That was a nice
time I ever had.

These creatures called "human".. they have a high nutrition body.

"Which mean, I should take over that one as well and evolve."

Gulp

Uhm!? What is this!!??

"Oh? Could you
move me close to
your friend, hm?"

M-My body.. I
barely control it..

"Simply, I have parasited inside you, and my root still connect to the nerves."

A 3D rendered scene. On the left, a woman with short brown hair and a surprised expression is shown from the chest up. She has large breasts and is looking towards the right. In the foreground, a large, smooth, light-skinned surface, possibly a hand or a piece of skin, is visible. On the right, a character with long, dark, flowing hair is partially visible, looking towards the woman. The background is dark with some purple and blue lighting effects.

I won't.. let
you.. take.. Airi..

"Then go ahead.
Try and resist me."

"Thank you. This is the stop."

"A new nutrition

"Although they

"..It could keep me and my new born alive."

A 3D rendered female character with short brown hair and closed eyes. She is unclothed. Three red, segmented, worm-like creatures are attached to her body: one on her chest between her breasts, one on her lower abdomen, and one on her right hip. The background is dark with vertical purple lines. A white speech bubble is in the upper right.

"Human.. has a planet called 'Earth'.."

And that will be my
new home.

"Yes.. Keep it up!
I have enough to
produce more!"

"A new ability
and can parasite
more host!"

