inferior as a man, don't you think? ♥

But well, even like this, he's my beloved boyfriend ♥

My pussy is completely enchanted by Senpai's dick ♥

By the way, I've been making him take care of his sexual needs with his own hands, while telling him about the lovey-dovey sex I have with Senpai ♥

Alright, let's head into the hotel, like a lovey-dovey couple, arm in arm... ♥

Oh, hyaah, ah, ah, ahn, if my butt gets touched like this, it's so embarrassing, you know ♥

But I'm excited and thrilled~ ♥

Mmm, ah, even kissing in a place like this... I love it, Senpai... Mmm, slurp, the kiss feels so good ♥

Oh, by the way, today he also chose my outfit, like these shorts that show my belly button and cleavage, making me look like a slut.

When I asked him to choose the clothes for the date with Senpai, he bought them while getting excited inside his chastity belt for his tiny cock ♥

It's amazing, right? I never thought he would become such a perverted masochist ♥

Oh, you there, are you properly staying one step behind and following us?

Don't lose sight of us.

Senpai, it seems the masochist is following us properly.

I'm so happy and excited to be impregnated by Senpai in front of my boyfriend, it makes me shiver ♥

Today, I want you to love me, violate me, and drive me crazy even more than usual  
♥

*(In the hotel)*

Phew, we've arrived in the room, Senpai.

Well, it's a familiar room that I've been to with Senpai many times ♥

Alright, cuckold masochist, quickly take off your clothes.

I'll join Senpai in the shower to wash our bodies together ♥

Hyaah, ah, no, Senpai, not here.

If you do it here, I won't be able to receive your thickest cum, you know ♥

Ah, mmm, ah, aahh ?

No, no, ahh, don't touch my pussy with your hand, ahh, mmm, ah, aahh ♥

Haa, haa... I've been made to come by Senpai again... ♥

Phew, I've finished washing my body.

Oh, what's the matter? Why are you squirming like that?

Is it because your cuckold masochist cock, trapped in the chastity belt, is aching and yearning? ♥

Come on, here it is, the key to the chastity belt, if you beg like a little doggy, I'll give it to you.

*(Having a laughing tone because it's too masochistic)*

Ahaha, you're really going all out, huh? ♥

Doing a penis pose in front of the man who stole your own girlfriend, I... Oops, I accidentally said it ♥

*(In an unapologetic apology-like manner)*

Actually, even before the initial cuckold play, I was already head over heels for Senpai's dick ♥

I got drunk at a drinking party and ended up going home with him by accident, and from there, I became completely captivated by him, my boyfriend, you know ♥

But I also liked you, so I was wondering what to do. Then, when I saw you had a cuckold erotica book, I realised you had the potential to be a cuckold masochist, so I trained you as one ♥

It was originally an excuse to openly have sex with Senpai, but it was truly unexpected how deeply you fell into it ♥

It even became a topic of conversation with Senpai. You truly are the best boyfriend, kun ♥

So... I'll ask one more time.

Do you want to miserably masturbate while watching me get impregnated by Senpai's sperm?

Oh, you want to jerk off, huh? Well, I guess that's how it is ♥

But I'm curious, even though you knew from the beginning that you were being cuckolded, are you actually happy about it?

Controlling your cock with a chastity belt and teaching you the pleasure of being cuckolded to the fullest extent... It's amazing how you've become so broken, it's incredible ♥

As a reward for being the ultimate cuckold masochist, I'll release the chastity belt with a click.

Well, then... I'm going to enjoy risky, lovey-dovey, bareback sex with Senpai, filling my fertile days with his seed.

Cuckold masochist-kun, as long as you don't interfere with us, feel free to rub your special masturbatory cock and get pleasure on your own.

Haah, Senpai, now that the cuckold masochist-kun is alright, please pour your seed into my pussy to your heart's content ♥

Ah, Senpai's dick... It's amazing, just the scent alone makes my mind go blank, it's so manly, hard, and hot... It's big ♥

Well then, I'll kiss your dick as usual, mmm, smooch ♥

Today, more than ever, I want you to dote on me ♥

Ah, ah, Senpai, if you hold me tight like that and slurp, slurp, play with my pussy, I'll become even more helpless, ah, ah, ah, oh, ah, ahh, yes ♥

Good... Senpai's dick... yes... I like it... right there... always... It feels so good... unlike that mediocre guy's... he touches me where it feels good... at least... yes, ah, ohh ♥

Oh, you want me to do the usual thing? Today, my boyfriend is also here, masturbating on the side, you know ♥

I... I understand. If anything, that's why I want to do it even more, you know ♥

Of course, I'll gladly do it. Ah, yes, it's good... This feels even better... so much better... than having sex with my boyfriend... oh, ah, ohh, yes, there... it feels so good ♥

Compared to Senpai's, my boyfriend's... well, that thing's sex is not pleasurable at all... it's fake sex, you know ♥

His is small, unsatisfying, and he prematurely ejaculates before I can feel good. It's a worthless, incompetent little dick ♥

He should spend his life just jerking off with that mediocre thing ♥

Yes, yes, I love it... I love saying bad things about my boyfriend while engaging in cheating sex. My mind gets all tingly... ah, ah ♥

I love it... I love Senpai's dick... I love it so much... Let's kiss more... slurp... It feels so good to be fucked while being kissed ♥

There's no way I could have this kind of experience with that guy... I'm becoming a sloppy, messy slut ♥

My pussy completely forgets about that guy and obediently serves Senpai's dick... ah, slurp ♥