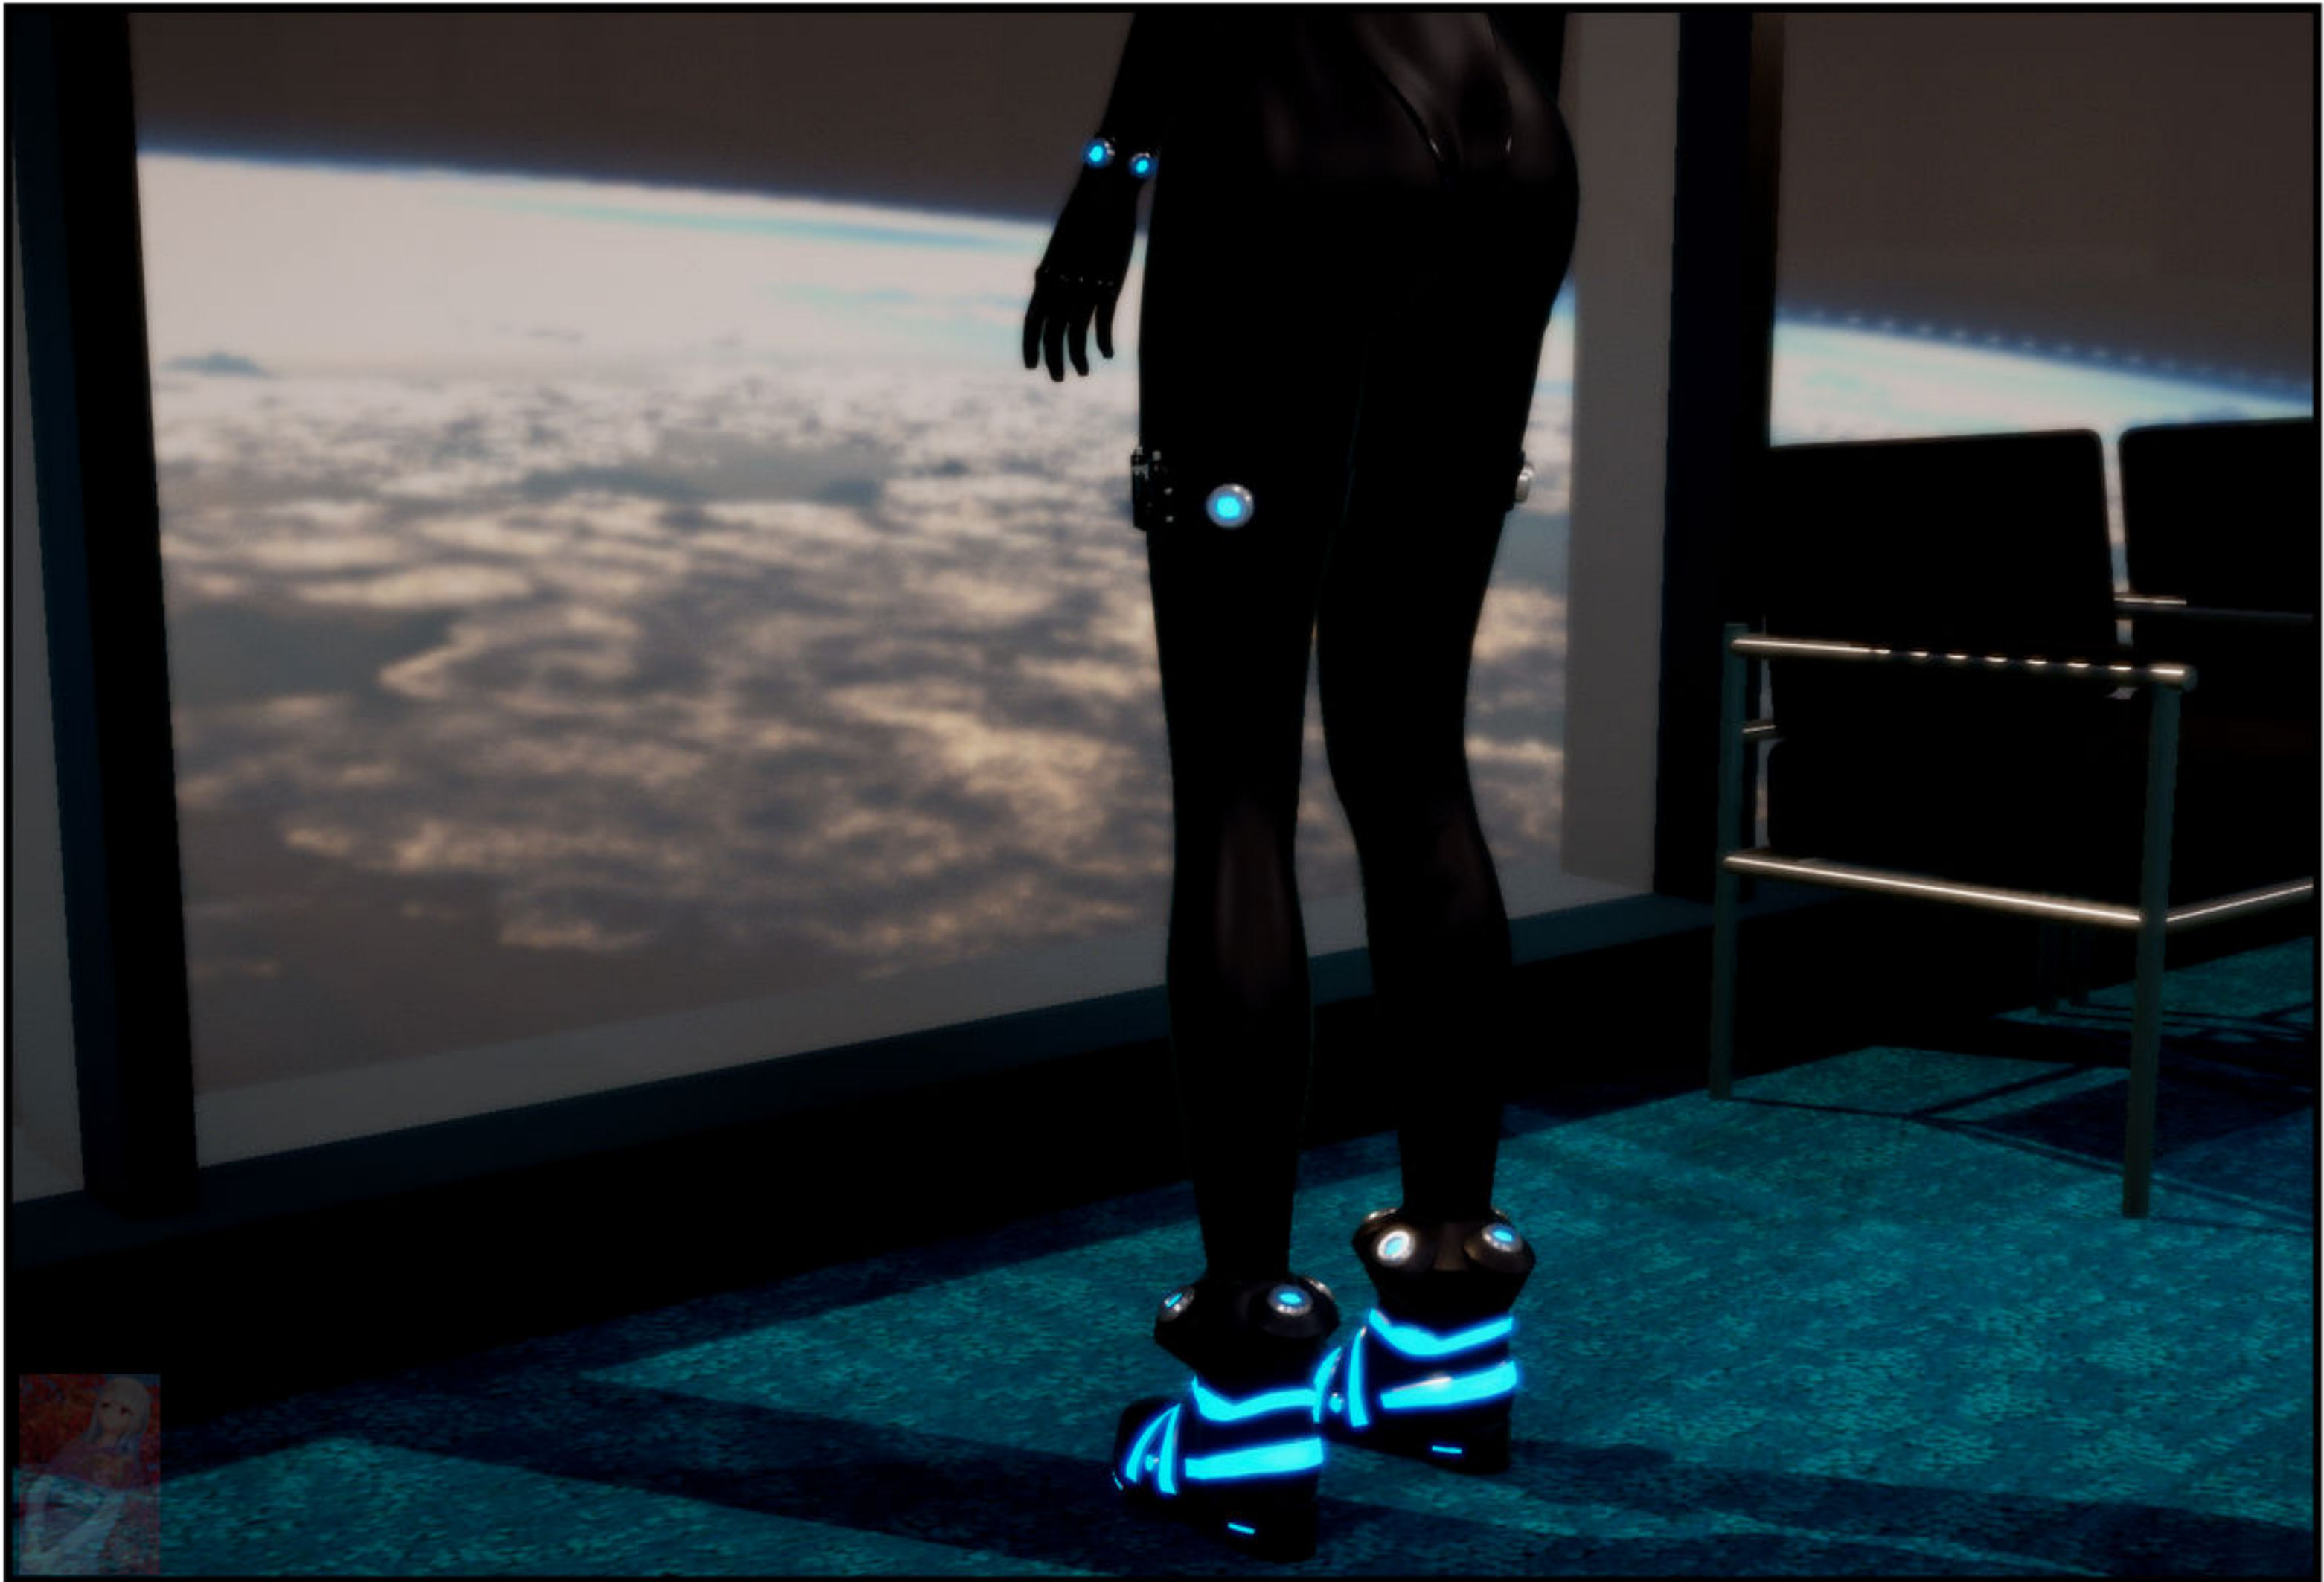

"Now then.. to operate this ship.."

I will need Captain Mizuki's body and mind.

"Maybe.. I must
tell Airi and Kaori
about this."

W-What was that!?

A female character with short black hair and blue eyes, wearing a black tactical suit with glowing blue lights on the collar and shoulder. She is leaning forward, looking intently at a screen. The background is a blue-tinted room with a window showing a sunset or sunrise.

"This is Alpha! We found the ASR near the Earth, I repeat!"

It's from.. the communicator..

H-hey..

"Send a team and
check for survivor, over."

"Captain? There's a survivor! Send a team with medic!!"

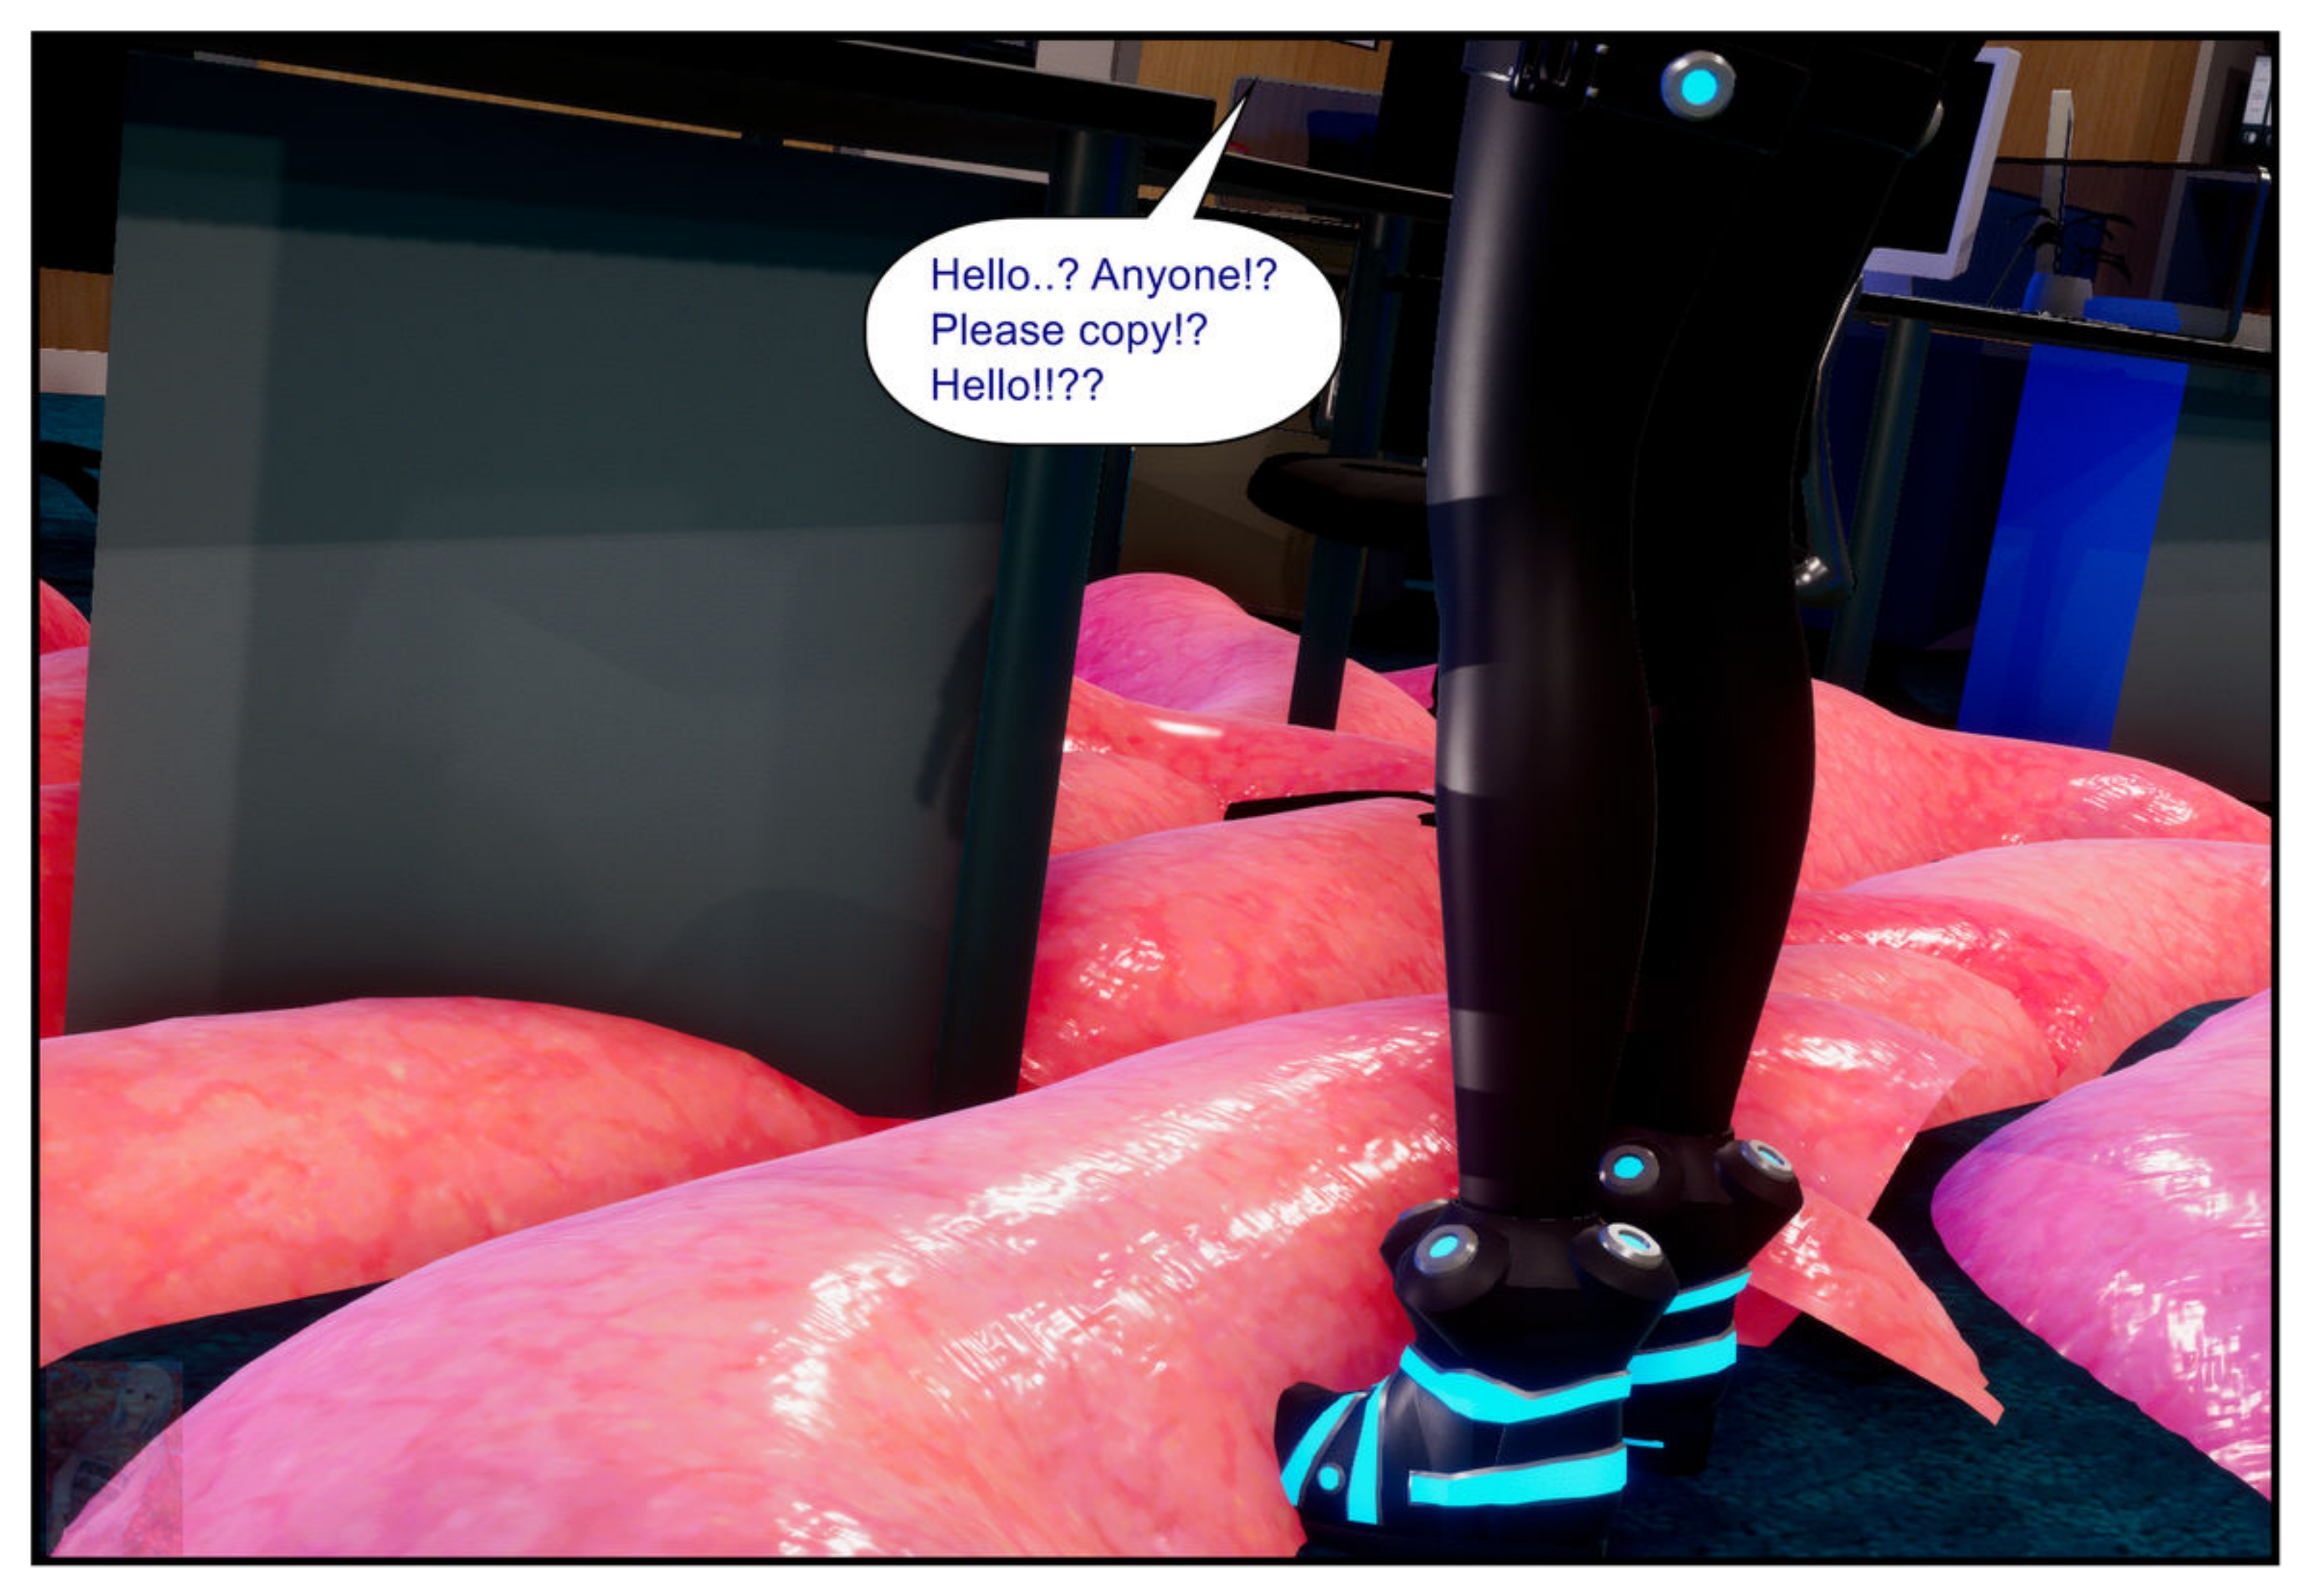

This is Captain Mizuki from the ASR! Can anyone hear me!?

"Don't worry, ma'am.
We will get you home
soon! Can you.. repeat?"

Yes! I can hear
you loud and clear!
Beside me, there
are two more..