Having an affair and having intense sex with Senpai... It's good... I like it... I want to be used as Senpai's sexual outlet forever ♥

Dump your thick, sticky semen into my fertile pussy, make it the seed for the baby that used to belong to him, and cover everything about me with your cum ♥

As for responsibility, I'll leave it all to him, that masochistic guy. Please, I beg you, impregnate me with your semen, make me pregnant... I want it so badly ♥

Senpai, impregnating a woman just for the sake of pleasure, please fill me up with as many creampie as you want ♥

Ah, the dick... trembling... as Senpai irresponsibly tries to impregnate me... the dick is trembling... ah, it feels good... I'm about to... ah, soon... I'll be impregnated by Senpai's semen... ahh ♥

No, just the thought of being impregnated with Senpai's baby... it feels so... good... ah, yes... so good... ah ♥

Ahh, Senpai's dick is throbbing, Senpai's semen is filling my eggs... ah, it's filling me up... oh, ah, ahhhh ♥

Hehe... I came... Senpai ?

Senpai's semen has been firmly embedded in my eggs... hehe ♥

With this, I am completely Senpai's woman... ♥

From now on, please use my pussy to your heart's content ♥

*(With a sense of disdain and mocking)*

Oh, you cuckolded masochist, are you still jerking off your little dick?

Even after spraying that pathetic semen everywhere, you still find it unsatisfying?  
How amusing ♥

If you're still so energetic, I want you to clean up my pussy's mess.

Look, lie down over there.

Now, I'll sit on the masochist's face... there you go, Maso-kun, lick my pussy and clean it up ♥

*(Teaching him the stark difference between being a masochist and being with Senpai)*

How about it? The semen that impregnated me ♥

This semen has been forcefully injected as the foundation for my baby, and every trace of your mediocre dick and pathetic semen has disappeared ♥

Wow, you're so thrilled that you can't stop jerking off, being a cuckold.

I'm happy that you're putting so much effort into cleaning up.

Are you enjoying feeling your girlfriend's pussy after a long time?

Your dick may be trash, but as a semen vacuum, you're quite exceptional ♥

Now, hurry up and finish.

Once Senpai catches his breath, I'll have him fuck me again, so come on, quickly ♥

Oh, oh, you're coming again, huh?

You're even more vigorous than when we used to have regular sex.

Well, my pussy has become cleaner, so I'll give you a special treat.

I want you to close your eyes ♥

There you go, I've put your chastity belt back on.

Now it's just me and Senpai enjoying ourselves, so I want the masochist to go home quickly.

Alright, Senpai. I've sent the masochist away, so now it's just the two of us, ready to enjoy more lovey-dovey sex ♥

## **Epilogue**

*(Center, normal)*

Welcome back, and good job. You seem quite tired.

Well, there's a lot to do when it comes to marriage, you know ♥

But, well, please do your best for the sake of our baby in the womb ♥

Look, you can see it. My belly has grown so much, it's what they call a baby bump, a pregnant belly ♥

It's exciting to think that a healthy baby will be born, isn't it ♥

Well, not yours, but my boyfriend's.

*(Right, close by)*

Hmm? Do you want to rub your dick against this belly like before?

*(In a gentle tone)*

Well, I guess it can't be helped.

I really don't like the idea of letting a mediocre dick masochist touch it, but it seems like you've been trying hard lately,

so since we had a good time having cuckold sex with Senpai today, I guess it's okay to reward you, you know ♥

Alright, let me take off the chastity belt... There you go, let's start with the masochistic masturbation while rubbing your cuckolded dick against this pregnant belly that's being used for egg donation ♥

*(Right, whispering very close)*

How about it? This swollen belly is proof that everything has been taken by Senpai, and then there's the bonus belly button piercing and a small heart-shaped tattoo near the uterus as a mark of being his bitch.

As a perverted cuckold masochist's material, it's the best, isn't it ♥

Oh, today I acted like a cheating sex toy wife after a long time and invited Senpai to the house. We did a lot in our bedroom as a couple.

We didn't do it with my pussy, of course, but I pleased him a lot with my hands and mouth ♥

Nevertheless, rubbing your rock-hard dick against my belly like that, it's so pitiful and masochistic that it's incredibly delightful ♥

Look, look, how is it? Masturbating with your pathetic, cuckolded, swollen belly after being used for egg donation, rubbing your inadequate dick against it ♥

It's the epitome of misery and pleasure, isn't it, you pervert ♥

Rubbing your inadequate dick against this swollen belly feels so good that you can't stop, right ♥

You can't help but realise that I've been cuckolded and impregnated by another man, right ♥

See, my womb has completely become the property of another man, there's no place for you anymore ♥

Your pathetic masochistic sperm can no longer impregnate a woman like this, it can only be futilely wasted outside with a futile spurting sound.

That's how miserable and incredibly pleasurable it is, isn't it ♥

There you go, you're about to cum. If you can't cum at zero, no ejaculation for a while.

3, 2, 1, 0

*(In a mean tone)*

Oh, being covered in wasted cum that ended up outside the belly after being used for egg donation... It feels quite... good, doesn't it ♥

It's like a contrast between your futilely wasted cum and the Senpai's cum that captivated my womb and impregnated me ♥

*(Right, close by)*

Nevertheless, even though it's to cum at zero, rubbing so vigorously against my belly like that, it really puts me in a delightful mood ♥

You've completely become a genuine cuckold masochist with your brain utterly broken ♥

Well, I'll take responsibility for training you to become like this, so as the owner of a pitiful cuckold masochistic husband, I'll always be by your side, so you can relax ♥