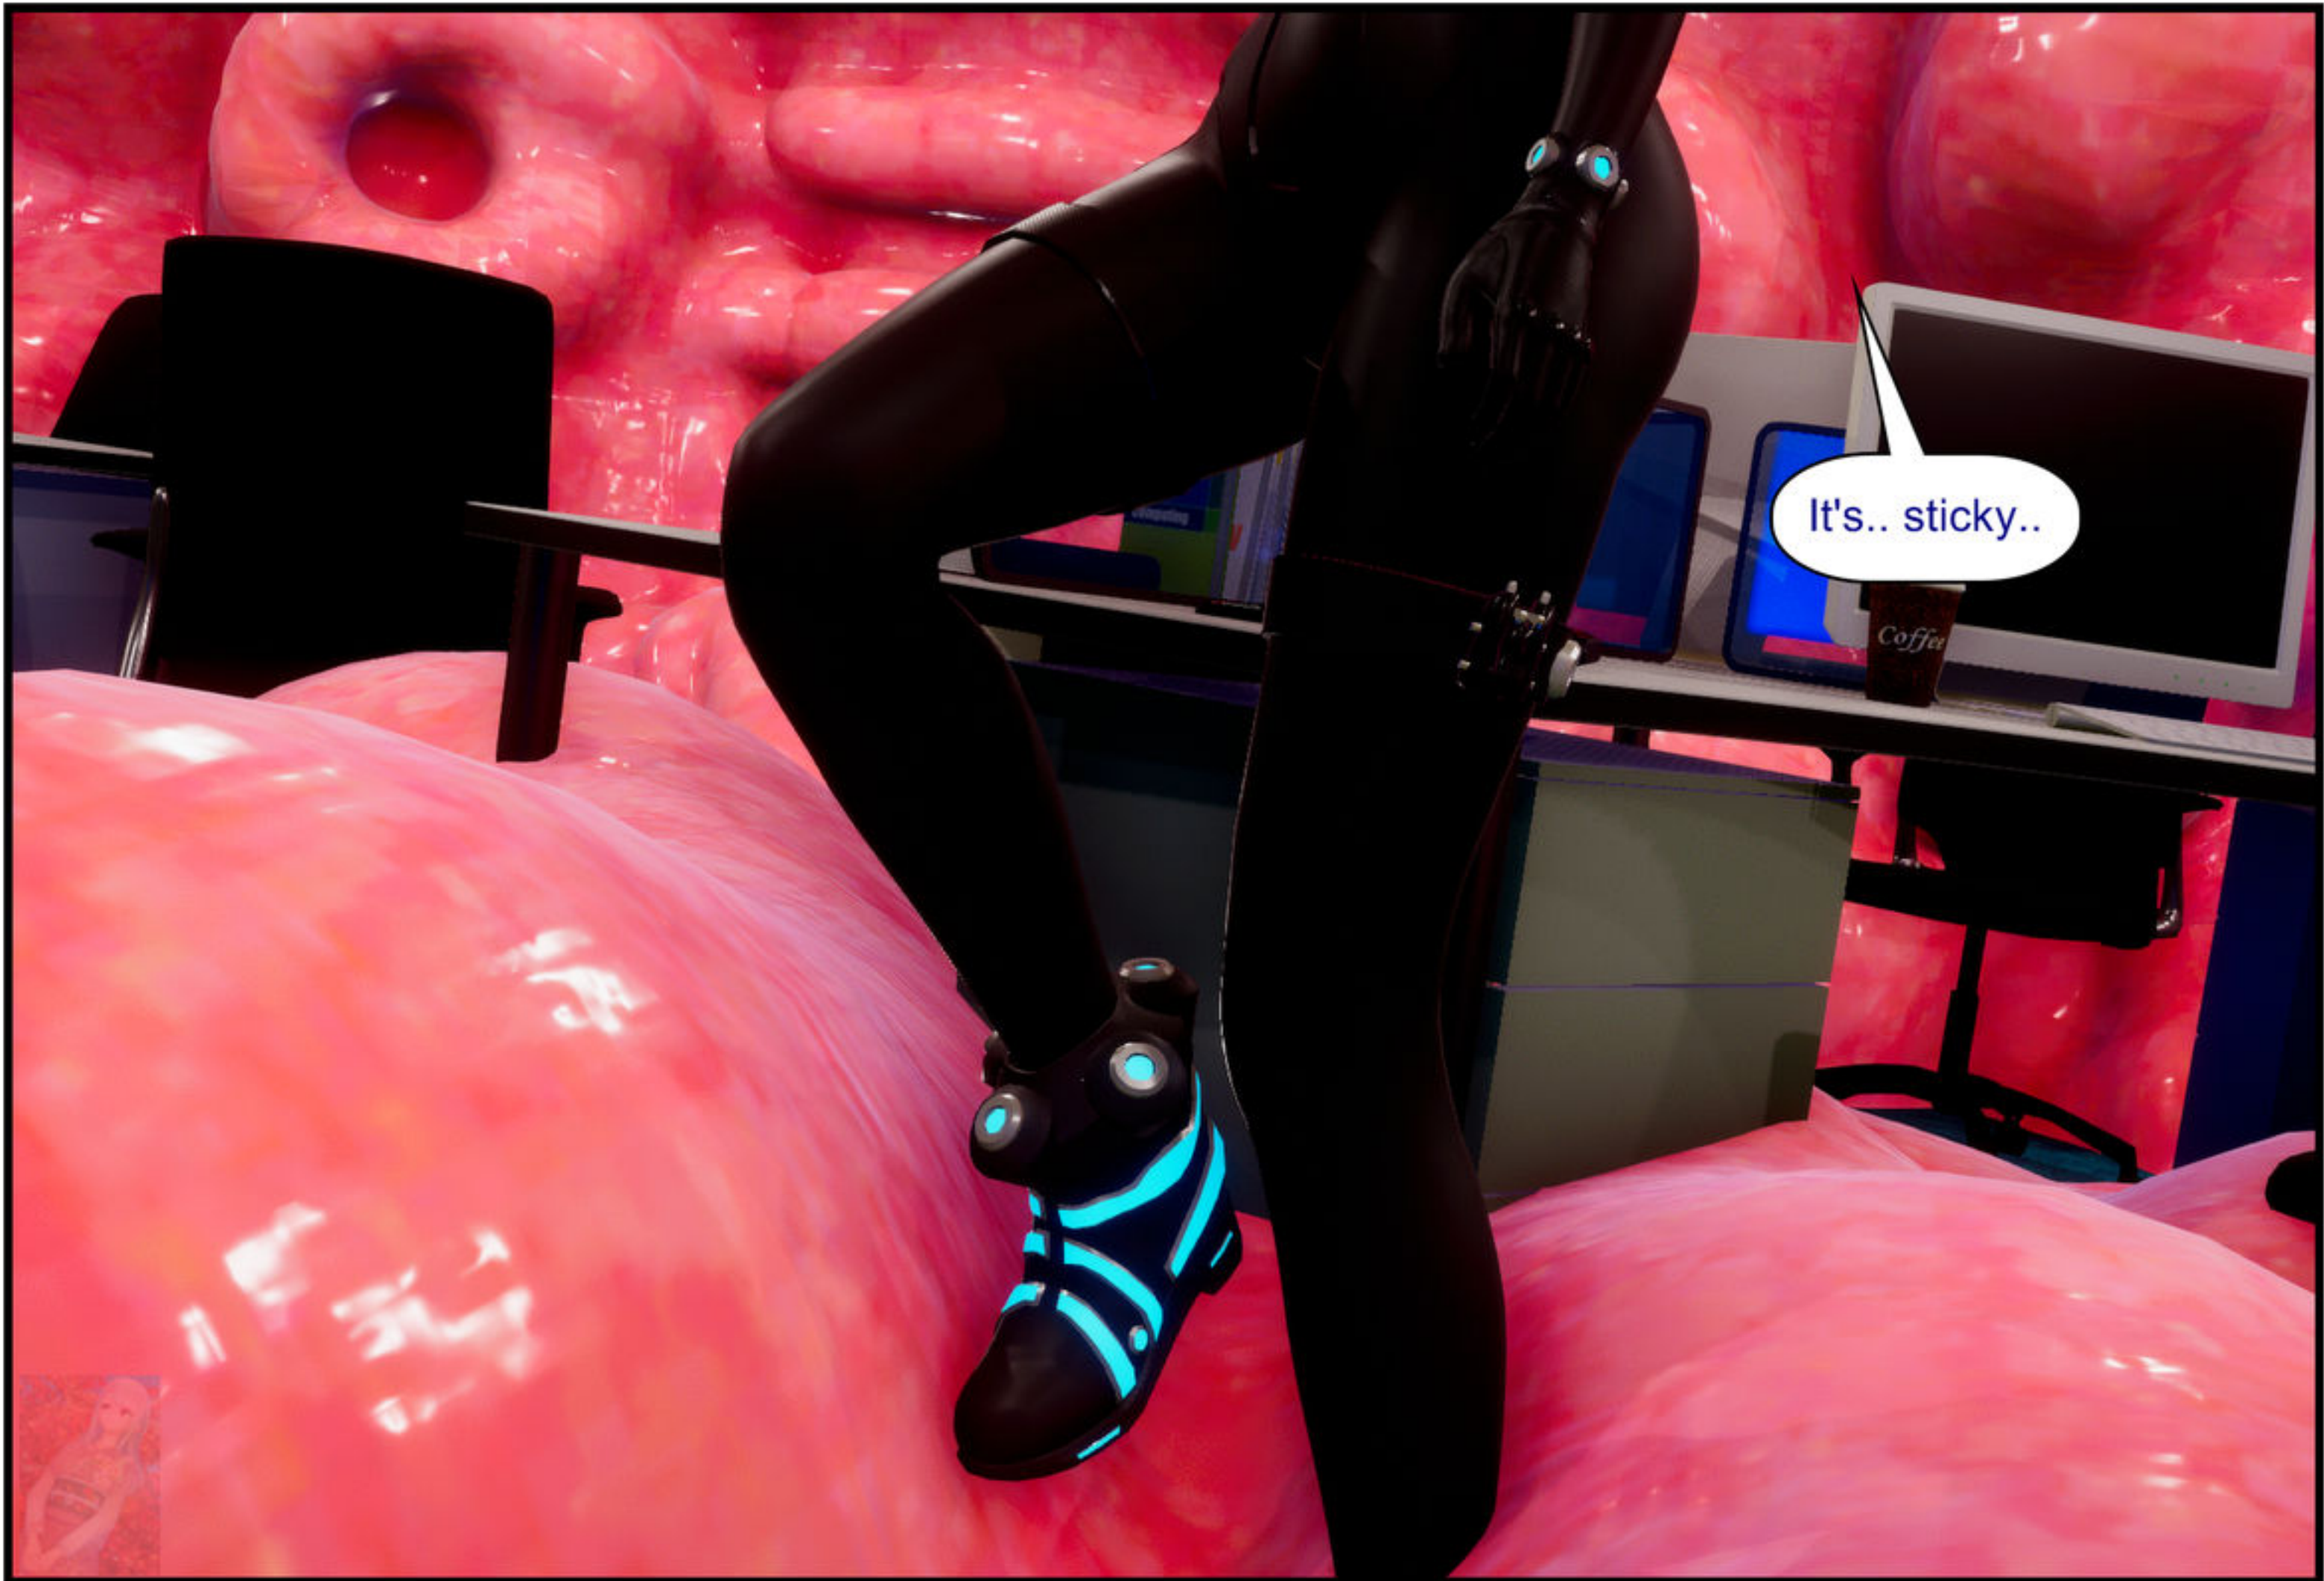

Hello..? Anyone!?
Please copy!?
Hello!!??

A female android with dark hair and blue eyes, wearing a black, form-fitting suit with glowing blue circular accents. She stands in a room with large, pink, organic-looking structures. A speech bubble is positioned above her head.

The signal
lost.. W-what
are these..?

It's.. sticky..

"Captain.. We
need you.. operate
the ship.."

That was..
Airi's voice?

"Please.. Captain..
Save us.."

"We are dying..
please.. save.."

"T-These
voices.. around
my head.."

"Help me..
I'm stuck.."

"Take us to
the Earth, Captain."

Yes.. Mother..

Ugh!! What am I even saying!?

"Something is happening on the ship! I must find Airi and Kaori!"

"Tch.. My mind control didn't strong enough."

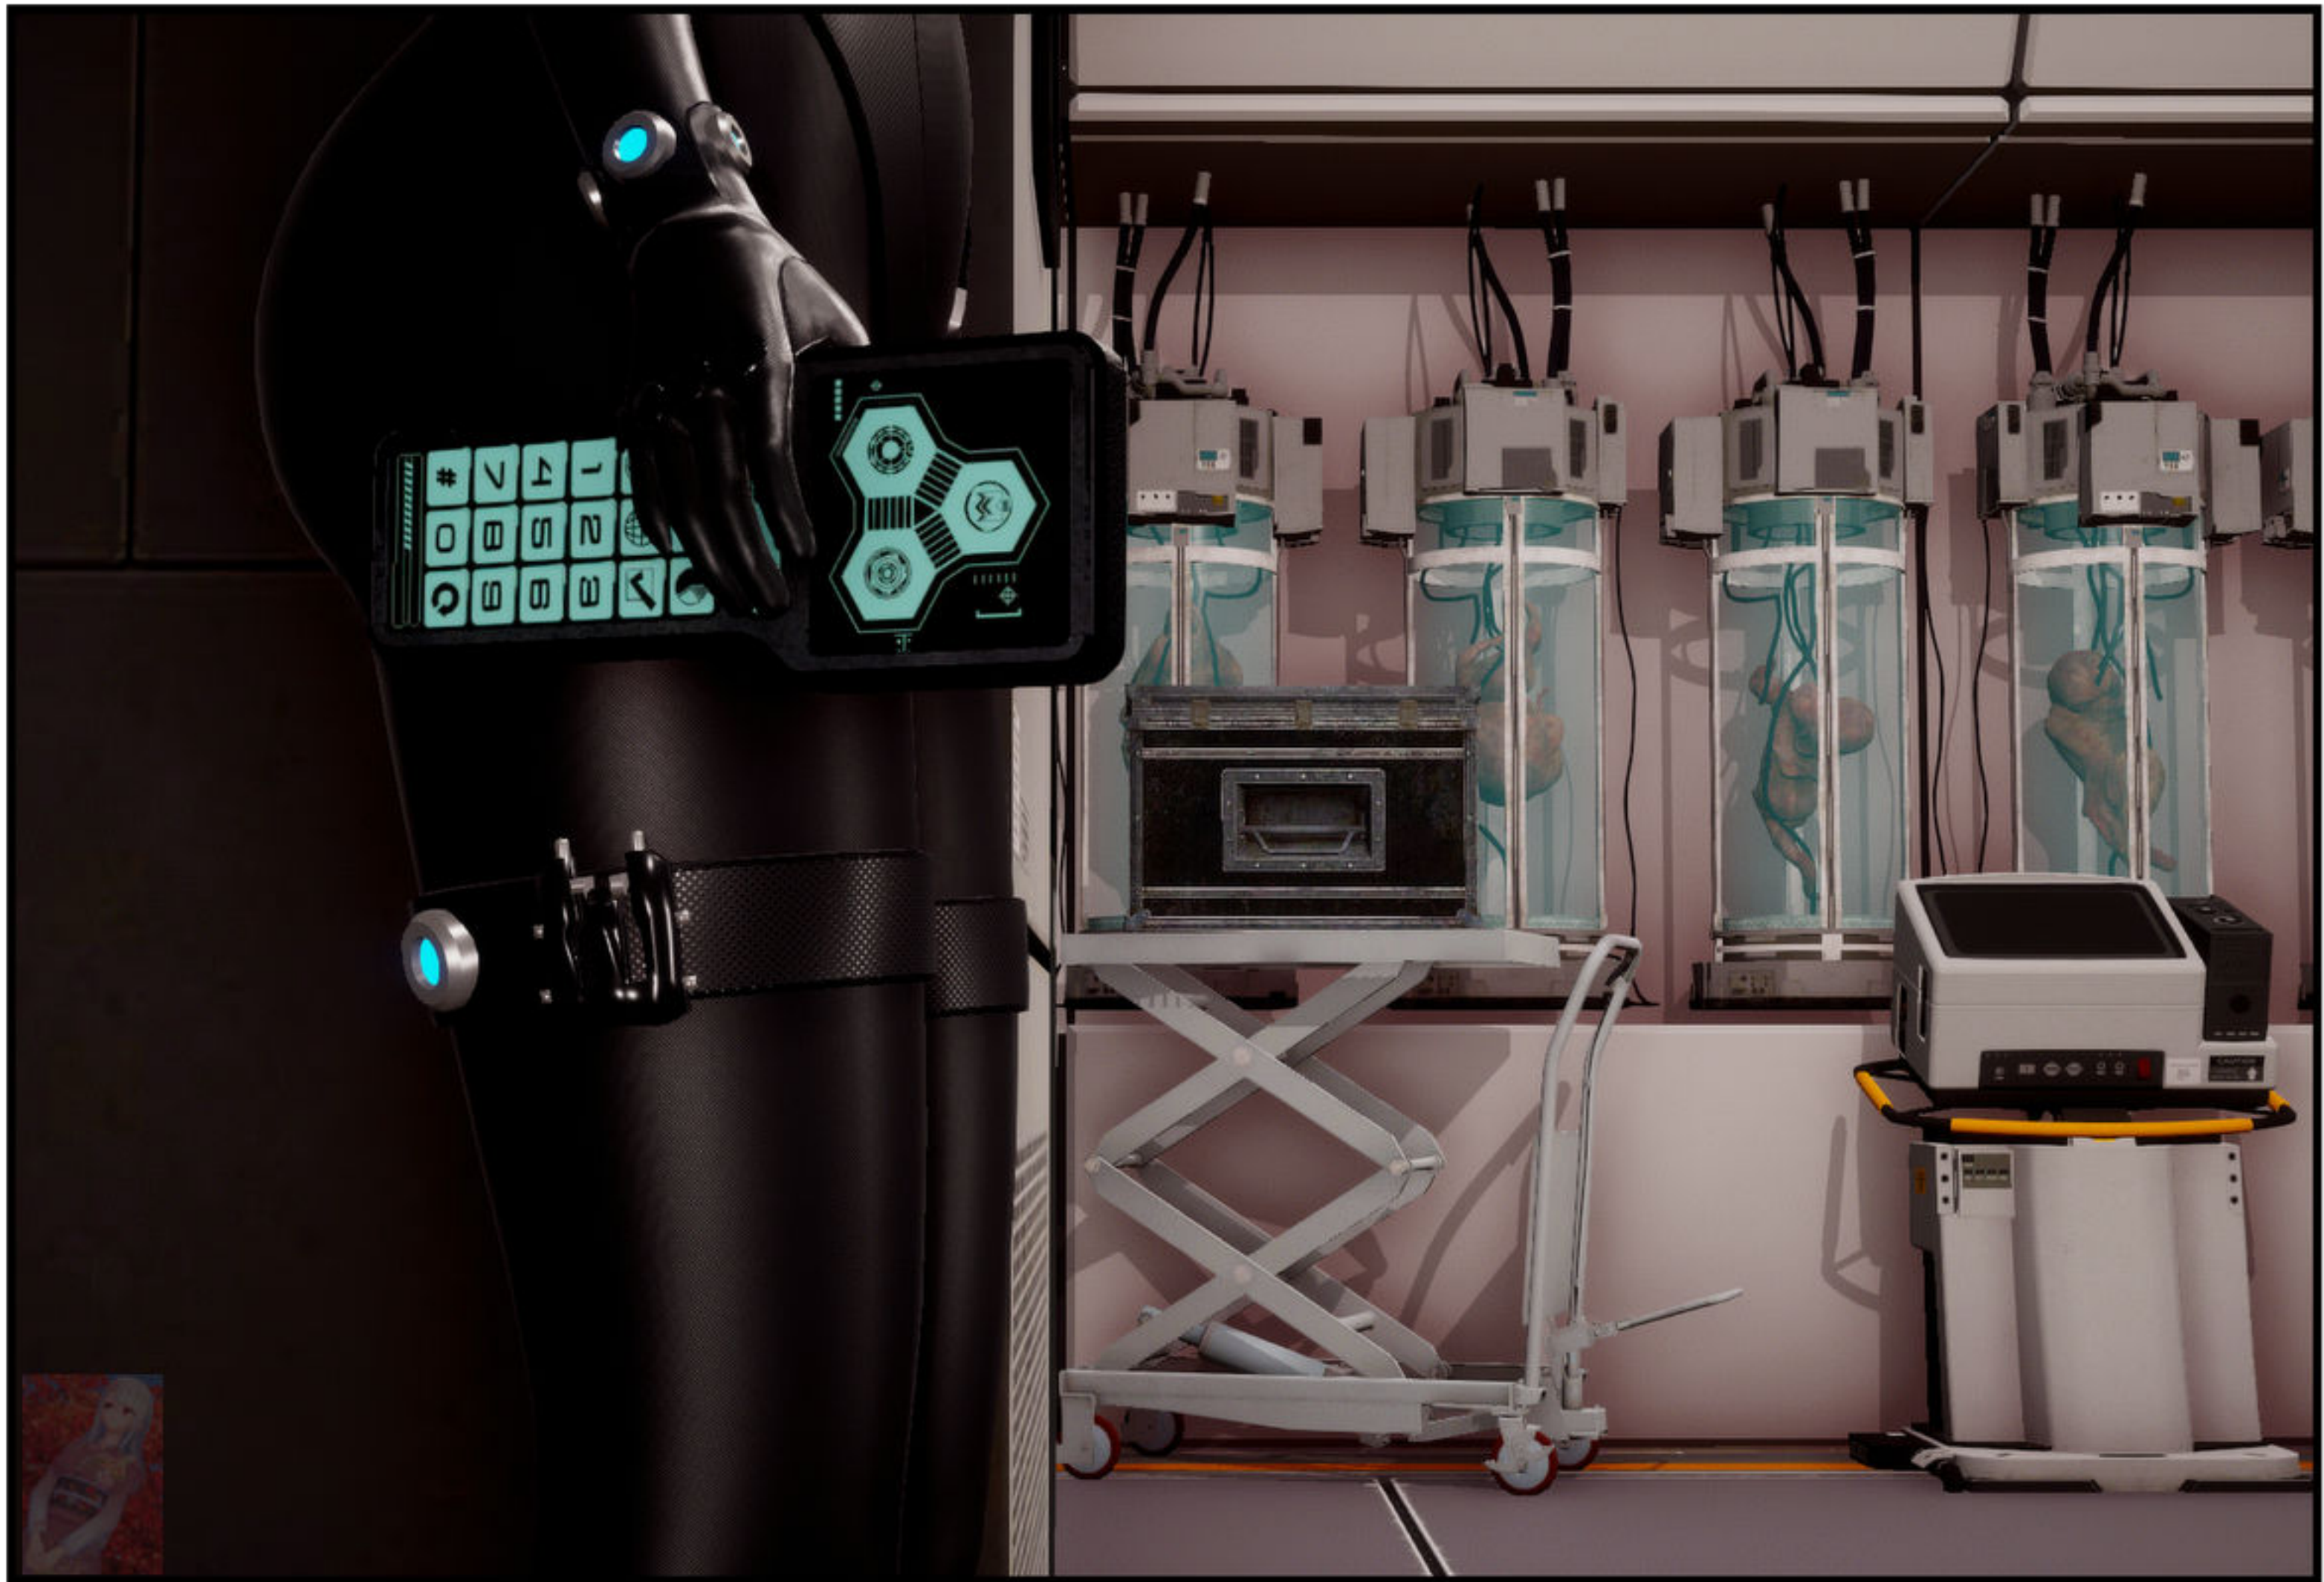

"It because I haven't directly interact with her brain.."

Well.. I would love to play around with you, Captain.

I need to confirm
the situation with
the rescue team.

A female android character with dark hair and a black tactical suit with glowing blue sensors. She is looking forward with a serious expression. The background is a dark, industrial setting.

"Should have a weapon
that I can use to
defense myself."

"Okay, this should be good.."

Who's there!?

It's me.. Kaori..

What happened
to you.. you look..

There's no time!

I almost got her!

This one just

my control!

A close-up shot of a woman with long, straight brown hair and glowing pink eyes. She is looking slightly to the left. The background is a laboratory or medical facility with various pieces of equipment, including a large glass container with blue liquid and a wall with several papers pinned to it. A speech bubble is overlaid on the left side of the image.

But no worries,
she can run, but
she can't hide.
Let's find her.

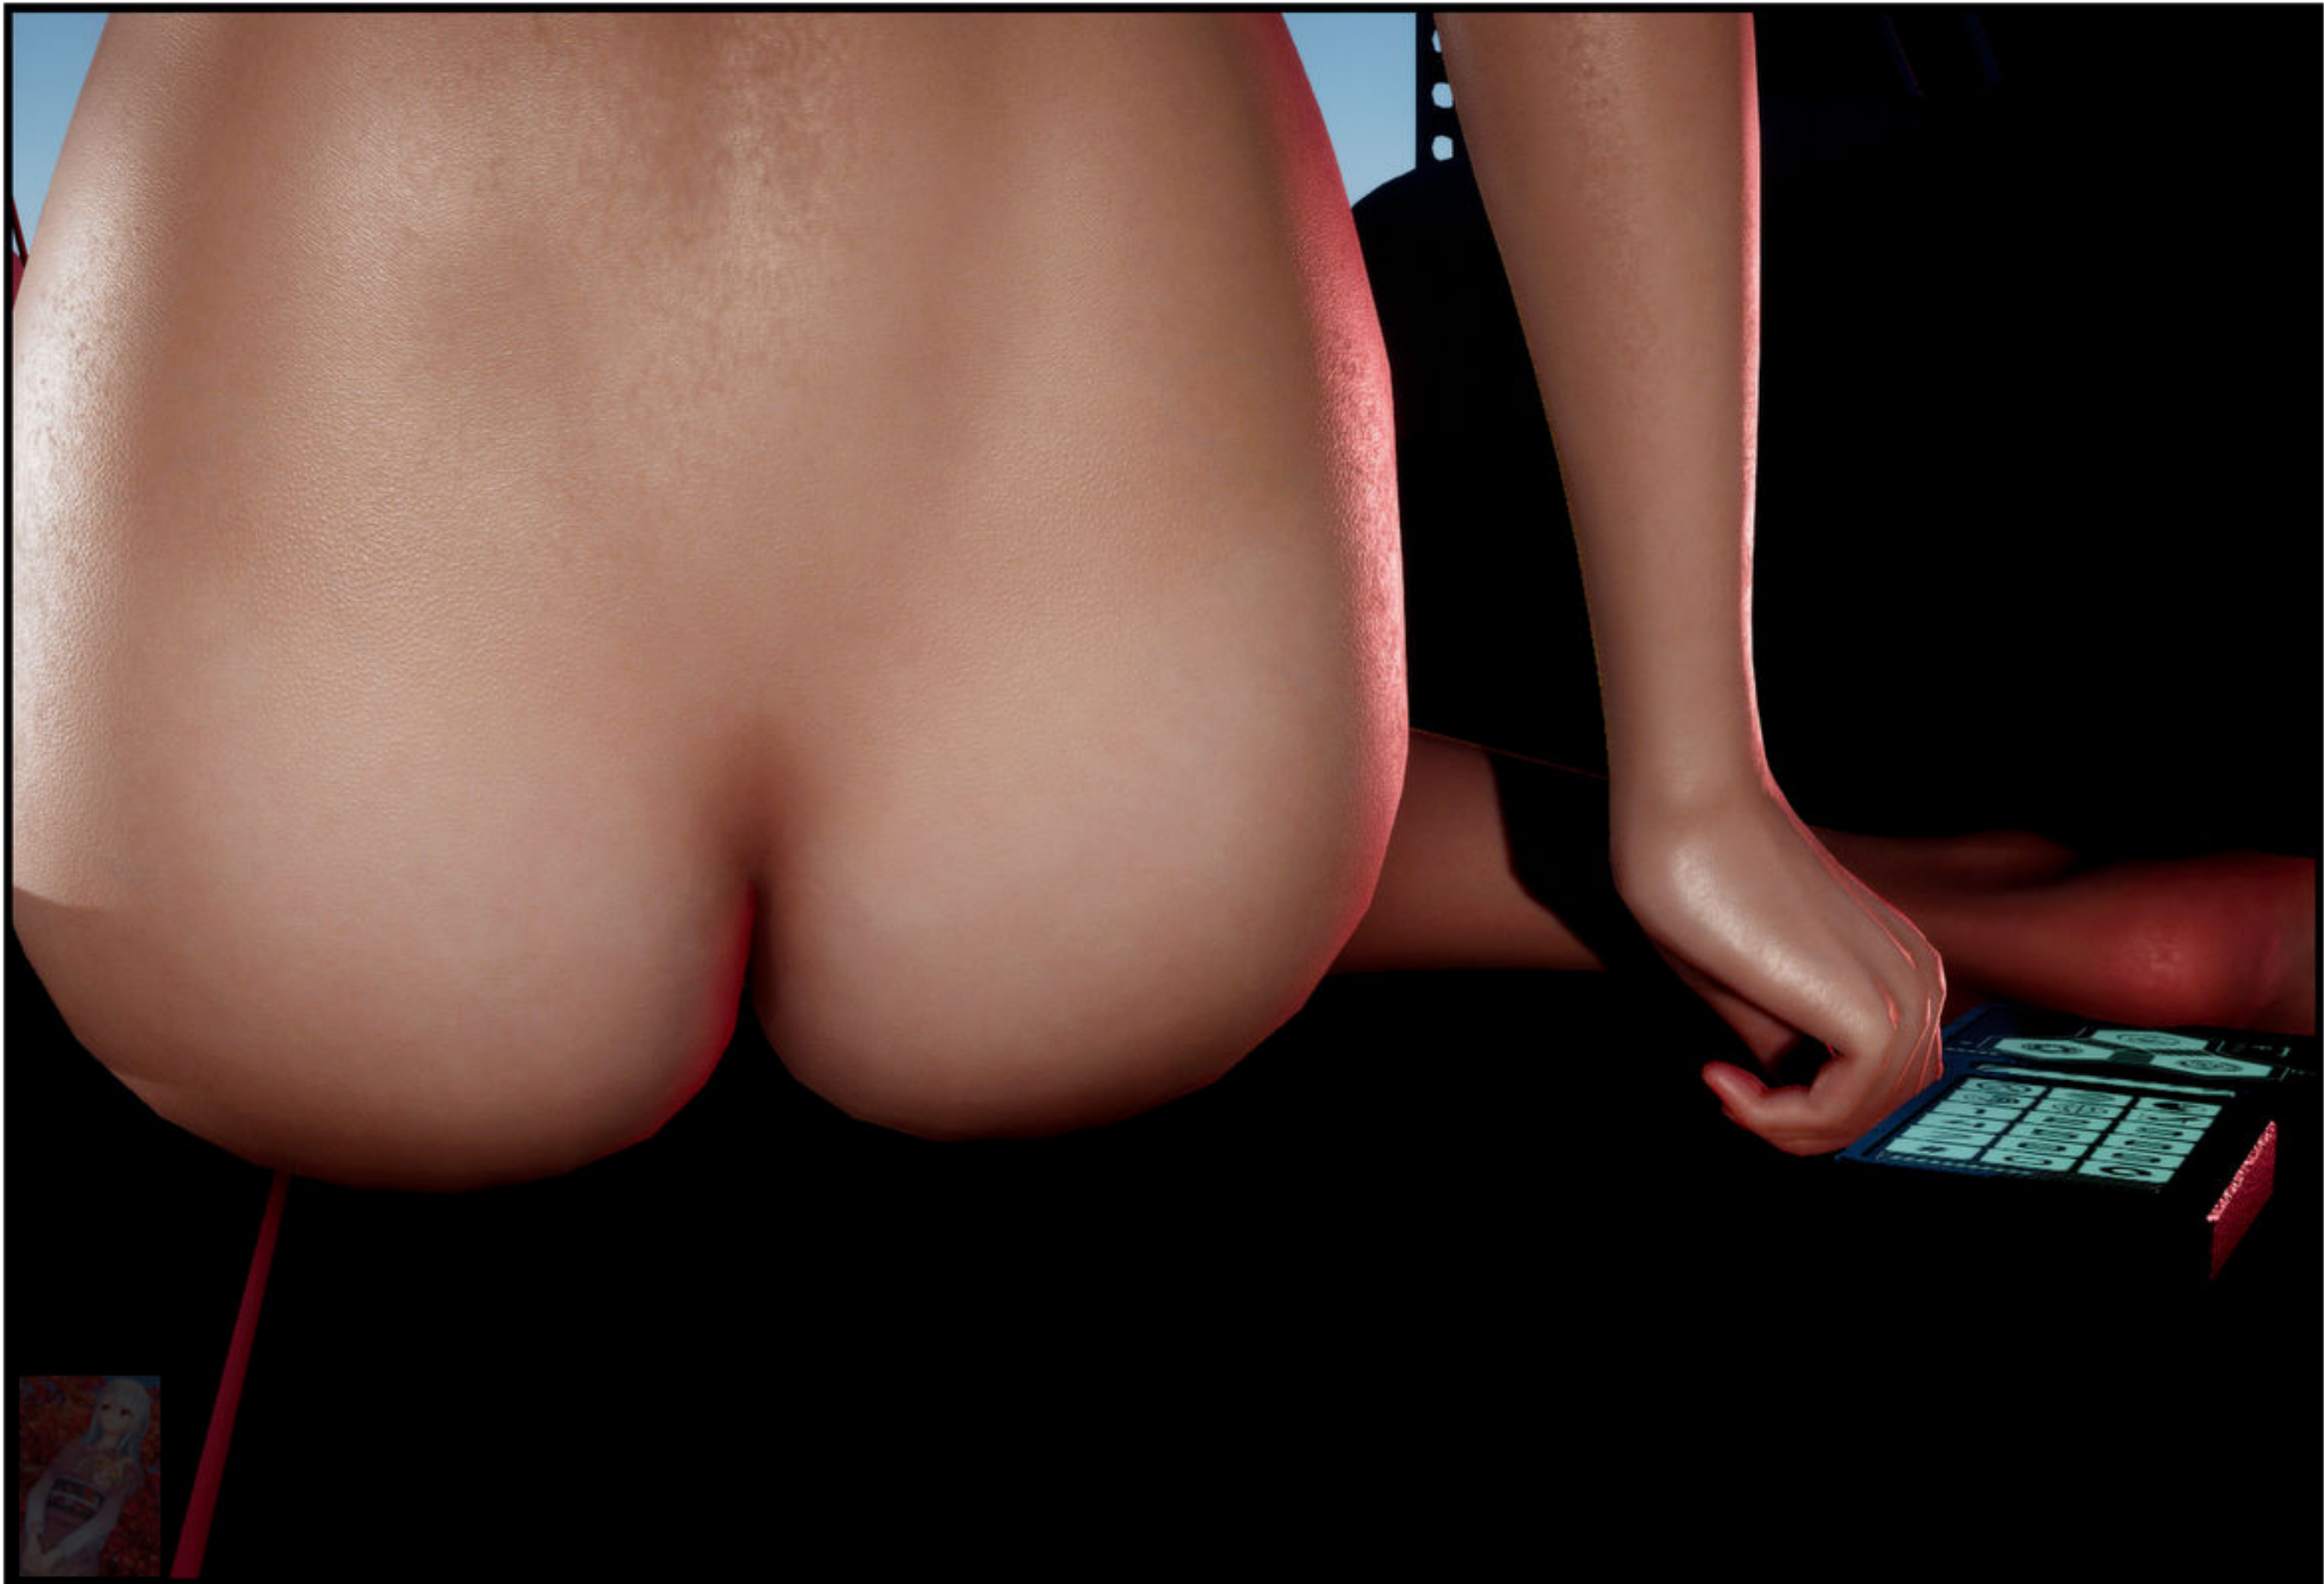

I don't want
this.. I never
wanted this..

Kaori.. Airi..
Please.. tell
me this isn't real..

Meanwhile..

Hah.. Said a team but only two of us..

We should get to
the Command
Room and set up
the communication.

That's the reason
why we are here.

And if lucky, we may
run into those
survivors..

That is.. If they
still alive..

A screenshot from a video game. On the left, a character with dark hair and bangs, wearing a black tank top and a military-style harness, looks towards the right. A speech bubble above her contains the text: "Anyway, let's be careful, this could be dangerous." On the right, the back of another character's head and shoulder is visible, showing long dark hair and a pinkish-red top. The background is a dark, dense jungle with green foliage.

Anyway, let's be careful, this could be dangerous.

"Bring Captain
Mizuki to us..
Submit your body."

I got it. I will
stay with you
no matter what.

To be continued?
